13. **DETAILS OF DIRECTORS AND KEY MANAGERIAL PERSONNEL APPOINTED / RESIGNED DURING THE YEAR:**

Mr. Shailendra Roy, Mr. Y.V.S. Sravankumar, Mr. James Abraham and Ms. Vijaya Sampath are the present Directors of the Company.

Mr. Chandan Roy ceased to be an Independent Director of the Company with effect from June 23, 2016 on account of his sad demise.

Mr. Ashwani Kumar is the Manager (designated as Chief Executive) of the Company. Mr. Bhavesh Kadakia is the Chief Financial Officer and Mr. Urvil Desai is the Company Secretary of the Company.

Mr. Shailendra Roy is a Director liable to retire by rotation and being eligible offers himself for re-appointment. The notice convening the AGM includes the proposal for his re-appointment.

14. **NUMBER OF MEETINGS OF THE BOARD OF DIRECTORS:**

The Meetings of the Board are held at regular intervals with a time gap of not more than 120 days between two consecutive Meetings. During the year under review, 4 (four) Meetings were held on May 2, 2016, July 19, 2016, October 24, 2016 and January 20, 2017.

The Agenda of the Meeting is circulated to the Directors in advance. Minutes of the Meetings of the Board of Directors are circulated amongst the Members of the Board for their perusal.

15. **AUDIT COMMITTEE:**

The Company has constituted an Audit Committee in line with the requirements of the Companies Act, 2013. The terms of reference of the Committee are in line with the requirements of the Companies Act, 2013.

The committee comprises of one Non-Executive Director and two Independent Directors.

The current members of the Audit Committee are Mr. Y.V.S. Sravankumar, Mr. James Abraham and Ms. Vijaya Sampath.

During the year under review, 4 (four) Meetings of the Audit Committee were held on May 2, 2016, July 19, 2016, October 24, 2016 and January 20, 2017.

The Company has voluntarily established a vigil mechanism framework for directors and employees to report genuine concerns. This mechanism is in line with the requirements of the Companies Act, 2013.

16. **COMPANY POLICY ON APPOINTMENT AND REMUNERATION OF DIRECTORS:**

The Company has constituted a Nomination and Remuneration Committee as required by the Companies Act, 2013. The terms of reference of the Committee are in line with the Companies Act, 2013.

The Committee comprises of one Non-Executive Director and two independent Directors.

The current members of the Committee are Mr. Shailendra Roy, Mr. James Abraham and Ms. Vijaya Sampath.

During the year under review, one meeting was held on May 2, 2016.

The Committee has formulated a policy on director's appointment and remuneration including recommendation of remuneration of the key managerial personnel and other employees and the criteria for determining qualifications, positive attributes and independence of a Director.

The said policy complies with the requirements of the Companies Act, 2013.

17. DECLARATION OF INDEPENDENCE:

The Company has received Declarations of Independence from its independent Directors as stipulated under Section 149(7) of the Companies Act, 2013 confirming that he/she is meeting the criteria of Independence.

18. ADEQUACY OF INTERNAL FINANCIAL CONTROLS:

The Company has designed and implemented a process driven framework for Internal Financial Controls ('IFC') within the meaning of the explanation to Section 134(5)(e) of the Companies Act, 2013. For the year ended March 31, 2017, the Board is of the opinion that the Company has sound IFC commensurate with the nature and size of its business operations and operating effectively and no material weaknesses exist. The Company has a process in place to continuously monitor the same and identify gaps, if any, and implement new and / or improved controls wherever the effect of such gaps would have a material effect on the Company's operations.

19. DIRECTORS RESPONSIBILITY STATEMENT:

The Board of Directors of the Company confirms:

a) In the preparation of Annual Accounts, the applicable accounting standards have been followed along with proper explanation relating to material departures.

b) The Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit of the Company for that period.

c) The Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013, for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities.

d) The Directors have prepared the Annual Accounts on a going concern basis.

e) The Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and were operating effectively.

20. PERFORMANCE EVALUATION OF THE BOARD, ITS COMMITTEES AND DIRECTORS:

The Nomination and Remuneration Committee and the Board have laid down the manner in which formal annual evaluation of the performance of the Board, Committee and Individual Directors has to be made.

It includes circulation of questionnaires to all Directors for evaluation of the Board and its Committees, Board composition and its structure, its culture, Board effectiveness, Board functioning, information availability, etc. These questionnaires also cover specific criteria and the grounds on which all directors in their individual capacity will be evaluated.

The inputs given by all the directors were discussed in the meeting of the Independent Directors held on April 26, 2017 as per Schedule IV of the Companies Act, 2013. The performance evaluation of the Board, Committees and Directors was also reviewed by the Nomination and Remuneration Committee and the Board of Directors.

21. COMPLIANCE WITH SECRETARIAL STANDARDS ON BOARD AND ANNUAL GENERAL MEETINGS:

The Company has complied with Secretarial Standards issued by the Institute of Company Secretaries of India on Board Meetings and Annual General Meetings.

22. PROTECTION OF WOMEN AT WORKPLACE:

The parent company Larsen & Toubro Limited (L&T) has formulated a policy on 'Protection of Women's Rights at Workplace' which is applicable to all group companies. This has been widely disseminated. There were no cases of sexual harassment received in the Company during 2016-17.

23. AUDITORS:

The Company's Auditors M/s. Sharp & Tannan have already completed more than ten years as Statutory Auditors of the Company. In view of the mandatory rotation of auditor and in accordance with the provisions of the Companies Act, 2013, it is proposed to appoint M/s M P Chitale & Company as statutory Auditors for a period of five continuous years i.e. from the conclusion of the tenth Annual General Meeting till the conclusion of the fifteenth Annual General Meeting of the Company. Their appointment shall be ratified at every Annual General Meeting of the Company.

The Board places on record its appreciation for the services rendered by M/s Sharp & Tannan as the Statutory Auditors of the Company.

Certificate from the M/s M P Chitale & Company has been received to the effect that they are eligible to act as auditors of the Company under Section 141 of the Companies Act, 2013.

24. SECRETARIAL AUDIT REPORT:

The Secretarial Auditors' report to the shareholders issued by M/s. Naina Desai, Practicing Company Secretary does not contain any qualification.

The same is attached as **Annexure IV** to this Report.

ANNEXURE IV TO THE BOARD REPORT FOR THE FINANCIAL YEAR 2016-17

FORM NO. MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED MARCH 31, 2017

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
L&T Power Development Limited

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **L&T Power Development Limited** (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on March 31, 2017, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2017 according to the provisions of:

(i) The Companies Act, 2013 (the Act) and the rules made thereunder;

(ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;

(iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;

(iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;

(v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'), **as applicable**:-

- a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
- b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992; **presently, (Prohibition of Insider Trading) Regulations, 2015**;
- c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
- d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999; **presently (Share Based Employee Benefits) Regulations, 2014**;
- e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
- f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
- h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;

(vi) No other specific business/industry related laws are applicable to the Company.

I have also examined compliance with the applicable clauses of the following:

i. Secretarial Standards issued by The Institute of Company Secretaries of India.

ii. **The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and** the Listing Agreements entered into by the Company with Stock Exchange(s), if applicable. **This is not applicable.**

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

I further report that, **in my opinion**, there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period, the Company has no instances of events / actions that have taken place which have a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc., like -

(i) Public/Right/Preferential issue of shares / debentures/sweat equity, etc.- **NIL**.

(ii) Redemption / buy-back of securities. – **NIL**.

(iii) Major decisions taken by the members in pursuance to section 180 of the Companies Act, 2013. – **NIL**.

(iv) Merger / amalgamation / reconstruction, etc. – **NIL**.

(v) Foreign technical collaborations. – **NIL**.

(vi) Other Events, if any – **NIL**.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF L&T POWER DEVELOPMENT LIMITED

Report on the Standalone Indian Accounting Standards (Ind AS) Financial Statements

We have audited the accompanying standalone Ind AS financial statements of L&T Power Development Limited ("the Company"), which comprise the Balance Sheet as at 31 March 2017, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein after referred to as "standalone Ind AS financial statements").

Management's responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS prescribed under section 133 of the Act read with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these Standalone Ind AS Financial Statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Ind AS Financial Statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the financial position of the Company as at 31 March 2017, and its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
   a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
   b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
   c) the Balance Sheet, the Statement of Profit and Loss, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
   d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and Companies (Indian Accounting Standards) Rules, 2015 (as amended);
   e) On the basis of the written representations received from the directors as on 31st March, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164(2) of the Act;

f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B"; and

g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

   i. The Company has disclosed the impact of pending litigations on its financial position in its standalone Ind AS financial statements- Refer Note 24.11 to the standalone Ind AS financial statements;

   ii. The Company did not have any long term contracts including derivative contracts, for which there were any material foreseeable losses;

   iii. There were no amount which were required to be transferred to the Investor Education and Protection Fund by the Company; and

   iv. The Company has provided requisite disclosures in its financial statements as to holdings as well as dealings in Specified Bank Notes during the period from 8 November 2016 to 30 December 2016 and are in accordance with the books of accounts maintained by the Company- Refer Refer Note 24.15 to the standalone Ind AS financial statements.

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

(i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets;

(b) The physical verification of the fixed assets has been carried out by management during the year and no material discrepancies were noticed on such verification ; and

(c) The Company does not hold any immovable properties. Accordingly, paragraphs 3(i) (c) of the Order are not applicable to the Company.

(ii) The Company does not hold any physical inventories. Thus, paragraph 3(ii) of the Order is not applicable to the Company.

(iii) According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Act. Accordingly, paragraphs 3(iii) (a), (b) and (c) of the Order are not applicable to the Company.

(iv) In our opinion and according to the information and explanations given to us, in respect of loans, investments, guarantees and security the provisions of section 185 and 186 of the Act have been complied with.

(v) In our opinion and according to information and explanation given to us, the Company has not accepted deposits as per the directives issued by the Reserve Bank of India under the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed there under. Accordingly, paragraph 3(v) of the Order is not applicable to the Company.

(vi) According to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Act for any of the services rendered by the Company. Accordingly, paragraph 3(vi) of the Order is not applicable to the Company.

(vii) (a) According to the information and explanations given to us and on the basis of our examination of records of the Company, amounts deducted/ accrued in the books of account in respect of undisputed statutory dues including Income tax, Service tax, Cess and other material statutory dues have been regularly deposited during the year by the Company with the appropriate authorities..

According to the information and explanations given to us, no undisputed amounts payable in respect of Income tax, Service tax, Cess and other material statutory dues were in arrears as at 31 March 2017 for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us and on the basis of our examination of records of the Company, the particulars of income tax, value Added tax, sales tax, service tax, duty of excise and duty of custom which have not been deposited with the appropriate authorities on account of any dispute as at 31 March 2017 are as under:

Name of the statute	Nature of the disputed dues	Amount ₹ *	Period to which the amount relates	Forum where disputes are pending
Income-tax Act, 1961	Disallowance of expenditure u/s 14A	1,84,39,640	2014-15	CIT(A)

* Net of pre-deposit paid in getting the stay/ appeal admitted.

(viii) The Company does not have any loans or borrowings from any financial institution, banks, government or debenture holders during the year. Accordingly, paragraph 3(viii) of the Order is not applicable to the Company.

(ix) The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) and term loans during the year. Accordingly, paragraph 3(ix) of the Order is not applicable to the Company.

(x) According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the year.

(xi) According to the information and explanation given to us and based on our examination of the records of the Company, the Company has not paid/ provided for managerial remuneration. Accordingly, paragraph 3(xi) of the Order is not applicable to the Company.

(xii) In our opinion and according to the information and explanation given to us, the Company is not a nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable to the Company.

(xiii) According to the information and explanation given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with section 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.

(xiv) According to the information and explanation given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or partly convertible debentures during the year. Accordingly paragraph 3(xiv) of the Order is not applicable to the Company.

(xv) According to the information and explanation given to us and based on our examination of the records of the Company, the Company has not entered into non- cash transactions with directors or persons connected with him. Accordingly paragraph 3(xv) of the Order is not applicable to the Company.

(xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2(f) of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of L&T Power Development Limited ("the Company") as of 31 March 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

NATURE OF OPERATIONS:

L&T Power Development Ltd. (The Company), a wholly owned subsidiary of Larsen and Toubro Ltd. Having its registered office at L&T House, N. M. Marg, Ballard Estate, Mumbai 400001, India. The Company was incorporated as its Power Development arm with an objective of developing, investing, operating and maintaining power generation projects.

NOTE NO. 1: SIGNIFICANT ACCOUNTING POLICIES

(i) Basis of preparation:

a) Compliance with Ind AS

The Company's financial statements have been prepared in accordance with the provisions of the Companies Act, 2013 and the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 issued by Ministry of Corporate Affairs in respect of section 133 of Indian Companies Act, 2013. The guidance notes/ announcements issued by the Institute of Chartered Accountants of India (ICAI) are also considered, wherever applicable except to the extent where compliance with other statutory promulgations override the same requiring a different treatment.

b) First Time Adoption:

Upto the year ended March 31, 2016, the Company prepared its financial statements in accordance with the requirements of previous GAAP, which includes Standards notified under the Companies (Accounting Standards) Rules, 2006. These are the Company's first Ind AS financial statements. The date of transition to Ind AS is April 1, 2015. Also Refer Note 3 for an explanation of how the transition from previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows.

Exemptions applied

Ind AS 101 allows first-time adopters certain exemptions from the retrospective application of certain requirement under Ind AS. The Group has applied the following exemptions:

Property, plant and equipment

On transition to Ind AS, the Company has elected to apply the deemed cost exemption to all of its items of PPE and therefore continues with the carrying value of all of its property, plant and equipment recognised as at 1 April 2015 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

(ii) Basis of accounting

The Company maintains its accounts on accrual basis following the historical cost convention, except for the following assets and liabilities which have been measured at fair value:

a) Certain financial assets and liabilities measured at fair value

Fair value measurements are categorized into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 inputs are inputs, other than quoted prices included in Level 1, that are observable for the asset or liability, either directly or indirectly; and,
- Level 3 inputs are unobservable inputs for the asset or liability

b) Presentation of financial statements

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 ("the Act"). The cash flow statement has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the schedule III to the Act, are presented by way of notes forming part of accounts along with the other notes required to be disclosed under the notified Accounting Standards.

(iii) Revenue recognition

a) Revenue from operations

Measurement of revenue:

Revenue is measured at the fair value of the consideration received or receivable. The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Company and specific criteria have been met as described below:

Timing of recognition:

Revenue from operations: Revenue from project advisory services is recognised in the accounting period in which the services are rendered. Amounts disclosed as revenue is exclusive of service tax.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS (Contd.)

b) Other income

Dividends from investments are recognised in profit or loss as other income when the Company's right to receive payments is established.

Estimates of revenues and costs are revised if circumstances change. Any resulting increases or decreases in estimated revenues or costs are reflected in profit or loss in the period in which the circumstances that give rise to the revision become known by management.

(iv) Income tax

a) Current tax

The current income tax charge is calculated on the basis of taxable income and tax credits computed in accordance with the provisions of the Income-tax Act 1961, any amendments / rules that have been enacted by the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

b) Deferred tax

Deferred tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill. Deferred tax is computed in accordance with the provisions of the Income-tax Act 1961, and any amendments / rules that have been enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

c) Current and deferred tax for the year

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

(v) Leases

Operating Lease:

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to profit or loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

(vi) Impairment of assets

As at each Balance Sheet date, assets are tested for impairment so as to determine, the provision for impairment loss, if any, and the reversal of impairment loss recognised in previous periods, if any.

An impairment loss, if any, is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use.

(vii) Financial instruments

A Financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a) Financial assets

Initial recognition and measurement

The Company classifies its investments and financial assets in the following measurement categories:

- those to be measured at cost (investment in subsidiaries)
- those to be measured subsequently at fair value through other comprehensive income, and
- those to be measured subsequently at fair value through profit and loss

In the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset are added to the fair value of those financial assets.

Subsequent measurement

- Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to

NOTES FORMING PART OF THE FINANCIAL STATEMENTS (Contd.)

profit or loss and recognised in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

- Fair value through profit or loss: Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented net in the Statement of Profit and Loss within other gains/ (losses) in the period in which it arises. Interest income from these financial assets is included in other income.
- Debt instruments at amortised cost: After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

b) Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables. These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities on the basis of the operating cycle of the Company.

Subsequent measurement

Fair value through profit or loss: Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. All changes in fair value of such liability are recognised in the statement of profit or loss. The Company has not designated any financial liability as at fair value through profit and loss.

(viii) Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, balances with banks and fixed deposits having maturity less than one year.

(ix) Property, plant and equipment

Property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation methods, estimated useful lives and residual value:

Depreciation on property, plant and equipment is provided from the month the asset is ready for commercial production on a pro-rata basis as per useful life prescribed in schedule II to the Companies Act, 2013 or based on the estimated useful life considered by the Company, whichever is appropriate considering the technical evaluation, business specific usage, consumption pattern of assets and past performance of similar assets.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other gains/(losses).

The estimated useful life of property, plant and equipment as follows:

Particulars	**As at 31.03.2017**		*As at 31.03.2016*		*As at 01.04.2015*	
	Minimum	**Maximum**	*Minimum*	*Maximum*	*Minimum*	*Maximum*
Site Equipment	**15**	**15**	*15*	*15*	*15*	*15*
Computers	**3**	**6**	*3*	*6*	*3*	*6*
Furniture & Fixtures	**10**	**10**	*10*	*10*	*10*	*10*

AC & Refrigeration Equipment	**15**	**15**	*15*	*15*	*15*	*15*

Note:- There are no restrictions on title and the assets are not pledged/ hypothecated as security.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS (Contd.)

(x) Intangible assets

Costs associated with maintaining software programmes are recognised as an expense as incurred. Development costs that are directly attributable to the design and testing of identifiable and unique software products controlled by the Company are recognised as intangible assets when the following criteria are met:

- it is technically feasible to complete the software so that it will be available for use
- management intends to complete the software and use or sell it
- there is an ability to use or sell the software
- it can be demonstrated how the software will generate probable future economic benefits
- adequate technical, financial and other resources to complete the development and to use or sell the software are available, and
- the expenditure attributable to the software during its development can be reliably measured.

Directly attributable costs that are capitalised as part of the software include employee costs and an appropriate portion of relevant overheads. Capitalised development costs are recorded as intangible assets and amortised from the point at which the asset is available for use.

Estimated useful life of Intangible Assets:

Computer Software is amortised over a period of 6 years using the straight-line method.

(xi) Current versus non-current classification - operating cycle

The Company presents assets and liabilities in the Balance Sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Operating cycle covers the duration of the specific project / contract / service including the defect liability period, wherever applicable and extends up to the realization of receivables (including retention monies) within the agreed credit period normally applicable to the business.

(xii) Provisions

Provisions for legal claims and returns are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions for restructuring are recognised by the Company when it has developed a detailed formal plan for restructuring and has raised a valid expectation in those affected that the Company will carry out the restructuring by starting to implement the plan or announcing its main features to those affected by it.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

The measurement of provision for restructuring includes only direct expenditures arising from the restructuring, which are both necessarily entailed by the restructuring and not associated with the ongoing activities of the Company.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS (Contd.)

(xiii) Commitments

Commitments are future liabilities for contractual expenditure

Commitments are classified and disclosed as follows:

(a) Estimated amount of contracts remaining to be executed on capital account and not provided for;

(b) Uncalled liability on shares and other investments partly paid;

(c) Funding related commitment to subsidiary, associate and joint venture companies and

(d) Other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.

Other commitments related to sales/procurements made in the normal course of business are not disclosed to avoid excessive details.

(xiv) Contributed equity

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

(xv) Earnings per share

Basic earnings per share are calculated by dividing:

- the profit attributable to Equity Shareholders
- by the weighted average number of equity shares outstanding during the financial year

Diluted earnings per share adjust the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

NOTE NO. 2: CRITICAL ESTIMATES AND JUDGEMENTS

The preparation of financial statements requires the use of accounting estimates which by definition, will seldom equal the actual results. Management also needs to exercise judgement in selecting Company's accounting policies. The areas involving critical estimates or judgements are:

- Estimation of Current tax expense and payable
- Estimated useful life of intangible asset
- Impairment of investments

Estimates and judgements are continually evaluated. They are based on historical experience and other factors including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

NOTE NO. 3: NOTES TO FIRST TIME ADOPTION OF IND AS

Reconciliation between IGAAP and Ind AS is as follows:

Balance Sheet as at April 1, 2015:

Add: Balance brought forward from previous years	**20,06,586**	*20,20,229*
Balance carried to Balance Sheet	**19,98,187**	*20,06,586*

2. CAPITAL EXPENDITURE:

As at March 31, 2017 the gross fixed and intangible assets including leased assets stood at ₹ **10,38,247/-** and the net fixed and intangible assets including leased assets at ₹ **8,03,646/-** In addition to this, the Company has incurred capital work in progress and pre-operative expenses to the tune of ₹ **3,25,06,783/-** and ₹ **36,44,02,749/-** respectively.

3. DEPOSITS:

The Company has not accepted deposits from the public falling within the ambit of Section 73 of the Companies Act, 2013 and the Rules framed thereunder.

4. SUBSIDIARY COMPANIES:

The Company does not have any subsidiary companies under its purview.

5. PARTICULARS OF LOANS GIVEN, INVESTMENTS MADE, GUARANTEES GIVEN OR SECURITY PROVIDED BY THE COMPANY:

The Company has not given any loan, guarantees, security or made any investment during the financial year 2016-17 which attract the provisions of section 186 of Companies Act, 2013.

6. PARTICULARS OF CONTRACTS OR ARRANGEMENTS WITH RELATED PARTIES:

All the related party transactions were in the ordinary course of business and at arm's length. The Audit Committee has approved all the related party transactions for the financial year 2016-17. Statement containing details of all material transactions/contracts/arrangements is annexed to this report as Annexure I to this report.

The Audit Committee has approved the related party transactions entered into or proposed to be entered into during the financial year 2017-18.

There are no materially significant related party transactions that may have conflict with the interest of the company.

7. STATE OF COMPANY AFFAIRS:

Other income for the financial year under review was ₹ **0.35 lacs** as against ₹ **0.22 lacs** for the previous financial year. The profit after tax was ₹ **(0.08) lacs** for the financial year under review as against ₹ **(0.14) lacs** for the previous financial year.

8. DIVIDEND:

The Directors have not recommended any dividend for the financial year 2016-17.

9. MATERIAL CHANGES AND COMMITMENTS AFFECTING THE FINANCIAL POSITION OF THE COMPANY, BETWEEN THE END OF THE FINANCIAL YEAR AND THE DATE OF THE REPORT:

There are no material changes and commitments affecting the financial position of the company, between the end of the financial year and the date of the report.

10. CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO:

a. The operations of the Company are not energy intensive as the Company is not engaged in any manufacturing activity and is not included under the list of industries which should furnish information as per Rule 8 Companies (Accounts) Rules, 2014.

b. No technology has been developed and / or imported by way of foreign collaboration.

c. During the year under review, the Company had no foreign exchange earnings and outgo.

11. RISK MANAGEMENT POLICY:

The Company has formulated a risk management policy and has in place a mechanism to inform the Board Members about risk assessment and minimization procedures and periodical review to ensure that executive management controls risk by means of a properly designed framework.

12. DETAILS OF DIRECTORS AND KEY MANAGERIAL PERSONNEL APPOINTED / RESIGNED DURING THE YEAR:

Mr. Pramod Sushila Kapoor, Mr. Ajit Samal, Mr. Ashwani Kumar, Mr. Seshadri Subrahmanyan and Ms. Deepa Ganjoo are the present Directors of the Company. During the year under review, Ms. Nandita Mittal has resigned as the Company Secretary of the Company and Mr. Suraj Eksambekar has been appointed in her place with effect from October 15, 2016. Ms. Vineeta Mahesh Sharma has resigned as the Chief Financial Officer of the Company with effect from July 16, 2016. The notice convening the AGM includes the proposal for appointment of the Chief Financial Officer

Mr. Gurvinder Pal Singh is the Manager of the Company.

Mr. Pramod Sushila Kapoor was appointed as a Director in casual vacancy caused by the resignation of Mr. Ashok Sonthalia with effect from October 17, 2015 and he holds office till the date of this Annual General Meeting. A resolution for his appointment as Director of the Company is a part of the Notice sent to the shareholders of the Company.

13. NUMBER OF MEETINGS OF THE BOARD OF DIRECTORS:

The Meetings of the Board are held at regular intervals with a time gap of not more than 120 days between two consecutive Meetings. During the year under review, 4 meetings were held on April 30, 2016, July 16, 2016, October 15, 2016 and January 21, 2017.

The Agenda of the Meeting is circulated to the Directors in advance. Minutes of the Meetings of the Board of Directors are circulated amongst the Members of the Board for their perusal.

14. AUDIT COMMITTEE:

The Company has constituted an Audit Committee in terms of the requirements of the Companies Act, 2013. The terms of reference of the Committee are in line with the Companies Act, 2013.

During the year under review, four Meetings of the Audit Committee were held on April 30, 2016, July 16, 2016, October 15, 2016 and January 21, 2017.

The Committee comprises of one Non-Executive Director and two Independent Directors.

The current members of the committee are Mr. Pramod Sushila Kapoor, Mr. Seshadri Subrahmanyan and Ms. Deepa Ganjoo.

15. COMPANY POLICY ON APPOINTMENT AND REMUNERATION OF DIRECTORS:

The Company has constituted a Nomination and Remuneration Committee as required by the Companies Act, 2013. The terms of reference of the Committee are in line with the Companies Act, 2013.

The Committee comprises of one Non-Executive Director and two independent Directors.

During the year under review, one Meeting of the Nomination & Remuneration Committee was held on October 15, 2016.

The current members of the committee are Mr. Ashwani Kumar, Mr. Seshadri Subrahmanyan and Ms. Deepa Ganjoo.

The Committee has formulated a policy on director's appointment and remuneration including recommendation of remuneration of the key managerial personnel and other employees and the criteria for determining qualifications, positive attributes and independence of a Director.

16. DECLARATION OF INDEPENDENCE:

The Company has received Declarations of Independence from its independent Directors as stipulated under Section 149(7) of the Companies Act, 2013 confirming that he/she is meeting the criteria of Independence.

17. ADEQUACY OF INTERNAL FINANCIAL CONTROLS:

The Company has designed and implemented a process driven framework for Internal Financial Controls ('IFC') within the meaning of the explanation to Section 134(5)(e) of the Companies Act, 2013. For the year ended March 31, 2017, the Board is of the opinion that the Company has sound IFC commensurate with the nature and size of its business operations and operating effectively and no material weaknesses exist. The Company has a process in place to continuously monitor the same and identify gaps, if any, and implement new and / or improved controls wherever the effect of such gaps would have a material effect on the Company's operations.

18. DIRECTORS RESPONSIBILITY STATEMENT:

The Board of Directors of the Company confirms:

a) In the preparation of Annual Accounts, the applicable accounting standards have been followed along with proper explanation relating to material departures.

b) The Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit of the Company for that period.

c) The Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013, for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities.

d) The Directors have prepared the Annual Accounts on a going concern basis.

e) The Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and were operating effectively.

19. PERFORMANCE EVALUATION OF THE BOARD, ITS COMMITTEES AND DIRECTORS:

The Nomination and Remuneration Committee and the Board have laid down the manner in which formal annual evaluation of the performance of the Board, Committee and Individual Directors has to be made.

It includes circulation of questionnaires to all Directors for evaluation of the Board and its Committees, Board composition and its structure, its culture, Board effectiveness, Board functioning, information availability, etc. These questionnaires also cover specific criteria and the grounds on which all directors in their individual capacity will be evaluated.

The inputs given by all the directors were discussed in the meeting of the Independent Directors held on April 29, 2017 as per Schedule IV of the Companies Act, 2013. The performance evaluation of the Board, Committees and Directors was also reviewed by the Nomination and Remuneration Committee and the Board of Directors.

20. COMPLIANCE WITH SECRETARIAL STANDARDS ON BOARD AND ANNUAL GENERAL MEETINGS:

The Company has complied with Secretarial Standards issued by the Institute of Company Secretaries of India on Board Meetings and Annual General Meetings.

21. PROTECTION OF WOMEN AT WORKPLACE:

The parent company Larsen & Toubro Limited (L&T) has formulated a policy on 'Protection of Women's Rights at Workplace' which is applicable to all group companies. This has been widely disseminated. The company does not have any women employees.

22. AUDITORS:

The Auditors, M/s. Sharp & Tannan (S&T), hold office until the conclusion of the ensuing Annual General Meeting. Certificate from the Auditors has been received to the effect that they are eligible to act as auditors of the Company under Section 141 of the Companies Act, 2013. The Board recommends the appointment of S&T as Auditors of the Company from the conclusion of the ensuing AGM until the conclusion of the next AGM.

23. DETAILS OF SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS OR COURTS OR TRIBUNALS:

During the year under review, there were no material and significant orders passed by the regulators or courts or tribunals impacting the going concern status and the Company's operations in future.

24. EXTRACT OF ANNUAL RETURN:

As per the provisions of Section 92(3) of the Companies Act, 2013, an extract of the Annual Return is attached as Annexure II of this Report.

25. ACKNOWLEDGEMENT:

The Directors acknowledge the invaluable support extended to the Company by the staff and management of the parent company and other fellow subsidiaries.

For and on behalf of the Board

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF L&T ARUNACHAL HYDROPOWER LIMITED

REPORT ON THE STANDALONE INDIAN ACCOUNTING STANDARDS (IND AS) FINANCIAL STATEMENTS

We have audited the accompanying standalone Ind AS financial statements of L&T Arunachal Hydropower Limited ("the Company"), which comprise the Balance Sheet as at 31 March 2017, the Statement of Profit and Loss (including other comprehensive income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein after referred to as "standalone Ind AS financial statements").

MANAGEMENT'S RESPONSIBILITY FOR THE STANDALONE IND AS FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS prescribed under section 133 of the Act read with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on these Standalone Ind AS Financial Statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Ind AS Financial Statements.

OPINION

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the financial position of the Company as at 31 March 2017, and its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
    a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
    b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
    c) the Balance Sheet, the Statement of Profit and Loss, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
    d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and Companies (Indian Accounting Standards) Rules, 2015 (as amended);
    e) On the basis of the written representations received from the directors as on 31st March, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164(2) of the Act;

f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B"; and

g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

   i. The Company does not have any pending litigations on its financial position in its financial statements - Refer Note 19.10 to the standalone Ind AS financial statements;

   ii. The Company did not have any long term contracts including derivative contracts, for which there were any material foreseeable losses;

   iii. There were no amount which were required to be transferred to the Investor Education and Protection Fund by the Company; and

   iv. The Company has provided requisite disclosures in its financial statements as to holdings as well as dealings in Specified Bank Notes during the period from 8 November 2016 to 30 December 2016 and are in accordance with the books of accounts maintained by the Company- Refer Refer Note 19.13 to the standalone Ind AS financial statements.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2(f) of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of L&T Arunachal Hydropower Limited ("the Company") as of 31 March 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

BRIEF DESCRIPTION OF THE PROJECT:

L&T Arunachal Hydropower Limited, (The Company), a wholly owned subsidiary of L&T Power Development Limited having its registered office at L&T House, N. M. Marg, Ballard Estate, Mumbai 400001, India. The Company has been formed to undertake the development, construction and operation of Hydro Electric Projects (HEPs) in the State of Arunachal Pradesh. Currently, the Company is developing 74 MW Tagurshit HEP on Build, Own, Operate and Transfer (BOOT) basis for a period of 40 years from the Commercial Operation Date. The Project is located on the Tagurshit River, a tributary Siyom River in West Siang District of Arunachal Pradesh.

NOTE NO. 1: SIGNIFICANT ACCOUNTING POLICIES

i. Basis of preparation

a) Compliance with Ind AS

The Company's financial statements have been prepared in accordance with the provisions of the Companies Act,2013 and the Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act. Further, the guidance notes/announcements issued by the Institute of Chartered Accountants of India (ICAI) are also considered, wherever applicable except to the extent where compliance with other statutory promulgations overrides the same requiring a different treatment.

b) First Time Adoption

Up to the year ended March 31, 2016, the Company prepared its financial statements in accordance with the requirements of previous GAAP, which include Standards notified under the Companies (Accounting Standards) Rules, 2006. These are the Company's first Ind AS financial Statements. The date of transition to Ind AS is April 1, 2015. Also Refer Note 3 for an explanation of how the transition from previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows.

Exemptions applied

Ind AS 101 allows first-time adopters certain exemptions from the retrospective application of certain requirement under Ind AS. The Group has applied the following exemption:

Property, plant and equipment

On transition to Ind AS, the Company has elected to apply the deemed cost exemption to all of its items of PPE and therefore continue with the carrying value of all of its property, plant and equipment recognized as at 1 April 2015 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

ii. Basis of accounting

The Company maintains its accounts on accrual basis following the historical cost convention, except for the following assets and liabilities which have been measured at fair value:

a) Certain financial assets and liabilities measured at fair value

Fair value measurements are categorized into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 inputs are inputs, other than quoted prices included in Level 1, that are observable for the asset or liability, either directly or indirectly; and,
- Level 3 inputs are unobservable inputs for the asset or liability

b) Presentation of financial statements

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 ("the Act"). The Cash Flow Statement has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of accounts along with the other notes required to be disclosed under the notified Accounting Standards.

iii. Revenue recognition

Other Income

Dividends from investments are recognized in profit or loss as other income when the Company's right to receive payments is established.

Estimates of revenues and costs are revised if circumstances change. Any resulting increases or decreases in estimated revenues or costs are reflected in profit or loss in the period in which the circumstances that give rise to the revision become known by management.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS (Contd.)

iv. Income-tax

a) Current tax:

The current income tax charge is calculated on the basis of taxable income and tax credits computed in accordance with the provisions of the Income Tax Act 1961, any amendments / rules that have been enacted by the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

b) Deferred tax:

Deferred tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax liabilities are not recognized if they arise from the initial recognition of goodwill. Deferred tax is computed in accordance with the provisions of the Income Tax Act 1961, and any amendments / rules that have been enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realized or the deferred tax liability is settled.

Deferred tax assets are recognized for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

c) Current and Deferred tax for the year

Current and deferred tax is recognized in profit or loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

v. Leases

a) Finance lease:

Leases of property, plant and equipment where the Company as lessee, has substantially all the risks and rewards of ownership are classified as finance leases. Finance leases are capitalized at the lease's inception at the fair value of the leased property or, if lower, the present value of the minimum lease payments. The corresponding rental obligations, net of finance charges, are included in borrowings or other financial liabilities as appropriate. Each lease payment is allocated between the liability and finance cost. The finance cost is charged to the profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

b) Operating lease:

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the company as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to profit or loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

vi. Impairment of assets

As at each Balance Sheet date, assets are tested for impairment so as to determine, the provision for impairment loss, if any and the reversal of impairment loss recognized in previous periods, if any.

An impairment loss, if any, is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use.

vii. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a) Financial assets

Initial recognition and measurement

The Company classifies its investments and financial assets in the following measurement categories:

- those to be measured at cost
- those to be measured subsequently at fair value through other comprehensive income, and
- those to be measured subsequently at fair value through profit and loss

In the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset are added to the fair value of those financial assets.

Subsequent measurement

- **Fair value through other comprehensive income (FVOCI):** Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in profit

NOTES FORMING PART OF THE FINANCIAL STATEMENTS (Contd.)

and loss. When the financial asset is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to profit or loss and recognized in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

- **Fair value through profit or loss:** Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognized in profit or loss and presented net in the Statement of Profit and Loss within other gains/ (losses) in the period in which it arises. Interest income from these financial assets is included in other income.
- **Debt instruments at amortised cost:** After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

b) Financial Liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables. These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities on the basis of the operating cycle of the Company.

Subsequent measurement

- **Fair value through profit or loss:** Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. All changes in fair value of such liability are recognized in the statement of profit or loss. The Company has not designated any financial liability as at fair value through profit and loss.

viii. Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, balances with banks and fixed deposits having maturity less than one year.

ix. Property, Plant and Equipment

Property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Pre-operative expenses incurred upto the date of commencement of commercial operation are capitalized on the date of commencement of commercial operation and disclosed as “Capital Work-in Progress”.

Depreciation methods, estimated useful lives and residual value:

Depreciation on property, plant and equipment is provided from the month the asset is ready for commercial production on a pro-rata basis as per useful life prescribed in Schedule II to the Companies Act, 2013 or based on the estimated useful life considered by the Company, whichever is appropriate considering the technical evaluation, business specific usage, consumption pattern of assets and past performance of similar assets.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other gains/ (losses).

The estimated useful life of property, plant and equipment as follows:

Particulars	**As at 31.03.2017**		*As at 31.03.2016*		*As at 01.04.2015*

AC & Refrigeration Equipment	**–**	**–**	*–*	*–*	*12*	*12*

Note: There are no restrictions on title and the assets are not pledged/ hypothecated as security.

x. Current versus non-current classification - operating cycle

The Company presents assets and liabilities in the Balance Sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Operating cycle covers the duration of the specific project / contract / service including the defect liability period, wherever applicable and extends up to the realization of receivables (including retention monies) within the agreed credit period normally applicable to the business.

xi. Provisions

Provisions for legal claims and returns are recognized when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognized for future operating losses.

Provisions for restructuring are recognized by the Company when it has developed a detailed formal plan for restructuring and has raised a valid expectation in those affected that the Company will carry out the restructuring by starting to implement the plan or announcing its main features to those affected by it.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognized even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognized as interest expense.

The measurement of provision for restructuring includes only direct expenditures arising from the restructuring, which are both necessarily entailed by the restructuring and not associated with the ongoing activities of the Company.

xii. Commitments

Commitments are future liabilities for contractual expenditure

Commitments are classified and disclosed as follows:

- Estimated amount of contracts remaining to be executed on capital account and not provided for;
- Uncalled liability on shares and other investments partly paid;
- Funding related commitment to subsidiary, associate and joint venture companies and
- Other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS (Contd.)

Other commitments related to sales/procurements made in the normal course of business are not disclosed to avoid excessive details.

xiii. Contributed equity

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

xiv. Earnings per share

Basic earnings per share are calculated by dividing:

- the profit attributable to Equity Shareholders
- by the weighted average number of equity shares outstanding during the financial year

Diluted earnings per share adjust the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

NOTE NO. 2: CRITICAL ESTIMATES AND JUDGEMENTS

The preparation of financial statements requires the use of accounting estimates which by definition, will seldom equal the actual results. Management also needs to exercise judgement in selecting Company's accounting policies. The areas involving critical estimates or judgements are:

- **Estimation of current tax expense and payable**

  Estimates and judgements are continually evaluated. They are based on historical experience and other factors including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

NOTE NO. 3: NOTES TO FIRST TIME ADOPTION OF IND AS

Reconciliation between IGAAP and Ind AS is as follows:

Balance Sheet as at April 1, 2015:

Particulars	As per IGAAP As at 01.04.2015	Ind AS adjustments	As per Ind AS As at 01.04.2015
ASSETS:			
Non-current assets			
Property, plant and equipment	21,62,315	–	21,62,315
Capital work-in-progress	38,93,01,796	–	38,93,01,796

9. **MATERIAL CHANGES AND COMMITMENTS AFFECTING THE FINANCIAL POSITION OF THE COMPANY, BETWEEN THE END OF THE FINANCIAL YEAR AND THE DATE OF THE REPORT:**

There are no material changes and commitments affecting the financial position of the company, between the end of the financial year and the date of the report.

10. **CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO:**

    a. The operations of the Company are not energy intensive as the Company is not engaged in any manufacturing activity and is not included under the list of industries which should furnish information as per Rule 8 Companies (Accounts) Rules, 2014.

    b. No technology has been developed and / or imported by way of foreign collaboration.

c. During the year under review, the Company had no foreign exchange earnings and outgo.

11. RISK MANAGEMENT POLICY:

The Company has formulated a risk management policy and has in place a mechanism to inform the Board Members about risk assessment and minimization procedures and periodical review to ensure that executive management controls risk by means of a properly designed framework.

12. DETAILS OF DIRECTORS AND KEY MANAGERIAL PERSONNEL APPOINTED / RESIGNED DURING THE YEAR:

Mr. Pramod Sushila Kapoor, Mr. Ajit Kumar Samal, Mr. Ashwani Kumar, Mr. Seshadri Subrahmanyan and Ms. Deepa Ganjoo are the present Directors of the Company.

Mr. Baijayanta Bhattacharjee resigned as the Manager of the Company with effect from June 30, 2016. Mr. Parmeswaran Kathiravan was appointed as the Manager of the Company for a period of three years with effect from July 16, 2016 to July 15, 2019. Ms. Ankita Gawankar is the Company Secretary and Ms. Dhruti Babla is the Chief Financial Officer of the Company.

Mr. Pramod Sushila Kapoor was appointed as a Director in casual vacancy caused by the resignation of Mr. Ashok Sonthalia with effect from October 17, 2015 and he holds office till the date of this Annual General Meeting. A resolution for his appointment as Director of the Company is a part of the Notice sent to the shareholders of the Company.

13. NUMBER OF MEETINGS OF THE BOARD OF DIRECTORS:

The Meetings of the Board are held at regular intervals with a time gap of not more than 120 days between two consecutive meetings. During the year under review, 4 meetings were held on April 30, 2016, July 16, 2016, October 15, 2016 and January 21, 2017.

The Agenda of the Meeting is circulated to the Directors in advance. Minutes of the Meetings of the Board of Directors are circulated amongst the Members of the Board for their perusal.

14. AUDIT COMMITTEE:

The Company has constituted an Audit Committee in terms of the requirements of the Companies Act, 2013. The terms of reference of the Committee are in line with the Companies Act, 2013.

During the year under review, four Meetings of the Audit Committee were held on April 30, 2016, July 16, 2016, October 15, 2016 and January 21, 2017.

The Committee comprises of one Non-Executive Director and two Independent Directors.

The current members of the committee are Mr. Pramod Sushila Kapoor, Mr. Seshadri Subrahmanyan and Ms. Deepa Ganjoo.

15. COMPANY POLICY ON APPOINTMENT AND REMUNERATION OF DIRECTORS:

The Company has constituted a Nomination and Remuneration Committee as required by the Companies Act, 2013. The terms of reference of the Committee are in line with the Companies Act, 2013.

The Committee comprises of one Non-Executive Director and two Independent Directors.

During the year under review, one Meeting of the Nomination & Remuneration Committee was held on July 16, 2016.

The current members of the committee are Mr. Ashwani Kumar, Mr. Seshadri Subrahmanyan and Ms. Deepa Ganjoo.

The Committee has formulated a policy on director's appointment and remuneration including recommendation of remuneration of the key managerial personnel and other employees and the criteria for determining qualifications, positive attributes and independence of a Director.

16. DECLARATION OF INDEPENDENCE:

The Company has received Declarations of Independence from its independent Directors as stipulated under Section 149(7) of the Companies Act, 2013 confirming that he/she is meeting the criteria of Independence.

17. ADEQUACY OF INTERNAL FINANCIAL CONTROLS:

The Company has designed and implemented a process driven framework for Internal Financial Controls ('IFC') within the meaning of the explanation to Section 134(5)(e) of the Companies Act, 2013. For the year ended March 31, 2017, the Board is of the opinion that the Company has sound IFC commensurate with the nature and size of its business operations and operating effectively and no material weaknesses exist. The Company has a process in place to continuously monitor the same and identify gaps, if any, and implement new and / or improved controls wherever the effect of such gaps would have a material effect on the Company's operations.

18. DIRECTORS RESPONSIBILITY STATEMENT:

The Board of Directors of the Company confirms:

a) In the preparation of Annual Accounts, the applicable accounting standards have been followed along with proper explanation relating to material departures.

b) The Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit of the Company for that period.

c) The Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013, for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities.

d) The Directors have prepared the Annual Accounts on a going concern basis.

e) The Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and were operating effectively.

19. PERFORMANCE EVALUATION OF THE BOARD, ITS COMMITTEES AND DIRECTORS:

The Nomination and Remuneration Committee and the Board have laid down the manner in which formal annual evaluation of the performance of the Board, Committee and Individual Directors has to be made.

It includes circulation of questionnaires to all Directors for evaluation of the Board and its Committees, Board composition and its structure, its culture, Board effectiveness, Board functioning, information availability, etc. These questionnaires also cover specific criteria and the grounds on which all directors in their individual capacity will be evaluated.

The inputs given by all the directors were discussed in the meeting of the Independent Directors held on April 29, 2017 as per Schedule IV of the Companies Act, 2013. The performance evaluation of the Board, Committees and Directors was also reviewed by the Nomination and Remuneration Committee and the Board of Directors.

20. COMPLIANCE WITH SECRETARIAL STANDARDS ON BOARD AND ANNUAL GENERAL MEETINGS:

The Company has complied with Secretarial Standards issued by the Institute of Company Secretaries of India on Board Meetings and Annual General Meetings.

21. PROTECTION OF WOMEN AT WORKPLACE:

The parent company Larsen & Toubro Limited (L&T) has formulated a policy on 'Protection of Women's Rights at Workplace' which is applicable to all group companies. This has been widely disseminated. The company does not have any women employees.

22. AUDITORS:

The Auditors, M/s. Sharp & Tannan (S&T), hold office until the conclusion of the ensuing Annual General Meeting. Certificate from the Auditors has been received to the effect that they are eligible to act as auditors of the Company under Section 141 of the Companies Act, 2013. The Board recommends the appointment of S&T as Auditors of the Company from the conclusion of the ensuing AGM until the conclusion of the next AGM.

23. SECRETARIAL AUDIT REPORT:

The Secretarial Auditors' report to the shareholders issued by M/s. Alwyn Jay & Co., Practicing Company Secretary does not contain any qualification.

The same is attached as Annexure II to this Report.

24. DETAILS OF SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS OR COURTS OR TRIBUNALS:

During the year under review, there were no material and significant orders passed by the regulators or courts or tribunals impacting the going concern status and the Company's operations in future.

25. EXTRACT OF ANNUAL RETURN:

As per the provisions of Section 92(3) of the Companies Act, 2013, an extract of the Annual Return is attached as Annexure III of this Report.

26. ACKNOWLEDGEMENT:

The Directors acknowledge the invaluable support extended to the Company by the staff and management of the parent company and other fellow subsidiaries.

FORM NO. MR.3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2017

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
L&T HIMACHAL HYDROPOWER LIMITED,

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by L&T Himachal Hydropower Limited (hereinafter called "the Company").

Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conduct, statutory compliances and expressing our opinion thereon.

Based on the verification of the Company's statutory registers, books, papers, minute books, forms and returns filed and other records maintained by the Company and the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2017 complied with the statutory provisions listed hereunder and also that the Company has followed proper Board-processes and have required compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2017 according to the provisions of:

(i) The Companies Act, 2013 (the Act) and the rules made thereunder;

(ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder - Not Applicable to the Company;

(iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder - Not Applicable to the Company;

(iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings - Not Applicable to the Company;

(v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'),:-

   a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 - Not applicable to the Company;

   b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 - Not applicable to the Company;

   c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 - Not applicable to the Company;

   d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 - Not applicable to the Company;

   e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 - Not applicable to the Company;

   f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client - Not applicable as the Company is not registered as Registrar to issue and Share Transfer Agent during the financial year under review;

   g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 - Not applicable to the Company and

   h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 - Not applicable to the Company

(vi) Other specific business/industry related laws applicable to the Company –

   The Company has not commenced its commercial operations and hence Company-specific laws that govern its business and operations are not applicable and the Company has complied with other applicable general laws, rules, regulations and guidelines.

   We have also examined compliance with the applicable clauses of the following:

   (i) Secretarial Standards with regards to Meeting of Board of Directors (SS-1) and General Meeting (SS-2) issued by The Institute of Company Secretaries of India; and

   (ii) Listing Agreements entered into by the Company with the Stock Exchanges - Not applicable to the Company.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above and there are no material non-compliances that have come to our knowledge.

We further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

The minutes of the Board meetings and Committee Meetings have not identified any dissent by members of the Board /Committee of the Board, respectively hence we have no reason to believe that the decisions by the Board were not approved by all the directors present.

We further report that, there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines. As informed, the Company has responded appropriately to communication received from various statutory / regulatory authorities including initiating actions for corrective measures, wherever found necessary.

We further report that during the audit period, there were following specific events /actions having major bearing on Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines and standards etc.:

1. Issue and Allotment of 8,30,000 Equity shares of ₹ 10/- each aggregating ₹ 83,00,000/- on rights basis to the existing shareholders of the Company on 2nd May, 2016.
2. Issue and Allotment of 7,50,000 Equity shares of ₹ 10/- each aggregating ₹ 75,00,000/- on rights basis to the existing shareholders of the Company on 18th June, 2016.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF L&T HIMACHAL HYDROPOWER LIMITED

Report on the Standalone Indian Accounting Standards (Ind AS) Financial Statements

We have audited the accompanying standalone Ind AS financial statements of L&T Himachal Hydropower Limited ("the Company"), which comprise the Balance Sheet as at 31 March 2017, the Statement of Profit and Loss (including other comprehensive income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein after referred to as "standalone Ind AS financial statements").

Management's responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the prescribed under section 133 of the Act read with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these Standalone Ind AS Financial Statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the financial position of the Company as at 31 March 2017, and its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

2. As required by Section 143(3) of the Act, we report that:

   a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

   b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

   c) the Balance Sheet, the Statement of Profit and Loss, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;

   d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and Companies (Indian Accounting Standards) Rules, 2015 (as amended);

   e) On the basis of the written representations received from the directors as on 31st March, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164(2) of the Act;

f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B"; and

g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

   i. The Company does not have any pending litigations on its financial position in its financial statements - Refer Note 20.10 to the standalone Ind AS financial statements;

   ii. The Company did not have any long term contracts including derivative contracts, for which there were any material foreseeable losses;

   iii. There were no amount which were required to be transferred to the Investor Education and Protection Fund by the Company; and

   iv. The Company has provided requisite disclosures in its financial statements as to holdings as well as dealings in Specified Bank Notes during the period from 8 November 2016 to 30 December 2016 and are in accordance with the books of accounts maintained by the Company- Refer Refer Note 20.13 to the standalone Ind AS financial statements.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2(f) of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of L&T Himachal Hydropower Limited ("the Company") as of 31 March 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

BRIEF DESCRIPTION OF THE PROJECT:

L&T Himachal Hydropower Limited, (The Company), a wholly owned subsidiary of L&T Power Development Limited having its registered office at Rama Cottage, Kanlog, Shimla, Himachal Pradesh – 171001, India. The Company has been formed to undertake the development, construction and operation of Hydro Electric Projects (HEPs) in the State of Himachal Pradesh. Currently, the Company is developing 267 MW Sach-Khas HEP, 430 MW Reoli-Dugli HEP, 3.5 MW Chhoo Small HEP and 4.4 MW Tindi Small HEP on Build, Own, Operate and Transfer (BOOT) basis for a period of 40 years from the Scheduled Commercial Operation Date. Sach-Khas HEP and Reoli-Dugli HEP are located on the Chenab River in District Chamba and Lahaul & Spiti respectively. Chhoo small HEP is located in Pangi Valley of District Chamba and Tindi small HEP is located in Harsar Stream of District Lahaul & Spiti in the State of Himachal Pradesh.

NOTE NO. 1: SIGNIFICANT ACCOUNTING POLICIES

i. Basis of preparation

a) Compliance with Ind AS

The Company's financial statements have been prepared in accordance with the provisions of the Companies Act,2013 and the Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act. Further, the guidance notes/announcements issued by the Institute of Chartered Accountants of India (ICAI) are also considered, wherever applicable except to the extent where compliance with other statutory promulgations overrides the same requiring a different treatment.

b) First time adoption

Up to the year ended March 31, 2016, the Company prepared its financial statements in accordance with the requirements of previous GAAP, which includes Standards notified under the Companies (Accounting Standards) Rules, 2006. These are the Company's first Ind AS financial Statements. The date of transition to Ind AS is April 1, 2015. Also Refer Note 3 for an explanation of how the transition from previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows.

Exemptions applied

Ind AS 101 allows first-time adopters certain exemptions from the retrospective application of certain requirement under Ind AS. The Group has applied the following exemption:

Property, plant and equipment

On transition to Ind AS, the Company has elected to apply the deemed cost revalue of all of its property, plant and equipment recognized as at 1 April 2015 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

ii. Basis of accounting

The Company maintains its accounts on accrual basis following the historical cost convention, except for the following assets and liabilities which have been measured at fair value:

a) Certain financial assets and liabilities measured at fair value

Fair value measurements are categorized into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 inputs are inputs, other than quoted prices included in Level 1, that are observable for the asset or liability, either directly or indirectly; and,
- Level 3 inputs are unobservable inputs for the asset or liability

b) Presentation of financial statements

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 ("the Act"). The Cash Flow Statement has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of accounts along with the other notes required to be disclosed under the notified Accounting Standards.

iii. Revenue recognition

Other Income

Dividends from investments are recognized in profit or loss as other income when the Company's right to receive payments is established.

Estimates of revenues and costs are revised if circumstances change. Any resulting increases or decreases in estimated revenues or costs are reflected in profit or loss in the period in which the circumstances that give rise to the revision become known by management.

iv. Income-tax

a) Current tax:

The current income tax charge is calculated on the basis of taxable income and tax credits computed in accordance with the provisions of the Income Tax Act 1961, any amendments / rules that have been enacted by the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS (Contd.)

b) Deferred tax:

Deferred tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax liabilities are not recognized if they arise from the initial recognition of goodwill. Deferred tax is computed in accordance with the provisions of the Income Tax Act 1961, and any amendments / rules that have been enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.

Deferred tax assets are recognized for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

c) Current and deferred tax for the year

Current and deferred tax is recognized in profit or loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

v. Leases

Operating lease:

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to profit or loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

vi. Impairment of assets

As at each Balance Sheet date, assets are tested for impairment so as to determine, the provision for impairment loss, if any and the reversal of impairment loss recognized in previous periods, if any.

An impairment loss, if any, is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use.

vii. Financial instruments

A Financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a) Financial Assets

Initial recognition and measurement

The Company classifies its investments and financial assets in the following measurement categories:

- those to be measured at cost (investment in subsidiaries)
- those to be measured subsequently at fair value through other comprehensive income, and
- those to be measured subsequently at fair value through profit and loss

In the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset are added to the fair value of those financial assets.

Subsequent measurement

- **Fair value through other comprehensive income (FVOCI):** Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in profit and loss. When the financial asset is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to profit or loss and recognized in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.
- **Fair value through profit or loss:** Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognized in profit or loss and presented net in the Statement of Profit and Loss within other gains/ (losses) in the period in which it arises. Interest income from these financial assets is included in other income.

b) Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables. These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities on the basis of the operating cycle of the Company.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS (Contd.)

Subsequent measurement

- **Fair value through profit or loss:** Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. All changes in fair value of such liability are recognized in the statement of profit or loss. The Company has not designated any financial liability as at fair value through profit and loss.

viii. Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, balances with banks and fixed deposits having maturity less than one year.

ix. Property, plant and equipment

Property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Pre-operative expenses incurred upto the date of commencement of commercial operation are capitalized on the date of commencement of commercial operation and disclosed as "Capital Work-in Progress".

Depreciation methods, estimated useful lives and residual value:

Depreciation on property, plant and equipment is provided from the month the asset is ready for commercial production on a pro-rata basis as per useful life prescribed in Schedule II to the Companies Act, 2013 or based on the estimated useful life considered by the Company, whichever is appropriate considering the technical evaluation, business specific usage, consumption pattern of assets and past performance of similar assets.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other gains/ (losses).

The estimated useful life of property, plant and equipment as follows:

Particulars	**As at 31-03-2017**		*As at 31-03-2016*		*As at 01-04-2015*	
	Minimum	**Maximum**	*Minimum*	*Maximum*	*Minimum*	*Maximum*

Office Equipment	**4**	**5**	*4*	*5*	*4*	*5*
AC & Refrigeration Equipment	**12**	**12**	*12*	*12*	*12*	*12*

Note: There are no restrictions on title and the assets are not pledged/ hypothecated as security.

x. Current versus non-current classification - operating cycle

The Company presents assets and liabilities in the Balance Sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading

NOTES FORMING PART OF THE FINANCIAL STATEMENTS (Contd.)

- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Operating cycle covers the duration of the specific project / contract / service including the defect liability period, wherever applicable and extends up to the realization of receivables (including retention monies) within the agreed credit period normally applicable to the business.

xi. Provisions

Provisions for legal claims and returns are recognized when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognized for future operating losses.

Provisions for restructuring are recognized by the Company when it has developed a detailed formal plan for restructuring and has raised a valid expectation in those affected that the Company will carry out the restructuring by starting to implement the plan or announcing its main features to those affected by it.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognized even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognized as interest expense.

The measurement of provision for restructuring includes only direct expenditures arising from the restructuring, which are both necessarily entailed by the restructuring and not associated with the ongoing activities of the Company.

xii. Commitments

Commitments are future liabilities for contractual expenditure

Commitments are classified and disclosed as follows:

- Estimated amount of contracts remaining to be executed on capital account and not provided for;
- Uncalled liability on shares and other investments partly paid;
- Funding related commitment to subsidiary, associate and joint venture companies and
- Other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.

Other commitments related to sales/procurements made in the normal course of business are not disclosed to avoid excessive details.

xiii. Contributed equity

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

xiv. Earnings per share

Basic earnings per share are calculated by dividing:

- the profit attributable to Equity Shareholders
- by the weighted average number of equity shares outstanding during the financial year

Diluted earnings per share adjust the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

NOTE NO. 2 : CRITICAL ESTIMATES AND JUDGEMENTS

The preparation of financial statements requires the use of accounting estimates which by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying Company's accounting policies. The areas involving critical estimates or judgements are:

- Estimation of Current tax expense and payable

  Estimates and judgements are continually evaluated. They are based on historical experience and other factors including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS (Contd.)

NOTE NO. 3: NOTES TO FIRST TIME ADOPTION OF IND AS

Reconciliation between IGAAP and Ind AS is as follows:

Balance Sheet as at April 1, 2015:

In addition to this, the Company has incurred capital work in progress and pre-operative expenses to the tune of ₹ **551,06,72,121/-** and ₹ **279,72,22,001/-** respectively.

3. DEPOSITS:

The Company has not accepted deposits from the public falling within the ambit of Section 73 of the Companies Act, 2013 and the Rules framed thereunder.

4. SUBSIDIARY COMPANIES:

The Company does not have any subsidiary companies under its purview.

5. PARTICULARS OF LOANS GIVEN, INVESTMENTS MADE, GUARANTEES GIVEN OR SECURITY PROVIDED BY THE COMPANY:

The Company has not given any loan, guarantees, security or made any investment for the Financial Year 2016-17 as specified under section 186 of Companies Act, 2013.

6. PARTICULARS OF CONTRACTS OR ARRANGEMENTS WITH RELATED PARTIES:

All the related party transactions were in the ordinary course of business and at arm's length. The Audit Committee has approved all the related party transactions for the financial year 2016-17. Statement containing details of all material transactions/contracts/arrangements is annexed to this report as Annexure I to this report.

The Audit Committee has approved the related party transactions entered into or proposed to be entered into during the financial year 2017-18.

There are no materially significant related party transactions that may have conflict with the interest of the company.

7. STATE OF COMPANY AFFAIRS:

Other income for the financial year under review was ₹ **6.97 Lacs** as against ₹ **51.52 Lacs** for the previous financial year. The profit after tax of ₹ **(0.06) Lacs** for the financial year under review as against ₹ **69.12 Lacs** for the previous financial year.

8. DIVIDEND:

The Directors have not recommended any dividend for the financial year 2016-17.

9. MATERIAL CHANGES AND COMMITMENTS AFFECTING THE FINANCIAL POSITION OF THE COMPANY, BETWEEN THE END OF THE FINANCIAL YEAR AND THE DATE OF THE REPORT:

There are no material changes and commitments affecting the financial position of the company, between the end of the financial year and the date of the report.

10. CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO:

a. The operations of the Company are not energy intensive as the Company is not engaged in any manufacturing activity and is not included under the list of industries which should furnish information as per Rule 8 Companies (Accounts) Rules, 2014.

b. No technology has been developed and / or imported by way of foreign collaboration.

c. During the year, the Company has had "nil" foreign exchange earnings and outgo.

11. RISK MANAGEMENT POLICY:

The Company has formulated a risk management policy and has in place a mechanism to inform the Board Members about risk assessment and minimization procedures and periodical review to ensure that executive management controls risk by means of a properly designed framework.

12. CORPORATE SOCIAL RESPONSIBILITY (CSR):

The disclosures required to be given under Section 135 of the Companies Act, 2013 read with Rule 8(1) of the Companies (Corporate Social Responsibility Policy) Rules, 2014 are given in Annexure II to this report.

13. DETAILS OF DIRECTORS AND KEY MANAGERIAL PERSONNEL APPOINTED/RESIGNED DURING THE YEAR:

Mr. Pramod Sushila Kapoor, Mr. Ajit Samal, Mr. Ashwani Kumar, Mr. Seshadri Subrahmanyan and Ms. Deepa Ganjoo are the present Directors of the Company.

Mr. Pranab Chakraborti resigned as the Manager of the Company with effect from October 15, 2016. Mr. Gyanendra Pratap Singh was appointed as Manager of the Company for a period of three years with effect from October 15, 2016 to October 14, 2019. Mr. Bhavesh Kadakia is the Chief Financial Officer and Mrs. Shalaka Koparkar is the Company Secretary of the Company.

Mr. Pramod Sushila Kapoor was appointed as a Director in casual vacancy caused by the resignation of Mr. Ashok Sonthalia with effect from October 17, 2015 and he holds office till the date of this Annual General Meeting. A resolution for his appointment as Director of the Company is a part of the Notice sent to the shareholders of the Company.

14. NUMBER OF MEETINGS OF THE BOARD OF DIRECTORS:

The Meetings of the Board are held at regular intervals with a time gap of not more than 120 days between two consecutive Meetings. During the year under review, 4 meetings were held on April 30, 2016, July 16, 2016, October 15, 2016 and January 21, 2017.

The Agenda of the Meeting is circulated to the Directors in advance. Minutes of the Meetings of the Board of Directors are circulated amongst the Members of the Board for their perusal.

15. AUDIT COMMITTEE:

The Company has constituted an Audit Committee in terms of the requirements of the Companies Act, 2013. The terms of reference of the Committee are in line with the Companies Act, 2013.

During the year under review, 4 Meetings of the Audit Committee were held on April 30, 2016, July 16, 2016, October 15, 2016 and January 21, 2017.

The Committee comprises of one Non-Executive Director and two Independent Directors.

The current members of the committee are Mr. Pramod Sushila Kapoor, Mr. Seshadri Subrahmanyan and Ms. Deepa Ganjoo.

16. COMPANY POLICY ON DIRECTOR APPOINTMENT AND REMUNERATION:

The Company has constituted the Nomination and Remuneration Committee in accordance with the requirements of the Companies Act, 2013 read with the rules made thereunder.

The Committee comprises of one Non-Executive Director and two Independent Directors.

During the year under review, one Meeting of the Nomination & Remuneration Committee was held on October 15, 2016.

The current members of the committee are Mr. Ashwani Kumar, Mr. Seshadri Subrahmanyan and Ms. Deepa Ganjoo.

The Committee has formulated a policy on director's appointment and remuneration including recommendation of remuneration of the key managerial personnel and other employees and the criteria for determining qualifications, positive attributes and independence of a Director.

17. DECLARATION OF INDEPENDENCE:

The Company has received Declarations of Independence from its independent Directors as stipulated under Section 149(7) of the Companies Act, 2013 confirming that he/she is meeting the criteria of Independence.

18. ADEQUACY OF INTERNAL FINANCIAL CONTROLS:

The Company has designed and implemented a process driven framework for Internal Financial Controls ('IFC') within the meaning of the explanation to Section 134(5)(e) of the Companies Act, 2013. For the year ended March 31, 2017, the Board is of the opinion that the Company has sound IFC commensurate with the nature and size of its business operations and operating effectively and no material weaknesses exist. The Company has a process in place to continuously monitor the same and identify gaps, if any, and implement new and / or improved controls wherever the effect of such gaps would have a material effect on the Company's operations.

19. DIRECTORS RESPONSIBILITY STATEMENT:

The Board of Directors of the Company confirms:

a) In the preparation of Annual Accounts, the applicable accounting standards have been followed along with proper explanation relating to material departures.

b) The Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit of the Company for that period.

c) The Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities.

d) The Directors have prepared the Annual Accounts on a going concern basis.

e) The Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and were operating effectively.

20. PERFORMANCE EVALUATION OF THE BOARD, ITS COMMITTEES AND DIRECTORS:

The Nomination and Remuneration Committee and the Board have laid down the manner in which formal annual evaluation of the performance of the Board, Committee and Individual Directors has to be made.

It includes circulation of questionnaires to all Directors for evaluation of the Board and its Committees, Board composition and its structure, its culture, Board effectiveness, Board functioning, information availability, etc. These questionnaires also cover specific criteria and the grounds on which all directors in their individual capacity will be evaluated.

The inputs given by all the directors were discussed in the meeting of the Independent Directors scheduled on April 29, 2017 as per Schedule IV of the Companies Act, 2013. The performance evaluation of the Board, Committees and Directors was also reviewed by the Nomination and Remuneration Committee and the Board of Directors.

21. COMPLIANCE WITH SECRETARIAL STANDARDS ON BOARD AND ANNUAL GENERAL MEETINGS:

The Company has complied with Secretarial Standards issued by the Institute of Company Secretaries of India on Board Meetings and Annual General Meetings.

22. PROTECTION OF WOMEN AT WORKPLACE:

The parent company Larsen & Toubro Limited (L&T) has formulated a policy on 'Protection of Women's Rights at Workplace' which is applicable to all group companies. This has been widely disseminated. There were no cases of sexual harassment received in the Company during 2016-17.

23. AUDITORS:

The Company's Auditors M/s. Sharp & Tannan have already completed more than ten years as Statutory Auditors of the Company. In view of the mandatory rotation of auditor and in accordance with the provisions of the Companies Act, 2013, it is proposed to appoint M/s M P Chitale & Company as statutory Auditors for a period of five continuous years i.e. from the conclusion of the eleventh Annual General Meeting till the conclusion of the sixteenth Annual General Meeting of the Company. Their appointment shall be ratified at every Annual General Meeting of the Company.

The Board places on record its appreciation for the services rendered by M/s Sharp & Tannan as the Statutory Auditors of the Company.

Certificate from the M/s M P Chitale & Company has been received to the effect that they are eligible to act as auditors of the Company under Section 141 of the Companies Act, 2013.

24. SECRETARIAL AUDIT REPORT:

The Secretarial Auditors' report to the shareholders does not contain any qualification.

The Secretarial Audit Report issued by M/s. Alwyn Jay & Co., Practicing Company Secretary is attached as Annexure III.

25. DETAILS OF SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS OR COURTS OR TRIBUNALS:

During the year under review, there were no material and significant orders passed by the regulators or courts or tribunals impacting the going concern status and the Company's operations in future.

26. EXTRACT OF ANNUAL RETURN:

As per the provisions of Section 92(3) of the Companies Act, 2013 an extract of the Annual Return is attached as Annexure IV.

27. ACKNOWLEDGEMENT:

The Directors acknowledge the invaluable support extended to the Company by the staff and management of the parent company and other fellow subsidiaries.

ANNEXURE III

FORM NO. MR-3

SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2017

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
L&T UTTARANCHAL HYDROPOWER LIMITED

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by L&T Uttaranchal Hydropower Limited (hereinafter called "the Company").

Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conduct, statutory compliances and expressing our opinion thereon.

Based on the verification of the Company's statutory registers, books, papers, minute books, forms and returns filed and other records maintained by the Company and the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2017 complied with the statutory provisions listed hereunder and also that the Company has followed proper Board-processes and have required compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2017 according to the provisions of:

(i) The Companies Act, 2013 (the Act) and the rules made thereunder;

(ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder- Not Applicable to the Company;

(iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder- Not Applicable to the Company;

(iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings - Not Applicable to the Company;

(iv) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'),:

a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011- Not Applicable to the Company;

b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015- Not Applicable to the Company;

c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009- Not Applicable to the Company;

d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014- Not Applicable to the Company;

e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 - Not Applicable to the Company;

f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client - Not applicable as the Company is not registered as Registrar to issue and Share Transfer Agent during the financial year under review;

g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 - Not Applicable to the Company and

h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 - Not Applicable to the Company;

(v) Other specific business/industry related laws are applicable to the Company :

The Company has complied with the following company-specific laws:

- The Building and other Construction Workers' (Regulation of Employment and Conditions of Service) Central Rules, 1998;
- The Forest Conservation Act, 1980;
- The Building and Construction Workers Welfare Cess Act,1996 and The Building and Construction Workers Welfare Cess Rules, 1998;
- Wildlife Protection Act 1972; and
- Indian Fisheries Act 1897.

Further, the Company has also complied with other applicable general laws, rules, regulations and guidelines.

We have also examined compliance with the applicable clauses of the following:

(i) Secretarial Standards with regards to Meeting of Board of Directors (SS-1) and General Meeting (SS-2) issued by The Institute of Company Secretaries of India; and

(ii) Listing Agreements entered into by the Company with the Stock Exchanges – Not applicable to the Company.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines and Standards mentioned above and there is no material non-compliance that has come to our knowledge.

We further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

The minutes of the Board meetings and Committee Meetings have not identified any dissent by members of the Board /Committee of the Board, respectively hence we have no reason to believe that the decisions by the Board were not approved by all the directors present.

We further report that, there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines. As informed, the Company has responded appropriately to communication received from various statutory / regulatory authorities including initiating actions for corrective measures, wherever found necessary.

We further report that during the audit period, there were following specific events /actions having major bearing on Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines and standards etc.:

1. Issue and Allotment of 40,00,000 10% Non-Cumulative Optionally Convertible Redeemable Preference shares of ₹ 2/- each at premium of ₹ 8/- per share aggregating ₹ 4,00,00,000/- on rights basis to the existing shareholders of the Company on 2nd May, 2016.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF L&T UTTARANCHAL HYDROPOWER LIMITED

Report on the Ind AS Financial Statements

We have audited the Ind AS financial statements of L&T Uttaranchal Hydropower Limited (the 'Company'), which comprise the Balance Sheet as at 31st March, 2017, and the Statement of Profit and Loss (including other comprehensive income), the statement of Cash Flows and the statement of changes in equity for the year then ended and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act, read with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the financial position of the Company as at 31st March, 2017, and its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the Annexure 'A', a Statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
   (a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
   (b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
   (c) the Balance Sheet, the Statement of Profit and Loss, the statement of Cash Flow and the statement of changes in equity dealt with by this report are in agreement with the books of account;
   (d) in our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with relevant Rules issued thereunder;
   (e) on the basis of the written representations received from the Directors as on 31st March, 2017 taken on record by the Board of Directors, none of the Directors is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act;
   (f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure 'B'; and

(g) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

i. the Company doesn't have any pending litigations which would impact its financial position in its financial statements;

ii. the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;

iii. there has been no delay in transferring amounts, required to be transferred, to Investor Education and Protection Fund by the Company ; and

iv. the Company has provided requisite disclosures in its Ind AS financial statements as to holdings as well as dealings in Specified Bank Notes during the period from 8th November, 2016 to 30th December, 2016 and these are in accordance with the books of accounts maintained by the Company. Refer Note 1(xix) to the Ind AS financial statement.

ANNEXURE 'A' TO THE AUDITOR'S REPORT

(i) (a) The Company is maintaining proper records showing full particulars, including quantitative details and situation of fixed assets.

(b) As explained to us, these fixed assets have been physically verified by the management in accordance with a phased programme of verification, which in our opinion is reasonable, considering the size of the Company and nature of its assets. The frequency of physical verification is reasonable and no material discrepancies were noticed on such verification.

(c) According to the information and explanations given to us, the title deeds of immovable properties are held in the name of the Company.

(ii) The Company is engaged in the business of development and operation of hydropower plant and has not yet commenced operations. Accordingly, Paragraph 3 (ii) of the Order is not applicable to the Company.

(iii) According to the information and explanations given to us, the Company has not granted loans, secured or unsecured to firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Act. Accordingly, Paragraph 3 (iii) of the Order is not applicable to the Company.

(iv) According to the information and explanations given to us, the Company has not given any loans to directors or body corporate which may be covered under section 185 and 186 of the Act. Accordingly, Paragraph 3 (iv) of the Order is not applicable to the Company.

(v) According to the information and explanations given to us, the Company has not accepted any deposits from the public and accordingly, Paragraph 3 (v) of the Order is not applicable to the Company.

(vi) The Company falls within the ambit of entities for which the Central Government has prescribed maintenance of cost records under sub section 1 of section 148 of the Act. However, the Company has not yet commenced operations, since the plant is still under construction and therefore the cost records are not maintained by the Company.

(vii) (a) According to the information and explanations given to us, the Company is regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues, where applicable, to the appropriate authorities. According to the information and explanations given to us, there are no arrears of outstanding statutory dues as at the last day of the financial year for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us and the records examined by us, there are no dues in respect of income tax or any other statutory dues, which have not been deposited on account of a dispute pending.

(viii) According to the information and explanations given to us, the Company has not defaulted in repayment of loans or borrowings to financial institutions, banks or Government. The Company has not issued any debentures. Accordingly, the Paragraph 3 (viii) of the Order is not applicable to the Company.

(ix) According to the information and explanations given to us, the Company has not raised monies by way of initial public offer or further public offer (including debt instruments). Accordingly, the Paragraph 3 (ix) of the Order is not applicable to the Company.

(x) During the course of our examination of the books and records of the Company, carried out in accordance with generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any fraud by the Company or any fraud on the Company by its officers or employees noticed or reported during the year.

(xi) The Company is not covered by the provisions of section 197 read with Schedule V to the Act and accordingly, Paragraph 3 (xi) of the Order is not applicable to the Company.

(xii) According to the information and explanations given to us, the Company is not a Nidhi company. Accordingly, the Paragraph 3 (xii) of the Order is not applicable to the Company.

(xiii) According to the information and explanations given to us, all the transactions with the related parties are in compliance with Sections 177 and 188 of the Act and the relevant details have been disclosed in the Financial Statements etc., as required by the applicable accounting standards.

(xiv) According to the information and explanations given to us, the Company had not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, the Paragraph 3 (xiv) of the Order is not applicable to the Company.

(xv) According to the information and explanations given to us, the Company had not entered into any non-cash transactions with directors or persons connected with him during the year. Accordingly, compliance with the provisions of Section 192 of the Act is not applicable to the Company.

(xvi) According to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.

ANNEXURE 'B' TO THE AUDITOR'S REPORT

We have audited the internal financial controls over financial reporting of L&T Uttaranchal Hydropower Limited (the 'Company') as of 31st March, 2017 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (the 'Act').

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable, to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that: (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

BRIEF DESCRIPTION OF THE PROJECT:

The company has been formed to undertake the development, construction and operation of 99 MW Singoli Bhatwari Hydro Electric Project on Build-own-operate-transfer (BOOT) basis for a period of 45 years including the construction period. The project is located in the Garhwal region of the state of Uttarakhand, District Rudraprayag on Mandakini River, the right bank tributary of Alaknanda. The project is currently in implementation phase.

1. SIGNIFICANT ACCOUNTING POLICIES

(i) Basis of preparation:

a) Compliance with Ind AS

The Company's financial statements have been prepared in accordance with the provisions of the Companies Act, 2013 and the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 issued by Ministry of Corporate Affairs in respect of sections 133 of Indian Companies Act, 2013. The guidance notes/ announcements issued by the Institute of Chartered Accountants of India (ICAI) are also considered, wherever applicable except to the extent where compliance with other statutory promulgations override the same requiring a different treatment.

b) First Time Adoption

Upto the year ended March 31, 2016, the Company prepared its financial statements in accordance with the requirements of previous GAAP, which includes Standards notified under the Companies (Accounting Standards) Rules, 2006. These are the Company's first Ind AS financial Statements. The date of transition to Ind AS is April 1, 2015. Also Refer Note 3 for an explanation of how the transition from previous GAAP to Ind AS has affected the company's financial position, financial performance and cash flows.

Exemptions Availed:

Ind AS 101 allows first-time adopters certain exemptions from the retrospective application of certain requirement under Ind AS. The Group has applied the following exemption:

Property, plant and equipment

On transition to Ind AS, the company has elected to apply the deemed cost exemption to all of its items of PPE and therefore continue with the carrying value of all of its property, plant and equipment recognised as at 1 April 2015 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

(ii) Basis of Accounting

The Company maintains its accounts on accrual basis following the historical cost convention, except for the following assets and liabilities which have been measured at fair value:

a) Certain Financial assets and liabilities measured at fair value

Fair value measurements are categorized into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 inputs are inputs, other than quoted prices included in Level 1, that are observable for the asset or liability, either directly or indirectly; and,
- Level 3 inputs are unobservable inputs for the asset or liability

b) Presentation of Financial Statements

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 ("the Act"). The Cash Flow Statement has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of accounts along with the other notes required to be disclosed under the notified Accounting Standards.

(iii) Foreign Currency Transactions

Items included in the financial statements of the company are measured using the currency of the primary economic environment in which the company operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is the functional and presentation currency of the company.

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit or loss.

(iv) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017 (Contd.)

The company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the company and specific criteria have been met as described below:

a) **Timing of Recognition:** Income from investments are recognised in profit or loss as other income when the company's right to receive payments is established.

b) **Measurement of Revenue:** Estimates of revenues and costs are revised if circumstances change. Any resulting increases or decreases in estimated revenues or costs are reflected in profit or loss in the period in which the circumstances that give rise to the revision become known by management.

(v) Income Tax

a) Current Tax

The current income tax charge is calculated on the basis of taxable income and tax credits computed in accordance with the provisions of the Income Tax Act 1961, any amendments / rules that have been enacted by the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

b) Deferred Tax

Deferred tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill. Deferred tax is computed in accordance with the provisions of the Income Tax Act 1961, and any amendments / rules that have been enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

c) Current and Deferred Tax for the year

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

(vi) Leases

a) Finance Lease:

Leases of property, plant and equipment where the company as lessee, has substantially all the risks and rewards of ownership are classified as finance leases. Finance leases are capitalised at the lease's inception at the fair value of the leased property or, if lower, the present value of the minimum lease payments. The corresponding rental obligations, net of finance charges, are included in borrowings or other financial liabilities as appropriate. Each lease payment is allocated between the liability and finance cost. The finance cost is charged to the profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

b) Operating Lease:

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the company as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to profit or loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

(vii) Impairment of Assets

As at each Balance Sheet date, assets are tested for impairment so as to determine, the provision for impairment loss, if any, and the reversal of impairment loss recognised in previous periods, if any.

An impairment loss, if any, is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use.

(viii) Financial instruments

A Financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a) Financial assets

Initial recognition and measurement

The company classifies its investments and financial assets in the following measurement categories:

- those to be measured at cost (investment in subsidiaries)
- those to be measured subsequently at fair value through other comprehensive income, and
- those to be measured subsequently at fair value through profit and loss

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017 (Contd.)

In the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset are added to the fair value of those financial assets.

Subsequent measurement

- Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.
- Fair value through profit or loss: Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented net in the statement of profit and loss within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.
- Debt instruments at amortised cost - After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIRamortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

b) Financial Liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables. These amounts represent liabilities for goods and services provided to the company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities on the basis of the operating cycle of the company.

Subsequent measurement

Fair value through profit or loss:- Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. All changes in fair value of such liability are recognised in the statement of profit or loss. The company has not designated any financial liability as at fair value through profit and loss.

(ix) Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, balances with banks and fixed deposits having maturity less than one year.

(x) Property, Plant and Equipment

Property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Pre-operative expenses incurred upto the date of commencement of commercial operation are capitalized on the date of commencement of commercial operation and disclosed as "Capital Work-in Progress".

Depreciation methods, estimated useful lives and residual value:

Depreciation on property, plant and equipment is provided from the month the asset is ready for commercial production on a pro-rata basis as per useful life prescribed in Schedule II to the Companies Act, 2013 or based on the estimated useful life considered by the company, whichever is appropriate considering the technical evaluation, business specific usage, consumption pattern of assets and past performance of similar assets.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other gains/(losses).

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017 (Contd.)

The estimated useful life of property, plant and equipment as follows:

Particulars	**As at 31.03.2017**		*As at 31.03.2016*		*As at 31.03.2015*

Asset taken on finance lease	**30**	**30**	*30*	*30*	*30*	*30*

(xi) Intangible Assets

Costs associated with maintaining software programmes are recognised as an expense as incurred. Development costs that are directly attributable to the design and testing of identifiable and unique software products controlled by the company are recognised as intangible assets when the following criteria are met:

- it is technically feasible to complete the software so that it will be available for use
- management intends to complete the software and use or sell it
- there is an ability to use or sell the software
- it can be demonstrated how the software will generate probable future economic benefits
- adequate technical, financial and other resources to complete the development and to use or sell the software are available, and
- the expenditure attributable to the software during its development can be reliably measured.

Directly attributable costs that are capitalised as part of the software include employee costs and an appropriate portion of relevant overheads. Capitalised development costs are recorded as intangible assets and amortised from the point at which the asset is available for use.

Estimated useful life of Intangible Assets:

Computer Software is amortised over a period of 6 years using the straight-line method.

Transition to Ind AS:

On transition to Ind AS, we elected to continue with the carrying value of intangible assets as at 1 April 2015 measured as per the previous GAAP.

(xii) Current Versus Non-Current Classification - Operating Cycle

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017 (Contd.)

Operating cycle covers the duration of the specific project / contract / service including the defect liability period, wherever applicable and extends up to the realization of receivables (including retention monies) within the agreed credit period normally applicable to the business. Including the defect liability period, wherever applicable and extends up to the realization of receivables (including retention monies) within the agreed credit period normally applicable to the business.

(xiii) Borrowing Costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.Other borrowing costs are expensed in the period in which they are incurred.

(xiv) Provisions

Provisions for legal claims and returns are recognised when the company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions for restructuring are recognised by the company when it has developed a detailed formal plan for restructuring and has raised a valid expectation in those affected that the company will carry out the restructuring by starting to implement the plan or announcing its main features to those affected by it.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

The measurement of provision for restructuring includes only direct expenditures arising from the restructuring, which are both necessarily entailed by the restructuring and not associated with the ongoing activities of the company.

(xv) Commitments

Commitments are future liabilities for contractual expenditure

Commitments are classified and disclosed as follows:

(a) Estimated amount of contracts remaining to be executed on capital account and not provided for;

(b) Uncalled liability on shares and other investments partly paid;

(c) Funding related commitment to subsidiary, associate and joint venture companies and

(d) Other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.

Other commitments related to sales/procurements made in the normal course of business are not disclosed to avoid excessive details.

(xvi) Contributed equity

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

(xvii) Earnings per share

Basic earnings per share are calculated by dividing:

- the profit attributable to Equity Shareholders
- by the weighted average number of equity shares outstanding during the financial year

Diluted earnings per share adjust the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

(xviii) Securities premium account

Securities premium reserve is used to record the premium on issue of shares. The reserve is utilised in accordance with the provisions of the Act.

Closing cash in hand as on 30.12.2016 (duly tallied with accounts)	–	–	**4,629**	**4,629**

2. **CRITICAL ESTIMATES AND JUDGEMENTS**

The preparation of financial statements requires the use of accounting estimates which by definition, will seldom equal the actual results. Management also needs to exercise judgement in selecting the company's accounting policies. The areas involving critical estimates or judgements are:

- Estimation of Current tax expense and payable
- Estimated useful life of intangible asset
- Impairment of asset

Estimates and judgements are continually evaluated. They are based on historical experience and other factors including expectations of future events that may have a financial impact on the company and that are believed to be reasonable under the circumstances.

3. **NOTES TO FIRST TIME ADOPTION OF IND AS**

DIRECTORS' REPORT

The Directors hereby submit their report and the audited financial statements of the Company for the financial year ended 31 March 2017.

PRINCIPAL ACTIVITIES

The principal activities of the Company are manufacturing, engineering and trading of low voltage and medium voltage bus duct systems.

There have been no significant change in the nature of these activities during the financial year.

RESULTS

	RM
Loss for the financial year	460,817

RESERVES AND PROVISIONS

There were no material transfers to or from reserves and provisions during the financial year.

DIVIDENDS

No dividend has been paid or declared by the Company since the end of the previous financial year. The Directors do not recommend any dividend for the financial year ended 31 March 2017.

DIRECTORS

The Directors who have held office during the financial year and during the period from the end of the financial year to the date of this report are:

Pradeep Kumar Bajaj

Mahesh Manohar Phadke - Resigned on 10 June 2016

Umesh Subbarao Bharadwaj - Appointed on 10 June 2016

C Krishna Kumar A/L M V Nair - Appointed on 10 June 2016

DIRECTORS' INTEREST IN SHARES

Being a wholly-owned subsidiary of another Malaysian incorporated company, information in respect of Directors' interest in shares of the holding company or related corporations are disclosed in the Directors' report of the holding company pursuant to the provision of Section 59(3) of the Companies Act, 2016, in Malaysia.

None of the Directors in office at the end of the financial year had any interest in the ordinary shares of the Company and related corporations during the financial year, according to the register required to be kept under Section 59 of the Companies Act, 2016.

DIRECTORS' BENEFITS

Since the end of the previous financial year, no Director of the Company has received nor become entitled to receive any benefit by reason of a contract made by the Company or a related corporation with the Director or with a firm of which the Director is a member, or with a company in which the Director has a substantial financial interest.

There were no arrangements during or at the end of the financial year, which had the objective of enabling the Directors of the Company to acquire benefits by means of the acquisition of shares in or debentures of the Company or any other body corporate.

INDEMNITY AND INSURANCE FOR DIRECTORS AND OFFICERS

There was no indemnity given to or insurance effected for any directors, officers and auditors of the Company in accordance with Section 289 of the Companies Act, 2016.

ISSUE OF SHARES AND DEBENTURES

There were no changes in the authorised, issued and paid-up capital of the Company during the financial year.

There were no debentures issued during the financial year.

OPTIONS GRANTED OVER UNISSUED SHARES

No options were granted to any person to take up unissued shares of the Company during the financial year.

OTHER STATUTORY INFORMATION

Before the financial statements of the Company were made out, the Directors took reasonable steps to ascertain that:

(i) proper action had been taken in relation to the writing off of bad debts and the making of provision for doubtful debts and have satisfied themselves that there are no known bad debts and that adequate provision had been made for doubtful debts; and

(ii) any current assets which were unlikely to be realised in the ordinary course of business have been written down to an amount which they might be expected so to realise.

At the date of this report, the Directors are not aware of any circumstances:

(i) which would necessitate the writing off of bad debts or render the amount of the provision for doubtful debts inadequate in the financial statements of the Company to any substantial extent; or

(ii) which would render the value attributed to current assets in the financial statements of the Company misleading; or

(iii) which have arisen which render adherence to the existing method of valuation of assets or liabilities of the Company misleading or inappropriate; or

(iv) not otherwise dealt with in this report or the financial statements, which would render any amount stated in the financial statements of the Company misleading.

At the date of this report, there does not exist:

(i) any charge on the assets of the Company that has arisen since the end of the financial year and which secures the liabilities of any other person; or

(ii) any contingent liability in respect of the Company that has arisen since the end of the financial year.

No contingent liability or other liability of the Company has become enforceable, or is likely to become enforceable within the period of twelve months after the end of the financial year which, in the opinion of the Directors, will or may substantially affect the ability of the Company to meet their obligations as and when they fall due.

In the opinion of the Directors, the results of the operations of the Company for the financial year ended 31 March 2017 have not been substantially affected by any item, transaction or event of a material and unusual nature nor has any such item, transaction or event occurred in the interval between the end of the financial year and the date of this report.

HOLDING COMPANIES

The Directors regard Tamco Switchgear (Malaysia) Sdn. Bhd., a company incorporated in Malaysia, as the immediate holding company during the financial year end until the date of this report. The penultimate holding company is Larsen and Toubro International FZE, a company incorporated in the Hamriyah Free Zone, Sarjah as a Free Zone Establishment (“FZE”). The ultimate holding company is Larsen and Toubro Limited, a company incorporated in India and listed on the National Stock Exchange of India Ltd. and Bombay Stock Exchange Ltd..

AUDITORS

The amount paid as remuneration of the auditors for the financial year ended 31 March 2017 is as disclosed in Note 6 to the financial statements.

The auditors, Messrs PKF, have indicated their willingness to continue in office.

Signed on behalf of the Board

in accordance with a resolution of the Directors,

STATUTORY DECLARATION PURSUANT TO SECTION 251 (1)(b) OF THE COMPANIES ACT, 2016 IN MALAYSIA

I, UMESH SUBBARAO BHARADWAJ, being the Director primarily responsible for the financial management of HENIKWON CORPORATION SDN. BHD., do solemnly and sincerely declare that to the best of my knowledge and belief, the accompanying financial statements as set out on pages 152 to 175 are in my opinion correct, and I make this solemn declaration conscientiously believing the same to be true and by virtue of the provisions of the Statutory Declarations Act, 1960.

Subscribed and solemnly declared by the above named at Kuala Lumpur in Wilayah Persekutuan on May 8, 2017

UMESH SUBBARAO BHARADWAJ
Before me,

COMMISSIONER FOR OATHS

INDEPENDENT AUDITORS REORT

TO THE MEMBERS OF
HENIKWON CORPORATION SDN. BHD.

(Co. No. 161535-W)

(Incorporated in Malaysia)

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

Opinion

We have audited the financial statements of HENIKWON CORPORATION SDN. BHD., which comprise the statement of financial position as at 31 March 2017, and the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows of the Company for the financial year then ended, and notes to the financial statements, including a summary of significant accounting policies, as set out on pages 152 to 175.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Company as at 31 March 2017, and of its financial performance and its cash flows for the year then ended in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act, 2016 in Malaysia.

Basis for Opinion

We conducted our audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the By-Laws (on Professional Ethics, Conduct and Practice) of the Malaysian Institute of Accountants ("By-Laws") and the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants ("IESBA Code"), and we have fulfilled our other ethical responsibilities in accordance with the By-Laws and the IESBA Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material Uncertainty Related to Going Concern

We draw attention to Note 1(c) in the financial statements, which indicates that the Company had incurred a net loss and other comprehensive loss of RM 460,817 during the financial year ended 31 March 2017 and, as of that date, the Company's had a deficit in shareholders' equity of RM 6,279,548. As stated in Note 1(c) these events or conditions, along with other matters as set forth in Note 1(c), indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

Information Other than the Financial Statements and Auditors' Report Thereon

The Directors of the Company are responsible for the other information. The other information comprises the Directors' Report, but does not include the financial statements of the Company and our auditors' report thereon.

Our opinion on the financial statements of the Company does not cover the Directors' Report and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements of the Company, our responsibility is to read the Directors' Report and, in doing so, consider whether the Directors' Report is materially inconsistent with the financial statements of the Company or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of the Directors' Report, we are required to report that fact. We have nothing to report in this regards.

Responsibilities of the Directors for the Financial Statements

The Directors of the Company are responsible for the preparation of financial statements of the Company that give a true and fair view in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act, 2016 in Malaysia. The Directors are also responsible for such internal control as the Directors determine is necessary to enable the preparation of financial statements of the Company that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements of the Company, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements of the Company as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with approved standards on auditing in Malaysia and International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

As part of an audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements of the Company, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements of the Company or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements of the Company, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

In accordance with the requirements of the Companies Act, 2016 in Malaysia, we also report that in our opinion, the accounting and other records and the registers required by the Act to be kept by the Company have been properly kept in accordance with the provisions of the Act.

OTHER MATTERS

This report is made solely to the members of the Company, as a body, in accordance with Section 266 of the Companies Act, 2016 in Malaysia and for no other purpose. We do not assume responsibility to any other person for the content of this report.

NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH 2017

1. BASIS OF PREPARATION

The financial statements of the Company have been prepared in accordance with Malaysian Financial Reporting Standards ("MFRSs"), International Financial Reporting Standards and the Companies Act, 2016 in Malaysia. These are the Company's first financial statements prepared in accordance with MFRS and MFRS 1, First-time Adoption of Malaysian Financial Reporting Standards has been applied.

In previous years, the financial statements of the Company were prepared in accordance with Private Entity Reporting Standards ("PERSs"). The accounting policies set out in Note 2 to the financial statements have been applied in preparing the financial statements of the Company for the financial year ended 31 March 2017. The comparative information presented in these financial statements for the financial year ended 31 March 2016 and in the preparation of the opening MFRS statement of financial position at 1 April 2016 (date of transition of the Company to MFRS).

The transitions to MFRSs do not have financial impact to the financial statements of the Company.

(a) Standards issued and effective

On 1 April 2016, the Company has adopted the following MFRS and IC Interpretations and amendments to MFRS issued by the Malaysia Accounting Standards Board ("MASB") which are mandatory for annual financial periods beginning on or after 1 April 2016.

Description	Effective for annual periods beginning on or after
• MFRS 1, First-time Adoption of Malaysian Financial Reporting Standards	1 January 2012
• MFRS 2, Share-based Payment	1 January 2012
• MFRS 3, Business Combinations	1 January 2012
• MFRS 4, Insurance Contracts	1 January 2012
• MFRS 5, Non-current Assets Held for Sale and Discontinued Operations	1 January 2012
• MFRS 6, Exploration for and Evaluation of Mineral Resources	1 January 2012
• MFRS 7, Financial Instruments: Disclosures	1 January 2012
• MFRS 8, Operating Segments	1 January 2012
• MFRS 10, Consolidated Financial Statements	1 January 2013
• MFRS 11, Joint Arrangements	1 January 2013
• MFRS 12, Disclosure of Interest in Other Entities	1 January 2013
• MFRS 13, Fair Value Measurement	1 January 2013
• MFRS 101, Presentation of Financial Statements	1 January 2012
• MFRS 102, Inventories	1 January 2012
• MFRS 107, Statement of Cash Flows	1 January 2012
• MFRS 108, Accounting Policies, Changes in Accounting Estimates and Errors	1 January 2012
• MFRS 110, Events After the Reporting Period	1 January 2012
• MFRS 111, Construction Contracts	1 January 2012
• MFRS 112, Income Taxes	1 January 2012
• MFRS 116, Property, Plant and Equipment	1 January 2012
• MFRS 117, Leases	1 January 2012
• MFRS 118, Revenue	1 January 2012
• MFRS 119, Employee Benefits	1 January 2012
• MFRS 120, Accounting for Government Grants and Disclosure of Government Assistance	1 January 2012
• MFRS 121, The Effects of Changes in Foreign Exchange Rates	1 January 2012
• MFRS 123, Borrowing Costs	1 January 2012
• MFRS 124, Related Party Disclosures	1 January 2012
• MFRS 126, Accounting and Reporting by Retirement Benefit Plans	1 January 2012
• MFRS 127, Consolidated and Separate Financial Statements	1 January 2013

NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH 2017 (Contd.)

Description	Effective for annual periods beginning on or after
• MFRS 128, Investment in Associates and Joint Ventures	1 January 2013
• MFRS 129, Financial Reporting in Hyperinflationary Economies	1 January 2012
• MFRS 132, Financial Instruments: Presentation	1 January 2012
• MFRS 133, Earnings Per Share	1 January 2012
• MFRS 134, Interim Financial Reporting	1 January 2012
• MFRS 136, Impairment of Assets	1 January 2012
• MFRS 137, Provisions, Contingent Liabilities and Contingent Assets	1 January 2012
• MFRS 138, Intangible Assets	1 January 2012
• MFRS 139, Financial Instruments: Recognition and Measurement	1 January 2012
• MFRS 140, Investment Property	1 January 2012
• MFRS 141, Agriculture	1 January 2012
• Amendment to MFRS:	
- MFRS 7, Mandatory Effective Date of MFRS 9 and Transition Disclosures	Effective immediately on 1 March 2012
- MFRS 9, Mandatory Effective Date of MFRS 9 and Transition Disclosures	Effective immediately on 1 March 2012
• IC Interpretation 1, Changes in Existing Decommissioning, Restoration and Similar Liabilities	1 January 2012
• IC Interpretation 2, Members' Shares in Co-operative Entities and Similar Instruments	1 January 2012
• IC Interpretation 4, Determining Whether an Arrangement contains a Lease	1 January 2012
• IC Interpretation 5, Rights to Interests arising from Decommissioning, Restoration and Environmental Rehabilitation Funds	1 January 2012
• IC Interpretation 6, Liabilities arising from Participating in a Specific Market – Waste Electrical and Electronic Equipment	1 January 2012
• IC Interpretation 7, Applying the Restatement Approach under MFRS 129 Financial Reporting in Hyperinflationary Economies	1 January 2012
• IC Interpretation 9, Reassessment of Embedded Derivatives	1 January 2012
• IC Interpretation 10, Interim Financial Reporting and Impairment	1 January 2012
• IC Interpretation 12, Service Concession Arrangements	1 January 2012
• IC Interpretation 13, Customer Loyalty Programmes	1 January 2012
• IC Interpretation 14, MFRS 119 – The Limit on a Defined Benefit Asset, Minimum Funding Requirements and their Interaction	1 January 2012
• IC Interpretation 15, Agreements for the Construction of Real Estate	1 January 2012
• IC Interpretation 16, Hedges of a Net Investment in a Foreign Operation	1 January 2012
• IC Interpretation 17, Distributions of Non-cash Assets to Owners	1 January 2012
• IC Interpretation 18, Transfers of Assets from Customers	1 January 2012
• IC Interpretation 19, Extinguishing Financial Liabilities with Equity Instruments	1 January 2012
• IC Interpretation 20, Stripping Costs in the Production Phase of a Surface Mine	1 January 2013
• IC Interpretation 21, Levies	1 January 2014
• IC Interpretation 107, Introduction of the Euro	1 January 2012
• IC Interpretation 110, Government Assistance – No Specific Relation to Operating Activities	1 January 2012

NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH 2017 (Contd.)

Description	Effective for annual periods beginning on or after
• IC Interpretation 112, Consolidation – Special Purpose Entities	1 January 2012
• IC Interpretation 113, Jointly Controlled Entities – Non-Monetary Contributions by Venturers	1 January 2012
• IC Interpretation 115, Operating Leases - Incentives	1 January 2012
• IC Interpretation 125, Income Taxes – Changes in the Tax Status of an Entity or its Shareholders	1 January 2012
• IC Interpretation 127, Evaluating the Substance of Transactions Involving the Legal Form of a Lease	1 January 2012
• IC Interpretation 129, Service Concession Arrangements: Disclosures	1 January 2012
• IC Interpretation 131, Revenue – Barter Transactions Involving Advertising Services	1 January 2012

- MFRS 119, Employee Benefits	1 January 2016
- MFRS 134, Interim Financial Reporting	1 January 2016
• MFRS 14, Regulator Deferral Accounts	1 January 2016
• Amendments to MFRS 11 Joint Arrangements: Accounting for Acquisitions of Interest in Joint Operations	1 January 2016
• Amendments to MFRS 101 Presentation of Financial Statements: Disclosure Initiative	1 January 2016
• Amendments to MFRS 116 Property, Plant and Equipment and MFRS 138 Intangible Assets: Clarification of Acceptable Methods of Depreciation and Amortisation	1 January 2016
• Amendments to MFRS 116 Property, Plant and Equipment and MFRS 141 Agriculture: Bearer Plants	1 January 2016
• Amendments to MFRS 127 Consolidated and Separate Financial Statements: Equity Method in Separate Financial Statements	1 January 2016
• Amendments to MFRS 10 Consolidated Financial Statements, MFRS 12 Disclosure of Interests in Other Entities and MFRS 128 Investment in Associates and Joint ventures: Investment Entities – Applying the Consolidation Exception	1 January 2016
• Amendment to MFRS 138 Intangible Assets: Clarification of Acceptable Methods of Depreciation and Amortisation	1 January 2016

The initial application of the abovementioned accounting standards, amendments or interpretations are not expected to have any material impacts to the financial statements of the Company except for those discussed below:

MFRS 101 Presentation of Financial Statements (revised)

The MFRS 101 introduces changes in the presentation and disclosures of financial statements. The revised Standard separates owner and non-owner changes in equity. The statement of changes in equity includes only details of transactions with owner, with all non-owner changes in equity presented as a single line.

The Standard also introduces the statement of profit and loss and other comprehensive income, with all items of income and expense recognised in profit or loss, together with all other items of recognised income and expense recognised directly in equity, either in one single statement, or in two linked statements. The Company has elected to present this statement as one single statement.

In addition, a statement of financial position is required at the beginning of the earliest comparative period following a change in accounting policy, the correction of an error or the classification of items in the financial statements.

The revised MFRS 101 also requires the Company to make new disclosures to enable users of the financial statements to evaluate the

NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH 2017 (Contd.)

Company's objectives, policies and processes for managing capital as disclosed in Note 22 to the financial statements.

The revised MFRS 101 was adopted retrospectively by the Company.

MFRS 7 Financial Instruments: Disclosures

MFRS 7 introduces new disclosures to improve the information about financial instruments. It requires the disclosure of qualitative and quantitative information about exposure to risks arising from financial instruments, including specified minimum disclosures about credit risk, liquidity risk and foreign currency risk, including sensitivity analysis.

The Company has applied MFRS 7 prospectively in accordance with the transitional provisions. Hence, the new disclosures have not been applied to the comparative. The new disclosures are included throughout the Company's financial statements for the year ended 31 March 2017 as disclosed in Note 21 to the financial statements.

MFRS 139 Financial Instruments: Recognition and Measurement

MFRS 139 establishes principles for recognising and measuring financial assets, financial liabilities and some contracts to buy and sell non-financial items.

The Company has adopted MFRS 139 retrospectively on 1 January 2015 in accordance with the transitional provisions. The details of the changes in accounting policies and the effects arising from the adoption of MFRS 139 are discussed below:

Impairment of trade receivables

Prior to 1 April 2015, provision for doubtful debts was recognised when it was considered uncollectible. Upon the adoption of MFRS 139, an impairment loss is recognised when there is objective evidence that an impairment loss has been incurred. The amount of the loss is measured as the difference between the receivable's carrying amount and the present value of the estimated future cash flows discounted at the receivable's original effective interest rate.

As at 1 April 2015, the Company has assessed and determined that there was no material difference between the existing and revised basis of measurement and as such, there are no adjustments to the opening balance of retained earnings as at that date.

MFRS 112 Income Taxes

The Company has adapted MFRS 112 retrospectively on 1 April 2015 in accordance with the transitional provisions.

Prior to 1 April 2015, the deferred tax assets on certain unused tax credit were not recognised as not permitted under PERS. As at 1 April 2015, the Company has no recognised any deferred tax assets on unused tax credits under the circumstances prevail at the reporting date.

Amendment to MFRS 7, Financial Instruments: Disclosures

Amendments to the MFRS 7, introduces addition disclosures to improve the information about fair value measurements and liquidity risk.

Liquidity risk

The Company shall disclose:

(i) A maturity analysis for non-derivative financial liabilities including issued financial guarantee contracts) that shows the remaining contractual maturities;

(ii) A maturity analysis for derivative financial liabilities. The maturity analysis shall include the remaining contractual maturities for those derivative financial liabilities for which contractual maturities are essential for an understanding of the timing of the cash flows; and

Fair value hierarchy

The Company shall disclose for each class of financial instruments the methods and, when a valuation technique is used, the assumptions applied in determining fair values of each class of financial assets or financial liabilities. If there has been a change in valuation technique, the Company shall disclose that change and the reasons for making it.

In addition, the Company shall classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy shall have the following levels:

(i) Quoted prices (unadjusted) in active markets for identical assets or liabilities (Level 1);

(ii) Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices) (Level 2); and

(i) Inputs for the asset or liability that are not based on observable market data (unobservable inputs) (Level 3).

The fair value hierarchy has been disclosed in Note 21 to the financial statements.

(b) Standards issued but not yet effective

The Company has not adopted the following standards and interpretations that have been issued but not yet effective:

Description	**Effective for annual periods beginning on or after**
• MFRS 9, Financial Instruments	1 January 2018

NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH 2017 (Contd.)

Description	Effective for annual periods beginning on or after
• MFRS 15, Revenue from Contract with Customers	1 January 2018
• MFRS 16, Leases	1 January 2019
• Amendments to MFRS 10 Consolidated Financial Statements and MFRS 128 Investment in Associates: Sale or Contribution of Assets between an investor and it Associate or Joint Venture	Deferred
• Amendments to MFRS 107, Disclosure Initiative	1 January 2017
• Amendments to MFRS 112, Recognition of Deferred Tax Assets for unrealised losses	1 January 2017

The initial application of the abovementioned accounting standards, amendments or interpretations are not expected to have any material impacts to the financial statement of the Company except as mentioned below:

MFRS 15 Revenue from Contracts with Customers

MFRS 15 replaces the guidance in MFRS 111, Construction Contracts, MFRS 118, Revenue, IC Interpretation 13, Customer Loyalty Programmes, IC Interpretation 15, Agreements for Construction of Real Estate, IC Interpretation 18, Transfers of Assets from Customers and IC Interpretation 131, Revenue – Barter Transactions Involving Advertising Services. Upon adoption of MFRS 15, it is expected that the timing of revenue recognition might different as compared with the current practices.

The adoption of MFRS 15 will result in a change in accounting policy. The Company is currently assessing the financial impact of adopting MFRS 15.

MFRS 9 Financial Instruments

MFRS 9 replaces the guidance in MFRS 139, Financial Instruments: Recognition and Measurement on the classification and measurement of financial assets. Upon adoption of MFRS 9, financial assets will be measured at either fair value or amortised cost. It is expected that the Company's investment in unquoted shares will be measured at fair value through other comprehensive income.

The adoption of MFRS 9 will result in a change in accounting policy. The Company is currently assessing the financial impact of adopting MFRS 9.

(c) Basis of measurement

The financial statements have been prepared on the historical cost basis other than as disclosed in Note 2 to the financial statements. The accompanying financial statements have also been prepared assuming that the Company will continue as going concern which contemplates the realisation of assets and settlement of liabilities in the normal course of business.

However, at the financial year end, the Company had incurred a net loss and other comprehensive loss of RM 460,817 during the financial year ended 31 March 2017 and, as of that date, the Company's had a deficit in shareholders' equity of RM 6,279,548 thereby indicating the existence of a material uncertainty which may cast significant doubt about the Company's ability to continue as a going concern.

The ability of the Company to continue as a going concern is therefore dependent upon receiving continuous financial support from its shareholders.

At the time of this report, there is no reason for the Directors to believe that there is any significant uncertainty that the shareholders will not continue to provide their financial support. Accordingly, the financial statements do not include any adjustments relating to the recoverability and classification of recorded assets' amounts or to amounts and classification of liabilities that may be necessary if the Company is unable to continue as a going concern. The assumption is premised on future events, the outcome of which is inherently uncertain.

(d) Critical accounting estimates and judgements

Estimates and judgements are continually evaluated by the Directors and management and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The estimates and judgements that affect the application of the Company's accounting policies and disclosures, and have a significant risk of causing a material adjustment to the carrying amounts of assets, liabilities, income and expenses are discussed below:

(i) Income Taxes

There are certain transactions and computations for which the ultimate tax determination may be different from the initial estimate. The Company recognises tax liabilities based on its understanding of the prevailing tax laws and estimates of whether such taxes will be due in the ordinary course of business. Where the final outcome of these matters is different from the amounts that were

NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH 2017 (Contd.)

initially recognised, such difference will impact the income tax and deferred tax provisions in the year in which such determination is made.

(ii) Depreciation of Property, Plant and Equipment

The estimates for the residual values, useful lives and related depreciation charges for the property, plant and equipment are based on commercial and production factors which could change significantly as a result of technical innovations and competitors' actions in response to the market conditions.

The Company anticipates that the residual values of its plant and equipment will be insignificant. As a result, residual values are not being taken into consideration for the computation of the depreciable amount.

Changes in the expected level of usage and technological development could impact the economic useful lives and the residual values of these assets, therefore future depreciation charges could be revised.

(iii) Impairment of Non-financial Assets

When the recoverable amount of an asset is determined based on the estimate of the value in use of the cash generating unit to which the asset is allocated, the management is required to make an estimate of the expected future cash flows from the cash generating unit and also to apply a suitable discount rate in order to determine the present value of those cash flows.

(iv) Written down of Inventories

Reviews are made periodically by management on damaged, obsolete and slow moving inventories. These reviews require judgement and estimates. Possible changes in these estimates could result in revisions to the valuation of inventories.

(v) Impairment of Trade and Non-Trade Receivables

An impairment loss is recognised when there is objective evidence that a financial asset is impaired. Management specifically reviews its loan and receivables financial assets and analyses historical bad debts, customer concentrations, customer creditworthiness, current economic trends and changes in the customer payment terms when making a judgement to evaluate the adequacy of the allowance for impairment losses. Where there is objective evidence of impairment, the amount and timing of future cash flows are estimated based on historical loss experience for assets with similar credit risk characteristics. If the expectation is different from the estimation, such difference will impact the carrying value of receivables.

(vi) Fair Value Estimates for Certain Financial Assets and Liabilities

The Company carries certain financial assets and liabilities at fair value, which requires extensive use of accounting estimates and judgement. While significant components of fair value measurement were determined using verifiable objective evidence, the amount of changes in fair value would differ if the Company uses different valuation methodologies. Any changes in fair value of these assets and liabilities would affect profit and/or equity.

(vii) Deferred Tax Assets and Liabilities

Deferred tax implications arising from the changes in corporate income tax rates are measured with reference to the estimated realisation and settlement of temporary differences in the future periods in which the tax rates are expected to apply, based on the tax rates enacted or substantively enacted at the repoting date. While management's estimates on the realisation and settlement of temporary differences are based on the available information at the reporting date, changes in business strategy, future operating performance and other factors could potentially impact on the actual timing and amount of temporary differences realised and settled. Any difference between the actual amount and the estimated amount would be recognised in the profit or loss in the period in which actual realisation and settlement occurs.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following accounting policies are adopted by the Company and are consistent with those adopted in previous year.

(a) Foreign currencies

(i) Functional and presentation currency

The individual financial statements of the Company are measured using the currency of the primary economic environment in which the entity operates ("the functional currency"). The financial statements are presented in Ringgit Malaysia (RM), which is the Company's functional currency.

(ii) Foreign currency transactions

Transactions in foreign currencies are measured in the respective functional currencies of the Company is recorded on initial recognition in the functional currencies at exchange rates approximating those ruling at the transaction dates.

(ii) Foreign currency transactions (continued)

Monetary assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the reporting date. Non-monetary items denominated in foreign currencies that are measured at historical cost are translated using the exchange rates as at the dates of the initial transactions. Non-monetary items denominated in foreign currencies measured at fair value are translated using the exchange rates at the date when the fair value was determined.

Exchange differences arising on the settlement of monetary items or on translating monetary items at the reporting date are recognised in profit or loss except for exchange differences arising on monetary items that form part of the Company's net investment in foreign operations, which are recognised initially in other comprehensive income and accumulated under foreign currency translation reserve in equity. The foreign currency translation reserve is reclassified from equity to profit or loss of the Company on disposal of the foreign operation.

Exchange differences arising on the translation of non-monetary items carried at fair value are included in profit or loss for the period except for the differences arising on the translation of non-monetary items in respect of which gains and losses are recognised directly in equity. Exchange differences arising from such non-monetary items are also recognised directly in equity.

The principal exchange rates for every unit of foreign currency ruling used at the end of the reporting date are as follows:

	2017	*2016*
	RM	*RM*
1 Sounth Korean Won	**–**	*0.003*
1 United States Dollar	**4.423**	*3.840*

(b) Revenue

Revenue from services provided is recognised net of goods and services tax and discount, where applicable, as and when the services are performed.

(c) Employee benefits expense

(i) Short term benefits

Wages, salaries, bonuses and social security contributions are recognised as an expense in the financial year in which the associated services are rendered by employees of the Company. Short term accumulating compensated absences such as paid annual leave are recognised when services are rendered by employees that increase their entitlement to future compensated absences, and short term non-accumulating compensated absences such as sick leave are recognised when the absences occur.

(ii) Defined contribution plans

The Company's contribution to defined contribution plans is charged to the profit or loss in the period to which they related. Once the contributions have been paid, the Company has no further liability in respect of the defined contribution plans.

(d) Income taxes

(i) Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date.

Current taxes are recognised in profit or loss except to the extent that the tax relates to items recognised outside profit or loss, either in other comprehensive income or directly in equity.

(ii) Deferred tax

Deferred tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

Deferred tax liabilities are recognised for all taxable temporary differences other than those that arise from goodwill or excess of the acquirer's interest in the net fair value of the acquiree's identifiable assets, liabilities and contingent liabilities over the business combination costs or from the initial recognition of an asset or liability in a transaction which is not a business combination and at the time of the transaction, affects neither accounting profit nor taxable profit.

Deferred tax assets are recognised for all deductible temporary differences, unused tax losses and unused tax credits to the extent that it is probable that future taxable profits will be available against which the deductible temporary differences, unused tax losses and unused tax credits can be utilised.

The carrying amounts of deferred tax assets are reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient future taxable profits will be available to allow all or part of the deferred tax assets to be utilised.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realised or the liability is settled, based on the tax rates that have been enacted or substantively enacted at the end of the reporting period.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when the deferred income taxes relate to the same taxation authority.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss. Deferred tax items are recognised in correlation to the underlying transactions either in other comprehensive income or directly in equity and deferred tax arising from

NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH 2017 (Contd.)

a business combination is included in the resulting goodwill or excess of the acquirer's interest in the net fair value of the acquiree's identifiable assets, liabilities and contingent liabilities over the business combination costs.

(e) Impairment

(i) Impairment of financial assets

The Company assesses at each reporting date whether there is any objective evidence that a financial asset is impaired.

Trade and non-trade receivables and other financial assets carried at amortised cost

To determine whether there is objective evidence that an impairment loss on financial assets has been incurred, the Company considers factors such as the probability of insolvency or significant financial difficulties of the debtor and default or significant delay in payments.

For certain categories of financial assets, such as trade receivables, assets that are assessed not to be impaired individually are subsequently assessed for impairment on a collective basis based on similar risk characteristics. Objective evidence of impairment for a portfolio of receivables could include the Company's past experience of collecting payments, an increase in the number of delayed payments in the portfolio past the average credit period and observable changes in national or local economic conditions that correlate with default on receivables.

If any such evidence exists, the amount of impairment loss is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows discounted at the financial asset's original effective interest rate. The impairment loss is recognised in profit of loss.

The carrying amount of the financial asset is reduced by the impairment loss directly for all financial assets with the exception of trade receivables, where the carrying amount is reduced through the use of an allowance account. When a trade receivable becomes uncollectible, it is written off against the allowance account.

If in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed to the extent that the carrying amount of the asset does not exceed its amortised cost at the reversal date. The amount of reversal is recognised in profit or loss.

(ii) Impairment of non-financial assets

The Company assessess at each reporting date whether there is an indication that an asset may be impaired. If any such indication exists, or when an annual impairment assessment for an asset is required, the Company makes an estimate of the asset's recoverable amount.

An asset's recoverable amount is the higher of an asset's fair value less costs to sell and its value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash-generating units ("CGU")).

In assessing value in use, the estimated future cash flows expected to be generated by the asset are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. Where the carrying amount of an asset exceeds its recoverable amount, the asset is written down to its recoverable amount. Impairment losses recognised in respect of a CGU or groups of CGUs are allocated first to reduce the carrying amount of any goodwill allocated to those units or groups of units and then, to reduce the carrying amount of the other assets in the unit or groups of units on a pro-rata basis.

Impairment losses are recognised in profit or loss except for assets that are previously revalued where the revaluation was taken to other comprehensive income. In this case the impairment is also recognised in other comprehensive income up to the amount of any previous revaluation.

An assessment is made at each reporting date as to whether there is any indication that previously recognised impairment losses may no longer exist or may have decreased. A previously recognised impairment loss is reversed only if there has been a change in the estimates used to determine the asset's recoverable amount since the last impairment loss was recognised. If that is the case, the carrying amount of the asset is increased to its recoverable amount. That increase cannot exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised previously. Such reversal is recognised in profit or loss unless the asset is measured at revalued amount, in which case the reversal is treated as a revaluation increase. Impairment loss on goodwill is not reversed in a subsequent period.

(f) Property, plant and equipment

All items of property, plant and equipment are initially recorded at cost. The cost of an item of property, plant and equipment is recognised as an asset if, and only if, it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

Subsequent to recognition, property, plant and equipment are measured at cost less accumulated depreciation and accumulated impairment losses. When significant parts of property, plant and equipment are required to be replaced in intervals, the Company recognises such parts as individual assets with specific useful lives and depreciation, respectively. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in profit or loss as incurred.

Depreciation is computed on a straight-line basis over the estimated useful lives of the assets as follows:

Computers	20%
Factory equipment	10%
Furniture and fittings	10%
Tools and machinery	20%
Motor vehicles	20%
Office equipment	10%

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying values may not be recoverable.

The residual value, useful life and depreciation method are reviewed at each financial year end, and adjusted prospectively, if appropriate.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss on derecognition of the asset is included in the profit or loss in the year the asset is derecognised.

(g) Financial assets

Financial assets are recognised in the statement of financial position when, and only when, the Company becomes a party to the contractual provisions of the financial instrument.

When financial assets are recognised initially, they are measured at fair value, plus, in the case of financial assets not at fair value through profit or loss, directly attributable transaction costs.

The Company determines the classification of its financial assets at initial recognition, and categories as loans and receivables.

Loans and receivables

Financial assets with fixed or determinable payments that are not quoted in an active market are classified as loans and receivables.

Subsequent to initial recognition, loans and receivables are measured at amortised cost using the effective interest method. Gains and losses are recognised in profit or loss when the loans and receivables are derecognised or impaired, and through the amortisation process.

Loans and receivables are classified as current assets, except for those having maturity dates later than 12 months after the reporting date which are classified as non-current.

A financial asset is derecognised when the contractual right to receive cash flows from the asset has expired. On derecognition of a financial asset in its entirety, the difference between the carrying amount and the sum of the consideration received and any cumulative gain or loss that had been recognised in other comprehensive income is recognised in profit or loss.

Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the period generally established by regulation or convention in the marketplace concerned. All regular way purchases and sales of financial assets are recognised or derecognised on the trade date i.e., the date that the Company commits to purchase or sell the asset.

(h) Inventories

Inventories comprise of raw materials, work-in-progress and finished goods. Inventories are stated at the lower of cost and net realisable value.

Cost is determined using weighted average basis. Costs of raw materials inventories comprise the cost of purchase plus the cost of bringing the inventories to their present location and condition.

The cost of finished goods and work-in-progress, comprise costs of raw materials, direct labour and proportion of production overheads.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and estimated costs necessary to make the sales.

(i) Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and highly liquid investments that are readily convertible to known amount of cash and which are subject to an insignificant risk of changes in value.

(j) Financial liabilities

Financial liabilities are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability.

Financial liabilities, within the scope of MFRS 139, are recognised in the statement of financial position when, and only when, the Company

NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH 2017 (Contd.)

becomes a party to the contractual provisions of the financial instrument. Financial liabilities are classified as financial liabilities measured at amortisation cost.

Financial liabilities measured at amortisation cost

The Company's other financial liabilities include trade payables, non-trade payables and amount due to immediate holding company.

Trade payables, non-trade payables and amount due to immediate holding company are recognised initially at fair value plus directly attributable transaction costs and subsequently measured at amortised cost using the effective interest method.

For other financial liabilities, gains and losses are recognised in profit or loss when the liabilities are derecognised, and through the amortisation process.

A financial liability is derecognised when the obligation under the liability is extinguished. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognised in profit or loss.

(k) Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic resources will be required to settle the obligation and the amount of the obligation can be estimated reliably.

Provisions are reviewed at each reporting date and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provision is reversed. Where the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risk specific to the liability and the present value of the expenditure expected to be required to settle the obligation.

(l) Contingencies

(i) Contingent liabilities

Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is not recognised in the statements of financial position and is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote. Possible obligations, whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events, are also disclosed as contingent liabilities unless the probability outflow of economic benefits is remote.

(ii) Contingent assets

Where it is not possible that there is an inflow of economic benefits, or the account cannot be estimated reliably, the asset is not recognised in the statements of financial position and it disclosed as contingent asset, unless the probability of inflow of economic benefits is remote. Possible obligations, whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events, are also disclosed as contingent assets unless the probability of inflow of economic benefits is remote.

(m) Equity instrument

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities.

Ordinary shares are recorded at the proceeds received, net of directly attributable incremental transaction costs. Dividends on ordinary shares are recognised from equity in the period in which they are declared.

3. REVENUE

Revenue represents the invoiced value of goods sold less discounts and returns.

4. OTHER INCOME

11. TRADE RECEIVABLES

	2017 RM	2016 RM
Third party		
- Receivable outstanding	1,379,369	1,508,456
- Advances received	(546,967)	(271,428)
Amount due from holding company	1,853,623	5,886,753
	2,686,025	7,123,781
Less: Impairment		
At 1 April	–	(53,721)
Written off	–	53,721
At 31 March	–	-
	2,686,025	7,123,781

The Company's normal trade credit term ranges from 30 to 60 days (2016: 30 to 60 days). Other credit terms are assessed and approved on a case by-case basis.

Amount due from holding company represent trade transactions, unsecured, interest-free and credit term are ranges from 30 to 60 days (2016: 30 to 60 days).

The currency exposure profile for trade receivables are as follow:

	2017 RM	2016 RM
USD	2,707,997	7,165,189

12. NON-TRADE RECEIVABLES, DEPOSITS AND PREPAYMENTS

	2017 RM	2016 RM
Non-trade receivables	123,837	174,214
Staff advances	9,720	1,600
Deposits	38,391	58,049
Prepayments	76,926	36,216
	248,874	268,479

13. SHARE CAPITAL

	2017 Number of ordinary shares	2016 Number of ordinary shares	2017 RM	2016 RM
Ordinary share of RM1.00 each				
Authorised				
At 1 April/31 March	10,000,000	10,000,000	10,000,000	10,000,000
Issued and fully paid				
At 1 April/31 March	6,450,000	6,450,000	6,450,000	6,450,000

NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH 2017 (Contd.)

14. AMOUNT DUE TO IMMEDIATE HOLDING COMPANY

	2017 RM	2016 RM
Non trade	8,255,995	7,979,967
Loan	500,000	3,000,000

The non-trade amount is unsecured, interest-free and is repayment on demand.

Loan from immediate holding company is subject to an interest charge of 7% per annum and is repayable on demand.

15. TRADE PAYABLES

The normal trade credit terms granted to the Company range from 30 to 60 days (2016: 30 to 60 days).

The currency exposure profile for trade payables are as follow:

	2017 RM	2016 RM
KRW	–	1,714
USD	19,321	110,665

16. NON-TRADE PAYABLES AND ACCRUALS

	2017 RM	2016 RM
Non-trade payables	2,042,479	1,298,394
Accruals	3,650,345	3,314,984
	5,692,824	4,613,378

Non-trade payables are unsecured, interest-free and are repayment on demand.

17. DEFERRED TAX ASSETS

The amount of temporary differences for which no deferred tax assets (stated at gross) has been recognised at the reporting date is as follows:

	2017 RM	2016 RM
Property, plant and equipment	(121,661)	431,655
Unabsorbed capital allowance	71,463	–
Provision	–	53,721
Unutilised tax losses	20,599,158	19,500,053
	20,548,960	19,985,429

NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH 2017 (Contd.)

18. SIGNIFICANT RELATED PARTY TRANSACTIONS

The aggregate value of transactions and outstanding balances of the Company were as follows:

Name of related party	Type of transaction	Transaction value		Balance due to/(from) as at 31 March	
		2017	*2016*	**2017**	*2016*
		RM	*RM*	**RM**	*RM*
Ultimate holding company:					
Larsen & Toubro Limited.	Sales	**8,937,757**	*17,972,926*	**1,840,204**	*5,886,753*
Immediate holding company:					
Tamco Switchgear (M) Sdn. Bhd.	Short term borrowing	**(500,000)**	*(3,000,000)*	**(8,755,995)**	*(10,979,967)*
	Interest on loan	**(42,288)**	*(250,550)*		
	Factory and office rental	**(1,200,00)**	*(1,221,825)*		

The Directors are of the opinion that the terms and conditions of the above transactions are not materially different from that obtainable in transactions with unrelated parties.

19. OPERATING LEASE ARRANGEMENTS

Non-cancellable operating lease rentals are repayable as follows:

	2017	2016
	RM	*RM*
Less than one year	**1,200,000**	*300,000*
One to two year	**200,000**	*–*
	1,400,000	*300,000*

20. CONTINGENT LIABILITIES

	2017	2016

Financial risk management objectives and policies

The Company's financial risks management policy seeks to ensure that adequate financial resources are available for the development of the Company's businesses whilst managing its credit risk, foreign currency risk and liquidity risk.

The following sections provide details regarding the Company's exposure to the above-mentioned financial risks and the objectives, policies and processes for the management of these risks.

Credit risk

The Company's exposure to credit risk, or the risk of counterparties defaulting, arises mainly from trade and non-trade receivables. The Company manages its exposure to credit risk by the application of credit approvals, credit limits and monitoring procedures on an ongoing basis. For other financial assets (including cash and bank balances), the Company minimises credit risk by dealing exclusively with high credit rating counterparties.

The Company establishes an allowance for impairment that represents its estimate of incurred losses in respect of the trade and non-trade receivables as appropriate. The main components of this allowance are a specific loss component that relates to individually significant exposures, and a collective loss component established for groups of similar assets in respect of losses that have been incurred but not yet identified. Impairment is estimated by management based on prior experience and the current economic environment.

Exposure to credit risk

At the reporting date, the Company's maximum exposure to credit risk is represented by the carrying amount of financial assets recognised in the statement of financial position.

NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH 2017 (Contd.)

Ageing analysis

The ageing analysis of the Company's trade receivables as at reporting period is as follows:

	Gross amount	Individual/ Collective impairment	Carrying amount
	RM	RM	RM
2017			
Not past due:	**1,397,745**	**–**	**1,397,745**
Past due:			
- less than 3 months	**980,209**	**–**	**980,209**
- over 3 months	**308,071**	**–**	**308,071**
	2,686,025	**–**	**2,686,025**
2016			
Not past due:	*3,456,195*	–	*3,456,195*
Past due:			
- less than 3 months	*398,297*	–	*398,297*
- over 3 months	*3,269,289*	–	*3,269,289*
	7,123,781	–	*7,123,781*

At the end of the reporting period, trade receivables that are individually impaired were those in significant financial difficulties and have defaulted on payments. These receivables are not secured by any collateral or credit enhancement.

Trade receivables that are neither past due nor impaired

A significant portion of trade receivables that are neither past due nor impaired are regular customers that have been transacting with the Company. The Company uses ageing analysis to monitor the credit quality of the trade receivables are monitored individually.

Foreign currency risk

The Company is exposed to foreign currency risk on transactions and balances that are denominated in currencies other than Ringgit Malaysia. The currencies giving rise to this risk are primarily United States Dollar and Korean Won. Foreign currency risk is monitored closely on an ongoing basis to ensure that the net exposure is at an acceptable level.

The Company's exposure to foreign currency is as follows:

	United States Dollar
	RM
2017	
Financial assets	
Trade receivables	**2,707,997**
Cash and bank balances	**1,217,137**
	3,925,134
Financial liabilities	
Trade payables	**19,321**
	19,321
Net currency exposure	**3,905,813**

NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH 2017 (Contd.)

	Korean Won RM	United States Dollar RM	Total RM
2016			
Financial assets			
Trade receivables	–	*7,165,189*	*7,165,189*
Cash and bank balances	–	*1,262,180*	*1,262,180*
	–	*8,427,369*	*8,427,369*
Financial liabilities			
Trade payables	*1,714*	*110,665*	*112,379*
	1,714	*110,665*	*112,379*
Net currency exposure	*(1,714)*	*8,316,704*	*8,314,990*

Sensitivity analysis for foreign currency risk

The following table demonstrates the sensitivity of the Company's profit net of tax to a reasonably possible change in US Dollar and Korean Won exchange rates against the respective functional currencies of the Company, with all other variables held constant.

		2017 Increase/ (Decrease) RM	*2016 Increase/ (Decrease) RM*
Effects on profit after tax			
KRW/RM -	Strengthened by 5% (2016: 5%)	**–**	*(65)*
	Weakened by 5% (2016: 5%)	**–**	*65*
USD/RM -	Strengthened by 5% (2016: 5%)	**148,420**	*311,876*
	Weakened by 5% (2016: 5%)	**(148,420)**	*(311,876)*

Liquidity risk

Liquidity risk arises mainly from general funding and business activities. The Company practises prudent risk management by maintaining sufficient cash balances.

The following table sets out the maturity profile of the financial liabilities as at the end of the reporting period based on contractual undiscounted cash flows (including interest payments computed using contractual rates or, if floating, based on the rates at the end of the reporting period):

	Carrying amount RM	**Within 1 year RM**
2017		
Trade payables	**392,121**	**392,121**
Non-trade payables and accruals	**2,042,479**	**2,042,479**
Amount due to immediate holding company	**8,755,995**	**8,755,995**
	11,190,595	**11,190,595**
2016		
Trade payables	*1,572,258*	*1,572,258*
Non-trade payables and accruals	*1,2988,394*	*1,2988,394*
Amount due to ultimate holding company	*10,979,967*	*10,979,967*
	13,850,619	*13,850,619*

Fair value

The financial assets and financial liabilities maturing within the next 12 months approximated their fair values due to the relatively short term maturity of the financial instruments.

NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH 2017 (Contd.)

22. CAPITAL MANAGEMENT

The Company's capital is represented by its total equity in the statement of financial position. The Directors monitor the adequacy of capital on an ongoing basis and rely on the continuous financial support from its holding company.

There is no external capital requirement imposed on the Company.

23. HOLDING COMPANIES

The Directors regard Tamco Switchgear (Malaysia) Sdn. Bhd., a company incorporated in Malaysia, as the immediate holding company. The pen-ultimate holding company is Larsen and Toubro International FZE, a company incorporated in the Hamriyah Free Zone, Sarjah as a Free Zone Establishment ("FZE"). The ultimate holding company is Larsen and Toubro Limited, a company incorporated in India and listed on the National Stock Exchange of India Ltd. and Bombay Stock Exchange Ltd..

24. GENERAL INFORMATION

The Company is a private limited company that is incorporated and domiciled in Malaysia.

The principal activities of the Company are manufacturing, engineering and trading of low voltage and medium voltage bus duct systems.

There have been no significant changes in the nature of these activities during the financial year.

The registered office is located at 2A-03-2 Lorong Batu Nilam 4A, Bandar Bukit Tinggi, 41200 Klang, Selangor.

The principal place of business is located at No.887, Jalan Subang 9, Taman Perindustrian Subang, 47500 Subang Jaya, Kuala Lumpur.

The financial statements were approved and authorised for issue by the Board of Directors on May 8, 2017.

BOARD REPORT

Dear Members,

The Directors have pleasure in presenting their Annual report and Audited Accounts for the year / period ended 31.03.17.

4. PARTICULARS OF LOANS GIVEN, INVESTMENTS MADE, GUARANTEES GIVEN OR SECURITY PROVIDED BY THE COMPANY

The Company has disclosed the particulars of the loans given, investments made or guarantees given or security provided in Note No. 7,16 and 28 of the financial statements.

5. STATE OF COMPANY AFFAIRS

The gross sales and other income for the financial year under review were AED 152,067,128 as against AED 154,612,016 for the previous financial year. The profit / (loss) after tax from continuing operations including extraordinary and exceptional items was AED (12,085,048) against AED (28,535,055) for the previous financial year.

6. DIVIDEND

The Directors do not propose the payment of any dividend during the year / period.

7. RISK MANAGEMENT POLICY

The Company has formulated a risk management policy and has in place a mechanism to inform the Board Members about risk assessment and minimization procedures and periodical review to ensure that executive management controls risk by means of a properly designed framework.

8. DETAILS OF DIRECTORS AND KEY MANAGERIAL PERSONNEL APPOINTED/RESIGNED DURING THE YEAR

Following are Directors and Key Management Personnel:

Name	Designation
Mr. S. C. Bhargava	Director
Mr. Sandeep A. Bhat	Director & CEO
Mr. K. R. Balan	Director
Mr. Sharath S. Bharadwaj	Head-F&A

9. NUMBER OF MEETINGS OF THE BOARD OF DIRECTORS

The Meetings of the Board are held at regular intervals. During the year / period under review 1 meeting was held on 03.10.16.

The Agenda of the Meeting is circulated to the Directors in advance. Minutes of the Meetings of the Board of Directors are circulated amongst the Members of the Board for their perusal.

10. FINANCIAL STATEMENTS

The Auditors report to the shareholders does not contain any qualification, observation or adverse comment.

11. AUDITORS

M/s PKF, Abu Dhabi are the auditors of the Company. They will continue to be auditors of the Company for the ensuing financial year.

12. DIRECTORS RESPONSIBILITY STATEMENT

The Board of Directors of the Company confirms:

a) In the preparation of Annual Accounts, the applicable accounting standards have been followed along with proper explanation relating to material departures;

b) The Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit or loss of the Company for that period;

c) The Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the local statutes for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

d) The Directors have prepared the Annual Accounts on a going concern basis;

e) The Directors have laid down an adequate system of internal financial control with respect to reporting on financial statements and the said system is operating effectively;

f) The Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and were operating effectively.

13. ACKNOWLEDGEMENT

Your Directors acknowledge the invaluable support extended by the Government authorities in United Arab Emirates and take this opportunity to thank them as well as the customers, supply chain partners, employees, Financial Institutions, Banks and all the various stakeholders for their continued co-operation and support to the Company.

INDEPENDENT AUDITOR'S REPORT

THE SHAREHOLDERS OF L&T ELECTRICAL & AUTOMATION FZE

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of L&T Electrical & Automation FZE (the "Entity"), which comprise the statement of financial position as at 31 March 2017, and the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Entity as at 31 March 2017, and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs).

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Entity in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in the UAE, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Matter

The Entity prepares and presents these separate financial statements as required for submission to the ultimate parent company. The consolidated financial statements of the Entity and its subsidiaries which are required to be presented in accordance with International Financial Reporting Standard 10: Consolidated Financial Statements are presented separately.

Responsibilities of Management and Those Charged With Governance for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with IFRSs, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

INDEPENDENT AUDITOR'S REPORT (Contd.)

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on other legal and regulatory requirements

We further confirm that the financial statements comply with Implementing Regulation No. 1/92 issued by the Jebel Ali Free Zone Authority pursuant to Law No. 9 of 1992. Also, in our opinion, proper books of account and other records have been maintained in accordance with the said regulation.

The report of the independent auditor is set forth on pages 178 and 179.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2017

1. LEGAL STATUS AND BUSINESS ACTIVITY

a) L&T Electrical & Automation FZE (the "Entity") was incorporated on 7 April 2008 in the Jebel Ali Free Zone, Dubai, as a free zone establishment with limited liability pursuant to law No 9 of 1992 and implementing regulations issued thereunder by the Jebel Ali Free Zone Authority. The registered office is P.O. Box 262158, Jebel Ali Free Zone, Dubai, U.A.E.

b) The Entity is a wholly-owned subsidiary of Larsen and Toubro International FZE, an entity registered in Hamriyah Free Zone, Sharjah. The ultimate parent company is Larsen and Toubro Limited, a company incorporated in India.

c) The Entity is in the business of assembly, integration and testing of electrical & automation and communication systems.

2. BASIS OF PREPARATION

a) Statement of compliance

i) The financial statements are prepared in accordance with International Financial Reporting Standards issued or adopted by the International Accounting Standards Board (IASB) and which are effective for accounting periods beginning 1 April 2015, and the requirements of Implementing Regulation No.1/92 issued by Jebel Ali Free Zone Authority pursuant to Law No. 9 of 1992.

ii) The Entity prepares and presents these separate financial statements as required for submission to the ultimate parent company. The consolidated financial statements of the Entity and its subsidiaries which are required to be presented in accordance with International Financial Reporting Standard 10: Consolidated Financial Statements are presented separately.

b) Basis of measurement

The financial statements are prepared using historical cost, except for long-term retention receivables which are carried at fair value.

Historical cost is based on the fair value of the consideration given to acquire the asset or cash or cash equivalents expected to be paid to satisfy the liability.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

c) Going Concern

The financial statements are prepared on a going concern basis.

When preparing financial statements, management makes an assessment of the Entity's ability to continue as a going concern. Financial statements are prepared on a going concern basis unless management either intends to liquidate the entity or to cease trading, or has no realistic alternative but to do so.

d) Adoption of new International Financial Reporting Standards

Standards and interpretations effective for the current period

The following International Financial Reporting Standards, amendments thereto and Interpretations that became effective for the current reporting period and which are applicable to the Entity are as follows:

- Amendments to IAS 16: Property, Plant and Equipment and IAS 38: Intangible Assets: 'Clarification of Acceptable Methods of Depreciation and Amortisation

  The amendments provide additional guidance on how the depreciation or amortisation of property, plant and equipment and intangible assets should be calculated. The amendments to IAS 16 prohibit entities from using a revenue based depreciation method for items of property, plant and equipment. The amendments to IAS 38 introduce a rebuttable presumption that revenue is not an appropriate basis for amortisation of intangible asset. This presumption can only be rebutted in very limited circumstances.

- Amendment to IAS 27: Equity Method in Separate Financial Statements

  The amendments will allow entities to use the equity method to account for investments in subsidiaries, joint ventures and associates in their separate financial statements. Entities already applying IFRS and electing to change to the equity method in its separate financial statements will have to apply that change retrospectively. For first-time adopters of IFRS electing to use the equity method in its separate financial statements, they will be required to apply this method from the date of transition to IFRS. These amendments will not have any impact on the Entity's consolidated financial statements.

- Annual Improvements 2012–2014 Cycle

  - IFRS 7: Financial Instruments: Disclosures

    - Servicing contracts

      The amendment clarifies that a servicing contract that includes a fee, can constitute continuing involvement in a financial asset. An entity must assess the nature of the fee and the arrangement against the guidance for continuing involvement in IFRS 7 in order to assess whether the disclosures are required. The assessment of which servicing contracts constitute continuing involvement must be done retrospectively. However, the required disclosures would not need to be provided for any period beginning before the annual period in which the entity first applies the amendments.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2017 (Contd.)

- IAS 19: Employee benefits

  IAS 19 has been amended to clarify that high-quality corporate bonds or government bonds used in determining the discount rate should be issued in the same currency in which the benefits are to be paid.

- Amendments to IAS 1 Disclosure Initiative

  The amendments to IAS 1 Presentation of Financial Statements clarify existing IAS 1 requirements in relation to:

  - The materiality requirements in IAS 1
  - That specific line items in the statement of profit or loss and other comprehensive income and the statement of financial position may be disaggregated
  - That entities have flexibility as to the order in which they present the notes to financial statements

  New and revised IFRSs in issue but not yet effective

  The following International Financial Reporting Standards, amendments thereto and Interpretations that are assessed by management as likely to have an impact on the financial statements, have been issued by the IASB prior to the date the financial statements were authorised for issue, but have not been applied in these financial statements as their effective dates of adoption are for future accounting periods.

- Amendments to IAS 7 Disclosure Initiative (1 January 2017)

  The amendments require the disclosure that enable the users to evaluate the changes in liabilities arising from financing activities, including changes arising from cash flow and non cash changes.

- IFRS 9: Financial instruments (1 January 2018)

  IFRS 9 requires financial assets to be classified into two measurement categories: those measured at fair value and those measured at amortised cost. The determination is made at initial recognition. For financial liabilities, the standard retains most of the IAS 39 requirements. The main change is that, in cases where the fair value option is taken for financial liabilities, the part of a fair value change due to an entity's own credit risk is recorded in other comprehensive income rather than the profit or loss, unless this creates an accounting mismatch.

- IFRS 15: Revenue from Contracts with Customers (1 January 2018)

  The International Accounting Standard Board (IASB) has published its new revenue Standard, IFRS 15 'Revenue from Contracts with Customers'. IFRS 15 specifies how and when an IFRS reporter will recognise revenue as well as requiring such entities to provide users of financial statements with more informative, relevant disclosures. The standard supersedes IAS 18 'Revenue', IAS 11 'Construction Contracts' and a number of revenue-related interpretations. Application of the standard is mandatory for all IFRS reporters and it applies to nearly all contracts with customers: the main exceptions are leases, financial instruments and insurance contracts.

- Clarifications to IFRS 15: Revenue from Contracts with Customers (1 January 2018)
- IFRS 16: Leases (1 January 2019)

  IFRS 16 introduces a number of significant changes to lease accounting model. It eliminates the classification of leases as either operating lease or finance lease for a lessee and instead all the leases are treated similar to a finance lease. The standard however, does not require an entity to recognise assets and liabilities for a) Short- term leases (for a period of twelve months or less) and b) Leases of low value assets.

e) Functional and presentation currency

The financial statements are presented in UAE Dirhams ("AED") which is also the Entity's functional currency.

3. SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies adopted, and which have been consistently applied, are as follows:

a) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and impairment losses. The cost less estimated residual value, where material, is depreciated from the date the asset is available for use until it is derecognised, using the straight-line method over the estimated useful lives of the assets as follows:

Leasehold buildings	22-27 years
Leasehold improvements	12 years
Furniture, fixtures and office equipment	3 years
Motor vehicles	3 years

Capital work-in-progress is stated at cost and is not depreciated. This will be depreciated from the date the relevant assets are ready for use.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2017 (Contd.)

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset as appropriate only when it is probable that future economic benefits associated with the expenditure will flow to the Entity and such cost can be measured reliably. Such cost includes the cost of replacing part of the property, plant and equipment. When significant parts of property, plant and equipment are required to be replaced at intervals, the Entity recognises such parts as individual assets with specific useful lives and depreciates them accordingly. The carrying amount of replaced parts is derecognised.

All other repairs and maintenance costs are charged to profit or loss during the financial period in which they are incurred.

An assessment of depreciation method, useful lives and residual values are undertaken at each reporting date and, where material, if there is a change in estimate, an appropriate adjustment is made to the depreciation charge. Accordingly, the useful life of the leasehold building was revised with effect from 1 April 2016 (refer Note 6).

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These are recognised within other operating income in profit or loss.

b) Impairment of tangible assets

At each reporting date, the management reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss if any. Where it is not possible to estimate the recoverable amount of an individual asset, the acquirer estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

Where an impairment loss subsequently reverses, the carrying amount of the asset (cash-generating unit) is increased to the revised estimate of its recoverable amount, so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in profit or loss, unless the relevant asset is carried at a revalued amount, in which case the reversal of the impairment loss is treated as a revaluation increase.

c) Investments in subsidiaries

Subsidiaries are entities over which the Entity exercises control. Control is achieved when the Entity is exposed, or has rights, to variable return from its involvement with the investee and has the ability to affect those returns through its power over the investee.

The investment in subsidiaries is accounted for at cost less impairment losses, if any in these separate financial statements.

d) Inventories

Inventories are stated at the lower of cost and net realizable value. Cost is arrived at using the Weighted Average Cost (WAC) method and comprises invoice value plus applicable landing charges less discounts. Net realizable value is based on estimated selling price less any estimated cost of completion and disposal.

e) Staff end-of-service benefits

Provision is made for end-of-service gratuity payable to the staff at the reporting date in accordance with the local labour laws.

f) Revenue

Revenue is recognised to the extent that it is probable that economic benefits will flow to the Entity and revenue can be measured reliably. Revenue is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, returns and other similar allowances.

Revenue represents the amount invoiced, net of discounts and returns, for goods delivered during the period.

Contract revenue represents the value of work done on contracts including/(after adjusting) variations and claims. Contract revenues are recognised on a percentage of completion basis where the outcome of the contract can be reliably estimated. When the outcome of a contract cannot be estimated reliably, contract revenue is recognised only to the extent of contract costs incurred that are likely to be recoverable. The percentage of completion is determined by reference to the proportion that contract costs incurred for work performed to date bear to estimated total contract costs. Revenue from variations in contract work, claims and incentive payments are recognised in the contract revenue to the extent it is probable that they will result in the revenue and are capable of being measured reliably.

g) Amount due from/due to customers for contract work

Amount due from/due to customers for contract work represent costs incurred on contracts plus estimated attributable profit, less foreseeable losses and progress billings. Cost includes all expenses directly related to the contracts and an allocation of fixed and variable overheads

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2017 (Contd.)

incurred in the Entity's normal operating activities. For contracts where progress billing exceeds the contract revenue, the excess is included in current liabilities as amount due to customers for contract work. Losses expected on completion of a contract are recognized immediately in the profit or loss.

h) Leases

Leases under which substantially all the risks and rewards of ownership of the related asset remain with the lessor are classified as operating leases and the lease payments are charged to profit or loss on a straight-line basis over the period of the lease.

i) Foreign currency transactions

Transactions in foreign currencies are translated into UAE Dirhams at the rate of exchange ruling on the date of the transactions.

Monetary assets and liabilities expressed in foreign currencies are translated into UAE Dirhams at the rate of exchange ruling at the reporting date.

Gains or losses resulting from foreign currency transactions are taken to profit or loss.

j) Borrowing costs

Borrowing costs are recognized as an expense in the period in which they are incurred.

k) Provisions

A provision is recognized when the Entity has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the reporting date taking into account the risks and uncertainties surrounding the obligation. Where a provision is measured using the cash flow estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of receivable can be measured reliably.

l) Financial instruments

Financial assets and financial liabilities are recognised when, and only when, the Entity becomes a party to the contractual provisions of the instrument.

Financial assets are de-recognised when, and only when, the contractual rights to receive cash flows expire or when substantially all the risks and rewards of ownership have been transferred.

Financial liabilities are de-recognised when, and only when, they are extinguished, cancelled or expired.

Financial assets

Loans and receivable

Non-current receivables

Non-current financial assets that have fixed or determinable payments and for which there is no active market, which comprise long-term retention receivables are classified as loans and receivables and stated at amortised cost using the effective interest method.

Trade and other receivables

Trade and other receivables, including receivables from related parties, are classified as loans and receivables and stated at cost, as the interest that would be recognised from discounting future cash receipts over the short credit period is not considered to be material. These are reduced by appropriate allowances for estimated irrecoverable amounts. Interest on overdue balances is recognised as it accrues.

Related party receivables

Related party receivables are classified as loans and receivables and stated at cost, as the interest that would be recognised from discounting future cash receipts over the short credit period is not considered to be material. These are reduced by appropriate allowances for estimated irrecoverable amounts. Interest on overdue balances is recognised as it accrues.

Cash and cash equivalents

Cash and cash equivalents comprise cash, bank current accounts, bank deposits free of encumbrance with a maturity date of three months or less from the date of deposit and highly liquid investments with a maturity date of three months or less from the date of investment that are readily convertible to known amount of cash and which are subject to an insignificant risk of changes in value.

Financial liabilities

At amortised cost

Trade and other payables

Trade and other payables are stated at cost, as the interest that would be recognised from discounting future cash payments over the short credit period is not considered to be material.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2017 (Contd.)

Related party payables

Related party payables and shareholder's loan account are stated at cost, as the interest that would be recognised from discounting future cash payments over the short credit period is not considered to be material.

Interest-bearing liabilities

Interest-bearing liabilities are initially recognized at fair value, net of transaction costs incurred. Subsequently these are stated at amortised cost using the effective interest method. The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating the interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments through the expected life of the financial liability.

Equity

Equity instruments issued by the Entity are recorded at the value of proceeds received towards interest in share capital of the Entity.

Impairment of financial assets

All financial assets are assessed for indicators of impairment at each reporting date. Impairment losses and reversals thereof are recognised in profit or loss.

Offsetting

Financial assets and liabilities are offset and the net amount reported in the statement of financial position when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis, or realise the asset and settle the liability simultaneously.

m) Fair value measurement

The Entity discloses the fair value of financial instruments measured at amortised cost.

The fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The fair value of an asset or a liability is measured using assumptions that the market participant's would use when pricing the asset or liability, assuming that the market participants act in their best economic interests.

4. SIGNIFICANT JUDGMENTS EMPLOYED IN APPLYING ACCOUNTING POLICIES

The significant judgments made in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements are as follows:

Impairment

At each reporting date, management conducts an assessment of property, plant and equipment and all financial assets to determine whether there are any indications that they may be impaired. In the absence of such indications, no further action is taken. If such indications do exist, an analysis of each asset is undertaken to determine its net recoverable amount and, if this is below its carrying amount, a provision is made. In the case of loans and receivables, if an amount is deemed irrecoverable, it is written off to profit or loss or, if previously a provision was made, it is written off against the provision. Reversals of provisions against loans and receivables are made to the extent of the related amounts being recovered.

Investment in a subsidiary

Management considers that it has de-facto control over Kana Controls General Trading and Contracting Company W.L.L., a company with limited liability registered in Kuwait even though it holds less than 50% of equity interest. The Entity is a controlling shareholder with a 49% equity interest.

5. KEY SOURCES OF ESTIMATION UNCERTAINTY

Key assumptions made concerning the future and other key sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are as follows:

Inventory provisions

Management regularly undertakes a review of the Entity's inventory, stated at AED 19,411,432 (previous year AED 26,311,859) in order to assess the likely realisation proceeds, taking into account purchase and replacement prices, technological changes, age, likely obsolescence, the rate at which goods are being sold and the physical damage. Based on the assessment assumptions are made as to the level of provisioning required.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2017 (Contd.)

Impairment of trade and other receivables

Management regularly undertakes a review of the amounts of loans and receivables owed to the Entity either from third parties, (see note 8 and 10) or from related parties (see note 11) and assesses the likelihood of non-recovery. Such assessment is based upon the age of the debts, historic recovery rates and assessed creditworthiness of the debtor. Based on the assessment assumptions are made as to the level of provisioning required.

Impairment

Assessments of net recoverable amounts of property, plant and equipment and all financial assets other than loans and receivables (see above) are based on assumptions regarding future cash flows expected to be received from the related assets.

Staff end-of-service gratuity

The Entity computes the provision for the liability to staff end-of-service gratuity stated at AED 1,861,125 (previous year AED 1,678,274), assuming that all employees were to leave as of the reporting date. The management is of the opinion that no significant difference would have arisen had the liability been calculated on an actuarial basis as salary inflation and discount rates are likely to have approximately equal and opposite effects.

6. PROPERTY, PLANT AND EQUIPMENT

	Capital work-in-progress AED	Leasehold land and buildings AED	Furniture, fixtures and office equipment AED	Motor vehicles AED	Total AED
Cost					
At 1 April 2015	8,226,126	12,265,027	4,046,517	271,565	24,809,235

	15,752,482	*26,311,859*
Goods-in-transit	**1,078,704**	*–*
	16,831,186	*26,311,859*

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2017 (Contd.)

		31.3.2017 AED	31.3.2016 AED
10. TRADE AND OTHER RECEIVABLES			
Trade receivables		**62,301,424**	*94,356,237*
Less: Provision for impairment of trade receivables		**(5,787,819)**	*(2,524,543)*
	(A)	**56,513,605**	*91,831,694*
Retention receivables		**61,901,923**	*59,366,747*
Less: Provision for impairment of retentions		**(6,589,385)**	*(1,306,714)*
	(B)	**55,312,538**	*58,060,033*
	(A+B)	**111,826,143**	*149,891,727*
Advances		**1,265,270**	*660,458*
Prepayments		**372,354**	*774,303*
Amount due from a customer		**29,961,354**	*4,484,855*
Deposits and other receivables		**590,797**	*1,341,990*
		144,015,918	*157,153,333*

A reconciliation of the movements in the provision for impairment of trade receivables and retention receivable account are as follows:

	31.3.2017 AED	31.3.2016 AED
Opening balance	**3,831,257**	*1,885,112*
Less: Provision reversed	**(167,766)**	–
Less: Bad debts written off	**(1,079,206)**	–
Provision made during the year	**9,792,919**	*1,946,145*
Closing balance	**12,377,204**	*3,831,257*

An age analysis of trade receivables and retention receivable that are past due but not impaired is as follows:

0 to 3 months	**4,323,933**	*19,491,490*
3 to 6 months	**7,326,945**	*10,335,881*
Over 6 months	**19,667,404**	*17,560,970*

An analysis of trade receivables and retention receivable considered to be impaired due to non-recovery or perceived difficulty in recovery is as follows:

Gross value	**12,377,204**	*4,204,217*
Provision	**(12,377,204)**	*(3,831,257)*
Carrying value	**–**	*372,960*
Trade receivables and retention receivable not past due and not impaired	**80,507,861**	*102,130,426*

Note:

Trade receivables with a carrying amount of AED 7,036,865 are secured against letters of credit.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2017 (Contd.)

11. RELATED PARTIES

The Entity enters into transactions with entities that fall within the definition of a related party as contained in International Accounting Standard 24. The management considers such transactions to be in the normal course of business and at prices determined by the management.

Related parties comprise the parent company, ultimate parent company, entities under common ownership and/or common management control.

	Shareholder	**Companies under common ownership**	**31.3.2017**	*31.3.2016*
	AED	**AED**	**AED**	*AED*
Trade and other receivables	–	33,614,858	**33,614,858**	
	–	31,873,070		*31,873,070*
Trade and other payables	–	8,003,731	**8,003,731**	
	–	17,658,073		*17,658,073*
Amount due from a related party	–	742,394	**742,394**	
	–	742,394		*742,394*
Amount due to a related party	–	65,942	**65,942**	
	–	2,753,819		*2,753,819*
Loan account	2,672,500	–	**2,672,500**	
	5,426,489	–		*5,426,489*

All balances are unsecured and are expected to be settled in cash.

Significant transactions with related parties during the period were as follows:

	Shareholder	**Companies under common ownership**	**1.4.2016 to 31.3.2017**	*1.4.2015 to 31.3.2016*
	AED	**AED**	**AED**	*AED*
Sales	–	51,924,636	**51,924,636**

Closing balance	**4,190,254**	*3,847,001*

18. MANAGEMENT OF CAPITAL

The Entity's objectives when managing capital are to ensure that the Entity continues as a going concern and to provide the shareholder with a rate of return on investment commensurate with the level of risk assumed.

Capital, which is unchanged from the previous year, comprises equity funds as presented in the statement of financial position together with the shareholder's loan. Debt comprises total amounts owing to third parties, net of cash and cash equivalents.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2017 (Contd.)

The Entity is subject to externally imposed capital requirements as per provisions of the bank facilities availed. The Entity has complied with all the capital requirements to which it is subject to. Funds generated from internal accruals are retained in the business, to limit bank borrowings within covenants and according to the business requirements and maintain capital at desired levels.

	121,185,911	*153,702,104*	**117,837,931**	*128,249,018*

Management of risk

The management conducts and operates the business in a prudent manner, taking into account the significant risks to which the business is or could be exposed.

The primary risks to which the business is exposed, which are unchanged from the previous year, comprise credit risks, liquidity risks and market risks (including currency risks, cash flow interest rate risks and fair value interest rate risks).

Credit risk is managed by assessing the creditworthiness of potential customers and the potential for exposure to the market in which they operate, combined with regular monitoring and follow-up. As part of the Entity's credit risk management, where it is considered necessary, such receivables are covered by letters of credit in favour of the Entity, issued by high credit quality financial institutions.

Management continuously monitors its cash flows to determine its cash requirements and makes comparison with its funded and un-funded facilities with banks in order to manage exposure to liquidity risk.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2017 (Contd.)

The Entity buys and sells goods and services in foreign currencies. Exposure is minimised where possible by denominating such transactions in US dollars to which the UAE Dirhams is pegged.

Borrowing facilities are regularly reviewed to ensure that the Entity obtains the best available pricing, terms and conditions on it borrowings.

Exposures to the aforementioned risks are detailed below:

Credit risk

Financial assets that potentially expose the Entity to concentrations of credit risk comprise principally bank accounts and trade and other receivables.

The Entity's bank accounts are placed with high credit quality financial institutions.

Trade and other receivables are stated net of the allowance for doubtful recoveries. At the reporting date, the Entity's maximum exposure to credit risk from such receivables situated outside the UAE is as follows:

	31.3.2017 AED	*31.3.2016 AED*
United Kingdom	**17,371**	*705,764*
Kingdom of Saudi Arabia	**11,657,236**	*11,419,764*
Kuwait	**8,531,843**	*6,399,111*
Oman	**32,693,668**	*27,145,870*
Qatar	**7,317,368**	*13,773,923*
South Korea	**12,977,869**	*26,203,015*
Turkey	**7,636,976**	*13,136,939*

Significant concentrations of credit risk by industry are as follows:

	31.3.2017 AED	*31.3.2016 AED*
Contracting	**41%**	*56%*
Oil & gas	**49%**	*31%*

Currency risk

There are no significant currency risks as substantially all financial assets and financial liabilities are denominated in UAE Dirhams or US Dollars to which the Dirham is fixed except for the following:

	31.3.2017 AED	*31.3.2016 AED*
Trade payables		
– Euro	**6,321,415**	*5,561,329*
– Pound Sterling	**1,125,944**	*1,337,980*
– Qatari Riyal	**1,163,411**	*2,542,752*
– Omani Rial	**4,518,439**	*6,303,316*
– Saudi Arabian Rial	**1,992,881**	*4,503,281*

Reasonably possible changes to exchange rates at the reporting date are unlikely to have had a significant impact on profit or equity.

Interest rate risk

The bank loan and overdraft are subject to floating interest rates at levels generally obtained in the UAE and therefore exposed to cash flow interest rate risk.

Reasonably possible changes to interest rates at the reporting date are unlikely to have had a significant impact on profit or equity.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2017 (Contd.)

Fair values

The fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair values of the Entity's financial assets and financial liabilities which are required to be stated at cost or at amortised cost approximate to their carrying values.

27. OPERATING LEASE COMMITMENTS

The Entity has entered into non-cancellable operating leases for 15 years. The total of the future lease payments is as follows:

	31.3.2017 AED	*31.3.2016 AED*
Not later than one year	**562,450**	*562,450*
Between one and five years	**2,249,800**	*2,249,800*
Later than five years	**8,436,750**	*562,450*

	31.3.2017 AED	*31.3.2016 AED*
28. CONTINGENT LIABILITIES		
Bankers' letters of guarantee	**7,0328,979**	*46,556,411*
Unutilized balances of commercial letters of credit	**8,772,690**	*7,523,381*

STRATEGIC REPORT FOR THE YEAR ENDED MARCH 31, 2017

Servowatch is marine automation company based in Maldon Essex UK. Acquired by L&T in April 2012, it currently has 43 personnel working within the business.

Review of business

Servowatch is recognized as a world leading system integrator for Modern naval platforms, Super Yacht installations and Commercial marine operators. Unique software design allows integration of third party software into a common operator platform environment." Task Orientation" for specific user profiles with portability from station to station creates a highly redundant multifunctional operating environment. Typical applications include machinery, navigation, radar, electronic charting, internal and external communications, tactical sensors, auxiliary ship systems, camera networks, mission logging and playback functionality. The highly trained and professional teams at Servowatch are able to offer an extensive range of services.

Servowatch - Product Range

- ServoFusion- Bespoke systems
- ServoCore- Commercial off the shelf systems
- ServoSecurity- Marine security system

Servowatch partners with leading manufacturers of hardware and software to allow flexibility in meeting project requirements, and providing full through life product support capability.

Performance

- Continued growth in Order. Received major new contract from HHI, received repeat orders from UK MOD, Royal Thai Navy,
- RFA Mars Ship 1 (Tidespring) and Ship2 (Tiderace) completed in FY17
- The company successfully launched its product Winmon9

Trends and factors

- Naval Market set to increase
- Offshore market slowing due to oil price
- Impact of Brexit on competitiveness of our offering

Principal risks and uncertainties

- Oil Price volatility continuing causing reduced CAPEX investment in Marine Industry
- Chinese slowdown in economy resulting in Reduction in shipping requirement.
- Slow legislation implementation from IMO on ballast water regulations, limiting the company's ability to capitalize on ballast water control system sales.
- Due to above resulting in challenges in marine business environment and potentially limiting future order capture. To counter this, the company have renewed focus on naval markets.

Future development - technology

- Standardization of Bespoke software for use across all Marine Sectors with only limited configuration requirements
- Further work on Marine Remote access and Condition Monitor on Capital Equipment

On behalf of the board:

W Ross - Director

3rd May 2017

REPORT OF THE DIRECTORS FOR THE YEAR ENDED MARCH 31, 2017

The directors present their report with the financial statements of the company for the year ended 31st March 2017.

PRINCIPAL ACTIVITY

The principal activity of the company in the year under review was that of supply of control and instrumentation systems for the marine, power and generation industries.

DIVIDENDS

No dividends will be distributed for the year ended 31st March 2017.

DIRECTORS

The directors shown below have held office during the whole of the period from 1st April 2016 to the date of this report.

S C Bhargava

W Ross

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Strategic report, the Report of the directors and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the company's auditors are unaware, and each director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

AUDITORS

The auditors, Cooper Paul, will be proposed for re-appointment at the forthcoming Annual General Meeting.

On behalf of the board:

W Ross - Director

3rd May 2017

REPORT OF THE INDEPENDENT AUDITORS

TO THE MEMBERS OF SERVOWATCH SYSTEMS LIMITED

We have audited the financial statements of Servowatch Systems Limited for the year ended 31st March 2017 on pages 201 to 212. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in a Report of the auditors and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

RESPECTIVE RESPONSIBILITIES OF DIRECTORS AND AUDITORS

As explained more fully in the Statement of directors' responsibilities set out on page 199, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

SCOPE OF THE AUDIT OF THE FINANCIAL STATEMENTS

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Strategic report and the Report of the directors to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

OPINION ON FINANCIAL STATEMENTS

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31st March 2017 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

OPINION ON OTHER MATTER PRESCRIBED BY THE COMPANIES ACT 2006

In our opinion the information given in the Strategic report and the Report of the directors for the financial year for which the financial statements are prepared is consistent with the financial statements.

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Cash and cash equivalents	**556**	*310*
Bank overdrafts	**(1,983,752)**	*(2,152,594)*
	(1,983,196)	*(2,152,284)*

The notes form part of these financial statements

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

1. STATUTORY INFORMATION

Servowatch Systems Limited is a private company, limited by shares, registered in England and Wales. The company's registered number is 02159287 (England and Wales) and registered office address is Endeavour House, Holloway Road, Maldon, Essex, CM9 4ER.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Turnover

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

Development expenditure

Development expenditure is written off in the same year unless the directors are satisfied as to the technical, commercial and financial viability of individual projects. In this situation the expenditure is deferred and amortised over the period from which the company is expected to benefit.

Amortisation on development expenditure is amortised over 5 or 10 years depending on the project life.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery - 20% on cost

Fixtures and fittings - 20% on cost

Computer equipment - at varying rates on cost

Stocks

Stocks and work in progress are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Cost is calculated using the first-in, first-out method and includes all purchase, transport, and handling costs in bringing stocks to their present location and condition.

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the statement of financial position date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to profit or loss in the period to which they relate.

Going concern

The company is a member of the Larsen & Toubro Group of companies. The working capital requirement is currently reliant upon an overdraft facility provided by the company's bankers which is guaranteed by the company's immediate parent company L&T International FZE. Based upon the group's current order book and profit forecasts the directors are satisfied that with the continued support of its holding company the group will return to profit. The directors are therefore satisfied that the preparation of the accounts on a going concern basis remains appropriate.

Revenue recognition

In respect of long term contracts for on-going services, turnover represents the value of work done in the year, including estimates of amounts not invoiced. Turnover in respect of long-term contracts and contracts for on-going services is recognised by reference to the stage of completion.

Revenue from rendering services is measured by reference to the stage of completion of the service transaction at the end of the reporting period provided that the outcome can be reasonably estimated. When the outcome cannot be reasonably estimated, revenue is recognised only to the extent that expenses are recoverable.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017 (Contd.)

3. EMPLOYEES AND DIRECTORS

	2017	2016
	£	£

DIRECTORS' DECLARATION

The Directors have determined that the entity is a reporting entity and that this general purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In accordance with a Resolution of the Directors of Tamco Electrical Industries Australia Pty Ltd, we state that:

In the opinion of the Directors;

(a) The financial statements and notes to the financial statements are in accordance with the Corporations Act 2001, including;

   (i) Give a true and fair view of the Company's financial position as at 31 March 2017 and of their performance for the year ended on that date; and

   (ii) Comply with Accounting Standards and Corporations Regulation 2001; and

(b) There are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

Signed in accordance with a resolution of the Board of Directors.

The Board of Directors
TAMCO ELECTRICAL INDUSTRIES AUSTRALIA PTY LTD

Dear Board Members
TAMCO ELECTRICAL INDUSTRIES AUSTRALIA PTY LTD

In accordance with section 307C of the Corporations Act 2001, I am pleased to provide the following declaration of independence to the Directors of Tamco Electrical Industries Australia Pty Ltd.

As the audit partner for the audit of the financial statements of Tamco Electrical Industries Australia Pty Ltd for the financial year ended 31 March 2017, I declare to the best of my knowledge and belief that there have been no contraventions of :

(i) the auditor independence requirements of the Corporations Act 2001 in relation to the audit; and

(ii) any applicable code of professional conduct in relation to the audit.

Yours sincerely.

INDEPENDENT AUDIT REPORT

To the members of
Tamco Electrical Industries Australia Pty Ltd

SCOPE

The general purpose financial report and Directors' responsibility

The general purpose financial report comprises the statement of financial position, statement of financial performance, statement of cash flows, accompanying notes to the financial statements, and the Directors' declaration for Tamco Electrical Industries Australia Pty Ltd for the year ended 31 March 2017.

The Directors of the Company are responsible for preparing a financial report that gives a true and fair view of the financial position and performance of the Company, and that complies with Accounting Standards in Australia, in accordance with the Corporations Act 2001. This includes responsible for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report.

AUDIT APPROACH

We conducted an independent audit of the financial report in order to express an opinion on it to the members of the Company. Our audit was conducted in accordance with Australian Auditing Standards in order to provide reasonable assurance as to whether the financial report is free of material misstatement. The nature of an audit is influenced by factors such as the use of professional judgement, selective testing, the inherent limitations of internal control, and the availability of persuasive rather than conclusive evidence. Therefore an audit cannot guarantee position and of its performance as represented by the results of its operations and cash flows.

We formed our audit opinion on the basis of these procedures, which included;

- examining on a test basis, information to provide evidence supporting the amounts and disclosures in the financial report, and
- assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimates made by the Directors.

While we considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, our audit was not designed to provide assurance on internal controls.

We performed procedures to assess whether the substance of business transactions was accurately reflected in the financial report. These and our other procedures did not include consideration or judgement of the appropriateness or reasonableness of the business plans or strategies adopted by the directors and management of the Company.

INDEPENDENCE

We are independent of the Company, and have met the independence requirements of Australian professional ethical pronouncements and the Corporations Act 2001. In addition to our audit of the financial report, we were engaged to undertake the services disclosed in the notes to the financial statements. The provision of these services has not impaired our independence.

AUDIT OPINION

In our opinion, the general purpose financial report of Tamco Electrical Industries Australia Pty Ltd is in accordance with:

a) the Corporations Act 2001, including;

  (i) giving a true and fair view of the financial position of Tamco Electrical Industries Australia Pty Ltd at 31 March 2017 and of their performance for the year ended on that date; and

  (ii) complying with Accounting Standards in Australia and the Corporations Regulations 2001; and

b) other mandatory financial reporting requirements in Australia.

NOTES TO THE FINANCIAL STATEMENTS YEAR ENDED 31 MARCH 2017

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting preparation and going concern basis

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards (including Australian Accounting Interpretation) of the Australian Accounting Standards Board and the Corporations Act 2001.

Tamco Electrical Industries Australia Pty Ltd is a company limited by shares, incorporated and domiciled in Australia.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Compliance with Australian Accounting Standards ensures that the financial statements and notes also comply with International Financial Reporting Standards. Material accounting policies adopted in the preparation of the financial statements are presented below and have been consistently applied unless otherwise stated.

The financial statements have been prepared on an accruals basis and are based on historical costs, modified, where applicable by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

This financial report has been prepared on a going concern basis.

Foreign currencies

Translation of foreign currency transactions

Transactions in foreign currencies of the Company are converted to local currency at the rate of exchange ruling at the date of the transaction. Amounts payable to and by the Company that are outstanding at the balance date and are denominated in foreign currencies have been converted to local currency using rates of exchange ruling at the end of the financial year. All resulting exchange differences arising on settlement or re-statement are brought to account in determining the profit or loss for the financial year.

Cash and cash equivalents

For the purpose of the Statement of Cash Flows, cash includes cash on hand and in banks, net of outstanding bank overdrafts.

Bank overdrafts are carried at the principal amount. Interest is charged as an expense as it accrues.

Trade and other receivables

Trade receivables are recognised and carried at original invoice amount less provision for any uncollectible debts. An estimate for doubtful debts is made when collection of the full amount is no longer probable. Bad debts are written-off as incurred.

Receivables from related parties are recognised and carried at the nominal amount due.

Inventories

Inventories are valued at the lower of average of cost or net realisable value.

Costs incurred in bringing each product to its present location and condition is accounted for as follows:

- Raw materials-purchase cost on an average basis; and
- Finished goods and work-in-progress cost of direct material and labour and a proportion of manufacturing overheads based on normal operating capacity.

Provision

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Group will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting year, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (where the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Recoverable Amount

Non-current assets are not carried at an amount above their recoverable amount, and where carrying values exceed this, recoverable amount assets are written down. In determining recoverable amount, the expected net cash flows have been discounted to their present value using a market determined risk adjusted discount rate.

Property, plant and equipment

Cost and valuation

All classes of property, plant and equipment are measured at cost.

NOTES TO THE FINANCIAL STATEMENTS YEAR ENDED 31 MARCH 2017 (Contd..)

Depreciation

Depreciation is provided on a straight-line basis on all property, plant and equipment over its expected useful life.

Major depreciation years are:	**31 March 2017**	*31 March 2016*
Leasehold improvements:	**3 years**	*3 years*
Motor Vehicles:	**5 years**	*5 years*
Plant and equipment:	**13.3 years**	*13.3 years*

Other non-current assets

Payables

Liabilities for trade payables and other accounts payable are recognised when the economic entity becomes obliged to make future payments resulting from the purchase of goods and services. Payables to related parties are carried at nominal amounts. Interest, when charged by the lender, is recognised as an expense on an accrual basis.

Contributed Equity

Ordinary share capital is recognised at the fair value of the consideration received by the Company.

Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the entity and the revenue can be reliably measured. The following specific criteria must be met before revenue is recognised:

Sale of goods

Revenue from the sale of goods is recognised when the substantial risks and rewards of ownership are transferred to the buyer under the terms of the contract.

Rendering of Services

Where the contract outcome can be reliably measured, control of the right to be compensated for the services and the stage of completion can be reliably measured. Stage of completion is measured by reference to the costs incurred to date as a percentage of total estimated costs for each contract.

Interest

Control of a right to receive consideration for the provision of, or investment is, assets have been retained.

Employee benefits

Provision is made for employee entitlement benefits accumulated as a result of employees rendering services up to the reporting date. These benefits include wages and salaries, accrued days off, annual leave and long service leave.

Liabilities arising in respect of wages and salaries, accrued days off, annual leave and any other employee entitlements expected to be settled within twelve months of the reporting date are measured at their nominal amounts. All other employee entitlement liabilities are measured at the present value of the estimated future cash outflow to be made in respect of services provided by employees up to the reporting date. In determining the present value of future cash outflows, the interest rates attaching to government guaranteed securities that have terms to maturity approximating the terms of the related liability are used.

Employee entitlements expenses and revenues arise in respect of the following categories:

- wages and salaries, non-monetary benefits, annual leave, long service leave and other leave entitlements; and
- other types of employee entitlements are charged against profits on a net basis in their respective categories.

Taxes

Income taxes

Tax-effect accounting is applied using the liability method whereby income tax is regarded as an expense and is calculated on the accounting profit after allowing for permanent differences. To the extent timing differences occur between the time items are recognised in the financial statements and when items are taken into account in determining taxable income, the net related taxation benefit or liability, calculated at current rates, is disclosed as a future income tax benefit or a provision for deferred income tax. The net future income tax benefit relating to tax losses and timing differences is not carried forward as an asset unless the benefit is virtually certain of being realised.

4. INCOME TAX

The cumulative tax losses carried forward as at 31 December 2017 amounted to $14,187,636.

Deferred tax assets are not recognised for the above temporary differences as it is not probable that future taxable profit will be available against which the deductible temporary differences and unused tax losses can be utilised by the Company as the future profit streams are unpredictable. However, the unused tax losses may be carried forward indefinitely.

19. RELATED PARTY DISCLOSURES

(a) The Directors of the Company during the financial year were:

Mr. Sharat Chandra Bhargava

Mr. Umesh Subbarao Bharadwaj

Mr. Graham Pearce Taylor

All directors were in office from the beginning of the financial year until the date of this report, unless otherwise stated.

(b) Parent entity

Larsen & Toubro International FZE, a company incorporated in Hamriyah Free Zone, Sharjah, United Arab Emirates is the parent entity on that date.

(c) Related party balances

Amounts receivable and payable from and to entities in the wholly owned group have been disclosed in Note 6 and Note 9.

(d) Other related party transactions occurred during the financial year:

	Company	
	31 March 2017	*31 March 2016*
Tamco Switchgear (Malaysia) Sdn Bhd. – a related entity		
- Sales	**–**	*107,156*
- Purchases	**2,410,496**	*237,515*

20. FINANCIAL INSTRUMENTS

(a) Net fair values

The carrying amount of financial assets and financial liabilities recorded in the financial statements represent their respective net fair values. The net fair value of financial assets and financial liabilities with standard terms and conditions and traded on active liquid markets are determined with reference to quoted market prices.

(b) Credit risk exposure

Concentrations of credit risk

Credit risk refers to the risk that counterparty will default on its contractual obligations resulting in financial loss to the economic entity. The economic entity has adopted the policy of only dealing with creditworthy counterparts and obtaining sufficient information where appropriate, as a means of mitigating the risk of financial losses from defaults. The directors believe all monies invoiced other than those that have been provided for will be recovered.

(c) Interest rate risk

The entity's exposure to the interest rate risks and the effective interest rates of financial assets and financial liabilities, both recognised and unrecognised at the balance date, are as follows:

Financial Instruments	Floating interest rate		Fixed interest rate		Non–interest bearing		Total carrying amount as per the Statement of Financial Position		Weighted average effective interest rate	
	31 March 2017	*31 March 2016*	**31 March 2017**	*31 March 2016*	**31 March 2017**	*31 March 2016*	**31 March 2017**	*31 March 2016*	**31 March 2017**	*31 March 2016*

GROUP STRATEGIC REPORT FOR THE YEAR ENDED MARCH 31, 2017

The directors present their strategic report of the company and the group for the year ended 31st March 2017.

Servowatch is marine automation company based in Maldon Essex UK. Acquired by L&T in April 2012, it currently has 43 personnel working within the business.

Review of business

Servowatch is recognized as a world leading system integrator for Modern naval platforms, Super Yacht installations and Commercial marine operators. Unique software design allows integration of third party software into a common operator platform environment." Task Orientation" for specific user profiles with portability from station to station creates a highly redundant multifunctional operating environment. Typical applications include machinery, navigation, radar, electronic charting, internal and external communications, tactical sensors, auxiliary ship systems, camera networks, mission logging and playback functionality. The highly trained and professional teams at Servowatch are able to offer an extensive range of services.

Servowatch - Product Range

- ServoFusion- Bespoke systems
- ServoCore- Commercial off the shelf systems
- ServoSecurity- Marine security system

Servowatch partners with leading manufacturers of hardware and software to allow flexibility in meeting project requirements, and providing full through life product support capability.

Performance

- Continued growth in Order. Received major new contract from HHI, received repeat orders from UK MOD, Royal Thai Navy,
- RFA Mars Ship 1 (Tidespring) and Ship2 (Tiderace) completed in FY17
- The company successfully launched its product Winmon9

Trends and factors

- Naval Market set to increase
- Offshore market slowing due to oil price
- Impact of Brexit on competitiveness of our offering

Principal risks and uncertainties

- Oil Price volatility continuing causing reduced CAPEX investment in Marine Industry
- Chinese slowdown in economy resulting in Reduction in shipping requirement.
- Slow legislation implementation from IMO on ballast water regulations, limiting the company's ability to capitalize on ballast water control system sales.
- Due to above resulting in challenges in marine business environment and potentially limiting future order capture. To counter this, the company have renewed focus on naval markets.

Future development - technology

- Standardization of Bespoke software for use across all Marine Sectors with only limited configuration requirements
- Further work on Marine Remote access and Condition Monitor on Capital Equipment

On behalf of the board:

W Ross - Director

3rd May 2017

REPORT OF THE DIRECTORS FOR THE YEAR ENDED MARCH 31, 2017

The directors present their report with the financial statements of the company and the group for the year ended 31st March 2017.

DIVIDENDS

No dividends will be distributed for the year ended 31st March 2017.

DIRECTORS

The directors shown below have held office during the whole of the period from 1st April 2016 to the date of this report.

S C Bhargava

W Ross

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Group strategic report, the Report of the directors and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and the group and of the profit or loss of the group for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's and the group's transactions and disclose with reasonable accuracy at any time the financial position of the company and the group and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and the group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the group's auditors are unaware, and each director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the group's auditors are aware of that information.

AUDITORS

The auditors, Cooper Paul, will be proposed for re-appointment at the forthcoming Annual General Meeting.

On behalf of the board:

W Ross - Director

3rd May 2017

REPORT OF THE INDEPENDENT AUDITORS

TO THE MEMBERS OF THALEST LIMITED

We have audited the financial statements of **Thalest Limited** for the year ended 31st March 2017 on pages 231 to 246. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in a Report of the auditors and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the Statement of directors' responsibilities set out on page 229, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the group's and the parent company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Group strategic report and the Report of the directors to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the group's and of the parent company's affairs as at 31st March 2017 and of the group's loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Group strategic report and the Report of the directors for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the parent company, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent company financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

	(1,983,196)	*(2,152,284)*

The notes form part of these financial statements.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

1. STATUTORY INFORMATION

Thalest Limited is a private company, limited by shares, registered in England and Wales. The company's registered number is 01201246 (England and Wales) and registered office address is Endeavour House, Holloway Road, Heybridge, Maldon, Essex, CM9 4ER.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Turnover

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

Intangible assets

Intangible assets are initially measured at cost. After initial recognition, intangible assets are measured at cost less any accumulated amortisation and any accumulated impairment losses.

Development costs are being amortised evenly over their estimated useful life of nil years.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery - 20% on cost

Fixtures and fittings - 20% on cost

Computer equipment - at varying rates on cost

Stocks

Stocks and work in progress are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Cost is calculated using the first-in, first-out method and includes all purchase, transport, and handling costs in bringing stocks to their present location and condition.

Pension costs and other post-retirement benefits

The group operates a defined contribution pension scheme. Contributions payable to the group's pension scheme are charged to profit or loss in the period to which they relate.

Going concern

The company is a member of the Larsen & Toubro Group of companies. The working capital requirement is currently reliant upon an overdraft facility provided by the company's bankers which is guaranteed by the company's immediate parent company L&T International FZE. Based upon the group's current order book and profit forecasts the directors are satisfied that with the continued support of its holding company the group will return to profit. The directors are therefore satisfied that the preparation of the accounts on a going concern basis remains appropriate.

Revenue recognition

In respect of long term contracts for on-going services, turnover represents the value of work done in the year, including estimates of amounts not invoiced. Turnover in respect of long-term contracts and contracts for on-going services is recognised by reference to the stage of completion.

Revenue from rendering services is measured by reference to the stage of completion of the service transaction at the end of the reporting period provided that the outcome can be reasonably estimated. When the outcome cannot be reasonably estimated, revenue is recognised only to the extent that expenses are recoverable.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017 (Contd.)

3. EMPLOYEES AND DIRECTORS

	2017	2016
	£	£
Wages and salaries	2,125,306	2,320,070
Other pension costs	7,917	7,892
	2,133,223	2,327,962

15. DECLARATION OF INDEPENDENCE:

The Company has received a Declaration of Independence as stipulated under Section 149(7) of the Companies Act, 2013 from the Independent Directors confirming that they are not disqualified from continuing as Independent Directors.

16. DIRECTORS RESPONSIBILITY STATEMENT:

The Board of Directors of the Company confirms:

a) In the preparation of Annual Accounts, the applicable accounting standards have been followed along with proper explanation relating to material departures;

b) The Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit or loss of the Company for that period;

c) The Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

d) The Directors have prepared the Annual Accounts on a going concern basis;

e) The Directors have laid down an adequate system of internal financial control with respect to reporting on financial statements and the said system is operating effectively and

f) The Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and were operating effectively.

17. INTERNAL FINANCIAL CONTROLS (IFC):

The Company has in place adequate internal financial controls with reference to financial statements. The Board is of the opinion that the Company has sound IFC commensurate with the nature and size of the business operations. The Company has in place the process to continuously monitor the same and identify gaps, if any, and implement new and/or improved controls wherever the effect of such gaps would have a material effect on the Company's operations.

During the year, such controls were tested and no reportable material weaknesses were observed.

18. PERFORMANCE EVALUATION OF THE BOARD, ITS COMMITTEES AND DIRECTORS:

The Nomination and Remuneration Committee has laid down the manner in which the evaluation of the Board, its Committees and the Individual Directors will be carried out. It includes circulation of questionnaires to all the Directors for evaluation of the Board, its committees and individual directors. The Chairman of the Nomination and Remuneration Committee analyzes the individual directors' responses on the questionnaires to arrive at unbiased conclusions.

During the year under review, the Company has completed the performance evaluation of the Board, its Committee(s) and Directors and the summary of the evaluation shall be shared with the members of the Nomination and Remuneration Committee and the Board.

19. MEETING OF THE INDEPENDENT DIRECTOR'S:

The Meeting of the Independent Director's was held on 6th May, 2017, without the presence of Non- Executive Directors. They reviewed the summary of the performance evaluation of the Board, its Committee(s) and Directors. They further accessed the quality, quantity and timeliness of the flow of information between management and the Board.

20. COMPLIANCE WITH SECRETARIAL STANDARDS ON BOARD AND ANNUAL GENERAL MEETINGS:

The Company has complied with Secretarial Standards issued by the Institute of Company Secretaries of India on Board Meetings and Annual General Meetings.

21. PROTECTION OF WOMEN AT WORKPLACE:

The parent company Larsen & Toubro Limited (L&T) has formulated a policy on 'Protection of Women's Rights at Workplace' which is applicable to all group companies. This has been widely disseminated. There were no cases of sexual harassment received in the Company during the financial year 2016-17.

22. AUDIT REPORT:

The Auditors report to the shareholders does not contain any qualification, observation or adverse comment.

23. SECRETARIAL AUDIT REPORT:

The Secretarial Auditors' report to the shareholders does not contain any qualification.

The Secretarial Audit Report issued by M/s. Naina Desai, Practicing Company Secretary is attached as Annexure-3 to this Report.

24. AUDITORS:

The Auditors, M/s. Sharp & Tannan, hold office until the conclusion of the ensuing Annual General Meeting. Certificate from the Auditors has been received to the effect that they are eligible to act as auditors of the Company under Section 141 of the Companies Act, 2013. The Board recommends the appointment of M/s. Sharp & Tannan as Auditors of the Company from the conclusion of the ensuing AGM until the conclusion of the next AGM.

25. COST AUDITORS:

Pursuant to the provisions of Section 148 of the Companies Act, 2013 and Rule 3 and 4 of the Companies (Cost Records and Audit) Amendment Rules, 2014 the Board of Directors had appointed M/s R. Nanabhoy & Co, Cost Accountants as Cost Auditors of the Company for audit of cost accounting records for the financial year ended March 31, 2018 at a remuneration of ₹ 70,000. The appointment shall be intimated to the Central Government.

The Report of the Cost Auditors for the financial year ended March 31, 2017 is under finalization and will be filed with the MCA within the prescribed period.

A proposal for ratification of remuneration of the Cost Auditor is placed before the shareholders.

26. EXTRACT OF ANNUAL RETURN:

As per provision of Section 92(3) of the Companies Act, 2013, an extract of the Annual Return is attached as Annexure -4 to this report.

27. DETAILS OF SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS OR COURTS OR TRIBUNALS:

During the year under review, there were no material and significant orders passed by the regulators or courts or tribunals impacting the going concern status and the Company's operations in future.

28. OTHER DISCLOSURES:

- No disclosure is required under Section 67(3)(c) of the Companies Act, 2013, in respect of voting rights not exercised directly by the employees of the Company as the provisions of the said Section are not applicable.
- Reporting of Frauds: The Auditors of the Company have not reported any fraud as specified under Section 143(12) of the Companies Act, 2013.

29. ACKNOWLEDGEMENT:

Your Directors take this opportunity to thank the customers, supply chain partners, employees, Financial Institutions, Banks, Central and State Government authorities, Regulatory authorities, Stock Exchanges and all the various stakeholders for their continued co-operation and support to the Company. Your Directors also wish to record their appreciation for the continued co-operation and support received from the Associates.

ANNEXURE 3

FORM NO. MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED MARCH 31, 2017

[Pursuant to Section 204(1) of the Companies Act, 2013 and rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,

L&T SEAWOODS LIMITED

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **L&T Seawoods Limited** (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on March 31, 2017, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2017 according to the provisions of:

(i) The Companies Act, 2013 (the Act) and the rules made thereunder;

(ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;

(iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;

(iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;

(v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'), **as applicable**:-

  a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

  b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992, **presently, (Prohibition of Insider Trading) Regulations, 2015;**

  c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;

  d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999; **presently (Share Based Employee Benefits) Regulations, 2014;**

  e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;

  f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;

  g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and

  h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;

(vi) Other specific business/industry related laws that are applicable to the Company, **viz. -**

- **The Building & Other Construction Workers (Regulation of Employment & Conditions of Service);**
- **Maharashtra Ownership Flats (Regulation of the Promotion of Construction, Sale, Management and Transfer) Act, 1963.**

I have also examined compliance with the applicable clauses of the following:

i. Secretarial Standards issued by The Institute of Company Secretaries of India.

i. **The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015** and the Listing Agreements entered into by the Company with Stock Exchange(s), if applicable. **The Unsecured Redeemable Non-Convertible Debentures listed on National Stock Exchange Limited on May 2, 2016 have been redeemed on March 29, 2017.**

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors or Committees thereof that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

I further report that, in my opinion, there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period the company, the **following** events / actions have taken place having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc., like -

(i) Public/Right/Preferential issue of shares / debentures/sweat equity, etc.-

- **Issue of 2500 9% Unsecured, Redeemable, Non-Convertible Debentures of ₹ 1,00,000 each on April 20, 2016.**

INDEPENDENT AUDITOR'S REPORT

To the members of L&T Seawoods Limited

Report on the standalone Ind AS financial statements

We have audited the accompanying standalone Ind AS financial statements of **L&T Seawoods Limited** ('the Company'), which comprise the Balance Sheet as at 31 March 2017, the Statement of Profit and Loss (including other comprehensive income), the Cash Flow Statement and the statement of changes in equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein after referred to as 'the Ind AS financial statements').

Management's responsibility for the Ind AS financial statements

The Company's board of directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of the Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards prescribed under section 133 of the Act read with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on the Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's directors, as well as evaluating the overall presentation of the Ind AS financial statements

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31 March 2017, its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Report on other legal and regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the central government in terms of section 143(11) of the Act, we give in Annexure A a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143(3) of the Act, we report that:
    a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
    b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
    c) the Balance Sheet, the Statement of Profit and Loss, the Cash Flow Statement and statement of changes in equity dealt with by this report are in agreement with the books of account;
    d) In our opinion, the Ind AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014 and Companies (Indian Accounting Standards) Rules, 2015 (as amended);
    e) On the basis of the written representations received from the directors as on 31 March 2017 taken on record by the board of directors, none of the directors is disqualified as on 31 March 2017 from being appointed as a director in terms of section 164(2) of the Act;
    f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure B; and

g) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

i. The Company did not have any pending litigations as disclosed in its Ind AS financial statements- refer note B9 to the Ind AS financial statements;

ii. The Company did not have any long term contracts including derivative contracts, for which there were any material foreseeable losses - refer note B15 to the Ind AS financial statements;

iii. There were no amount which were required to be transferred to the Investor Education and Protection Fund by the Company- refer note B20 to the Ind AS financial statements; and

iv. The Company has provided requisite disclosures in its Ind AS financial statements as to holdings as well as dealings in Specified Bank Notes during the period from 8 November 2016 to 30 December 2016 and are in accordance with the books of accounts maintained by the Company- refer note B16 to the Ind AS financial statements.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

(Referred in paragraph (1) under 'Report on other legal and regulatory requirements' of our report of even date)

1 (a) The Company is maintaining proper records to show full particulars including quantitative details and situation of all fixed assets.

(b) We are informed that the Company has formulated a programme of physical verification of all the fixed assets over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and nature of its assets. Accordingly, the physical verification of the fixed assets has been carried out by management during the year and no material discrepancies were noticed on such verification.

(c) According to the information and explanations given to us and the records of the Company examined by us, immovable property comprising of a building having cost of ₹ 3,18,27,355 and net book value of ₹ 63,01,045 is on land whose development rights are held by Larsen and Toubro Limited.

2 In our opinion and according to the information and explanations given to us, in respect of loans, investments, guarantees and security the provisions of sections 185 and 186 of the Act have been complied with.

3 We have broadly reviewed the books of account and records maintained by the Company pursuant to the rules prescribed by the Central Government for the maintenance of cost records under section 48 (1) of the Companies Act, 2013 in respect of its construction activity and are of the opinion that prima facie the prescribed account and records have been made and maintained. The contents of these accounts and records have not been examined by us.

4 (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing undisputed statutory dues including provident fund, employees state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues as applicable with the appropriate authorities. According to the information and explanations given to us, there were no undisputed amounts payable in respect of provident fund, employees state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, cess and other statutory dues outstanding as at 31 March 2017 for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us and the records of the Company examined by us, the particulars of income-tax, sales-tax, service tax, duty of custom, duty of excise or value added tax as at 31 March 2017 which have not been deposited on account of a dispute pending are Nil.

5 According to the records of the Company examined by us and the information and explanations given to us, the Company has not defaulted in repayment of loans and borrowings to any financial institution, bank, government or debenture holders as at the Balance Sheet date.

6 The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year. In our opinion and according to the information and explanations given to us, the term loans were applied for the purpose for which they were taken.

7 During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instances of material fraud by the Company nor any fraud on the Company by its officer or employees, noticed or reported during the year, nor have we been informed of such case by management.

8 According to the records of the Company examined by us and the information and explanations given to us, managerial remuneration has been provided in accordance with the provisions of section 197 read with schedule V of the Companies Act.

9 According to the records of the Company examined by us and the information and explanations given to us, all transactions with related parties are in compliance with sections 177 and 188 of the Act and the details have been disclosed in the Ind AS financial statements as required by the applicable accounting standards.

10 According to the records of the Company examined by us and information and explanations given to us, the Company has not made private allotment of preference shares during the year under review and accordingly, paragraph 3(xiv) of the Order is not applicable.

11 According to the records of the Company examined by us and the information and explanations given to us, the Company has not entered into any non-cash transactions with directors or persons connected with him.

12 According to the information and explanations given to us, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

13 Clauses 3(ii), 3(iii), 3(v) and 3(xii) of the Order are not applicable to the Company.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2(f) of our report of even date)

Report on the internal financial controls under clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of L&T Seawoods Limited ('the Company') as of 31 March 2017 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of internal financial controls over financial reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

Inherent limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

NOTES FORMING PART OF ACCOUNTS

A. SIGNIFICANT ACCOUNTING POLICIES

1. Statement of compliance

The Company's financial statements have been prepared in accordance with the provisions of the Companies Act, 2013 and the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 issued by Ministry of Corporate Affairs in respect of section 133 read with Section 469 of the Companies Act, 2013.

Upto year ended March 31, 2016, the Company prepared its financial statements in accordance with the requirements of I-GAAP, which includes Standards notified under the Companies (Accounting Standards) Rules, 2006.

These are the Company's first Ind–AS financial Statements. The date of transition to Ind AS is April 1, 2015.

2. Basis of accounting

The Company maintains its accounts on accrual basis following the historical cost convention. The carrying value of all the items of property, plant and equipment as on date of transition is considered as the deemed cost and certain financial instruments that are measured at fair values in accordance with Ind AS. Further, the guidance notes/ announcements issued by the Institute of Chartered Accountants of India (ICAI) are also considered, wherever applicable except to the extent where compliance with other statutory promulgations override the same requiring a different treatment.

Fair value measurements are arrived at by giving highest priority to quoted prices (unadjusted) in active markets for identical assets or liabilities that the company can access at measurement date. If quoted prices in active markets for identical assets and liabilities are not available, fair value measurements are based on a valuation technique that uses only data from observable markets. In the absence of quoted prices or data from observable markets, appropriate inputs which are not observable are used but are accorded lowest priority.

3. Presentation and disclosure of financial statements

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 ("the Act"). The Cash Flow Statement has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified Accounting Standards.

Amounts in the financial statements are presented in Indian Rupees rounded off to the nearest Rupee. Per share data are presented in Indian Rupees to two decimals places.

4. Operating cycle for current and non-current classification

Operating cycle for the business activities of the Company covers the duration of the specific project, wherever applicable and extends up to the realization of receivables (including retention monies) within the agreed credit period.

5. Revenue recognition

i) Revenue from property development

Revenue from property development activity which is in substance similar to delivery of goods is recognized when all significant risks and rewards of ownership in the land and/or building are transferred to the customer and a reasonable expectation of collection of the sale consideration from the customer exists.

Lease premium received on long term (i.e over a substantial portion of the original lease term) sub-lease transactions where substantially all risk and rewards of the original lease are transferred to the sub-lesee is considered as income on commencement of sub-lease and related costs are expensed to Statement of Profit and Loss immediately. In other cases, lease rentals are accrued as income as due.

Revenue from those property development activities which have the same economic substance as construction contract is recognised based on the 'Percentage of Completion method' (POC) when the outcome of a real estate project can be estimated reliably upon fulfilment of the following conditions:

Revenue is recognized under the percentage completion method when the events in (a) to (d) below are completed.

(a) All critical approvals necessary for commencement of the project have been obtained

(b) When the stage of completion of the project reaches a reasonable level of development. A reasonable level of development is not achieved if the expenditure incurred on construction and development costs is less than 25 % of the construction and development costs.

(c) Atleast 25% of the saleable project area is secured by contracts or agreements with buyers.

(d) Atleast 10 % of the total revenue as per the agreements of sale or any other legally enforceable documents are realized at the reporting date in respect of each of the contracts and it is reasonable to expect that the parties to such contracts will comply with the payment terms as defined in the contracts.

The costs incurred on property development activities are carried as "Inventories" till such time the outcome of the project cannot be estimated reliably and all the aforesaid conditions are fulfilled. When the outcome of the project can be ascertained reliably and all the aforesaid conditions are fulfilled, revenue from property development activity is recognized at cost incurred plus proportionate margin, using percentage of completion method. Percentage of completion is determined based on the proportion of actual cost incurred to the total estimated cost of the project.

NOTES FORMING PART OF ACCOUNTS (CONTD.)

Expected loss, if any, on the project is recognized as an expense in the period in which it is foreseen, irrespective of the stage of completion of the contract

ii) Rental income from leased assets is recognised on accrual basis over the lease term.

iii) Other income

a) Interest income is accrued at applicable interest rates.

b) Dividend income is accounted in the period in which the right to receive the same is established.

c) Other items of income are accounted as and when the right to receive arises.

6. Employee benefits

a) Short Term Employee benefits

All employee benefits falling due wholly within twelve months of rendering the services are classified as short term employee benefits. The benefits like salaries, wages, short term compensated absences etc. and the expected cost of bonus, ex-gratia are recognised in the period in which the employee renders the related service.

b) Post-Employment Benefits :

i) Defined Contribution Plans: State governed provident fund scheme linked with Employee Pension Scheme are defined contribution plans. The contribution paid / payable is recognised during the year in which the employee renders the related service.

ii) Defined Benefit Plans

The employees' gratuity fund schemes, post-retirement medical care scheme, pension scheme and provident fund scheme managed by trust are the Company's defined benefit plans. The present value of the obligation under such defined benefit plans is determined based on actuarial valuation using the Projected Unit Credit Method.

The obligation is measured at the present value of the estimated future cash flows. The discount rate used for determining the present value of the obligation under defined benefit plans, is based on the market yield on government securities of a maturity period equivalent to the weighted average maturity profile of the related obligations at the Balance Sheet date.

Re-measurements, comprising actuarial gains and losses, the return on plan assets (excluding net interest) and any change in the effect of asset ceiling (wherever applicable) are recognized immediately in other comprehensive income and reflected in retained earnings and are not reclassified to profit & loss.

In case of funded plans, the fair value of the plan assets is reduced from the gross obligation under the defined benefit plans to recognize the obligation on a net basis.

Gains or losses on the curtailment or settlement of any defined benefit plan are recognized when the curtailment or settlement occurs. Past service cost is recognized as expense at the earlier of the plan amendment or curtailment and when the Company recognizes related restructuring costs or termination benefits.

c) Long Term Employee Benefits

The obligation for long term employee benefits such as long term compensated absences, gratuity, etc. is determined based on actuarial valuation using the Projected Unit Credit Method.

7. Tangible Fixed Assets

Fixed Assets are stated at original cost net of tax / duty credits availed, if any, less accumulated depreciation, accumulated amortization and cumulative impairment.

Administrative and other general overhead expenses that are specifically attributable to construction or acquisition of fixed assets or bringing the fixed assets to working condition are allocated and capitalised as a part of the cost of the tangible assets.

Development rights ("the rights") are shown as part of Investment property. The cost of the rights comprises lease premium, applicable registration costs, borrowing costs and any other cost required to be incurred as a pre-condition to acquire the said rights.

The proportionate cost of the said development rights is re-classified and transferred to Inventory upon determination of future use for the purpose of sale / long-term lease. The balance proportionate cost of the said development rights to the extent identified for buildings owned by the Company and leased out on operating leases will be classified as "Leasehold Land" upon execution of the lease deed.

(Also refer to policy on Leases, Borrowing costs, Impairment of assets, foreign currency transactions)

8. Investment property

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are measured in accordance with cost model and are stated at original cost net of tax/duty credits availed, if any, less accumulated depreciation and cumulative impairment. For transition to Ind AS, the carrying value of Investment properties under previous GAAP as on April 1, 2015 is regarded as its deemed cost.

9. Intangible assets and amortization

Intangible assets are stated at original cost net of tax duty credits availed if any, less accumulated amortisation and cumulative impairment.

NOTES FORMING PART OF ACCOUNTS (CONTD.)

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably.

Intangible assets which are not ready for the intended use on the date of the Balance Sheet are disclosed as "Intangible assets under development".

Intangible assets are amortized over their useful life as follows:

Specialized software is amortized over full life on straight line basis. It is amortized from the month in which addition is made.

Administrative and other general overhead expenses that are specifically attributable to acquisition of intangible assets are allocated and capitalized as a part of the cost of the intangible assets.

10. Depreciation

Depreciation on assets has been provided on straight-line basis at the rates specified in the Schedule II of the Companies Act, 2013. However, in respect of the following asset categories, depreciation is provided at rates higher than the rates specified in Schedule II in line with their estimated useful lives.

Category of asset	Useful life (years)
Plant and Equipment	
Office equipment	4
Air conditioners	10
Building	10

Depreciation on additions/deductions to the fixed assets is calculated pro-rata from/to the month of additions/deductions.

11. Impairment of assets

As at each Balance Sheet date, the carrying amount of assets is tested for impairment so as to determine

a) The provision for impairment loss , if any and

b) The reversal of impairment loss recognized in previous periods, if any

Impairment loss is recognized when the carrying amount of an asset exceeds its recoverable amount.

Recoverable amount is determined:

a) In case of individual assets, at higher of the net selling price and the value in use;

b) In case of a cash generating unit (a group of assets that generates identified, independent cash flows), at higher of the cash generating unit's net selling price and value in use.

(Value in use is determined as the present value of estimated future cash flows from the continuing use of an asset and from its disposal at the end of the useful life.)

12. Leases

The determination of whether an agreement is, or contains, a lease is based on the substance of the agreement at the date of inception.

Assets acquired on leases where a significant portion of the risk and rewards of ownership are retained by the lessor are classified as operating leases. Lease rentals are accounted on accrual basis.

13. Financial instruments

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instruments. All financial assets are initially measured at fair value. Further, in case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial assets are also included in the initial measurement.

Financial assets are subsequently measured either at amortized cost or fair value.

(a) Investments in debt Instruments that meet the following conditions are subsequently measured at amortized cost:

1) the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and

2) The contractual terms of instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

All other debt instruments are recognized in profit or loss.

(b) All other financial assets are measured at amortized cost.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs except for government loans which are concessional or interest free) existing on the date of transition to Ind AS which are carried at their existing carrying value as per the previous Indian GAAP.

14. Cash and Bank Balances

Cash and bank balances also include fixed deposits, margin money deposits, earmarked balances with banks and other bank balances which have restrictions on repatriation. Short term and liquid investments being not free from more than insignificant risk of change in value, are not included as part of cash and cash equivalents.

NOTES FORMING PART OF ACCOUNTS (CONTD.)

15. Inventories

Completed property / Work-in-progress (including land) in respect of property development activity is valued at cost (including related overheads) or net realisable value, whichever is lower.

Cost of inventory also includes proportionate cost of development rights upon determination of future use for the purpose of sale / long-term lease.

In the case of qualifying assets, cost includes applicable borrowing costs vide policy relating to borrowing costs.

16. Borrowing costs

Borrowing costs that are attributable to the acquisition, construction or production of a qualifying asset are capitalized/ inventoried as part of cost of such asset till such time as the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale. All other borrowing costs are recognized as an expense in the period in which they are incurred.

17. Foreign currency transactions

(a) The reporting currency of the Company is Indian Rupee.

(b) Foreign currency transactions are recorded on initial recognition in the reporting currency, using the exchange rate at the date of the transaction. At the Balance Sheet date, foreign currency monetary items are reported using the closing rate. Non-monetary items, carried at historical cost denominated in a foreign currency, are reported using the exchange rate at the date of transaction.

Exchange differences that arise on settlement of monetary items or on reporting monetary items at each Balance Sheet date at the closing rate are recognised as income or expense in the period in which they arise.

18. Taxes on income

Tax on income for the current period is determined on the basis of taxable income and tax credits computed in accordance with the provisions of the Income-tax Act, 1961, and based on expected outcome of assessments / appeals.

Deferred tax is recognized on timing differences between the income accounted in financial statements and the taxable income for the year, and quantified using tax rates and laws enacted or substantively enacted as on the Balance Sheet date.

Deferred tax assets relating to unabsorbed depreciation/business losses/losses under the head “capital gains” are recognized and carried forward to the extent there is virtual certainty that sufficient future taxable income will be available against which such deferred tax asset can be realized.

Other deferred tax assets are recognized and carried forward to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax asset can be realized.

19. Provisions, contingent liabilities and contingent assets

(i) Provisions are recognized for liabilities that can be measured only by using a substantial degree of estimation, if

a) The Company has a present obligation as a result of a past event

b) a probable outflow of resources is expected to settle the obligation and

c) the amount of obligation can be reliably estimated.

(ii) Reimbursement expected in respect of expenditure required to settle a provision is recognised only when it is virtually certain that the reimbursement will be received.

(iii) Contingent Liability is disclosed in the case of

a) A present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation.

b) A present obligation arising from the past events, when no reliable estimate is possible.

c) A possible obligation arising from past events, where the probability of outflow of resources is not remote.

(iv) Contingent Assets are neither recognised, nor disclosed.

(v) Provisions, Contingent Liabilities and Contingent Assets are reviewed at each Balance Sheet date.

20. Commitments

Commitments are future liabilities for contractual expenditure. Commitments are classified and disclosed as follows:

a) Estimated amount of contracts remaining to be executed on capital account are not provided for

b) Uncalled liability on shares and other investments partly paid

c) Other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.

Other commitments related to sales / procurements made in the normal course of business are not disclosed to avoid excessive details

21. Cash Flow Statement

Cash flow statement is prepared segregating the cash flows from operating, investing and financing activities. Cash flow from operating activities is reported using indirect method.

NOTES FORMING PART OF ACCOUNTS (CONTD.)

Under the indirect method, the net profit is adjusted for the effects of:

a) Transactions of a non-cash nature

b) Any deferrals or accruals of past or future operating cash receipts or payments and

c) Items of income or expense associated with investing or financing cash flows.

Cash and cash equivalents (including bank balances) are reflected as such in the Cash Flow Statement. Those cash and cash equivalents which are not available for general use as on the date of Balance Sheet are also included under this category with a specific disclosure.

7. Developmental rights

Larsen & Toubro Limited (the holding Company) has entered into a development agreement ('the agreement') with City and Industrial Development Corporation of Maharashtra ('CIDCO') to obtain rights to develop an integrated complex at Seawoods Railway station at Navi Mumbai. As per the agreement with CIDCO, L&T is to construct an integrated complex offering commercial, retail and office space and hospitality services linked to Seawoods railway station (termed transit-oriented integrated mixed-use development project) at Seawoods-Darave railway station, Nerul Node, Navi Mumbai on a plot admeasuring 39.92 acres. The Company has the right to either sell or lease the premises and allocates the cost accordingly (see note B8 below).

In return for obtaining the above mentioned rights, the Company's obligations are:

a. To pay lease premium of ₹ 18,09,00,00,000 (which has since been paid) and applicable registration costs;

b. To construct the Seawoods railway station for use by Indian Railways – the estimated cost of this construction is ₹ 1,86,42,00,000 and is accounted as a liability (net of cost incurred); and

c. To complete at least 50% of the floor space index (FSI) that was available for the project (which has been completed).

The Company has applied for extension of time from CIDCO for completion of the railway and commercial facilities.

L&T Seawoods Limited is a special purpose vehicle formed by the holding Company to execute the project. The rights remain in the name of L&T.

8. The Company has the right to either sell or lease the premises and management takes this decision based on their estimate of the latest available information, and this is accounted at the year-end accordingly. The cost of leased premises is included under Investment property and the cost of area to be sold is apportioned to inventory. The total project cost as at the year-end is as under:

₹

Particulars	Total project cost	Investment Property	Inventory
As at April 1, 2016	*32,741,761,979*	*31,349,819,824*	*1,391,942,155*
Add: further cost incurred during the year (net of opening adjustments)	4,746,532,269	3,981,024,080	765,508,189
Add/(Less): Transfer from Investment Property to Inventory	–	(10,623,253,232)	10,623,253,232
Less : Cost of Sales	(11,113,807,621)	–	(11,113,807,621)
As at March 31, 2017	**26,374,486,627**	**24,707,590,672**	**1,666,895,955**

The Company reviews its business plan, assesses the market conditions and accordingly a portion of the project under development which was earlier classified as Investment Property had been reclassified as Inventory.

9. The Company does not have any contingent liabilities as at March 31, 2017 (Previous Year : Nil).

10. The Company operates in only one segment i.e. property development and from one geographical location i.e. India. Accordingly, no segment reporting is required.

11. Disclosure pursuant to Ind-AS 19 on Employee benefits :

A. Defined contribution plan

During the year, the Company has contributed ₹ 17,11,009 (Previous Year: ₹ 19,99,320) towards recognized provident fund.

B. Defined benefit plans

i) Amounts recognized in Balance Sheet for gratuity liability are as follows:

	₹	₹
Change in Defined Benefit Obligation		
Opening balance of the present value of defined benefit obligations	**1,897,485**	*14,50,431*
Current service cost	**486,241**	*499,925*
Add : Interest cost	**147,714**	*113,754*
Add/(Less) : Actuarial losses / (Gains)	**(186,155)**	*(166,625)*
Less : Benefits paid	**(503,410)**	–
Closing balance of the present value of defined benefit obligations	**1,841,875**	*1,897,485*

D. Principal actuarial assumptions as at the Balance Sheet date

Particulars	As at March 31, 2017	As at March 31, 2016
	₹	₹
Discount Rate (p.a.)	**7.05%**	*7.90%*
Salary escalation rate (p.a.)	**6.00%**	*6.00%*

a) Discount rate

The discount rate is based on the prevailing market yields of Indian government securities as at Balance Sheet date for the estimated term of the obligations.

b) Salary escalation rate

The estimates of future salary increases considered takes into account the inflation, seniority, promotion and other relevant factors.

c) Retirement age

The employees of the Company are assumed to retire at the age of 58 years.

d) Mortality

As per published rates under the Indian Assured Lives Mortality (2006-08) Ult. Table

e) Leaving service

Rates of leaving service at specimen ages are as shown below :

Age	Rates
21-30	5%
31-40	3%
41-57	2%

NOTES FORMING PART OF ACCOUNTS (CONTD.)

f) Disability

Leaving service due to disability is included in the provision made for all causes of leaving service as per (e) above.

12. Employees Stock Options

Pursuant to the Employees Stock Options Scheme (ESOP) established by the holding Company, stock options were granted to the employees of the Company. Total cost incurred by the holding Company, in respect of the same is ₹ 741,734 (Previous year: ₹ 36,13,976). The same is being recovered over the period of vesting by the holding Company. Accordingly, cost of ₹ 464,142 (Previous year: ₹ 26,64,583) has been recovered by the holding Company up to current year and balance ₹ 277,592 (Previous year: ₹ 949,393) will be recovered in future periods.

Particulars	**FY 2016-17**	*FY 2015-16*
	₹	₹
Cost recovered in earlier year	**1,177,886**	*1,486,697*
Cost recovered during the year	**(713,744)**	*1,177,886*
Cost to be recovered in future	**277,592**	*949,393*
Total cost incurred by the holding Company, in respect of ESOP	**741,734**	*3,613,976*
Cost recovered up to the current year	**464,142**	*2,664,583*

* The cost recovered for the year is net of reversals on account of vested and unvested lapses relating to an employee who resigned during the year.

13. Disclosure pursuant to Guidance Note on Accounting for Real Estate Transactions (Revised 2012) issued by the Institute of Chartered Accountants of India

Particulars	**FY 2016-17**	*FY 2015-16*
	₹	₹
Amount of project revenue recognized during the financial year	**1168,64,02,890**	*2,29,31,41,708*

19. During the year, the Company along with L&T Limited has executed with Westerly Retail Private Limited an agreement for long term sub-lease of retail mall and portion of lower ground floor shops. As per the terms of the transaction, Westerly Retail Private Limited will have an option to exercise unwinding provisions under the agreement if certain time bound conditions in the agreement are not complied with by the Company.

20. There are no amounts which are required to be transferred to the Investor Education and Protection Fund by the Company.

21. Financial Risk Management

Financial risk factors

The Company is exposed to interest rate risk, credit/counter-party risk and liquidity risk.

a. Interest Rate Risk

In order to optimize the Company's position with regard to interest income and interest expense and to manage the interest rate risk, management performs a comprehensive interest rate risk management. The Company is not exposed to significant interest rate risk as at the respective reporting dates.

Particulars	Impact on P&L
	₹
Change in Fair value by +1%	5,56,17,941
Change in Fair value by -1%	(5,56,17,941)

NOTES FORMING PART OF ACCOUNTS (CONTD.)

b. Credit/Counter-party risk

The principal credit risk that the Company is exposed to is non-collection of trade receivables and late collection of receivables leading to credit loss. The risk is mitigated by reviewing creditworthiness of the prospective customers prior to entering into contract and post contracting, continuous monitoring of collections by a dedicated team. Handover of property possession is provided after collection of all dues.

c. Liquidity Risk

The Company's monitors the cash flows and surplus funds are invested in non-speculative financial instruments that are usually highly liquid funds. The Company has no borrowings as at March 31, 2017. The contractual maturities of financial assets and financial liabilities as at March 31, 2017 is as follows:

	Less than 1 year	**More than 1 year**	**Total**
	₹	₹	₹

DIRECTORS' REPORT

Dear Members,

The Directors have pleasure in presenting their 1st Annual Report and Audited Financial Accounts for the year ended 31st March, 2017.

1. FINANCIAL RESULTS / FINANCIAL HIGHLIGHTS:

Particulars	**2016-17**
	₹
Revenue from operation & other Income	**–**
Total Expenses Incurred	**(82,832)**
Profit / (Loss) before Depreciation & Tax (PBDT)	**(82,832)**
Depreciation	**–**
Profit / (Loss) before tax (PBT)	**(82,832)**
Provision for taxes	**–**
Profit / (Loss) after tax (PAT)	**(82,832)**

2. CAPITAL & FINANCE:

As at March 31, 2017, the total equity share capital is ₹ 1,00,000/-. The Company does not have any gross fixed and intangible assets, including leased assets.

3. DEPOSITS:

During the year under review, the Company has not accepted deposits from the public falling within the ambit of Section 73 of the Companies Act, 2013 and the Rules framed thereunder.

4. PARTICULARS OF LOANS GIVEN, INVESTMENTS MADE, GUARANTEES GIVEN OR SECURITY PROVIDED BY THE COMPANY:

The Company has not given any loan, guarantees and securities or made any investment for the financial year 2016-17 as specified under Section 186 of Companies Act, 2013.

5. SUBSIDIARY COMPANIES:

The Company does not have any subsidiary companies under its purview.

6. PARTICULARS OF CONTRACTS OR ARRANGEMENTS WITH RELATED PARTIES:

All the related party transactions for the Financial Year 2016-17 were in the ordinary course of business and at arm's length. The statement containing details of all material transactions/contracts/arrangements is attached as **Annexure 1**.

There are no materially significant related party transactions that may have conflict with the interest of the Company.

7. STATE OF COMPANY AFFAIRS:

The Company was incorporated on 2nd September, 2016 and accordingly the first financial year of the Company pertains to the period from 2nd September, 2016 to 31st March, 2017. During the year, the Company was not having any operations.

8. DIVIDEND:

The Board of Directors do not recommend any dividend on its equity shares for the financial year 2016-17.

9. MATERIAL CHANGES AND COMMITMENTS AFFECTING THE FINANCIAL POSITION OF THE COMPANY, BETWEEN THE END OF THE FINANCIAL YEAR AND THE DATE OF THE REPORT:

Subsequent to the year under review, as per provisions of Section 248 of the Companies Act, 2013 and under Companies (Removal of Names of Companies from Register of Companies) Rules, 2016 and subject to consent to be obtained from shareholders, the Company shall make an application to Registrar of Companies (ROC) for striking off name of the Company from the register kept at ROC's office.

10. CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO

a. The operations of the Company are not energy intensive as the Company is not engaged in any manufacturing activity and is not included under the list of industries which should furnish information as per Rule 8 of Companies (Accounts) Rules, 2014.

b. No technology has been developed and / or imported by way of foreign collaboration.

c. During the year, the Company has had "nil" foreign exchange earnings and outgo.

11. DETAILS OF DIRECTORS APPOINTED DURING THE YEAR:

Mr. Shrikant Joshi and Mr. Subrata Bandyopadhyay were appointed as the first Directors of the Company.

12. NUMBER OF MEETINGS OF THE BOARD OF DIRECTORS:

The Meetings of the Board are held at regular intervals with a time gap of not more than 120 days between two consecutive Meetings. Additional Meetings of the Board of Directors are held when necessary. During the year under review, 3 (THREE) meetings were held on September 13, 2016, December 06, 2016 and February 20, 2017 respectively.

The Agenda of the Meeting is circulated to the Directors in advance. Minutes of the Meetings of the Board of Directors are circulated amongst the Members of the Board for their perusal.

13. ADEQUACY OF INTERNAL FINANCIAL CONTROLS:

The Company has designed and implemented a process driven framework for Internal Financial Controls ('IFC') within the meaning of the explanation to Section 134(5)(e) of the Companies Act, 2013. For the year ended March 31, 2017, the Board is of the opinion that the Company has sound IFC commensurate with the nature and size of its business operations and operating effectively and no material weaknesses exist. The Company has a process in place to continuously monitor the same and identify gaps, if any, and implement new and / or improved controls wherever the effect of such gaps would have a material effect on the Company's operations.

14. DIRECTORS RESPONSIBILITY STATEMENT:

The Board of Directors of the Company confirms:

a) In the preparation of Annual Accounts, the applicable accounting standards have been followed along with proper explanation relating to material departures;

b) The Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit / loss of the Company for that period;

c) The Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

d) The Directors have prepared the Annual Accounts on a going concern basis and

e) The Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and were operating effectively.

15. COMPLIANCE WITH SECRETARIAL STANDARDS ON BOARD AND ANNUAL GENERAL MEETINGS:

The Company has complied with Secretarial Standards issued by the Institute of Company Secretaries of India on Board Meetings and Annual General Meetings.

16. PROTECTION OF WOMEN AT WORKPLACE:

The parent company Larsen & Toubro Limited (L&T) has formulated a policy on 'Protection of Women's Rights at Workplace' which is applicable to all group companies. This has been widely disseminated. There were no cases of sexual harassment received in the Company during F.Y. 2016-17.

17. AUDITORS:

The Company is in the process of striking off the name of the Company from the records of Registrar of Companies. Accordingly, the Company shall not appoint any Statutory Auditor for the financial year 2017-18.

18. EXTRACT OF ANNUAL RETURN:

As per the provisions of Section 92(3) of the Companies Act, 2013, an extract of the Annual Return in form MGT-09 is attached as **Annexure 2** to this Report.

19. REPORTING OF FRAUDS:

The Auditors of the Company have not reported any fraud as specified under Section 143(12) of the Companies Act, 2013.

20. ACKNOWLEDGEMENT:

Your Directors take this opportunity to thank the customers, supply chain partners, employees, Financial Institutions, Banks, Central and State Government authorities, Regulatory authorities, Stock Exchanges and all the various stakeholders for their continued co-operation and support to the Company. Your Directors also wish to record their appreciation for the continued co-operation and support received from the Joint Venture partners / Associates.

INDEPENDENT AUDITOR'S REPORT

To the members of Seawoods Retail Private Limited

Report on the standalone Ind AS financial statements

We have audited the accompanying standalone Ind AS financial statements of Seawoods Retail Private Limited ('the Company'), which comprise the Balance Sheet as at 31 March 2017, the Statement of Profit and Loss (including other comprehensive income), the Cash Flow Statement and the statement of changes in equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein after referred to as 'the Ind AS financial statements').

Management's responsibility for the Ind AS financial statements

The Company's board of directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of the Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards prescribed under section 133 of the Act read with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on the Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's directors, as well as evaluating the overall presentation of the Ind AS financial statements

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31 March 2017, its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Report on other legal and regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the central government in terms of Section 143(11) of the Act, we give in Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143(3) of the Act, we report that:
   a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
   b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
   c) the Balance Sheet, the Statement of Profit and Loss, the Cash Flow Statement and statement of changes in equity dealt with by this report are in agreement with the books of account;
   d) In our opinion, the Ind AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014 and Companies (Indian Accounting Standards) Rules, 2015 (as amended);
   e) On the basis of the written representations received from the directors as on 31 March 2017 taken on record by the board of directors, none of the directors is disqualified as on 31 March 2017 from being appointed as a director in terms of section 164(2) of the Act;
   f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure B; and

g) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

   i. The Company has disclosed the impact of pending litigations on its financial position in its Ind AS financial statements- refer note B7 to the Ind AS financial statements;

   ii. The Company did not have any long term contracts including derivative contracts, for which there were any material foreseeable losses - refer note B8 to the Ind AS financial statements;

   iii. There were no amount which were required to be transferred to the Investor Education and Protection Fund by the Company- refer note B9 to the Ind AS financial statements; and

   iv. The Company has provided requisite disclosures in its Ind AS financial statements as to holdings as well as dealings in Specified Bank Notes during the period from 8 November 2016 to 30 December 2016 and are in accordance with the books of accounts maintained by the Company- refer note B12 to the Ind AS financial statements.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

(Referred in paragraph (1) under 'Report on other legal and regulatory requirements' of our report of even date)

1 According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing undisputed statutory dues including provident fund, employees state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues as applicable with the appropriate authorities. According to the information and explanations given to us, there were no undisputed amounts payable in respect of provident fund, employees state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, cess and other statutory dues outstanding as at 31 March 2017 for a period of more than six months from the date they became payable.

2 During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instances of material fraud by the Company nor any fraud on the Company by its officer or employees, noticed or reported during the year, nor have we been informed of such case by management.

3 According to the records of the Company examined by us and the information and explanations given to us, all transactions with related parties are in compliance with sections 177 and 188 of the Act and the details have been disclosed in the Ind AS financial statements as required by the applicable accounting standards.

4 According to the records of the Company examined by us and information and explanations given to us, the Company has not made private allotment of preference shares during the year under review and accordingly, paragraph 3(xiv) of the Order is not applicable.

5 According to the records of the Company examined by us and the information and explanations given to us, the Company has not entered into any non-cash transactions with directors or persons connected with him.

6 According to the information and explanations given to us, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

7 Clauses 3(i), 3(ii), 3(iii), 3(iv), 3(v), 3(vi), 3(viii), 3(ix), 3 (xi) and 3(xii) of the Order are not applicable to the Company.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2(f) of our report of even date)

Report on the internal financial controls under clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of Seawoods Retail Private Limited ('the Company') as of 31 March 2017 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of internal financial controls over financial reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

Inherent limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

NOTES FORMING PART OF ACCOUNTS

A. SIGNIFICANT ACCOUNTING POLICIES

1. Statement of compliance

The Company's financial statements have been prepared in accordance with the provisions of the Companies Act, 2013 and the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 issued by Ministry of Corporate Affairs in respect of Section 133 read with Section 469 of the Companies Act, 2013.

2. Basis of accounting

The Company maintains its accounts on accrual basis following the historical cost convention. The guidance notes/ announcements issued by the Institute of Chartered Accountants of India (ICAI) are also considered, wherever applicable except to the extent where compliance with other statutory promulgations override the same requiring a different treatment.

Fair value measurements are arrived at by giving highest priority to quoted prices (unadjusted) in active markets for identical assets or liabilities that the company can access at measurement date. If quoted prices in active markets for identical assets and liabilities are not available, fair value measurements are based on a valuation technique that uses only data from observable markets. In the absence of quoted prices or data from observable markets, appropriate inputs which are not observable are used but are accorded lowest priority.

3. Presentation and disclosure of financial statements

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 ("the Act"). The Cash Flow Statement has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified Accounting Standards.

Amounts in the financial statements are presented in Indian Rupees rounded off to the nearest Rupee. Per share data are presented in Indian Rupees to two decimals places.

4. Operating cycle for current and non-current classification

Operating cycle for the business activities of the Company covers the duration of the specific project, wherever applicable and extends up to the realization of receivables (including retention monies) within the agreed credit period.

5. Revenue recognition

a) Interest income is accrued at applicable interest rates.

b) Dividend income is accounted in the period in which the right to receive the same is established.

c) Other items of income are accounted as and when the right to receive arises.

6. Tangible Fixed Assets

Fixed Assets are stated at original cost net of tax / duty credits availed, if any, less accumulated depreciation, accumulated amortization and cumulative impairment.

7. Investment property

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are measured in accordance with cost model and are stated at original cost net of tax/duty credits availed, if any, less accumulated depreciation and cumulative impairment.

8. Intangible assets and amortization

Intangible assets are stated at original cost net of tax duty credits availed if any, less accumulated amortisation and cumulative impairment.

9. Depreciation

Depreciation on assets has been provided on straight-line basis at the rates specified in the Schedule II of the Companies Act, 2013. Depreciation on additions/deductions to the fixed assets is calculated pro-rata from/to the month of additions/deductions.

10. Impairment of assets

As at each Balance Sheet date, the carrying amount of assets is tested for impairment so as to determine

a) The provision for impairment loss , if any and

b) The reversal of impairment loss recognized in previous periods, if any

Impairment loss is recognized when the carrying amount of an asset exceeds its recoverable amount.

Recoverable amount is determined:

a) In case of individual assets, at higher of the net selling price and the value in use;

b) In case of a cash generating unit (a group of assets that generates identified, independent cash flows), at higher of the cash generating unit's net selling price and value in use.

NOTES FORMING PART OF ACCOUNTS (CONTD.)

(Value in use is determined as the present value of estimated future cash flows from the continuing use of an asset and from its disposal at the end of the useful life.)

11. Leases

The determination of whether an agreement is, or contains, a lease is based on the substance of the agreement at the date of inception.

Assets acquired on leases where a significant portion of the risk and rewards of ownership are retained by the lessor are classified as operating leases. Lease rentals are accounted on accrual basis.

12. Financial instruments

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instruments. All financial assets are initially measured at fair value. Further, in case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial assets are also included in the initial measurement.

Financial assets are subsequently measured either at amortized cost or fair value.

(a) Investments in debt Instruments that meet the following conditions are subsequently measured at amortized cost:

a. the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and

b. The contractual terms of instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

All other debt instruments are recognized in profit or loss.

(b) All other financial assets are measured at amortized cost.

13. Cash and Bank Balances

Cash and bank balances also include fixed deposits, margin money deposits, earmarked balances with banks and other bank balances which have restrictions on repatriation. Short term and liquid investments being not free from more than insignificant risk of change in value, are not included as part of cash and cash equivalents.

14. Inventories

Completed property / Work-in-progress (including land) in respect of property development activity is valued at cost (including related overheads) or net realisable value, whichever is lower.

In the case of qualifying assets, cost includes applicable borrowing costs vide policy relating to borrowing costs.

15. Borrowing costs

Borrowing costs that are attributable to the acquisition, construction or production of a qualifying asset are capitalized/ inventoried as part of cost of such asset till such time as the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale. All other borrowing costs are recognized as an expense in the period in which they are incurred.

16. Foreign currency transactions

(a) The reporting currency of the Company is Indian Rupee.

(b) Foreign currency transactions are recorded on initial recognition in the reporting currency, using the exchange rate at the date of the transaction. At the Balance Sheet date, foreign currency monetary items are reported using the closing rate. Non-monetary items, carried at historical cost denominated in a foreign currency, are reported using the exchange rate at the date of transaction.

Exchange differences that arise on settlement of monetary items or on reporting monetary items at each Balance Sheet date at the closing rate are recognised as income or expense in the period in which they arise.

17. Taxes on income

Tax on income for the current period is determined on the basis of taxable income and tax credits computed in accordance with the provisions of the Income-tax Act, 1961, and based on expected outcome of assessments / appeals.

Deferred tax is recognized on timing differences between the income accounted in financial statements and the taxable income for the year, and quantified using tax rates and laws enacted or substantively enacted as on the Balance Sheet date.

Deferred tax assets relating to unabsorbed depreciation/business losses/losses under the head “capital gains” are recognized and carried forward to the extent there is virtual certainty that sufficient future taxable income will be available against which such deferred tax asset can be realized.

Other deferred tax assets are recognized and carried forward to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax asset can be realized.

NOTES FORMING PART OF ACCOUNTS (CONTD.)

18. Provisions, contingent liabilities and contingent assets.

(i) Provisions are recognized for liabilities that can be measured only by using a substantial degree of estimation, if

a) The Company has a present obligation as a result of a past event

b) a probable outflow of resources is expected to settle the obligation and

c) the amount of obligation can be reliably estimated.

(ii) Reimbursement expected in respect of expenditure required to settle a provision is recognised only when it is virtually certain that the reimbursement will be received.

(iii) Contingent Liability is disclosed in the case of

a) A present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation.

b) A present obligation arising from the past events, when no reliable estimate is possible.

c) A possible obligation arising from past events, where the probability of outflow of resources is not remote.

(iv) Contingent Assets are neither recognised, nor disclosed.

(v) Provisions, Contingent Liabilities and Contingent Assets are reviewed at each Balance Sheet date.

19. Commitments

Commitments are future liabilities for contractual expenditure. Commitments are classified and disclosed as follows:

a) Estimated amount of contracts remaining to be executed on capital account are not provided for

b) Uncalled liability on shares and other investments partly paid

c) Other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.

Other commitments related to sales / procurements made in the normal course of business are not disclosed to avoid excessive details

20. Cash Flow Statement

Cash Flow Statement is prepared segregating the cash flows from operating, investing and financing activities. Cash flow from operating activities is reported using indirect method.

Under the indirect method, the net profit is adjusted for the effects of:

a) Transactions of a non-cash nature

b) Any deferrals or accruals of past or future operating cash receipts or payments and

c) Items of income or expense associated with investing or financing cash flows.

Cash and cash equivalents (including bank balances) are reflected as such in the Cash Flow Statement. Those cash and cash equivalents which are not available for general use as on the date of Balance Sheet are also included under this category with a specific disclosure.

DIRECTORS' REPORT

Dear Members,

The Directors have pleasure in presenting their 1st Annual Report and Audited Financial Accounts for the year ended 31st March, 2017.

1. FINANCIAL RESULTS / FINANCIAL HIGHLIGHTS:

Particulars	**2016-17**
	₹
Revenue from operation & other Income	–
Total Expenses Incurred	**(82,832)**
Profit / (Loss) before Depreciation & Tax (PBDT)	**(82,832)**
Depreciation	–
Profit / (Loss) before tax (PBT)	**(82,832)**
Provision for taxes	–
Profit / (Loss) after tax (PAT)	**(82,832)**

2. CAPITAL & FINANCE:

As at March 31, 2017, the total equity share capital is ₹ 1,00,000/-. The Company does not have any gross fixed and intangible assets, including leased assets.

3. DEPOSITS:

During the year under review, the Company has not accepted deposits from the public falling within the ambit of Section 73 of the Companies Act, 2013 and the Rules framed thereunder.

4. PARTICULARS OF LOANS GIVEN, INVESTMENTS MADE, GUARANTEES GIVEN OR SECURITY PROVIDED BY THE COMPANY:

The Company has not given any loan, guarantees and securities or made any investment for the financial year 2016-17 as specified under Section 186 of Companies Act, 2013.

5. SUBSIDIARY COMPANIES:

The Company does not have any subsidiary companies under its purview.

6. PARTICULARS OF CONTRACTS OR ARRANGEMENTS WITH RELATED PARTIES:

All the related party transactions for the Financial Year 2016-17 were in the ordinary course of business and at arm's length. The statement containing details of all material transactions/contracts/arrangements is attached as **Annexure 1**.

There are no materially significant related party transactions that may have conflict with the interest of the Company.

7. STATE OF COMPANY AFFAIRS:

The Company was incorporated on 23rd August, 2016 and accordingly the first financial year of the Company pertains to the period from 23rd August, 2016 to 31st March, 2017. During the year, the Company was not having any operations.

8. DIVIDEND:

The Board of Directors do not recommend any dividend on its equity shares for the financial year 2016-17.

9. MATERIAL CHANGES AND COMMITMENTS AFFECTING THE FINANCIAL POSITION OF THE COMPANY, BETWEEN THE END OF THE FINANCIAL YEAR AND THE DATE OF THE REPORT:

Subsequent to the year under review, as per provisions of Section 248 of the Companies Act, 2013 and under Companies (Removal of Names of Companies from Register of Companies) Rules, 2016 and subject to consent to be obtained from shareholders, the Company shall make an application to Registrar of Companies (ROC) for striking off name of the Company from the register kept at ROC's office.

10. CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO

a. The operations of the Company are not energy intensive as the Company is not engaged in any manufacturing activity and is not included under the list of industries which should furnish information as per Rule 8 of Companies (Accounts) Rules, 2014.

b. No technology has been developed and / or imported by way of foreign collaboration.

c. During the year, the Company has had "nil" foreign exchange earnings and outgo.

11. DETAILS OF DIRECTORS APPOINTED DURING THE YEAR:

Mr. Shrikant Joshi and Mr. Subrata Bandyopadhyay were appointed as the first Directors of the Company.

12. NUMBER OF MEETINGS OF THE BOARD OF DIRECTORS:

The Meetings of the Board are held at regular intervals with a time gap of not more than 120 days between two consecutive Meetings. Additional Meetings of the Board of Directors are held when necessary. During the year under review, 3 (THREE) meetings were held on August 30, 2016, December 12, 2016 and February 27, 2017 respectively.

The Agenda of the Meeting is circulated to the Directors in advance. Minutes of the Meetings of the Board of Directors are circulated amongst the Members of the Board for their perusal.

13. ADEQUACY OF INTERNAL FINANCIAL CONTROLS:

The Company has designed and implemented a process driven framework for Internal Financial Controls ('IFC') within the meaning of the explanation to Section 134(5)(e) of the Companies Act, 2013. For the year ended March 31, 2017, the Board is of the opinion that the Company has sound IFC commensurate with the nature and size of its business operations and operating effectively and no material weaknesses exist. The Company has a process in place to continuously monitor the same and identify gaps, if any, and implement new and / or improved controls wherever the effect of such gaps would have a material effect on the Company's operations.

14. DIRECTORS RESPONSIBILITY STATEMENT:

The Board of Directors of the Company confirms:

a) In the preparation of Annual Accounts, the applicable accounting standards have been followed along with proper explanation relating to material departures;

b) The Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit / loss of the Company for that period;

c) The Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

d) The Directors have prepared the Annual Accounts on a going concern basis and

e) The Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and were operating effectively.

15. COMPLIANCE WITH SECRETARIAL STANDARDS ON BOARD AND ANNUAL GENERAL MEETINGS:

The Company has complied with Secretarial Standards issued by the Institute of Company Secretaries of India on Board Meetings and Annual General Meetings.

16. PROTECTION OF WOMEN AT WORKPLACE:

The parent company Larsen & Toubro Limited (L&T) has formulated a policy on 'Protection of Women's Rights at Workplace' which is applicable to all group companies. This has been widely disseminated. There were no cases of sexual harassment received in the Company during F.Y. 2016-17.

17. AUDITORS:

The Company is in the process of striking off the name of the Company from the records of Registrar of Companies. Accordingly, the Company shall not appoint any Statutory Auditor for the financial year 2017-18.

18. EXTRACT OF ANNUAL RETURN:

As per the provisions of Section 92(3) of the Companies Act, 2013, an extract of the Annual Return in form MGT-09 is attached as **Annexure 2** to this Report.

19. REPORTING OF FRAUDS:

The Auditors of the Company have not reported any fraud as specified under Section 143(12) of the Companies Act, 2013.

20. ACKNOWLEDGEMENT:

Your Directors take this opportunity to thank the customers, supply chain partners, employees, Financial Institutions, Banks, Central and State Government authorities, Regulatory authorities, Stock Exchanges and all the various stakeholders for their continued co-operation and support to the Company. Your Directors also wish to record their appreciation for the continued co-operation and support received from the Joint Venture partners / Associates.

INDEPENDENT AUDITOR'S REPORT

To the members of Seawoods Realty Private Limited

Report on the standalone Ind AS financial statements

We have audited the accompanying standalone Ind AS financial statements of **Seawoods Realty Private Limited** ('the Company'), which comprise the Balance Sheet as at 31 March 2017, the Statement of Profit and Loss (including other comprehensive income), the Cash Flow Statement and the statement of changes in equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein after referred to as 'the Ind AS financial statements').

Management's responsibility for the Ind AS financial statements

The Company's board of directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of the Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards prescribed under section 133 of the Act read with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on the Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's directors, as well as evaluating the overall presentation of the Ind AS financial statements

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31 March 2017, its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Report on other legal and regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the central government in terms of section 143(11) of the Act, we give in Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143(3) of the Act, we report that:
   a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
   b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
   c) the Balance Sheet, the Statement of Profit and Loss, the Cash Flow Statement and statement of changes in equity dealt with by this report are in agreement with the books of account;
   d) In our opinion, the Ind AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014 and Companies (Indian Accounting Standards) Rules, 2015 (as amended);
   e) On the basis of the written representations received from the directors as on 31 March 2017 taken on record by the board of directors, none of the directors is disqualified as on 31 March 2017 from being appointed as a director in terms of section 164(2) of the Act;
   f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure B; and

g) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

   i. The Company has disclosed the impact of pending litigations on its financial position in its Ind AS financial statements- refer note B7 to the Ind AS financial statements;

   ii. The Company did not have any long term contracts including derivative contracts, for which there were any material foreseeable losses - refer note B8 to the Ind AS financial statements;

   iii. There were no amount which were required to be transferred to the Investor Education and Protection Fund by the Company- refer note B9 to the Ind AS financial statements; and

   iv. The Company has provided requisite disclosures in its Ind AS financial statements as to holdings as well as dealings in Specified Bank Notes during the period from 8 November 2016 to 30 December 2016 and are in accordance with the books of accounts maintained by the Company- refer note B12 to the Ind AS financial statements.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

(Referred in paragraph (1) under 'Report on other legal and regulatory requirements' of our report of even date)

1 According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing undisputed statutory dues including provident fund, employees state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues as applicable with the appropriate authorities. According to the information and explanations given to us, there were no undisputed amounts payable in respect of provident fund, employees state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, cess and other statutory dues outstanding as at 31 March 2017 for a period of more than six months from the date they became payable.

2 During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instances of material fraud by the Company nor any fraud on the Company by its officer or employees, noticed or reported during the year, nor have we been informed of such case by management.

3 According to the records of the Company examined by us and the information and explanations given to us, all transactions with related parties are in compliance with sections 177 and 188 of the Act and the details have been disclosed in the Ind AS financial statements as required by the applicable accounting standards.

4 According to the records of the Company examined by us and information and explanations given to us, the Company has not made private allotment of preference shares during the year under review and accordingly, paragraph 3(xiv) of the Order is not applicable.

5 According to the records of the Company examined by us and the information and explanations given to us, the Company has not entered into any non-cash transactions with directors or persons connected with him.

6 According to the information and explanations given to us, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

7 Clauses 3(i), 3(ii), 3(iii), 3(iv), 3(v), 3(vi), 3(viii), 3(ix), 3 (xi) and 3(xii) of the Order are not applicable to the Company.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2(f) of our report of even date)

Report on the internal financial controls under clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of Seawoods Realty Private Limited ('the Company') as of 31 March 2017 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of internal financial controls over financial reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

Inherent limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

NOTES FORMING PART OF ACCOUNTS

A. SIGNIFICANT ACCOUNTING POLICIES

1. Statement of compliance

The Company's financial statements have been prepared in accordance with the provisions of the Companies Act, 2013 and the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 issued by Ministry of Corporate Affairs in respect of Section 133 read with Section 469 of the Companies Act, 2013.

2. Basis of accounting

The Company maintains its accounts on accrual basis following the historical cost convention. The guidance notes/ announcements issued by the Institute of Chartered Accountants of India (ICAI) are also considered, wherever applicable except to the extent where compliance with other statutory promulgations override the same requiring a different treatment.

Fair value measurements are arrived at by giving highest priority to quoted prices (unadjusted) in active markets for identical assets or liabilities that the company can access at measurement date. If quoted prices in active markets for identical assets and liabilities are not available, fair value measurements are based on a valuation technique that uses only data from observable markets. In the absence of quoted prices or data from observable markets, appropriate inputs which are not observable are used but are accorded lowest priority.

3. Presentation and disclosure of financial statements

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 ("the Act"). The Cash Flow Statement has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified Accounting Standards.

Amounts in the financial statements are presented in Indian Rupees rounded off to the nearest Rupee. Per share data are presented in Indian Rupees to two decimals places.

4. Operating cycle for current and non-current classification

Operating cycle for the business activities of the Company covers the duration of the specific project, wherever applicable and extends up to the realization of receivables (including retention monies) within the agreed credit period.

5. Revenue recognition

a) Interest income is accrued at applicable interest rates.

b) Dividend income is accounted in the period in which the right to receive the same is established.

c) Other items of income are accounted as and when the right to receive arises.

6. Tangible Fixed Assets

Fixed Assets are stated at original cost net of tax / duty credits availed, if any, less accumulated depreciation, accumulated amortization and cumulative impairment.

7. Investment property

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are measured in accordance with cost model and are stated at original cost net of tax/duty credits availed, if any, less accumulated depreciation and cumulative impairment.

8. Intangible assets and amortization

Intangible assets are stated at original cost net of tax duty credits availed if any, less accumulated amortisation and cumulative impairment.

9. Depreciation

Depreciation on assets has been provided on straight-line basis at the rates specified in the Schedule II of the Companies Act, 2013. Depreciation on additions/deductions to the fixed assets is calculated pro-rata from/to the month of additions/deductions.

10. Impairment of assets

As at each Balance Sheet date, the carrying amount of assets is tested for impairment so as to determine

a) The provision for impairment loss , if any and

b) The reversal of impairment loss recognized in previous periods, if any

Impairment loss is recognized when the carrying amount of an asset exceeds its recoverable amount.

Recoverable amount is determined:

a) In case of individual assets, at higher of the net selling price and the value in use;

b) In case of a cash generating unit (a group of assets that generates identified, independent cash flows), at higher of the cash generating unit's net selling price and value in use.

NOTES FORMING PART OF ACCOUNTS (CONTD.)

(Value in use is determined as the present value of estimated future cash flows from the continuing use of an asset and from its disposal at the end of the useful life.)

11. Leases

The determination of whether an agreement is, or contains, a lease is based on the substance of the agreement at the date of inception.

Assets acquired on leases where a significant portion of the risk and rewards of ownership are retained by the lessor are classified as operating leases. Lease rentals are accounted on accrual basis.

12. Financial instruments

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instruments. All financial assets are initially measured at fair value. Further, in case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial assets are also included in the initial measurement.

Financial assets are subsequently measured either at amortized cost or fair value.

(a) Investments in debt Instruments that meet the following conditions are subsequently measured at amortized cost:

   a. the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and

   b. The contractual terms of instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

   All other debt instruments are recognized in profit or loss.

(b) All other financial assets are measured at amortized cost.

13. Cash and Bank Balances

Cash and bank balances also include fixed deposits, margin money deposits, earmarked balances with banks and other bank balances which have restrictions on repatriation. Short term and liquid investments being not free from more than insignificant risk of change in value, are not included as part of cash and cash equivalents.

14. Inventories

Completed property / Work-in-progress (including land) in respect of property development activity is valued at cost (including related overheads) or net realisable value, whichever is lower.

In the case of qualifying assets, cost includes applicable borrowing costs vide policy relating to borrowing costs.

15. Borrowing costs

Borrowing costs that are attributable to the acquisition, construction or production of a qualifying asset are capitalized/ inventoried as part of cost of such asset till such time as the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale. All other borrowing costs are recognized as an expense in the period in which they are incurred.

16. Foreign currency transactions

(a) The reporting currency of the Company is Indian Rupee.

(b) Foreign currency transactions are recorded on initial recognition in the reporting currency, using the exchange rate at the date of the transaction. At the Balance Sheet date, foreign currency monetary items are reported using the closing rate. Non-monetary items, carried at historical cost denominated in a foreign currency, are reported using the exchange rate at the date of transaction.

Exchange differences that arise on settlement of monetary items or on reporting monetary items at each Balance Sheet date at the closing rate are recognised as income or expense in the period in which they arise.

17. Taxes on income

Tax on income for the current period is determined on the basis of taxable income and tax credits computed in accordance with the provisions of the Income-tax Act, 1961, and based on expected outcome of assessments / appeals.

Deferred tax is recognized on timing differences between the income accounted in financial statements and the taxable income for the year, and quantified using tax rates and laws enacted or substantively enacted as on the Balance Sheet date.

Deferred tax assets relating to unabsorbed depreciation/business losses/losses under the head “capital gains” are recognized and carried forward to the extent there is virtual certainty that sufficient future taxable income will be available against which such deferred tax asset can be realized.

Other deferred tax assets are recognized and carried forward to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax asset can be realized.

NOTES FORMING PART OF ACCOUNTS (CONTD.)

18. Provisions, contingent liabilities and contingent assets.

(i) Provisions are recognized for liabilities that can be measured only by using a substantial degree of estimation, if

a) The Company has a present obligation as a result of a past event

b) a probable outflow of resources is expected to settle the obligation and

c) the amount of obligation can be reliably estimated.

(ii) Reimbursement expected in respect of expenditure required to settle a provision is recognised only when it is virtually certain that the reimbursement will be received.

(iii) Contingent Liability is disclosed in the case of

a) A present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation.

b) A present obligation arising from the past events, when no reliable estimate is possible.

c) A possible obligation arising from past events, where the probability of outflow of resources is not remote.

(iv) Contingent Assets are neither recognised, nor disclosed.

(v) Provisions, Contingent Liabilities and Contingent Assets are reviewed at each Balance Sheet date.

19. Commitments

Commitments are future liabilities for contractual expenditure. Commitments are classified and disclosed as follows:

a) Estimated amount of contracts remaining to be executed on capital account are not provided for

b) Uncalled liability on shares and other investments partly paid

c) Other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.

Other commitments related to sales / procurements made in the normal course of business are not disclosed to avoid excessive details

20. Cash Flow Statement

Cash flow statement is prepared segregating the cash flows from operating, investing and financing activities. Cash flow from operating activities is reported using indirect method.

Under the indirect method, the net profit is adjusted for the effects of:

a) Transactions of a non-cash nature

b) Any deferrals or accruals of past or future operating cash receipts or payments and

c) Items of income or expense associated with investing or financing cash flows.

Cash and cash equivalents (including bank balances) are reflected as such in the Cash Flow Statement. Those cash and cash equivalents which are not available for general use as on the date of Balance Sheet are also included under this category with a specific disclosure.

2. INDIAN ACCOUNTING STANDARDS

Ministry of Corporate Affairs ('MCA') vide its notification dated February 16, 2015, notified the Indian Accounting Standards ('Ind AS') applicable to certain classes of companies. Accordingly, financial statements for the year ended March 31, 2017, have been prepared in compliance with Ind AS as prescribed under section 133 of the Companies Act, 2013, read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and financial statements for the year ended March 31, 2016, have also been restated as per Ind AS. Further, note 2a and note 2a in the notes to accounts in the standalone and consolidated financial statements, respectively, provides further explanation on the transition to Ind AS.

3. PERFORMANCE OF THE COMPANY

On standalone basis, revenue from operations and other income for the financial year under review were ₹ 63,812 Million as against ₹ 57,989 Million for the previous financial year registering an increase of 10.0%. The profit before tax was ₹ 11,842 Million and the profit after tax was ₹ 9,376 Million for the financial year under review as against ₹ 10,443 Million and ₹ 8,562 Million respectively for the previous financial year.

On consolidated basis, revenue from operations and other income for the financial year under review were ₹ 66,876 Million as against ₹ 60,361 Million for the previous financial year registering an increase of 10.8%. The profit before tax was ₹ 12,358 Million and the profit after tax was ₹ 9,709 Million for the financial year under review as against ₹ 10,347 Million and ₹ 8,365 Million respectively for the previous financial year.

4. MATERIAL CHANGES AND COMMITMENTS AFFECTING THE FINANCIAL POSITION OF THE COMPANY, BETWEEN THE END OF THE FINANCIAL YEAR AND THE DATE OF THE REPORT

There have been no changes and commitments affecting the financial position of the Company, between the end of the financial year and the date of the report.

5. **INITIAL PUBLIC OFFERING OF YOUR COMPANY**

Your Company undertook an Initial Public Offer ('IPO') of 17,500,000 equity shares of face value of ₹ 1 each at a price of ₹ 710 per equity share through an Offer for Sale by Larsen & Toubro Limited, the Promoter of your Company, including a discount of ₹ 10 per equity share on the offer price to Retail Individual Bidders.

The total offer aggregated to ₹ 12,364 Million and constituted 10.3% of your Company's post-offer paid-up equity share capital. Your Company's equity shares were listed on the National Stock Exchange of India Limited and the BSE Limited on July 21, 2016.

6. **CAPITAL EXPENDITURE**

On standalone basis, as at March 31, 2017, the gross fixed and intangible assets stood at ₹ 5,889 Million (previous year ₹ 5,480 Million) out of which assets amounting to ₹ 796 Million (previous year ₹ 1,015 Million) were added during the year and the net fixed and intangible assets stood at ₹ 2,871 Million (previous year ₹ 3,393 Million).

On consolidated basis, as at March 31, 2017, the gross fixed and intangible assets stood at ₹ 11,407 Million (previous year ₹ 11,082 Million) out of which assets amounting to ₹ 976 Million (previous year ₹ 1,346 Million) were added during the year and the net fixed and intangible assets stood at ₹ 5,432 Million (previous year ₹ 6,521 Million).

7. **DIVIDEND**

The Directors recommend payment of final dividend of ₹ 9.70 per equity share. During the year, your Company paid an interim dividend of ₹ 6.85 per equity share. The total dividend including the final dividend would amount to ₹ 16.55 per equity share.

The final dividend, if approved by the shareholders, would be paid/payable to those shareholders whose names appear in the Register of Members as on the Book Closure Dates mentioned in the notice of Annual General Meeting ('AGM') forming part of this report.

8. **BRANDING**

Digital disruption is challenging enterprises the world over to transform to newer business models by leveraging emerging technologies. In line with the pioneering role which LTI plays in bridging the convergence of the physical and digital world, your Company has also undergone a brand re-boot based on the brand idea 'Pioneering solutions in a converging world'. The tagline – 'Let's Solve' encapsulates the ability and willingness to solve complex challenges for the clients through your Company's real-word expertise and technological prowess. The new brand is truly a brand for the converging world.

9. **PEOPLE**

The IT Industry is going through a digital transformation and employees are on a continuous learning trajectory to stay relevant and add value to the organization. This is being successfully catered to by using the new digital learning delivery platform - 'Mosaic Academy'.

Your Company's social collaborative platform 'Workplace' has transformed the way employees interact socially as well as professionally. Special Interest Groups made on 'Workplace' has enhanced employee collaboration, helped resolve issues quickly and bring in a continuous learning culture.

'Policy Guru' – This is an initiative that was launched on 'Workplace' to co-create and engage employees in making policy changes and review them for continued relevance to employee's needs and current practices across the organization.

'Shadow the Leader' – This initiative was launched to engage and groom high potential talent. This helped employees connect with leaders personally and spend an entire day with them.

'Candid' – A team feedback to managers enabled through a mobile app was launched this year giving people an opportunity to share their experience with the manager.

'Leadership Talent Review' – Two dimensional reviews for leadership were done as a step to build the leadership pipeline. Actions have been taken on the basis of employee's performance, potential and aspirations to do different kinds of roles.

10. **INFRASTRUCTURE**

Your Company has the best infrastructure throughout offices in India and abroad. Your Company has been expanding its facilities to keep pace with revenue growth. Emphasis has been on adding capacity in SEZ locations for new & incremental business. The new units at Mindspace SEZ – Airoli, Hinjewadi-Pune, Gopalan SEZ Bengaluru and DLF SEZ Chennai were made operational during the year 2016-17.

Your Company added infrastructure space of 45,000 sq.ft., during the financial year 2016-17 taking the total area to 2,189,840 sq.ft. with 22,264 Seats in India.

11. QUALITY INITIATIVES

Your Company continues all-pervasive commitment to Quality with focus on client centricity and continuous improvements. Your Company has revamped the Quality policy to reflect the same this year. The new Quality policy states:

We strive to be the most client-centric partner by:

- Delivering rich and meaningful experiences to our clients and their customers.
- Continuously improving our services and solutions, with focus on agility and creativity.
- Nurturing an environment that promotes learning and growth.

Client centricity is driven from top transferring to at all levels of your Company and reflected in Company's initiatives.

Your Company continues to adhere to international certifications viz. ISO 9001, ISO 20000, ISO 27001 and ISO 14001 through combined external audit conducted by Bureau Veritas. During the year, your Company has transitioned the ISO 9001 certification to ISO 9001:2015 version and ISO 14001 certification to ISO 14001:2015 version. By transitioning to ISO 9001:2015 version, your Company has strengthened areas such as leadership commitment, risk based thinking and risk management, organization knowledge identification and retention.

Your Company has been successfully re-appraised on CMMI for Development V1.3 at Level 5, in 2016 for Development, Maintenance, Testing and ERP projects. Your Company continues to sustain the CMMI for Services V1.3 Level 5 certification, for which your Company was appraised in 2015. Your Company has also sustained the compliance to ISAE 3402 requirements for the projects in the Insurance domain across Business Units and also for client specific engagements in the Banking domain.

Your Company renewed the focus to deliver value to our clients through initiatives such as Beyond, Extreme Automation and Design Driven Delivery. Beyond initiative has brought in focus on innovation to deliver value to our clients. Extreme Automation has helped optimize our delivery execution and improve productivity. Design Driven Delivery suitably supported by Agile and DevOps methodologies, helps your Company to design and deliver client focused services and solutions.

Your Company has aligned and strengthened the management processes with focus on client centricity and delivery excellence. We continue to measure project level and leadership level client satisfaction. Various initiatives implemented during the year have helped to improve client satisfaction levels. Leadership level client experience has also significantly improved for our key accounts.

12. TRANSFER TO RESERVES

The Directors do not propose to transfer any amount to reserve.

13. DEPOSITS

During the year ended March 31, 2017, your Company has not accepted any public deposits and as such, no amount on account of principal or interest on public deposits was outstanding as on the date of the Balance Sheet.

14. DIRECTORS' RESPONSIBILITY STATEMENT

The Board of Directors hereby confirm that:

(i) in the preparation of the annual accounts, the applicable accounting standards have been followed and there has been no material departure;

(ii) the Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as on March 31, 2017 and of the profit of the Company for the year ended March 31, 2017;

(iii) the Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

(iv) the Directors have prepared the annual accounts on a going concern basis;

(v) the Directors have laid down an adequate system of internal financial controls to be followed by the Company and such internal financial controls are adequate and operating efficiently; and

(vi) the Directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

For shareholders who have not registered their email addresses, physical copies are sent in the permitted mode.

20. STATUTORY AUDITOR

The Auditors' Report to the shareholders does not contain any qualification and therefore does not call for any comments from Directors. Further the Auditors of the Company have not reported any fraud as specified under section 143(12) of the Companies Act, 2013.

The Statutory Auditor, M/s. Sharp & Tannan [ICAI Registration No. 109982W], have already completed more than ten years as Statutory Auditors of the Company.

Accordingly, as per section 139 of the Companies Act, 2013, M/s. Sharp & Tannan will cease to be the Statutory Auditors of the Company from the conclusion of the ensuing AGM. Hence, the Board, based on the recommendation of the Audit Committee, proposes the appointment of M/s. B. K. Khare & Co. [ICAI Registration No. 105102W] as the Statutory Auditors for a continuous period of 5 years from the conclusion of 21st AGM till the conclusion of 26th AGM of the Company, subject to approval of shareholders.

The Auditors, M/s. B. K. Khare & Co., have informed the Company that their appointment, if made, would be in line with the requirement laid under section 141 of the Companies Act, 2013. Further, the Auditors have confirmed that they have subjected themselves to the peer review process of Institute of Chartered Accountants of India ('ICAI') and hold a valid certificate issued by the Peer Review Board of the ICAI.

The Auditors have also furnished a declaration confirming their independence as well as their arm's length relationship with the Company and declared that they have not taken up any prohibited non-audit assignments for the Company.

21. SECRETARIAL AUDITOR

The Secretarial Audit Report issued by Ms. Naina Desai, Practicing Company Secretary, does not contain any qualification and is annexed as **Annexure B** to this Report.

22. CONSOLIDATED FINANCIAL STATEMENTS

The Consolidated Financial Statements pursuant to section 129(3) of the Companies Act, 2013, prepared in accordance with the Accounting Standards prescribed by the Institute of Chartered Accountants of India, forms part of this Annual Report. The Auditors report to the shareholders does not contain any qualification, observation or adverse comment.

23. CHANGES IN SHARE CAPITAL

During the financial year 2016-17, the Company allotted 754,925 equity shares of ₹ 1 each on exercise of the vested options by the eligible employees under the Employee Stock Option Schemes of the Company. Accordingly, the paid-up equity share capital of the Company increased from ₹ 169.82 Million to ₹ 170.57 Million.

Subsequent to March 31, 2017, the Company has further allotted 38,093 equity shares of ₹ 1 each on May 4, 2017, on exercise of vested options by the eligible employees under the Employee Stock Option Schemes of the Company. Consequent to the same, there has been an increase in the paid-up equity share capital of the Company to ₹ 170.61 Million.

24. ADEQUACY OF INTERNAL FINANCIAL CONTROLS

Your Company has designed and implemented a process driven framework for Internal Financial Controls ('IFC') within the meaning of the explanation to section 134(5)(e) of the Companies Act, 2013. For the year ended March 31, 2017, the Board is of the opinion that your Company has sound IFC commensurate with the nature and size of its business operations and operating effectively and no material weaknesses exist. Your Company has a process in place to continuously monitor the same and identify gaps, if any, and implement new and/or improved controls wherever the effect of such gaps would have a material effect on your Company's operations.

25. EXTRACT OF ANNUAL RETURN

The extract of annual return is annexed as **Annexure C** to this Report.

26. NUMBER OF MEETINGS OF THE BOARD OF DIRECTORS

The Board of Directors met 4 (four) times during the financial year. The details of the Board meetings and the attendance of Directors is provided in the **Annexure G** to this Report.

27. AUDIT COMMITTEE

The Board has constituted the Audit Committee in terms of the requirements of the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The details relating to the same are given in **Annexure G** to this Report.

28. VIGIL MECHANISM

The Whistle Blower Policy of the Company meets the requirement of the Vigil Mechanism framework under the Companies Act, 2013 ('Act'). The Audit Committee of the Company oversees the functioning of the Whistle Blower Policy.

As per the provisions of section 177(9) of the Act, the Company is required to establish an effective Vigil Mechanism for Directors and employees to report genuine concerns.

The Company has a Whistle Blower Policy in place since 2014 to encourage and facilitate employees to report concerns about unethical behavior, actual/suspected frauds and violation of the Company's Code of Conduct. The policy provides for adequate safeguards against victimisation of persons who avail the same and provides for direct access to the Chairperson of the Audit Committee. The Audit Committee of the Company oversees the implementation of the Whistle Blower Policy.

Information about the establishment of the Whistle Blower Policy is available on the Company's website, www.Lntinfotech.com/Investors. During the year, no personnel has been declined access to the Audit Committee, whenever desired.

29. RELATED PARTY TRANSACTIONS

The Audit Committee and the Board of Directors have approved the Related Party Transactions Policy and the same is available on the Company's website i.e www.Lntinfotech.com/Investors. The Company has a process in place to periodically review and monitor related party transactions.

During the year, all the related party transactions were in the ordinary course of business and at arm's length and were approved by the Audit Committee. There were no material transactions with related parties during the year that may have conflict with the interest of the Company.

30. SUBSIDIARY/ ASSOCIATE/JOINT VENTURE COMPANIES

As at March 31, 2017, the Company has 10 Subsidiaries including a Joint Venture. There has been no material change in the nature of the business of Subsidiaries.

- During the year, the Company acquired/formed following Subsidiary Companies:

Name of the Company	Type of equity shares	No. of equity shares
AugmentIQ Data Sciences Private Limited	Equity	1,102,419[1]
L&T Infotech S.de. RL. C.V	Equity	N. A.[2]

Notes:

1. The Company acquired 1,102,419 equity shares of ₹ 10 each of AugmentIQ Data Sciences Private Limited on November 30, 2016. Out of 1,102,419 equity shares of ₹ 10 each fully paid-up, 1,102,418 equity shares are held by the Company and 1 equity share is held by 1 individual jointly and on behalf of the Company.
2. L&T Infotech S.de. RL. C.V was incorporated as a Subsidiary on March 1, 2017, in Mexico with a registered minimum fixed capital of 3,000 Mexican Pesos. However, no investment has been made by the Company in L&T Infotech S.de. RL. C.V.

The Company has formulated a policy on the identification of material subsidiaries in line with Regulation 16(c) of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 and the same is available on the Company's website, www.Lntinfotech.com/Investors.

- **Performance and financial position of each Subsidiary/Associate and Joint Venture Companies:**

  A statement containing the salient features of the financial statement of subsidiaries/associate/joint venture companies as per form AOC-1 is annexed as **Annexure D** to this Report.

- **Update on Amalgamation of GDA Technologies Limited ('GDA') with the Company:**

  Pursuant to the Scheme of Amalgamation sanctioned by the Hon'ble High Court of Bombay vide its order dated April 1, 2016 and by the Hon'ble High Court of Madras vide its order dated August 3, 2016, GDA was amalgamated with the Company with effect from September 2, 2016, with the appointed date being April 1, 2016. Consequently, the entire business, assets, liabilities, duties and obligations of GDA have been transferred to and vested in the Company with effect from April 1, 2016.

- **Amalgamation of AugmentIQ Data Sciences Private Limited ('AugmentIQ') with the Company:**

  The Board of your Company and AugmentIQ in their meetings held on May 4, 2017 and May 3, 2017 respectively, approved the Scheme of Amalgamation ('Scheme') of AugmentIQ with the Company under section 230-232 of the Companies Act, 2013. The appointed date for the proposed Scheme is April 1, 2017.

31. PARTICULARS OF LOANS GIVEN, INVESTMENTS MADE, GUARANTEES GIVEN OR SECURITY PROVIDED

Your Company has disclosed the full particulars of the loans given, investments made or guarantees given or security provided in the notes forming part of the financial statements provided in this Annual Report.

32. EMPLOYEE STOCK OPTION SCHEMES

There has been no material change in the Employee Stock Option Schemes ('ESOP Schemes') during the financial year under review. The Employee Stock Ownership Scheme 2000 and the Employee Stock Ownership Scheme 2006 U.S. Stock Option Sub-Plan are in compliance with the then applicable Act and Regulations, if any. Further, the Employee Stock Option Scheme 2015 is in compliance with the Companies Act, 2013 and SEBI (Share Based Employee Benefits) Regulations, 2014 and the disclosures relating to the ESOP Schemes of the Company as required is available on the Company's website, www.Lntinfotech.com/Investors.

A Certificate obtained from the Statutory Auditors, confirming compliance with the Companies Act, 2013 and SEBI (Share Based Employee Benefits) Regulations, 2014 is given in **Annexure H** to this Report.

33. COMPANY POLICY ON DIRECTOR APPOINTMENT AND REMUNERATION

The Company has constituted the Nomination and Remuneration Committee in terms of the requirements of the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The details relating to the same are given in **Annexure G** to this Report.

The Committee has formulated a policy on Director's appointment and remuneration including recommendation of remuneration of Key Managerial Personnel and the criteria for determining qualifications, positive attributes and independence of a Director.

34. PERFORMANCE EVALUATION OF THE BOARD, ITS COMMITTEES AND DIRECTORS

The Nomination and Remuneration Committee and the Board have laid down the manner in which formal annual evaluation of the performance of the Board, its Committees, Chairman and individual Directors has to be made.

It includes circulation of questionnaires to all Directors for evaluation of the Board and its Committees, Board composition and its structure, its culture, Board effectiveness, Board functioning, information availability, etc. These questionaries' also cover specific criteria and the grounds on which all Directors in their individual capacity have been evaluated.

The inputs given by all the Directors were discussed in the meeting of the Independent Directors held on May 4, 2017, in accordance with Schedule IV of the Companies Act, 2013. The performance evaluation of the Board, its Committees, Chairman and Directors was also reviewed by the Nomination and Remuneration Committee and the Board of Directors.

35. DISCLOSURE OF REMUNERATION

The details of remuneration as required under section 197(12) of the Companies Act, 2013 ('Act') and Rule 5(1) of the Companies (Appointment & Remuneration of Managerial Personnel) Rules, 2014 as amended from time to time, is provided in **Annexure E** to this Report.

The details of employees receiving remuneration as mentioned in Rule 5(2) & 5(3) of the Companies (Appointment & Remuneration of Managerial Personnel) Rules, 2014 as amended from time to time is provided in **Annexure I** to this Report. In terms of section 136(1) of the Act and the rules made thereunder, the Report and Accounts are being sent to the shareholders excluding the aforesaid Annexure. Any shareholder interested in obtaining copy of the same may write to the Company Secretary/Compliance Officer. None of the employees listed in the said Annexure is related to any Director of the Company.

36. STAKEHOLDERS' RELATIONSHIP COMMITTEE

The Board has constituted the Stakeholders' Relationship Committee in terms of the requirements of the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The details relating to the same are given in **Annexure G** to this Report.

37. DECLARATION BY INDEPENDENT DIRECTORS

The Company has received Declaration of Independence from its Independent Directors as stipulated under section 149(7) of the Companies Act, 2013 confirming that they meet the criteria of Independence. The same is available on the Company's website, www.Lntinfotech.com/Investors.

38. INDEPENDENT DIRECTORS MEETING

As per Schedule IV of the Companies Act, 2013, Secretarial Standards-1 ('SS-1') read with the Guidance Note on SS-1 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the meeting of the Independent Directors was held on May 4, 2017.

39. COMPLIANCE WITH SECRETARIAL STANDARDS

The Company has complied with Secretarial Standards issued by the Institute of Company Secretaries of India on Board Meetings and General Meetings.

40. CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO

ANNEXURE A

Annual Report on Corporate Social Responsibility ('CSR') activities for financial year 2016-17

1. A Brief outline of the Company's CSR policy, including overview of projects undertaken and a reference to web link to the CSR policy and projects or programs:

The CSR policy and CSR policy framework is available on the Company's website, www.Lntinfotech.com/social-responsibility. The CSR policy framework states the thrust areas as IT Skills, Education including support for educational institutions, Women Empowerment and Environment in which the Company does CSR Projects. We have continued the commitment of empowering youth through our IT skills program.

a. IT skills for employment

The IT Skills program imparts computer training to youth through the community computer centers. Your Company has added programs for ERP skills such as Tally, and hardware and networking courses in Mumbai and Chennai in collaboration with various NGOs. The Digital Sakshar program and the Rural BPO project are two key IT Skills projects. The Digital Sakshar project in Mumbai helps youth learn computer skills based on market requirements. The Rural BPO project in Sonari, UP and Budhni, MP has generated employment for youth in rural areas.

70 computer centers have been established in the financial year 2016-17, to teach IT & Soft Skills programs. In all 17,500 youth have successfully completed the course.

b. IT skills for employment of differently abled

Your Company has continued its support to the differently abled through the CSR programs. In addition to the volunteers supporting the Talking Books project; your Company has also set up special computer training centers for the differently abled in data entry in association with NGO's in Mumbai and Chennai which has resulted in generating employment for them.

c. Support Education in schools

Your Company has provided computers to the schools to help the school children learn basic computer skills. Using technology, your Company has set up virtual classrooms in schools and connected them to the Company's office premises from where employees of the Company teach children remotely. The volunteers enthusiastically supported these projects in Bengaluru and Chennai. The volunteers enjoy teaching science and mathematics to the children using innovative methods.

The Junior Aryabhatta program in Pune helps develop computer skills in children from 20 Government schools, using mini laptops.

The Introduction to Basic Technology project helps rural youth in drought prone Pune area learn vocational skills by experimentation and encourages rural entrepreneurship. Vocational skills in electronics, engineering, agriculture and food processing are taught through the program to make learning enjoyable for children. We run a similar program in Mangaon in Maharashtra.

This year your Company has collaborated with academia to support the Industrial Internet of Things ('IIoT') project in association with VJTI in Mumbai. The project addresses issues like condition monitoring, predictive maintenance, energy forecasting and remote asset management which will help make renewable sources more affordable.

Your Company has supported the Akshayapatra project in Bengaluru where wholesome meals are provided to 17,500 school children from marginalized areas. This has helped reduce the drop-out rate in schools.

Through the education initiatives your Company has supported 221 schools which has impacted the lives of 47,500 school children.

d. Women Empowerment

Your Company encourages women entrepreneurs from marginalized communities, by providing space at the Company's campus for exhibitions. Your Company has supported the project developed by an NGO, for setting up of Papad making and Packaging unit, Tailoring and Beautician courses for women in rural areas of Satara, Maharashtra. This project has helped women use their talent and create local employment. At Navi Mumbai, your Company has set up community centers to impart livelihood skills such as tailoring. Women empowerment initiatives have impacted 4,100 women.

e. Environment

Environment conservation activities like tree plantation, energy & water saving, paper recycling, e-waste collection drives have been organized. Your Company has introduced the tree plantation certificates instead of giving bouquets. This year your Company has planted hundreds of trees in the forests of Rajasthan and Karnataka through this initiative.

f. Chennai Cyclone Relief

This year Chennai witnessed a natural disaster in form of cyclone which caused heavy damage. An NGO at Kasuva, with whom your Company has been working with, suffered heavy property damage to their community center. Your Company has helped them reconstruct their premises by installing new solar panels and constructing new compound wall.

g. **Employee Volunteering**

Our 1Step employee engagement initiative actively supports the CSR programs. In financial year 2016-17, 4,627 1Step volunteers [(4,576 volunteers in financial year 2015-16)] helped teach underprivileged youth and children, donated blood during our blood donation drives, shopped for a cause and helped conserve the environment. The total beneficiaries covered by your Company were 71,124 doubling from the previous year.

2. The Composition of the CSR Committee:
   i. Mr. S. N. Subrahmanyan - Chairman
   ii. Mr. Sanjay Jalona - Member
   iii. Mr. M. M. Chitale[1] - Member
   iv. Mr. Arjun Gupta[1] - Member

   Note: 1. Mr. Arjun Gupta was inducted as a member in place of Mr. M. M. Chitale w.e.f. November 9, 2016.

3. Average net profit for the last three years: 8,674.82 Million

4. Prescribed CSR expenditure (Two percent of the amount as in item 3 above): 173.49 Million

5. Details of CSR spent during the financial year:
   i. Total amount spent for the financial year 2016-17: 64.90 Million
   ii. Amount unspent, if any: 108.59 Million
   iii. Manner in which the amount was spent during the financial year 2016-17: attached

6. In case the Company has failed to spend 2% of the average net profit of the last three financial years or any part thereof, the Company shall provide reasons for not spending the amount in its Directors' Report:

   Your Company's CSR projects are multi-year projects. Your Company believes in creating sustainable programs that empowers communities. This year, our focus was to meet the project goals and create standards for reporting and monitoring. Due diligence process has been followed during the entire project cycle. We are evaluating communities to expand our projects.

7. A responsibility statement of the CSR Committee that the implementation and monitoring mechanisms are in compliance with its CSR objectives and CSR policy & its framework.

   The CSR Committee hereby affirms that:

   - The Company has duly formulated a CSR Policy Framework which includes formulation of CSR Theme, CSR budget and roles and responsibilities of the Committee, CSR team formed for implementation of the CSR programs; and
   - The Company has constituted a mechanism to monitor and report on the progress of the CSR programs;

   The activities undertaken by the Company as well as the implementation and monitoring mechanisms are in compliance with its CSR objectives and CSR policy and its framework.

ANNEXURE B

Form No. MR-3
Secretarial Audit Report
for the financial year ended March 31, 2017

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule no.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,

LARSEN & TOUBRO INFOTECH LIMITED

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **LARSEN & TOUBRO INFOTECH LIMITED** (hereinafter called 'the Company'). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on March 31, 2017, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2017 according to the provisions of:

(i) The Companies Act, 2013 (the Act) and the rules made thereunder;

(ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;

(iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;

(iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;

(v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'), **as applicable:-**

  a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

  b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992; **presently, (Prohibition of Insider Trading) Regulations, 2015;**

  c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;

  d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999; **presently (Share Based Employee Benefits) Regulations, 2014;**

  e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;

  f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;

  g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and

  h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;

(vi) Other specific business/industry related laws that are applicable to the Company, viz. -

- The Information Technology Act, 2000
- The Special Economic Zone Act, 2005
- Policy relating to Software Technology Parks of India and its regulations
- The Indian Copyright Act, 1957
- The Patents Act, 1970
- The Trade Marks Act, 1999
- Indian Telegraph Act
- Telecom Regulatory Authority of India (TRAI)/ Department of Telecommunication (DOT) Guidelines
- Other Service Provider Guidelines (Governed by DOT)

I have also examined compliance with the applicable clauses of the following:

i. Secretarial Standards issued by The Institute of Company Secretaries of India.

ii. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and the Listing Agreements entered into by the Company with Stock Exchange(s), applicable as follows:

- Equity Shares listed on BSE Limited and National Stock Exchange of India Limited.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

I further report that, in my opinion there are adequate systems and processes in the Company which is commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period the following events/ actions have taken place which have a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc., like -

(i) Public/Right/Preferential issue of Equity Shares/ Debentures/Sweat Equity, etc. –

- Completion of initial public offering of the Company, wherein the Promoter 'Larsen & Toubro Limited' ('Holding Company') diluted its Shareholding by Offering 17,500,000 equity shares of ₹ 1/- each of the Company. Accordingly, the Company got its equity shares listed on July 21, 2016 on National Stock Exchange of India Limited and BSE Limited.
- Allotment of 737,275 equity shares of ₹ 1/- each, under the Employees Stock Ownership Scheme-2000; and
- Allotment of 17,650 equity shares of ₹ 1/- each under Employees Stock Ownership Scheme-2006 U.S. Stock Option Sub-plan.

(ii) Redemption/buy-back of securities – NIL.

(iii) Major decisions taken by the members in pursuance to section 180 of the Companies Act, 2013 – NIL.

(iv) Merger/amalgamation/reconstruction, etc. –

- Pursuant to the Scheme of Amalgamation sanctioned by the Hon'ble High Court of Bombay vide its order dated April 01, 2016 and by the Hon'ble High Court of Madras vide its order dated August 3, 2016, GDA Technologies Limited ('GDA'), wholly-owned subsidiary of the Company was amalgamated with the Company with effect from September 2, 2016 with appointed date being April 01, 2016. Consequently, the entire business, assets, liabilities, duties and obligations of GDA have been transferred to and vested in the Company with effect from April 1, 2016.

(v) Foreign technical collaborations – NIL.

(vi) Other Event –

- The Company in its meeting held on July 28, 2016, gave their in principle approval for the acquisition of an Analytics Startup and constituted a specific committee to undertake the acquisition. The Company signed a definitive agreement on October 25, 2016 to acquire AugmentIQ Data Sciences Private Limited ('AugmentIQ'), Pune. The acquisition of AugmentIQ was completed by the Company on November 30, 2016.

Naina R Desai
Practising Company Secretary

b) Shareholding of Promoters

S.N.	Shareholder's Name	Shareholding at the beginning of the year			% change in shareholding during the year			
		No. of Shares	% of Total Shares of the Company	% of Shares Pledged/ encumbered to Total Shares	No. of Shares	% of Total Shares of the Company	% of Shares Pledged/ encumbered to Total Shares	% change in shareholding during the year
1	Larsen & Toubro Limited	161,250,000	94.96	0.00	143,750,000	84.28	0.00	10.68
	TOTAL	**161,250,000**	**94.96**	**0.00**	**143,750,000**	**84.28**	**0.00**	**10.68**

c) Change in Promoters' Shareholding:

S.N.	Particulars	Shareholding at the beginning of the year		Cumulative Shareholding during the year	
		No. of Shares	% of Total Shares of the Company	No. of Shares	% of Total Shares of the Company
	At the beginning of the year	161,250,000	94.96	-	-
	Date wise Increase/Decrease in Promoters Shareholding during the year specifying the reasons for increase/decrease (e.g. allotment/transfer/bonus/ sweat equity etc.)	(17,500,000) [1]	(10.30)	143,750,000	84.64
	At the end of the year	-	-	143,750,000	84.28 [2]

Notes:

1. The change in the Promoters' shareholding is pursuant to Offer for Sale of 17,500,000 equity shares by the Promoter in the Initial Public Offer of the Company.
2. Further change in the percentage of shareholding at the end of the year is due to periodic allotment of equity shares under the Employee Stock Option Schemes of the Company during the financial year 2016-17.

d) Shareholding Pattern of top ten Shareholders (other than Directors, Promoters and Holders of GDRs and ADRs):

S.N.	For Each of the Top 10 Shareholders	Date of Transaction	Shareholding at the beginning of the year		Increase/ decrease in shareholding	Cumulative Shareholding during the year

Notes:

1. The Subsidiary in Mexico named 'L&T Infotech S.de. RL. C.V' is yet to commence business.
2. Larsen & Toubro Infotech Canada Limited has paid interim dividends amounting to INR 51.11 Million.
3. L&T Infotech Financial Services Technologies Inc. has paid interim dividends amounting to INR 88.17 Million.
4. Larsen And Toubro South Africa (Pty) Limited has paid interim dividends amounting to INR 19.91 Million.

ANNEXURE E

Statament of disclosure of remunerartion under section 197 of the Companies Act, 2013 and rule 5(1) of Companies (Appointment and Remuneration of Mangerial Personnel) Rules, 2014

A Ratio of the remuneration of each director to the median remuneration of the employees of the Company for the financial year 2016-2017, the percentage increase in remuneration of each Director & Key Managerial Personnel ('KMP') during the financial year 2016-17:

Name of the Director/ KMP	Designation	Total Remuneration (INR Mn)	Ratio of remuneration of Director to the median remuneration[1]
Mr. A. M. Naik	Non-Executive Chairman	-	-
Mr. S. N. Subrahmanyan	Non-Executive Vice Chairman	-	-
Mr. Sanjay Jalona[2]	Chief Executive Officer & Managing Director	80.46	117.12
Mr. R. Shankar Raman	Non-Executive Director	-	-
Mr. Aftab Zaid Ullah[3]	Chief Operating Officer & Whole-time Director	47.96	69.81
Mr. Sudhir Chaturvedi[4]	President-Sales & Whole-time Director	39.05	103.23
Mr. Samir Desai[5]	Independent Director	3.39	4.93
Mr. M. M. Chitale[6]	Independent Director	2.43	3.54
Ms. Vedika Bhandarkar	Independent Director	1.73	2.52
Mr. Arjun Gupta[5]	Independent Director	2.26	3.29
Ms. Subhalakshmi Panse	Independent Director	0.55	1.85
Mr. Sanjeev Aga	Independent Director	0.28	1.04
Mr. Ashok Kumar Sonthalia	Chief Financial Officer	11.54	NA
Mr. Subramanya Bhatt	Company Secretary	1.89	NA
Mr. Rajesh S. Narang	Company Secretary	2.89	NA

Notes:

1 Ratio of remuneration of director to the median remuneration is calculated on pro-rata basis for those directors who served for only part of the financial year 2016-17.

2 Mr. Sanjay Jalona has been paid remuneration in USD, for the part of the year. Accordingly, the figure mentioned above is INR equivalent of USD.

3 Mr. Aftab Zaid Ullah, Chief Operating Officer was appointed as the Whole-time Director w.e.f. November 9, 2016. The remuneration above includes part of the remuneration of financial year 2015-16.

4 Mr. Sudhir Chaturvedi, President - Sales was appointed as the Whole-time Director w.e.f. November 9, 2016. The remuneration above is for the period September 12, 2016 to March 31, 2017. Mr. Sudhir Charurvedi has been paid remuneration in GBP and accordingly, the figure mentioned above is in INR equivalent of GBP.

5 The Board has approved Commission of USD 47,500 to Mr. Samir Desai and USD 31,500 to Mr. Arjun Gupta for financial year 2016-17. The figure mentioned above is INR equivalent of USD.

6 The percentage increase in remuneration of Mr. M. M. Chitale is not comparable as no commission was paid for financial year 2015-16.

7 The percentage increase in remuneration of Mr. Samir Desai and Ms. Vedika Bhadarkar was (17.32)% and 60.19%, respectively. The percentage increase in remuneration of other Directors and KMP is not comparable as they were with the Company only for part of the financial year 2015-16 or 2016-17.

B Average percentile increase already made in the salaries of employees other than the managerial personnel in the last financial year and its comparison with the percentile increase in the managerial remuneration and justification thereof and point out if there are any exceptional circumstances for increase in the managerial remuneration:

The average annual increase was around 9% in India and around 3% outside India. Increase in the managerial remuneration for the financial year 2016-17 is not comparable due to the changes in the Directors being appointed/ resigned during the financial year 2015-16 and 2016-17 and the same has been explained above.

C The percentage increase in the median remuneration of employees in the financial year 2016-17: 3.40%

D Number of permanent employees on the rolls of company as on March 31, 2017: 19,834 excluding employees of Subsidiary Companies

E Affirmation that the remuneration is as per the remuneration policy of the Company:

The Company affirms that the remuneration is as per the remuneration policy of the Company.

ANNEXURE F

Conservation of Energy, Technology Absorption, Foreign Exchange earnings and outgo

A. CONSERVATION OF ENERGY

(i) Steps taken for conservation of energy:

Your Company realize the importance of sustainable habitat and energy conservation. Our strategies and actions reflect our commitment towards reduction of the carbon footprint by reducing energy consumption. We have adopted a multi-pronged strategy to integrate energy efficiency into overall operations across all centers. Some of the key initiatives are:

1. Increasing focus on procurement of energy efficient equipment.
2. Improved monitoring of energy consumption through smart metering and integration with building management system.
3. Following projects have been implemented which resulted in a saving of 27.23 Lakh units across all centers, equivalent to 8.8% of the current year energy consumption.
   a. Replacement of CFL by Energy Efficient LED Lamps.
   b. Installation of Lighting transformers - Electromisers
   c. Installation electrically operated Solenoid Dampers to isolate Central AC from unoccupied areas or intermittently occupied areas like conference/ discussion rooms, office areas eventually decreasing load on the AHU's.
   d. Optimal usage of AC plants, Chiller's secondary pump provided with variable frequency drives to regulate the power consumption as per occupancy.
   e. Motion sensors have been affixed at locations where energy usage is not continuous.

(ii) Steps taken by the Company for utilising alternate sources of energy: The Company's operations being not energy-intensive, no steps have been taken by the Company for utilising alternate source of energy.

(iii) Capital investment on energy conservation equipments: ₹ 16 Million

B. TECHNOLOGY ABSORPTION & RESEARCH AND DEVELOPMENT

In a rapidly changing global landscape where disruption is the new normal, your Company is leveraging technology to create sustainable advantage not only for itself but more importantly, for its clients. As Industry 4.0, slowly but surely assumes shape, exponential technologies are turning business models upside-down. Enterprises, the world over are looking towards partners who not only understand domain but also have the technology expertise in helping them navigate through these challenging times. While your Company has the real-world expertise in diverse domains, it has also invested consciously towards building expertise in exponential technologies namely in the areas of Analytics, Internet-of-Things ('IoT'), Artificial Intelligence ('AI'), Automation and so on. These are further enumerated below.

Analytics

Your Company is focused on creating possibilities and delivering business outcomes through its mature offerings for Advanced Analytics, Data Science, Data Visualization, Big Data, EPM and Information Management. It offers a wide range of services with respect to Analytics-as-a-Service, Data-as-a-Service, Big Data and Advanced Analytics solutions across various verticals, addressing their business requirements.

Enterprises today have access to unprecedented volumes of data, originating from social media, connected devices, as well as transactional data and enterprise data sets. With smart strategies and the right Big Data solutions, they can convert this huge treasure-trove of data into a core strategic asset. Data Monetization is the new untapped uncovered market to focus upon. The Company focusses on AoT (Analytics of Things) solutions, delivering Analytics use cases through convergence of Physical (IoT and IIoT) and Digital data. We also provide Geospatial-based Analytics for managing catastrophe impact to supply chain, workforce and insurance.

L&T's heritage instils an engineering mindset, which has helped your Company create a complex platform (Mosaic Decisions) with entire Data Fabric, Analytics, Machine Learning and Visualization capabilities stitched together to deliver a seamless experience. A strategic investment in this direction was AugmentIQ Data Sciences Private Limited, an innovative start-up offering IP-based, big data and analytics solutions. MaxIQ platform from AugmentIQ integrates with Mosaic Decisions as a pivotal base. Mosaic Decisions, powered by MaxIQ, is a Cloud-based, infra-to-insights analytics platform, designed to simplify analytics and deliver real-time, secure and actionable insights to business for competitive advantage. It helps in crowdsourcing of information & democratised data science for rapid prototyping, data discovery to derive hidden insights. Distributed computing/ storage, streaming analytics, time-series analytics, machine learning and advanced visualization are areas of prime focus. This also largely compliments the prior investments made by the Company to build a strong Advanced Analytics & Big Data practice. Your company extensively leverages an ecosystem of start-ups, academia and industry consortiums to drive innovation in Data and Analytics economy.

Benefits derived:

- Analytics-as-a-Service and Data-as-a-Service offerings, driving transformational business outcomes at speed and scale
- Accelerated Data-to-Insight-to-Action cycle by leveraging pre-built solutions and accelerators
- Faster data ingestion and orchestration due to abstraction of complexity in the data layer
- Cloud-native usage, deployment and monitoring, ensuring lower capex and pay-per-use service delivery

Cognitive/ AI

Driving enterprise-wide digital transformation initiatives to harness organizational efficiency and enhance customer experience requires strategic investments in solutions that leverage AI and cognitive computing. Your Company is working with dedicated efforts & investments to devise 'AI bots' that intelligently automate repetitive workflows for straight-through processing, boosts productivity and optimizes operational costs. Your Company's Mosaic AI platform is a comprehensive AI-based solution suite which helps businesses accelerate operational digitization. Your Company is working on Deep Learning and Cognitive Computing to extract value from Natural Language Processing, with audio-visual integration, thus catalysing Intuitive User Engagement.

IoT

Your Company has a dedicated IoT practice, which enables clients to become more competitive in the new age economy by connecting the physical world with digital possibilities. Encompassing everything, right from more smart sensors to connected machinery, communication to real-time analytics & visualizations, the service offerings are oriented towards enhancing operations & production. The I2D Framework of Imagine, Innovate & Disrupt, helps to expand the sphere of innovation beyond enhanced performance & cost efficiency, to a paradigm of a connected and smarter organization. Your Company's top service offerings include: Asset Performance Management, Smart Manufacturing, Intelligent Supply Chain, Remote Operations Center and Industrial Cyber Security. The company is involved in crucial solution integration and value added reselling partnerships with industry-leading IoT platforms such as GE Predix, etc. These investments are already starting to yield results in client engagements and analyst interactions.

Automation

The concept of automation has evolved from deterministic automation where repetitive processes were automated to smart automation that employs artificial cognition and heuristics. Clients are moving beyond mere process automation and implementing cutting-edge tools such as artificial neural networks, distributed control systems, human machine interfaces and robotics. Your Company aims to firstly integrate automation tools in existing business workflows by leveraging process consulting capabilities, proven technical expertise and develop strategies based on DevOps and lean methodologies.

The strategic investment in this area includes a Mosaic automation platform which covers all aspects of automation, including robotic process automation, machine learning, software-defined everything, design thinking and includes a reusable asset library that fast-tracks implementation. Using comprehensive automation framework and process re-engineering toolkit, companies can effectively drive strategic initiatives across business transformation, cost reduction and service experience enhancement.

Your Company undertook an enterprise-wide automation initiative to improve Service Delivery efficiency using the Mosaic Framework. The initiative yielded tangible service cost reduction benefits in 200+ chosen engagements. Your Company has launched 5 Mosaic automation solutions, targeting IT service delivery automation that enabled multi-year AMS/ IMS deal wins throughout the year.

Block Chain

Your Company has a mature Blockchain practice and is working with global clients in BFS, Insurance, Energy & Utilities, Media and Entertainment and Manufacturing to build industry solutions to deliver exponential operational efficiencies. Your Company has built 12 solutions on Blockchain technology in various areas like Trade Finance, Travel Insurance and Supply Chain on various platforms like Ethereum, Hyperledger and Corda.

Total Expenditure on R&D

(₹ Million)

S. N.	Expenditure on R&D	Amount
A	Capital	14
B	Recurring	256

ANNEXURE G

Corporate Governance Report

1. COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE

Your Company derives its values from the rich legacy of fair and transparent governance and disclosure practices followed by the L&T group. In line with the group philosophy, the Company constantly endeavors to benchmark itself with the best practices in the IT industry. The Company continues to focus its resources, strengths and strategies to achieve its vision of becoming a true global leader in software services, while upholding the core values of excellence, integrity, responsibility, unity and understanding, which are fundamental to the L&T group.

The Company has established systems and procedures to ensure that its Board of Directors are well informed and well equipped to fulfill its overall responsibilities and to provide management with the strategic direction needed to create long term shareholders value.

A report on compliance with the requirements stipulated under Regulation 17 to 27 and clauses (b) to (i) of sub-regulation (2) of Regulation 46 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations'), as applicable, with regard to corporate governance is given below.

2. BOARD OF DIRECTORS

As on March 31, 2017, the Board comprises of 12 Directors, of which, 3 Directors are Executive, 3 are Non-Executive and 6 are Independent Directors. Mr. A. M. Naik is the Non-Executive Chairman of the Company.

The composition of the Board, as on March 31, 2017, is in conformity with the provisions of the Companies Act, 2013 and Regulation 17 of the SEBI Listing Regulations.

The Board meets at least four times during the financial year and gap between 2 consecutive meetings is not more than 120 days. Additional meetings are held, if deemed necessary to conduct the business.

During the year ended March 31, 2017, the Board met 4 (four) times on April 26, 2016, July 28, 2016, November 9, 2016 and January 23, 2017. The Agenda of the Meeting is circulated to the Directors in advance. Minutes of the Meetings of the Board of Directors are circulated amongst the Members of the Board for their perusal.

The composition of the Board and Directors' attendance at the Board Meetings held during the year is as follows:

Name of the Director	Category	DIN	Meetings held during the year	Attendance at Board Meetings	Attendance at Last AGM
Mr. A. M. Naik	Non-Executive Chairman	00001514	4	4	Yes

8. DIRECTORS FAMILIARISATION PROGRAMME

The Board of Directors undertakes periodic review of various matters such as business strategies, treasury policy, review of Internal Audit, risk management framework, new initiatives of the Company, changes in domestic/overseas legislation including their effect on the Company and the IT Industry. Independent Directors are informed of the various developments in the Company from time to time including showcasing new technologies of Company. The Information is also available on the Company's website, www.Lntinfotech.com/Investors.

9. INFORMATION TO DIRECTORS

Systems, procedures and resources are in place to ensure that every Director is supplied, in a timely manner, with precise and concise information in a form and of a quality appropriate to effectively enable/discharge his/her duties. The Directors are given time to study the data and contribute effectively to the Board discussions. The Non-Executive Directors through their interactions and deliberations give suggestions for improving overall effectiveness of the Board and its Committees.

10. DISCLOSURE UNDER THE SEXUAL HARASSMENT OF WOMEN AT WORKPLACE (PREVENTION, PROHIBITION AND REDRESSAL) ACT, 2013

The Company has in place an Anti-Sexual Harassment Policy in line with the requirements of The Sexual Harassment of Women at Workplace (Prevention, Prohibition & Redressal) Act, 2013 ('Act'). Internal Complaints Committee has been constituted as per the Act, to redress the complaints received regarding sexual harassment. All employees (permanent, contractual, temporary, trainees) are covered under this policy. During financial year 2016-17, the Company has received one complaint on sexual harassment, which has been resolved with appropriate action taken by the Internal Complaints Committee.

11. COMPLIANCE MONITORING SYSTEM

The Company believes that statutory compliance has become a catalyst for Corporate Governance and that a good statutory compliance system has become vital for effective conduct of business operations. Organization operations are spread across the globe, hence it becomes imperative and an obligation for the Organization to comply with legal and regulatory laws of various countries.

Keeping this in mind, a comprehensive enterprise compliance management process, has been deployed across the Company. The Company ensures compliance of all applicable laws globally. Under this system, identified key stakeholders, across business units, corporate functions and geography heads, ensure and confirm compliance with the provisions of all applicable laws on a continuous basis and a certificate is presented to the Board every quarter, confirming the status of compliances along with remediation plan for non-compliances, if any. Any changes in the applicable regulations are also updated and monitored by respective functions. Compliance confirmation process is managed centrally at Corporate level. Compliance issues, if any are remediated by taking timely action.

12. SECURITIES DEALING CODE

The Board of Directors of the Company have approved the Securities Dealing Code ('the Code') as per the requirements of the SEBI (Prohibition of Insider Trading) Regulations, 2015. The objective of the Code is to prevent dealing in the shares of the Company by an Insider while in possession of information known only to them, and not yet made publicly available by the Company, which, when made publicly available, can materially impact the price of the Company's securities. The Code is applicable to all Directors, employees, their immediate relatives and connected persons. For Directors and specified employes designated under the Code, to deal in the Company's shares beyond threshold limit, permission of Compliance Officer is required.

Ms. Angna Arora, Head-Secretarial is designated as the Compliance Officer while Mr. Ashok Kumar Sonthalia is appointed as the Chief Investor Relation Officer.

The Company's Code of practices and procedures for fair disclosure of unpublished price sensitive information is made available on the Company's website, www.Lntinfotech.com/Investors

Independent Auditors' Certificate on Corporate Governance

To the Members of Larsen & Toubro Infotech Limited

1. We have examined the compliance of conditions of corporate governance by Larsen & Toubro Infotech Limited ('the Company'), for the year ended on 31 March 2017, as stipulated in regulation 17 to 27 and clause (b) to (i) of regulation 46(2) and paragraphs C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations').

MANAGEMENT'S RESPONSIBILITY

2. The compliance of conditions of corporate governance is the responsibility of management. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure compliance with the conditions of corporate governance stipulated in the SEBI Listing Regulations.

AUDITORS' RESPONSIBILITY

3. Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the corporate governance. It is neither audit nor expression of opinion on the financial statements of the Company.

4. We have examined the books of accounts and other relevant records and documents maintained by the Company for the purpose of providing reasonable assurance on the compliance with corporate governance requirements by the Company.

5. We have carried out an examination of the relevant records of the Company in accordance with the Guidance Note on Certification of Corporate Governance issued by the Institute of Chartered Accountants of India ('the ICAI'), the Standards on Auditing specified under section 143(10) of the Companies Act, 2013, in so far as applicable for the purpose of this certificate and as per the Guidance Note on Reports or Certificates for Special Purpose issued by the ICAI which requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.

6. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

OPINION

7. Based on our examination of the relevant records and according to the information and explanation provided to us and representations provided by management, we certify that the Company has complied with the conditions of corporate governance as specified in regulation 17 to 27, clause (b) to (i) of regulation 46(2) and paragraphs C, D and E of Schedule V of the SEBI Listing Regulations, as applicable during the year ended 31 March 2017.

8. We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

RESTRICTION ON USE

9. The certificate is issued solely for the purpose of complying with the aforesaid SEBI Listing Regulations and may not be suitable for any other purpose.

ANNEXURE H

Independent Auditors' certificate on Employee Stock Option Schemes

1. We have examined Employee Stock Ownership Scheme, 2000, Employee Stock Ownership Scheme, 2006 U. S. Stock Option Sub-Plan and Employee Stock Option Scheme, 2015 ('the Schemes') of Larsen & Toubro Infotech Limited ('the Company'), books of accounts and other relevant records to determine whether the Schemes are in accordance with the rules specified under the Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 (as amended) ('the Regulations') and in accordance with the resolutions passed in the general meetings held on 13 March 2000, 16 December 2005, 7 December 2006, 14 September 2015 ('the General Meetings') and as per postal ballot dated 8 September 2016.

MANAGEMENT'S RESPONSIBILITY

2. Management is responsible for maintaining the information and documents, which are required to be kept and maintained under the relevant laws and regulations and implementing the Schemes in accordance with the Regulations and the resolutions passed at the General Meetings.

AUDITORS' RESPONSIBILITY

3. Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring implementation of the Schemes in accordance with the applicable Regulations and in compliance with Companies Act, 2013/ 1956 and Rules made thereunder and the resolutions passed at the General Meetings. It is neither audit nor expression of opinion on the financial statements of the Company.

4. We have examined the books of accounts and other relevant records and documents maintained by the Company for the purpose of providing reasonable assurance on the implementation of the Schemes by the Company in accordance with the Regulations and in compliance with Companies Act, 2013/ 1956 and Rules made thereunder and the resolutions passed at the General Meetings.

5. We have carried out an examination of the schemes, books of accounts and other relevant records of the Company in accordance with the Guidance Note on Reports or Certificates for Special Purpose (Revised 2016) issued by the Institute of Chartered Accountants of India ('the ICAI'), which requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.

6. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and related services engagements.

OPINION

7. Based on our examination of the relevant records and according to the information and explanation provided to us and representations provided by management, we certify that the Company has implemented the Schemes in accordance with the applicable Regulations and in compliance with Companies Act, 2013/ 1956 and Rules made thereunder and as per the shareholders resolutions of the Company in general meetings held on 13 March 2000, 16 December 2005, 7 December 2006, 14 September 2015 and as per postal ballot dated 8 September 2016.

RESTRICTION ON USE

8. The certificate is issued solely for the purpose of complying with the applicable Regulations and may not be suitable for any other purpose.

MANAGEMENT DISCUSSION & ANALYSIS

I. GLOBAL ECONOMIC SCENARIO

In CY16, global economic activity remained flat compared to CY15 with the world output growing at 3.1%. Fear of a recession in the USA turned out to be exaggerated, defaults in commodity sector, were very limited and did not have contagion effect and the commodity prices have stabilized.

Advanced economies are key markets for Information Technology (IT) services. For the next year, US GDP growth is expected to accelerate to 2.3% from 1.6% last year and growth for Euro area is expected to remain unchanged at 1.7%. Emerging markets and developing economies grew at 4.1% in CY16 and are projected to grow at 4.5% in CY17. Overall, this should lead World growth to rise to 3.5% in CY17.

Source: International Monetary Fund, 2017. World Economic Outlook: Gaining Momentum? Washington, April.

II. OVERVIEW OF THE INDUSTRY

Global IT-BPM industry grew by 3.9% and the IT-BPM market excluding hardware stood at USD 1.2 trillion in CY16. Indian IT-BPM industry revenues including hardware stood at USD 154 billion in FY17. The industry added USD 11 billion in incremental revenues last year, representing year-on-year growth of 7.6% in USD terms (8.6% in constant currency). IT-BPM export revenues for the industry for FY17 were USD 116 billion, growth of ~7.4% over the past year. Domestic IT-BPM revenues were USD 24 billion, a growth of ~9% from USD 22 billion in FY16. IT-BPM export revenues are expected to grow by 7-8% in FY18 and the domestic market is likely to grow by 10-11% next year.

The impact of digital technologies-Analytics, Internet of Things (IoT), Cloud, Artificial Intelligence/Machine Learning, Cognitive Sciences and Mobility continues to be felt, with the growth in these segments higher than the rest. These technologies are expected to be the major growth segments in global IT spends going forward.

It is imperative for the IT firms to focus on disruptive technologies by re-skilling the manpower and partner with niche players and platforms to add digital capabilities. Market evolution and the service provider responses are likely to lead the way to a new face of the IT-BPM industry.

Increasing internet and smartphone penetration, GST implementation, digital payments, is expected to catalyze faster growth of domestic IT-BPM market.

III. OUR BUSINESS

Larsen & Toubro Infotech Limited (LTI) (NSE: LTI) is a global technology consulting and digital solutions Company helping more than 250 clients succeed in a converging world. With operations in 27 countries, we go the extra mile for our clients and accelerate their digital transformation with LTI's Mosaic platform enabling their mobile, social, analytics, IoT and cloud journeys. LTI is one of India's global IT services and solutions companies. In 2016, NASSCOM ranked the Company as the sixth largest Indian IT services Company in terms of export revenues. The Company was amongst the top 20 IT service providers globally in 2016 according to the Everest Group's PEAK Matrix for IT service providers. LTI has been named as top-15 sourcing provider by ISG for the America's region. Its clients comprise some of the world's largest and well-known organizations, including 52 of the Fortune Global 500 companies. LTI offers an extensive range of IT services to its clients in diverse industries such as banking and financial services, insurance, energy and process, consumer packaged goods, retail and pharmaceuticals, media and entertainment, hi-tech and consumer electronics and automotive and aerospace. Its range of services include application development, maintenance and outsourcing, enterprise solutions, infrastructure management services, testing, digital solutions and platform-based solutions. The Company serves its clients across these industries, leveraging its domain expertise, diverse technological capabilities, wide geographical reach, an efficient global delivery model, thought partnership and 'new age' digital offerings.

LTI was incorporated in 1996 and is headquartered in Mumbai, India. It leverages the strengths and heritage of its promoter. The L&T Group provides access to professionals with deep industry knowledge in the sectors in which the Company does business. LTI has also inherited from L&T Group its corporate and business culture and corporate governance practices, which places the Company in good stead in relation to its business. In addition, it benefits from the commonality of business verticals with its promoter.

LTI's focus on client-centricity, scale, domain expertise, digital transformation and its array of intellectual property coupled with convergence of physical and digital world have been recognized by customers, giving the Company exponential traction in various markets it operates in, and clients now look at us as their partners for digital transformation initiatives. For FY17, revenue stood at USD 969.9 million, growing 10% in constant currency and 9.3% in USD terms.

1. Strategy

The Company's strategy for long-term growth has the following key elements:

a) Strengthen existing client relationship through client-centricity, provide superior execution services to clients with significantly improved client satisfaction index

b) Be the partner of choice for client's digital transformation journey

c) Invest heavily in new technologies to build differentiated service offerings and competencies to address client demand

d) Focus on new large transformation deals

e) Partnerships and acquisitions

f) Expand in new geographies

g) Add must have client logos to our already marquee client base

h) Continuously mine existing clients

i) Focus on organization transformation

Client-centricity is core to LTI's way of operations and provides unparalleled execution of services to our existing clients. This is evident from significantly improved client satisfaction index and more clients are now looking at us as their partners for digital transformation initiatives. LTI's strong long-term business relationships with its clients (96% revenue from repeat business) have helped increase scope of engagements. The Company has also partnered with clients in various industries to identify priority solutions focused on efficiencies, decisions and inferences for their respective businesses, helping clients achieve growth in a dynamic environment.

The core focus of the Company is to solve complex problems at the convergence of digital and physical world for its clients. LTI's proprietary digital platform Mosaic™ is an exhaustive representation of how LTI brings together the power of exponential technologies to deliver real-world business outcomes. Intellectual Property and Offerings developed by the Company are housed in the following elements of the Mosaic™ platform for IoT, Analytics, User Experience, Automation, AI and various other Digital technologies. More than 100 clients are now using our digital and analytics offering, with our Analytics Information Management, Enterpise Integration and Mobility service line posting a strong 35% year-on-year growth in FY17.

The Company is particularly targeting clients, both existing and new, who have the potential to offer opportunities towards transforming their business in the wake of the digital revolution. It plans to achieve a higher value client portfolio by focusing on new-age Application Management Services, Platform as a Service (PaaS) and infrastructure management service deals, which tend to be long-term in nature.

LTI acquired AugmentIQ Data Sciences Private Limited (AugmentIQ), an innovative startup offering IP-based Big Data Analytics Solution that helps enterprises derive business benefits from Big Data in FY17. In addition to acquisitions, the Company is also investing in partnering with startups to help enhance its digital offerings and in turn, give startups a platform and opportunity to scale-up. The Company is actively partnering with academic institutions such as Massachusetts Institute of Technology (MIT), Indian Institute of Management Ahmedabad (IIMA), Veermata Jijabai Technological Institute (VJTI) in order to provide thought-leadership to its clients for future digital solutions.

With a focus on transforming the experiences of its clients, people and systems, LTI has launched a rigorous transformation program which focuses on changing the way it works, interacts and collaborates both within and outside the organization. The Company is working towards transforming the way it works by incorporating Design Thinking in various capacities in the organization across all levels. The Company is also looking to transform the way it delivers the traditional Application Development and Application Maintenance projects by automating services and introducing a DevOps method of working with continuous, progressive changes which complement the client business landscape replacing the traditional delivery model that has rigid support cycles. Flexibility and agility are two key objectives for the Company. This will help in a non-linear growth in the Company with faster and more efficient delivery of projects.

Our new quality policy reaffirms our client commitment and focus on delivering rich and meaningful experiences to customers. LTI is amongst the few IT Services firm to have such a differentiated policy, with the idea that in order to rise in the experience economy in the digital age, there needs to be a fundamental shift from the services mindset to the experience mindset.

2. Opportunities

We believe our strengths and L&T Group parentage gives us the unique competitive advantage to position ourselves as the leading global solutions and services Company. We have embarked upon a journey to build next generation IT services Company, focused on solving complex challenges at the convergence of physical and digital.

Industry Focus

a) **Banking and Financial Services (BFS):** LTI has achieved 8.4% year-on-year revenue growth in BFS in FY17. For FY18, the overall spend is moving in the positive direction as well. In the US, we are seeing increased spend in the capital market area as there is a belief that deregulation will result in newer products and opportunities in this space. On the other hand, in Europe and APAC markets, we continue to see momentum in regulatory spend as well. In the US markets, banks are starting to leverage massive data that they have collected over the years to generate meaningful insights. They are investing in building analytics platforms that can help them understand their customer base, assess risk differently and reduce costs. Overall, banks are moving quickly to leverage digital technologies to transform traditional operating models using things like Blockchain in trade finance, and KYC and Artificial Intelligence in areas like anti-money laundering and financial crime. LTI is well prepared to take advantage of these trends, which is further strengthened by LTI being positioned as a leader by Nelson Hall for Robotic Process Automation (RPA) and artificial intelligence in banking segment.

b) **Insurance:** LTI has achieved 12.4% year-on-year revenue growth in this vertical. The average spending levels are consistent with prior years, large Property and Casualty (P&C) customers are spending the most on core policy systems replacements followed by billing and customer communication management systems. Increased skew of the tech spend towards digital, for example, portal, mobile and customer experiences is evident in this vertical as well. According to Novarica, one of the analyst companies which tracks insurance vertical, almost a third of the overall budget in insurance vertical is getting spent on digital technologies. With deep expertise in leading insurance products like Duck Creek, Insurity, Guidewire, etc., LTI is uniquely positioned to help its customers co-innovate.

c) **Energy and Process:** The de-growth which we saw in this vertical in the past is behind us. LTI has achieved 0.9% year-on-year revenue growth in this vertical. The stress on IT spends due to low crude prices seems to have plateaued although the recovery is slow and oil companies are very watchful before committing to new investments. Operating philosophy is to use this time to create a leaner operating model for them.

d) **Hi-tech, Media, and Entertainment:** With year-on-year revenue growth of 6.3% in FY17, there was a steady growth momentum in this sector. The cord-cutting phenomenon continues to drive investments into building a digital supply chain backbone and customer analytics. Incumbent telecom companies are pursuing M&A to get into original content space even as Netflix and Amazon continue to invest in creating content. There is a clear trend of adoption of new age technologies across the board in this sector.

e) **Consumer Packaged Goods (CPG), Retail and Pharma:** Powered by technological advancements, consumers are driving an incredible transformation in these industry, business models are getting disintermediated forcing our clients to drive greater efficiencies in their business operations. Our 'digital for 10X outcomes' theme is resonating well with clients in this vertical. LTI has achieved 5.8% year-on-year revenue growth in this vertical.

f) **Auto, Aero and Others:** This vertical includes engineering and construction, plant and equipment, defence and government businesses. LTI has achieved 15.6% year-on-year revenue growth in this vertical. We think automotive sector has already been capturing digital transformation for many years and the trend continues to accelerate. This is truly an industry at an inflection point, simultaneously getting impacted by digital technologies as well as autonomous vehicles are creating major disruption in bringing into the question the very business model of the industry. For industrial manufacturers – IoT-led digitization examples which include Product as a Service and field service transformation are driving renaissance in the industry. Companies are seeing opportunities both in internal operations as well as new revenue stream through smart connected products like smart elevators. In times like these, clients are looking for IT partners who they can trust to be their innovation partner and LTI with its extensive manufacturing experience due to its parentage is in a sweet spot.

Digital Business

LTI's unique approach to provide differentiation at the convergence of physical and digital helps clients to embark on digital transformation journey. It is projected that Digital business will be the primary source of revenue by 2025 and will contribute more than 38% of the business, as per reports from NASSCOM (2017).

Digital revenue made up 26% of our revenues in FY17 and it continues to see an acceleration every quarter with the same being at 28% of our revenue mix as of Q4FY17. We firmly believe Digital business will be the driver for future growth.

We are building our digital capabilities with Mosaic™ platform for exponential growth in digital business. Mosaic™ platform is enabled by underlying accelerators spanning –

- Mosaic™ Things – for intelligent devices

- Mosaic™ Automation – for smarter execution
- Mosaic™ Decisions – for impactful decision-making
- Mosaic™ Experience – for unmatched customer experience
- Mosaic™ AI – to re-invent problem-solving

These platforms are complemented by Mosaic™ Academy to train and up-skill our resources, working on various digital engagements, to deliver superior IT services and make a meaningful impact on our clients business.

We inaugurated our Mosaic™ Experience center at Mumbai headquarters. The Experience center showcases our Mosaic™ solution that accelerates digital transformation for our clients.

We have launched an initiative ADEA, which is Analytics and Digital in Every Account, and it is proving to be very effective.

Partnerships and Alliances

We forged multiple partnerships throughout the year, some of the key ones being Microsoft, Nutanix, Duck Creek, GE Digital, Pega, Coupa and others.

3. Human Capital

The most crucial element of an organization is its people. LTI has transformed various aspects of work life for its people. The transformation begins with articulating five key beliefs:

- Be agile
- Go the extra mile
- Push frontiers of innovation
- Keep learning
- Solve for society

These five guiding principles aim for the organization to be nimble towards changes, work over and beyond the call of duty to serve its clients, innovate on a day-to-day basis to transform the approach to work, continuously enhance their way of working and keep its focus on welfare for the society.

As on March 31, 2017, our headcount was 21,023. During FY17, we added 951 net new hires.

Hiring, Engaging and Retaining talent continues to be the major focus areas for LTI with an increase in hiring premium college graduates as well. New programs were launched with focus on use of technology in learning. A performance-linked compensation design has been a catalyst in being industry competitive, in remuneration & benefits.

Full year FY17 utilization including trainees stood at 78.1% and excluding trainees at 79.6%. This is up 430 basis points and 390 basis points, respectively, compared to FY16. Compared to FY16, we improved on attrition by 150 basis points. In FY16, the full-year attrition was 18.4% compared to 16.9% in FY17. With these improvements, the trend in overall manpower revenue productivity has shown consistent increase quarter after quarter and stands at USD 48,092 for FY17, up 12% year-on-year compared to FY16.

Collaboration is key to the growth of an organization. LTI not only provides digital solutions and offerings to its clients, it has also adopted digital solutions for enhancing its own approach to work. LTI was the first Company to implement Workplace (the collaborative platform of Facebook for organizations) in the IT services industry. The 20,000+ employees use this platform for collaborative discussions and sharing of directives within the firm across all geographies, levels and business units. LTI is also a global service partner for Facebook to help organizations rollout the Workplace platform.

LTI has also framed a talent strategy for adopting newer ways of hiring such as hackathons, online social media and improving learning and development by offering custom courses, conducting leadership programs and revamping fresher hiring models. To support all these initiatives, the Company has upgraded its in-house IT systems to be more digital-focused. The Company is also recruiting global talent in local markets particularly for high-end digital competencies.

IV. SIGNIFICANT FACTORS AFFECTING OUR RESULTS OF OPERATIONS

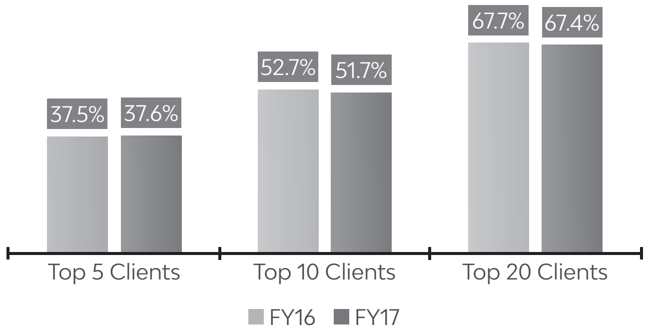
Our results of operations have been, and will be, affected by many factors, some of which are beyond our control. This section sets out certain key factors that our management believes have historically affected our results of operations, or which could affect our results of operations in the future.

Client relationships

Client relationships are at the core of our business. We have a history of high client retention and derive a significant proportion of our revenue from repeat business built on our successful execution of prior engagements. In the year ended March 31, 2017, we generated 95.5% of our revenue from existing clients as compared to 96.9% in the year ended March 31, 2016.

As a client relationship matures and deepens, we seek to maximize our revenues and profitability by expanding the scope of IT services offered to that client with the objective of winning more business from our clients, particularly in relation to our more substantive and value-added IT service offerings.

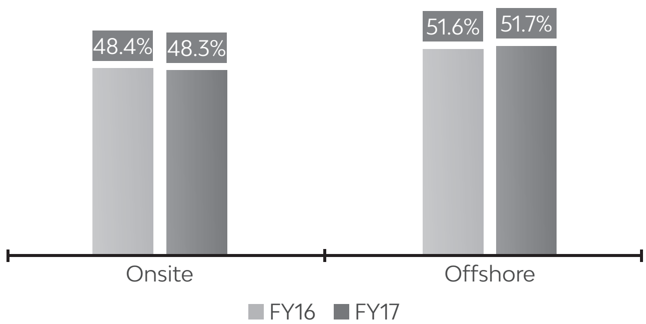
Client Contribution



Composition of revenue portfolio

Our export service revenues consist of revenues from IT services both onsite and offshore. The mix of IT services performed onsite and offshore has an impact on our ability to achieve higher profit margins. The following graph shows the proportionate contribution from our onsite and offshore service revenue on consolidated basis for the periods indicated:

Revenue Mix



Employees and employee costs

A principal component of our ability to compete effectively is our ability to attract and retain qualified employees. Our total headcount increased to 21,023 as of March 31, 2017 from 20,072 as of March 31, 2016.

Our LTM attrition rate for FY17 was 16.9% which has improved from 18.4% in FY16.

Employee benefits expenses constituted 56.5% and 58.4% of our total income in the year ended March 31, 2017 and March 31, 2016. Wage costs in India, including in the IT services industry, have historically been more competitive than wage costs in the United States, Europe and other developed economies.

In addition, we continue to invest in the recruitment and retention of sales and administration staff in line with our growth and expand our markets.

Foreign currency fluctuations

Since our key clients are foreign corporate and the majority of our revenues are generated outside of India, we are exposed to translation and transaction foreign exchange risks. Although we partly benefit from a natural hedge for our foreign currency revenues against our foreign currency expenses, we also have an exposure to foreign exchange rate risk in respect of revenues or expenses entered into in a currency where corresponding expenses or revenues are denominated in different currencies. Such transactions are denominated in currencies such as USD, Euro, Canadian Dollars, British Pound Sterling and South African Rand. LTI has an active foreign exchange hedging policy in place to mitigate the risks arising out of foreign exchange fluctuations.

In addition, the overall competitiveness of the Indian IT industry in the global market is also significantly dependent on favorable exchange rates.

Tax benefits for Indian IT companies

We have historically benefited from the direct and indirect tax benefits given by the Government for the export of IT services from SEZs, including for our business. As a result, a substantial portion of our profits is exempt from income tax leading to a lower overall effective tax rate than what we would have otherwise been subjected to if we were doing business outside SEZs, and we will continue to enjoy these benefits in the near future. Our effective tax rate has increased to 21.4% and 19.2%, respectively in the year ended March 31, 2017 and March 31, 2016 due to lower proportion of exemptions.

Until March 31, 2011, direct and indirect tax benefits were also available for the export of IT services from software development centers registered under the STPI Scheme, including for our business. From April 1, 2011 onwards, only indirect tax benefit are available for our business through software development centers registered under the STPI Scheme.

On July 1, 2017, India ushered in a big tax reform – Goods and Services Tax (GST). LTI is fully prepared to comply with this new tax regulation.

V. FINANCIAL CONDITIONS CONSOLIDATED

Assets

1. Tangible and Intangible Assets

(₹ Million)

	As at March 31, 2017	As at March 31, 2016
Property, plant and equipment	2,578	2,792
Capital work-in-progress	9	7
Goodwill	993	978
Other intangible assets	1,848	2,606
Intangible assets under development	4	188
TOTAL	**5,432**	**6,571**

Property, plant and equipment:

The Company continued to invest in infrastructure facilities on account of computers, office equipment, expansion of development centers and overseas offices, in order to meet the growing business needs. Property, plant and equipment has reduced to ₹ 2,578 Million as at March 31, 2017 from ₹ 2,792 Million as at March 31, 2016 due to depreciation being higher than net additions during the year.

Goodwill and other Intangible assets:

The net increase in the goodwill is on account of goodwill related to acquisition of AugmentIQ. The net decrease in Other Intangible assets during the year is mainly on account of amortization. The reduction in the Intangible assets under development is on account of capitalization of assets during the year.

2. Other Non-current and Current Assets

(₹ Million)

	As at March 31, 2017			As at March 31, 2016		
	Non-current	Current	Total	Non-current	Current	Total
Non-Current Loans & Advances						
Other Financial Assets	2,177	-	**2,177**	426	-	**426**
Other Non-current Advances						
Tax Assets	722	-	**722**	886	-	**886**
Other Assets	1,292	-	**1,292**	1,323	-	**1,323**
	4,191	**-**	**4,191**	**2,635**	**-**	**2,635**
Current Assets						
Other Financial Assets	-	2,677	**2,677**	-	1,407	**1,407**
Other Assets	-	988	**988**	-	883	**883**
TOTAL	**4,191**	**3,665**	**7,856**	**2,635**	**2,290**	**4,925**

The increase in current financial assets is primarily attributable to increase in mark-to-market gains of outstanding forward contracts.

3. Trade Receivables

Trade receivables amounted to ₹ 11,697 Million (net of provision for doubtful debts amounting to ₹ 230 Million) as at March 31, 2017, compared to ₹ 11,661 Million (net of provision for doubtful debts amounting to ₹ 223 Million) as at March 31, 2016.

Days of Sales outstanding (without accruals) of 66 days as on March 31, 2017 has improved from 73 days as on March 31, 2016.

4. Unbilled Revenue

Unbilled revenues primarily comprise costs and earnings in excess of billings to the clients on fixed-price, fixed-time frame, and time-and-material contracts. Unbilled revenue stood at ₹ 4,724 Million as at March 31, 2017 as against ₹ 3,788 Million at March 31, 2016 since the composition of fixed price and system integration contracts increased during the year.

Days of Sales outstanding (with accruals) of 92 days as on March 31, 2017 has improved from 96 days as on March 31, 2016.

5. Funds Invested

(₹ Million)

	As at March 31, 2017	As at March 31, 2016
Investment in Mutual Funds	9,406	429
Cash and Cash equivalents	3,761	2,008
Other Bank Balances	34	27
FUND INVESTED	**13,201**	**2,464**

The investments in Mutual Funds are in Debt Mutual Funds with investment in sound-rated instruments and in schemes with large assets under management, thus mitigating counterparty risk. The same stood at ₹ 9,406 Million as at March 31, 2017 as against ₹ 429 Million as at March 31, 2016.

Deposits with Banks represent surplus money deployed in the form of deposits.

Cash and cash equivalents include both rupee accounts and foreign currency accounts and deposits with banks. The bank balances in overseas accounts are maintained to meet the expenditure of the overseas operations.

Other Bank Balances are earmarked funds and Cash & Bank balance not available for immediate use.

6. Share Capital

(₹ Million)

	As at March 31, 2017	As at March 31, 2016
Authorized: 240,000,000 equity shares of ₹ 1 each (Previous year 240,000,000 of ₹ 1 each)	240	240
Issued, paid-up and subscribed 170,571,113 equity shares for ₹ 1 each (Previous year 169,816,188 of ₹ 1 each)	171	170
Equity Share Capital	**171**	**170**

The Issued, paid-up and subscribed share capital increased on account of shares issued on exercise of employee stock options during the year ended March 31, 2017.

7. Other Equity

(₹ Million)

	As at March 31, 2017	As at March 31, 2016
Other Reserves	9,910	7,397
Retained Earnings	21,362	13,678
Share Application Money Pending Allotment	0	-
Non-Controlling Interest	8	5
Other Equity	**31,280**	**21,080**

Other equity at the end of March 31, 2017 stood at ₹ 31,280 Million as against ₹ 21,080 Million at the end of March 31, 2016. The increase in Other reserves is primarily due to increase in hedging reserve on account of higher mark-to-market gains on outstanding forward contracts due to rupee appreciation and also due to increase in quantum of outstanding contracts.

8. Current and Non-Current Borrowings

(₹ Million)

	As at March 31, 2017			As at March 31, 2016		
	Non-current	Current	Total	Non-current	Current	Total
Non-Current Borrowings	-	-	**-**	-	-	**-**
Current Borrowings						
Borrowings	-	-	**-**	-	399	**399**
Current Maturities of Long-Term Borrowing	-	-	**-**	-	147	**147**
TOTAL	**-**	**-**		**-**	**546**	**546**

The Company's borrowings of ₹ 546 Million as at March 31, 2016 have been repaid during the year ended March 31, 2017.

9. Deferred Tax Assets/ Liabilities

(₹ Million)

	As at March 31, 2017	As at March 31, 2016
Deferred tax assets	1,434	2,213
Deferred tax liabilities	171	248

Deferred tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted as on the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

Other deferred tax assets are recognized and carried forward to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

During the year, the decrease in Deferred tax asset is mainly due to creation of Deferred tax liability on mark-to-market gains on outstanding forward contracts. Deferred tax asset in the form of Minimum Alternate Tax (MAT) for year ended March 31, 2017 is offset by adjustment to MAT for year ended March 31, 2016 due to deferment of Income Computation and Disclosure Standards (ICDS). Hence, Deferred tax assets have reduced to ₹ 1,434 Million as at March 31, 2017 from ₹ 2,213 Million as at March 31, 2016.

10. Other Non-Current/ Current Liabilities

(₹ Million)

	As at March 31, 2017			As at March 31, 2016		
	Non-current	Current	Total	Non-current	Current	Total
Non-Current Liabilities						
Provisions	285	-	**285**	235	-	**235**
Current Liabilities						
Trade Payables	-	3,366	**3,366**	-	3,405	**3,405**
Other Financial Liabilities	-	5,841	**5,841**	-	3,349	**3,349**
Other Liabilities	-	1,158	**1,158**	-	1,124	**1,124**
Provisions	-	1,771	**1,771**	-	1,457	**1,457**
Current Income Tax Liabilities (Net)	-	301	**301**	-	8	**8**
TOTAL	**285**	**12,437**	**12,722**	**235**	**9,343**	**9,578**

Other Non-Current/ Current liabilities stood at ₹ 12,722 Million as of March 31, 2017 from ₹ 9,578 Million as of March 31, 2016.

Other current liabilities comprise of statutory dues including employee-related statutory dues. The increase in Other Financial Liabilities is primarily due to amount received under Credit Support Agreement entered into with banks due to increase in mark-to-market gains on outstanding forward contracts. Provisions comprise of provisions for employee benefits on account of gratuity, compensated absences and post-retirement medical benefits.

VI. RESULTS OF OUR CONSOLIDATED OPERATIONS

(₹ Million)

	2016-17		2015-16	
	(₹ Million)	% of Total Income	(₹ Million)	% of Total Income
Income				
Revenue from operations	65,009	97.2%	58,464	96.9%

Diluted	₹ 55.80		₹ 49.31	

Financial Year 2016-17 compared to Financial Year 2015-16

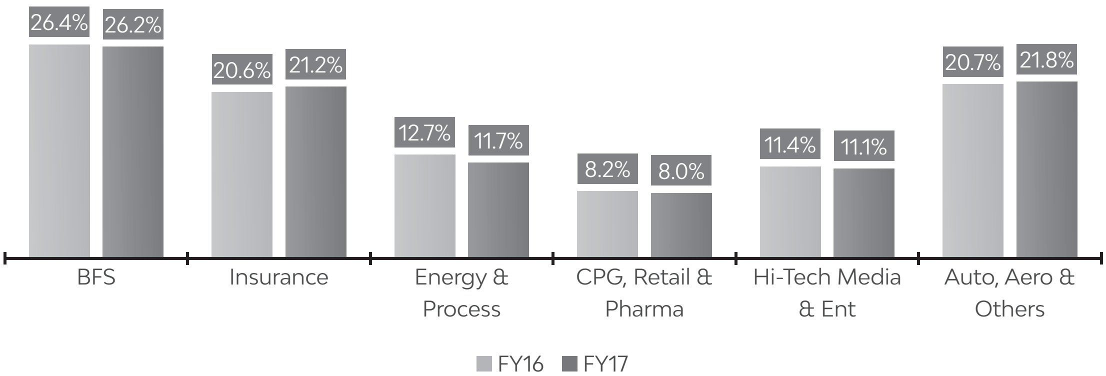
1. **Income**

Our total income comprises of revenue from operations and other income.

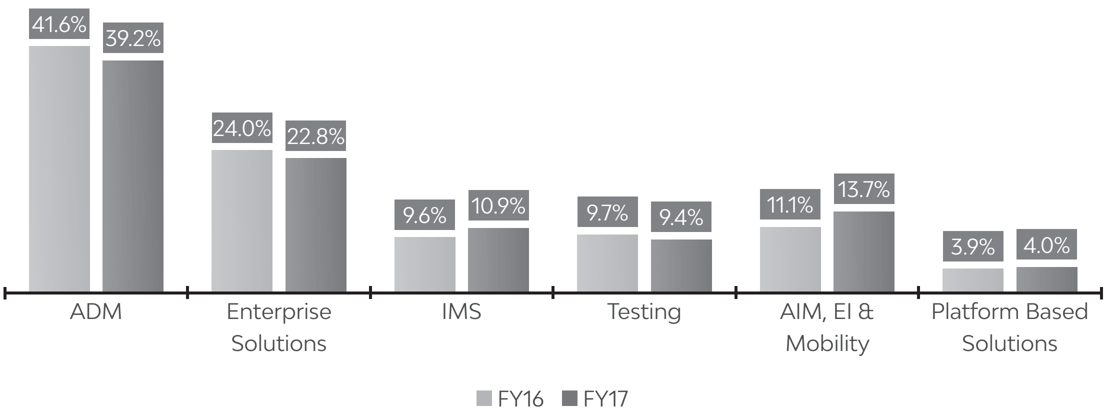
Our total income increased by 10.8% to ₹ 66,876 Million for the year ended March 31, 2017 from ₹ 60,361 Million for the year ended March 31, 2016.

Revenue from Operations

Revenue Mix by Verticals



Revenue Mix by Services



Our revenue increased by 11.2% to ₹ 65,009 Million for the year ended March 31, 2017 from ₹ 58,464 Million for the year ended March 31, 2016, primarily as a result of growth in our revenues in our Banking and Financial services (growth of 10.4% to current year revenue of ₹ 17,016 Million), Insurance (growth of 14.7% to the current year revenue of ₹ 13,795 Million) and Automotive and Aerospace (growth of 16.8% to the current year revenue of ₹ 14,155 Million) which was partially offset by lower growth in revenues in our Retail & Pharma and Energy & Process business vertical.

Our service growth was higher mainly in IMS, AIM, EIM & Mobility and Platform based solutions which had growths of 25.9%, 37.1% and 13.0% respectively which was offset partially by lower growth in other services.

2. **Other income**

Our other income primarily consists of income from foreign exchange gains (or losses), investments in mutual funds, profit on sale of fixed assets, interest received and miscellaneous income. Our other income of ₹ 1,867 Million for the year ended March 31, 2017 decreased marginally from ₹ 1,897 Million for the year ended March 31, 2016.

Income from Investments in Mutual Funds

Income from investments in Mutual Funds was ₹ 194 Million in the year ended March 31, 2017 compared to ₹ 67 Million for the year ended March 31, 2016. Increase in investment income is primarily due to increase in surplus investible funds.

Foreign Exchange Gain/ Losses

In order to mitigate our foreign exchange risk, we have a long-term hedging policy. We hedge exposures in major currencies in which we transact business (for example, the US dollar and the Euro) by entering into forward contracts. Our forward contracts are run on a net exposure basis, typically for a period of up to three years. These forward contracts provide for payments by banks to us in the situations where the spot exchange rate on maturity is lower than the rate at which forward contracts were entered and payment by us to the banks in situations where the spot exchange rate on maturity is higher than the rate at which forward contracts were entered. Our foreign exchange gain was ₹ 1,539 Million in the year ended March 31, 2017 as against ₹ 1,650 Million in the year ended March 31, 2016.

3. Expenses

Our expenses include employee benefit expenses, operating expenses, sales, administration and other expenses, finance costs, depreciation and amortization. Our total expenses increased by 9.0% to ₹ 54,518 Million for the year ended March 31, 2017 from ₹ 50,014 Million for the year ended March 31, 2016, primarily as a result of an increase in employee benefit expenses, which was attributable to the growth of our operations.

4. Employee benefit expenses

Employee benefit expenses comprise salaries (including overseas staff expenses), staff welfare, contributions to provident and other funds, contributions to superannuation funds and contributions to gratuity funds.

Our employee benefit expenses increased by 7.1% to ₹ 37,758 Million for the year ended March 31, 2017 (which represented 56.5% of our total income for such year) from ₹ 35,266 Million for the year ended March 31, 2016 (which represented 58.4% of our total income for such year). The increase in the salaries was majorly due to increments and increase in employee count due to growth of our operations. This has also resulted in higher contribution to the Provident fund, Social security account and payroll taxes. ESOPs were granted to employees during the year under the ESOP Scheme, 2015.

5. Operating expenses

Operating expenses comprise of communication expenses, operating lease charges, consultancy charges, cost of software packages for own use, insurance and the cost of bought-out items for resale.

Our operating expenses increased by 22.9% to ₹ 8,248 Million for the year ended March 31, 2017 (which represented 12.3% of our total income for such year) from ₹ 6,710 Million for the year ended March 31, 2016 (which represented 11.1% of our total income for such year). This was primarily due to increase in cost of hardware and software packages of ₹ 3,363 Million for the year ended March 31, 2017 from ₹ 2,432 Million for the year ended March 31, 2016. Increase of 15.3% in consultancy charges to ₹ 4,647 Million for the year ended March 31, 2017 from ₹ 4,032 Million for the year ended March 31, 2016 is primarily due to higher deployment of local contractors in overseas locations.

6. Sales, administration and other expenses

Sales, administration and other expenses primarily comprise rent and establishment expenses, travelling and conveyance, legal and professional charges, advertisement recruitment expenses, telephone charges and postage, rates and taxes, power and fuel and other miscellaneous expenses.

Our sales, administration and other expenses increased by 7.4% to ₹ 6,701 Million for the year ended March 31, 2017 (which represented 10.0% of our total income for such year) from ₹ 6,240 Million for the year ended March 31, 2016 (which represented 10.3% of our total income for such year), primarily as a result of increase in travel cost and transit houses in overseas location for deputed employees, recruitment cost and professional fees and general repairs and maintenance expenses.

7. Finance costs

Finance costs comprise interest paid on fixed loans, external commercial borrowings and interest paid on money received under Credit Support Agreement. Exchange losses on borrowings are also accounted for as part of finance costs.

Our finance costs decreased by 44.6% to ₹ 32 Million for the year ended March 31, 2017 from ₹ 58 Million for the year ended March 31, 2016, primarily due to repayment loans during the year.

8. Depreciation and amortization

Tangible and intangible assets are amortized over periods corresponding to their estimated useful lives.

Our depreciation on tangible assets decreased by 3.1% to ₹ 714 Million for the year ended March 31, 2017 from ₹ 737 Million for the year ended March 31, 2016 and our amortization of intangible assets increased by 6.2% to ₹ 1,065 Million for the year ended March 31, 2017 from ₹ 1,003 Million for the year ended March 31, 2016 primarily as a result of amortization of certain software.

9. **Profit before tax**

Our profit before tax increased by 19.4% to ₹ 12,358 Million for the year ended March 31, 2017 (which represented 18.5% of our total income for such year) from ₹ 10,347 Million for the year ended March 31, 2016 (which represented 17.1% of our total income for such year).

10. **Tax expenses**

Tax expenses comprise of current tax and deferred tax. Current income tax is the amount expected to be paid to the tax authorities in accordance with the applicable tax laws in relevant jurisdictions. Deferred income tax assets and liabilities reflect the impact of temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

Our total tax expense has increased by 33.6% to ₹ 2,649 Million for the year ended March 31, 2017 from ₹ 1,982 Million for the year ended March 31, 2016 primarily due to increase in profit before tax by 19.4% to ₹ 12,358 Million for the year ended March 31, 2017 from ₹ 10,347 Million for the year ended March 31, 2016 and lower proportion of income exempt from taxation.

11. **Net profit after tax**

As a result of the foregoing factors, our net profit was ₹ 9,709 Million for the year ended March 31, 2017 and ₹ 8,365 Million for the year ended March 31, 2016.

12. **Earnings per share (EPS)**

Our Basic EPS has increased by 11.9% to ₹ 57.08 per share for the year ended March 31, 2017 from ₹ 51.02 per share for the year ended March 31, 2016. Our Diluted EPS has increased by 13.2% to ₹ 55.80 per share for the year ended March 31, 2017 from ₹ 49.31 per share in the year ended March 31, 2016. The weighted average number of potential equity shares on account of employee options has reduced from 5,665,080 shares in the year ended March 31, 2016 to 3,879,583 shares in the year ended March 31, 2017 due to exercise of stock options.

Investments in Subsidiaries & Associates

AugmentIQ Data Sciences Private Limited

On November 30, 2016, LTI acquired 100% stake in AugmentIQ for a consideration of ₹ 71 Million. AugmentIQ is a Pune-based Company offering IP-based big data and analytics solutions. The Company owns a big data platform, MAXIQ, together with LTI Mosaic™ Decision Science Platform.

Business segmentation

Breakdown of our segmental revenue by our business clusters, with each item represented as a percentage of revenue from operations for the periods indicated:

	2016-17		2015-16	
	(₹ Million)	% of revenue	(₹ Million)	% of revenue
Revenue from Operations				
Services Cluster	36,380	56.0%	31,530	53.9%
Industrials Cluster	28,629	44.0%	26,934	46.1%
Total revenue from Operations	**65,009**	**100.0%**	**58,464**	**100.0%**

The following table shows a breakdown of our segmental results:

	2016-17		2015-16	
	(₹ Million)	% of total profit	(₹ Million)	% of total profit
Segmental Results				
Services Cluster	10,197	62.1%	8,075	53.9%
Industrials Cluster	6,211	37.9%	6,896	46.1%
Total Segment Results	**16,408**	**100.0%**	**14,971**	**100.0%**

Our revenues are generated from three main geographic markets: North America, Europe and India.

The following tables show a breakdown of our revenue on the basis of the geographic location of our clients, with each item represented as a percentage of revenue as applicable, for the periods indicated:

	2016-17		2015-16	
	(₹ Million)	% of revenue	(₹ Million)	% of revenue
North America	44,760	68.9%	40,369	69.0%
Europe	11,861	18.2%	10,126	17.3%
India	4,356	6.7%	3,394	5.8%
Asia Pacific	1,560	2.4%	1,654	2.8%
Rest of the world	2,472	3.8%	2,921	5.0%
Total Revenue	**65,009**	**100.0%**	**58,464**	**100.0%**

Revenue in Europe has increased by 17.1% to ₹ 11,861 Million for the year ended March 31, 2017 from ₹ 10,126 Million for the year ended March 31, 2016, primarily as a result of growth in our revenues from new and existing clients from Banking and Financial services, Automotive and Aerospace business and Retail and Pharma business verticals. Revenue in India has increased by 28.3% to ₹ 4,356 Million for the year ended March 31, 2017 from ₹ 3,394 Million for the year ended March 31, 2016, primarily as a result of increased in revenue from new and existing clients.

VII. LIQUIDITY

We have historically met our working capital and other capital expenditure requirements primarily from cash generated by operating activities, short-term and long-term bank borrowings.

Cash flows

The table below summarizes our consolidated cash flows for the periods indicated:

(₹ Million)

Cash Flow Data	2016-17	2015-16
Net cash generated from operating activities	13,717	8,585
Net cash (used) in investing activities	(9,510)	(442)
Net cash (used) in financing activities	(2,353)	(8,169)
Net increase / (decrease) in cash and cash equivalents	**1,854**	**(26)**
Cash and cash equivalents at the beginning of the period	2,035	2,016
Effect of exchange differences on translation of foreign currency cash and cash equivalents	(94)	45
Cash and cash equivalents at the end of the period	**3,795**	**2,035**

Net cash generated by operating activities

Net cash generated from our operating activities was ₹ 13,717 Million for the year ended March 31, 2017. Our net profit after tax was ₹ 9,709 Million for the year ended March 31, 2017, which was adjusted mainly for depreciation and amortization of ₹ 1,780 Million and Income tax expense of ₹ 2,649 Million. As a result, our operating profit before working capital changes was ₹ 14,570 Million for the year ended March 31, 2017. This was further adjusted primarily for a decrease in our working capital of ₹ 1,606 Million. Cash generated from our operations was ₹ 16,176 Million in the year ended March 31, 2017, adjusted for income tax paid of ₹ 2,459 Million. As a result, our net cash generated from operating activities was ₹ 13,717 Million for the year ended March 31, 2017.

Net cash used in investing activities

Net cash used for investing activities was ₹ 9,510 Million for the year ended March 31, 2017, which was primarily attributable to our net purchase of fixed assets amounting to ₹ 754 Million and purchase of current investments amounting to ₹ 8,977 Million. This was partially offset by income from current investments and interest received of ₹ 221 Million in the year ended March 31, 2017.

Net cash used in financing activities

Net cash used in financing activities was ₹ 2,353 Million for the year ended March 31, 2017, mainly consisting of the payment of dividend of ₹ 1,610 Million, payment of dividend tax of ₹ 278 Million and repayment of borrowings of ₹ 437 Million.

VIII. INTERNAL CONTROLS

LTI has established a framework for Internal Controls, commensurate with the size and nature of its operations. Process has been set up for periodically apprising the senior management and the Audit Committee of the Board about Internal audit observations of the Company with respect to Internal Controls and status of statutory compliances. Business Heads and Support functions are responsible for establishing effective internal controls within their respective functions. Standard operating procedures and internal control manuals are defined and continuously updated.

The Company has laid down Internal Financial Controls as detailed in the Companies Act, 2013. These have been established across the levels and are designed to ensure compliance to internal control requirements, regulatory compliance and appropriate recording of financial and operational information.

Internal Audit team periodically conducts audits across the Company, which include review of operating effectiveness of internal controls. The Company wherever necessary engages third party consultants for specific audits or reviews. The Audit Committee oversees internal audit function.

IX. OUTLOOK, RISKS AND CONCERNS

This section lists forward-looking statements that involve risks and uncertainties. Our actual results could differ materially from those anticipated in these statements as a results of certain factors. LTI does not undertake to update any forward-looking statement that may be made from time to time by us or on our behalf.

Enterprises today are facing an expanding base of demanding born-digital consumers, disruptive new entrants and intensified competition from digital-savvy competitors. As a result, Enterprises are looking for client-centric and nimble IT service providers who can deliver outcomes quickly. With our rich, real-world expertise, engineering mindset, an enviable client list and deep desire to be relevant, LTI is uniquely positioned to win in this new world order. We are committed to, and have made good progress, in our journey to become a next generation IT services and solutions Company, focused on solving the challenges of physical and digital convergence.

In FY17, we delivered an industry leading revenue growth of 10% in constant currency terms and 9.3% in USD terms. With intense focus on client success and comprehensive transformation capabilities across digital, analytics, IoT, automation and cloud, we are optimistic about our future.

Some of the Internal and External Risks are given below:

Category	Risk	Narration	Mitigation Approach
Internal – Portfolio Risk	Technology Obsolescence & Digital Disruption Risks	Failure to align our services portfolio with the newer and in-demand technologies, may lead to lower operating revenue	Significant investments in creating Digital capabilities across the organization including: - Mosaic Academy for developing expertise in latest technologies, processes and domain capabilities - New Digital Solutions practice with focused digital service offerings - New practices focusing on Artificial Intelligence (AI), Internet of Things (IoT), Cloudapps and Security - Investments in Mosaic™ platforms to strengthen IP-based solution - Creation and institutionalization of Mosaic™ Service Framework consisting of methodologies based on Design Thinking, Agile and DevOps.

Category	Risk	Narration	Mitigation Approach
	Business Concentration Risks	Exposure to a limited number of clients creates risk of a major revenue loss in the event of a major client exit	Concerted efforts to grow business with a broader set of existing key accounts as well as opening new key accounts. - Strategies and focused initiatives on winning new clients with large IT spends - Strategies on mining key accounts to drive profitable growth through developing strong account relationship, governance and trust - Improving our services and solutions based on independent customer experience feedback - Focus on delivering value adds and innovations to our client base to become their trusted partners - Grow business in other geographies such as Europe, Middle East, Australia and increase focus on South Africa During FY17, these measures have already resulted in addition of clients in the high revenue categories.
Internal – Operational Risks	Execution Risks	Failure to provide end-to-end business solutions for our clients could cause them to move work to competition. Any loss of customer trust and confidence due to execution failures or other deficiencies could damage our business and reputation	Creation of Mosaic Service Assurance framework for continuous identification and mitigation of execution related risks: - Focused programmes to develop strengths in programme management, architecture and business domain and ensure availability of relevant certified experts to all projects - Strengthen processes to guide project execution and implementation - Focused audits and quality control through various stages of project execution ensuring quality deliverables
External – Economic Risks	Country Risks	Prevailing economic, political and other social conditions in the world and countries where we have operations could have a significant impact on our results	Implementing a concerted global diversification strategy: - Establish global presence across geographies - Target varied sections of business and market
	Forex Risks	Currency market movements would impact the realization of our revenue in INR and thus impacting profitability	- Financial Risk management policy has been approved by the Board - Treasury Committee takes hedging decisions to mitigate forex risk as per the policy. The hedge positions are reviewed by the Audit Committee and the Board periodically

Category	Risk	Narration	Mitigation Approach
External – Legal & Regulatory Risks	International Mobility Risks	Immigration policies of countries where we do business may affect our ability to position our consultants at client locations hindering operations. The Company also faces the risk of being penalized for violations of visa regulations	- Dedicated leadership team for implementing a comprehensive solution - Reduce dependence on work visas through project and staffing model changes - Set up delivery center in Poland - Grow business in other geographies
	Compliance Risks	Organization operations are spread across the globe, hence it becomes imperative and an obligation for the Organization to comply with legal and regulatory laws of various countries. Failing to comply with the specific country's laws and regulation may expose us to legal and financial penalties. It will also impact the Brand image	- A comprehensive enterprise compliance management process, based on an online platform, has been deployed across the Company. The Company ensures compliance of all applicable laws globally - Identified key stakeholders across sales & business units and corporate functions ensure and confirm compliance with the provisions of all applicable laws on a continuous basis. Any changes in the applicable regulations are also updated and monitored by respective functions - Compliance confirmation process is managed centrally at corporate level. Compliance issues, if any, are remediated by taking timely action
	Disaster Risks	Threat to business operations from natural hazards like earthquakes, floods, tsunamis, storms and other natural and manmade disasters	Develop and implement robust Disaster Recovery and Business Continuity Plan - Business Continuity and Availability plan prepared for each Client Account and Organization as a whole - Business Continuity Plan tested at defined frequency to confirm its operations. This ensures its implementation in case actual force majeure event occurs - Backup site identified for each operating location, which shall act as its Disaster recovery site in the force majeure event - Migration of key application services to Cloud
	Cyber Attacks and Crime	In an era where the world is getting transformed into 'Digital world', being affected by 'Stay Connected syndrome', cyber vulnerability as well is amplified exponentially. This makes the organization exposed to cyber-attacks and crimes	- Deployment of stringent security policy across the organization - Advance security and monitoring through various automations and controls - Thorough security checks through application security assessment and penetration testing by external vendors

RISK MANAGEMENT FRAMEWORK

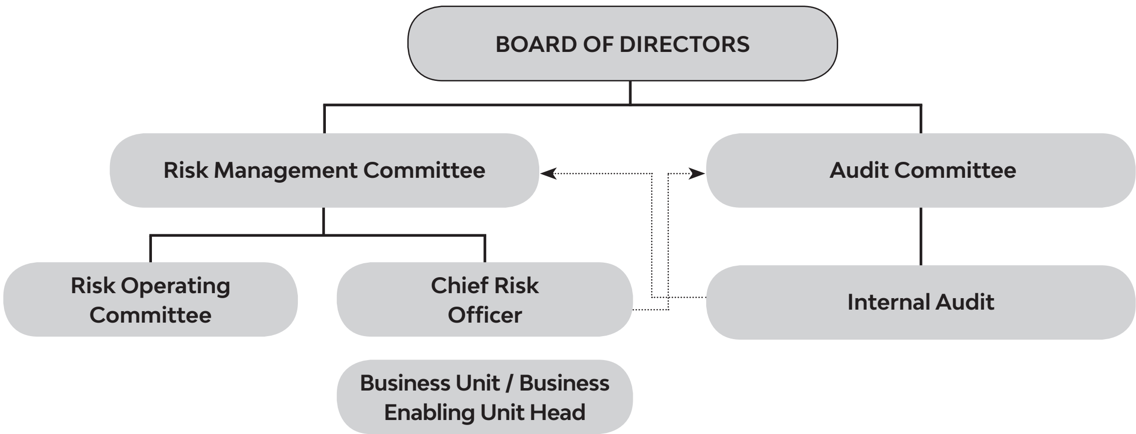
The following section outlines various dimensions of our Risk Management framework and its implementation during the financial year.

A. OVERVIEW:

Our objective of Risk Management framework is to address risks in a proactive manner to sustain business growth. The Risk Management framework is established to ensure that risks that would impact key business objectives are identified, assessed, quantified and appropriately mitigated on a continuous basis across the organization.

B. RISK GOVERNANCE:

Following are the Key Roles and Responsibilities that comprise risk governance for the organization:



Board:

- Ensuring systems for risk management are in place
- Monitoring the development and implementation of Risk Management plan

Risk Management Committee (RMC):

RMC comprises of members of board and senior executives of the company.

Key tasks of RMC are:

- Oversight of the Risk Policy and Enterprise Risk Management (ERM) framework
- Review key risks for the organization

Risk Operating Committee (ROC):

ROC comprises of organization leadership and is chaired by the Chief Operating Officer

Key tasks of ROC are:

- Guide and mitigate issues related to respective business/ functions
- Develop proactive and sustainable Risk Management culture

Chief Risk Officer (CRO):

Key tasks of CRO are:

- Work with ROC to design and drive Risk Management activities
- Assist RMC in overseeing the policy and its implementation
- Update Audit Committee on Risk Management activities

Multiple Lines of Defense for Risk Management:

1ST LINE OF DEFENSE	2ND LINE OF DEFENSE	3RD LINE OF DEFENSE
Project Risk Management	Security	Internal Audits
Account Risk Management		
Business Unit Risk Management	Quality	External Audits
Business Enabling Unit Risk Management	Compliance	
Management Controls; Internal Control Measures	Risk Management	External Consultants

Risk Management at your Company is designed to have various lines of defense:

1. Self-Risk Assessment at Organization, Business Units (BU), and Business Enabling Units (BEU) levels:

   The relevant units proactively identify risks for their business and functions, and go through the Risk Management cycle. Risk assessment in a Business Unit is done at project, account and Business Units level.

2. Compliance and controls checks by various internal teams:

   Internal teams like IT Security, Delivery Excellence, Risk Management and Internal Audit conducts internal checks. These teams ensures that deployed internal controls are being complied to. Any noncompliance are raised and escalated to management as required.

3. External Checks: Various external agencies, consultants and auditors are leveraged to receive best practices and industry benchmarks. These best practices are implemented in the organization to improve the operations.

C. RISK MANAGEMENT PROCESS

Risk Management process at your Company comprises of Risk Identification, Analysis, Mitigation and Monitoring.

Risk Identification: Risk Identification includes study and analysis of technology trends, external market and events, existing processes and systems, audit reports and client satisfaction survey. Identified Risks are classified into Strategic, Business and Operational categories.

Risk Analysis: The risks are analyzed for its magnitude of impact and probability of occurrence. 'Impact' and 'Probability' determines risk 'Severity', based on which the risks are prioritized for its mitigation.

Risk Mitigation: Mitigation strategy can be one of the following:

- Risk Avoidance: High severity risks which do not have solid mitigation plan can be avoided;
- Risk Reduction: Mitigate the risks which can be treated to reduce either their impact or probability;
- Risk Transfer: Transfer the total or partial risk to external third party;
- Risk Acceptance: Risks with low severity can be accepted where the cost of mitigation is higher than the exposure.

Risk Monitoring: The risks are revisited at defined frequency to verify the approved mitigation controls and identify any new risks. Risk perspective varies at various levels. Hence risks are reviewed at project, account, Business Unit and Organization level.

INDEPENDENT AUDITOR'S REPORT

To the Members of Larsen & Toubro Infotech Limited

REPORT ON THE STANDALONE INDIAN ACCOUNTING STANDARDS (IND AS) FINANCIAL STATEMENTS

We have audited the accompanying standalone Ind AS financial statements of Larsen & Toubro Infotech Limited ('the Company'), which comprise the balance sheet as at 31 March 2017, the statement of profit and loss (including other comprehensive income), the cash flow statement and the statement of changes in equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein after referred to as 'standalone Ind AS financial statements').

MANAGEMENT'S RESPONSIBILITY FOR THE STANDALONE IND AS FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS prescribed under section 133 of the Act read with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

OPINION

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the financial position of the Company as at 31 March 2017, and its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2016 ('the Order') issued by the central government in terms of section 143(11) of the Act, we give in Annexure A a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143(3) of the Act, we report that:
    a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
    b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

c) The balance sheet, the statement of profit and loss, the cash flow statement and statement of changes in equity dealt with by this report are in agreement with the books of account;

d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014 and Companies (Indian Accounting Standards) Rules, 2015 (as amended);

e) On the basis of the written representations received from the directors as on 31 March 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2017 from being appointed as a director in terms of section 164(2) of the Act;

f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure B; and

g) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

    i. The Company does not have any pending litigations which would impact its financial position- refer note 35 to the standalone Ind AS financial statements;

    ii. The Company did not have any long term contracts including derivative contracts, for which there were any material foreseeable losses - refer note 38 to the standalone Ind AS financial statements;

    iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company- refer note 50 to the standalone Ind AS financial statements; and

    iv. The Company has provided requisite disclosures in its standalone financial statements as to holdings as well as dealings in Specified Bank Notes during the period from 8 November 2016 to 30 December 2016 and are in accordance with the books of accounts maintained by the Company- refer note 11(II) to the standalone Ind AS financial statements.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 under 'Report on other legal and regulatory requirements' section of our report of even date)

(i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets;

(b) The Company has a regular programme of physical verification of its fixed assets by which fixed assets are verified in a phased manner over a period of two years. In accordance with this programme, certain fixed assets were verified during the year and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets; and

(c) The title deeds of immovable properties are held in the name of the Company.

(ii) The Company does not hold any physical inventories. Accordingly, paragraph 3(ii) of the Order is not applicable to the Company.

(iii) According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured, to companies, firms, limited liability partnerships or other parties covered in the register maintained under section 189 of the Act. Accordingly, paragraphs 3(iii) (a), (b) and (c) of the Order are not applicable to the Company.

(iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act, with respect to the loans and investments made.

(v) In our opinion and according to information and explanation given to us, the Company has not accepted deposits as per the directives issued by the Reserve Bank of India under the provisions of sections 73 to 76 or any other relevant provisions of the Act and the rules framed thereunder. Accordingly, paragraph 3(v) of the Order is not applicable to the Company.

(vi) According to the information and explanations given to us, the central government has not prescribed the maintenance of cost records under section 148(1) of the Act for any of the services rendered by the Company. Accordingly, paragraph 3(vi) of the Order is not applicable to the Company.

(vii) (a) According to the information and explanations given to us and on the basis of our examination of records of the Company, in our opinion, the Company is generally regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income tax, service tax, sales tax, value added tax, cess and other material statutory dues as applicable with the appropriate authorities. As explained to us the Company did not have any dues on account of sales tax, duty of customs, duty of excise, employees' state insurance and value added tax. According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, income tax, service tax, cess and other material statutory dues were in arrears as at 31 March 2017 for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us and the records of the Company examined by us, the particulars of income tax, sales tax, service tax, duty of custom, duty of excise or value added tax as at 31 March 2017 which have not been deposited on account of a dispute pending are as under:

Name of the statute	Nature of the disputed dues	Amount ₹ million*	Period to which the amount relates	Forum where disputes are pending
Central Sales Tax and local sales tax Acts , Service tax	Software exports and service income revenue considered as domestic sales and other classification disputes	11.16	FY 2002-03	Maharashtra Sales Tax Tribunal, Mumbai
	Service tax demand under reverse charge mechanism on the Agency commission paid in foreign currency	1.68	FY 2008-09 to 2013-14	CESTAT
Income-tax Act, 1961	Disallowance of exemption under section 10A	84.26	FY 2008-09 AY 2009-10	ITAT
	Disallowance of exemption under section 10A	0.18	FY 2010-11 AY 2011-12	Commissioner (Appeals)

Name of the statute	Nature of the disputed dues	Amount ₹ million*	Period to which the amount relates	Forum where disputes are pending
	Penalty u/s 271 (1)(c)	131.38	FY 2006-07 AY 2007-08	
	Disputes regarding calculation of notional interest on transactions with related party and disallowance of FTC	1.21	FY 2010-11 AY 2011-12	
	Dispute regarding Disallowance of claim u/s 10A on the ground that it is allowable only for 10 consecutive Assessment years	2.35	FY 2010-11 AY 2011-12	
	Disputes regarding short fall in tax deducted at source	5.14	FY 2010-11 and 2011-12 AY 2011-12 and 2012-13	Assessing Officer (DCIT(TDS))
	Disputes regarding exclusion of interest income from section 10A calculation, addition of notional interest on transactions with related party and disallowance of FTC	2.08	FY 2008-09 AY 2009-10	Assessing Officer (Assistant Commissioner Of Income Tax)

*Net of pre-deposit paid in getting the stay/appeal admitted

(viii) According to the records of the Company examined by us and the information and explanations given to us, the Company has not defaulted in repayment of loans or borrowing to any financial institution, bank, and government or debenture holders as at balance sheet date.

(ix) The Company has neither raised money by sale of initial public offer or further public offer (including debt instruments) nor by way of term loans and, accordingly, paragraph 3(ix) of the Order is not applicable to the Company.

(x) According to the information and explanations given to us, there were no material frauds by the Company or on the Company by its officers or employees that have been noticed or reported during the year.

(xi) According to the information and explanation given to us and based on our examination of the records of the Company, the Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with schedule V of the Act.

(xii) In our opinion and according to the information and explanation given to us, the Company is not a nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable to the Company.

(xiii) According to the information and explanation given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with section 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.

(xiv) According to the information and explanation given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or partly convertible debentures during the year. Accordingly, paragraph 3(xiv) of the Order is not applicable to the Company.

(xv) According to the information and explanation given to us and based on our examination of the records of the Company, the Company has not entered into non- cash transactions with directors or persons connected with him. Accordingly paragraph 3(xv) of the Order is not applicable to the Company.

(xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2(f) of our report of even date)

REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (i) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ("THE ACT")

We have audited the internal financial controls over financial reporting of Larsen & Toubro Infotech Limited ('the Company') as of 31 March 2017 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

NOTES FORMING PART OF ACCOUNTS

1. COMPANY OVERVIEW

Larsen & Toubro Infotech Limited ('the Company') offers extensive range of IT services like application development, maintenance and outsourcing, enterprise solutions, infrastructure management services and testing and digital solutions to clients in diverse industries.

The Company is a public limited company incorporated and domiciled in India and has its registered office at L&T House, Ballard Estate, Mumbai, Maharashtra, India. The Company's equity shares are listed on the National Stock Exchange Limited and BSE Limited in India.

2. SIGNIFICANT ACCOUNTING POLICIES

a. Basis of accounting

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. Further the guidance notes or announcements issued by the Institute of Chartered Accountants of India (ICAI) are also considered wherever applicable.

Preparation of financial statements in conformity with Accounting Standards requires management of the Company to make estimates and assumptions that affect the income and expense reported for the period and assets, liabilities and disclosures reported as of the date of the financial statements. Examples of such estimates include useful lives of tangible and intangible assets, provision for doubtful debts, future obligations in respect of retirement benefit plans, etc. Actual results could vary from these estimates.

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as prescribed under section 133 of the Companies Act, 2013, read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards Amendment) Rules 2016.

The Company has prepared its first Ind AS compliant financial statements as on 1 April 2015 (the date of transition). Refer note 48 'First-time adoption of Ind AS' for an explanation of impact of transition from Generally Accepted Accounting Principles in India (iGAAP) to Ind AS on the Company's financial statements.

b. Presentation of financial statements

The statement of financial position and the statement of profit and loss are prepared and presented in the format prescribed in Schedule III to the Companies Act, 2013. The cash flow statement has been prepared and presented as per the requirements of Ind AS 7 'Cash Flow Statements'. The disclosure requirements with respect to items in the balance sheet and statement of profit and loss, as prescribed in Schedule III to the Act, are presented by way of notes forming part of accounts along with the other notes required to be disclosed under the notified Accounting Standards.

c. Revenue recognition

Revenue from contracts priced on time and material basis is recognized when services are rendered and related costs are incurred.

Revenue from services performed on fixed-price basis is recognized over the life of contract using the proportionate completion method.

Revenue from sale of products and licenses is recognized upon delivery when all risks and rewards are transferred.

Unbilled revenue represents value of services performed in accordance with the contract terms but not billed.

d. Other income

I) Interest income is accrued at applicable interest rate.

II) Dividend income is accounted in the period in which the right to receive the same is established.

III) Other items of income are accounted as and when the right to receive arises.

e. Employee benefits

I) Short term employee benefits

All employee benefits falling due wholly within twelve months of rendering the service are classified as short term employee benefits. The benefits like salaries, wages, and short term compensated absences and performance incentives are recognized in the period in which the employee renders the related service.

II) Post-employment benefits

i) Defined contribution plan:

The Company's superannuation fund and state governed provident fund scheme are classified as defined contribution plans. The contribution paid/payable under the schemes is recognized during the period in which the employee renders the related service.

NOTES FORMING PART OF ACCOUNTS (Contd.)

ii) Defined benefit plans:

The provident fund scheme managed by trust, employees gratuity fund scheme managed by Life Insurance Corporation of India and post-retirement medical benefit scheme are the Company's defined benefit plans. Wherever applicable, the present value of the obligation under such defined benefit plans is determined based on actuarial valuation using the Projected Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The obligation is measured at the present value of the estimated future cash-flows. The discount rates used for determining the present value of the obligation under defined benefit plans is based on the market yields on government bonds as at the balance sheet date, having maturity periods approximating to the terms of related obligations. Actuarial gains and losses through re-measurement of the defined benefit liability/(asset) are recognized in other comprehensive income. The actual return of portfolio of plan assets, in excess of yields computed by applying the discount rate used to measure the defined benefit obligation are recognized in other comprehensive income. The effect of any plan amendments are recognized in statement of profit and loss.

Gains or losses on the curtailment or settlement of any defined benefit plan are recognized when the curtailment or settlement occurs. Past service cost resulting from a plan amendment or curtailment are recognized immediately in the statement of profit and loss.

(iii) Long term employee benefits:

The obligation for long term employee benefits like long term compensation absences is recognized as determined by actuarial valuation performed by independent actuary at each balance sheet date using Projected Unit Credit Method on the additional amount expected to be paid or availed as a result of unused entitlement that has accumulated at balance sheet date. Actuarial gains and losses are recognized immediatly in other comprehensive income.

(iv) Social security plans

Employer' contribution payable with respect to social security plans, which are defined contribution plans, is charged to the statement of profit and loss in the period in which employee renders the services.

f. Property, plant and equipment

Property plant and equipment are stated at cost less accumulated depreciation and impairment losses if any. Cost includes expenditure directly attributable to the acquisition of the asset and cost incurred for bringing the asset to its present location and condition.

g. Intangible assets

Assets like customer relationship, computer software, and internally developed software are stated at cost, less accumulated depreciation, amortisation and impairment.

h. Impairment

I) Impairment of trade receivable

The Company assesses at each date of statement of financial position whether a financial asset in form of trade receivable is impaired. In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss. As a practical expedient, the Company uses a provision matrix to determine impairment loss on portfolio of its trade receivable. The provision matrix is based on available external and internal credit risk factors such as credit default, credit rating from credit rating agencies and Company's historically observed default rates over the expected life of trade receivable. Impairment loss allowance or reversal is recognised during the period as expense or income respectively in the statement of profit and loss.

II) Impairment of intangible assets

At the end of each reporting period, the Company reviews the carrying amount of its intangible assets to determine if there is any indication of loss suffered. If such indication exists, the recoverable amount of the asset is estimated to determine the extent of the impairment loss.

i. Leases

I) Finance lease

Assets acquired under lease where the Company has substantially all the risks and rewards of ownership are

NOTES FORMING PART OF ACCOUNTS (Contd.)

classified as finance lease. Such assets are capitalised at the inception of the lease at the lower of the fair value and the present value of minimum lease payments and a liability is created for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost, so as to obtain a constant periodic rate of interest on the outstanding liability for each period.

II) Operating lease

Assets acquired under lease where a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating lease. Lease rentals are charged to the profit and loss account on accrual basis.

j. Depreciation

I) Tangible assets

Depreciation on assets have been provided as mentioned in below table except for the leasehold improvements which is depreciated over the lease period. Depreciation or amortisation on additions and disposals are calculated on pro-rata basis from and to the month of additions and disposals.

Particulars	Useful life
• Computers and IT Peripherals	Up to 6 years
• Plant & Machinery	Up to 15 years
• Office Equipment	Over a period of 5 years
• Vehicles	Over a period of 8 years
• Furniture & Fixtures	Over a period of 10 years

II) Intangible assets and amortisation

The estimated useful life of an identifiable intangible asset is based on number of factors including the effects of obsolescence, demand, competition and other economic factors and the level of maintenance expenditure required to obtain the expected future cash flows from the asset. The basis of amortization of intangible assets is as follows:

Particulars	Useful life
• Software	Up to 5 years
• Business rights	Over a period 5 years

k. Employee stock ownership schemes

In respect of stock options granted pursuant to the Company's stock options scheme, the excess of fair value of the share over the exercise price of the option is treated as discount and accounted as employee compensation cost over the vesting period. The amount recognised as expense each year is arrived based on the number of grants expected to vest. If options granted lapse after the vesting period, the cumulative discount recognized as expense in respect of such options is transferred to the general reserve.

l. Functional and presentation currency

The functional and presentation currency of the Company is the Indian Rupee as it is the currency of the primary economic environment in which the Company operates.

m. Foreign currency transactions and balances

Foreign currency transactions are initially recorded at the rates prevailing on the date of the transaction. At the balance sheet date, foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried at historical cost denominated in foreign currency are reported using the exchange rate at the date of the transaction.

n. Financial instruments

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument.

I) Initial measurement

Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

II) Subsequent measurement

i) Non-derivative financial assets

A) Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if:

a) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and

NOTES FORMING PART OF ACCOUNTS (Contd.)

b) the contractual terms of financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Financial assets at amortised cost are represented by trade receivables, cash and cash equivalents, employee and other advances and eligible current and non current assets.

B) Financial assets at fair value through other comprehensive income (FVTOCI)

Financial assets are subsequently measured at fair value through other comprehensive income if the financial asset is held within a business model whose objective is achieved by both:

a) Collecting contractual cash flows and selling financial assets and

b) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

C) Financial assets at fair value through profit and loss (FVTPL)

Fair value through profit and loss is a residual category for financial assets. Any financial asset which does not meet the criteria for categorisation as at amortised cost or as financial asset at fair value through other comprehensive income is classified as financial assets fair valued through profit and loss.

ii) Non-derivative financial liability

A) Financial liabilities at amortised cost

Financial liabilities at amortised cost represented by trade and other payables are initially recognized at fair value, and subsequently carried at amortised cost using the effective interest method.

B) Financial liabilities at fair value through other comprehensive income or debt instrument (FVTOCI)

A debt instrument shall be measured at fair value through other comprehensive income if both of the following conditions are met:

a) the objective of the business model is achieved by collecting contractual cash flows and selling financial asset and

b) the asset's contractual cash flow represent solely payments of principal and interest. The Company has not recognised any liabilities under this category.

C) Financial liabilities at fair value through profit and loss (FVTPL)

Fair value through profit and loss is a residual category for financial liabilities. Any financial liability which does not meet the criteria for categorisation as at amortised cost or as fair value through other comprehensive income, is classified as fair value through profit and loss.

iii) Derivative financial instrument

The Company holds derivative financial instrument such as foreign exchange forward contracts to mitigate the risk of changes in exchange rates on foreign currency exposures.

A) Cash flow hedges

Changes in the fair value of the derivative hedging instruments designated as cash flow hedges are recognised in other comprehensive income and presented within equity as hedging reserve. The cumulative gain and loss previously recognised in the cash flow hedging reserve is transferred to the statement of profit and loss upon the occurance of the related forecasted transactions. Changes in fair value of foreign currency derivative instruments not designated as cash flow hedges and ineffective portion of cash flow hedges are recognised in statement of profit and loss and reported in foreign exchange gains or losses.

B) Fair value hedges

Changes in the fair value of the derivative instuments designated as fair value hedges are recognised in statement of profit and loss.

(III) Derecognition

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial assets expire or it transfers the financial

NOTES FORMING PART OF ACCOUNTS (Contd.)

asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability is derecognised from the Company's balance sheet where the obligation specified in the contract is discharged or cancelled or expired.

o. Taxes on income

Income tax expense comprises current and deferred income tax. Tax on income for Indian companies for the current period is determined on the basis of taxable income and tax credits computed in accordance with the provisions of the Indian Income tax Act, 1961. Foreign branches recognize current tax and deferred tax liabilities and assets in accordance with the applicable local laws.

Income tax and deferred tax expense is recognized in the statement of profit and loss except to the extent that it relates to items recognised directly in other comprehensive income, in which case income tax expense is recognised in other comprehensive income. Current income tax for current and prior periods is recognised at the amount expected to be paid to or recovered from the tax authorities (Refer note 7 for applicable tax rates in various jurisdiction).

The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognised amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. Deferred income tax assets and liabilities are recognised for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction. Other deferred tax assets are recognised and carried forward to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted as on the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. Deferred income taxes are not provided on the undistributed earnings of branches where it is expected that the earnings of the branch will not be distributed in the foreseeable future.

p. Borrowing costs

Borrowing costs include interest, commitment charges and finance charges in respect of assets acquired on finance lease and exchange differences arising from foreign currency borrowings, to the extent they are regarded as an adjustment to interest costs.

q. Provisions, contingent liabilities and contingent assets

Provisions are recognized for liabilities that can be measured only by using a substantial degree of estimation, if

I) the Company has a present obligation as a result of a past event;

II) a probable outflow of resources is expected to settle the obligation; and

III) the amount of the obligation can be reliably estimated

Reimbursement expected in respect of expenditure required to settle a provision is recognized only when it is virtually ertain that the reimbursement will be received.

Contingent liability is disclosed in case of,

I) a present obligation arising from a past event when it is not probable that an outflow of resources will be required to settle the obligation; or

II) a possible obligation unless the probability of outflow of resources is remote.

Contingent assets are neither recognised nor disclosed.

Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.

r. Segment accounting

Operating segments are defined as components of an enterprise for which discrete financial information is used regularly by the Company's Chief Operating Decision Maker in deciding how to allocate resources and assessing performance.

I) Segment revenue is the revenue directly identifiable with or allocable to the segment.

II) Expenses that are directly identifiable with or allocable

NOTES FORMING PART OF ACCOUNTS (Contd.)

to segments are considered for determining the segment result. Expenses which relate to the Company as a whole and not identifiable with or allocable to segments are included under 'unallocable expenses'.

III) Other income which relates to the Company as a whole and not identifiable with or allocable to segments is included in 'unallocable income'.

IV) Assets and liabilities used in the Company's business are not identified to any of the reportable segment as these are used interchangeably.

s. Cash flow statement

Cash flow statement is prepared segregating the cash flows from operating, investing and financing activities. Cash flow is reported using indirect method as per the requirements of Ind AS 7 ('Cash flow statements').

3. INTANGIBLE ASSETS

The balance useful life of intangible assets as on the respective balance sheet dates is as follows:-

(₹ in Mn)

Class of assets	As at 31 March 2017		As at 31 March 2016		As at 1 April 2015

(₹ in Mn)

		2016-17	2015-16
1.	Income tax liability that may arise in respect of which the Company is in appeal *	1,971	1,339
2.	Corporate guarantee given on behalf of subsidiary **	3,726	5,999
3.	Service tax refund disallowed, in respect of which the Company is in the appeal #	81	12
1.	Sales tax liability, in respect of which the Company is in appeal	–	1
		5,778	**7,351**

* Out of contingent tax liability disclosed above, ₹ 1,779 Mn (including interest of ₹ 184 Mn), pertains to the tax demand arising on account of disallowance of exemption under section 10A on profits earned by STPI Units on onsite export revenue. Company is pursuing appeal against these demands before the relevant Appellate Authorities.

The Company believes that its position is likely to be upheld by appellate authorities and considering the facts, the ultimate outcome of these proceedings is not likely to have material adverse effect on the results of operations or the financial position of the Company.

NOTES FORMING PART OF ACCOUNTS (Contd.)

** The Company has given a corporate guarantee on behalf of its wholly owned subsidiary L&T Infotech Financial Services Technologies Inc. The guarantee is for performance of all obligations by L&T Infotech Financial Services Technologies Inc. Canada in connection with the long term annuity services contracts obtained by them. The obligation under this guarantee is limited in aggregate to the amount of CAD 70,000,000.

The Company has given a corporate guarantee on behalf of its subsidiary, Larsen and Toubro Infotech South Africa (Proprietary) Limited. The guarantee is for performance of all obligations by Larsen & Toubro Infotech South Africa (Proprietary) Limited in connection with software development services and related services. The obligation under this guarantee is limited in aggregate to USD 5,000,000.

The Company had filed refund of accumulated service tax credit in accordance with relevant CENVAT credit Rules. However, the department has disallowed certain portion of such refunds considering the same as ineligible as not related with output services. The Company is in appeal against these disallowances before the relevant Authorities and is hopeful of getting a favourable order.

36. Estimated amount of contracts remaining to be executed on capital account (net of advances) and not provided for: ₹151 Mn (previous year ₹132 Mn).

Closing balance of plan assets	**527**	**493**	**4,939**	**4264**

*On account of business combination or inter -company transfer

The Company expects to contribute ₹ 157 Mn (₹ 87 Mn in 2015-16) towards its gratuity, in the next financial year.

The Company's share of defined benefit obligation/fair value of plan assets adjusted by the Trust of the holding company.

VI) The major categories of plan assets as a percentage of total plan assets are as follows:

(₹ in Mn)

	FY 2016-17	
	Gratuity plan	Provident fund plan
Government of India securities	Scheme with LIC	20.45%
State government securities		21.19%
Corporate bonds		14.50%
Fixed deposits under Special Deposit Scheme framed by central government for provident funds		8.38%
Public sector bonds		32.84%
Mutual Funds		2.64%

NOTES FORMING PART OF ACCOUNTS (Contd.)

VII) Principal actuarial assumptions at the balance sheet date (expressed as weighted averages):

		2016-17	2015-16
i	**Discount rate**		
	For gratuity	6.75%	7.75%
	For post -retirement medical benefits	6.75%	7.75%
ii	Annual increase in healthcare costs (see note below)	5.0%	5.0%
iii	Attrition rate:	Varies between 2% to 18%	Varies between 2% to 18%
iv	Salary growth rate	5.0%	5.0%

VIII) Projected plan cash flow:

The table below shows the expected cash flow profile of the benefits to be paid to the current membership of the plan (which in case of serving employees, if any, is based on service accrued by employee up to valuation date):

As on 31 March 2017

(₹ in Mn)

Maturity profile	Gratuity	Post-Retirement medical benefit liability
Expected benefits for year 1	96	1
Expected benefits for year 2	87	2
Expected benefits for year 3	86	2
Expected benefits for year 4	82	3
Expected benefits for year 5	77	3
Expected benefits for year 6	72	4
Expected benefits for year 7	66	5
Expected benefits for year 8	61	5
Expected benefits for year 9	54	6
Expected benefits for year 10 and above	469	1,036

As on 31 March 2016

(₹ in Mn)

Maturity profile	Gratuity	Post-Retirement medical benefit liability
Expected benefits for year 1	91	0
Expected benefits for year 2	81	2
Expected benefits for year 3	78	2
Expected benefits for year 4	75	2
Expected benefits for year 5	67	3
Expected benefits for year 6	63	3
Expected benefits for year 7	59	4
Expected benefits for year 8	55	5
Expected benefits for year 9	50	5
Expected benefits for year 10 and above	413	915

NOTES FORMING PART OF ACCOUNTS (Contd.)

The estimates of future salary increases considered in actuarial valuation, take into account inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment marke

IX) Sensitivity analysis

i) Post retirement benefits:

Although the obligation of the Company under the post-retirement medical benefit plan is limited to the overall ceiling limits, assumed healthcare cost trend rates may affect the amounts recognised in the statement of profit and loss. The benefit obligation results for the cost of paying future hospitalization premiums to insurance company and reimbursement of domiciliary medical expenses in future for the employee/beneficiaries during their lifetime is sensitive to discount rate, future increase in healthcare costs and longevity. The following table summarizes the impact in percentage terms on the reported defined benefit obligation at the end of the reporting period arising on account changes in these three key parameters:

	2016-17
Discount Rate	
Impact of increase in 50 bps on defined benefit obligation	-9.84%
Impact of decrease in 50 bps on defined benefit obligation	11.32%
Healthcare costs rate	
Impact of increase in 100 bps on defined benefit obligation	17.87%
Impact of decrease in 100 bps on defined benefit obligation	-14.14%
Life expectancy	
Impact of increase by 1 year on defined benefit obligation	0.69%
Impact of decrease by 1 year on defined benefit obligation	-0.72%

ii) Gratuity:

Gratuity is a lump sum plan and the cost of providing these benefits is typically less sensitive to small changes in demographic assumptions. The key actuarial assumptions to which the benefit obligation results are particularly sensitive to are discount rate and future salary escalation rate. The following table summarizes the impact in percentage terms on the reported defined benefit obligation at the end of the reporting period arising on account of an increase or decrease in the reported assumption by 50 basis points.

	Period ended 31 March 2017	
	Discount rate	Salary escalation rate
Impact of increase in 50 bps on defined benefit obligation	-3.09%	3.14%
Impact of decrease in 50 bps on defined benefit obligation	3.27%	-3.01%

X) General descriptions of defined benefit plans:

i) Gratuity plan

The Company makes contributions to the Employees' Company Gratuity-cum-Life Assurance Scheme of the Life Insurance Corporation of India, a funded defined benefit plan for qualifying employees. The scheme provides for lump sum payment to employees at retirement, death while in employment or termination of employment of an amount equivalent to 15 days salary for every completed year of service or part thereof in excess of six months, provided the employee has completed five years in service.

NOTES FORMING PART OF ACCOUNTS (Contd.)

ii) Post-retirement medical benefit plan

The post-retirement medical benefit plan provides for reimbursement of health care costs to certain categories of employees post their retirement. The reimbursement is subject to an overall ceiling limit sanctioned at the time of retirement. The ceiling limits are based on cadre of the employee at the time of retirement.

iii) Provident fund plan

The Company's provident fund plan is managed by its holding company through a Trust permitted under the Provident Fund Act, 1952. The plan envisages contribution by employer and employees and guarantees interest at the rate notified by the Provident Fund Authority. The contribution by employer and employee together with interest are payable at the time of separation from service or retirement whichever is earlier. The benefit under this plan vests immediately on rendering of service.

The interest payment obligation of trust managed provident fund is assumed to be adequately covered by the interest income on long term investments of the fund. Any shortfall in the interest income over the interest obligation is recognised immediately in the statement of profit and loss as actuarial loss. Any loss arising out of the investment risk and actuarial risk associated with the plan is also recognised as expense in the period in which such loss occurs. Further, on amount of ₹ Nil has been provided based on actuarial valuation towards the future obligation arising out of interest rate guarantee associated with the plan.

38. FINANCIAL INSTRUMENTS BY CATEGORY

I) Carrying value of financial instruments by categories are as follows. The carrying value of financial assets and liabilities classified at amortised cost is considered to be same as their fair value due to short term nature of these assets and liabilities. Hence disclosure of fair value of these assets and liabilitiess have not been provided.

(IV) Financial risk management

The Company is exposed to foreign currency risk, interest rate risk, credit or counterparty risk and liquidity risk.

i) Currency risk

Primary market risk to the Company is foreign exchange risk.

The Company uses derivative financial instruments to mitigate foreign exchange related exposures. All derivative activities for risk management purposes are carried out by specialist teams that have the appropriate skills, experience and supervision.

The Company's operations are principally in foreign currencies and the maximum exposure is in US dollars.

The Board of Directors has approved the Company's financial risk management policy covering management of foreign currency exposures. The treasury department, monitors the foreign currency exposures and takes appropriate forward covers to mitigate its risk. The Company hedges its exposure on a net basis (i.e. expected earnings in foreign currency less expected expenditure in related currency) These hedges are cash flow hedges as well as hedges not designated as cash flow hedges.

The Company does not enter into hedge transactions for either trading or speculative purposes.

The outstanding forward contracts at the year end their maturity profile and sensitivity analysis are as under.

Fair value of forward contracts as at 31 March 2017, 31 March 2016 and 1 April 2015 was ₹57,886 Mn, ₹42,009 Mn, ₹53,726 Mn respectively. Outstanding number of contracts as at 31 March 2017 were 269, 31 March 2016 were 118 and 1 April 2015 were 200.

A) Notional value of contracts is given as below:

Currency	As at 31 March 2017		As at 31 March 2016		As at 1 April 2015	
	Amount in USD Mn	Amount in INR Mn	Amount in USD Mn	Amount in INR Mn	Amount in USD Mn	Amount in INR Mn
USD-INR	848	61,818	601	42,754	808	54,912

B) The foreign exchange forward contracts mature maximum within 36 months. The table below analyses the derivative financial instrument into relevant maturity grouping based on the remaining period as of the balance sheet. Contracts with maturity not later than twelve months include certain contracts which can be rolled over to subsequent periods iin line with underlying exposures.

(₹ in Mn)

NOTES FORMING PART OF ACCOUNTS (Contd.)

	As at 31-03-2017	As at 31-03-2016	As at 01-04-2015
In USD			
Not later than twelve months	29,509	28,002	37,460
Later than twelve months	32,309	14,752	17,452
TOTAL	**61,818**	**42,754**	**54,912**

C) Value-at- Risk (VaR)

To provide a meaningful assessment of the foreign currency risk associated with the Company's foreign currency derivative positions against off balance sheet exposures and unhedged portion of on-balance sheet exposures, the Company uses a multi-currency correlated VaR model. The VaR model uses a Monte Carlo simulation to generate thousands of random market price paths for foreign currencies against Indian rupee taking into account the correlations between them. The VaR is the expected loss in value of the exposures due to overnight movement in spot exchange rates, at 95% confidence interval. The VaR model is not intended to represent actual losses but is used as a risk estimation tool. The model assumes normal market conditions and is a historical best fit model. Because the Company uses foreign currency instruments for hedging purposes, the loss in fair value incurred on those instruments are generally offset by increases in the fair value of the underlying exposures for on-balance sheet exposures. The overnight VaR of the Company at 95% confidence level is ₹ 410 Mn as at 31 March 2017 (₹ 247 Mn as at 31 March 2016).

Actual future gains and losses associated with the Company's investment portfolio and derivative positions may differ materially from the sensitivity analyses performed as of March 31, 2017 due to the inherent limitations associated with predicting the timing and amount of changes in foreign currency exchanges rates and the Company's actual exposures and position.

ii) Interest risk:

The Company has no interest rate risk in case of borrowings as at 31 March 2017. However the Company invests its surplus funds in debt mutual funds. The Company mitigates the risk of counter-party failure by investing in mutual fund schemes with large asset under management and having investments in debt instruments issued with sound credit rating.

Net Asset Values (NAV) of debt mutual funds are subject to changes in interest rates. Every five percent increase or decrease in the NAV of debt mutual funds where the Company holds investments will impact the Company's profit after tax by ₹470 Mn in 2016-2017 and ₹3 Mn in 2015-2016.

iii) Credit risk

The principal credit risk that the Company exposed to is non-collection of trade receivable and late collection of receivable leading to credit loss. The risk is mitigated by reviewing creditworthiness of the prospective customers prior to entering into contract and post contracting, through continuous monitoring of collections by a dedicated team.

The Company makes adequate provision for non-collection of trade receivable. Further, the Company has not suffered significant payment defaults by its customers.

In addition, for delay in collection of receivable, the Company has made provision for expected credit loss ('ECL') based on ageing analysis of its trade receivable. These range from 1.7% for dues outstanding up to six months to 21.3% for dues outstanding for more than 36 months for 2016-17 (Previous year 1.9% and 23.5% for dues outstanding upto 6 months and for more than 36 months respectively). No provision has been made on trade receivables in not due category.

ECL allowance for non-collection of receivable and delay in collection, on a combined basis were ₹ 65 Mn and ₹ 62 Mn for the financial years 2016-17 and 2015-16 respectively. The movement in allowance for doubtful debts comprising provision for both non collection of receivables and delay in collections is as follows:

(₹ in Mn)

	2016-17	2015-16
Opening balance	62	61
Impairment loss recognised or (reversed)	3	1
Closing balance	**65**	**62**

NOTES FORMING PART OF ACCOUNTS (Contd.)

The percentage of revenue from its top five customers is 37.6% for 2016-17 (37.5% for 2015-16).

The counter-party risk that Company is exposed to is principally for financial instruments taken to hedge its foreign currency risks. The counter- parties are mainly banks and the Company has enter into contracts with the counter-parties for all its hedge instruments and in addition, entered into suitable credit support agreements to cap counter party risk where necessary.

iv) Liquidity risk

The Company's treasury department monitors the cash flows of the Company and surplus funds are invested in non-speculative financial instruments that are usually highly liquid funds.

The Company has no borrowings as on 31 March 2017 but it has credit facilities with banks that will help it to generate funds for the business if required.

The contractual maturities of financial assets and financial liabilities is as follows:

(₹ in Mn)

Particulars	As at 31 March 2017			As at 31 March 2016			As at 1 April 2015

39. LEASES

(I) Finance leases

In accordance with Ind AS 17 'Leases' the assets acquired under finance leases are capitalised and a loan liability is recognised for an equivalent amount. Consequently depreciation is provided on such assets. Lease rentals paid are allocated to the liability and the interest is charged to statement of profit and loss.

(II) Operating leases

The Company has taken certain premises, office equipment and employee cars under non-cancellable operating leases. The rental expense in respect of operating leases was ₹1,554 Mn. (previous year ₹1,552 Mn) and the future rentals payable are as follows:

(₹ in Mn)

	2016-17	2015-16
Minimum lease payments		
- payable not later than 1 year	814	782
- payable after 1 year but not later than 5 years	3,342	4,075
- payable after 5 years	565	646
	4,721	**5,503**

40. AUDITORS' REMUNERATION (EXCLUDING SERVICE TAX) CHARGED TO THE ACCOUNTS INCLUDE:

(₹ in Mn)

	2016-17	2015-16
Audit fees	2	1
Tax audit fees	–	–
Other services	2	2
Expense reimbursement	–	–
	4	**3**

41. BASIC AND DILUTED EARNINGS PER SHARE (EPS) AT FACE VALUE OF ₹ 1

	2016-17	2015-16
Profit after tax (₹ in Mn)	9,376	8,562
Weighted average number of shares outstanding	170,112,899	163,914,663
Basic EPS (₹)	**55.11**	**52.23**
Weighted average number of shares outstanding	170,112,899	163,914,663
Add: weighted average number of potential equity shares on account of employee options	3,879,583	5,665,080
Weighted average number of shares outstanding	173,992,482	169,579,743
Diluted EPS (₹)	**53.89**	**50.49**

42. AMALGAMATION OF SUBSIDIARY

GDA Technologies Limited (GDA) has been amalgamated with the Company with effect from 1 April 2016. The Board of Directors of the Company and GDA have approved the scheme of amalgamation of GDA with the Company on October 17, 2014, with April 01,2016 as the appointed date. Accordingly, a petition for sanctioning the scheme of amalgamation has been filed with the Hon'ble High Court of Judicature at Bombay and the Hon'ble High Court of Judicature at Madras. The Scheme has been sanctioned by the Hon'ble High Court of Judicature at Bombay vide its order dated 1 April 2016 and the approval of the Scheme by the Hon'ble High Court of Madras is sanctioned on 3 August 2016 with effective 1 April 2016. The difference between the amounts recorded as investments of the Company and the amount of share capital of GDA has been adjusted in the general reserve.

The amalgamation is accounted in accordance with 'pooling of interest method' as per Ind AS 103 'Business Combinations' and in accordance with scheme approved by the Hon'ble High Court of Bombay and Hon'ble High Court of Madras.

I) All assets and liabilities (including contingent liabilities),reserves, benefits under income-tax, benefits for under special economic zone registrations, duties and obligations of GDA have been recorded in the books of account of the Company at their carrying amounts.

II) The amount of share capital of GDA has been adjusted against the corresponding investment balance held by the Company in the amalgamating company and the excess of share capital over the investment has been adjusted against general reserve.

III) Accordingly, the amalgamation has resulted in transfer of assets and liabilities as on 1 April 2016 in accordance with the terms of the Scheme at the following summarized values:

(₹ in Mn)

Particulars	Amount	Amount
Current assets		
Investments	362	
Other Current assets	9	371
Total assets		**371**
Liabilities	–	–
Net assets		**371**

The following balances as on 1 April 2016 have been added to the respective opening balances of the Company:

(₹ in Mn)

General reserve	4
Profit and loss balance	365

The amount charged against general reserve of the Company pursuant to amalgamation is as follows:

(₹ in Mn)

Investment in the amalgamating company	323
Share capital taken over from the amalgamating company	2
Amount charged against general reserve	**321**

NOTES FORMING PART OF ACCOUNTS (Contd.)

43. ACQUISITION OF SUBSIDIARY

45. SEGMENTAL REPORTING

Segments have been identified in accordance with Indian Accounting standards ('Ind AS') 108 on operating segments considering the risk or return profiles of the business. As defined in Ind AS 108, the Chief Operating Decision Maker (CODM) evaluates the company performance and allocates resources based on an analysis of various performance indicators. Accordingly, information has been presented for the Company's operating segments. The accounting is consistently applied to record revenue and expenses for respective segments and as are set out in significant accounting policies.

The Company has two business segments. Services cluster includes Banking & Financial Services, Insurance, Media & Entertainment, Travel & Logistics and Healthcare and others. Industrial cluster includes Hi Tech and Consumer Electronics, Consumer, Retail & Pharma, Energy & Process, Automobile & Aerospace, Plant Equipment & Industrial Machinery, Utilities and Engineering and Construction and others. The Company has presented its segment results accordingly.

I) The revenue and operating profit by segments is as under:

(₹ in Mn)

	Services Cluster		Industrial Cluster		Total	
	2016-17	2015-16	2016-17	2015-16	2016-17	2015-16
Revenue	33,783	29,190	28,046	26,495	**61,829**	**55,685**
Segmental operating profit	8,832	6,514	6,075	6,699	**14,907**	**13,213**
Unallocable expenses (net)					**3,927**	**3,982**
Other income					**1,983**	**2,304**
Finance cost					**32**	**58**
Depreciation and amortization expenses					**1,089**	**1,034**
Profit before tax					**11,842**	**10,443**

II) Revenues on the basis of the geographical location of the customers is as under:

(₹ in Mn)

Geography	Revenue from operations	
	2016-17	2015-16
North America	42,249	38,187
Europe	11,267	9,702
India	4,361	3,394
APAC	1,562	1,653
ROW	2,390	2,749
TOTAL	**61,829**	**55,685**

NOTES FORMING PART OF ACCOUNTS (Contd.)

46. EVENTS OCCURRING AFTER THE REPORTING PERIOD:

The Board of Directors at its meeting held on 4 May 2017, has declared final dividend of ₹ 9.70 per equity share (Face value Re 1).

47. DUES TO MICRO ENTERPRISES AND SMALL ENTERPRISES:

		As at 31 March 2017	As at 31 March 2016
i)	the principal amount and the interest due thereon remaining unpaid to any supplier as at the end of each accounting year	–	–
ii)	the amount of interest paid by the Company in terms of section 16 of MSMED Act, 2006, along with the amounts of the payment made to the suppliers beyond the appointed day during the year	–	–
iii)	the amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under MSMED Act, 2006	–	–
iv)	the amount of interest accrued and remaining unpaid at the end of each accounting year; and	–	–
v)	the amount of further interest remaining due and payable even in th succeeding years, until such date when the interest dues as above are actually paid to the small enterprise, for the purpose of disallowance as a deductible expenditure under section 23 of the MSMED Act, 2006.	–	–
#	The management has identified micro and small enterprises as defined under Micro, Small and Medium Enterprises Development Act, 2006 (MSMED) on the basis of information made available by the supplier or vendors of the Company. Based on the information available with the Company, as at the year end, there are- no dues to micro and small Enterprises that are reportable under the MSMED Act, 2006.	–	–

48. FIRST-TIME ADOPTION OF IND-AS

The Financial statements of the Company for the year ended 31 March 2017 have been prepared in accordance with Ind AS. This is the first set of financial statements in accordance with Ind AS. The Company has followed Ind AS 101: 'First time adoption of Indian Accounting Standards', with 1 April, 2015 as the transition date.

The transition to Ind AS has resulted in changes in the presentation of the financial statement, disclosures in the notes thereto including accounting policies. The accounting policies set out in note 2 have been applied in preparing the financial statements for the year ended 31 March 2017 and the comparative financial statements.

Impact of the transition from iGAAP to Ind AS on the Company's financial statements, exemptions on first time adoption of Ind AS availed in accordance with Ind AS 101 and reconciliation of financial statements is explained below:

(I) Exemptions availed on first time adoption of Ind-AS 101

i) Business combinations:

Ind AS 101 provides the option to apply Ind AS 103 prospectively from the transition date or from a date when the entity acquires the control of the subsidiary. The Company has availed the exemption and has restated the balances prospectively as on the date of transition.

NOTES FORMING PART OF ACCOUNTS (Contd.)

ii) Deemed cost:

Ind AS 101 permits a first-time adopter to elect fair valuation or to continue with the carrying value for property, plant and equipment measured as per the iGAAP and use that as its deemed cost as at the date of transition after making necessary adjustments for de-commissioning liabilities. On transition to Ind AS, the Company has elected to continue with the carrying value of its property plant and equipment recognized as at 1 April 2015 measured as per the Indian GAAP.

iii) Share-based payment

A first time adopter has option to apply provisions ofInd AS 102 Share-based payments to equity instruments that were granted on or before the date of transition to Ind AS. Accordingly, at the date of transition, the Company has measured such unvested options at fair value.

(II) Reconciliations as required under Ind AS 101 as at 31 March 2016 and 1 April 2015 are as given below:

INDEPENDENT AUDITOR'S REPORT

To the Members of Larsen & Toubro Infotech Limited

REPORT ON THE CONSOLIDATED INDIAN ACCOUNTING STANDARDS (IND AS) FINANCIAL STATEMENTS

We have audited the accompanying consolidated Ind AS financial statements of Larsen & Toubro Infotech Limited ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), which comprise the consolidated balance sheet as at 31 March 2017, the consolidated statement of profit and loss (including consolidated other comprehensive income), the consolidated cash flow statement and the consolidated statement of changes in equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein after referred to as 'consolidated Ind AS financial statements').

MANAGEMENT'S RESPONSIBILITY FOR THE CONSOLIDATED IND AS FINANCIAL STATEMENTS

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these consolidated Ind AS financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including consolidated other comprehensive income, consolidated cash flows and consolidated changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS prescribed under section 133 of the Act read with relevant rules issued thereunder.

The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on these consolidated Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the consolidated Ind AS financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the consolidated Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the consolidated Ind AS financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph (a) of the other matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

OPINION

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the consolidated financial position of the Company as at 31 March 2017, and its consolidated financial performance including consolidated other comprehensive income, its consolidated cash flows and the consolidated changes in equity for the year ended on that date.

OTHER MATTERS

We did not audit the financial statements of eight subsidiaries, whose financial statements reflect total assets of ₹ 4,997 million and net assets of ₹ 3,909 million as at 31 March 2017 and total revenues of ₹ 5,522 million and net cash inflows of ₹ 1,054 million for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditor whose reports have been furnished to us by management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and our report in terms of section 143(3) and (11) of the Act, insofar as it relates to the aforesaid subsidiary is based solely on the reports of the other auditor.

These subsidiaries are located outside India and their financial statements and other financial information have been prepared in accordance with accounting principles generally accepted in their respective countries and which have been audited by other auditors under generally accepted auditing standards applicable in their respective countries. The Company's management have converted the financial statements of these subsidiaries located outside India from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. We have audited these conversion adjustments made by the Company's management. Our opinion in so far as it relates to the balances and affairs of these subsidiaries located outside India is based on the report of other auditors and the conversion adjustments prepared by the management of the Company and audited by us.

Our opinion on the consolidated financial statements, and our report on other legal and regulatory requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditor.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by section 143(3) of the Act, we report that:

   a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;

   b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditor;

   c) The consolidated balance sheet, the consolidated statement of profit and loss, the consolidated cash flow statement and consolidated statement of changes in equity dealt with by this report are in agreement with the books of account;

   d) In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014 and Companies (Indian Accounting Standards) Rules, 2015 (as amended);

   e) on the basis of the written representations received from the directors of the Holding Company as on 31 March 2017 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies incorporated in India, none of the directors of the Group companies, incorporated in India is disqualified as on 31 March 2017 from being appointed as a director in terms of section 164(2) of the Act;

   f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in 'Annexure A'; and

   g) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

      i. the consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group - refer Note 36 to the consolidated Ind AS financial statements;

      ii. the Group did not have any material foreseeable losses on long-term contracts including derivative contracts - refer Note 39 to the consolidated Ind AS financial statements;

      iii. there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company and its subsidiary company incorporated in India - refer Note 48 to the consolidated Ind AS financial statements; and;

      iv. The Company has provided requisite disclosures in its consolidated financial statements as to holdings as well as dealings in Specified Bank Notes during the period from 8 November 2016 to 30 December 2016 and are in accordance with the books of accounts maintained by the Company- refer Note 12(II) to the consolidated Ind AS financial statements.

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) of our report of even date)

REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (i) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ('THE ACT')

We have audited the internal financial controls over financial reporting of Larsen & Toubro Infotech Limited ('the Company') as of 31 March 2017 in conjunction with our audit of the consolidated Ind AS financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The respective Board of Directors of the Holding company and its subsidiary company which is incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable, to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involved performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that: (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

NOTES FORMING PART OF CONSOLIDATED ACCOUNTS

1. COMPANY OVERVIEW

Larsen & Toubro Infotech Limited ('the Company') together with its subsidiaries shall mean Larsen and Toubro Infotech Limited ('Group'). The Group offers extensive range of IT services like application development, maintenance and outsourcing, enterprise solutions, infrastructure management services, testing, digital solutions, and platform based solutions to the clients in diverse industries.

The Company is a public limited company incorporated and domiciled in India and has its registered office at L&T House, Ballard Estate, Mumbai, and Maharashtra, India. The company's equity shares are listed on the National Stock Exchange Limited and BSE Limited in India.

2. SIGNIFICANT ACCOUNTING POLICIES

a. Basis of accounting

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. Further the guidance notes/announcements issued by the Institute of Chartered Accountants of India (ICAI) are also considered wherever applicable.

Preparation of financial statements in conformity with Accounting Standards requires the management of the Group to make estimates and assumptions that affect the income and expense reported for the period and assets, liabilities and disclosures reported as of the date of the financial statements. Examples of such estimates include useful lives of tangible and intangible assets, provision for doubtful debts, future obligations in respect of retirement benefit plans, etc. Actual results could vary from these estimates.

The consolidated financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as prescribed under section 133 of the Companies Act, 2013, read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules 2016.

The Group has prepared its first Ind AS compliant financial statements as on 1 April 2015 (the date of transition). Refer note 47 for an explanation of impact of transition from Generally Accepted Accounting Principles in India (iGAAP) to Ind AS on the Group's financial statements.

The financial statements of Indian subsidiaries have been prepared in compliance with Ind AS as prescribed under section 133 of the Companies Act, 2013, read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules 2016. Financial statements of foreign subsidiaries have been prepared in compliance with the local laws and applicable Accounting Standards. Necessary adjustments for differences in the accounting policies, if any, have been made in the consolidated financial statements.

b. Presentation of financial statements

The statement of financial position and the statement of profit and loss are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013. The cash flow statement has been prepared and presented as per the requirements of Ind AS 7 'Cash Flow Statements'. The disclosure requirements with respect to items in the statement of financial position and statement of profit and loss, as prescribed in Schedule III to the Act, are presented by way of notes forming part of financial statements along with the other notes required to be disclosed under the notified Accounting Standards.

c. Principles of consolidation

The consolidated financial statements comprise the financial statements of the Company and its subsidiaries. Control is achieved when the group is exposed to or has rights to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee if and only if the Group has:

I) Power over the investee,

II) Exposure or rights to variable return from its involvement with the investee, and

III) Ability to use its power over the investee to affect its returns.

Generally, it is presumed that, a majority of voting rights results in control. To support this presumption and when the Group has less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

I) Contractual arrangement with the other vote holders of the investee,

II) Rights arising from other contractual arrangements,

NOTES FORMING PART OF CONSOLIDATED ACCOUNTS (CONTD.)

III) The Group's voting rights and potential voting rights and

IV) Size of the Group's holding of voting rights relative to the size and dispersion of holdings of other investees with voting rights.

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed off during the year are included in consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If an entity of the Group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and other events in similar circumstances, appropriate adjustments are made to that entity's financial statements in preparing the consolidated financial statements to ensure conformity with the Group's accounting policies.

The financial statements of all entities used for the purpose of consolidation are drawn up to the same reporting date as that of the Group, i.e., year ended on 31st March. When the end of the reporting period of the parent is different from that of a subsidiary, the subsidiary prepares, for consolidation purposes, additional financial information as of the same date as the financial statements of the parent to enable the parent to consolidate the financial statements of the subsidiaries, unless it is impracticable to do so.

Consolidation procedure followed is as under:

I) Items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiaries are combined like to like basis. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognized in the consolidated financial statements at the acquisition date,

II) The difference between carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary subject to adjustment of goodwill and

III) Intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the Group are eliminated subject to impact of deferred taxes. Profit or loss and each component of other comprehensive income (OCI) are attributable to equity holders of the parent of the Group and to the non-controlling interest, even if this results in the non-controlling interests having deficit balance.

A change in the ownership interest of a subsidiary, without loss of control, is accounted for as an equity transaction. If the Group loses control over a subsidiary, it:

I) Derecognizes the assets (including goodwill) and liabilities of the subsidiary,

II) Derecognizes carrying amount of any non-controlling interest,

III) Derecognizes the cumulative translation differences recorded in equity,

IV) Recognizes the fair value of consideration received,

V) Recognizes the fair value of any investments retained,

VI) Recognizes any surplus or deficit in profit or loss and

VII) Reclassifies the parent's share of components previously recognized in OCI to profit or loss or retained earnings, as appropriate, as would be required if the Group had directly disposed of the related assets or liabilities.

d. Revenue recognition

Revenue from contracts priced on time and material basis are recognised when services are rendered and related costs are incurred.

Revenue from services performed on fixed-price basis is recognized over the life of contract using the proportionate completion method.

Revenue from sale of products and licenses is recognised upon delivery when all risks and rewards are transferred.

Revenue from services rendered as Application Service provider ('ASP') services are recognized by applying the contracted rates on the total number of active and inactive fund accounts across all client customer environments.

Unbilled revenue represents value of services performed in accordance with the contract terms but not billed.

NOTES FORMING PART OF CONSOLIDATED ACCOUNTS (CONTD.)

e. Other income

I. Interest income is accrued at effective interest rate.

II. Dividend income is accounted in the period in which the right to receive the same is established.

III. Other items of income are accounted as and when the right to receive arises.

f. Employee benefits

I) Short term employee benefits

All employee benefits falling due wholly within twelve months of rendering the service are classified as short term employee benefits. The benefits like salaries, wages, and short term compensated absences and performance incentives are recognized in the period in which the employee renders the related service.

II) Post-employment benefits

i) Defined contribution plan:

The Group's superannuation fund and state governed provident fund scheme are classified as defined contribution plans. The contribution paid/payable under the schemes is recognized during the period in which the employee renders the related service.

ii) Social security plans

Employer's contribution payable with respect to the social security plans, which are defined contribution plans, is charged to the consolidated statement of profit and loss in the period in which employee renders the services

iii) Defined benefit plans:

The provident fund scheme managed by trust, employee's gratuity fund scheme managed by Life Insurance Corporation of India and post-retirement medical benefit scheme are the Group's defined benefit plans. Wherever applicable, the present value of the obligation under such defined benefit plans is determined based on actuarial valuation using the Projected Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The obligation is measured at the present value of the estimated future cash-flows. The discount rates used for determining the present value of the obligation under defined benefit plans, is based on the market yields on government bonds as at the balance sheet date, having maturity periods approximating to the terms of related obligations. Actuarial gains and losses through re-measurement of the defined benefit liability/(asset) are recognized in other comprehensive income. The actual return of portfolio of plan assets, in excess of yields computed by applying the discount rate used to measure the defined benefit obligation are recognized in other comprehensive income. The effect of any plan amendments are recognized in consolidated statement of profit and loss.

Gains or losses on the curtailment or settlement of any defined benefit plan are recognized when the curtailment or settlement occurs. Past service cost resulting from a plan amendment or curtailment are recognised immediately in the consolidated statement of profit and loss.

(iv) Long term employee benefits:

The obligation for long term employee benefits like long term compensation absences is recognized as determined by actuarial valuation performed by independent actuary at each balance sheet date using Projected Unit Credit Method on the additional amount expected to be paid/availed as a result of unused entitlement that has accumulated at balance sheet date. Actuarial gains and losses are recognised immediately in other comprehensive income.

g. Property plant and equipment

Property plant and equipment are stated at cost less accumulated depreciation and impairment losses if any. Cost includes expenditure directly attributable to the acquisition of the asset and cost incurred for bringing the asset to its present location and condition.

h. Intangible assets

Assets like customer relationship, computer software, and internally developed software are stated at cost, less accumulated depreciation, amortisation and impairment.

NOTES FORMING PART OF CONSOLIDATED ACCOUNTS (CONTD.)

Intangible assets are tested for impairment at each balance sheet date. Goodwill represents the cost of acquired businesses in excess of the fair value of net identifiable assets acquired.

i. Impairment

I) Impairment of trade receivable

The Group assesses at each date of statement of financial position whether a financial assets in form of trade receivable is impaired. In accordance with Ind AS 109, the Group applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss. As a practical expedient, the Group uses a provision matrix to determine impairment loss on portfolio of its trade receivable. The provision matrix is based on available external and internal credit risk factors such as credit default, credit rating from credit rating agencies and Group's historically observed default rates over the expected life of trade receivable. ECL impairment loss allowance (or reversal) recognised during the period as expense/income respectively in the consolidated statement of profit and loss.

II) Impairment of intangible assets:

i) Goodwill

Goodwill represents the cost of acquired businesses in excess of the fair value of net identifiable assets acquired. Goodwill is not amortized but is tested for impairment annually and when events or changes in circumstances indicate that an impairment loss would have occurred. For the purposes of impairment testing, the carrying amount of the reporting unit, including goodwill, is compared with its fair value. When the carrying amount of the reporting unit exceeds its fair value, a goodwill impairment loss is recognized, up to a maximum amount of the recorded goodwill related to the reporting unit. Goodwill impairment losses are not reversed. The growth rate and discount rates as applicable are used for impairment testing.

ii) Other intangible assets

At the end of each reporting period, the Group reviews the carrying amounts of intangible assets to determine if there is any indication of loss suffered. If such indication exists, the recoverable amount of the asset is estimated to determine the extent of the impairment loss.

j. Leases

I) Finance lease

Assets acquired under leases where the Group has substantially all the risks and rewards of ownership are classified as finance leases. Such assets are capitalized at the inception of the lease at the lower of the fair value and the present value of minimum lease payments and a liability is created for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost, so as to obtain a constant periodic rate of interest on the outstanding liability for each period.

II) Operating lease

Assets acquired under lease where a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Lease rentals are charged to the profit and loss account on accrual basis.

k. Depreciation

I) Tangible assets

Depreciation on assets have been provided as mentioned in below table except for the leasehold improvements which is depreciated over the lease period. Depreciation or amortization on additions and disposals are calculated on pro-rata basis from and to the month of additions and disposals.

Particulars	Useful life
• Computers and IT peripherals	Up to 6 years
• Plant and machinery	Up to 15 years
• Office equipment	Over a period of 5 years
• Vehicles	Over a period of 8 years
• Furniture and fixtures	Over a period of 10 years

II) Intangible assets and amortisation

The estimated useful life of an intangible asset is based on a number of factors including the effects of obsolescence, demand, competition and other economic factors and the level of maintenance expenditures required to obtain the expected future

NOTES FORMING PART OF CONSOLIDATED ACCOUNTS (CONTD.)

cash flows from the asset. The basis of amortization of intangible assets is as follows:

Particulars	Useful life
• Computer software	Up to 5 years
• Business rights	Over a period 5 years
• Customer contracts	Upto 10 years

l. Employee stock ownership schemes

In respect of stock options granted pursuant to the Group's stock options scheme, the excess of fair value of the share over the exercise price of the option is treated as discount and accounted as employee compensation cost over the vesting period. The amount recognized as expense each year is arrived at based on the number of grants expected to vest. If options granted lapses after the vesting period, the cumulative discount recognized as expense in respect of such options is transferred to the general reserve.

m. Functional and presentation currency

The functional currency of the Group is the Indian Rupee. The functional currency of Indian subsidiaries is the Indian Rupee and the functional currency of foreign subsidiaries is the currency of the primary economic environment in which these subsidiaries operate. The consolidated financial statements of group are prepared in the Indian Rupee.

n. Foreign currency transactions & balances

Foreign currency transactions are initially recorded at the rates prevailing on the date of the transaction. At the balance sheet date, foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried at historical cost denominated in foreign currency are reported using the exchange rate at the date of the transaction.

Translation of foreign currency transaction of foreign subsidiaries is treated as under:

- Revenue items at the average rate for the period;
- All assets and liabilities at year end rates

Exchange difference on settlement/year end conversion is recognized in foreign currency translation reserve.

o. Financial Instruments

Financial assets and liabilities are recognised when the Group becomes a party to the contractual provisions of the instrument.

I) Initial measurement

Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

II) Subsequent measurement

i) Non-Derivative financial assets

A) Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if:

a) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and

b) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Financial assets at amortised cost are represented by trade receivables, cash and cash equivalents, employee and other advances and eligible current and non-current assets.

B) Financial assets at fair value through other comprehensive income (FVTOCI)

Financial assets are subsequently measured at fair value through other comprehensive income if the financial asset is held within a business model whose objective is achieved by both

a) Collecting contractual cash flows and selling financial assets and

b) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

C) Financial assets at fair value through profit and loss (FVTPL)

Fair value through profit and loss is a residual category for financial assets. Any financial asset which does not meet the criteria for categorization as at amortised

NOTES FORMING PART OF CONSOLIDATED ACCOUNTS (CONTD.)

cost or as Financial assets at fair value through other comprehensive income is classified as Financial assets fair valued through profit and loss.

ii) Non-Derivative financial liability

A) Financial liabilities at amortized cost

Financial liabilities at amortised cost represented by trade and other payables are initially recognized at fair value, and subsequently carried at amortized cost using the effective interest method.

B) Financial liabilities at fair value through other comprehensive income/Debt instrument (FVTOCI)

A debt instrument shall be measured at fair value through other comprehensive income if both of the following conditions are met:

a) the objective of the business model is achieved by both collecting contractual cash flows and selling financial assets and

b) the asset's contractual cash flow represent solely payments of principal and interest. The group has not recognised any liabilities under this category.

C) Financial liabilities at fair value through profit and loss (FVTPL)

Fair Value through Profit and Loss is a residual category for financial liabilities. Any financial liability which does not meet the criteria for categorization as at amortised cost or as Fair Value through Other Comprehensive Income, is classified as fair value through profit and loss.

iii) Derivative financial instrument

The Group holds derivative financial instrument such as foreign exchange forward contract to mitigate the risk of changes in exchange rates on foreign currency exposures.

A) Cash flow hedges

Changes in the fair value of the derivative hedging instruments designated as cash flow Hedges are recognized in othercomprehensive income and presented within equity as hedging reserve. The cumulative gain or loss previously recognized in the cash flow hedging reserve is transferred to the consolidated statement of profit or loss upon the occurrence of the related forecasted transaction. Changes in fair value of foreign currency derivative instruments not designated as cash flow hedges and ineffective portion of cash flow hedges are recognized in statement of profit and loss and reported with in foreign exchange gains or losses.

B) Fair Value hedges

Changes in the fair value of the derivative hedging instrument designated as fair value hedges are recognized in consolidated statement of profit or loss.

III) Derecognition

The group derecognizes a financial asset when the contractual rights to the cash flows from the financial assets expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability is derecognised from the group's balance sheet where the obligation specified in the contract is discharged or cancelled or expires.

p. Taxes on income

Income tax expense comprises current and deferred income tax. Tax on income for Indian companies for the current period is determined on the basis of taxable income and tax credits computed in accordance with the provisions of the Indian Income tax Act, 1961. Foreign subsidiaries recognize current tax/deferred tax liabilities and assets in accordance with the applicable local laws.

Income tax expense comprises current and deferred income tax. Income tax and deferred tax expense is recognized in the consolidated statement of profit and loss except to the extent that it relates to items recognized directly in other comprehensive income, in which case income tax expense is recognized in other comprehensive income. Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities. (Refer note 8 for applicable tax rates in various jurisdiction).

The Group offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts

NOTES FORMING PART OF CONSOLIDATED ACCOUNTS (CONTD.)

in the financial statements except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction. Other deferred tax assets are recognized and carried forward to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted as on the statement of position and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. Deferred income taxes are not provided on the undistributed earnings of subsidiaries and branches where it is expected that the earnings of the subsidiary or branch will not be distributed in the foreseeable future. Deferred Income taxes are not provided on dividend receivable from subsidiaries as the Group is able to control the timing of reversal of such temporary difference. Deferred tax is provided on unrealized intra Group profit at the rate of tax applicable to the purchasing entity.

q. Borrowing costs

Borrowing costs include interest, commitment charges, finance charges in respect of assets acquired on finance lease and exchange differences arising from foreign currency borrowings, to the extent they are regarded as an adjustment to interest costs.

r. Provisions, contingent liabilities and contingent assets

Provisions are recognized for liabilities that can be measured only by using a substantial degree of estimation, if

I) the Group has a present obligation as a result of a past event;

II) a probable outflow of resources is expected to settle the obligation; and

III) the amount of the obligation can be reliably estimated.

Reimbursement expected in respect of expenditure required to settle a provision is recognized only when it is virtually certain that the reimbursement will be received.

Contingent liability is disclosed in case of

I) a present obligation arising from a past event when it is not probable that an outflow of resources will be required to settle the obligation; or

II) a possible obligation unless the probability of outflow of resources is remote

Contingent assets are neither recognized nor disclosed.

Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.

s. Segment accounting

Operating segments are defined as components of an enterprise for which discrete financial information is used regularly by the Group’s Chief Operating Decision Maker in deciding how to allocate resources and assessing performance.

I) Segment revenue is the revenue directly identifiable with/allocable to the segment.

II) Expenses that are directly identifiable with/allocable to segments are considered for determining the segment result. Expenses which relate to the Group as a whole and not identifiable with/allocable to segments are included under ‘unallocable expenses’.

III) Other Income which relates to the Group as a whole and not identifiable with or allocable to segments is included in ‘unallocable income’.

IV) Assets and liabilities used in the Group’s business are not identified to any of the reportable segments as these are used interchangeably.

t. Cash flow statement

Cash flow statement is prepared segregating the cash flows from operating, investing and financing activities. Cash flow is reported using indirect method as per the requirements of Ind AS 7 (‘cash flow statements’).

NOTES FORMING PART OF CONSOLIDATED ACCOUNTS (CONTD.)

3 (I) The list of subsidiaries included in the consolidated financial statements are as under

	Name of the subsidiary Company	Country of incorporation	Proportion of ownership as at 31 March 2017 (%)	Proportion of ownership as at 31 March 2016 (%)

(₹ in Mn)

		2016-17	2015-16
1.	Income tax liability that may arise in respect of which the Group is in appeal *	1,971	1,343
2.	Corporate guarantee given on behalf of subsidiary**	3,726	5,999
3.	Service tax refund disallowed, in respect of which the Group is in the appeal #	81	12
4.	Sales tax liability, in respect of which the Group is in appeal	–	1
		5,778	**7,355**

* Out of contingent tax liability disclosed above, ₹ 1,779 million (including interest of ₹ 184 million), pertains to the tax demand arising on account of disallowance of exemption under section 10A on profits earned by STPI Units on on site export revenue. Company is pursuing appeal against these demands before the relevant Appellate Authorities. The Company believes that its position is likely to be upheld by appellate authorities and considering the facts, the ultimate outcome of these proceedings is not likely to have material adverse effect on the results of operations or the financial position of the Company.

** The Company had given a corporate guarantee on behalf of its wholly owned subsidiary L&T Infotech Financial Services Technologies Inc. The guarantee is for performance of all obligations by L&T Infotech Financial Services Technologies Inc. Canada in connection with the long term annuity services contracts obtained by them. The obligation under this guarantee is limited in aggregate to the amount of CAD 70,000,000.

NOTES FORMING PART OF CONSOLIDATED ACCOUNTS (CONTD.)

The Company had given a corporate guarantee on behalf of its subsidiary, Larsen and Toubro Infotech South Africa (Proprietary) Limited. The guarantee is for performance of all obligations by Larsen & Toubro Infotech South Africa (Proprietary) Limited in connection with software development services and related services. The obligation under this guarantee is limited in aggregate to USD 5,000,000.

The Company had filed refund of accumulated service tax credit in accordance with relevant CENVAT credit Rules. However, the department has disallowed certain portion of such refunds considering the same as ineligible as not related with output services. The Group is in appeal against these disallowances before the relevant Authorities and is hopeful of getting a favourable order.

37. Estimated amount of contracts remaining to be executed on capital account (net of advances) and not provided for: ₹ 151 Mn (previous year ₹ 132 Mn).

* On account of business combination or inter-company transfer

The Company expects to contribute ₹ 157 Mn (₹ 87 Mn in 2015-16) towards its gratuity, in the next financial year.

The Company's share of defined benefit obligation/fair value of plan assets adjusted by the Trust of the holding Company.

VI) The major categories of plan assets as a percentage of total plan assets are as follows:

(₹ in Mn)

	FY 2016-17	
	Gratuity plan	Provident fund plan
Government of India securities	Scheme with LIC	20.45%
State government securities		21.19%
Corporate bonds		14.50%
Fixed deposits under Special Deposit Scheme framed by central government for provident funds		8.38%
Public sector bonds		32.84%
Mutual Funds		2.64%

VII) Principal actuarial assumptions at the balance sheet date (expressed as weighted averages):

		2016-17	2015-16
i	**Discount rate**		
	For gratuity	6.75%	7.75%
	For post -retirement medical benefits	6.75%	7.75%
ii	Annual increase in healthcare costs (see note below)	5.0%	5.0%
iii	Attrition rate:	Varies between 2% to 18%	Varies between 2% to 18%
iv	Salary growth rate	5.0%	5.0%

NOTES FORMING PART OF CONSOLIDATED ACCOUNTS (CONTD.)

VIII) Projected plan cash flow:

The table below shows the expected cash flow profile of the benefits to be paid to the current membership of the plan (which in case of serving employees, if any, is based on service accrued by employee up to valuation date):

As on 31 March 2017

(₹ in Mn)

Maturity profile	Gratuity	Post-Retirement medical benefit liability
Expected benefits for year 1	96	1
Expected benefits for year 2	87	2
Expected benefits for year 3	86	2
Expected benefits for year 4	82	3
Expected benefits for year 5	77	3
Expected benefits for year 6	72	4
Expected benefits for year 7	66	5
Expected benefits for year 8	61	5
Expected benefits for year 9	54	6
Expected benefits for year 10 and above	469	1,036

As on 31 March 2016

(₹ in Mn)

Maturity profile	Gratuity	Post-Retirement medical benefit liability
Expected benefits for year 1	91	0
Expected benefits for year 2	81	2
Expected benefits for year 3	78	2
Expected benefits for year 4	75	2
Expected benefits for year 5	67	3
Expected benefits for year 6	63	3
Expected benefits for year 7	59	4
Expected benefits for year 8	55	5
Expected benefits for year 9	50	5
Expected benefits for year 10 and above	413	915

The estimates of future salary increases considered in actuarial valuation, take into account inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

NOTES FORMING PART OF CONSOLIDATED ACCOUNTS (CONTD.)

IX) Sensitivity analysis

i) Post retirement benefits:

Although the obligation of the Group under the post-retirement medical benefit plan is limited to the overall ceiling limits, assumed healthcare cost trend rates may affect the amounts recognised in the statement of profit and loss. The benefit obligation results for the cost of paying future hospitalization premiums to insurance company and reimbursement of domiciliary medical expenses in future for the employee/beneficiaries during their lifetime is sensitive to discount rate, future increase in healthcare costs and longevity. The following table summarizes the impact in percentage terms on the reported defined benefit obligation at the end of the reporting period arising on account changes in these three key parameters:

	Period ended 31 March 2017
Discount Rate	
Impact of increase in 50 bps on defined benefit obligation	-9.84%
Impact of decrease in 50 bps on defined benefit obligation	11.32%
Healthcare costs rate	
Impact of increase in 100 bps on defined benefit obligation	17.87%
Impact of decrease in 100 bps on defined benefit obligation	-14.14%
Life expectancy	
Impact of increase by 1 year on defined benefit obligation	0.69%
Impact of decrease by 1 year on defined benefit obligation	-0.72%

ii) Gratuity:

Gratuity is a lump sum plan and the cost of providing these benefits is typically less sensitive to small changes in demographic assumptions. The key actuarial assumptions to which the benefit obligation results are particularly sensitive to are discount rate and future salary escalation rate. The following table summarizes the impact in percentage terms on the reported defined benefit obligation at the end of the reporting period arising on account of an increase or decrease in the reported assumption by 50 basis points.

	Period ended 31 March 2017	
	Discount rate	Salary escalation rate
Impact of increase in 50 bps on defined benefit obligation	-3.09%	3.14%
Impact of decrease in 50 bps on defined benefit obligation	3.27%	-3.01%

X) General descriptions of defined benefit plans:

i) Gratuity plan

The Group makes contributions to the Company's employees' Company Gratuity-cum-Life Assurance Scheme of the Life Insurance Corporation of India, a funded defined benefit plan for qualifying employees. The scheme provides for lump sum payment to employees at retirement, death while in employment or termination of employment of an amount equivalent to 15 days salary for every completed year of service or part thereof in excess of six months, provided the employee has completed five years in service.

ii) Post-retirement medical benefit plan

The post-retirement medical benefit plan provides for reimbursement of health care costs to certain categories of employees post their retirement. The reimbursement is subject to an overall ceiling limit sanctioned at the time of retirement. The ceiling limits are based on cadre of the employee at the time of retirement.

NOTES FORMING PART OF CONSOLIDATED ACCOUNTS (CONTD.)

iii) Provident fund plan

The Group's provident fund plan is managed by its holding company through a Trust permitted under the Provident Fund Act, 1952. The plan envisages contribution by employer and employees and guarantees interest at the rate notified by the Provident Fund Authority. The contribution by employer and employee together with interest are payable at the time of separation from service or retirement whichever is earlier. The benefit under this plan vests immediately on rendering of service.

The interest payment obligation of trust managed provident fund is assumed to be adequately covered by the interest income on long term investments of the fund. Any shortfall in the interest income over the interest obligation is recognised immediately in the statement of profit and loss as actuarial loss. Any loss arising out of the investment risk and actuarial risk associated with the plan is also recognised as expense in the period in which such loss occurs. Further, on amount of ₹ Nil has been provided based on actuarial valuation towards the future obligation arising out of interest rate guarantee associated with the plan.

39. FINANCIAL INSTRUMENTS BY CATEGORY

I) Carrying value of financial instruments by categories are as follows. The carrying value of financial assets and liabilities classified at amortised cost is considered to be same as their fair values due to short term nature of these assets and liabilities. Hence disclosure of fair value of these assets and liabilities have not been provided.

(IV) Financial risk management

The Group is exposed to foreign currency risk, interest rate risk, credit or counterparty risk and liquidity risk.

i) Currency risk

Primary market risk to the Group is foreign exchange risk.

NOTES FORMING PART OF CONSOLIDATED ACCOUNTS (CONTD.)

The Group uses derivative financial instruments to mitigate foreign exchange related exposures. All derivative activities for risk management purposes are carried out by specialist teams that have the appropriate skills, experience and supervision.

The Group's operations are principally in foreign currencies and the maximum exposure is in US dollars.

The Board of Directors have approved the Group's financial risk management policy covering management of foreign currency exposures. The treasury department, monitors the foreign currency exposures and takes appropriate forward covers to mitigate its risk. The Group hedges its exposure on a net basis (i.e. expected earnings in foreign currency less expected expenditure in related currency) These hedges are cash flow hedges as well as hedges not designated as cash flow hedges.

The Group does not enter into hedge transactions for either trading or speculative purposes.

The outstanding forward contracts at the year end their maturity profile and sensitivity analysis are as under.

Fair value of forward contracts as at 31 March 2017, 31 March 2016 and 1 April 2015 was ₹ 57,886 Mn, ₹ 42,009 Mn, ₹ 53,726 Mn respectively. Outstanding number of contracts as at 31 March 2017 were 269, 31 March 2016 were 118 and 1 April 2015 were 200.

A) Notional value of contracts is given as below:

Currency	As at 31 March 2017		As at 31 March 2016		As at 1 April 2015	
	Amount in USD Mn	Amount in INR Mn	Amount in USD Mn	Amount in INR Mn	Amount in USD Mn	Amount in INR Mn
USD-INR	848	61,818	601	42,754	808	54,912

B) The foreign exchange forward contracts mature maximum within 36 months. The table below analyses the derivative financial instrument into relevant maturity grouping based on the remaining period as of the balance sheet. Contracts with maturity not later than twelve months include certain contracts which can be rolled over to subsequent periods in line with underlying exposures.

(₹ in Mn)

	As at 31-03-2017	As at 31-03-2016	As at 1 April 2015
In USD			
Not later than twelve months	29,509	28,002	37,460
Later than twelve months	32,309	14,752	17,452
TOTAL	**61,818**	**42,754**	**54,912**

C) Value-at-Risk (VaR)

To provide a meaningful assessment of the foreign currency risk associated with the Group's foreign currency derivative positions against off balance sheet exposures and unhedged portion of on-balance sheet exposures, the Group uses a multi-currency correlated VaR model. The VaR model uses a Monte Carlo simulation to generate thousands of random market price paths for foreign currencies against Indian rupee taking into account the correlations between them. The VaR is the expected loss in value of the exposures due to overnight movement in spot exchange rates, at 95% confidence interval. The VaR model is not intended to represent actual losses but is used as a risk estimation tool. The model assumes normal market conditions and is a historical best fit model. Because the Group uses foreign currency instruments for hedging purposes, the loss in fair value incurred on those instruments are generally offset by increases in the fair value of the underlying exposures for on-balance sheet exposures. The overnight VAR of the Group at 95% confidence level is ₹ 396 Mn as at 31 March 2017 (₹ 250 Mn as at 31 March 2016).

Actual future gains and losses associated with the Group's investment portfolio and derivative positions may differ materially from the sensitivity analyses performed as of March 31, 2017 due to the inherent limitations associated with predicting the timing and amount of changes in foreign currency exchanges rates and the Group's actual exposures and position.

NOTES FORMING PART OF CONSOLIDATED ACCOUNTS (CONTD.)

ii) Interest risk:

The Group has no interest rate risk in case of borrowings as on 31 March 2017. However the Group invests its surplus funds in Debt mutual funds. The Group mitigates the risk of counter-party failure by investing in mutual fund schemes with large asset under management and having investments in debt instruments issued with sound credit rating.

Net Asset Values (NAV) of debt mutual funds are subject to changes in interest rates. Every five percent increase or decrease in the NAV of debt mutual funds where the Group holds investments will impact the Group's profit after tax by ₹ 470 Mn in 2016-2017 and ₹ 3 Mn in 2015-2016.

iii) Credit risk

The principal credit risk that the Group exposed to is non-collection of trade receivable and late collection of receivable leading to credit loss. The risk is mitigated by reviewing creditworthiness of the prospective customers prior to entering into contract and post contracting, through continuous monitoring of collections by a dedicated team.

The Group makes adequate provision for non-collection of trade receivable. Further, the Group has not suffered significant payment defaults by its customers.

In addition, for delay in collection of receivable, the Group has made provision for Expected Credit loss ('ECL') based on ageing analysis of its trade receivable. These range from 1.7% for dues outstanding up to six months to 21.3% for dues outstanding for more than 36 months for 2016-17 (Previous year 1.9% and 23.5% for dues outstanding up to 6 months and for more than 36 months respectively). No provision has been made on trade receivables in not due category.

ECL allowance for non-collection of receivable and delay in collection, on a combined basis were ₹ 65 Mn and ₹ 62 Mn for the financial years 2016-17 and 2015-16 respectively. The movement in allowance for doubtful debts comprising provision for both non-collection of receivables and delay in collections is as follows:

(₹ in Mn)

	2016-17	2015-16
Opening balance	62	61
Impairment loss recognised or (reversed)	3	1
Closing balance	**65**	**62**

The percentage of revenue from its top five customers is 37.6% for 2016-17 (37.5% for 2015-16).

The counter-party risk that Group is exposed to is principally for financial instruments taken to hedge its foreign currency risks. The counter- parties are mainly banks and the Group has enter into contracts with the counter-parties for all its hedge instruments and in addition, entered into suitable credit support agreements to cap counter party risk where necessary.

iv) Liquidity risk

The Group's treasury department monitors the cash flows of the Group and surplus funds are invested in non-speculative financial instruments that are usually highly liquid funds.

The Group has no borrowings as on 31 March 2017 but it has credit facilities with banks that will help it to generate funds for the business if required.

NOTES FORMING PART OF CONSOLIDATED ACCOUNTS (CONTD.)

40. LEASES

(I) Finance leases

In accordance with Ind AS 17 'Leases', the assets acquired under finance leases are capitalised and a loan liability is recognised for an equivalent amount. Consequently depreciation is provided on such assets. Lease rentals paid are allocated to the liability and the interest is charged to the consolidated statement of profit and loss.

(II) Operating leases

The Group has taken certain premises, office equipment and employee cars under non-cancellable operating leases. The rental expense in respect of operating leases was ₹ 1,686 Mn. (previous year ₹ 1,606 Mn) and the future rentals payable are as follows:

(₹ in Mn)

	2016-17	2015-16
Minimum lease payments		
- payable not later than 1 year	875	844
- payable after 1 year but not later than 5 years	3,584	4,464
- payable after 5 years	565	646
	5,024	**5,954**

45. SEGMENTAL REPORTING

Segments have been identified in accordance with Indian Accounting standards ('Ind AS') 108 on operating segments considering the risk or return profiles of the business. As defined in Ind AS 108, the Chief Operating Decision Maker (CODM) evaluates the Group's performance and allocates resources based on an analysis of various performance indicators. Accordingly, information has been presented for the Group's operating segments. The accounting is consistently applied to record revenue and expenses for respective segments and as are set out in significant accounting policies.

The Group has two business segments. Services Cluster includes Banking & Financial Services, Insurance, Media & Entertainment, Travel & Logistics and Healthcare and others. Industrial Cluster includes Hi Tech and Consumer Electronics, Consumer, Retail & Pharma, Energy & Process, Automobile & Aerospace, Plant Equipment & Industrial Machinery, Utilities and Engineering and Construction and others. The Group has presented its segment results accordingly.

I) The revenue and operating profit by segment is as under:

(₹ in Mn)

	Services Cluster		Industrial Cluster		Total	
	2016-17	2015-16	2016-17	2015-16	2016-17	2015-16
Revenues	36,380	31,530	28,629	26,934	**65,009**	**58,464**
Segmental operating profit	10,197	8,075	6,211	6,896	**16,408**	**14,971**
Unallocable expenses (net)					**4,106**	**4,723**
Other income					**1,867**	**1,897**
Finance cost					**32**	**58**
Depreciation and amortization expenses					**1,779**	**1,740**
Profit before tax					**12,358**	**10,347**

II) Segmental reporting of revenues on the basis of the geographical location of the customers and is as under:

(₹ in Mn)

Geography	Revenue from operations	
	2016-17	2015-16
North America	44,760	40,369
Europe	11,861	10,126
India	4,356	3,394
APAC	1,560	1,654
ROW	2,472	2,921
TOTAL	**65,009**	**58,464**

46. EVENTS OCCURRING AFTER THE REPORTING PERIOD:

The Board of Directors at its meeting held on 4 May 2017, has declared final dividend of ₹ 9.70 per equity share (Face value ₹ 1) for the financial year 2016-17.

NOTES FORMING PART OF CONSOLIDATED ACCOUNTS (CONTD.)

47. FIRST-TIME ADOPTION OF IND-AS

The consolidated financial statements of the Group for the year ended 31 March 2017 have been prepared in accordance with Ind AS. This is the first set of financial statements in accordance with Ind AS. The Group has followed Ind AS 101: 'First time adoption of Indian Accounting Standards', with 1 April 2015 as the transition date.

The transition to Ind AS has resulted in changes in the presentation of the consolidated financial statement, disclosures in the notes thereto including accounting policies. The accounting policies set out in note 2 have been applied in preparing the consolidated financial statements for the year ended 31 March 2017 and the comparative financial statements.

Impact of the transition from iGAAP to Ind AS on the Group's financial statements, exemptions on first time adoption of Ind AS availed in accordance with Ind AS 101 and reconciliation of financial statements is explained below:

I) Exemptions availed on first time adoption of Ind-AS 101

i) Business combinations

Ind AS 101 provides the option to apply Ind AS 103 prospectively from the transition date or from a date when the entity acquires the control of the subsidiary. The Group has availed the exemption and has restated the balances prospectively as on the date of transition.

ii) Deemed cost

Ind AS 101 permits a first-time adopter to elect fair valuation or to continue with the carrying value for all property, plant and equipment measured as per the iGAAP and use that as its deemed cost as at the date of transition after making necessary adjustments for de-commissioning liabilities On transition to Ind AS, the Group has elected to continue with the carrying value of all of its property plant and equipment recognized as at 1 April 2015 measured as per the iGAAP.

iii) Share-based payment

A first time adopter has option to apply Ind AS 102 Share-based payments to equity instruments that were granted on or before the date of transition to Ind AS. Accordingly at the date of transition the Group has measured such unvested options at fair value.

II) Reconciliation of equity

(₹ in Mn)

Particulars	At at 31 March 2016	At at 1 April 2015

DIRECTORS' REPORT

To,
The Members of
L&T Metro Rail (Hyderabad) Limited
Hyderabad

The Directors have pleasure in presenting their Seventh report and Audited Accounts for the year ended 31st March, 2017.

1. **FINANCIAL HIGHLIGHTS:**

The Financial Statements of the Company for the Financial Year ended on 31st March 2017 have been drawn to comply with the provisions of the Companies Act, 2013. The highlights of the financial results are as under:

Particulars	**2016-17 (₹ in Lakhs)**	*2015-16 (₹ in Lakhs)*
Profit Before Depreciation, exceptional and extra ordinary items & Tax	**513.63**	*291.11*
Less: Depreciation, amortization and obsolescence	**160.05**	–
Profit before exceptional and extraordinary items and tax	**353.58**	*291.11*
Add: Exceptional Items	**–**	–
Profit before extraordinary items and tax	**353.58**	*291.11*
Add: Extraordinary items	**–**	–
Profit / (Loss) before tax	**353.58**	*291.11*
Less: Provision for tax	**71.49**	–
Profit after tax from continuing operations	**282.09**	*291.11*
Balance available for disposal (which directors appropriate as follows)		
Debenture Redemption Reserve	**282.09**	–

A. **Finance:**

During the year under report the Company has raised an amount of ₹ 31.53 Crores by way of issue of equity shares of ₹ 10 each fully paid-up ranking pari passu with the existing equity shares on rights issue basis. Further the company has drawn long term rupee loans of ₹ 1850 Crores from Banks during the year under report. The Company has also received an amount of ₹ 296.30 Crores as Viability Gap funding under Financial Support to Public Private Partnerships in Infrastructure 2006 Scheme from Government of India.

B. **Capital Expenditure:**

As at 31st March 2017 the fixed tangible, intangible assets, capital work in progress including intangible assets under development stood at ₹ 12482 Crores. The Capital Expenditure during the year under report amounted to ₹ 2325 Crores.

C. **Project Progress:**

During the year under report, the Company obtained the safety certificate from the Commissioner of Metro Railway Safety for commercial opening of the stretch from Nagole to Mettuguda (about 8 kms) and Miyapur to S R Nagar (12 KMs) for the commuters. With regard to remaining project works, the construction is progressing at brisk pace.

During the year under report, the Company made a request to the Government of Telangana for the extension of Scheduled Completion Date and Project Completion Schedule beyond 4th July 2017 and the same is under the consideration of the Government of Telangana.

2. **PARTICULARS OF CONTRACTS OR ARRANGEMENTS WITH RELATED PARTIES:**

All the related party transactions were in the ordinary course of business and at arm's length. The Audit Committee has approved all the related party transactions for the Financial Year 2016-17.

3. **STATE OF COMPANY AFFAIRS:**

The other income for the financial year under review were ₹ 19.18 crores (which includes advertisement revenue of ₹ 9.39 crores) as against ₹ 14.27 crores for the previous financial year registering an increase of about 35%.

The Company is yet to commence operations of Hyderabad Metro Rail Project.

4. **DEPOSITS:**

The Company has not accepted deposits from the public falling within the ambit of Section 73 of the Companies Act, 2013 and the Rules framed thereunder.

5. **AMOUNT TO BE CARRIED TO RESERVE:**

The Company has transferred an amount of ₹ 2.82 Crores to Debenture Redemption Reserve during the current financial year.

6. DIVIDEND:

Since, the project is under implementation stage and yet to commence its commercial operations and also considering the capital requirement for completion of project, the Board of Directors do not recommend any dividend on its equity shares.

7. MATERIAL CHANGES AND COMMITMENTS AFFECTING THE FINANCIAL POSITION OF THE COMPANY, BETWEEN THE END OF THE FINANCIAL YEAR AND THE DATE OF THE REPORT:

No material changes and commitments have occurred affecting the financial position of the Company between the end of the financial year and the date of this report.

8. CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO:

Information as required to be given under Section 134(3)(m) read with Rule 8(3) of the Companies (Accounts) Rules, 2014 is provided in Annexure I forming part of this Board Report.

9. RISK MANAGEMENT POLICY:

The Company has formulated a risk management policy and has in place a Risk Management Committee and mechanism to inform the Board Members about risk assessment and minimization procedures and periodical review to ensure that executive management controls risk by means of a properly designed framework.

10. CORPORATE SOCIAL RESPONSIBILITY:

Since the average net profits for the preceding three financial years is negative, the Company is not required to spend any amount towards Corporate Social Responsibility activities.

11. DETAILS OF DIRECTORS AND KEY MANAGERIAL PERSONNEL APPOINTED/RESIGNED DURING THE YEAR:

Mr. V. B. Gadgil retired as Chief Executive & Managing Director of the Company with effect from 31st May, 2016 pursuant to his superannuation from the services of the Company.

Mr. Shivanand Nimbargi was appointed as Managing Director and Chief Executive Officer with effect from 1st June 2016.

The terms and conditions of appointment of the Independent Directors are in compliance with the provisions of the Companies Act, 2013.

12. NUMBER OF MEETINGS OF THE BOARD OF DIRECTORS:

The Meetings of the Board are held at regular intervals with a time gap of not more than 120 days between two consecutive Meetings. During the year under review four (4) meetings were held on 26th April 2016, 18th August 2016, 5th November 2016 and 19th January 2017.

The Agenda of the Meeting is circulated to the Directors in advance. Minutes of the Meetings of the Board of Directors are circulated amongst the Members of the Board for their perusal.

13. AUDIT COMMITTEE:

The Company has an Audit Committee in terms of the requirements of the Companies Act, 2013. The Committee comprises of one Non-Executive Director and three Independent Directors. The terms of reference of the Audit Committee are in line with the provisions of the Companies Act, 2013 read with the rules made thereunder.

The current members of the Audit Committee are Mrs. Sheela Bhide, Mr. R. Shankar Raman, Mr. Ajit Rangnekar and Mr. M. R. Prasanna.

During the year under review, four (4) meetings were held on 26th April 2016, 18th August 2016, 5th November 2016 and 19th January 2017.

The vigil mechanism framework established by the Company pursuant to the requirements of the Companies Act, 2013 is functioning effectively.

14. COMPANY POLICY ON DIRECTOR APPOINTMENT AND REMUNERATION:

The Company has constituted the Nomination and Remuneration Committee in accordance with the requirements of the Companies Act, 2013 read with the rules made thereunder.

The Nomination and Remuneration Committee of the Board comprises of two independent directors and two non-executive directors.

During the year under review, one (1) meeting was held on 18th August, 2016. The terms of reference of the Nomination and Remuneration Committee are in line with the provisions of the Companies Act, 2013.

The members of the Nomination and Remuneration Committee are Mr. S. N. Subrahmanyan, Mr. K. Venkatesh, Mrs. Sheela Bhideand, Mr. Ajit Rangnekar. The Committee has formulated a policy on director’s appointment and remuneration including recommendation of remuneration of the key managerial personnel and other employees and the criteria for determining qualifications, positive attributes and independence of a Director.

15. DECLARATION OF INDEPENDENCE:

The Company has received a Declaration of Independence as stipulated under Section 149(7) of the Companies Act, 2013 and SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 confirming that he/she is not disqualified from continuing as an Independent Director.

16. ADEQUACY OF INTERNAL FINANCIAL CONTROLS:

The Company has designed and implemented a process driven framework for Internal Financial Controls ('IFC') within the meaning of the explanation to Section 134(5)(e) of the Companies Act, 2013. For the year ended March 31, 2017, the Board is of the opinion that the Company has sound IFC commensurate with the nature and size of its business operations and operating effectively and no material weaknesses exist. The Company has a process in place to continuously monitor the same and identify gaps, if any, and implement new and / or improved controls wherever the effect of such gaps would have a material effect on the Company's operations.

17. DIRECTORS RESPONSIBILITY STATEMENT:

The Board of Directors of the Company confirms:

a) In the preparation of Annual Accounts, the applicable accounting standards have been followed along with proper explanation relating to material departures;

b) The Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit of the Company for that period;

c) The Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

d) The Directors have prepared the Annual Accounts on a going concern basis;

e) The Directors have laid down an adequate system of internal financial control with respect to reporting on financial statements and the said system is operating effectively; and

f) The Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and were operating effectively.

18. PERFORMANCE EVALUATION OF THE BOARD, ITS COMMITTEES AND DIRECTORS:

The Nomination and Remuneration Committee and the Board have laid down the manner in which formal annual evaluation of the performance of the Board, Committees, Chairman and individual directors has to be made.

It includes circulation of questionnaires to all Directors for evaluation of the Board and its Committees, Board composition and its structure, its culture, Board effectiveness, Board functioning, information availability, etc. These questionaries' also cover specific criteria and the grounds on which all directors in their individual capacity will be evaluated.

The performance evaluation of the Board, Committees, Chairman and Directors was also reviewed by the Nomination and Remuneration Committee and the Board of Directors.

19. DISCLOSURE OF REMUNERATION:

The details of remuneration as required to be disclosed under the Companies Act, 2013 and the rules made thereunder are as below:

a.	Ratio of the remuneration of each director to the median remuneration of the employees of the company for the financial year;	16600:1487
b.	Percentage increase in remuneration of the following KMPs in the financial year:	
	i. Directors	–
	ii. CEO	–
	iii. CFO	8%
	iv. CS	8%
c.	Percentage increase in the median remuneration of employees in the financial year;	8.69%
d.	Number of permanent employees on the rolls of company;	163
e.	Average percentile increase already made in the salaries of employees other than the managerial personnel in the last financial year and its comparison with the percentile increase in the managerial remuneration and justification thereof and point out if there are any exceptional circumstances for increase in the managerial remuneration	8%
f.	Affirmation that the remuneration is as per the remuneration policy of the company.	Yes

The Board of Directors wishes to express their appreciation to all the employees for their outstanding contribution to the operators of the Company during the year. The information required under Section 197(12) of the Companies Act, 2013 and the Rules made thereunder, is provided in Annexure II forming part of this Board Report.

20. COMPLIANCE WITH SECRETARIAL STANDARDS ON BOARD AND ANNUAL GENERAL MEETINGS:

The Company has complied with Secretarial Standards issued by the Institute of Company Secretaries of India on Board Meetings and Annual General Meetings.

21. PROTECTION OF WOMEN AT WORKPLACE:

The parent company Larsen & Toubro Limited (L&T) has formulated a policy on 'Protection of Women's Rights at Workplace' which is applicable to all group companies. This has been widely disseminated. There were no cases of sexual harassment received in the Company during the Financial Year 2016-17.

22. AUDITORS:

Pursuant to Section 139 of the Companies Act, 2013, the Shareholders at their Sixth Annual General Meeting held on 29th September 2016 appointed M/s. Dandeker & Co., Chartered Accountants, as Statutory Auditors of the Company for five Financial Years 2016-17 to 2021-22 and to hold the office until the conclusion of the Eleventh Annual General Meeting. Pursuant to Rule 3(7) of the Companies (Audit and Auditors) Rules, 2014, the appointment is required to be ratified by the Shareholders at every Annual General Meeting. A certificate from the Auditors had been received to the effect that they are eligible to act as Statutory Auditors of the Company under Section 141 of the Companies Act, 2013.

The Board recommends the ratification of the appointment of M/s. Dandeker & Co., Chartered Accountants, Chennai as Statutory Auditors for the Financial Year 2017-18.

23. SECRETARIAL AUDIT REPORT:

The Secretarial Audit Report issued by M/s. Rajanish Sekhar T Tonpe, Practicing Company Secretary is attached as Annexure III to this Annual Report.

The Secretarial Auditors' report to the shareholders does not contain any qualification.

24. DETAILS OF SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS OR COURTS OR TRIBUNALS:

During the year under review, there were no material and significant orders passed by the regulators or courts or tribunals impacting the going concern status and the Company's operations in future.

25. EXTRACT OF ANNUAL RETURN:

As per the provisions of Section 92(3) of the Companies Act, 2013, an extract of the Annual Return in form MGT-9 is attached as Annexure IV to this Report.

26. OTHER DISCLOSURES:

The Auditors of the Company have not reported any fraud as specified under section 143(12) of the Companies Act, 2013.

The Company enjoys a good reputation for its sound financial management and the ability to meet its financial obligations. The Company has received credit rating of "IND AA(SO); Outlook Stable" from India Ratings & Research for its ₹ 750 Crores Non-Convertible Un-secured Redeemable Debentures.

27. DEBENTURE TRUSTEE:

M/s. SBICAP Trustee Company Limited, having their office at 6th Floor, Apeejay House, Dinshaw Wachcha Road, Churchgate, Mumbai – 400 020 have been acting as Debenture Trustees in respect of the 7500 Non-Convertible Un-secured Redeemable Debentures of ₹ 10,00,000 each fully paid-up aggregating to ₹ 750 Crores.

28. ACKNOWLEDGEMENT:

Your Directors take this opportunity to thank the Promoters, supply chain partners, employees, Financial Institutions, Banks, Central and State Government authorities, Regulatory authorities, Stock Exchanges, Debenture Trustee and all the stakeholders for their continued co-operation and support to the Company.

For and on behalf of the Board of Directors

ANNEXURE III

FORM NO. MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31.03.2017

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
M/s. L&T METRO RAIL (HYDERABAD) LIMITED,
CIN: U45300TG2010PLC070121
5th Floor, Hyderabad Metro Rail Administrative Building,
Uppal Main Road, Nagole, Hyderabad - 500 039.

1. I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by M/s L&T METRO RAIL (HYDERABAD) LIMITED (hereinafter called the company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts / statutory compliances and expressing my opinion thereon.
2. Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company which was made available to us and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31st March, 2017, complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minutes' book, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2017 according to the provisions of:

i) The Companies Act, 2013 (the Act) and the rules made thereunder;

ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;

iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;

iv) The Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (SEBI Act) viz:-

   a) The Securities and Exchange Board of India (Issue and listing of debt securities) Regulations, 2008;

   b) The Securities and Exchange Board of India (Registrars to an Issue and Share transfer agents) Regulations, 1993 regarding the Companies Act and dealing with client;

v) The laws that are specifically applicable to the Company are listed in Annexure B:

   I have also examined compliance with the applicable clauses of the following:

   i) Secretarial Standards issued by The Institute of Company Secretaries of India.

   ii) Listing agreement entered into with BSE Limited, Mumbai, for listing of Debt Securities.

During the period under review, the Company has complied with the applicable provisions of the Act, Rules, Regulations, Guidelines, Standards, etc., mentioned above except to the extent that in the Letter of offer dated 17th June, 2016, the time given to the shareholders is only till 23rd June, 2016 which is less than minimum of 15 days stipulated under the act and few statutory forms were filed with the Registrar of Companies with additional fees.

Further, it has been informed to us that, in the opinion of the management of the Company, all the related party transactions entered by the Company during the period under review have been entered on Arm's length basis and in the ordinary course of business and therefore, compliance of provisions of Companies Act, 2013 in respect of any of these transactions do not arise.

I further report that the related documents that we have come across depict that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views, if any, are captured and recorded as part of the minutes.

I further report that, based on our limited review,there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period the company has sought the approval of its members for the following major items:

- The following personnel were appointed as Directors in the 6th Annual General Meeting during the period under review:
    - Mr. Sekharipuram Narayanan Subrahmanyan, Director
    - Mr. Ramamurthi Shankar Raman, Director
    - Mr. Prasanna Rangacharya Mysore, Independent Director
    - Mr. V B Gadgil, Chief Executive and Managing Director upto 31st May, 2016.
    - Mr. Shivanand Nimbargi, Managing Director & Chief Executive Officer with effect from 1st June, 2016.

  And the following personnel ceased to be the Directors during the period under review:
    - Mr. V B Gadgil retired from services and consequently his term as Chief Executive and Managing Director concluded with effect from 31st May, 2016.
- The term of Mr. Vivek Bhaskar Gadgil as the Chief Executive and Managing Director of the Company was extended upto 31st May 2016 during the 6th Annual General Meeting dated 29th September, 2016.
- Mr. Shivanand Nimbargi was appointed as Whole-time Director with effect from 10th March 2016 and as Managing Director and Chief Executive Officer with effect from 1st June, 2016 during the 6th Annual General Meeting dated 29th September, 2016.
- M/s. M. K. Dandeker & Co., Chartered Accountants, is appointed as statutory auditors for a period of five years upto 31st March, 2021 for a second term of 5 years.
- 3,15,31,293 number of equity shares of ₹ 10 each were allotted during the period under review to M/s. L&T Infrastructure Development Projects Limited and M/s. Larsen & Toubro Limited who are the existing shareholders of the company.
- The Shareholders have accorded their consent for Issuance of Non-Convertible Debentures worth ₹ 250 Crores during the 6th Annual General Meeting held on 29th September, 2016.
- M/s. L&T Infrastructure Development Projects Limited, a shareholder of the Company, has transferred 204,15,71,240 equity shares of ₹ 10 each in favour of M/s. Larsen & Toubro Limited, another shareholder, in dematerialised form on 29th March, 2017.
- Company has changed its Registered office within the city during the year under review.

I further report that our Audit was subjected only to verifying adequacy of systems and procedures that are in place for ensuring proper compliance by the Company and we are not responsible for any lapses in those compliances on the part of the Company.

RAJANISH SEKHAR. T. TONPE
Company Secretary in Practice

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF L&T METRO RAIL (HYDERABAD) LIMITED

Report on the Ind AS Financial Statements

We have audited the accompanying Ind AS financial statements of L&T Metro Rail (Hyderabad) Limited("the Company"), which comprise the Balance Sheet as at 31st March, 2017, the Statement of Profit and Loss (including Other Comprehensive Income), the statement of Changes in Equity, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein after referred to as "Ind AS financial statements").

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Rule 4 of the Companies (Indian Accounting Standards) Rules, 2015.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the state of affairs of the Company as at 31st March, 2017, its financial performance including Other Comprehensive Income, changes in equity and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we enclose in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the said order.
2. As required by Section 143 (3) of the Act, we report that:
   (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
   (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
   (c) The Balance Sheet, the Statement of Profit and Loss, the statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
   (d) In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 4 of the Companies (Indian Accounting Standards) Rules, 2015.
   (e) On the basis of the written representations received from the directors as on 31st March 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
   (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness

of such controls, refer to our separate report in “Annexure B”.

(g) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 19to the financial statements.

ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative contracts.

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

iv. The Company has provided requisite disclosures in its Ind AS financial statements as to holdings as well as dealings in Specified Bank Notes during the period from 8th November 2016 to 30th December 2016 and these are in accordance with the books of accounts maintained by the Company. Refer Note 25.13 to the Ind AS financial statements.

ANNEXURE - B TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in our Report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of L&T Metro Rail (Hyderabad) Limited ("the Company") as of March 31, 2017 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

(iii) Terms / rights attached to shares

Equity shares

The Company has only one class of equity share having a par value of ₹ 10 per share. Each holder of equity shares is entitled to one vote per share.

The company has not issued any securities during the year with the right/option to convert the same into equity shares at a later date.

The company has not reserved any shares for issue under options and contracts/commitments for the sale of shares/disinvestment.

The shares issued carry equal rights to dividend declared by the company and no restrictions are attached to any specific shareholder.

The Company has allotted one non-transferable equity share (the Golden Share) to the Government of Telangana (Government) having a par value of ₹ 10 in pursuance of the Shareholders Agreement entered into with the Government and others. In terms of the said agreement, the Government shall be entitled to appoint a nominee director on the board of directors of the company and so long as the Government holds the Golden Share, an affirmative vote of the Government or the director appointed by the government shall be required for passing of, by the general meeting of the company or the meeting of board of directors thereof, as the case may be, any resolution on all the reserved matters as specified in the said agreement.

25.1. First time adoption of Ind AS

These are the company's first financial statements prepared in accordance with Ind AS.

The accounting policies set out in note 1 have been applied in preparing the financial statements for the year ended March 31, 2017, the comparative information presented in these financial statements for the year ended March 31, 2016 and in the preparation of an opening Ind AS balance sheet at April 1, 2015 (the company's date of transition). In preparing its opening Ind AS balance sheet and the balance sheet as at 31st March, 2016, the company has adjusted the amounts reported previously in financial statements prepared in accordance with the accounting standards notified under Companies (Accounting Standards) Rules, 2006 (as amended) and other relevant provisions of the Act (previous GAAP or Indian GAAP or IGAAP).

NOTES FORMING PART OF ACCOUNTS (Contd.)

A. Exemptions and exceptions availed

In preparing these Ind AS financial statements, the company has availed certain exemptions and exceptions in accordance with Ind AS 101, as explained below. The resulting difference between the carrying values of the assets and liabilities in the financial statements as at the transition date under Ind AS and previous GAAP have been recognised directly in equity (retained earnings or another appropriate category of equity). This note explains the adjustments made by the company in restating its previous GAAP financial statements, including the Balance Sheet as at April 1, 2015 and the financial statements as at and for the year ended March 31, 2016.

Ind AS optional exemptions

Deemed cost

The company has elected to measure certain items of property, plant and equipment at deemed cost at the date of transition to Ind AS. Hence at the date of transition to Ind AS, measured as per the previous GAAP and use the same as deemed cost as on the date of transtion to Ind AS.

Ind AS mandatory exceptions

Estimates

The company's estimates in accordance with Ind ASs at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is objective evidence that those estimates were in error.

Ind AS estimates as at 1 April 2015 are consistent with the estimates as at the same date made in conformity with previous GAAP.

B. Reconciliations between previous GAAP and Ind AS

The following reconciliations provides the effect of trannsition to Ind AS from previous GAAP in accordance with Ind AS 101

1. Equity as at April 1, 2015 and March 31, 2016
2. Net Profit for the year ended March 31, 2016

1. Reconciliation of equity as previously reported under previous GAAP to Ind AS

Note 1 : Investment Property

Under the previous GAAP, investment properties were presented as part of Property, Plant and Equipment (PPE) and did not include properties which were held for capital appreciation. Under Ind AS, investment properties are required to be separately presented on the face of the balance sheet. There is no impact on the total equity or profit as a result of this adjustment.

Note 2 : Borrowings

Under Indian GAAP, transaction costs incurred in connection with borrowings are capitalised under intangible assets under development. For transition to Ind AS, such transaction costs are adjusted with the fair value of the borrowings on initial recognition. Interest on the borrowings is accounted under the Effective Interest Rate method (EIR). Accordingly borrowings as at 31 March 2015 have been reduced by ₹ 19,81,57,996. Consequently an amount of ₹ 47,62,92,565 has been derecognised from intangible assets under development. Further the transaction cost on undrawn portion of the borrowings has been recognised as prepaid expenses and included in other non current assets

Note 3 : Deferred Tax

Deferred Tax asset/liability has been recognised on changes in fair valuation of cash flow hedges under Ind AS

Note 4: Change in valuation of Employee Stock Options

Due to change in valuation of Employee stock options from intrinsic valuation method to fair valuation method under Ind AS, the balance liability on account of fair valuation has been recognised in the books of accounts.

NOTES FORMING PART OF ACCOUNTS (Contd.)

Reconciliation of statement of profit and loss as previously reported under IGAAP to Ind AS.

Note 1: Recognition of Construction Revenue and Construction expenses as per Appendix A to Ind AS 11

The company is implementing the Metro Rail System under Design, Build, Finance, Operate and Transfer basis (DBFOT) basis under PPP model under a Concession Agreement entered into with the State Government of Telangana. Hence the provisions of Appendix A to Ind AS 11 on Service concession arrangements are applicable to the company. Accoridngly the construction revenue and construction expenses are recognised during the year in profit and loss account.

Note 2: Premium on off-balance sheet related forward contracts as per Ind AS 109

Under previous GAAP, the premium on off-balance sheet related forward contracts was charged off to Profit and Loss account. However, Ind AS 109 requires recognition of mark-to-market losses/gains on cashflow hedges in Hedging Reserve through Other Comprehensive Income. Accordingly necessary adjustments have been carried out in premium account and other comprehensive income.

25.2.1Financial Risk Management

The Company's business activities expose it to a variety of financial risks, namely liquidity risk, market risks and credit risk. The Company's senior management has overall responsibility for the establishment and oversight of the Company's risk management framework. The Company has constituted a Financial Treasury & Investment Committee, which is responsible for developing and monitoring the Company's risk management policies. The key risks and mitigating actions are also placed before the Audit Committee of the Company. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

The activities of Finance, Treasury & Investment Committee of the Company are designed to:

- protect the Company's profit/ loss from material adverse movements and undesired volatility due to interest rate changes, foreign exchange rate changes
- protect returns, while exploring opportunities to optimize returns/interest cost through structuring appropriate derivative instruments and proactive hedging ; and
- protect the company from liquidity risks and accordingly manages its finances

NOTES FORMING PART OF ACCOUNTS (Contd.)

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk in the financial statements.

Risk	Exposure arising from	Measurement	Management
Credit Risk	Cash and cash equivalents, trade receivables, derivative financial instruments, financial assets measured at amortised cost.	Aging analysis Credit rating	Diversification of bank deposits, credit limits and letters of credit/bank guarantees
Liquidity Risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowing facilities
Market risk – foreign exchange	Future commercial transactions Recognised financial assets and liabilities not denominated in Indian rupee (INR)	Cash flow forecasting Sensitivity analysis	Forward foreign exchange contracts Foreign currency options and Currency and Interest rate swaps
Market risk – interest rate	Long-term borrowings at variable rates	Sensitivity analysis	Refinancing options, Currency Interest rate swaps

(A) Credit risk

The Company is exposed to credit risk, which is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. Credit risk arises from cash and cash equivalents, investments carried at amortised cost or fair value through profit & loss and deposits with banks and financial institutions, as well as credit exposures to trade/non-trade customers including outstanding receivables.

(i) Credit risk management

Credit risk is managed depending on the policy surrounding credit risk management. For investments into mutual funds only high rated funds and into fixed assets and Deposits only scheduled banks are accepted. The Company analyses and manages the credit risk for each of their new clients before standard payment and delivery terms and conditions are offered. For other financial assets, the Company assesses and manages credit risk based on the assumptions, inputs and factors specific to the class of financial assets and allocates internal credit rating which considers the quality of asset based on the risk associated with it.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk the group compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. It considers available reasonable and supportive forwarding-looking information.

Disclosure in pursuant to Ind AS 107 - Financial Instruments:

Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, Company treasury maintains flexibility in funding by maintaining availability under committed credit lines.

Management monitors rolling forecasts of the Company's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows. This is generally carried out at Company as per the practice and limits set by the Company.

Financing arrangements

The Company had access to the following undrawn borrowing facilities at the end of the reporting period:

Cash flow and fair value interest rate risk

The Company's main interest rate risk arises from long-term borrowings with variable rates, which expose the company to cash flow interest rate risk. Company policy is to maintain most of its foreign currency borrowings at fixed rate using Cross Currency Interest Rate Swaps to achieve this when necessary. During 31 March 2017 and 31 March 2016, the Company's borrowings at variable rate were mainly denominated in INR and USD The Company's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates. The Company manages its cash flow interest rate risk by using floating-to-fixed Currency interest rate swaps. Under these swaps, the Company agrees with other parties to exchange, at specified intervals, the difference between fixed contract rates and floating rate interest amounts calculated by reference to the agreed notional principal amounts. Generally, the Company raises foreign currency borrowings at floating rates and swaps them into fixed rates that are lower than those available if the Company borrowed at fixed rates directly.

Interest rate risk exposure

The exposure of the Company's borrowing to interest rate changes at the end of the reporting period are as follows:

₹ (in Crores)

Particulars	As at 31.03.2017	*As at 31.03.2016*	*As at 01.04.2015*
Variable rate borrowings	**7,924.65**	*5,981.80*	*4,592.16*
Fixed rate borrowings	**750.00**	*750.00*	–
Total borrowings	**8,674.65**	*6,731.80*	*4,592.16*

As at the end of the reporting period, the Company had the following variable rate borrowings and interest rate swap contracts outstanding:

₹ (in Crores)

Heads	As at 31.03.2017			*As at 31.03.2016*			*As at 01.04.2015*

NOTES FORMING PART OF ACCOUNTS (Contd.)

Sensitivity

Profit or loss is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates. Other components of equity change as a result of an increase/decrease in the fair value of the cash flow hedges related to borrowings.

₹ (in Crores)

Particulars	Impact on profit after tax	
	As at 31.03.2017	*As at 31.03.2016*
Interest rates – increase by 25 basis points	**19.81**	*14.95*
Interest rates – decrease by 25 basis points	**(19.81)**	*(14.95)*

Since the company is in construction phase and the interest being capitalized under Intangible assets under development and there is no impact on Profit after tax.

25.2.2 Capital Management

The Company considers the following components of its Balance Sheet to be managed capital:

1. Total equity – retained profit, general reserves and other reserves, share capital and viability gap fund
2. Term Loan borrowings, Non-convertible debentures (subordinated debt instruments)

The Company manages its capital so as to safeguard its ability to continue as a going concern and to optimise returns to our shareholders. The capital structure of the Company is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. The Company considers the amount of capital in proportion to risk and manages the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets.

The Company's aims to translate profitable growth to superior cash generation through efficient capital management. The Company's policy is to maintain a stable and strong capital structure with a focus on total equity so as to maintain investor, creditor, and market confidence and to sustain future development and growth of its business. The Company's focus is on keeping strong total equity base to ensure independence, security, as well as a high financial flexibility for potential future borrowings, if required, without impacting the risk profile of the Company. The Company will take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

During FY 2016-17, the Company's strategy, which was unchanged from 2014-15 was to maintain the debt-to-adjusted capital ratio at 2.34:1, in order to secure finance at a reasonable cost and continue to comply with the norms laid down by the lenders under the financial agreements. The debt to adjusted capital ratios as at 31st March 2017, 31st March 2016 and 1st April 2015 were as follows:

₹ (in Crores)

Particulars	As at 31.03.2017	As at 31.03.2016	As at 01.04.2015
Total Debt	**79,46,80,00,000**	*59,81,80,00,000*	*46,44,15,00,000*

Net Debt	**76,53,32,05,184**	*54,26,97,94,897*	*45,73,71,86,298*
Total equity	**20,62,19,31,720**	*20,30,66,18,790*	*19,81,39,76,000*
Add Non convertible debentures (Subordinated debt instruments) *	**7,50,00,00,000**	*7,50,00,00,000*	–
Add: Viability Grant Fund*	**9,57,53,68,635**	*6,61,23,45,564*	–
Less: amounts accumulated in equity as cash flow hedges	**–**	–	–
Adjusted capital	**37,69,73,00,355**	*34,41,89,64,354*	*19,81,39,76,000*
Debt-to-adjusted capital	**2.03**	*1.58*	*2.31*

* These items are permitted to be treated as equity by the senior lenders for the purpose of computation of debt-equity ratio.

25.2.3 Foreign Currency Exposure

Foreign currency risk

The Company operates in a business that exposes it to foreign exchange risk arising from foreign currency transactions, primarily with respect to the USD and EUR. Foreign exchange risk arises from future commercial transactions and recognised assets and liabilities denominated in a currency that is not the Company's functional currency (INR). The risk is measured through a forecast of highly probable foreign currency cash flows. The objective of the Company is to minimize the volatility of the INR cash flows of highly probable forecast transactions. As per the risk management policy, the company requires to hedge 30% to 100% of net currency risks based on forecasted cash flows and in the case of balance sheet exposures the company seeks to hedge 80% to 100% of its net balance sheet exposures.

NOTES FORMING PART OF ACCOUNTS (Contd.)

The exposure to foreign currency risk at the end of the reporting period expressed in INR, are as follows:

Foreign Currency exposure of on-balance sheet items and related hedges

(b) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

There were no transfers between any levels during the year.

NOTES FORMING PART OF ACCOUNTS (Contd.)

Level 1 : Level 1 hierarchy includes financial instruments measured using quoted prices. This includes mutual funds that have a quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market (for example over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities which are included in level 3.

(c) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments
- the fair value of forward foreign exchange contracts, Currency Interest Rate Swaps is determined using forward exchange rates at the balance sheet date
- the fair value of the remaining financial instruments is determined using discounted cash flow analysis.

All of the resulting fair value estimates are included in level 1 and 2 except for unlisted equity securities, where the fair values have been determined based on present values and the discount rates used were adjusted for counterparty or own credit risk.

(d) Valuation processes

The finance department of the company obtains assistance of independent and competent third party values to perform the valuations of financial assets and liabilities required for financial reporting purposes, including level 3 fair values. This experts report to the financial risk management team, chief financial officer (CFO) and the audit committee (AC). Discussions of valuation processes and results are held between the CFO, AC and the valuation team at least once every three months, in line with the company's quarterly reporting periods. The main level 3 inputs used by the company are derived and evaluated as follows:

- Discount rates are determined using a capital asset pricing model to calculate a pre-tax rate that reflects current market assessments of the time value of money and the risk specific to the asset.
- Risk adjustments specific to the counterparties (including assumptions about credit default rates) are derived from credit risk grading determined by the company's internal credit risk management company.
- For unlisted equity securities, their fair values are estimated based on the book values of the companies.
- Discount rates are determined using a capital asset pricing model to calculate a pre-tax rate that reflects current market assessments of the time value of money and the risk specific to the asset.

(e) Fair value of financial assets and liabilities measured at amortised cost

The carrying amounts of trade receivables, trade payables, advances receivable in cash, short term security deposits, bank deposits with more than 12 months maturity, capital creditors and cash and cash equivalents are considered to be the same as their fair values. The fair values for security deposits and investment in preference shares were calculated based on cash flows discounted using a current lending rate. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counterparty credit risk. The fair values of non-current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk. For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

NOTES FORMING PART OF ACCOUNTS (Contd.)

25.3 Disclosure pursuant to Ind AS 108 - Segment information

(a) Description of segments and principal activities

The Company operates in two Business Segments namely Fare collection Rights (Metro Rail System) and others. Business segments have been identified as reportable segments based on how the CODM examines the Company's performance on service perspective. Segment accounting policies are in line with the accounting policies of the Company.

(b) Segment Assets

Segment assets are measured in the same way as in the financial statements. These assets are allocated based on the operations of the segment and the physical location of the asset.

₹ (crores)

NOTES FORMING PART OF ACCOUNTS (Contd.)

25.4 Disclosure Under Appendix B to Ind AS 11

Description of the arrangement	**Significant terms of the arrangement**	
Construction, operation and maintenance of the Metro Rail System on Design, Build, Finance, operate and Transfer basis	Period of the Concession	Initial period of 35 years and extendable by another 25 years at the option of the concessionaire subject to fulfilment of certain conditions under concession agreement
	Remuneration	Fare collection Rights from the users of the Metro Rail System, license to use land provided by the government for constructing depots and for transit oriented development and earn lease rental income on such development and grant of viability gap fund.
	Conditions of Pricing	The concession agreement was entered into on 4th Sept., 2010 between the parties under the Andhra Pradesh Municipal Tramways Act, 2008 and accordingly a notification of the initial fare was issued by the State Government. with subsequent increase in fare by 5% (five per cent) thereof for a period of 15 (fifteen) successive years commencing from April 1, 2014 (base rates).The first increase of 5% (five per cent) hereunder shall take effect on April 1, 2015, and the last and fifteenth such increase shall be affected on April 1, 2029. The applicable base rates shall be revised annually w.e.f. April 1 each year to reflect the variation in Wholesale Price Index (WPI) but such revision is restricted to 60% of the increase in WPI. Subsequently in January 2012 the Central Government extended the provisions of Metro Railways Acts to the Project under a gazette notification. Accordingly, as Metro Rail Authority (MRA), the company is exploring to fix the fare for the first year.
	Investment Grant from grantor	Viability Gap Fund of ₹ 1,458 Crores
	Infrastructure return at the end of the concession period	Being DBFOT project, the project assets have to be transferred at the end of concession period
	Renewal and termination Options	The concession period will be extended for a further period of 25 years at the option of the concessionaire upon satisfaction of Key Performance Indicators by the concessionaire under the concession agreement. This option is to be exercised by the concessionaire during the 33rd year of the initial concession period. Termination of the Concession Agreement can either be due to a) Force Majeure b) Non Political event c) Indirect political event d) Political event. On occurrence of any of the above events, the obligations, dispute resolution, termination payments etc. are as detailed in the Concession Agreement.
	Rights & Obligations	Major obligations of the concessionaire are a) obligations relating to project agreements b) obligation relating to change in ownership c) obligation relating to issuance of Golden Share to the Government d) Obligation relating to maintaining aesthetic quality of the Rail System e) Obligation to operate and maintain the rolling stock and equipment necessary and sufficient for handling Users equivalent to 110% of the Average PHPDT etc. Major obligations of the Government are a) providing required constructible right of way for construction of rail system and land required for construction of depots and transit oriented development. b) providing reasonable support and assistance in procuring applicable permits required for construction c) providing reasonable assistance in obtaining access to all necessary infrastructure facilities and utilities d) obligations relating to competing facilities e) obligations relating to supply of electricity etc
	Changes in the arrangement occurring during the period	Any changes in the arrangement like change in the Shareholding etc needs approval from the Government.
	Classification of Service Arrangement	The service arrangement has been classified as a Service Concession Arrangement for a PPP project as per Appendix A to Ind AS 11- Construction Contracts; accordingly construction revenues and expenses are accounted during construction phase and intangible asset is recognised towards rights to charge the users of the system.

26. SIGNIFICANT ACCOUNTING POLICIES

I. Corporate Information:

L&T Metro Rail (Hyderabad) Limited was incorporated on 24th August 2010 as a Special Purpose Vehicle to undertake the business to construct, operate and maintain the Metro Rail System (including Transit Oriental Development) in Hyderabad under Public Private Partnership model.

The Company signed Concession Agreement with the Government of erstwhile unified state of Andhra Pradesh (now the Government of Telangana State), on 04.09.2010 which granted the exclusive right, licence and authority to the Company to construct, operate and maintain the Metro Rail System (The 'Concession') on three elevated corridors from Miyapur to L.B. Nagar, Jubilee Bus Station to Falaknuma and from Nagole to Shilparamam in Hyderabad, covering a total distance of 71.16 Kms and the Transit oriented development(TOD) in accordance with the provisions of the Concession Agreement on Design, Build, Finance, Operate and Transfer (DBFOT) basis.

In terms of Clause 3.1.1 and Schedule G of the Concession Agreement, the concession period of the project is for 35 years commencing from the Appointed Date including the construction period, which is extendable for a further period of 25 years subject to fulfilment of certain conditions by the Company.

The Company achieved financial closure on 1st March 2011 and satisfied all conditions precedent laid down in the concession agreement. The Government had declared Appointed Date as 5th July 2012. The project cost shall be funded by promoters' share capital, viability gap fund and term loans from a consortium of banks with State Bank of India, as lead bank. The Company commenced debt drawl during the financial year 2012-13 and the construction of the project is in progress.

II. Significant Accounting policies:

1. Statement of compliance

The Company's financial statements have been prepared in accordance with the provisions of the Companies Act, 2013 and the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 issued by Ministry of Corporate Affairs in respect of sections 133 read with section 469 of the Companies Act, 2013 (18 of 2013) and sub-section (1) of Section 210A of the Companies Act, 1956 (1 of 1956). Upto the year ended March 31, 2016, the Company prepared its financial statements in accordance with the requirements of previous GAAP, which includes Standards notified under the Companies (Accounting

NOTES FORMING PART OF ACCOUNTS (Contd.)

Standards) Rules, 2006 (as amended). These are the Company's first Ind AS financial Statements. The date of transition to Ind AS is April 1, 2015. Refer Note 25.1 for the details of first time adoption exemptions availed by the Company.

2. **Basis of accounting**

The financial statements have been prepared on a historical cost basis, except for the following:

- certain financial assets and liabilities (including derivative instruments) and contingent consideration that is measured at fair value;
- assets held for sale – measured at fair value less cost to sell;
- defined benefit plans – plan assets measured at fair value; and
- share-based payments

3. **Fair Value Measurement**

The company measures certain financial instruments, such as derivatives and other items in its financial statements at fair value at each balance sheet date.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 – Quoted prices (unadjusted) in active markets for identical assets and liabilities.

Level 2 – Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. Derived from prices).

Level 3 – Inputs for the assets and liabilities that are not based on observable market data (unobservable inputs).

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy.

4. **Presentation of financial statements**

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 ("the Act"). The Cash Flow Statement has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified Accounting Standards and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

5. **Operating cycle for current and non-current classification**

An asset shall be classified as current when it satisfies any of the following criteria:

a. it is expected to be realized within twelve months after the reporting date; or

b. it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

All other assets shall be classified as non-current.

A liability shall be classified as current when it satisfies any of the following criteria:

a. it is due to be settled within twelve months after the reporting date; or

b. the company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. Terms of a liability that could, at the option of the counter party, result in its settlement by the issue of equity instruments do not affect its classification.

All other liabilities shall be classified as non-current.

6. **Revenue recognition**

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue net of returns, trade allowances, rebates, value added taxes and amounts collected on behalf of third parties.

The company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the company's activities as described below. The company bases its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specifics of each arrangement.

Revenue from services – consulting

Timing of recognition: Revenue from services is recognised in the accounting period in which the services are rendered. For fixed-price contracts, revenue is recognised based on the actual service provided to the end of the reporting period as a proportion of the total services to be provided (percentage of completion method).

NOTES FORMING PART OF ACCOUNTS (Contd.)

Measurement of revenue: Estimates of revenues, costs or extent of progress toward completion are revised if circumstances change. Any resulting increases or decreases in estimated revenues or costs are reflected in profit or loss in the period in which the circumstances that give rise to the revision become known by management.

Concession arrangements:

The company has concession arrangement for construction of 'Metro Rail system' followed by a period in which the company maintains and services the infrastructure. These concession arrangements set out rights and obligations relating the infrastructure and the service to be provided.

For fulfilling those obligations, the company is entitled to receive from the grantor, viability gap fund, license rights to use land for transit oriented development and a contractual right to charge the users of the service. The consideration received or receivable is allocated by reference to the relative fair value of the construction services provided

As set out in (10) below, the right to consideration gives rise to an intangible asset and financial asset:

- Income from the concession arrangements earned under the intangible asset model consists of the fair value of contract revenue, which is deemed to be fair value of consideration transferred to acquire the asset and payments actually received from the users.

Other Income

a. **Interest income:** Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

b. **Dividend income:** Dividends are recognised in profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the company, and the amount of the dividend can be measured reliably.

c. Other items of income are accounted as and when the right to receive arises and it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably.

7. Property, plant and equipment (PPE)

PPE is recognized when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. PPE is stated at original cost net of tax/duty credits availed, if any, less accumulated depreciation and cumulative impairment.Cost includes purchase price and any cost that is directly attributable to bringing the asset to the location and for qualifying assets, borrowing costs capitalized in accordance with the Company's accounting policy.

Administrative and other general overhead expenses that are specifically attributable to construction or acquisition of PPE or bringing the PPE to working condition are allocated and capitalised as a part of the cost of the PPE.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

For transition to Ind AS, the carrying value of PPE under I-GAAP as on April 1,2015 is regarded as its deemed cost. The carrying value was original cost less accumulated depreciation and cumulative impairment. PPE not ready for the intended use on the date of the Balance Sheet are disclosed as 'capital work-in-progress'.

Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives. Depreciation method is reviewed at each financial year end to reflect expected pattern of consumption of the future economic benefits embodied in the asset. The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

The following asset category has useful life different from the life specified in Schedule II of the Companies Act, 2013 based on the management's assessment :

Category of Asset	Useful Life
Furniture & Fixture	6- 10 years

Where cost of a part of the asset ("asset component") is significant to total cost of the asset and useful life of that part is different from the useful life of the remaining asset, useful life of that significant part is determined separately and such asset component is depreciated over its separate useful life.

Gains or losses arising from the retirement or disposal of property, plant and equipment are determined as the difference between the estimated net disposal proceeds and the carrying amount of the asset and are recognised in the income statement on the date of retirement or disposal.

NOTES FORMING PART OF ACCOUNTS (Contd.)

8. Investment property

The Transit Oriented Development on the leasehold lands provided by the Government under the Concession Agreement is a resource controlled by the company during the period of concession and is an asset held with the intention of being used for the purpose of earning rental income, hence recognised as an investment property.

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are measured in accordance with cost model and are stated at original cost net of tax/duty credits availed, if any, less accumulated depreciation and cumulative impairment.

Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is derecognised.

Investment properties are depreciated using the straight-line method over their estimated useful lives. The useful life has been determined based on technical evaluation performed by the management's expert.

For transition to Ind AS, the carrying value of Investment properties under previous GAAP as on April 1, 2015 is regarded as its deemed cost.

9. Intangible assets

Intangible assets are stated at original cost net of tax/duty credits availed, if any, less accumulated amortization and cumulative impairment. Intangible assets are recognized when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. Pre-operative expenses including administrative and other general overhead expenses that are specifically attributable to acquisition of intangible assets are allocated and capitalized as a part of the cost of the intangible assets. Intangible assets are amortized over their useful life.

10. Concession intangible and financial assets

The company constructs infrastructure (construction services) used to provide a public service and operates and maintains that infrastructure (operation services) for a specified period of time.

These arrangements are accounted for based on the nature of the consideration. The intangible asset model is used to the extent that the company receives a right to charge users of the public service and transit oriented development (real estate development).

An intangible asset is measured at the fair value of consideration transferred to acquire the asset, which is the fair value of the consideration received or receivable for the construction services delivered.

The intangible asset is amortised over its expected useful life in a way that reflects the pattern in which the asset's economic benefits are consumed by the entity, starting from the date when the right to operate starts to be used. Based on these principles, the intangible asset is amortised over the duration of the concession.

Any asset carried under concession arrangements is derecognised on disposal or when no future economic benefits are expected from its future use or disposal or when the contractual rights to the financial asset expire.

11. Impairment of assets

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. As at each Balance Sheet date, the carrying amount of assets is tested for impairment so as to determine:

a. the provision for impairment loss, if any; and

b. the reversal of impairment loss recognised in previous periods, if any,

Impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount. Recoverable amount is determined:

a. in the case of an individual asset, at the higher of the net selling price and the value in use;

b. in the case of a cash generating unit (a group of assets that generates identified, independent cash flows), at the higher of the cash generating unit's net selling price and the value in use.

(Value in use is determined as the present value of estimated future cash flows from the continuing use of an asset and from its disposal at the end of its useful life).

12. Employee benefits

a) Short term employee benefits:

All employee benefits falling due wholly within twelve months of rendering the service are classified as short term employee benefits. The benefits like salaries, wages, short term compensated absences etc. and the expected cost of bonus, ex-gratia are recognised in the period in which the employee renders the related service.

b) Post-employment benefits:

i. Defined contribution plans: The state governed provident fund scheme, employee state insurance scheme and employee pension scheme are defined contribution plans. The contribution paid/payable under the schemes is recognised during the period in which the employee renders the related service.

NOTES FORMING PART OF ACCOUNTS (Contd.)

ii. Defined benefit plans: The employees' gratuity fund schemes, post-retirement medical care scheme, pension scheme and provident fund scheme managed by trust are the Company's defined benefit plans. The present value of the obligation under such defined benefit plans is determined based on actuarial valuation using the Projected Unit Credit Method.

The obligation is measured at the present value of the estimated future cash flows. The discount rate used for determining the present value of the obligation under defined benefit plans, is based on the market yield on government securities of a maturity period equivalent to the weighted average maturity profile of the related obligations at the Balance Sheet date.

Remeasurement, comprising actuarial gains and losses, the return on plan assets (excluding net interest) and any change in the effect of asset ceiling (wherever applicable) are recognised in other comprehensive income and is reflected immediately in retained earnings and is not reclassified to profit & loss.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

In case of funded plans, the fair value of the plan assets is reduced from the gross obligation under the defined benefit plans to recognise the obligation on a net basis.

Gains or losses on the curtailment or settlement of any defined benefit plan are recognised when the curtailment or settlement occurs. Past service cost is recognised as expense at the earlier of the plan amendment or curtailment and when the Company recognises related restructuring costs or termination benefits.

c) Long term employee benefits:

The liabilities for earned leave and sick leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

d) Employee Share Based Compensation

Equity-settled share-based payments with respect to Employees Stock Options of the holding company granted to the entitled employees are measured at the fair value of the equity instruments of the holding company at the grant date. The fair value of equity-settled share-based payment transactions are recognized in the statement of profit and loss with a corresponding credit to equity, net of reimbursements, if any.

13. Leases

The determination of whether an agreement is, or contains, a lease is based on the substance of the agreement at the date of inception.

Operating leases:

i) Assets acquired on leases where a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Lease rentals are accounted under intangible assets under development on straightline basis over the term of the relevant lease unless the payments are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases.

ii) Assets leased out under operating leases are continued to be carried as part of Investment Property by the Company. Rental income is recognised on a straight-line basis over the term of the relevant lease unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases.

14. Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. All financial assets are initially measured at fair value plus, in case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial assets.

Financial assets in their entirety are subsequently measured either at amortised cost or fair value. Investments in debt Instruments that meet the following conditions are subsequently measured at amortised cost (unless the same are designated as fair value through profit or loss (FVTPL)):

- The asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- The contractual terms of instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- Debt instruments that meet the following conditions are subsequently measured at fair value through other comprehensive income (FVTOCI) (unless the same are designated as fair value through profit or loss)
- The asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and

NOTES FORMING PART OF ACCOUNTS (Contd.)

- The contractual terms of instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Debt instruments at FVTPL is a residual category for debt instruments, if any, and all changes are recognised in profit or loss.

Investments in equity instruments are classified as at FVTPL, unless the Company irrevocably elects on initial recognition to present subsequent changes in fair value in Other Comprehensive Income for equity instruments which are not held for trading.

For financial assets that are measured at FVTOCI,interest income, dividend income and exchange difference (on debt instrument) is recognised in profit or loss and other changes in fair value are recognised in OCI and accumulated in other equity. On disposal of debt instruments measured at FVTOCI, the cumulative gain or loss previously accumulated in other equity is reclassified to profit & loss. However in case of equity instruments measured at FVTOCI,if any, cumulative gain or loss is not reclassified to profit & loss on disposal of investments.

A financial asset is primarily derecognised when:

i. the rights to receive cash flows from the asset have expired, or

ii. the company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a pass-through arrangement; and (a)the company has transferred substantially all the risks and rewards of the asset, or b) the company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets:

The Company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, debt instruments measured at FVTOCI, lease receivables, trade receivables and other contractual rights to receive cash or other financial asset and financial guarantees not designated for measurement at FVTPL. For the purpose of measuring lifetime expected credit loss allowance for trade receivables, the Company has used a provision matrix which takes into account historical credit loss experience and adjusted for forward looking information as permitted under Ind AS 109.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Financial liabilities, including derivatives and embedded derivatives, which are designated for measurement at fair value through profit or loss (FVTPL) are subsequently measured at fair value. Financial guarantee contracts are subsequently measured at the higher of the amount of loss allowance determined as per impairment requirements of IndAS 109 and the amount recognised less cumulative amortisation.All other financial liabilities including loans and borrowings are measured at amortised cost using Effective Interest Rate (EIR) method.

Financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the company or the counterparty.

Derivatives and hedge accounting

Derivatives are initially recognised at fair value on the date a derivative contract is entered into and are subsequently remeasured at their fair value. The method of recognising the resulting gain or loss depends on whether the derivative is designated as a hedging instrument, and if so, the nature of the item being hedged. The company designates certain derivatives as either:

(a) hedges of the fair value of recognised assets or liabilities or a firm commitment (fair value hedge);

(b) hedges of a particular risk associated with a recognised asset or liability or a highly probable forecast transaction (cash flow hedge); or

(c) hedges of a net investment in a foreign operation (net investment hedge).

The company documents at the inception of the transaction the relationship between hedging instruments and hedged items, as well as its risk management objectives and strategy for undertaking various hedging transactions. The company also documents the nature of the risk being hedged and how the Company will assess whether the hedging relationship meets the hedge effectiveness requirements (including its analysis of the sources of hedge ineffectiveness and how it determines the hedge ratio).

The full fair value of a hedging derivative is classified as a non-current asset or liability when the residual maturity of the derivative is more than 12 months and as a current asset or liability when the residual maturity of the derivative is less than 12 months.

(a) Fair value hedges

Changes in the fair value of derivatives that are designated and qualify as fair value hedges are recorded in the statement of profit and loss, together with any changes in the fair value of the hedged item that are attributable to the hedged risk.

Hedge accounting is discontinued when the Company revokes the hedging relationship, when the hedging instrument expires or is sold, terminated, or exercised, or when it no longer qualifies for hedge accounting. The fair value adjustment to the carrying amount of the hedged item arising from the hedged risk is amortised to the consolidated statement of profit and loss from that date.

NOTES FORMING PART OF ACCOUNTS (Contd.)

(b) Cash flow hedges

The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges is recognised in other comprehensive income and accumulated under the heading cash flow hedging reserve. The gain or loss relating to the ineffective portion is recognised immediately in the consolidated statement of profit and loss, and is included in the other expenses.

Amounts previously recognised in other comprehensive income and accumulated in equity are reclassified to the consolidated statement of profit and loss in the periods when the hedged item affects the consolidated statement of profit and loss, in the same line as the recognised hedged item. However, when the hedged forecast transaction results in the recognition of a non-financial asset or a non-financial liability, the gains and losses previously recognised in other comprehensive income and accumulated in equity are transferred from equity and included in the initial measurement of the cost of the non-financial asset or non-financial liability.

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or when it no longer qualifies for hedge accounting. Any gain or loss recognised in other comprehensive income and accumulated in equity at that time remains in equity and is recognised when the forecast transaction is ultimately recognised in the consolidated statement of profit and loss. When a forecast transaction is no longer expected to occur, the gain or loss accumulated in equity is recognised immediately in the consolidated statement of profit and loss.

(c) Hedges of net investments in foreign operations

Hedges of net investments in foreign operations are accounted for similarly to cash flow hedges. Any gain or loss on the hedging instrument relating to the effective portion of the hedge is recognised in other comprehensive income and accumulated under the heading of foreign currency translation reserve. The gain or loss relating to the ineffective portion is recognised immediately in the consolidated statement of profit and loss.

Gains and losses on the hedging instrument relating to the effective portion of the hedge accumulated in the foreign currency translation reserve are reclassified to the consolidated statement of profit and loss on the disposal of the foreign operation.

15. Cash and bank balances

Cash and bank balances also include fixed deposits, margin money deposits, earmarked balances with banks and other bank balances which have restrictions on repatriation. Short term and liquid investments being not free from more than insignificant risk of change in value, are not included as part of cash and cash equivalents.

16. Borrowing Costs

Borrowing costs include interest expense calculated using the effective interest method, finance charges in respect of assets acquired on finance lease and exchange differences arising from foreign currency borrowings, to the extent they are regarded as an adjustment to interest costs.

Borrowing costs that are attributable to the acquisition, construction or production of a qualifying asset are capitalised as part of cost of such asset till such time the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale. All other borrowing costs are recognised in profit or lossin the period in which they are incurred.

17. Foreign currencies

a) The functional currency of the Company is Indian rupee.

b) Foreign currency transactions are recorded on initial recognition using the exchange rate at the date of the transaction. At each Balance Sheet date, foreign currency monetary items are reported using the closing rate. Non-monetary items, carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in foreign currency are not retranslated. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss. Exchange differences that arise on settlement of monetary items or on reporting of monetary items at each Balance Sheet date at the closing rate are recognised in profit or loss in the period in which they arise except for:

   i. exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those assets when they are regarded as an adjustment to interest costs in a foreign currency not translated.

   ii. exchange differences on transactions entered into in order to hedge certain foreign currency risks.

18. Accounting and reporting of information for Operating Segments

The ‘Managing Director and Chief Executive Officer’ is the chief operating decision maker who assesses the financial performance and position of the company and makes strategic decisions.

The reporting of segment information is the same as provided to the management for the purpose of the performance assessment and resource allocation to the segments.

Segment accounting policies are in line with the accounting policies of the Company. In addition, the following specific accounting policies have been followed for segment reporting:

i. Segment revenue includes sales and other operational revenue directly identifiable with/allocable to the segment including inter segment revenue.

NOTES FORMING PART OF ACCOUNTS (Contd.)

ii. Expenses that are directly identifiable with/allocable to segments are considered for determining the segment result.

iii. Most of the centrally incurred costs are allocated to segments mainly on the basis of their respective expected segment revenue estimated at the beginning of the reported period.

iv. Segment result includes margins on inter-segment capital jobs, which are reduced in arriving at the profit before tax of the Company.

v. Segment assets and liabilities include those directly identifiable with the respective segments. Unallocable corporate assets and liabilities represent the assets and liabilities that relate to the Company as a whole and not allocable to any segment.

vi. Segment non-cash expenses forming part of segment expenses includes the fair value of the employee stock options which is accounted as employee compensation cost [see Note xx] and is allocated to the segment.

vii. Segment revenue resulting from transactions with other business segments is accounted on the basis of transfer price agreed between the segments. Such transfer prices are either determined to yield a desired margin or agreed on a negotiated basis

19. Taxes on Income

Tax on income for the current period is determined on the basis of taxable income and tax credits computed in accordance with the provisions of the Income Tax Act 1961, and based on the expected outcome of assessments/appeals.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Company's financial statements and the corresponding tax bases used in computation of taxable profit and quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date.

Deferred tax assets relating to unabsorbed depreciation/business losses/losses under the head "capital gains" are recognised and carried forward to the extent of available taxable temporary differences or where there is convincing other evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised.

Other deferred tax assets are recognised and carried forward to the extent it is probable that sufficient future taxable income will be available against which such deferred tax assets can be realised.

Transaction or event which is recognised outside profit or loss, either in other comprehensive income or in equity, is recorded along with the tax as applicable.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

20. Provisions, contingent liabilities and contingent assets

Provisions are recognised only when:

a) an entity has a present obligation (legal or constructive) as a result of a past event

b) it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and

c) a reliable estimate can be made of the amount of the obligation

Reimbursement expected in respect of expenditure required to settle a provision is recognised only when it is virtually certain that the reimbursement will be received.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent liability is disclosed in case of

a) a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation

b) a present obligation arising from past events, when no reliable estimate is possible

Contingent assets are disclosed where an inflow of economic benefits is probable. Provisions, contingent liabilities and Contingent assets are reviewed at each Balance Sheet date.

21. Commitments

Commitments are future liabilities for contractual expenditure. Commitments are classified and disclosed as follows:

a) Estimated amount of contracts remaining to be executed on capital account and not provided for

b) Other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.

c) Other commitments related to sales/procurements made in the normal course of business are not disclosed to avoid excessive details.

22. Cash Flow Statement

Cash flow statement is prepared segregating the cash flows from operating, investing and financing activities. Cash flow from operating activities is reported using indirect method. Under the indirect method, the net profit is adjusted for the effects of:

i. changes during the period in inventories and operating receivables and payables transactions of a non-cash nature

NOTES FORMING PART OF ACCOUNTS (Contd.)

ii. non-cash items such as depreciation, provisions, deferred taxes, unrealised foreign currency gains and losses, and undistributed profits of associates; and

iii. all other items for which the cash effects are investing or financing cash flows.

Cash and cash equivalents (including bank balances and bank overdrafts) are reflected as such in the Cash Flow Statement. Those cash and cash equivalents which are not available for general use as on the date of Balance Sheet are also included under this category with a specific disclosure.

23. Contributed equity

Equity shares are classified as equity.

Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

24. Earnings per share

(i) Earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the company
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury share.

(ii) Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

25. Key sources of estimation uncertainty

The preparation of financial statements in conformity with Ind AS requires that the management of the Company makes estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as of the date of the financial statements. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period to which it affects.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

Critical estimates and judgements

The areas involving critical estimates or judgements are:

- Estimation of current tax expense and payable
- Estimated useful life of intangible asset
- Estimation of defined benefit obligation
- Recognition of revenue
- Recognition of deferred tax assets for carried forward tax losses
- Impairment of trade receivables
- Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the company and that are believed to be reasonable under the circumstances.

III. Ind AS issued but not yet effective:

The Ministry of Corporate Affairs (MCA) has issued the Companies (Indian Accounting Standards) (Amendment) Rules, 2017 amending Ind AS 102, Share-based payment and Ind AS 7, Statement of cash flows. The company is in the process of studying the impact of said amendments.

Capital &Finance

The Company issued non–convertible debentures amounting to ₹ 1075 Cr during the year to reduce its interest cost. In addition, the Company also repaid JPY 836.98 million of its long–term foreign currency debt.

Working Capital

The Company has maintained its overall Working Capital Borrowing within the approved overall limit of ₹ 1000 Cr comprising both fund based and non–fund based sources.

Credit Rating

The INR denominated Non–Convertible Debentures issued by the Company were reaffirmed a rating of "CRISIL AAA (SO)/Stable" (pronounced "CRISIL triple A Structured Obligation with stable outlook") by CRISIL. Non–Convertible Debentures are secured by way of a corporate guarantee from the ultimate holding Company–Larsen & Toubro Limited.

The Long–term Bank Facilities (External Commercial Borrowings), Long–term facilities (Working Capital Limits) and the Long–term Bank Facilities (Bank Guarantee) availed by the Company were reaffirmed as CARE A; Stable by CARE Ratings. The Short–term Bank Facilities (Letter of Credit/Bank Guarantee) were reaffirmed as CARE A1 by CARE Ratings.

Capital Expenditure

As at March 31, 2017 the gross tangible and intangible assets stood,including Capital work–in–progress at ₹ 82.66Cr and the net tangible and intangible assets, including capital work–in–progress at ₹ 81.57 Cr. Capital expenditure during the year amounted to ₹ 1.10 Cr.

2. PARTICULARS OF LOANS GIVEN, INVESTMENTS MADE, GUARANTEES GIVEN OR SECURITY PROVIDED BY THE COMPANY

The Company has disclosed the full particulars of the loans given, investments made or guarantees given or security provided in "Other notes forming part of accounts"reference: 48.VII (d)(I).

3. PARTICULARS OF CONTRACTS OR ARRANGEMENTS WITH RELATED PARTIES

The Audit Committee has approved the actual Related Party Transactions for the financial year 2016–17 and the estimated transactions for the financial year 2017–18.

All the related party transactions were in the ordinary course of business and at arm's length.

The material related party transactions entered by the Company are attached as Annexure 'A' to this report.

4. STATE OF COMPANY AFFAIRS

The Total Revenue (Sales and other income) for the financial year under review was ₹ 3,527.31 Cr as against ₹ 3,306.41 Cr for the previous financial year registering an increase of 7 %. The profit before tax from continuing operations was ₹ 7.30 Cr and Loss after tax from continuing operations was ₹ 26.80 Cr for the financial year under review (against profit of ₹ 199.57 Cr for the previous financial year). There were no extraordinary and exceptional items during the financial year.

5. DIVIDEND

The Directors do not recommend any dividend for the year 2016–17.

6. MATERIAL CHANGES AND COMMITMENTS AFFECTING THE FINANCIAL POSITION OF THE COMPANY, BETWEEN THE END OF THE FINANCIAL YEAR AND THE DATE OF THE REPORT

There are no material changes that have taken place in the Company between the date of the Balance sheet and the date of the Directors' Report.

7. CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO

Information as per Rule 8 of the Companies (Accounts) Rules,2014, relating to Conservation of Energy, Technology Absorption, Foreign Exchange Earnings and Outgo is provided in Annexure "B" forming part of this Report.

8. RISK MANAGEMENT POLICY

The Company has a risk management policy and framework to identify, mitigate and review the risks which in the opinion of the Board may threaten the existence of the Company. A mechanism is in place to inform the Board Members about risk assessment and minimization procedures and periodical review to ensure that executive management controls risk by means of a properly designed framework.

9. ADEQUACY OF INTERNAL FINANCIAL CONTROL

The Company has designed and implemented a process driven framework for Internal Financial Controls ('IFC') within the meaning of the explanation to Section 134(5)(e) of the Companies Act, 2013. For the year ended March 31, 2017, the Board is of the opinion that the Company has sound IFC commensurate with the nature and size of its business operations and operating effectively and no material weaknesses exist. The Company has a process in place to continuously monitor the same and identify gaps, if any, and implement new and / or improved controls wherever the effect of such gaps would have a material effect on the Company's operations.

10. CORPORATE SOCIAL RESPONSIBILITY

The Company realizes its responsibility to its stakeholders, especially to the society at large and has taken several initiatives towards repaying to the society.

The Company has constituted a CSR committee comprising Mr. Ashwani Kumar, Mr. S. Balasubramanian and Ms. Vijaya Sampath as the Members. The Company has formulated a CSR policy.

Following are some of the major CSR initiatives being undertaken by the Company:

a) Rural Infrastructure

b) Water

c) Education

d) Health programs

e) Skill building and development programs

The Company is required to spend in every financial year, at least 2% of the average net profits of the Company made during the three immediately preceding financial years on its CSR activities as per the provision of Companies Act, 2013. Accordingly, the Company was required to spend an amount of ₹ 2.42 Cr. on CSR activities during the financial year 2016–17. However, the Company has contributed an amount of ₹ 4.40 Cr. during the financial year 2016–17 as required under the Environmental clearances issued by the Ministry of Environment, Forest& Climate Change.

The disclosures required to be given under Section 135 of the Companies Act, 2013 read with Rule 8(1) of the Companies (Corporate Social Responsibility Policy) Rules, 2014 are given in Annexure "C" to the Board report.

11. DETAILS OF DIRECTORS AND KEY MANAGERIAL PERSONNEL APPOINTED/RESIGNED DURING THE YEAR

The present Directors of the Company are Mr. Shailendra Roy, Mr. Y.V.S. Sravankumar, Mr. Ashwani Kumar, Mr. Ajit Samal, Ms. Vijaya Sampath and Mr. S. Balasubramanian.

Mr. Chandan Roy ceased to be a Director of the Company with effect from June 23, 2016 on account of his sudden demise. Mr. S. Balasubramanian was appointed as an Additional Director of the Company with effect from September 22, 2016 and will hold office till the conclusion of the ensuing Annual General Meeting. He was also appointed as an Independent Director of the Company for a period of five years starting September 30, 2016 to September 29, 2021.

Mr. Ashwani Kumar and Mr. Y.V.S. Sravankumar are liable to retire by rotation and being eligible offer themselves for re–appointment. The notice convening the AGM includes the proposal for re–appointment of Directors.

Sameer Godbole is the Manager and Chief Financial Officer of the Company under the Companies Act, 2013 and Mr. Urvil Desai is the Company Secretary of the Company.

12. NUMBER OF MEETINGS OF THE BOARD OF DIRECTORS

The Meetings of the Board are held at regular intervals with a time gap of not more than 120 days between two consecutive Meetings. During the year under review four meetings were held on May 2, 2016, July 19, 2016, October 24, 2016 and January 20, 2017.

The Agenda of the Meeting is circulated to the Directors in advance. Minutes of the Meetings of the Board of Directors are circulated amongst the Members of the Board for their perusal.

13. AUDIT COMMITTEE

The Company has constituted an Audit Committee in terms of the requirements of the Companies Act, 2013. The terms of reference of the Committee are in line with the Companies Act, 2013.

The Committee comprised of one Non–Executive Director and two Independent Directors. The current members of the Committee are Mr. Y.V.S. Sravankumar, Mr. S. Balasubramanian and Ms. Vijaya Sampath.

During the year under review, the Committee met four times on May 2, 2016, July 19, 2016, October 24, 2016 and January 20, 2017.

In accordance with the requirements of the Companies Act, 2013, the Company has established a vigil mechanism framework for directors and employees to report genuine concerns. This mechanism is in line with the requirements of the Companies Act, 2013.

14. COMPANY POLICY ON DIRECTOR APPOINTMENT AND REMUNERATION

The Company has constituted the Nomination and Remuneration Committee in accordance with the requirements of the Companies Act, 2013. The terms of reference of the Committee are in line with the Companies Act, 2013.

The Committee comprises of two Non–Executive Directors and two Independent Directors. The current members of the Committee are Mr. Shailendra Roy, Mr. Ashwani Kumar, Mr. S. Balasubramanian and Ms. Vijaya Sampath.

The Committee has formulated a policy on director's appointment and remuneration including recommendation of remuneration of the key managerial personnel and other employees and the criteria for determining qualifications, positive attributes and independence of a Director.

15. DECLARATION OF INDEPENDENCE

The Company has received Declarations of Independence from its Independent Directors as stipulated under Section 149(7) of the Companies Act, 2013 confirming that they meet the criteria of Independence.

16. DIRECTORS RESPONSIBILITY STATEMENT

The Board of Directors of the Company confirms:

a) In the preparation of Annual Accounts, the applicable accounting standards have been followed along with proper explanation relating to material departures.

b) The Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit of the Company for that period.

c) The Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities.

d) The Directors have prepared the Annual Accounts on a going concern basis.

e) The Directors have laid down an adequate system of internal financial control with respect to reporting on financial statements and the said system is operating effectively.

f) The Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and were operating effectively.

17. PERFORMANCE EVALUATION OF THE BOARD, ITS COMMITTEES AND DIRECTORS

The Nomination and Remuneration Committee has approved the manner in which formal annual evaluation of the performance of the Board, committees and individual Directors has to be made.

It includes circulation of questionnaires to all Directors for evaluation of the Board and its Committees, Board composition and its structure, its culture, Board effectiveness, Board functioning, information availability, etc. These questionnaires also cover specific criteria and the grounds on which all Directors in their individual capacity will be evaluated.

The inputs given by all the Directors were discussed in the meeting of the Independent Directors scheduled on April 26, 2017, as per Schedule IV of the Companies Act, 2013. The performance evaluation of the Board, Committees and Directors was also reviewed by the Nomination and Remuneration Committee and the Board of Directors.

18. DISCLOSURE OF REMUNERATION

The details of remuneration as required to be disclosed under the Companies Act, 2013 and the rules made thereunder are as below:

a.	Ratio of the remuneration of each director to the median remuneration of the employees of the company for the financial year;	–
b.	Percentage increase in remuneration of the following KMPs in the financial year; a) Directors b) CEO c) CFO d) CS e) Manager	 – – 11% – *
c.	Percentage increase in the median remuneration of employees in the financial year;	7%
d.	Number of permanent employees on the rolls of company;	251 employees
e.	average percentile increase already made in the salaries of employees other than the managerial personnel in the last financial year and its comparison with the percentile increase in the managerial remuneration and justification thereof and point out if there are any exceptional circumstances for increase in the managerial remuneration	Average percentage increase made in the salaries of employees other than the managerial personnel for the year 2016–17 was 5 % whereas there is increase in the managerial remuneration by 3%.
f.	Affirmation that the remuneration is as per the remuneration policy of the company.	Yes

* Mr. Sameer Godbole is the Manager and CFO of the Company and he draws salary as stated above in the capacity of CFO

The Board of Directors wishes to express its appreciation to all the employees for their outstanding contribution to the operations of the Company during the year.

There is no employee in the Company in respect of whom disclosure is required to be made in accordance with Section 197(12) of the Companies Act, 2013 and Rule 2 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014.

19. SECRETARIAL AUDIT REPORT

The Secretarial Auditors' report to the shareholders does not contain any qualification.

The Secretarial Audit Report issued by M/s Alwyn Jay & Co., Practicing Company Secretary is attached as Annexure 'D' to this Annual Report.

20. AUDITORS

The Auditors, M/s Sharp & Tannan, hold office until the conclusion of the ensuing Annual General Meeting. Certificate from the Auditors has been received to the effect that they are eligible to act as auditors of the Company under Section 141 of the Companies Act, 2013. The Board recommends the appointment of M/s Sharp & Tannan as Auditors of the Company from the conclusion of the ensuing AGM until the conclusion of the next Annual General Meeting.

21. COST AUDITORS

Pursuant to the provisions of Section 148 of the Companies Act, 2013 and Rule 3 and 4 of the Companies (Cost Records and Audit) Amendment Rules, 2014 the Board of Directors had appointed M/s R. Nana bhoy & Co., Cost Accountants as Cost Auditors of the Company for audit of cost accounting records for the financial year ended March 31, 2017 at a remuneration of ₹ 82,500 (plus service tax and out of pocket expenses). The appointment has been approved by the Central Government.

The Report of the Cost Auditors for the financial year ended March 31, 2017 is under finalization and will be filed with the MCA within the prescribed period.

22. EXTRACT OF ANNUAL RETURN

As per the provisions of Section 92(3) of the Companies Act, 2013 an extract of the Annual Return is attached as Annexure 'E' to this Report.

23. DETAILS OF SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS OR COURTS OR TRIBUNALS

During the year under review, there were no material and significant orders passed by the regulators or courts or tribunals impacting the going concern status and the Company's operations in future.

24. DEBENTURE TRUSTEE

M/s IDBI Trusteeship Services Limited, having their office at Asian Building, Ground Floor, 17, R. Kamani Marg, Ballard Estate, Mumbai – 400001 have been appointed as the Debenture Trustees in respect of Non–Convertible Debentures issued by the Company.

25. COMPLIANCE WITH SECRETARIAL STANDARDS ON BOARD AND ANNUAL GENERAL MEETINGS

The Company has complied with Secretarial Standards issued by the Institute of Company Secretaries of India on Board Meetings and Annual General Meetings.

26. PROTECTION OF WOMEN AT WORKPLACE

The parent Company Larsen & Toubro Limited (L&T) has formulated a policy on 'Protection of Women's Rights at Workplace' which is applicable to all group companies. This has been widely disseminated. There were no cases of sexual harassment received in the Company during 2016–17.

27. ACKNOWLEDGEMENT

The Directors acknowledge the invaluable support extended to the Company by the Financial Institutions, Banks and Regulatory Authorities, employees of the Company and management of the Parent Company.

For and on behalf of the Board

ANNEXURE A

FORM AOC–2

(Pursuant to clause (h) of sub–section (3)of section 134 of the Act and Rule 8(2) of the Companies (Accounts) Rules, 2014)

Form for disclosure of particulars of contracts/arrangements entered into by the company with related parties referred to in sub–section (1) of section 188 of the Companies Act, 2013 including certain arm's length transactions under third proviso thereto

1. Details of contracts or arrangements or transactions not at arm's length basis:

   (a) Name(s) of the related party and nature of relationship

   (b) Nature of contracts/arrangements/transactions

   (c) Duration of the contracts / arrangements/transactions

   (d) Salient terms of the contracts or arrangements or transactions including the value, if any

   (e) Justification for entering into such contracts or arrangements or transactions

   (f) date(s) of approval by the Board

   (g) Amount paid as advances, if any:

   (h) Date on which the special resolution was passed in general meeting as required under first proviso to section 188

2. Details of material contracts or arrangement or transactions at arm's length basis

   Name(s) of the related party and nature of relationship (Enclosed in Annexure "A1")

   (a) Nature of contracts/arrangements/transactions

   (b) Duration of the contracts / arrangements/transactions

   (c) Salient terms of the contracts or arrangements or transactions including the value, if any:

   (d) Date(s) of approval by the Board, if any:

   (e) Amount paid as advances, if any:

ANNEXURE 'A1'

Form No.AOC –2 for disclosure of particulars of contracts/arrangements entered into by the company with related parties

Pursuant to Clause (h) of sub–section (3) of Scetion 134 of the Act and Rule 8(2) of the Companies (Accounts) Rules,2014

1. **Details of contracts or arrangments or transactions not at arm's length basis – NIL**
2. **Details of material contracts or arrangement or transactions at arm's length basis**

			• ICB Interest	624,133,486	Market Rate	

ANNEXURE 'B'

A. Conservation of energy, technology absorption and foreign exchange earnings and outgo as per the companies' (disclosure of particulars in the report of the board of directors) rules, 1988:

Energy Conservation Measures taken:

The major steps taken towards Energy Conservation are described as under:–

Improving Energy effectiveness/ efficiency of Manufacturing Processes:

a) Improvements in Ash Handling Plant

   i. Re–routing of Ash conveying line from duct hopper to buffer hopper to reduce line length and no. of bends: The re–routing of ash conveying piping helped in reducing the piping length from 69m to 29m and from no. of bends from 6 to 2 . This helped in reducing the de–ashing time of duct hoppers from 3 hours to 0.5 hours in each shift reducing the running hour of ash handling equipment.

   ii. Re–routing of hopper fluidizing line along with provision of Knife Gate valve before ash intake valve in ESP hoppers: Improved fluidizing through piping modification and Knife Gate valve helped in reducing hopper plugging and deashing time of 216 nos. of hoppers in both the units.

The above measures have helped in reducing the specific power consumption in ash handling plant from 24.8 kwhr/T to 15.09 kwhr/T of ash handled.

b) Improvements in Coal Handling Plant

   i. Use of one no. of Crusher and Vibrating Grizzly Feeder(VGF) for washed Indian coal against earlier philosophy of 2 no. of Crushers and VGFs: By perforating the deck plate of VGF (2310 mm x 600 mm with 70 mm dia holes) the loading of crusher was raised from 1100 TPH to 1500 TPH. This helped in stopping of one stream of VGF and Crusher.

   ii. Improving the belt utilization factor by increasing the loading of conveyor belt from 1800 – 2200 TPH during coal reclaiming process: Maximising the loading of conveyors helped in reducing the specific power consumption of Coal Handling Plant. System idle time is reduced through this process optimization.

The above measures have helped in reducing the specific power consumption in Ash Handling Plant from 1.71 kwhr/T to 1.35 kwhr/T of coal handled.

c) Reduction in Forced Outages of Units: Continuous process improvements through robust modification process and regular preventive, pro–active and predictive maintenance have resulted in reduction of forced outages from 20 to 9.

The above measure has helped in reducing the specific oil consumption from 0.466 ml/kwhrto 0.124ml/kwhr

Improving Energy effectiveness/ efficiency of Equipment:

i. Provision of interconnection line between Service water header and ESP/BBD water header: Shut–down of ESP/BBD pump during normal operation and supply of quenching water from Service water header through interconnection.

ii. Optimization of CEP Minimum recirculation flow during part load operation: Optimization of Gland Steam Condenser (GSC) recirculation flow has reduced the auxiliary power consumption.

iii. LDO forwarding pump (required for A–B elevation) kept as stand–by and in stopped condition: Emergency requirement of oil support is being made through HFO forwarding pump in C–D/ E–F elevation.

iv. Lube oil and Hydraulic Oil pumps of standby mills in standby and stop condition during part load condition: Stopping of lube oil and hydraulic oil of one of the two standby mills during part load condition.

v. Replacement/Servicing of high energy drains: Continuous reduction in cycle make–up by arresting leakages & valve passing, which is helping in reduction in plant heat rate.

vi. Optimizing the supply voltage through tap position in lightning transformers in plant: Optimizing the voltage through tap changer in lighting transformers is helping in reduction of auxiliary power consumption.

vii. Hotwell make–up pump kept hot stand–by and hot–well make–up done through vacuum drag line: Stopping of hot–well make–up pump for daily make–up and using of vacuum drag line is helping in reduction of auxiliary power consumption.

viii. Air Washer Unit (TG area) kept stand–by during winter season: Complete Air washer unit was kept under shutdown condition during winter.

The above measures have helped in reducing the Auxiliary Power Consumption from 5.72% to 5.18%.

B. Additional investments and proposals, if any, being implemented for reduction of consumption of energy:

APC reduction Proposals:

b. Feasibility of VFD installation in 8 nos. of LT &2 nos. of HT drives is under study to reduce auxiliary power conservation during part load operation. O&M team is in the process of identification of the areas of further improvement to reduce the consumption of energy during its operation phase and is committed to implement the same in near future in order to improve the efficiency of the plant.

c. 200 KW roof top solar panel installation has been proposed in plant buildings as an energy conservation measure to reduce auxiliary power consumption of the plant.

C. Impact of the measures at (A) and (B) above for reduction of energy consumption and consequent impact on the cost of production:

- Reduction in specific coal consumption
- Reduced auxiliary power consumption, Heat Rate improvement
- Reduction in specific oil consumption

D. Technology Absorption & Foreign Exchange Earnings and Outgo:

There was no Technology Absorption during the year 2016–17.

E. Foreign Exchange Earnings and Outgo:

There were no Foreign Exchange earnings during the year. The Foreign Exchange outgo during the year was ₹ 72.29 Cr.

ANNEXURE 'C'

CSR ACTIVITIES FOR 2016–17

1. **A brief outline of the Company's CSR policy, including overview of projects or programs proposed to be undertaken.**

   The Company's CSR Policy framework details the mechanisms for undertaking various programmes in accordance with Section 135 of the Companies Act 2013 for the benefit of the community.

   The Company will primarily focus on the following activities as a part of its CSR Programme viz.

   - **Rural Development –** may include but not limited to construction and renovation of roads, pathways, drains, toilets, water tanks, community centres, health centres, skill training centres,sports and other infrastructure in the surrounding villages.
   - **Water –** may include but not limited to support for programmes making clean drinking water available, rain water harvesting, facilitating irrigation, conservation and purification of water.
   - **Education –** may include but not limited to construction and renovation of schools, libraries, science laboratories and education infrastructure support to educational Institutions, educational programmes & nurturing talent at various levels.
   - **Health –** may include but not limited to support for community health centres mobile medical vans, dialysis centres, general and specialized health camps and outreach programmes, centres for elderly / disabled, support to HIV / AIDS programme.
   - **Skill Development –** may include but not limited to vocational training, skill building, computer training, women empowerment, support to ITI& CSTI, support to specially abled, infrastructure support, providing employability skills at project sites, creating training centres.

   Governance & Technology would be the Key drivers across all these verticals.

2. **Composition of the CSR Committee.**

   The CSR Committee of the Board was re–constituted on January 14, 2015. It comprises two Independent Directors and one Non–Executive Director. The Company Secretary acts as Secretary to the Committee.

   The present Committee comprises of Mr. Ashwani Kumar, Mr. S Balasubramanian and Ms. Vijaya Sampath as members and Mr. Urvil Desai as the Secretary of the Committee.

3. **CSR Budget and Utilization**

   CSR Budget shall be allocated for each financial year with the approval of the Board and shall be utilized on approved projects in accordance with the CSR policy. The company is required to spend in every financial year, at least 2% of the average net profits of the Company made during the three immediately preceding financial years on its CSR activities as per the provision of Companies Act, 2013.

4. **Average net profit of the Company for the last three financial years.**

   The average net profit of the Company for the last three financial years is ₹ 121,18, 65,139/–

5. **Prescribed CSR expenditure (two percent of the amount as in item 3 above) under the Companies Act 2013.**

   The Company is required to spend an amount of ₹ 2,42,37,303/– on CSR activities during the financial year 2016–17.

6. **Details of CSR spent under the Companies Act 2013, during the financial year:**

   a. Total amount to be spent for the financial year – ₹ 2,42,37,303/–

   b. Amount unspent, if any – N.A

   c. Manner in which the amount was spent in the financial year is detailed below:

S. No.	CSR Project or activity identified	Sector in which the project is covered	Projects or programs (1) Local area or other (2) Specify the State and district where projects or programs was undertaken	Amount outlay (budget) project or programs wise (₹)	Amount spent on the projects or programs Subheads: (1) Direct Expenditure on projects or programs. (2)Overheads	Cumulative expenditure upto to the reporting period. (₹)	Amount spent: Direct or through implementing agency
1	– Construction of Village Roads – Construction of Community Centre – Construction of Toilets – Shagan Scheme – Female Child Birth Scheme	Rural Development	Local Area : Fatehgarh, Punjab Patiala, Punjab	2,80,00,000	Entire amount is direct project expenditure	3,16,49,276	Direct

S. No.	CSR Project or activity identified	Sector in which the project is covered	Projects or programs (1) Local area or other (2) Specify the State and district where projects or programs was undertaken	Amount outlay (budget) project or programs wise (₹)	Amount spent on the projects or programs Subheads: (1) Direct Expenditure on projects or programs. (2)Overheads	Cumulative expenditure upto to the reporting period. (₹)	Amount spent: Direct or through implementing agency
2	Construction/ Renovation of Classroom	Education	Local Area : Patiala, Punjab	60,00,000	Entire amount is direct project expenditure	53,49,970	Direct
3	Medical Assistance	Health	Local Area : Patiala, Punjab	25,00,000	Entire amount is direct project expenditure	3,26,000	Direct
4	Training Centre	Skill Development	Local Area : Fatehgarh, Punjab. Patiala, Punjab	40,00,000	Entire amount is direct project expenditure	35,25,197	Direct
5	Submersible Boring	Water	Local Area : Fatehgarh, Punjab Patiala, Punjab	35,00,000	Entire amount is direct project expenditure	31,76,315	Direct
	TOTAL			**440,00,000**		**440,26,758**	

7. Reasons for not spending the amount during the financial year – N.A.

8. CSR Committee Responsibility Statement:

The CSR Committee hereby affirms that:

- The Company has duly formulated a CSR Policy Framework which includes formulation of a CSR Theme, CSR budget and roles and responsibilities of the Committee as well as the various internal committees formed for implementation of the CSR policy;
- The Company has constituted a mechanism to monitor and report on the progress of the CSR programs;
- The activities undertaken by the Company as well as the implementation and monitoring mechanisms are in compliance with its CSR objectives and CSR policy.

Ms. Vijaya Sampath	**Mr. S Balasubramanian**

ANNEXURE 'D'

FORM NO. MR–3

SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2017

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,
NABHA POWER LIMITED

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Nabha Power Limited (hereinafter called "the Company").

Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conduct, statutory compliances and expressing our opinion thereon.

Based on the verification of the Company's statutory registers, books, papers, minute books, forms and returns filed and other records maintained by the Company and the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2017 complied with the statutory provisions listed hereunder and also that the Company has followed proper Board–processes and have required compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2017 according to the provisions of:

(i) The Companies Act, 2013 (the Act) and the rules made thereunder;

(ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder (Not applicable to the Company);

(iii) The Depositories Act, 1996 and the Regulations and Bye–laws framed thereunder ((Not Applicable to the Company));

(iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings as applicable;

(v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') – As applicable to the Company with respect to its listed debentures –

   a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 (Not applicable to the Company);

   b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015(Not applicable to the Company);

   c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009(Not applicable to the Company);

   d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014(Not applicable to the Company);

   e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;

   f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client(Not applicable to the Company);

   g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009(Not applicable to the Company); and

   h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998(Not applicable to the Company).

(vi) Other specific business/industry related laws applicable to the Company – The Company has complied with the provisions of the Electricity Act, 2003, Air (Prevention and Control of Pollution) Act, 1981 and the rules and standards made thereunder, Water (Prevention and Control of Pollution) Act, 1974 and Water (Prevention and Control of Pollution) Rules, 1975, Environment Protection Act, 1986 and the rules, notifications issued thereunder, Factories Act, 1948, the terms of power purchase agreement and the other applicable general laws, rules, regulations and guidelines..

We have also examined compliance with the applicable clauses of the following:–

i. Secretarial Standards with regard to Meeting of Board of Directors (SS–1) and General Meetings (SS–2) issued by The Institute of Company Secretaries of India ; and

ii. The Debt Listing Agreements entered into by the Company with the National Stock Exchange of India in accordance with The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above and there are no material non–compliances that have come to our knowledge.

We further report that the Board of Directors of the Company is duly constituted with proper balance of Non–Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act..

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

The minutes of the Board meetings have not identified any dissent by members of the Board, hence we have no reason to believe that the decisions by the Board were not approved by all the directors present.

We further report that, I was informed there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines. As informed, the Company has responded appropriately to communication received from various statutory / regulatory authorities including initiating actions for corrective measures, wherever found necessary.

We further report that during the audit period the following events / actions have taken place, having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines and standards:

(i) Change in Registrar and share Transfer Agent

(ii) Approval of Shareholders has been obtained for Issuance of secured/unsecured redeemable non convertible/ perpetual debentures aggregating up to ₹ 14,400 Crores on Private Placement basis.

(iii) Allotment of 4,750 rated, unsecured, redeemable, non–convertible debentures of the face value ₹ 10,00,000/– each bearing interest @ 8.30% p.a. on 7th July, 2016.

(iv) Allotment of 6,000 rated, unsecured, redeemable, non–convertible debentures of the face value ₹ 10,00,000/– each bearing interest @ 7.81% p.a. on 16th August, 2016.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF NABHA POWER LIMITED

REPORT ON THE IND AS FINANCIAL STATEMENTS

We have audited the Ind AS financial statements of Nabha Power Limited (the 'Company'), which comprise the Balance Sheet as at 31st March, 2017, and the Statement of Profit and Loss (including other comprehensive income), the statement of Cash Flows and the statement of changes in equity for the year then ended and a summary of the significant accounting policies and other explanatory information.

MANAGEMENT'S RESPONSIBILITY FOR THE IND AS FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act, read with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

OPINION

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the financial position of the Company as at 31st March, 217, and its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the Annexure 'A', a Statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
   - (a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
   - (b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
   - (c) the Balance Sheet, the Statement of Profit and Loss, the statement of Cash Flow and the statement of changes in equity dealt with by this report are in agreement with the books of account;
   - (d) in our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with relevant Rules issued thereunder;
   - (e) on the basis of the written representations received from the Directors as on 31st March, 2017 taken on record by the Board of Directors, none of the Directors is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act;
   - (f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure 'B'; and

(g) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

i. the Company doesn't have any pending litigations which would impact its financial position in its financial statements;

ii. the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;

iii. there has been no delay in transferring amounts, required to be transferred, to Investor Education and Protection Fund by the Company ; and

iv. the Company has provided requisite disclosures in its Ind AS financial statements as to holdings as well as dealings in Specified Bank Notes during the period from 8th November, 2016 to 30th December, 2016 and these are in accordance with the books of accounts maintained by the Company. Refer Note 49(XXI) to the Ind AS financial statement.

ANNEXURE – A TO THE AUDITORS' REPORT

(i) (a) The Company is maintaining proper records showing full particulars, including quantitative details and situation of fixed assets.

(b) As explained to us, these fixed assets have been physically verified by the management in accordance with a phased programme of verification, which in our opinion is reasonable, considering the size of the Company and nature of its assets. The frequency of physical verification is reasonable and no material discrepancies were noticed on such verification.

(c) According to the information and explanations given to us, the title deeds of immovable properties are held in the name of the Company.

(ii) As explained to us, inventories have been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable. The discrepancies noticed on verification between the physical stocks and the books records, which were not material, have been properly dealt with in the books of account.

(iii) According to the information and explanations given to us, the Company has not granted loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Act.

(iv) According to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of loans, investments, guarantees and security.

(v) According to the information and explanations given to us, the Company has not accepted any deposits from the public and accordingly, Paragraph 3 (v) of the Order is not applicable to the Company.

(vi) We have broadly reviewed the books of account and records maintained by the Company specified by the Central Government for the maintenance of cost records under Section 148(1) of the Act in respect of production of electricity and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. The contents of these accounts and records have not been examined by us.

(vii) (a) According to the information and explanations given to us, the Company is regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues, where applicable, to the appropriate authorities. According to the information and explanations given to us, there are no arrears of outstanding statutory dues as at the last day of the financial year for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us and the records of the Company examined by us, the particulars of income tax, sales tax, service tax, duty of customs, duty of excise, and value added tax as at 31st March, 2017 which have not been deposited on account of a dispute pending, are as under:

Name of the Statute	Nature of the disputed dues	Amount ₹ crore*	Period to which the amount relates	Forum where disputes are pending
The Service Tax under the Finance Act, 1994	Service tax on Codal Charges-Statutory payments	8.20	F.Y 2009-10 to F.Y 2012-13	CESTAT

(*net of pre-deposit paid in getting the stay / appeal admitted)

(viii) According to the information and explanations given to us, the Company has not defaulted in repayment of loans or borrowings to financial institutions, banks or Government or dues to debenture holders.

(ix) According to the information and explanations given to us, the Company has not raised monies by way of initial public offer or further public offer (including debt instruments). Accordingly, the Paragraph 3 (ix) of the Order is not applicable to the Company.

(x) During the course of our examination of the books and records of the Company, carried out in accordance with generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any fraud by the Company or any fraud on the Company by its officers or employees noticed or reported during the year.

(xi) According to the information and explanations given to us, the Company does not have any Employee/Director qualifying to be paid and provided as managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

(xii) According to the information and explanations given to us, the Company is not a Nidhi company. Accordingly, the Paragraph 3 (xii) of the Order is not applicable to the Company.

(xiii) According to the information and explanations given to us, all the transactions with the related parties are in compliance with Sections 177 and 188 of the Act and the relevant details have been disclosed in the Financial Statements etc., as required by the applicable accounting standards.

(xiv) According to the information and explanations given to us, the Company had not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, the Paragraph 3 (xiv) of the Order is not applicable to the Company.

(xv) According to the information and explanations given to us, the Company had not entered into any non-cash transactions with directors or persons connected with him during the year. Accordingly, compliance with the provisions of Section 192 of the Act is not applicable to the Company.

(xvi) According to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.

ANNEXURE – B TO THE AUDITORS' REPORT

We have audited the internal financial controls over financial reporting of Nabha Power Limited (the 'Company') as of 31st March, 2017 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (the 'Act').

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable, to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that: (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Refer note (49(IX))			

BRIEF DESCRIPTION OF THE COMPANY:

Nabha Power Limited (NPL) has set up a 2 X 700 MW Coal based Super critical Thermal Power Plant at Rajpura, Punjab. NPL has signed a Power Purchase Agreement with Punjab State Power Corporation Limited (formerly, Punjab State Electricity Board) for sale of 100% power generated from the plant for a period of twenty five years. NPL has also entered into a long term Fuel Supply Agreement (FSA) with South Eastern Coalfields Limited (SECL), a subsidiary of Coal India Limited for supply of fuel (coal) to the plant for a period of twenty years.

48) SIGNIFICANT ACCOUNTING POLICIES:

I) Statement of Compliance

The Company's financial statements have been prepared in accordance with the provisions of the Companies Act, 2013 and the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 issued by Ministry of Corporate Affairs in respect of sections 133 read with section 469 of the Companies Act, 2013 and sub–section (1) of Section 210A of the Companies Act, 1956.

Up to the year ended March 31, 2016, the Company prepared its financial statements in accordance with the requirements of I–GAAP, which includes Standards notified under the Companies (Accounting Standards) Rules, 2006.

Financial Statements for the financial year 2016–17 are first Ind AS financial Statements. The date of transition to Ind AS is April 1, 2015.

NOTES FORMING PART OF ACCOUNTS (Contd.)

II) Basis of accounting

The Company maintains its accounts on accrual basis following the historical cost convention. The carrying value of all the items of property, plant and equipment as on date of transition is considered as the deemed cost and certain financial instruments that are measured at fair values in accordance with Ind AS.

Further, the guidance notes/ announcements issued by the Institute of Chartered Accountants of India (ICAI) are also considered, wherever applicable except to the extent where compliance with other statutory promulgations override the same requiring a different treatment.

III) Presentation of Financial Statements

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 ("the Act"). The Cash Flow Statement has been prepared and presented as per the requirements of Accounting Standard (Ind AS) 3 "Statement of Cash Flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of accounts along with the other notes required to be disclosed under the notified Accounting Standards and SEBI (Listing Obligations and Disclosure Requirements) Regulations.

IV) Leases

The determination of whether an agreement is, or contains, a lease is based on the substance of the agreement at the date of inception.

i. Assets given under leases where the Company has transferred substantially all the risks and rewards of ownership to lessee, are classified as finance leases. Where under a contract, the Company has agreed to manufacture/construct an asset and convey, in substance, a right to the beneficiary to use the asset over a major part of its economic life, for a pre–determined consideration, such arrangement is also accounted as finance lease.

ii. Assets given under a finance lease are recognized as a receivable at an amount equal to the net investment in the lease. Lease income is recognized over the period of the lease so as to yield an implicit rate of return on the net investment in the lease.

V) Revenue Recognition

a. Wherever the asset is constructed by the company and given on finance lease, the fair value of the asset, representing the net investment in the lease, is recognised as contract revenue in accordance with the company's revenue recognition policy for construction contracts when the asset is under construction, which is as follows:

Contract revenue is recognized only to the extent of cost incurred till such time the outcome of the job cannot be ascertained reliably. When the outcome of the contract is ascertained reliably, contract revenue is recognized at cost of work performed on the contract plus proportionate margin, using the percentage of completion method. Percentage of completion is the proportion of cost of work performed to–date to the total estimated contract costs. Expected loss, if any, on the construction/project related activity is recognized as an expense in the period in which it is foreseen, irrespective of the stage of completion of the contract. While determining the amount of foreseeable loss, all elements of costs and related incidental income not included in contract revenue is taken into consideration.

b. For finance lease, the revenue recognition is as under:

The amounts received under the long term Power Purchase Agreement (PPA) are classified under two heads in the following manner:

Capacity Charges

The payments received in the form of non–escalable capacity charges are treated as lease rentals and split into two components as under:

- Repayment of principal i.e. capital recovery towards net investment in the lease is adjusted against Finance lease receivable; and
- Finance income over the period of the lease so as to yield an implicit rate of return on the net investment in the lease. This is being recognised in the statement of profit and Loss on accrual basis as 'Finance Lease Income'

Energy Charges

Energy Charges received under the provisions of the PPA, which are towards recovery of fuel and related costs, are recognised in the statement of Profit and Loss on accrual basis as 'Fees for Operation and Maintenance of Power Plant'

VI) Property, Plant and Equipment (Fixed Assets)

Gross carrying amount of an asset is its cost or other amount substituted for the cost in the books of accounts, without making any deduction for accumulated depreciation and accumulated impairment losses.

Cost is the amount of cash or cash equivalents paid or the fair value of the other considerations given to acquire an asset at the time of its acquisition or construction or, where applicable, the amount attributed to that asset at the time of its acquisition or construction or, where applicable, the amount attributed to that asset when initially recognized in accordance with the specific requirements of other Accounting Standards.

Carrying amount is the amount at which an asset is recognized after deducting any accumulated depreciation and accumulated depreciation losses.

The cost of an item of property, plant and equipment is recognized as an asset if, and only if:

(a) it is probable that future economic benefits associated with the item will flow to the Company; and

NOTES FORMING PART OF ACCOUNTS (Contd.)

(b) the cost of the item can be measured reliably.

Tangible assets not ready for the intended use on the date of the Balance Sheet are disclosed as "capital work–in–progress".

For transition to Ind AS, the carrying value of Property, Plant and Equipment under I–GAAP as on April 1, 2015 is regarded as its deemed cost. The carrying value was original cost less accumulated depreciation and cumulative impairment.

Depreciation

Depreciation on assets has been provided on straight line method on the basis of useful life as prescribed in Schedule II to the Companies Act, 2013.

Depreciation is the systematic allocation of the depreciable amount of an asset over its useful life.

Useful life is:

(a) the period over which an asset is expected to be available for use by an enterprise; or

(b) the number of production or similar units expected to be obtained from the asset by an enterprise.

The estimated useful lives of the assets are as follow:

Asset Category	Useful Life (Years)
Buildings	30
General Plant and Machinery	21
Office Equipment	15
Electrical Installations	10
Furniture and Fixtures	10
Motor Vehicles	8
Laptops, Desktops	3
Specialised software / Licences	3

Depreciation for, additions/deductions is calculated pro rata from/to the month of additions/deductions.

VII) Impairment

The carrying amount of assets is reviewed at each Balance Sheet date. Where there is any indication of impairment based on internal/external indicators, an impairment loss is recognized in the Statement of Profit and Loss where the carrying amount exceeds the recoverable amount. The impairment loss is reversed if there is change in the recoverable amount and such loss either no longer exists or has decreased.

VIII) Inventories

Inventories of Raw materials, consumables, supplies, fuel, stores and spares and loose tools are valued at lower of cost (on weighted average basis) or net realizable value whichever is lower.

IX) Provisions, contingent liabilities and contingent assets

Provisions are recognized for liabilities that can be measured only by using a substantial degree of estimation, if

1) The Company has a present obligation as a result of a past event.

2) A probable outflow of resources is expected to settle the obligation and

3) The amount of the obligation can be reliably estimated.

Reimbursement expected in respect of expenditure required to settle a provision is recognized only when it is virtually certain that the reimbursement will be received.

Contingent Liability is disclosed in the case of

a) a present obligation arising from a past event, when it is not probable that an outflow of resources will be required to settle the obligation.

b) a present obligation when no reliable estimate is possible; and

c) a possible obligation arising from past events where the probability of outflow of resources is not remote.

Contingent Assets are neither recognized nor disclosed.

Provisions, Contingent Liabilities and Contingent Assets are reviewed at each Balance Sheet date.

NOTES FORMING PART OF ACCOUNTS (Contd.)

X) Borrowing cost

Borrowing costs that are attributable to the acquisition, construction or production of a qualifying asset are capitalized as part of such asset till such time as the asset is ready for the intended use. In addition to Interest charges, borrowing costs also include amortized ancillary costs incurred in connection with the arrangement of borrowings, exchange differences arising from foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs. A qualifying asset is an asset that necessarily requires substantial period of time to get ready for its intended use.

XI) Financial Instruments

inancial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. All financial assets are initially measured at fair value. Further, in case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial assets are also included in the initial measurement.

Financial assets are subsequently measured either at amortised cost or fair value.

Financial liabilities, including derivatives and embedded derivatives, which are designated for measurement at Fair Value Through Profit or Loss (FVTPL) are subsequently measured at fair value. Financial guarantee contracts are subsequently measured at the higher of the amount of loss allowance determined as per impairment requirements of the underlying asset subject to the guarantee and the amount recognised less cumulative amortisation. All other financial liabilities including loans and borrowings are measured at amortised cost using Effective Interest Rate (EIR) method applied retrospectively in accordance with Accounting Standards

In respect of transactions occurring on or after the date of transition, a financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

The Company designates certain hedging instruments, which include derivatives, embedded derivatives and non–derivatives in respect of foreign currency risk, as either fair value hedges or cash flow hedges.

(i) Fair value hedges: Changes in fair value of the designated portion of derivatives that qualify as fair value hedges are recognised in profit or loss immediately, together with any changes in the fair value of the hedged asset or liability that are attributable to the hedged risk.

Hedge accounting in respect of fair value hedges is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or when it no longer qualifies for hedge accounting. The fair value adjustment to the carrying amount of the hedged item arising from the hedged risk is amortised to profit or loss from that date.

(ii) Cash flow hedges: The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges is recognised in other comprehensive income and accumulated in equity under the heading of hedging reserve. The gain or loss relating to the ineffective portion, if any, is recognised immediately in profit or loss.

Amounts previously recognised in other comprehensive income and accumulated in equity relating to the effective portion as described above, are reclassified to profit or loss in the periods when the hedged item affects profit or loss, in the same line as the recognised hedged item.

Hedge accounting in respect of cash flow hedges is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or when it no longer qualifies for hedge accounting. Any gain or loss recognised in other comprehensive income and accumulated in equity at that time remains in equity and is recognised when the forecast transaction is ultimately recognised in profit or loss. When a forecast transaction is no longer expected to occur, the gain or loss accumulated in equity is recognised immediately in profit or loss.

XII) Foreign Currency Transactions, foreign operations, forward contracts and derivatives

a. The reporting currency of the Company is Indian rupee

b. Foreign currency transactions are recorded on initial recognition in the reporting currency, using the exchange rate at the date of the transaction. At each balance sheet date, foreign currency monetary items are reported using the closing rate.

c. Exchange differences that arise on settlement of monetary items or on reporting of monetary items at each balance sheet date at the closing rate are recognized as

d. Non–monetary items, carried at historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction.

e. Forward contracts, other than those entered into to hedge foreign currency risk on unexecuted firm commitments or highly probable forecast transactions, are treated as foreign currency transactions and accounted accordingly as per Ind AS 21 “The effects of changes in foreign exchange rates”.

f. Gains and losses arising on account of roll over/ cancellation of forward contracts are recognised as income/expense of the period in which such roll over/cancellation takes place.

g. All other forward contracts entered into to hedge foreign currency risks on unexecuted firm commitments and highly probable forecast transactions, are recognised in the financial statement at fair value as on the Balance sheet date as per Ind AS 109 “Financial Instruments”

h. The premium paid/received on a foreign currency forward contract is accounted as expense/income over the life of the contract.

NOTES FORMING PART OF ACCOUNTS (Contd.)

XIII) Cash Flow Statement

Cash Flow statement is prepared segregating the cash flows from operating, investing and financing activities. Cash flow from operating activities is reported using indirect method. Under Indirect method, the profit is adjusted for effects of:

a) Transactions of non–cash nature

b) Any deferrals or accruals of past or future operating cash receipts of payments

c) Items of income or expense associated with investing or financing cash flows

Cash and cash equivalents (including bank balances) are reflected as such in the cash flow statement. Those cash and cash equivalents which are not available for general use as on the date of Balance sheet are included under this category with specific disclosure.

49) OTHER NOTES FORMING PART OF ACCOUNTS

I. The Balance Sheet as at 31st March 2017 and the Statement of Profit and Loss for the year ended 31st March 2017 are drawn and presented as per the Schedule III to the Companies Act, 2013.

XVI) FINANCIAL RISK MANAGEMENT

A. Credit Risk

i. Expected Credit Loss (ECL)

a. The Company is selling power to a single customer i.e. Punjab State Power Corporation Limited (PSPCL).The Company has created Expected Loss provision in the current year towards delay in receipt of disputed receivables. The disputed receivables as on 31 March 2017 is ₹ 1017,75,14,312

b. Under this approach, recognition of impairment loss for trade receivables or any contractual right to receive cash or another financial asset that result from transactions within the scope of proposed Ind AS 11 and Ind AS 18, is based on lifetime ECL at each reporting date.

c. The lifetime ECL means the entire amount of loss expected on the financial asset during its lifetime as on the date of balance sheet.

d. The level of provisioning has been carried in books against the age-wise profile of the debtors after they have become past due.

e. The expected delays in payment is based on age-wise profile of the debtors and quantum of provision is as under:

Aging	0-6 months	6-12 months	12-24 months	24-36 months	Beyond 36 months
Gross Carrying amount (Rupees)	78,60,99,457	203,07,57,963	367,50,77,458	364,81,89,786	373,89,648
Expected loss rate	0%	6.9%	13.2%	21.1%	28.3%
Expected Credit losses (rounded off to Rupees Crores)	–	14,00,00,000	49,00,00,000	77,00,00,000	1,00,00,000

NOTES FORMING PART OF THE FINANCIAL STATEMENTS (Contd.)

B. Liquidity Risk

The liquidity risk management is covered by a Treasury policy of the Company. The policy is put in place to ensure that the short term and long term fund requirements of the company are met on a timely and cost-effective basis. Further, it also covers investment of any interim fund surpluses with an objective to optimize returns. The liquidity management policy covers:

a. Obtaining accurate cash flow forecasts from divisions and central service departments like taxation etc.

b. Frequent review of expiring debt

c. Decision on proportion of foreign currency debt

d. Ensure availability of a range of short-term funding alternatives including overdraft, commercial paper, debentures and other forms of trade credit including in foreign currency by rolling over those debts and active management of the same.

e. Stand-by facilities maintained with banks

f. Tracking financial markets and networking

g. Raising of Capital in advance of projected requirement

h. Optimal investment of cash surpluses pending utilization.

Maturity Profile

Contractual maturities of financial liabilities 31 March 2017	**Up to 12 month (₹)**	**More than 12 month (₹)**	**Total (₹)**
	1	**2**	**3=1+2**
1. Non Derivative Liabilities			
Borrowings	4059,23,93,426	3615,48,80,172	7674,72,73,598
Trade payables	113,51,12,144	–	113,51,12,144
Other financial liabilities	186,35,95,435	3,01,03,654	189,36,99,089
Total Non-derivative Liabilities			
2. Derivative Liabilities			
Forward Contract Payable	146,801,386	11,45,09,913	26,13,11,299
Total derivative liabilities			

The company has flexible structures for its debt requirement i.e Non Convertible Debentures, Commercial Papers, External commercials Borrowings, Inter Corporate Borrowings and Working Capital loans. The debt to equity ratio is tabulated under:

	31.03.2017	*31.03.2016*	*01.04.2015*
Net Debt (₹)	**7674,74,55,535**	*8062,20,32,644*	*7737,26,06,068*
Equity (₹)	**2898,74,92,747**	*2924,16,96,419*	*2717,77,89,081*
Net debt to equity ratio (%)	**265%**	*276%*	*285%*

Loan covenants

a. The company is required to maintain three months interest on External Commercial Borrowing as Debt service reserve account, to comply with the same the company has deposited three months interest as fixe deposit with ICICI Bank.

b. Loans from Bank are secured by way of first charge having pari passu rights on the immovable property and movable property of the company both present and future.

c. Non Convertible Debentures are listed on National Stock Exchange and are complying with SEBI (Listing obligations and disclosure requirements) Regulations.

C. Market Risk

The principle market risk is currency risk. The currency risk is covered by a Treasury Policy of the Company. The objective of foreign risk management policy is to protect the Company's profitability from material adverse movements and undesired volatility due to exchange rate changes by undertaking controlled management of the currency structure of borrowings and imports, and through appropriate hedging strategies.

a. The Company is mainly exposed to exchange rate fluctuations in Japanese Yen (JPY) and US Dollar (USD) against INR.

b. The Company manages foreign exchange risks arising at various junctures through separate approaches comprising the Hedge book, as follows:

   i. Foreign currency payable risks: The Company seeks to hedge at appropriate hedge ratio for each currency risk after taking into account natural hedges.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS (Contd.)

ii. Foreign currency loans: The Company seeks to hedge at appropriate hedge ratio for foreign currency risks arising out of loans (Short term and long term)

c. Borrowing & Investment decisions in foreign currency are influenced by the composition of existing portfolio, costs of borrowing and availability of funds

BOARD REPORT

Dear Members,

The Directors hereby are pleased to present the Tenth Annual Report and Audited Accounts of L&T Modular Fabrication Yard LLC for the year ended 31st December 2016.

The Directors are also pleased to report that the Company has made a Net Profit of RO 0.38 Mn. during the year 2016.

1. FINANCIAL RESULTS:

Particulars	**2016**	*2015*
	Amount (RO Mn)	*Amount (RO Mn)*
Contract Revenue	**26.16**	*20.53*
Total Cost	**(25.79)**	*(23.28)*
Other operating income	**0.41**	*0.91*
Operating Profit / (Loss)	**0.78**	*(1.84)*
Less: Finance Costs	**0.40**	*0.38*
Profit / (Loss) before Tax	**0.38**	*(2.22)*
Less : Tax	**–**	*–*
Net Profit / (Loss) after Tax	**0.38**	*(2.22)*

2. CAPITAL & FINANCE:

There is no movement of long term loan during the year 2016.

3. CAPITAL EXPENDITURE:

As at 31st December 2016 the gross fixed and intangible assets, stood at RO 20.47 Mn. and the net fixed and intangible assets, at RO 7.01 Mn. Capital Expenditure during the year amounted to RO 0.11 Mn.

4. SUBSIDIARY/ASSOCIATE/JOINT VENTURE COMPANIES:

The Company does not have any subsidiary, associate or joint venture companies.

5. PARTICULARS OF LOANS GIVEN, INVESTMENTS MADE, GUARANTEES GIVEN OR SECURITY PROVIDED BY THE COMPANY:

The Company has disclosed the particulars of security given for bank borrowings in Note No. 10 of the financial statements.

6. STATE OF COMPANY AFFAIRS:

The gross sales and other income for the financial year under review were RO 26.57 Mn. as against RO 21.43 Mn for the previous financial year registering a growth of 24%. Net profit before tax from continuing operations including extraordinary and exceptional items was RO 0.38 Mn. as against loss of RO 2.22 Mn. for the previous financial year, registering growth of 117%.

Highlights of the new orders booked during financial year 2016 include the following.

Sl. No	Client	Job	Value Amount (RO Mn)
1.	L&T Hydrocarbon Engineering Ltd. / Saudi Aramco	Hasbah II – Fabrication of Jackets & Topsides	**62.03**
2.	L&T Hydrocarbon Engineering Ltd.	API Tubular – Fabrication of Welded Tubulars	**0.43**

During the year, L&T MFY mainly executed Direct Orders from Petrofac/ Zadco, Petrofac/ PDO and RIL. All these projects have been completed successfully. L&T MFY has received appreciation from all Customers with regard to HSE, Quality and timely Delivery.

L&T MFY obtained qualification from Saudi Aramco for Fabrication of Off-shore structures. LTHE received a prestigious EPCI order for Hasbah-II project, fabrication of which shall be done at L&T MFY Sohar. Preparatory activities for execution of this mega project have started during the year.

Company has taken specific steps to reduce fixed cost and improve upon productivity which has resulted in improved performance even in underload situation encountered during the year.

FUTURE OUTLOOK:

In view of low oil prices and depressing global oil & gas business scenario, the Company's future business outlook mainly depends upon successful bidding for new Saudi Aramco projects and the company's endeavour towards securing direct fabrication jobs from other EPC contractors, such as a project in Kuwait.

All efforts will be made to reduce the fixed cost during the year 2017.

We expect growth in sales, order inflow and operating profit in the years ahead.

7. AMOUNT TO BE CARRIED TO RESERVE:

During the year OMR 0.04 Mn. was transferred to legal reserve from profit earned during the year as per "The Commercial Companies Law of Oman".

8. DIVIDEND:

In view of the accumulated losses, Directors do not propose any dividend for the financial year 2016.

9. DETAILS OF DIRECTORS AND KEY MANAGERIAL PERSONNEL:

The current Directors of the Company are:

Mr. D. R. Saxena

Mr. Satish N. Palekar

Mr. C.S. Kole

Mr. R. Venkatesh

Mr. Robert Ambrose

Mr. T.N. Ranjan

Key Managerial Personnel:

Mr. Atul Paranjape - Chief Executive

Mr. D. Gopikrishna – Head Finance & Accounts

Change in Key Managerial Personnel during the year under review

Appointment of Mr. D. Gopikrishna as Head Finance & Accounts in place of Mr. R. Balasubramaniyan with effect from 22nd November 2016.

10. NUMBER OF MEETINGS OF THE BOARD OF DIRECTORS :

The Meetings of the Board are held at regular intervals. During the year under review seven (7) meetings were held.

The Agenda of the Meeting is circulated to the Directors in advance. Minutes of the Meetings of the Board of Directors are circulated amongst the Members of the Board for their perusal.

11. AUDITORS

M/s PKF LLC., Chartered Accountants are the auditors of the Company. They will continue to be auditors of the Company for the ensuing financial year.

The Auditors' Report to the shareholders does not contain any qualifications.

12. DIRECTORS RESPONSIBILITY STATEMENT:

The Board of Directors of the Company confirms:

a) In the preparation of Annual Accounts, the applicable accounting standards have been followed along with proper explanation relating to material departures;

b) The Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit or loss of the Company for that period;

c) The Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

d) The Directors have prepared the Annual Accounts on a going concern basis;

e) The Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and were operating effectively.

13. ACKNOWLEDGEMENT

Your Directors acknowledge the invaluable support extended by the Government authorities in Sultanate of Oman and take this opportunity to thank them as well as the Customers, Supply Chain Partners, Employees, Financial Institutions, Banks and all the various Stakeholders for their continued co-operation and support to the Company.

Your Directors also wish to record their appreciation for the continued co-operation and support received from the Joint Venture partner, M/s. The Zubair Corporation, Sultanate of Oman.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF L&T MODULAR FABRICATION YARD LLC

Opinion

We have audited the financial statements of **L&T MODULAR FABRICATION YARD LLC** (the Company), which comprise the statement of financial position as at 31st December 2016, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as at 31st December 2016, and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs).

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Sultanate of Oman, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material Uncertainty Related to Going Concern

We draw attention to note number 2.3 in the financial statements, which indicates that the company has incurred significant accumulated losses of RO.9,711,950 and has a deficit of RO.5,791,019 in equity funds and net deficit of RO.509,873 in members' funds as at 31st December 2016. However, members have agreed to continue with the operations of the company and have agreed to provide continuing financial support to enable the company to discharge its liabilities as and when they fall due. Accordingly, these financial statements have been prepared on a going concern basis. Our opinion is not modified in respect of this matter.

Emphasis of Matter

We draw attention to note number 20 in the financial statements regarding claim against the company of RO.8,386,356 not acknowledged as debt, as company's management has disputed the clients claim. Matter is presently under arbitration.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IFRSs, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related

disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2016

1. LEGAL STATUS AND BUSINESS ACTIVITY

a) L & T MODULAR FABRICATION YARD LLC is a Limited Liability Company, registered under the Commercial Laws of the Sultanate of Oman.

b) The parent company is Larsen & Toubro International FZE, United Arab Emirates, and the ultimate parent company is Larsen & Toubro Limited - India, a Public Company incorporated in India.

c) The company is engaged in execution of modular fabrication contracts.

2. BASIS OF PREPARATION

2.1 STATEMENT OF COMPLIANCE

The financial statements are prepared in accordance with International Financial Reporting Standards, including International Accounting Standards and Interpretations, issued or adopted by the International Accounting Standards Board, and which are effective for the current accounting period, and the applicable requirements of the Oman Commercial Companies Law.

2.2 BASIS OF MEASUREMENT

The financial statements are prepared under the historical cost convention except for loan from members which are initially recognised at their fair value and thereafter at the amortised cost. Historical cost is based on the fair value of the consideration given to acquire the asset or cash or cash equivalents expected to be paid to satisfy the liability. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

2.3 GOING CONCERN CONCEPT

The financial statements are prepared on a going concern basis.

When preparing financial statements, management shall make an assessment of an entity's ability to continue as a going concern. Financial statements shall be prepared on a going concern basis unless management either intends to liquidate the entity or to cease trading, or has no realistic alternative but to do so.

As per the statement of financial position, the company has incurred significant accumulated losses of RO.9,711,950, net deficit in equity funds of RO.5,791,019 and net deficit of RO.509,873 in members' funds as at 31st December 2016. The company is dependent upon the continued financial support of members/related parties and bankers. The financial statements have been prepared on a going concern basis as:

i) The company will continue to receive financial support from its bankers;

ii) The company will continue to receive financial support from members and the related parties in order that it can meet its liabilities as they fall due; and

iii) The members have agreed to continue with the operations of the company, and the company would be able to generate sufficient profits in future to make it an economically viable unit.

2.4 FUNCTIONAL AND PRESENTATION CURRENCY

The financial statements are prepared in Rials Omani, which is the functional and presentation currency.

2.5 SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies adopted, that have been consistently applied, are as follows:

a) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and impairment. Depreciation is calculated on straight line basis to write off the cost of property, plant and equipment less their estimated residual value, where material, in equal annual instalments over their estimated useful lives. Depreciation has been calculated from the date of acquisition at the following rates:

Leasehold land improvements	Over the lease period upto 22 July 2027
Roadways	Over 10 years
Camps and caravans	Over 6 2/3 years
Factory buildings	Over 12.5 years
Office buildings	Over 25 years
Plant and machinery	Over 6 2/3 to 15 years
Furniture and fixtures	Over 3 years
Equipment	Over 6 2/3 years
Vehicles	Over 3 years
Software	Over 3 years
Assets value below OMR 50	Over 1 year

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2016 (Contd.)

An assessment of depreciation method, useful lives and residual values are undertaken at each reporting date and, where material, if there is a change in estimate, an appropriate adjustment is made to the depreciation charge.

Capital work in progress is not depreciated until it is capitalised and transferred to one of the asset categories when the asset is ready for use.

b) Impairment

The carrying amounts of the financial and non-financial assets are reviewed at each year end date to determine whether there is any indication of impairment. If any such indication exists, their recoverable amount is estimated. Recoverable amount is the higher of fair value less cost to sell and value in use. An impairment loss is recognised in the statement of comprehensive income whenever the carrying amount of the asset exceeds its recoverable amount.

c) Inventories

Inventories are stated at lower of cost and net realisable value after making due allowance for obsolete and slow moving items. Cost is determined on weighted average cost basis and comprises of invoice value. Net realisable value is based on estimated selling price less any estimated cost of completion and disposal.

d) Trade and other receivables

Bad debts are written off or fully provided for as they arise and provision is made for all doubtful debts.

e) Amounts due from/to customers for contract work

Amounts due from/to customers for contract work represent costs incurred on contracts plus recognised profits less recognised losses and progress billings. Contract costs comprise of costs of materials, labour, sub-contract and attributable overheads.

f) Cash and cash equivalents

Cash and cash equivalents comprise cash and bank current accounts, smart card accounts and call deposit.

g) Trade and other payables

Liabilities are recognized for amounts to be paid for goods or services received, whether billed by the suppliers or not, to the extent of goods or services certified by the company.

h) Provision

A provision is recognized when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the reporting date taking into account the risks and uncertainties surrounding the obligation. Where a provision is measured using the cash flow estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of receivable can be measured reliably.

i) Taxation

The Company has obtained in Sultanate of Oman income tax exemption for a period of 5 years with effect from 1st September 2007 (date of production) till 31st August 2012, renewable for another period of 5 years on fulfillment of specific criterias. During the year 2012 company had applied to the Income tax Department for extension of the income tax exemption for a further period of 5 years commencing from 1st September 2012. The approval with tax authorities is still pending. The losses incurred during the tax exemption period can be carried forward indefinitely till they are fully adjusted against subsequent years taxable income. As per the Income Tax Law in Oman, losses incurred after the exemption period shall be carried forward for five years after the expiry of the tax year in which it was incurred and shall be deducted in computation of taxable income of those years. Taxation for the current year has not been provided in the financial statements on account of the carried forward losses. Additional tax liability that may arise in future on completion of pending tax assessments from 1st September 2012 to 2016 is not expected to be material to the company's financial position, and would be paid for and accounted in the financial statements of the year in which the tax assessments are completed. Company's income tax assessments are completed till 2011. The net accumulated tax loss of RO.12,949,595 for the tax years 2013 to 2015 after adjusting taxable income of 2016, is available for set off against future taxable income in Oman. Deferred tax asset on unused tax losses are not recognised on account of uncertainty regarding availability of future taxable income against which the unused tax losses can be utilised.

j) Employees benefit costs

The company contributes to the Social Security Scheme under Royal Decree 72/91 (Defined contribution retirement plan and occupational hazard insurance for Omani employees in accordance with Omani Social Insurance Law 1991) for Omani employees, administered by the Government of Sultanate of Oman.

Accruals for employees benefits comprising of leave salary, air passage and end of service gratuity for non-Omani employees is in accordance with company's rules and is based on the liability which would arise if the employment of all staff were terminated at the year

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2016 (Contd.)

end. The total expense recognised in the statement of comprehensive income for staff end of service benefits amounts to RO.517,657 *(previous year RO.555,308).*

k) Legal reserve

Legal reserve is created by appropriating 10% of the net profit for the year as required by Article 154 of the Commercial Companies Law of Oman 1974. The company may resolve to discontinue such annual transfers when the reserve totals 33.33% of the paid up share capital. The reserve is not available for distribution.

l) Revenue

Revenue is recognised to the extent that it is probable that economic benefits will flow to the company and revenue can be measured reliably. Revenue is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, returns and other similar allowances.

- **Revenue recognition on contracts**

  Contract billings are recorded on the basis of progress bills prepared by the company and are considered as revenue to the extent that they are probable of being certified and recovered. Contract revenues are recognised on percentage of completion method. When the outcome of a contract can be estimated reliably, contract revenue and contract costs associated with the contract are recognised as revenue and expenses respectively by reference to the stage of completion of the contract activity at year end. When the outcome of the contract cannot be estimated reliably, contract revenue is recognised only to the extent of contract cost incurred that are likely to be recoverable.

  The stage of completion is determined on the basis of progress on each contract measured by reference to proportion that contract costs incurred for work performed to date bear to the estimated total contract costs. Conservative proportion of the profit estimated by directors to be earned on completion of the contracts is considered by reference to the work completed at the year end. Losses, if any, on jobs not completed are provided for when identified.

- **Rental income**

  Rental income from hire of equipment is recognized in the statement of comprehensive income as per terms of the lease agreement, and represents net amounts invoiced for services rendered during the year.

- **Interest income**

  Interest income is recognised on a time proportion basis.

m) Finance costs

Finance costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised as part of the cost of that asset. Other finance costs are recognized as an expense in the year in which they are incurred.

n) Foreign currencies

Transactions in foreign currencies are translated into Rials Omani and recorded at the rates of exchange ruling at the date of the transactions. Monetary assets and liabilities denominated in foreign currencies are translated into Rials Omani at the rates of exchange ruling at the year end. The resultant exchange gains and losses are recognised in the statement of comprehensive income.

o) Operating lease rentals

Leases under which substantially all the risks and rewards of ownership of the related asset remain with the lessor are classified as operating leases. Operating lease rentals are recognised as an expense on a straight line basis over the lease term.

p) Financial instruments

- Financial instruments of the company comprise contract and other receivables, cash and cash equivalents, trade and other payables, loans/amounts due from/to related parties and members, amounts due from/to customers for contract work, and bank loans.
- Financial assets and financial liabilities are recognized when, and only when, the company becomes a party to the contractual provisions of the instrument. Financial assets are de-recognised when, and only when, contractual rights to receive cash flows expire or when substantially all the risks and rewards of ownership have been transferred. Financial liabilities are de-recognised when, and only when, they are extinguished, cancelled or expired.
- Financial assets that have fixed or determinable payments and for which there is no active market, are stated at cost or, if the impact is material, at amortised cost using the effective interest method, less any write down for impairment losses plus reversals of impairment losses. Impairment losses and reversals thereof are recognized in the statement of comprehensive income.
- Financial liabilities, are measured at cost or, if the impact is material, at amortised cost using the effective interest method.

q) Loan from members

Concessional interest/Interest free long term loans from members are recognized initially at their fair value, being the present value of the expected future cash flows, discounted using a market related rate for a loan with similar terms and conditions. The excess of the loans actually received over the said fair value of the loans is considered as “Reserve for Members’ Loan” under “Members’ Equity Funds”.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2016 (Contd.)

After initial recognition, the loans from members are measured at amortised cost, using the effective interest method. The unwinding of the discount, representing the difference in fair values of the loans from members at each reporting date, is recognized as an interest expense in the Statement of Comprehensive Income.

r) Equity

Share capital is recorded at the value of proceeds received/receivable towards interest in share capital of the company.

s) Offsetting

Financial assets and liabilities are offset and the net amount reported in the statement of financial position when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis, or realise the asset and settle the liability simultaneously.

2.6 SIGNIFICANT JUDGMENTS AND KEY ASSUMPTIONS

i) The significant judgments made in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements are as follows:

Impairment

At each year end, management conducts an assessment of property, plant, equipment, and all financial assets to determine whether there are any indications that they may be impaired. In the absence of such indications, no further action is taken. If such indications do exist, an analysis of each asset is undertaken to determine its net recoverable amount and, if this is below its carrying amount, the assets are written down to their recoverable amount.

ii) Key assumptions made concerning the future and other key sources of estimation uncertainty at the year end, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are as follows. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the periods in which the estimate is revised and in any future periods affected:

Carrying values of property, plant and equipment

The useful lives and residual values of fixed assets are estimated based on intended use of assets and their economic lives. Residual values are assumed to be zero unless a reliable estimate of the current value can be obtained for similar assets of ages and conditions that are reasonably expected to exist at the end of the assets' estimated useful lives.

Site restoration costs

Management estimates that no potential liability needs to be recognized in the financial statements towards cost of site restoration.

Inventory provisions

Management regularly undertakes a review of the company's inventory, in order to assess their likely realization proceeds, technological changes, age, likely obsolescence, the rate at which the materials are being consumed and the physical damage. Based on the assessment, assumptions are made as to the level of provisioning required.

Doubtful debts

Management regularly undertakes a review of the amounts of receivables owed to the company either from customers or from related parties, and assesses the likelihood of non-recovery. Such assessment is based upon the age of the debts, historic recovery rates, extent of confirmations, and assessed credit worthiness of the debtor. Based on the assessment, assumptions are made as to the level of provisioning required.

Impairment

Assessments of net recoverable amounts of property, plant, equipment and all financial assets other than receivables (see above) are based on assumptions regarding future cash flows expected to be received from the related assets.

Staff end-of-service gratuity

The company computes the liability to staff end-of-service gratuity assuming that all employees were to leave as of the year end. The management is of the opinion that no significant difference would have arisen had the liability been calculated on an actuarial basis as salary inflation and discount rates are likely to have approximately equal and opposite effects.

Contract work in progress

Contract revenues on contracts in progress at the year end are recognised on a percentage of completion basis, that requires the management to estimate the costs expected to be incurred in future to complete the contracts. Further, profits on contracts in progress are recognized only when the final outcome can be reliably estimated.

Contract matters

In the contracting industry, there are various contractual matters relating to possible penalties for delays in job completion, claims of suppliers/subcontractors, work disputes, recovery of uncertified contract/variation work dues, expected costs during job warranty and

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2016 (Contd.)

defect liability period etc., that are subject to various sources of uncertainties and future negotiations. The management regularly reviews, estimates and suitably accounts for the possible financial impact of such contractual matters based on their assessment, past experience and available information.

2.7 ADOPTION OF NEW INTERNATIONAL FINANCIAL REPORTING STANDARDS

i) There are no International Financial Reporting Standards, amendments thereto and Interpretations that became effective for the first time for the the current reporting period and which are applicable to the company and which could have a material impact on the financial statements.

ii) The following International Financial Reporting Standards, amendments thereto and Interpretations that are assessed by management as likely to have an impact on the financial statements have been issued by the IASB prior to the date the financial statements were authorised for issue but have not been applied in these financial statements as their effective dates of adoption are for future accounting periods:

- IFRS 15 Revenue From Contracts With Customers (1 January 2018)
- IFRS 9 Financial Instruments (1 January 2018)
- IFRS 16 Leases (1 January 2019)

18. FINANCIAL INSTRUMENTS

Management of risk

The management conducts and operates the business in a prudent manner, taking into account the significant risks to which the business is or could be exposed. The primary risks to which the business is exposed comprise credit, exchange rate, liquidity and interest rate risks.

Credit risk is managed by assessing the creditworthiness of potential customers and the potential for exposure to the market in which they operate, combined with regular monitoring and follow-up. As part of the company's credit risk management, where it is considered necessary, such receivables are covered by letters of credit or bank guarantees in favour of the company, issued by reputed financial institutions.

The company buys and sells goods and services in foreign currencies. Exposure is minimised where possible by denominating such transactions in US dollars to which the Rials Omani is pegged.

Management continuously monitors its cash flows to determine its cash requirements and makes comparison with its funded and un-funded facilities with banks in order to manage exposure to liquidity risk.

Borrowing facilities are regularly reviewed to ensure that the company obtains the best available pricing, terms and conditions on its borrowings.

Exposures to the aforementioned risks are detailed below:

Credit risk

Financial assets which potentially expose the company to credit risks and concentrations of credit risk comprise principally, bank accounts, contract and other receivables, amounts due from customers for contract works, and loan/amount due from related parties. The maximum credit risk exposure of financial assets recognised in the statement of financial position approximate to the carrying amount of the assets.

Due from customers of RO.686,866 is in process of being billed and certified by client/customer in due course.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2016 (Contd.)

At the year end, the company's maximum exposure to credit risk from trade and other receivables situated outside the Sultanate of Oman is as follows:

	2016 RO.	*2015 RO.*
Contract and other receivables(net) and amounts for contract work due	**1,536,024**	*3,518,659*

Interest rate risk

Bank short term and overdraft accounts are at commercial interest rates at levels, which are generally obtained in Sultanate of Oman, and are therefore exposed to cash flow interest rate risk. Amount due to a member is at 2% interest per annum and amount due to related party is at 4% interest per annum, and are therefore exposed to fair value interest rate risk. Most of the other financial assets and liabilities are non interest bearing. Reasonably possible changes in interest rate at the year end are unlikely to have a significant impact on profit or equity.

Exchange rate risk

There are no significant exchange rate risks as substantially all financial assets and financial liabilities are denominated in Rials Omani or UAE Dirhams/US Dollars to which the Rial Omani is fixed, except for the following amounts:

	TRADE PAYABLES	
CURRENCY	**2016 RO.**	*2015 RO.*
Euro	**139,410**	*309,712*
Indian Rupee	**633**	*233*

Reasonably possible changes to exchange rates at the year end are unlikely to have a significant impact on profit or equity.

FAIR VALUES

The fair value of a financial instrument is the amount for which an asset could be exchanged, or a liability settled, between knowledgeable, willing parties in an arm's length transaction. The fair values of the company's financial assets and financial liabilities approximate to their carrying values.

Classification

All financial assets are classified as loans and receivables. All financial liabilities are stated at amortised cost.

Liquidity risk

The company limits its liquidity risk by ensuring that adequate bank facilities are available to enable it to meet its obligations as they fall due for payment. The maturity analysis of the company's financial liabilities as at the year end is given below:

	Less than 3 months RO.	**3 to 12 months RO.**	**1 year to 5 years RO.**	**More than 5 years RO.**	**Total RO.**
As at 31st December 2016

19. OPERATING LEASE COMMITMENTS

The company has entered into long term operating leases for its business premises at Sohar Industrial Port (refer note 3-b) and staff accommodations. The total of the future lease payments is as follows:

	2016 RO.	*2015 RO.*
Not later than one year	**649,886**	*648,419*
Between one and five years	**1,984,536**	*1,879,995*
Later than five years	**2,616,586**	*3,081,389*
	5,251,008	*5,609,803*

	2016 RO.	*2015 RO.*
20. CONTINGENT LIABILITIES		
Claims against the company not acknowledged as debt *	**8,391,156**	*8,396,010*
Bankers letters of guarantee	**3,799,898**	*5,813,440*

Under the sub-usufruct agreement between the Company and Sohar Industrial Port Company SAOC, (SIPC), the SIPC at the time of expiry or termination of the sub-usufruct agreement would require the Company to restore the land to its original form at the company's sole costs. Since, the obligation of the Company is contingent and the liability can only be determined at the time of termination of the usufruct agreement, the company has not made any provision towards site restoration costs in the financial statements.

The ultimate parent company, Larsen & Toubro Ltd. India has given a guarantee on behalf of the company to a customer of the company for possible claims arising due to delay in execution of the contract. The guarantee amount is restricted to 20% of the contract price.

* Claims against the company not acknowledged as debt includes a customer's claim of RO.8,424,818 towards losses, damages, costs expenses and loss of profits against which provision of RO.38,462 Is available. The company's management has strongly disputed the customer's claim. The matter is under arbitration.

As is common in the contracting industry, there are certain ongoing pending matters under negotiations with the clients/consultants relating to possible penalties for delays in job completion, claim of suppliers/subcontractors not accepted by the company, work disputes, recovery of uncertified contract/variation work dues, etc., whose actual occurrence and financial impact cannot be ascertained at the present stage.

	2016 RO.	*2015 RO.*
21. CAPITAL COMMITMENTS		
Authorised and contracted for	**87,096**	–
22. PURCHASE COMMITMENTS		
Letters of credits	**231,261**	*427,244*

23. CAPITAL RISK MANAGEMENT

The company's objectives when managing capital are to ensure that the company continues as a going concern, maintains an optimal capital structure to reduce the cost of capital, and to provide the shareholders with a rate of return on their investment commensurate with the level of risk assumed. Capital comprises equity funds as presented in the statement of financial position. Debt comprises total amounts owing to third parties, net of cash and cash equivalents.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF L&T CUTTING TOOLS LIMITED

REPORT ON THE IND AS FINANCIAL STATEMENTS

We have audited the accompanying Ind AS financial statements of **L&T Cutting Tools Limited** ("the Company"), which comprise the balance sheet as at 31 March 2017, the statement of profit and loss (including other comprehensive income), the cash flow statement and the statement of changes in equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein after referred to as "Ind AS financial statements").

MANAGEMENT'S RESPONSIBILITY FOR THE IND AS FINANCIAL STATEMENTS

The Company's board of directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards prescribed under section 133 of the Act read with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

OPINION

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2017, its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the central government in terms of section 143(11) of the Act, we give in Annexure A a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143(3) of the Act, we report that:
   a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
   b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
   c) the balance sheet, the statement of profit and loss, the cash flow statement and statement of changes in equity dealt with by this report are in agreement with the books of account;
   d) In our opinion, the aforesaid Ind AS financial statements comply with the accounting standards prescribed under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014 and Companies (Indian Accounting Standards) Rules, 2015 (as amended);
   e) On the basis of the written representations received from the directors as on 31 March 2017 taken on record by the board of directors, none of the directors is disqualified as on 31st March, 2017 from being appointed as a director in terms of section 164(2) of the Act;

f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure B; and

g) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

   i. The Company has disclosed the impact of pending litigations on its financial position in its Ind AS financial statements. Refer note 24(ix) to the Ind AS financial statements;

   ii. The Company did not have any long term contracts including derivative contracts, for which there were any material foreseeable losses. Refer note 24 (xiv)to the Ind AS financial statements;

   iii. There were no amount which were required to be transferred to the Investor Education and Protection Fund by the Company. Refer note 24 (xv) to the Ind AS financial statements; and

   iv. The Company did not have any holdings or dealing in Specified Bank Notes during the period from 8 November 2016 to 30 December 2016. Refer note 24(xiii) to the Ind AS financial statements.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 under 'Report on other legal and regulatory requirements' section of our report of even date)

(i) (a) The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets;

(b) The Company has a regular programme of physical verification of its fixed assets by which fixed assets are verified in a phased manner over a period of three years. In accordance with this programme, certain fixed assets were verified during the year and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets; and

(c) The Company does not hold any immovable properties. Accordingly, paragraph 3(i) (c) of the Order is not applicable to the Company.

(ii) The physical verification of Inventories have been conducted at reasonable intervals by the management and no material discrepancies were noticed on such verification.

(iii) According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured, to companies, firms, limited liability partnerships or other parties covered in the register maintained under section 189 of the Act. Accordingly, paragraphs 3(iii) (a), (b) and (c) of the Order are not applicable to the Company.

(iv) In our opinion and according to the information and explanations given to us, there are loans, investments, guarantees, and securities granted in respect of which provisions of section 185 and 186 of the Companies Act 2013 has been complied with.

(v) In our opinion and according to information and explanation given to us, the Company has not accepted deposits as per the directives issued by the Reserve Bank of India under the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed there under. Accordingly, paragraph 3(v) of the Order is not applicable to the Company.

(vi) The Company is in the business of trading of industrial cutting tools and hence is not required to maintain the books of account and records specified by the Central Government for the maintenance of cost records under Section 148(1) of the Act. Accordingly, paragraph 3(vi) of the Order is not applicable to the Company.

(vii) (a) According to the information and explanations given to us and on the basis of our examination of records of the Company, amounts deducted/ accrued in the books of account in respect of undisputed statutory dues including provident fund, income tax, sales tax, value added tax, service tax, cess and other material statutory dues have been regularly deposited during the year by the Company with the appropriate authorities. As explained to us the Company did not have any dues on account of sales-tax, duty of customs, duty of excise, employees's state insurance and value added tax.

According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, income tax, sales tax, value added tax, service tax, cess and other material statutory dues were in arrears as at 31 March 2017 for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us and on the basis of our examination of records of the Company, the particulars of income tax, value added tax, sales tax, service tax, duty of excise and duty of custom which have not been deposited with the appropriate authorities on account of any dispute as at 31 March 2017 are as under:

(₹ in Lakhs)

Name of the Statute	Nature of the disputed dues	Amount *	Period to which the amount relates	Forum where disputes are pending
The Central Sales Tax Act, 1956, Local Sales Tax Acts	Non-submission of C form and input tax credit disallowance	1,458.31	2005-06, 2010-11	Joint Commissioner of Sales Tax (Appeals)

* Net of pre-deposit paid in getting the stay/ appeal admitted.

(viii) The Company does not have any loans or borrowings from any financial institution, banks, government or debenture holders during the year. Accordingly, paragraph 3(viii) of the Order is not applicable to the Company.

(ix) The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) and term loans during the year. Accordingly, paragraph 3(ix) of the Order is not applicable to the Company.

(x) According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the year.

(xi) According to the information and explanation given to us and based on our examination of the records of the Company, the Company has paid/ provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with schedule V of the Act.

(xii) In our opinion and according to the information and explanation given to us, the Company is not a nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable to the Company.

(xiii) According to the information and explanation given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.

(xiv) According to the information and explanation given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or partly convertible debentures during the year. Accordingly paragraph 3(xiv) of the Order is not applicable to the Company.

(xv) According to the information and explanation given to us and based on our examination of the records of the Company, the Company has not entered into non- cash transactions with directors or persons connected with him and hence provisions of section 192 of the Act are not applicable to the Company.

(xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2(f) of our report of even date)

REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ("THE ACT")

We have audited the internal financial controls over financial reporting of L&T Cutting Tools Limited ("the Company") as of 31 March 2017 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the guidance note on audit of internal financial controls over financial reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the guidance note on audit of internal financial controls over financial reporting and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the ICAI. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the guidance note on audit of internal financial controls over financial reporting issued by the ICAI.

NOTE 30 : FINANCE COST		
Interest Cost IND AS 19	**2.58**	–

NOTES FORMING PART OF THE FINANCIAL STATEMENTS (Contd.)

NOTE 23 : SIGNIFICANT ACCOUNTING POLICIES

i) Statement of compliance

The Company's financial statements have been prepared in accordance with the provisions of the Companies Act, 2013 ("the act") and the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 issued by Ministry of Corporate Affairs in respect of sections 133 read with section 469 of the Companies Act, 2013 and sub-section (1) of Section 210A of the Companies Act, 1956. The company had prepared the financial statements in accordance with the requirements of previous GAAP, which includes Standards notified under the Companies (Accounting Standards) Rules, 2006 upto the year ended March 31, 2016. These are the Company's first Ind AS financial Statements. The date of transition to Ind AS is April 1, 2015. Refer Note A for the details of first time adoption exemptions availed by the Company.

ii) First time adoption of Ind AS

The Company has prepared opening balance sheet as per Ind AS as of April 1, 2015 (transition date) by

a. recognising all assets and liabilities whose recognistion is required by Ind AS,

b. not recognising items of assets or liabilities which are not permitted by Ind AS,

c. by reclassifying items from previous GAAP to Ind AS as required under Ind AS, and

d. applying Ind AS in measurement of recognised assets and liabilities.

The transition was done in accordance with Ind AS 101 "First time adoption of Indian Accounting Standards". However, this principle is subject to certain exceptions and certain optional exemptions availed by the Company as detailed below:

The Company has opted to continue with the carrying value for all of its PPE & investment property as recognised in its previous GAAP financial as deemed cost at the transition date.

The estimates as at 1st April 2015 and at 31st March 2016 are consistent with those made for the same dates in accordance with the Indian GAAP.

iii) Basis of accounting

The Company maintains its accounts on accrual basis following the historical cost convention and the carrying value of all the items of property, plant and equipment as on date of transition is considered as the deemed cost in accordance with Ind AS. Further, the guidance notes/ announcements issued by the Institute of Chartered Accountants of India (ICAI) are also considered, wherever applicable except to the extent where compliance with other statutory promulgations override the same requiring a different treatment.

Fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that entity can access at measurement date
- Level 2 inputs are inputs, other than quoted prices included in Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability

iv) Presentation of financial statements

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 ("the Act"). The Cash Flow Statement has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of accounts along with the other notes required to be disclosed under the notified Ind AS.

Amounts in the financial statements are presented in Indian Rupees and are rounded-off to the nearest lakhs (upto two decimals).

v) Operating cycle for current and non-current classification

Operating cycle for the business activities of the Company covers the duration of the specific contract including the defect liability period, wherever applicable and extends up to the realisation of receivables within the agreed credit period normally applicable.

vi) Revenue recognition

Revenue is recognised based on nature of activity when consideration can be reasonably measured and there exists reasonable certainty of its recovery. Revenue is measured at the fair value of the consideration received or receivable and is reduced for customer returns, rebates and other similar allowances.

a. Revenue from operations

i. Sale of goods

Revenue includes excise duty, wherever applicable, and adjustments made towards price variation wherever applicable. Revenue from the sale of goods is recognised when the goods are delivered and titles have passed, at which time all the following conditions are satisfied:

- Significant risks and rewards of ownership of the goods are transferred to the buyer;

NOTES FORMING PART OF THE FINANCIAL STATEMENTS (Contd.)

- The Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the good sold;
- The amount of revenue can be measured reliably;
- It is probable that the economic benefits associated with the transaction will flow to the Company; and
- the costs incurred or to be incurred in respect of the transaction can be measured reliably

ii. Rendering of services

Revenue from rendering services is recognised when the outcome of a transaction can be estimated reliably. The outcome of a transaction can be estimated reliably when all the following conditions are satisfied:

The amount of revenue can be measured reliably;

- It is probable that the economic benefits associated with the transaction will flow to the Company; and
- the stage of completion of the transaction at the end of the reporting period can be measured reliably; and
- the costs incurred or to be incurred in respect of the transaction can be measured reliably

b. Other operational revenue

Other operational revenue represents income earned from the activities incidental to the business and is recognised when the right to receive the income is established as per the terms of the contract.

c. Other Income

i. Interest income is accrued on a time basis by reference to the principal outstanding and at the effective interest rate applicable.

ii. Dividend income is accounted in the period in which the right to receive the same is established.

iii. Other items of income are accounted as and when the right to receive arises and it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably.

vii) Exceptional Items

On certain occasions, the size, type or incidence of an item of income or expense is such that its disclosure improves an understanding of the performance of the Company. Such income or expense is classified as an exceptional item and accordingly disclosed in the notes to accounts.

viii) Property, plant and equipment (PPE)

PPE is recognised when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can measured reliably. PPE is stated at original cost net of tax/duty credits availed, if any, less accumulated depreciation and cumulative impairment. Property, plant and equipment acquired on hire purchase basis are stated at their cash values. Cost includes professional fees and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy.

For transition to Ind AS, the carrying value of PPE under previous GAAP as on April 1, 2015 is regarded as its cost. The carrying value was original cost less accumulated depreciation and cumulative impairment.

Administrative and other general overhead expenses that are specifically attributable to construction or acquisition of PPE or bringing the PPE to working condition are allocated and capitalised as a part of the cost of the PPE.

PPE not ready for the intended use on the date of the Balance Sheet are disclosed as "capital work-in-progress".

Depreciation is calculated on a straight-line method on the basis of the useful life as specified in Schedule II to the Companies Act, 2013 except for

Category	Useful life determined by the company
Office equipment	4 years
Vehicles	7 years

Where cost of a part of the asset ("asset component") is significant to total cost of the asset and useful life of that part is different from the useful life of the remaining asset, useful life of that significant part is determined separately and such asset component is depreciated over its separate useful life.

Depreciation for additions to/deductions from, owned assets is calculated pro rata.

Depreciation charge for impaired assets is adjusted in future periods in such a manner that the revised carrying amount of the asset is allocated over its remaining useful life.

ix) Intangible assets

Intangible assets are stated at original cost net of tax/duty credits availed, if any, less accumulated amortisation and cumulative impairment. Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. Administrative and other general overhead expenses that are specifically attributable to acquisition of intangible assets are allocated and capitalised as a part of the cost of the intangible assets. The same are amortized on the basis of management estimate of useful life of the assets. Specialized software are amortized over a period of six years.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS (Contd.)

x) Impairment of assets

As at each Balance Sheet date, the carrying amount of assets is tested for impairment so as to determine:

i. the provision for impairment loss, if any; and

ii. the reversal of impairment loss recognised in previous periods, if any,

Impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount. Recoverable amount is determined:

a. in the case of an individual asset, at the higher of the net selling price and the value in use;

b. in the case of a cash generating unit (a group of assets that generates identified, independent cash flows), at the higher of the cash generating unit's net selling price and the value in use. (Value in use is determined as the present value of estimated future cash flows from the continuing use of an asset and from its disposal at the end of its useful life).

xi) Employee benefits

a. Short term employee benefits:

All employee benefits falling due wholly within twelve months of rendering the service are classified as short term employee benefits. The benefits like salaries, wages, short term compensated absences etc. and the expected cost of bonus, ex-gratia are recognised in the period in which the employee renders the related service.

b. Post-employment benefits:

i. Defined contribution plans: The Company's superannuation scheme, state governed provident fund scheme, employee state insurance scheme and employee pension scheme are defined contribution plans. The contribution paid/payable under the schemes is recognised during the period in which the employee renders the related service.

ii. Defined benefit plans: The employees' gratuity fund schemes, post-retirement medical care scheme, pension scheme and provident fund scheme managed by trust are the Company's defined benefit plans. The present value of the obligation under such defined benefit plans is determined based on actuarial valuation using the Projected Unit Credit Method.

The obligation is measured at the present value of the estimated future cash flows. The discount rate used for determining the present value of the obligation under defined benefit plans, is based on the market yield on government securities of a maturity period equivalent to the weighted average maturity profile of the related obligations at the Balance Sheet date.

Remeasurement, comprising actuarial gains and losses, the return on plan assets (excluding net interest) and any change in the effect of asset ceiling (if applicable) are recognised in other comprehensive income and is reflected immediately in retained earnings and is not reclassified to profit & loss.

The interest element in the actuarial valuation of defined benefit plans, which comprises the implicit interest cost and the impact of changes in discount rate, is classified under finance cost. The balance charge is recognised as employee benefit expenses in the Statement of Profit and Loss.

In case of funded plans, the fair value of the plan assets is reduced from the gross obligation under the defined benefit plans to recognise the obligation on a net basis.

Gains or losses on the curtailment or settlement of any defined benefit plan are recognised when the curtailment or settlement occurs. Past service cost is recognised as expense at the earlier of the plan amendment or curtailment and when the Company recognises related restructuring costs or termination benefits.

c. Long term employee benefits:

The obligation for long term employee benefits such as long term compensated absences, long service award etc. is recognised in the similar manner as in the case of defined benefit plans as mentioned in (b)(ii) supra.

d. Termination benefits:

Termination benefits are recognized as expenses in the period in which they are incurred.

xii) Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss (FVTPL) are recognised immediately in profit or loss.

a. Financial Assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets

Investments in equity instruments are classified as FVTPL, unless the Company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income (OCI) for equity instruments which are not held for trading.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS (Contd.)

Interest income, dividend income and exchange difference (on debt instrument) on fair value through OCI (FVTOCI) debt instruments is recognised in profit or loss and other changes in fair value are recognised in OCI and accumulated in other equity. On disposal of debt instruments FVTOCI the cumulative gain or loss previously accumulated in other equity is reclassified to profit & loss. However in case of equity instruments at FVTOCI cumulative gain or loss is not reclassified to profit & loss on disposal of investments.

A financial asset is primarily derecognised when:

i. the rights to receive cash flows from the asset have expired, or

ii. the company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a pass-through arrangement; and

iii. when the company has transferred substantially all the risks and rewards of the asset, or has transferred control of the asset.

Impairment of financial assets:

The Company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, debt instruments at FVTOCI, trade receivables and other contractual rights to receive cash or other financial asset. For the purpose of measuring expected credit loss allowance for trade receivables, the Company has used a provision matrix which takes into account historical credit loss experience and adjusted for forward looking information as permitted under Ind AS 109.

b. Financial Liabilities

Financial liabilities are classified at initial recognition, as financial liabilities as fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Loans and borrowings are subsequently measured at amortised costs using effective interest rate

Financial liabilities at fair value through profit or loss (FVTPL) are subsequently measured at fair value.

Financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

The Company designates certain foreign exchange forward contracts as cash flow hedges. Hedges of foreign exchange risk on firm commitments & highly probable forecast transactions are accounted for as cash flow hedges.

The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges is recognised in other comprehensive income and accumulated under the heading of cash flow hedging reserve. The gain or loss relating to the ineffective portion is recognised immediately in profit or loss.

Amounts previously recognised in other comprehensive income and accumulated in equity relating to (effective portion as described above) are reclassified to profit or loss in the periods when the hedged item affects profit or loss, in the same line as the recognised hedged item.

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or when it no longer qualifies for hedge accounting. Any gain or loss recognised in other comprehensive income and accumulated in equity at that time remains in equity and is recognised when the forecast transaction is ultimately recognised in profit or loss. When a forecast transaction is no longer expected to occur, the gain or loss accumulated in equity is recognised immediately in profit or loss.

xiii) Inventories

Inventories are valued after providing for obsolescence, as under:

a. Raw materials, stores, spares and loose tools at lower of weighted average cost or net realisable value. However, these items are considered to be realisable at cost if the finished products in which they will be used, are expected to be sold at or above cost.

b. Finished goods and stock-in-trade (in respect of goods acquired for trading) at lower of weighted average cost or net realisable value. Cost includes related overheads and excise duty paid/ payable on such goods.

Assessment of net realisable value is done in each subsequent period and when the circumstances that previously caused inventories to be written down below cost no longer exist or when there is clear evidence of an increase in net realisable value because of changed economic circumstances, the amount of the write-down is reversed (i.e. the reversal is limited to the amount of the original write-down) so that the new carrying amount is the lower of the cost and the revised net realisable value.

Cost of inventories is computed on a weighted average basis.

xiv) Cash and bank balances

Cash and bank balances also include fixed deposits, margin money deposits, earmarked balances with banks and other bank balances which have restrictions on repatriation. Short term and liquid investments being not free from more than insignificant risk of change in value, are not included as part of cash and cash equivalents. Bank overdrafts which are repayable on demand are included as part of cash and cash equivalents.

xv) Foreign currency transactions

The functional currency of the Company is Indian rupee.

Foreign currency transactions are recorded on initial recognition using the exchange rate at the date of the transaction. At each Balance Sheet

NOTES FORMING PART OF THE FINANCIAL STATEMENTS (Contd.)

date, foreign currency monetary items are reported using the closing rate. Non-monetary items that are measured in terms of historical cost in foreign currency are not retranslated. Exchange differences that arise on settlement of monetary items or on reporting of monetary items at each Balance Sheet date at the closing rate are recognised in profit or loss in the period in which they arise except for exchange differences on transactions entered into in order to hedge certain foreign currency risks.

xvi) Taxes on Income

Tax on income for the current period is determined on the basis of taxable income and tax credits computed in accordance with the provisions of the Income Tax Act 1961, and based on the expected outcome of assessments/appeals.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Company's financial statements and the corresponding tax bases used in computation of taxable profit and quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date.

Deferred tax assets relating to unabsorbed depreciation/business losses/losses under the head "capital gains" are recognised and carried forward to the extent there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised.

Other deferred tax assets are recognised and carried forward to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised.

Transaction or event which is recognised outside profit or loss, either in other comprehensive income or in equity, is recorded along with the tax as applicable.

xvii) Provisions, contingent liabilities and contingent assets

Provisions are recognised only when:

a. an entity has a present obligation (legal or constructive) as a result of a past event

b. it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and

c. a reliable estimate can be made of the amount of the obligation

Reimbursement expected in respect of expenditure required to settle a provision is recognised only when it is virtually certain that the reimbursement will be received.

Contingent liability is disclosed in case of

a. a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation

b. a present obligation arising from past events, when no reliable estimate is possible

Contingent assets are disclosed where an inflow of economic benefits is probable. Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date.

xviii) Commitments

Commitments are future liabilities for contractual expenditure. Commitments are classified and disclosed as follows:

a. Estimated amount of contracts remaining to be executed on capital account and not provided for

b. Other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.

Other commitments related to sales/procurements made in the normal course of business are not disclosed to avoid excessive details.

xix) PPE held for sale

PPE (and disposal groups) classified as held for sale are measured at lower of their carrying amount and fair value less costs to sell.

xx) Cash Flow Statement

Cash flow statement is prepared segregating the cash flows from operating, investing and financing activities. Cash flow from operating activities is reported using indirect method. Under the indirect method, the net profit is adjusted for the effects of:

a. changes during the period in inventories and operating receivables and payables transactions of a non-cash nature

b. non-cash items such as depreciation, provisions, deferred taxes, unrealised foreign currency gains and losses, and undistributed profits of associates; and

c. all other items for which the cash effects are investing or financing cash flows.

Cash and cash equivalents (including bank balances and bank overdrafts) are reflected as such in the Cash Flow Statement.

xxi) Key sources of estimation uncertainty

The preparation of financial statements in conformity with Ind AS requires that the management of the Company makes estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as of the date of the financial statements. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period to which it affects.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS (Contd.)

Examples of such estimates include the useful lives of property plant and equipment, Intangible assets, allowance for doubtful debts / advances, future obligations in respect of retirement benefit plans, fair value measurement etc.

Difference, if any, between the actual results and estimates is recognised in the period in which the results are known.

NOTE 24 : OTHER NOTES

i) Disclosures pursuant to Ind AS 2 "Inventories"

a) The cost of inventories recognised as an expense during the year NIL (previous year: ₹ 81.09 lakhs) in respect of write-downs of inventory to net realisable value.

b) No inventory is pledged as security for liabilities.

ii) Disclosure pursuant to Ind AS 19 "Employee Benefits"

1) Defined Contribution Plans:

The average duration of the defined benefit plan obligations at the end of the reporting period is as follows:

Particulars	**As at 31-Mar-17**	*As at 31-Mar-16*
1) Gratuity plan	**9.70**	*9.18*
2) Company pension plan		
3) Post-retirement medical benefit plan	**14.93**	*14.37*

Particulars	**As at 31-Mar-17**	*As at 31-Mar-16*
1 Discount rate:		
a) Gratuity plan	**7.35%**	*8.00%*
b) Post-retirement medical benefit plan	**7.35%**	*8.00%*
2 Annual increase in healthcare costs (see note below)	**5.00%**	*5.00%*
3 Salary Growth rate (see note below)		
a) Gratuity plan	**5.00%**	*5.00%*
b) Post retirement medical benefits	**5.00%**	*5.00%*

3) Attrition Rate:

For post-retirement medical benefit plan, Company pension plan and Gratuity plan, the attrition rate varies from 1% to 6% (previous year: 1% to 6%) for various age groups.

4) The estimates of future salary increases, considered in actuarial valuation, take into account inflation, seniority, promotion and other relevant factors, such as supply and demand the employment market.

5) The interest payment obligation of trust-managed provident fund is assumed to be adequately covered by the interest income on long term investments of the fund. Any shortfall in the interest income over the interest obligation is recognised immediately in the statement of Profit and Loss.

6) The obligation of the Company under the post-retirement medical benefit plan is limited to the overall ceiling limits. At present, healthcare cost, as indicated in the principal actuarial assumption given above, has been assumed to increase at 5% p.a.

7) Claims Ratio :

NOTES FORMING PART OF THE FINANCIAL STATEMENTS (Contd.)

This assumption is only used to value benefit beyond the age of 75 years of the employee / beneficiary, as the benefits post the age of 75 years are not insured but instead are paid directly by the Company. The assumption for claims ratio are as shown below:

Claims	Active Employees	Beneficiaries
	Rates (p.a.)	
Domiciliary	100%	75%
Hospitalization	10%	10%
Hearing aids	10%	10%

iii) Disclosure pursuant to Indian Accounting Standard (Ind AS) 108 ''Operating Segments''

The Company operates in a single segment, viz. trading in Industrial Machine Products and predominantly operates in the domestic market. Accordingly disclosure requirements of Accounting Standard (IND AS) 108 Operating Segments is not applicable.

iv) Disclosure of related parties/related party transactions pursuant to Indian Accounting Standard (Ind AS) 24 ''Related Party Disclosures'':

A. List of related parties who exercise control and status of transactions entered during the year:

Profit / Net (Loss) after Tax	**873,026**	*1,285,961*

* All figures for 2015 given in this report are restated figures wherever applicable.

PRINCIPAL ACTIVITY

The principal activities of the company spanned across Civil Constructions, Power Transmission & Distribution, Infrastructure, Water Distribution Networks and Minerals & Metals segment projects.

FINANCIAL REVIEW

Order Inflow for the year 2016 was under stress at OMR 28 Million amidst the volatile market conditions. Consequently, the order book was limited to OMR 248 Mn. This slackness is expected to remain for FY 2017 also.

The Revenue from the projects stood at OMR 213 Million registering a healthy increase of 21% over the previous year.

Profit before Tax for 2016 stood at OMR 0.87 Million as against OMR 1.57 Million for 2015 and the Profit after Tax stood at OMR 0.87 Million as against OMR 1.29 Million over the previous year.

DIVIDEND

The Directors recommend payment of OMR NIL/- for equity share of OMR 1.000 each for the year 2016.

CAPITAL EXPENDITURE

As at December 31, 2016 the Gross Fixed Assets stood at OMR 33 Million and Net Fixed Assets at OMR 14 Million. Additions during the year amounted to OMR 0.8 Million (previous year OMR 3.6 Million)

DISCLOSURE OF INFORMATION TO AUDITORS

The Directors who hold office at the date of approval of this Director's Report confirm that, so far as they are each aware, there is no relevant audit information of which the company's auditors are unaware; and each director has taken all steps that he ought to have taken as a director to make himself aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

AUDITOR'S REPORT

The Auditor's Report to Shareholders does not contain any qualifications.

DIRECTORS' RESPONSIBILITY STATEMENT

The Board of Directors of the Company confirms:

i. that in the preparation of the financial statements, the applicable Accounting Standards have been followed and there has been no material departure;

ii. that the selected Accounting Policies were applied consistently and the Directors made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as at December 31, 2016 and the profits of the Company for the year ended on that date;

iii. that proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Commercial Company's Law, 4/1974 for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities; and

iv. that the annual accounts have been prepared on a going concern basis.

v. that the company has adequate internal systems and controls in place to ensure compliance of laws applicable to the company.

AUDITORS

The Board recommends the reappointment of auditors M/s PKF LLC, Chartered Accountants to be the auditors of the Company for the year 2017 including for Limited Review on quarterly basis.

THE YEAR AHEAD

Oman Budget 2017 estimates an expenditure and revenue at OMR 11.7 Bn and OMR 8.7 Bn as against the budgeted amounts for 2016 of OMR 11.9 Bn and OMR 8.6 Bn.

The 2017 budget aims to stimulate economic growth through continued development spending on the economic and social priority projects and enhance public-private partnership to accelerate private sector investments. It also aims to increase the contribution of non-oil revenues in total revenues and reduce dependence on oil revenues, with a focus on manufacturing, tourism and logistics sectors.

The Company is confident of striking orders in Power sector, Tourism sector, Hospitality segment and Hospital packages, based on the budgetary outlook.

The Company aims at an improved performance, through continuous efforts in alternative work methods, business strategy, cost control and prudent spending.

ACKNOWLEDGEMENT

On behalf of the Board of Directors, we would like to take this opportunity to thank the Staff and Workforce for the dedication and commitment, The Zubair Corporation, Larsen & Toubro Limited, India and Larsen & Toubro International FZE, UAE for the support and cooperation in steering the Company to reach higher levels of excellence.

The Board would like to thank Governmental Authorities, Banks, Financial institutions and the Stakeholders of the Company for their continued cooperation and support.

HIS MAJESTY – TRUE VISIONARY & LEGENDARY LEADER

The Board of Directors is deeply grateful to His Majesty Sultan Qaboos bin Said for his vision, guidance and commitment in pursuance of excellence which has helped the country to achieve its growth, prosperity and conducive environment for businesses. Also, the Board of Directors wishes His Majesty health and prosperity for days to come.

For and On Behalf of the Board

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF LARSEN & TOUBRO (OMAN) LLC

Opinion

We have audited the financial statements of **LARSEN & TOUBRO (OMAN) LLC (the Company)**, which comprise the statement of financial position as at 31st December 2016, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as at 31st December 2016, and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs).

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Sultanate of Oman, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matters

Without qualifying our opinion, we draw attention to the following matters:

i) Note 2.5 (a) to the financial statements regarding change in accounting policy due to early adoption of IFRS 9: Financial Instruments.

ii) Note 16.1 to the financial statements regarding credit risk exposure on specific jobs.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IFRSs, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

The attached notes form part of these financial statements

The report of the independent auditor is set forth on pages 707 and 708.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2016

1. LEGAL STATUS AND BUSINESS ACTIVITY

a) Larsen & Toubro (Oman) LLC is a Limited Liability Company registered in the Sultanate of Oman.

b) The parent company is Larsen & Toubro International FZE, Sharjah, a company incorporated in United Arab Emirates, and the ultimate parent company is Larsen & Toubro Limited - India, a company incorporated in India. The registered address of the company is P.O. Box 598, Ruwi, Postal Code 112, Sultanate of Oman.

c) The company is engaged in Civil, Mechanical, Electrical and Infrastructure projects.

2. BASIS OF PREPARATION

2.1 STATEMENT OF COMPLIANCE

The financial statements are prepared in accordance with International Financial Reporting Standards, including International Accounting Standards and Interpretations, issued or adopted by the International Accounting Standards Board, and which are effective for the current accounting period, and the applicable requirements of the Oman Commercial Companies Law.

2.2 BASIS OF MEASUREMENT

The financial statements are prepared under the historical cost convention, except for cash flow hedges at fair value. Historical cost is based on the fair value of the consideration given to acquire the asset or cash or cash equivalents expected to be paid to satisfy the liability. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

2.3 GOING CONCERN CONCEPT

The financial statements are prepared on a going concern basis.

When preparing financial statements, management shall make an assessment of an entity’s ability to continue as a going concern. Financial statements shall be prepared on a going concern basis unless management either intends to liquidate the entity or to cease trading, or has no realistic alternative but to do so.

2.4 FUNCTIONAL AND PRESENTATION CURRENCY

The financial statements are prepared in Rials Omani, which is the functional and presentation currency.

2.5 SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies adopted that have been consistently applied (except as mentioned in paragraph (a) below), are as follows:

a) Change in accounting policy

The Company has early adopted IFRS 9 Financial Instruments (for which the effective date of adoption was 1st January 2018) issued in July 2014 in the current year with a date of initial application of 1st January 2015. The requirements of IFRS 9 represent a significant change from IAS 39 Financial Instruments: Recognition and Measurement. The key changes to the Company’s accounting policies resulting from its adoption of IFRS 9 are summarised below:

i. Classification of financial assets and financial liabilities

IFRS 9 contains three principal classification categories for financial assets: measured at amortized cost, fair value through other comprehensive income (FVOCI) and fair value through profit or loss (FVTPL). The classification of financial assets under IFRS 9 is generally based on the business model in which a financial asset is managed and its contractual cash flow characteristics. The standard eliminates the previous IAS 39 categories of held to maturity, loans and receivables and available for sale. The adoption of IFRS 9 has not had a significant effect on the Company’s accounting policies for financial liabilities.

ii. Impairment of financial assets

IFRS 9 replaces the ‘incurred loss’ model in IAS 39 with an ‘expected credit loss’ (ECL) model. The new impairment model applies to financial assets measured at amortised cost. Under IFRS 9, credit losses are recognised earlier than under IAS 39.

iii. Transition

Changes in accounting policies resulting from the adoption of IFRS 9 in case of contract and retentions receivables have been applied retrospectively. Differences in the carrying amounts of financial asset (contract and retention receivables) resulting from the adoption of IFRS 9 are recognised in retained earnings as at 1st January 2015. The following table summarises the impact, net of tax, of transition to IFRS 9 on retained earnings at 1st January 2015.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2016 (CONTD.)

Retained earnings

	Impact of adopting IFRS 9 at 1st January 2015 RO.
Opening balance under IAS 39 (1st January 2015)	17,946,723
Recognition of provision for expected credit losses under IFRS 9	(5,541,311)
Deferred tax asset on provision for expected credit losses	664,957
Opening balance under IFRS 9 (1st January 2015)	**13,070,369**

Contract and other receivables that were classified as loans and receivables under IAS 39 are now classified at amortized cost. Allowance for impairment of RO.5,541,311 was recognised in opening retaining earnings at 1st January 2015 on transition to IFRS 9.

iv. Classification of financial asset (contract and retention receivables) on the date of initial application of IFRS 9

The following table shows the original measurement category under IAS 39 and the new measurement category under IFRS 9 for the Company's financial asset (contract and retention receivables) as at 1st January 2015.

Financial asset	**Original classification under IAS 39**	**New classification under IFRS 9**	**Original carrying amount under IAS 39**	**New carrying amount under IFRS 9**	**Difference reported under retained earnings**
			RO.	**RO.**	**RO.**
Contract and retention receivables	Loans and receivables	Amortized cost	75,143,266	69,601,955	5,541,311

b) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and impairment. Depreciation is calculated on straight line basis to write off the cost of property, plant and equipment less their estimated residual value, in equal annual installments over their estimated useful lives. Depreciation is calculated on a straight line basis over the estimated useful lives of assets as follows:

Fabricated buildings	6 2/3 years	
Machinery	5 to 10 years	(Note 3-b)
Other equipment	6 2/3 to 10 years	(Note 3-b)
Furniture	3 years	
Vehicles	6 2/3 to 8 1/3 years	(Note 3-b)

Capital work in progress is not depreciated until it is capitalised and transferred to one of the asset categories when the asset is ready for use.

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable. If any such indication exists and where the carrying values exceed the estimated recoverable amount, the assets are written down to their recoverable amount.

An assessment of depreciation method, useful lives and residual values are undertaken at each reporting date and, if there is a change in estimate, an appropriate adjustment is made to the depreciation charge.

c) Impairment

The carrying amounts of the financial and non financial assets are reviewed at each year end date to determine whether there is any indication of impairment. If any such indication exists, their recoverable amount is estimated. Recoverable amount is the higher of fair value less cost to sell and value in use. An impairment loss is recognised in the Statement of comprehensive income whenever the carrying amount of the asset exceeds its recoverable amount.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2016 (CONTD.)

d) Inventories

Inventories are stated at the lower of cost and net realizable value after making due allowance for obsolete and slow moving items. Costs comprise of invoice value and expenses incurred in bringing each product to its present location and condition, as follows:

Stores, Spares and Consumables	Weighted Average Cost
Tools, Scaffolding Materials, tackles, etc.	Weighted average cost less amortisation over estimated useful life.
Construction Materials	Weighted Average Cost

Net realizable value is based on estimated selling price less estimated costs expected to be incurred on disposal. Goods in transit represents the inventory over which company has legal title based on terms of purchase, but which are physically not received at the company's warehouse.

e) Accounts receivable

Accounts receivable are stated at original invoice amount less an allowance for expected credit losses. Bad debts are written off as incurred.

The Company measures Expected Credit Loss (ECL) in a way that reflects:

a) An un-biased and probability weighted amount that is determined by evaluating a range of possible outcomes

b) Time value of money

c) Reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecast of future economic conditions.

It assesses exposure to a credit risk based on a variety of data/factors that are determined to be predictive of the risk of loss (including but not limited to historical credit loss experience, forward looking information for contract and retention receivables and available market information about customers). Accordingly, for the purpose of recognizing ECL, contract and retention receivables are grouped on the basis of credit risk characteristics such as customer segments/types (government, private, related parties) by the company. An ECL rate is calculated for each segment based on age of debt, type of customer and applying experienced credit judgment after giving due consideration to the aforesaid factors.

f) Amounts due from/to customers for contract work

Amounts due from/to customers for contract work represents cost incurred on contracts plus recognised profit less any recognised losses foreseen in bringing contracts to completion less progress billings. Contract costs for this purpose includes cost of materials, direct labour, direct expenses, subcontracts and an appropriate allocation of overheads.

g) Cash and cash equivalents

Cash and cash equivalents comprise cash, bank current and card accounts, and deposit accounts free of encumbrance with a maturity date of three months or less from the date of deposit.

h) Accounts and other payables

Liabilities are recognised for amounts to be paid in future for goods or services received, whether billed by the suppliers or not, to the extent of work certified by the company's engineers, and correspondingly the company's billings on the jobs is appropriately adjusted and considered as revenue.

i) Provisions

A provision is recognized when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the reporting date taking into account the risks and uncertainties surrounding the obligation. Where a provision is measured using the cash flow estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of receivable can be measured reliably.

j) Financial Instruments

- Financial instruments of the company comprise accounts and other receivables, bank current and card accounts, call deposit balances, cash, accounts and other payables, short term borrowings, hedging liability and amounts due from/to customers for contract work.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2016 (CONTD.)

- Financial assets and financial liabilities are recognized when, and only when, the company becomes a party to the contractual provisions of the instrument. Financial assets are de-recognised when, and only when, contractual rights to receive cash flows expire or when substantially all the risks and rewards of ownership have been transferred. Financial liabilities are de-recognised when, and only when, they are extinguished, cancelled or expired.
- Financial assets that have fixed or determinable payments and for which there is no active market, are stated at amortised cost using the effective interest method, less any write down for impairment losses plus reversals of impairment losses. Impairment losses and reversals thereof are recognized in the Statement of comprehensive income.
- Financial liabilities (except hedging liability which is measured at fair value through other comprehensive income) are measured at cost, or where applicable at amortised cost using the effective interest method.

k) Legal reserve

Legal reserve is created by the company appropriating 10% of the net profit for the year as required by Article 154 of the Commercial Companies Law of Oman 1974. There is no accretion to legal reserve during the year as the company has already created a legal reserve equal to 33.33% of its issued share capital as required by Article 154 of the Commercial Companies Law of Oman 1974. The reserve is not available for distribution.

l) Employees' end of service benefits

The company contributes to the Social Security Scheme under Royal Decree 72/91 (Defined contribution retirement plan and occupational hazard insurance for Omani employees in accordance with Omani Social Insurance Law 1991) for Omani employees, administered by the Government of Sultanate of Oman.

Accruals for employees end of service benefits comprising of leave salary, and end of service gratuity for non-Omani employees is in accordance with company's rules and is based on the liability which would arise if the employment of all staff were terminated at the year end.

m) Taxation

The company provides for tax in accordance with the provisions of Income Tax Act on companies in Oman. The present tax structure is 12% on taxable income after allowing the basic exemption limit of RO.30,000.

Deferred tax asset/liability

Deferred tax is accounted, using the balance sheet liability method, for temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the statement of financial position, using the currently enacted tax rates. The principal temporary differences arise from depreciation on property, plant and equipment, fair value gain/loss on currency/commodity contracts and provision for expected credit losses. A deferred tax asset is recognized only to the extent it is probable that future taxable profits will be available against which the deferred tax asset can be utilized and related tax benefit realized. Items recognized directly under other comprehensive income are net of income taxes and not forming part of income statement.

n) Revenue

Revenue is recognised when consideration can be reasonably measured and there exists reasonable certainty of its recovery.

i) Cost plus contract:

Contract revenue is determined by adding the aggregate cost plus proportionate margin as agreed with the customer

ii) Fixed price contract:

Contract revenue is recognised only to the extent of cost incurred till such time the outcome of the job cannot be ascertained reliably. When the outcome of the contract is ascertained reliably, contract revenue is recognised at cost of work performed on the contract plus proportionate margin, using the percentage of completion method. Percentage of completion is the proportion of cost of work performed to-date, to the total estimated contract costs.

Expected loss, if any, on the contract is recognised as an expense in the period in which it is foreseen, irrespective of the stage of completion of the contract. While determining the amount of foreseeable loss, all elements of costs and related incidental income not included in contract revenue are taken into consideration.

o) Finance costs

Finance costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised as part of the cost of that asset. Other finance costs are recognised as an expense in the year in which they are incurred.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2016 (CONTD.)

p) **Operating lease rentals**

Leases under which substantially all the risks and rewards of ownership of the related asset remain with the lessor are classified as operating leases. Operating lease rentals are recognised as an expense on a straight-line basis over the lease term.

q) **Foreign currencies**

Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. Monetary assets and unhedged liabilities denominated in foreign currencies are retranslated at the rate of exchange ruling at the yearend date. All differences are taken to the Statement of comprehensive income.

r) **Hedge accounting**

Derivative financial instruments to hedge foreign exchange and commodity prices risk exposures are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value at each reporting date. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative. The fair value of derivative financial instruments is determined based on certificate of the bank with whom the contracts are concluded. At the inception of the hedge relationship the company documents the relationship between the hedging instrument and the hedged item, along with its risk management objectives and its strategy for undertaking various hedge transactions. Furthermore, at the inception of the hedge and on an ongoing basis, the company documents whether the hedging instruments that are used in hedging transactions are highly effective in offsetting changes in fair values or cash flows of hedged items.

For the purpose of hedge accounting, hedges are classified as cash flow hedges when there is a hedge of exposure to variability in cash flows that is either attributable to a particular risk associated with a recognised asset or liability or a highly probable forecast transaction or the market risk in an unrecognised firm commitment.

Cash flow hedges which meet the strict criteria for hedge accounting are accounted for as follows:

The effective portion of the gain or loss on the hedging instrument is recognised directly in other comprehensive income as cash flow hedge reserve, while any ineffective portion is recognised immediately in profit or loss.

Amounts recognised in other comprehensive income are transferred to profit or loss when the hedged transaction affects profit or loss, such as when the hedged financial income or financial expense is recognised or when a forecast sale occurs. Where the hedged item is the cost of a non-financial asset or non-financial liability, the amounts recognised in other comprehensive income are transferred to the initial carrying amount of the non-financial asset or liability.

If the hedging instrument expires or is sold, terminated or exercised without replacement or rollover, or if its designation as a hedge is revoked, any cumulative gain or loss previously recognised in other comprehensive income remains in other comprehensive income until the forecast transaction or firm commitment affects profit or loss. If the forecast transaction or firm commitment is no longer expected to occur, the cumulative gain or loss previously recognised in equity are transferred to profit or loss.

s) **Equity**

Share capital is recorded at the value of proceeds received/receivable towards interest in share capital of the company.

t) **Offsetting**

Financial assets and liabilities are offset and the net amount reported in the statement of financial position when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis, or realise the asset and settle the liability simultaneously.

2.6 SIGNIFICANT JUDGMENTS, ASSUMPTIONS AND ESTIMATES

i) The significant judgments made in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements are as follows:

Impairment

At each year end date, management conducts an assessment of property, plant, equipment, and all financial assets to determine whether there are any indications that they may be impaired. In the absence of such indications, no further action is taken. If such indications do exist, an analysis of each asset is undertaken to determine its net recoverable amount and, if this is below its carrying amount, the assets are written down to their recoverable amount.

ii) Key assumptions made concerning the future and other key sources of estimation uncertainty at the yearend date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are as follows. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the periods in which the estimate is revised and in any future periods affected:

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2016 (CONTD.)

Carrying values of property, plant and equipment

The useful lives and residual values of property, plant and equipment are estimated based on intended use of assets and their economic lives. Residual values are assumed to be zero unless a reliable estimate of the current value can be obtained for similar assets of ages and conditions that are reasonably expected to exist at the end of the assets' estimated useful lives.

Inventory provisions

Management regularly undertakes a review of the company's inventory, in order to assess their likely utilisation on jobs, technological changes, age, likely obsolescence, the rate at which the materials are being used and the physical damage. Based on the assessment, assumptions are made as to the level of amortization/provisioning required.

Doubtful debts

Management regularly undertakes a review of the amounts of receivables owed to the company either from customers or from related parties, and assesses the likelihood of credit loss due to non-recovery or delay in recovery of the debt. Such assessment is based upon the age of the debts, extent of certification, assessed creditworthiness of the debtor, historical credit loss experience, forward looking information and available market information about customers, credit risk characteristics such as customer segments/types (government, private, related parties). Based on the assessment, assumptions are made as to the level of provisioning required.

Impairment

Assessments of net recoverable amounts of property, plant, equipment and all financial assets other than receivables (see above) are based on assumptions regarding future cash flows expected to be received from the related assets.

Staff end-of-service gratuity

The company computes the liability to staff end-of-service gratuity assuming that all employees were to leave as of the year end date. The management is of the opinion that no significant difference would have arisen had the liability been calculated on an actuarial basis as salary inflation and discount rates are likely to have approximately equal and opposite affects.

Contract work in progress

Contract revenues on contracts in progress at the yearend are recognised on a percentage of completion basis that requires the management to estimate the costs expected to be incurred in future to complete the contracts. Further, profit on contracts in progress is recognised only when the final outcome of the contract can be reliably estimated.

Contract matters

In the contracting industry, there are various contractual matters relating to possible penalties for delays in job completion, claims of suppliers/subcontractors, work disputes, recovery of uncertified contract/variation work dues, expected costs during job warranty and defect liability period etc, that are subject to various sources of uncertainties and future negotiations. The management regularly reviews, estimates and suitably accounts for the possible financial impact of such contractual matters based on their assessment, past experience and available information.

2.7 ADOPTION OF NEW INTERNATIONAL FINANCIAL REPORTING STANDARDS

i) IFRS 9, amendments thereto and Interpretations became effective for the first time to the company for the current reporting period, as company chose an early adoption of this standard with date of initial application from 1st January 2015 (for which mandatory effective date of adoption was 1st January 2018). (Refer note 2.5 (a)).

ii) There are no other International Financial Reporting Standards, amendments thereto and Interpretations that became effective for the first time for the current reporting period and which are applicable to the company and which could have a material impact on the financial statements.

iii) The following International Financial Reporting Standards, amendments thereto and Interpreta-tions that are assessed by management as likely to have an impact on the financial statements have been issued by the IASB prior to the date the financial statements were authorised for issue but have not been applied in these financial statements as their effective dates of adoption are for future accounting periods:

- IFRS 15 Revenue From Contracts With Customers (1 January 2018)
- IFRS 16 Leases (1 January 2019)

2.8 FAIR VALUE MEASUREMENT

The company measures hedging asset/liability at fair value at each reporting date.

The fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2016 (CONTD.)

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The fair value of an asset or a liability is measured using assumptions that the market participants would use when pricing the asset or liability, assuming that the market participants act in their best economic interests.

The fair value measurement of a non financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

In addition, the fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurement are observable and significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 fair value measurements are those derived from quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 fair value measurements are those derived from inputs other than quoted prices included within Level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3 fair value measurements are those derived from valuation techniques that include inputs for the asset or liability that are not based on observable market data (unobservable inputs).

Further information about the assumptions made in measuring fair values is included in note 16.2.2 – Hedging liability measured at fair value.

3. PROPERTY, PLANT AND EQUIPMENT	**Fabricated buildings**	**Machinery**	**Other equipment**	**Furniture**	**Vehicles**	**Capital work in progress**	**Total**
	RO.	**RO.**	**RO.**	**RO.**	**RO.**	**RO.**	**RO.**

Depreciation for the year	321,053	2,136,527	86,501	6,901	232,443	—	2,783,425
Adjustment relating to disposals	—	—	—	—	(53,278)	—	(53,278)
As on 31st December 2016	**2,932,863**	**11,729,539**	**1,621,676**	**322,482**	**3,273,834**	**—**	**19,880,394**
Net book value							
As at 31st December 2015	971,548	12,842,263	292,946	6,908	1,389,532	14,092	15,517,289
As at 31st December 2016	**827,577**	**11,154,969**	**246,673**	**7**	**1,262,079**	**32,955**	**13,524,260**

a) Property, plant and equipment costing RO.80,115 (Net book value RO.26,837) are sold at a net profit of RO.24,157 during the year, which has been accounted as under:-

	2016	*2015*
	RO.	*RO.*
Profit/(loss) on sale of project specific assets (accounted in contract costs)	**15,969**	*(434)*
Profit on sale of other assets (disclosed under other operating income)	**8,188**	*49,379*
	24,157	*48,945*

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2016 (CONTD.)

b) Change in estimate of useful lives of certain property, plant and equipment.

In accordance with its policy, the company reviews the estimated useful lives of its property, plant and equipment on an ongoing basis. In the previous year, this review indicated that the actual lives of certain property, plant and equipment were longer than the estimated useful lives used for depreciation purposes in the company's financial statements. As a result, effective 1st January 2015, the company changed its estimates of useful lives (with prospective effect) of the following assets to better reflect the estimated periods during which these assets will remain in service:

Asset	**Old life (in years)**	*New life (in years)*
Machinery	**6 2/3**	*5 to 10*
Other equipment	**6 2/3**	*6 2/3 to 10*
Vehicles	**3**	*6 2/3 to 8 1/3*

The approximate impact of the aforesaid prospective change in estimate of useful lives on depreciation expense in previous year, current year and next four years is as follows:

In thousands of Rials Omani	**2015**	**2016**	**2017**	**2018**	**2019**	**2020**
Increase/(decrease) in depreciation expense	(935)	(1019)	(736)	(392)	125	63

4. INVENTORIES

	2016 RO.	*2015 RO.*
Stores, spares, scaffolding materials and consumables	**6,423,172**	*5,996,211*
Construction materials	**5,693,489**	*4,958,468*
	12,116,661	*10,954,679*
Goods in transit	**852**	*40,316*
	12,117,513	*10,994,995*

5. ACCOUNTS AND OTHER RECEIVABLES

	2016 RO.	*2015 RO.*
Contract receivables – others	**82,932,797**	*55,301,784*
Contract receivables – related parties (note 5-a)	**5,583,768**	*4,734,225*
Contract retentions receivable – others (note 5-b)	**41,188,733**	*30,794,213*
Contract retentions receivable – related parties (note 5-a)	**3,445,389**	*3,444,494*
	133,150,687	*94,274,716*
Provision for expected credit losses (note 2.5-a)	**(4,475,669)**	*(4,200,616)*
	128,675,018	*90,074,100*
Amounts due from related parties (note 5-a)	**1,003,464**	*2,236,082*
Advances to subcontractors (note 5-c)	**964,974**	*658,011*
Advances to suppliers (note 5-d)	**427,976**	*279,783*
Prepaid expenses (note 5-e)	**265,410**	*658,431*
Other receivables	**337,335**	*349,019*
	131,674,177	*94,255,426*

a) Included in contract receivables – related parties, contract retentions receivables – related parties and amounts due from related parties is an amount of RO.6,864,368 (previous year RO.5,651,684) due from the ultimate parent company.

(b) Included in Contract retentions receivables - others are amounts of RO.21,319,157 (previous year RO.22,029,757) due after one year from the year end.

(c) Included in advances to subcontractors is an amount of RO.284,906 (previous year RO.Nil) paid to a related party.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2016 (CONTD.)

(d) Included in advances to suppliers is an amount of RO.2,381 (previous year RO.Nil) paid to a related party.

(e) Prepaid expenses include RO.22,698 (previous year RO.25,613) paid to a related party.

- The movements in the provision for expected credit losses account are as follows (refer note 2.5 (a):

	Amount RO.
Balance as at 1st January 2015 as per IAS 39	**—**
Adjustment on initial application of IFRS 9	**5,541,311**
Balance as at 1st January 2015 as per IFRS 9	**5,541,311**
Net re-measurement of loss allowance for the year 2015 as per IFRS 9	**(1,340,695)**
Balance as at 31st December 2015 as per IFRS 9	**4,200,616**
Net re-measurement of loss allowance for the year 2016 as per IFRS 9	**275,053**
Balance as at 31st December 2016 as per IFRS 9	**4,475,669**

- An age analysis of contract receivables and retentions that are past due but not impaired is as follows:

	2016 RO.	*2015 RO.*
3 months to 1 year	**29,401,231**	*8,204,360*
Over 1 year	**9,253,028**	*8,660,618*
	38,654,259	*16,864,978*

An analysis of trade receivables considered to be impaired due to non-recovery or perceived difficulty in recovery is as follows:

	2016 RO.	*2015 RO.*
Gross value	**4,475,669**	*4,200,616*
Provision	**(4,475,669)**	*(4,200,616)*
Carrying value	**—**	*—*
Contract receivables and retentions not past due and not impaired	**90,020,759**	*73,209,122*

6. CASH AND CASH EQUIVALENTS

Cash and cash equivalents included in the statement of cash flows comprise the following items:

	2016 RO.	*2015 RO.*
Cash on hand	**16,571**	*12,397*
Bank balances:		
Current and card accounts	**237,730**	*1,477,663*
Call deposits	**3,247**	*89,797*
	257,548	*1,579,857*

7. SHARE CAPITAL

	2016 RO.	*2015 RO.*
Shares of RO.1 each, fully paid	**1,457,144**	*1,457,144*

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2016 (CONTD.)

8. SHORT TERM BORROWINGS

	2016	*2015*
	RO.	*RO.*
Short term bank loans	**54,700,000**	*21,000,000*
Bank overdrafts	**3,929,306**	—
	58,629,306	*21,000,000*

Bank facilities are secured against assignment of project receivables from contracts, title to goods procured under LCs (for LC facility) and counter guarantee/indemnity of the company. Bank facilities are subject to financial and shareholding covenants.

9. ACCOUNTS AND OTHER PAYABLES

	2016	*2015*
	RO.	*RO.*
Trade accounts payable - others	**23,501,695**	*22,184,756*
Subcontract payables - others	**12,620,636**	*9,158,318*
Retentions payable - others (note 9-a)	**3,802,954**	*2,316,663*
Trade, subcontract and retentions payable – related parties (note 9-b)	**4,115,715**	*1,443,674*
Amounts due to related parties (note 9-b)	**1,412,059**	*992,589*
Accrued expenses (note 9-c)	**35,178,931**	*29,317,208*
Advance on contracts (note 9-d)	**26,564,995**	*43,342,660*
	107,196,985	*108,755,868*

(a) Included in retentions payable - others are amounts of RO.1,896,826 (previous year RO.906,679) payable after one year from the year end.

(b) Included in trade, subcontract and retentions payable – related parties and amounts due to related parties is an amount of RO.4,373,037 (previous year RO.1,657,413) due to the ultimate parent company, and RO.27,945 (previous year RO.87,586) retention payable after one year from the year end.

(c) Included in accrued expenses is an amount of RO.2,340,510 (previous year RO.93,929) due to related parties and an amount of RO.Nil (previous year RO.37,360) due to the ultimate parent company on account of trade dealings and services.

(d) Included in advance on contracts is an amount of RO.3,910 (previous year RO.3,910) received from a related party.

10. CONTRACT WORK IN PROGRESS

	2016	*2015*
	RO.	*RO.*
Contract costs incurred plus recognized profits less recognised losses	**385,560,066**	*453,974,989*
Progress billings	**357,536,136**	*427,816,905*
Advances received	**26,561,085**	*43,279,167*
Retentions receivable	**28,936,760**	*27,439,293*

11. RELATED PARTIES

The Company enters into transactions with parties that fall within the definition of a related party as contained in International Accounting Standard 24: Related Party Disclosures. The management considers such transactions to be in the normal course of business. Related parties comprise shareholders, companies under common ownership and/or common management control, parent company and ultimate parent company.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2016 (CONTD.)

The nature of significant related party transactions and the amounts involved are as follows.

	Ultimate Parent Company	Others	2016	2015
	RO.	RO.	RO.	RO.
Contract revenues	32,856	69,016	**101,872**	*615,872*
Contract costs and administrative expenses	2,736,625	5,216,721	**7,953,346**	*2,954,332*
Purchase of property, plant and equipment	73,034	99,809	**172,843**	*369,012*
Interest received	—	22,318	**22,318**	*16,767*

The balances with related parties at the year end have been separately disclosed in the financial statements under notes 5 and 9. The amounts due from and due to related parties include following amounts for trade and contract dealings:

a) Due from customers of RO.3,326,781 (previous year RO.4,787,195) and Due to customers of RO.Nil (previous year RO.1,427) are in respect of contracts executed for ultimate parent company and related parties.

12. CONTRACT COSTS

	2016	2015
	RO.	RO.
Materials consumed	**69,672,844**	*68,282,285*
Subcontract costs	**77,038,196**	*57,508,128*
Depreciation	**2,676,179**	*2,803,058*
Salaries, wages and benefits	**36,589,322**	*31,263,963*
Other contract costs	**20,557,080**	*12,085,022*
	206,533,621	*171,942,456*

The total expense recognised in the Statement of comprehensive income for staff end of service benefits amounts to RO.1,775,387 (previous year RO.1,530,707).

13. OTHER OPERATING INCOME

	2016	2015
	RO.	RO.
Profit on disposal of property, plant and equipment	**8,188**	*49,379*
Miscellaneous income	**10,108**	*635*
	18,296	*50,014*

14. ADMINISTRATIVE EXPENSES

	2016	2015
	RO.	RO.
Staff costs	**2,506,678**	*2,075,599*
Depreciation	**107,246**	*125,700*
Other administrative expenses	**808,836**	*854,610*
	3,422,760	*3,055,909*

15. TAXATION

a) On account of past accumulated tax losses, provision for tax for the current year has not been made in the financial statements. The accounting net profit for the year has been adjusted in respect of disallowances for the purpose of determining the taxable income for the year. As per the Income Tax Law in Oman, losses incurred shall be carried forward for five years after the expiry of the tax year in which they were incurred and shall be deducted in computation of taxable income of those years. The net accumulated losses of RO.15,727,591 for the tax years 2013 to 2015 are available for set off against future taxable income in Oman. Deferred tax asset on unused tax losses is

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2016 (CONTD.)

not recognised on account of uncertainty regarding availability of future taxable income against which the unused tax loss can be utilised. Taxation for the tax years 2011 to 2016 are subject to agreement with the taxation authorities. Additional tax liability that may arise in future on finalization of pending tax assessments for the tax years 2011 to 2016 is not expected to be material to the company's financial position, and would be paid for and accounted in the financial statements of the year in which the tax assessments are finalised.

b) The income tax expense per the statement of comprehensive income comprises:

	2016 **RO.**	*2015* *RO.*
Deferred tax		
Debit for current year Income tax expense in respect of depreciation adjustment based on depreciation as per tax law	**33,610**	*122,341*
(Credit)/debit for current year Income tax expense in respect of provision for expected credit loss	**(33,007)**	*160,883*
Net debit	**603**	*283,224*

c) Deferred income tax is calculated on all temporary differences under the balance sheet liability method using a tax rate of 12%. The deferred tax asset/liability in the statement of financial position and the deferred tax credit/debit to statement of comprehensive income for the year is attributable to the following items:

		2016 **Deferred tax liability/ (asset)** **RO.**	*2015* Deferred tax liability/ (asset) *RO.*
Deferred tax liability in respect of depreciation adjustment based on depreciation as per tax law	(i)	**394,956**	*361,346*
Deferred tax asset in respect of provision for expected credit loss		**(537,081)**	*(504,074)*
Deferred tax asset on hedging loss		**(58,960)**	*(40,271)*
	(ii)	**(596,041)**	*(544,345)*
Total	{(i) + (ii)}	**(201,085)**	*(182,999)*

d) The deferred tax asset on other comprehensive loss/income is as follows:

	2016 **RO.**	*2015* *RO.*
Fair value loss on forward currency/commodity contracts – Hedging liability	**(491,342)**	*(335,599)*
Deferred tax asset thereon	**58,960**	*40,271*
Hedging loss (net of deferred tax)	**(432,382)**	*(295,328)*

16. FINANCIAL INSTRUMENTS

16.1 CREDIT, INTEREST RATE AND EXCHANGE RATE RISK EXPOSURES

The management conducts and operates the business in a prudent manner, taking into account the significant risks to which the business is or could be exposed. The primary risks to which the business is exposed comprise credit, exchange rate, liquidity and interest rate risks.

Credit risk is managed by assessing the creditworthiness of potential customers and the potential for exposure to the market in which they operate, combined with regular monitoring and follow-up.

The company buys materials and services in foreign currencies and some contract revenues are receivable in foreign currencies. Exposure is minimised where possible by denominating such transactions in US dollars to which the Rials Omani is pegged.

Management continuously monitors its cash flows to determine its cash requirements and makes comparison with its funded and un-funded facilities with banks in order to manage exposure to liquidity risk.

Borrowing facilities are regularly reviewed to ensure that the company obtains the best available pricing, terms and conditions on it borrowings.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2016 (CONTD.)

Exposures to the aforementioned risks are detailed below:

Credit risk

Financial assets which potentially expose the company to credit risks and concentrations of credit risk comprise principally, bank current and card accounts, call deposit accounts, accounts and other receivables, amounts due from customers for contract work and amounts due from related parties. The maximum credit risk exposure of financial assets recognized in the Statement of financial position approximate to the carrying amount of the assets net of provision for expected credit losses.

The company's bank current and call deposit accounts are placed with reputed financial institutions. At the yearend date, 68% of contract receivables and retentions were due from three customers (previous year 44% due from two customers). At the yearend date, contract receivables and retentions of RO.39,127,363 (previous year RO.38,954,182), variation works / claims dues of RO.1,702,671 (previous year RO.992,970), old dues from customers for contract work for completed jobs (which includes dues for additional works/claims) of RO.2,464,259 (previous year RO.2,020,981) and old dues from customers for jobs in progress (which includes dues for additional works/claims) of RO.9,797,505 (previous year RO.12,736,704) are in the process of being certified by consultants/clients. Further, certified contract amounts of RO.10,211,840 (previous year RO.11,103,991) outstanding for more than a year are being followed up for recovery.

There are no other significant concentrations of credit risk with any single debtor or group of companies or to debtors from a particular industry or to debtors outside the country in which the company operates.

Credit Risk exposure on specific jobs

i. At the year end RO.4,283,791 (including uncertified contract receivables of RO.403,990 and due from customer for contract work of RO.1,420,981) is receivable from a related party for a job executed by the company in the year 2010. Whilst the ultimate outcome of the aforesaid contract matter is uncertain and subject to future negotiations, provision for expected credit losses amounting to RO.1,937,296 has been made against the contract and retention receivables pertaining to this job. The management believes that the said matter would be suitably resolved in future and the provision of RO.1,937,296 is adequate to cover any shortfall in the ultimate realization of the total dues (including amount due from customer i.e. unbilled revenue) aggregating to RO.4,283,791.

ii. At the year end, contract and retentions receivable outstanding for a job executed by the company for the ultimate parent company are short confirmed by RO.444,993. Whilst the ultimate outcome of the aforesaid contract matter is uncertain and subject to future negotiations, no provision for possible loss on this matter has been made in the financial statements as the management believes that the said matter would be suitably resolved in future without any material impact on the company.

Interest rate risk

The bank call deposits and borrowings are at fixed commercial interest rates at levels which are generally obtained in Sultanate of Oman, and are therefore exposed to fair value interest rate risks. Some of the bank borrowings are at floating interest rates linked to LIBOR and are therefore exposed to cash flow interest rate risks. Most of the other financial assets and financial liabilities are non interest bearing. Reasonably possible changes to interest rates at the year end date are unlikely to have a significant impact on profit or equity.

Exchange rate risk

There are no significant exchange rate risks, as substantially most of the financial assets and financial liabilities are denominated in Rials Omani or UAE Dirhams/US Dollars to which the Rial Omani is fixed, except for the following amounts.

Currency	**Accounts payable & accruals**		**Bank balances**	
	2016 RO.	*2015 RO.*	**2016 RO.**	*2015 RO.*
Japanese Yen	**—**	—	**1,016**	*988*
Euro	**2,700,867**	*9,962,312*	**1,756**	*4,786*
Great Britain Pound	**—**	—	**368**	*84,188*
Swiss Francs	**—**	*1,327,944*	**99**	*83*
Indian Rupees	**—**	—	**8**	*8*

Reasonably possible changes to exchange rates at the year end are unlikely to have a significant impact on profit or equity.

As part of its risk management, the company enters into forward foreign exchange and commodity contracts to hedge its exposure to exchange rate movements and prices on specific hedged items. At the year end date, the company had entered into the following contracts:

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2016 (CONTD.)

Forex	Average exchange rate		Amount to be paid	
	2016 RO.	*2015 RO.*	**2016 RO.**	*2015 RO.*
a) Forward purchase of Euros against OMR				
In 3 months or less	**0.41407**	*0.42507*	**3,491,634**	*9,281,882*
Between 3 to 12 months	**0.44050**	*0.42824*	**4,123,053**	*3,979,039*
Over 12 months	—	*0.43009*	—	*520,407*
b) Forward purchase of GBP against OMR				
Between 3 to 12 months	—	*0.59118*	—	*118,236*
c) Forward purchase of CHF against OMR				
In 3 months or less	**0.37600**	*0.38001*	**733,200**	*569,858*
Between 3 to 12 months	—	*0.39664*	—	*986,614*
d) Forward purchase of USD against OMR				
In 3 months or less	**0.38865**	—	**6,995,700**	—

The negative fair value of RO.432,382 (Previous year negative fair value RO.207,090) on the above forward foreign currency hedging contracts at the year end is accounted (net of deferred tax) under other comprehensive income in the financial statements.

Commodity	Average commodity rate		Amount to be paid	
	2016 RO.	*2015 RO.*	**2016 RO.**	*2015 RO.*
a) Forward purchase of Copper against US Dollars				
In 3 months or less	—	*1,972*	—	*1,193,266*
b) Forward purchase of Aluminium against US Dollars				
In 3 months or less	—	*568*	—	*48,244*

The negative fair value of RO.Nil (previous year negative fair value RO.88,238) on the above forward commodity hedging contracts at the year end is accounted (net of deferred tax) under other comprehensive income in the financial statements.

16.2 FAIR VALUES

The fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

16.2.1 Classification

(a) Contract and retention receivables are measured at amortized cost.

(b) Hedging liability is measured at fair value

(c) All other financial asset and liabilities are disclosed at cost or if the impact is material at amortized cost.

16.2.2 Hedging liability measured at fair value

The following table provides an analysis of hedging liability (pertaining to forward exchange contracts used for hedging) that is measured subsequent to initial recognition at fair value, grouped into Levels 1 to 3 based on the degree to which fair value is observable:

	Level 1		Level 2		Level 3		Total	
	2016 RO.	*2015 RO.*	**2016 RO.**	*2015 RO.*	**2016 RO.**	*2015 RO.*	**2016 RO.**	*2015 RO.*
Hedging liability At fair value (as at 31st December 2016)	—	—	**491,342**	*335,599*	—	—	**491,342**	*335,599*

Fair value of other financial instruments are not disclosed separately in the financial statements since the carrying amounts are reasonable approximation of fair value.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2016 (CONTD.)

Liquidity risk

The company limits its liquidity risk by ensuring that adequate bank facilities are available to enable it to meet its obligations as they fall due for payment. The maturity analysis of the company's financial liabilities as at the year end is given below:

	Less than 3 months	3 to 12 months	1 year to 5 years	Total
	RO.	RO.	RO.	RO.

17. CAPITAL RISK MANAGEMENT

The company's objectives when managing capital is to ensure that the company continues as a going concern, maintains an optimal capital structure to reduce the cost of capital, and to provide the shareholders with a rate of return on their investment commensurate with the level of risk assumed. Capital comprises equity funds as presented in the Statement of financial position. Debt comprises total amounts owing to third parties, net of cash and cash equivalents.

18. CONTINGENT LIABILITIES

	2016	*2015*
	RO.	*RO.*
Bankers' letters of guarantee	**98,983,797**	*97,718,576*

As is common in the contracting industry, there are certain ongoing pending matters under negotiations with the clients/consultants relating to possible penalties for delays in job completion, claims of suppliers/subcontractors not accepted by the company, work disputes, recovery of uncertified contract/variation work dues, etc., whose actual occurrence and financial impact cannot be ascertained at the present stage.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2016 (CONTD.)

19. PURCHASE COMMITMENTS

	2016 RO.	*2015* *RO.*
Letters of credit – Utilised	**7,817,504**	*11,504,523*
Letters of credit – Acceptances	**3,839,066**	*7,775,075*
	11,656,570	*19,279,598*

20. COMPARATIVE INFORMATION

(a) Previous year's figures have been reclassified as follows as it is considered that the revised classification, which has been adopted in the current accounting year, more fairly presents the state of affairs and results of operations:

Reclassified from	Reclassified to	Amount RO.
Amounts due from related parties (note 5)	Contract receivables – related parties (note 5)	4,734,225
Amounts due from related parties (note 5)	Contract retentions receivable – related parties (note 5)	3,444,494
Amounts due to related parties (note 9)	Trade, subcontract and retentions payable – related parties (note 9)	1,443,674

(b) On account of initial application of IFRS 9 Financial Instruments with retrospective effect, previous year's figures pertaining to provision for expected credit losses, deferred tax asset and retained earnings as at 1st January 2015 and as at 31st December 2015 have been restated. This has impacted the statement of comprehensive income for the year ended 31st December 2015 and the statement of financial position as at 1st January 2015 and 31st December 2015. (refer note 2.5 (a)).

BOARD'S REPORT

2. CAPITAL EXPENDITURE:

As at March 31, 2017 the gross fixed and intangible assets including leased assets, stood at ₹ 3.55 crore and the net fixed and intangible assets, including leased assets, at ₹ 2.44 crore. Capital Expenditure during the year amounted to ₹.0.24 crore.

3. SUBSIDIARY/ASSOCIATE/JOINT VENTURE COMPANIES:

Your Company has no subsidiaries as defined under the Companies Act, 2013.

4. CHANGE IN THE NATURE OF BUSINESS, IF ANY:

During the year under review there were no changes in the nature of Business.

5. CHANGES IN SHARE CAPITAL, IF ANY:

There is no change in the share capital of the company during the year

6. PARTICULARS OF CONTRACTS OR ARRANGEMENTS WITH RELATED PARTIES:

The Company has entered into transactions with related parties during the year, the details of which are provided in Note No. 32 (16) forming part of the financial statements.

All the related party transactions were in the ordinary course of business and at arm's length terms.

7. STATE OF COMPANY AFFAIRS:

The gross sales and other income for the financial year under review were ₹.16.19 crore as against ₹ 18.09 crore for the previous financial year registering a decrease of 11%. During the year under review there was cost overrun in customer funded & in house research and development projects which mainly contributed for current year loss. The profit / (loss) before tax was ₹ (1.05) crore and the profit / (loss) after tax was ₹ (0.85) crore for the financial year under review as against ₹ 1.84 crore and ₹ 1.22 crore respectively for the previous financial year.

8. DIVIDEND:

Your Directors do not recommend payment of dividend for the year.

9. AMOUNTS TRANSFERRED TO RESERVES:

During the financial year the Company has not transferred any amount to its Reserves.

10. MATERIAL CHANGES AND COMMITMENTS AFFECTING THE FINANCIAL POSITION OF THE COMPANY, BETWEEN THE END OF THE FINANCIAL YEAR AND THE DATE OF THE REPORT:

There are no material changes and commitments affecting the financial position of the Company between the Balance Sheet date and the date of Board's Report.

11. CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO:

a) Consumption of Energy:-

The consumption of electricity by the Company for its operation is insignificant and negligible.

b) Technology Absorption:-

(i) the efforts made towards technology absorption - Nil

(ii) the benefits derived like product improvement, cost reduction, product development or import substitution - NA

(iii) in case of imported technology (imported during the last three years reckoned from the beginning of the financial year) - Nil and

(iv) the expenditure incurred on Research and Development – ₹.4,01,91,500/-

c) Foreign Exchange Earnings and Outgo:-

The Foreign Exchange earned in terms of actual inflows during the year is ₹.1,18,19,522/- and the Foreign Exchange outgo during the year in terms of actual outflows is ₹.6,45,84,415/-

12. RISK MANAGEMENT POLICY:

The Company has formulated a risk management policy and has in place a mechanism to inform the Board Members about risk assessment and minimization procedures and periodical review to ensure that executive management controls risk by means of a properly designed framework.

13. DETAILS OF DIRECTORS AND KEY MANAGERIAL PERSONNEL APPOINTED/RESIGNED DURING THE YEAR:

Mr. W.P. Parthasarathy, Director, retires by rotation and is eligible for re-appointment.

14. NUMBER OF MEETINGS OF THE BOARD OF DIRECTORS:

The Meetings of the Board are held at regular intervals with a time gap of not more than 120 days between two consecutive Meetings. Additional Meetings of the Board of Directors are held when necessary. During the year under review four (4) meetings were held on 4th May 2016, 26th August 2016, 2nd December 2016 and 18th January, 2017.

The Agenda of the Meeting is circulated to the Directors in advance. Minutes of the Meetings of the Board of Directors are circulated amongst the Members of the Board for their perusal.

15. ADEQUACY OF INTERNAL FINANCIAL CONTROLS:

The Company has designed and implemented a process driven framework for Internal Financial Controls ('IFC') within the meaning of the explanation to Section 134(5)(e) of the Companies Act, 2013. For the year ended March 31, 2017, the Board is of the opinion that the Company has sound IFC commensurate with the nature and size of its business operations and operating effectively and no material weaknesses exist. The Company has a process in place to continuously monitor the same and identify gaps, if any, and implement new and / or improved controls wherever the effect of such gaps would have a material effect on the Company's operations.

16. DIRECTORS' RESPONSIBILITY STATEMENT:

The Board of Directors of the Company confirms:

a) In the preparation of Annual Accounts, the applicable accounting standards had been followed along with proper explanation relating to material departures.

b) The Directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit / loss of the Company for that period.

c) The Directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities.

d) The Directors had prepared the Annual Accounts on a going concern basis.

e) The Directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and were operating effectively.

17. PROTECTION OF WOMEN AT WORKPLACE:

The parent company Larsen & Toubro Limited (L&T) has formulated a policy on 'Protection of Womens' Rights at Workplace' which is applicable to all group companies. This has been widely disseminated. There were no cases of sexual harassment received in the Company during 2016-17.

18. AUDITORS:

The Auditors, Eesh and Co., hold office until the conclusion of the ensuing Annual General Meeting. As per the provisions of the Companies Act, 2013, it is proposed to appoint M/s Eesh and Co. as Statutory Auditors for the period of five continuous years i.e. till conclusion of twenty seventh Annual General Meeting of the Company. The Appointment shall be ratified at every Annual General Meeting of the Company.

Certificate from Eesh and Co., has been received to the effect that they are eligible to act as auditors of the Company under Section 141 of the Companies Act, 2013.

19. DETAILS OF SIGNIFICANT & MATERIAL ORDERS PASSED BY THE REGULATORS OR COURTS OR TRIBUNALS:

During the year under review, there were no material and significant orders passed by the regulators or courts or tribunals impacting the going concern status and the Company's operations in future.

20. EXTRACT OF ANNUAL RETURN:

As per the provisions of Section 92(3) of the Companies Act, 2013, an extract of the Annual Return is attached as Annexure A to this Report.

21. DETAILS RELATING TO DEPOSITS, COVERING THE FOLLOWING:

The Company has not accepted any deposits during the year.

22. PARTICULARS OF LOANS, GUARANTEES OR INVESTMENTS:

The Company has not given any loans, guarantees, or made any investments during the financial year under Section 186 of the Companies Act 2013.

23. CORPORATE SOCIAL RESPONSIBILITY:

The requirement of constituting Corporate Social Responsibility Committee & incurring expenses of CSR activity is not applicable as per section 135 (1) of the companies Act 2013

24. ACKNOWLEDGEMENT

Your Directors take this opportunity to thank the customers, supply chain partners, employees, Financial Institutions, Banks, Central and State Government authorities, Regulatory authorities and all the various stakeholders for their continued co-operation and support to the Company.

For and on behalf of the Board

Place: Bengaluru	**J.D. PATIL**	**W.P. PARTHASARATHY**

INDEPENDENT AUDITOR'S REPORT

To The Board of Directors

SPECTRUM INFOTECH PRIVATE LIMITED,

Bengaluru

REPORT ON THE INDIAN ACCOUNTING STANDARDS (IND AS) FINANCIAL STATEMENTS

We have audited the accompanying Indian Accounting Standard (Ind AS) financial statements of Spectrum Infotech Private Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2017 and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flow, the Statement of Changes in Equity for the year then ended and a summary of significant accounting policies and other explanatory information (herein after referred to as " Ind AS financial statements").

MANAGEMENT'S RESPONSIBILITY FOR THE IND AS FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with relevant rules issued there-under.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on these Standalone Ind AS Financial Statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there-under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial controls relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the stand alone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS Financial Statements.

OPINION

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the financial position of the Company as at 31 March, 2017, and its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in "Annexure 1", a statement on the matters specified in the paragraph 3 and 4 of the order.
2. As required by Section 143(3) of the Act, we report that:
   (a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
   (b) in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
