All RPTs which are not at arm's length and/or which are not in the ordinary course of business are presented to the Board for an appropriate decision. All RPTs that were entered into during the FY 2016-17 were on an arm's length basis and were in the ordinary course of business and disclosed in the Financial Statement. There were no materially significant RPTs made by the Company with Promoters, Directors, Key Managerial Personnel or body corporate(s), which had a potential conflict with the interest of the Company at large. Accordingly, the disclosure of RPTs as required under the provisions of Section 134(3)(h) of the Act in Form AOC-2 is not applicable. The Directors draw attention of the Members to Notes to the Financial Statements which sets out related party disclosures.

INDEPENDENT AUDITORS' REPORT

To the members of L&T Access Distribution Services Limited

Report on the standalone Indian Accounting Standards (Ind AS) financial statements

We have audited the accompanying standalone Ind AS financial statements of L&T Access Distribution Services Limited ('the Company'), which comprise the balance sheet as at 31 March 2017, the statement of profit and loss (including other comprehensive income), the cash flow statement and the statement of changes in equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein after referred to as 'standalone Ind AS financial statements').

Management's responsibility for the standalone Ind AS financial statements

The Company's board of directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income,cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS prescribed under section 133 of the Act read with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

(Referred to in paragraph 2(f) under 'Report on other legal and regulatory requirements' of our report of even date)

Report on the internal financial controls under clause (i) of sub-section (3) of section 143 of the Companies Act, 2013 (the 'Act')

We have audited the internal financial controls over financial reporting of L&T Access Distribution Services Limited ('the Company') as of 31 March 2017 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable, to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involved performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of internal financial controls over financial reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone Ind AS financial statements.

Inherent limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility

of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on internal financial controls over financial reporting issued by the ICAI.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS: MARCH 31, 2017

1 Summary of significant accounting policies:

1.1 Background

L&T Access Distribution Services Limited (the 'Company') is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The principal shareholder of the Company as at 31st March, 2017 is L&T Finance Holdings Limited.

The Company's principal activity is to act as a distributor for in-house products and cross sell to existing customers.

1.2 Basis of preparation

These financial statements have been prepared in accordance with Indian Accounting Standard (Ind AS) notified under the Companies (Indian Accounting Standard) Rules, 2015 read with Section 133 of the Companies Act, 2013 with effect from 1st April 2016. Previous period numbers in the financial statements have been restated to Ind AS.

These financial statements are the first financial statements of the Company under Ind AS. Refer Note 34 for an explanation of how the transition from previous GAAP to Ind AS has affected the financial position, financial performance and cash flows. The Company has presented a reconciliation from the presentation of financial statements under Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 ("Previous GAAP") to Ind AS of Shareholders' equity as at 31st March 2016 and 1st April 2015 and of the comprehensive net income for the year ended 31st March 2016

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013.

1.3 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(a) Financial Assets

All financial assets are recognised initially at fair value. Transaction costs that are attributable to the acquisition of the financial asset (other than financial assets recorded at fair value through profit or loss) are added to the fair value measured on initial recognition of financial assets.

Financials assets are subsequently measured either at amortised cost, fair value through other comprehensive income (FVTOCI) or fair value through profit or loss (FVTPL) based on assessment of it's business model test and contractual cash flows characteristics.

The gains/ losses on sale of investments are recognised in the statement of profit and loss on the trade day. Profit or loss on sale of investments is determined on weighted average cost basis.

(b) Financial Liabilities

Trade and other payables represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are initially recognised at fair value, and subsequently carried at amortised cost.

1.4 Revenue recognition

Revenue is recognised when there is reasonable certainty of its ultimate realisation / collection.

Revenues from the various services that the Company renders are recognised when the following criteria are met: persuasive evidence of an arrangement exists, the services have been rendered, the fee or commission is fixed or determinable, and collectability is reasonably assured.

1.5 Employee benefits

Short term

All employee benefits payable wholly within twelve months of rendering the services are classified as short-term employee benefits. Benefits such as salaries, wages, short term compensated absences etc. and expected cost of bonus, ex-gratia are recognized in the period in which the employee renders the related service

Long term

The obligation for long term employee benefits such as Gratuity is recognised as defined benefits plan

Defined contribution plans

The Company's provident fund scheme is a defined contribution plan. The contribution paid/ payable under the scheme is recognized during the year in which the employee renders the related services

NOTES FORMING PART OF THE FINANCIAL STATEMENTS: MARCH 31, 2017 (Contd.)

Defined benefit plans

Expenses for defined-benefit gratuity plan are calculated as at the balance sheet date by an independent actuary in a manner that distributes expenses over the employee's working life.

The present value of the obligation under such defined benefit plans is determined based on actuarial valuation using the Projected Unit Credit Method, which recognizes each period of services as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plans, is based on the market yields on Government securities of a maturity period equivalent to the weighted average maturity profile of the related obligation at the balance sheet date.

Actuarial gains and losses are recognized in the period in which they incur directly in the other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Past service cost is recognized as expense on a straight-line basis over the average period until the benefits become vested.

1.6 Provisions, contingent liabilities and contingent assets

Provisions are recognised only when there is a present obligation as a result of past events and when a reliable estimate of the amount of the obligation can be made.

Contingent Liability is disclosed for (i) Possible obligations which will be confirmed only by future events not wholly within the control of the Company or (ii) Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation can not be made. Contingent Assets are not recognised.

Provisions, contingent assets and contingent liabilities are reviewed at each Balance sheet data.

1.7 Income Taxes

Current tax is determined as the amount of tax payable in respect of taxable income for the year as determined in accordance with the provision of Income Tax Act, 1961.

Deferred tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in financial statements. Deferred tax assets are recognised with regard to all deductible timing differences to the extent it is probable that taxable profit will be available against which deductible temporary differences can be utilised. When the Company carries forward unused tax losses and unabsorbed depreciation, deferred tax assets are recognised only to the extent it is probable that sufficient future taxable income will be available against which deferred tax assets can be realised. The carrying amounts of deferred tax assets are reviewed at each balance sheet date and reduced by the extent that it is no longer probable that sufficient taxable profit will be available to allow all or a part of the deferred tax asset to be utilised.

1.8 Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash and bank balances that have insignificant risk of change in value including term deposits, which have original durations up to three months, are included in cash and cash equivalents in the cash flow statement

1.9 Earnings per share

EPS is computed by dividing the net profit attributable to the equity shareholders by the weighted average number of equity shares outstanding during the reporting year. Number of equity shares used in computing diluted EPS comprises the weighted average number of shares considered for deriving basic earnings per share and also weighted average number of equity shares, which would have been issued on the conversion of all dilutive potential shares. Diluted EPS is computed using the weighted average number of equity and dilutive equity equivalent shares outstanding during the year except where the results would be anti-dilutive.

1.10 Property, plant and equipment and intangible assets

Property, plant and equipment are stated at original cost net of tax/duty credits availed, if any, less accumulated depreciation and cumulative impairment. Administrative and other general overhead expenses that are specifically attributable to construction or acquisition of fixed assets or bringing the fixed assets to working

NOTES FORMING PART OF THE FINANCIAL STATEMENTS: MARCH 31, 2017 (Contd.)

condition are allocated and capitalised as a part of the cost of the fixed assets.

Transition to Ind AS

On Transition to Ind AS, the group has elected to continue with the carrying value of all its property, plant and equipment recognised at 1st April, 2015 measured as per previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

1.11 Depreciation and Amortisation

Depreciation/Amortisation on assets carried at historical cost is provided based on useful life prescribed in Schedule II to the Companies Act, 2013. Fixed assets costing ₹ 5,000/- or less are fully depreciated in the year of purchase. Depreciation is charged for the full month in the month of purchase/sale even used for part of the month.

1.12 Impairment of Assets

Property, plant and equipment and intangible assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount, which is the higher of the asset's fair value less cost of disposal or its value in use.

33 Ind AS mandatory exceptions:

An entity's estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any differences in accounting policies), unless there is objective evidence that those estimates were in error.

Ind AS estimates as of April 1, 2015 are consistent with the estimates as at the same date made in conformity with previous GAAP. The group made estimates for following item in accordance with Ind AS at the date of transition as these were not required under previous GAAP:-
- Investment in Mutual Fund carried at FVPL.

34 Explanation Of Transition To Ind AS

The transition as at April 1, 2015 to Ind AS was carried out from Previous GAAP. The exemptions and exceptions applied by the Company in accordance with Ind AS 101 First–time Adoption of Indian Accounting Standards, the reconciliations of equity and total comprehensive income in accordance with Previous GAAP to Ind AS are explained below:

Reconciliations between Previous GAAP and Ind AS

Consequently, the loss for the year ended 31st March 2016 increased by ₹ 0.52 lakhs.

35 Proposed amalgamation of L&T Access Distribution Services Limited with L&T Capital Markets Limited:

On March 21, 2017 the Board of Directors of L&T Capital Markets Ltd (LTCM) and on March 22, 2017 the Board of Directors of L&T Access Distribution Services Limited (LTA) have approved the scheme of Amalgamation of LTA with LTCM.Considering that no business is intended to be carried out under LTA and since the business object of LTA is similar to LTCM, it was proposed to merge / amalgamate LTA with LTCM. The amalgamation will bring about simplicity in work, reduce various statutory and regulatory compliances and related costs, which presently have to be duplicated, reduce operational and administrative expenses and overheads, and ensure better cost and operational efficiencies.

On 31st March 2017 (Friday), 2 separate Company Applications have been filed on behalf of the Transferor (LTA) & Transferee (LTCM) Companies along with copy of the Scheme before the NCLT, Mumbai. The appointed date, as per the scheme of amalgamation is April 1, 2017 or such other date as may be directed by the National Company Law Tribunal, Mumbai bench.Thereafter on April 28, at hearing, NCLT has directed for holding of the meetings of the equity shareholders and dispensing with the convening of meetings of the secured and unsecured creditors of the Companies.

36 Previous year figures have been regrouped/ reclassified wherever necessary.

COMPANY'S POLICY ON DIRECTOR APPOINTMENT AND REMUNERATION

A) Background

Section 178 of the Companies Act, 2013 ("the Act") requires the Nomination and Remuneration Committee ("NRC") of the Company to formulate a Policy relating to the remuneration for the Directors, Key Managerial Personnel ("KMP") and other employees of the Company and recommend the same for approval of the Board. Further, Section

178(4) of the Act stipulates that the policy shall be disclosed in the Board's Report.

Further, Section 134 of the Act stipulates that the Board's Report shall include a statement on Company's Policy on directors' appointment and remuneration including criteria for determining qualifications, positive attributes, independence of director and remuneration for KMP and other employees.

The Board of Directors has, based on the recommendation of the NRC of the Company, approved the policy on Directors' appointment and remuneration for Directors, KMPs and other employees.

B) Brief Framework of the Policy

The objective of this Policy is:

a) to determine inter-alia, qualifications, positive attributes and independence of a Director;

b) to guide on matters relating to appointment and removal of Directors, and Senior Management;

c) to lay down criteria/evaluate performance of the Directors; and

d) to guide on determination of remuneration of the Directors, KMP and other employees.

C) Appointment of Director(s)

The NRC identifies and ascertains the integrity, professional qualification, expertise and experience of the person, who is proposed to be appointed as a director and appropriate recommendation is made to the Board with respect to his/her appointment.

Appointment of Independent Directors is subject to the provisions of Section 149 of the Act read with Schedule IV and rules thereunder, as the case may be. The NRC satisfies itself that the proposed person satisfies the criteria of independence as stipulated under Section 149(6) of the Act, before their appointment as an Independent Director.

No person is eligible to be appointed as a Director, if he/she is subject to any disqualifications as stipulated under the Act or any other law(s) for the time being in force.

Appointment of Managing Director and Whole-Time Director is subject to provisions of Sections 196, 197, 198 and 203 of the Act read with Schedule V and rules there under. The NRC ensures that a person does not occupy position as a Managing Director/Whole-Time Director beyond the age of seventy years, unless their appointment is approved by a Special Resolution passed by the Company in general meeting. No re-appointment is made earlier than one year before the expiry of term.

The Company has framed a Code of Conduct for its Directors. The Directors have to abide by the Code of Conduct and ensure compliance of the same.

D) Evaluation Criteria of Directors and Senior Management/Key Managerial Personnel/ Employees

- **Non-Executive Directors/Independent Directors**

  The NRC carries out evaluation of performance of Independent Directors/Non-Executive Directors every year ending March 31st on the basis of the following criteria:

  - Membership & attendance – Board and Committee Meetings
  - Contribution during such meetings
  - Active participation in strategic decision making
  - Inputs to executive management on matters of strategic importance
  - Such other matters as the NRC/Board may determine from time to time

- **Senior Management/KMPs/Employees**

  The HR Department carries out the evaluation of the aforementioned persons every year ending March 31st, with the Department Head(s)/ Management concerned. KPIs are identified well in advance at the commencement of the financial year. Performance benchmarks are set and evaluation of employees is done by the respective reporting Manager(s)/ Management to determine whether the performance benchmarks are achieved. The payment of remuneration/annual increment to the aforementioned persons is determined after the satisfactory completion of evaluation process.

  The HR Department of the Company is authorized to design the framework for evaluating the KMP/Senior Management Personnel/ Employees. The objective of carrying out the evaluation by the Company is to identify and reward those with exceptional performances during any financial year. Training and Development Orientation programs on a need basis are provided to employees, whose performance during any financial year does not meet the benchmark criteria.

E) Criteria for Remuneration

The Committee, while determining the criteria for remuneration for Directors and Senior Management/ other employees ensures that:

- the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate directors of the quality required to run the Company successfully;
- relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- remuneration to directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the Company and its goals.

PERFORMANCE EVALUATION

Pursuant to the provisions of the Act, the Board has carried out an annual evaluation of its own performance, the directors individually, as well as the Committees of the Board.

Manner of Evaluation

The NRC and the Board have laid down the manner in which formal annual evaluation of the performance of the Board, its Committees and individual directors has to be made.

It includes circulation of evaluation forms separately for evaluation of the Board and its Committees and Independent Directors/Non-Executive Directors of the Company.

The process of the annual performance evaluation broadly comprises:

a. Board and Committee Evaluation:

- Evaluation of Board as a whole and the Committees is done by the individual directors, followed by submission of collation to NRC and feedback to the Board.

b. Independent / Non-Executive Directors Evaluation:

- Evaluation done by Board members excluding the Director being evaluated is submitted to the Chairperson of L&T Finance Holdings Limited, the holding company and individual feedback provided to each Director.

c. Chairperson Evaluation:

- Evaluation done by Board members is submitted to the Chairperson of Nomination and Remuneration Committee of L&T Finance Holdings Limited, the holding company and feedback is provided to the Chairperson of the Company.

STATUTORY AUDITORS

Pursuant to the provisions of Section 139(2) of the Act and the rules made thereunder, Members at their Fourth AGM held on August 23, 2016 have appointed M/s. Sharp and Tannan, Chartered Accountants as the Statutory Auditors of the Company for a term of five years, i.e. from the conclusion of Fourth AGM till the conclusion of the Ninth AGM.

Further, in terms of Section 139(1) of the Act the appointment of statutory auditor is required to be placed for ratification at every AGM. Accordingly, the appointment of M/s. Sharp and Tannan, Chartered Accountants, as the Statutory Auditors of the Company, is placed for ratification by the Members at the ensuing Fifth AGM.

In this regard the Company has received a Certificate from the Auditors to the effect that ratification of their appointment, if made, would be in accordance with the provisions of section 141 of the Act. They have also confirmed that they hold a valid Peer Review Certificate issued to them by the Institute of Chartered Accountants of India (“ICAI”).

AUDITORS’ REPORT

The Auditors’ Report to the Shareholders for the year under review does not contain any qualification. The Notes to the Accounts referred to in the Auditors’ Report are self-explanatory and therefore do not call for any further clarifications under Section 134(3)(f) of the Companies Act, 2013.

PARTICULARS OF EMPLOYEES

VIGIL MECHANISM / WHISTLE BLOWER POLICY

Pursuant to Rule 7 of the Companies (Meetings of Board and its Powers) Rules 2014 read with Section 177(9) of the Act, the Company has framed and adopted Vigil Mechanism Framework to enable Directors and employees to report genuine concerns about unethical behaviour, actual or suspected fraud or violation of Code of Conduct.

Under the framework, the Company has set up a "Whistle Blower Investigation Committee" ("the Committee"). The Chairman of the Committee is the Chief Ethics Officer of the Company responsible for receiving, validating, investigating and reporting to the Audit Committee on this matter. The Chief Internal Auditor of L&T Financial Services is acting as the 'Chief Ethics Officer'.

The objective of this mechanism is to maintain a redressal system which can process all complaints concerning questionable accounting practices, internal controls and fraudulent reporting of financial information.

The mechanism framed by the Company is in compliance with the requirements of the Act and available on the website of the Company at http://www.ltfs.com.

PARTICULARS OF LOAN GIVEN, INVESTMENT MADE, GUARANTEE GIVEN AND SECURITY PROVIDED BY THE COMPANY

Details of loans given, investments made, guarantees given and securities provided, if any, are covered under the provisions of Section 186 of the Act and are given in the notes to the financial statements.

PARTICULARS OF CONTRACTS OR ARRANGEMENTS WITH RELATED PARTIES

In line with the requirements of the Companies Act, 2013 and pursuant to the recommendations of the Audit Committee ("AC"), the Board of Directors at its meeting held on July 17, 2014 had approved the Policy on transactions with related parties ("RPT Policy"), for the Company. The same is also available on the website of the Company at http://www.ltfs.com. The Policy intends to ensure that proper reporting approval and disclosure processes are in place for all transactions between the Company and related parties.

Key features of the RPT Policy are as under:

- All transactions with related parties ("RPTs") are referred to the AC of the Company for approval irrespective of its materiality. The AC, on the recommendation of the management, approves certain transactions with related parties which would occur on a regular basis or at regular intervals. The

AC, at the end of each year, appraises the position of the approved transactions to ensure that all necessary requirements are being complied with.

- All RPTs which are not at arm's length and / or which are not in the ordinary course of business are presented to the Board for an appropriate decision.

All RPTs that were entered into during the FY 2016-17 were on an arm's length basis and were in the ordinary course of business and disclosed in the Financial Statement. There were no materially significant RPTs made by the Company with Promoters, Directors, Key Managerial Personnel or body corporate(s), which had a potential conflict with the interest of the Company at large. Accordingly, the disclosure of RPT as required under the provisions of Section 134(3)(h) of the Act in Form AOC-2 is not applicable. The Directors draw attention of the Members to Notes to the Financial Statements which sets out related party disclosures.

RISK MANAGEMENT POLICY

The Company had framed and implemented Risk Management Policy which deals with the identification of risk in the business of the Company and which may threaten the existence of the Company. INDEPENDENT AUDITOR'S REPORT

To the members of L&T Capital Markets Limited

Report on the standalone Indian Accounting Standards (Ind AS) financial statements

We have audited the accompanying standalone Ind ASfinancial statements of L&T Capital Markets Limited ('the Company'), which comprise the balance sheet as at 31 March 2017, the statement of profit and loss (including other comprehensive income), the cash flow statementand the statement of changes in equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein after referred to as 'standalone Ind AS financial statements').

Management's responsibility for the standalone Ind AS financial statements

The Company's board of directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS prescribed under section 133 of the Act read with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the financial position of the Company as at 31 March 2017, and its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Other matters

The transition date opening balance sheet as at 1 April 2015 included in the standalone Ind AS financial statement, is based on the previously issued statutory financial statements prepared in accordance with the Companies (Accounting Standards) Rules, 2006 which were audited by other auditors on which they expressed an unmodified opinion dated 21 April 2015. The adjustments to these financial statements for the differences in the accounting principles adopted by the Company on transition to the Ind AS have been audited by us.

Our report is not qualified in respect of this matter.

Report on other legal and regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the central government of India in terms of section 143(11) of the Act, we give in Annexure A a statement on the matters specified in paragraphs 3 and 4 of the Order.

2. As required by section 143(3) of the Act, we report that:

   a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

   b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

   c) the balance sheet, the statement of profit and loss, the cash flow statement and statement of changes in equity dealt with by this report are in agreement with the books of account;

Management's responsibility for internal financial controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable, to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involved performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of internal financial controls over financial reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone Ind AS financial statements.

Inherent limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility

of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on internal financial controls over financial reporting issued by the ICAI.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

1 Background

L&T Capital Markets Limited (the 'Company') is a public company domiciled in India and incorporated on February 7, 2013 under the provisions of the Companies Act, 1956. The principal shareholder of the Company as at March 31, 2017 is L&T Finance Holdings Limited.

The Company's principal activity is distribution of third party investment products and investment advisory services to corporates and high networth individuals.

2 Summary of Significant Accounting Policies

2.1 Basis of Preparation

These financial statements have been prepared in accordance with Indian Accounting Standard (Ind AS) notified under the Companies (Indian Accounting Standard) Rules, 2015 read with Section 133 of the Companies Act, 2013 with effect from April 1, 2016. Previous period numbers in the financial statements have been restated to Ind AS.

These financial statements are the first financial statements of the Company under Ind AS. Refer Note 35 for an explanation of how the transition from previous GAAP to Ind AS has been affected the financial position, financial performance and cash flows. The Company has presented a reconciliation from the presentation of financial statements under Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 ("Previous GAAP") to Ind AS of Shareholders' equity as at March 31, 2016 and April 1, 2015 and of the comprehensive net income for the year ended March 31, 2016 (Refer Note 35).

The financial statements have been prepared on accrual basis and under the historical cost convention along with other permissible measurement basis.

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. The Company has ascertained its operating cycle as 12 months for the purpose of current–non current classification of assets and liabilities.

2.2 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(a) Financial Assets

All financial assets are recognised initially at fair value. Transaction costs that are attributable to the acquisition of the financial asset (other than financial assets recorded at fair value through profit or loss) are added to the fair value measured on initial recognition of financial assets.

Financials assets are subsequently measured either at amortised cost, fair value through other comprehensive income (FVTOCI) or fair value through profit or loss (FVTPL) based on assessment of it's business model test and contractual cash flows characteristics.

The gains / losses on sale of investments are recognised in the statement of profit and loss on the trade day. Profit or loss on sale of investments is determined on weighted average cost basis.

(b) Financial Liabilities

Trade and other payables represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are initially recognised at fair value, and subsequently carried at amortised cost.

2.3 Share Capital

Ordinary equity shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares are deducted against the share capital account.

2.4 Tangible Assets

Fixed assets are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Cost comprises purchase price, borrowing costs if capitalization criteria are met and any attributable cost of bringing the asset to its working condition for the intended use.

Gains or losses arising from sale of fixed assets are measured as difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss.

2.5 Depreciation on Tangible Fixed Assets

Depreciation on tangible fixed assets is provided on the straight line method using the rates arrived at based on useful life of the assets prescribed under

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017 (Contd.)

Schedule II of the Companies Act, 2013 which is also as per the useful life of the assets estimated by the management. Leasehold improvements are amortised over the primary lease period. Fixed assets costing up to ₹ 5,000 individually are depreciated fully in the year of purchase.

2.6 Intangible Assets and Amortization

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any. Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in the statement of profit and loss in the year in which the expenditure is incurred. Intangible assets are amortized on a straight line basis over the estimated useful economic life.

2.7 Impairment on Tangible and Intangible Assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's net price and its value in use. Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

2.8 Leases (where the company is lessee)

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term.

2.9 Employee benefits

Short term

Short term employee benefits include salaries, allowances and performance incentives. A liability is recognised for the amount expected to be paid under short-term cash bonus or profit sharing plans if the Company has a present legal or informal obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably. These costs are recognised as an expense in the Statement of Profit and Loss at the undiscounted amount expected to be paid over the period of service rendered by the employees to the Company.

Long term

The Company offers its employees long term benefits by way of defined contribution and defined benefit plans, of which some have assets in special funds or securities. The plans are financed by the Company and in the case of some defined contribution plans, by the Company along with its employees.

(a) Defined contribution plans - Provident Fund and Family Pension Fund

These are plans in which the Company pays pre-defined amounts to separate funds and does not have any legal or informal obligation to pay additional sums. These comprise of contributions to the employees' provident Fund and Family Pension Fund. The Company's payments to the defined-contribution plans are reported as expenses during the period in which the employees perform the services that the payment covers.

(b) Defined benefit plans - Gratuity

Expenses for defined-benefit gratuity plan are calculated as at the balance sheet date by an independent actuary in a manner that distributes expenses over the employees' working life using the projected unit credit method. These commitments are valued at the present value of the expected future payments, with consideration for calculated future salary increases, using a discount rate corresponding to the interest rate on government bonds with a remaining term that is almost equivalent to the average balance working period of employees. The fair values of the plan assets are deducted in determining the net liability. When the fair value of plan assets exceed the commitments computed as aforesaid, the recognised asset is limited to the net total of any cumulative

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017 (Contd.)

past service costs and the present value of any economic benefits available in the form of any refunds from the plan or reductions in future contributions to the plan.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the statement of other comprehensive income in the year in which they arise.

(c) Compensated Absences

The employees can carry-forward a portion of the unutilised accrued compensated absences and utilise it in future service periods or receive cash compensation on termination of employment. Since the compensated absences do not fall due wholly within twelve months after the end of the year in which the employees render the related service and are also not expected to be utilised wholly within twelve months after the end of such year, the benefit is measured as present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period on the basis of independent actuarial valuation using the projected unit credit method. The Company records an obligation for such compensated absences in the period in which the employee renders the services. The obligations are classified as current and are presented as short term provisions since the company does not have an unconditional right to defer settlement for at least months after the reporting period, regardless of when the actual settlement is expected to occur.

(d) Employee Stock Options schemes

The Employee Stock Options Scheme ("the Scheme") has been established by the ultimate holding company (i.e. L&T Finance Holdings Limited). The Scheme provides that employees are granted an option to subscribe to equity share of the ultimate holding company that vest in a graded manner. The options may be exercised within a specified period. Measurement and disclosure of Employee Share-based Payment Plan is done in accordance with SEBI (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999. The cost incurred by the holding company, in respect of options granted to employees of the Company is being charged to the statement of profit and loss, with a corresponding adjustment to equity over the vesting period and recovered by the holding Company.

2.10 Revenue Recognition

Revenue is recognised when there is reasonable certainty of its ultimate realisation/collection. The company recognises revenue when the amount of revenue can be reliably measured; when it is probable that future economic benefits will flow to the entity; and when specific criteria have been met for each of the Company's activities, as described below:

(a) Dividend income

Dividend income is recognised when the right to receive payment is established.

(b) Interest income

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the interest rate applicable.

(c) Profit or loss on Sale of Investments

The gains/losses on sale of investments are recognised in the Statement of Profit and Loss on the trade date. Gain or loss on sale of investments is determined after consideration of cost on a First in First out basis.

2.11 Claw-back Provision

Claw-back means recovery of upfront commission on distribution of units of mutual fund. Claw-back occurs when invested money is redeemed/switched out to any other mutual fund scheme or "Direct Plan" before completion of exit load period. Such recovery is made on a pro-rata basis, depending upon the number of days for which the investment continued in the fund before being redeemed/switched out.

Provision towards such claw-back of the upfront

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017 (Contd.)

commission on distribution of units of mutual fund is made based on management estimate of premature redemption of the mutual fund units by the clients.

2.12 Foreign Currency Transactions

All transactions in foreign currency are recognized at the exchange rate prevailing on the date of transaction.

Foreign currency monetary items are reported using the exchange rate prevailing at the close of the financial year.

Exchange difference arising on the settlement of monetary items or on the restatement of company's monetary items at rates different from those at which they were initially recorded during the year, or reported in the previous year financial statement are recognized as income or as expenses in the year in which they arise.

2.13 Overhead Support Charges

Overhead support charges represent common costs allocated by group companies pursuant to cost sharing agreements

2.14 Income Taxes

Income taxes are accounted for in accordance with Ind AS 12 "Income Taxes". Tax expense comprises both current tax and deferred tax.

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities.

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, the carry forward of unused tax credits and unused tax losses can be utilised.

2.15 Provisions, Contingent Liabilities & Contingent Assets

The Company recognizes a provision when there is a present obligation as a result of past event on which it is probable that there will be outflow of resources to settle the obligation in respect of which reliable estimates can be made.

Contingent Liabilities are disclosed by way of notes to Financial Statements after careful evaluation by the management of the facts and legal aspects of the matter involved.

Contingent Assets are disclosed in the financial statement when an inflow of economic benefits are probable.

2.16 Earning Per Share

Basic earning per share is calculated by dividing the profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

Number of equity shares used in computing diluted EPS comprises the weighted average number of shares considered for deriving basic earnings per share and also weighted average number of equity shares which would have been issued on the conversion of all dilutive potential shares.

3 Critical Estimates and judgements

The preparation of the financial statements in conformity with Ind AS requires the management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Accounting estimates could change from period to period. Actual results could differ from these estimates and the differences between the actual results. The estimates are recognised in the periods in which the results are known/materialise.

The areas involving critical estimates or judgements are:

(i) Estimation of current tax expense, payable and tax credits - There are transactions and calculations for which the ultimate tax determination is uncertain and would get finalized on completion of assessment by tax authorities. Where the final tax outcome is different from the amounts that were initially recorded, such differences will impact the income tax and deferred tax provisions in the period in which such determination is made.

d) Fair value hierarchy

This section explains the estimates and judgements made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in financial statements. To provide an indication about the reliability of the inputs used in determining the fair value, the Company has classified its financial instruments into three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

(₹ In lakhs)

Financial Assets and Liabilities measured at fair value- recurring fair value measurements	Notes	Level 1	Level 2	Level 3	Total
Financial Assets					
Financial Investments at FVTPL	7				
Mutual funds- growth plan					
At March 31, 2017		512.24	-	-	512.24
At March 31, 2016		532.19	-	-	532.19
At April 1, 2015		470.57	-	-	470.57

Level 1 hierarchy- It includes financial instruments measured using quoted prices in active markets for identical assets or liabilities.. This includes mutual funds which are valued using the closing NAV.

Level 2 hierarchy- It includes financial instruments measured using valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 hierarchy- It includes financial instruments measured using valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

There are no transfers between level 1 and level 2 and level 3 during the year.

(ii) Fair value of financial assets and liabilities measured at amortised cost

The carrying amounts of trade receivables, trade payables, other current liabilities and cash and cash equivalents are considered to be the same as their fair values, due to short-term nature.

Notes to reconciliations between Previous GAAP and Ind AS

Change in fair valuation of investments in mutual funds:

(a) Under previous GAAP, current investments were measured at lower of cost or fair value whereas under Ind AS, financial assets including Investment in Mutual Funds, have been classified as fair value through statement of profit and loss and changes in fair value are recognised in statement of profit or loss.

(b) Security deposits paid, being financial assets are remeasured at amortised cost and interest on remeasured of security deposit adjusted with advance lease rentals.

(c) Lease equalisation expense is reversed under Ind AS. Accounting for lease rentals on accrual basis under IND AS v/s straight line basis under IGAAP.

(d) Under previous GAAP, cost of equity settled employee share-based plan were recognised using intrinsic value method. Under Ind AS, the cost of equity settled employee share based plan is recognised based on fair value of the options as at the grant date.

36 Dues to micro, small and medium enterprises

There are no amounts that need to be disclosed in accordance with the Micro Small and Medium Enterprise Development Act, 2006 (the 'MSMED') pertaining to micro or small enterprises.

For the year ended March 31, 2017, no supplier is getting covered under MSMED.

37 On March 21, 2017 the Board of Directors of L&T Capital Market Limited (LTCM) and on March 22, 2017 the Board of Directors of L&T Access Distribution Services Limited (LTA) have approved the scheme of Amalgamation of LTA with LTCM.

Considering that no business is intended to be carried out under LTA and since the business object of L&T Access is similar to LTCM, it was proposed to merge/amalgamate LTA with LTCM. The amalgamation will bring about simplicity in work, reduce various statutory and regulatory compliances and related costs, which presently have to be duplicated, reduction in operational and administrative expenses and overheads and better cost and operational efficiencies.

On March 31, 2017, two separate Company Applications have been filed on behalf of the Transferor (LTA) & Transferee (LTCM) Companies along with copy of the Scheme before the NCLT, Mumbai.

The appointed date, as per the scheme of amalgamation is April 1, 2017 or such other date as may be directed by the National Company Law Tribunal, Mumbai bench.

Thereafter on April 28, 2017 at hearing, NCLT has directed for holding of the meetings of the equity shareholders and dispensing with the convening of meetings of the secured and unsecured creditors of the Companies.

INFORMATION ON THE STATE OF AFFAIRS OF THE COMPANY

PERFORMANCE OF BUSINESSES

Farm Equipment Finance

This includes loans in respect of products such as farm equipment i.e. Tractor and Harvester. The product is intended for farmers and hence there is an element of seasonality that coincides with the harvest cycle. Farm Equipment Finance is one of our core businesses and the growth trajectory here has been regained in the second half of the year after the onset of normal monsoons this year.

Two Wheeler Finance

The two wheeler finance portfolio includes loans made in respect of two wheelers. Two wheeler finance is one of the core businesses of the Company. The past year was a year of transformation which saw us launch the Sangam platform which gives us a competitive advantage of lowest TAT over the competition.

Microfinance

Microfinance business includes loans made to women in rural areas under the joint liability group model. The year saw rapid expansion in the first half and then a swift move to cashless disbursement post demonetization. We have started business in Chattisgarh also in this financial year.

Mid and Large Corporations

This includes products such as Lease, Structured Term

Loans and Loan against Securities.

During the year under review, the Company has improved deal origination and sourcing capabilities. Further, the risk monitoring of portfolio has been made more frequent as well as more intensive. The Company introduced new products in this segment to enhance growth in this segment. Various resolution and recovery mechanisms helped maintain control over the GNPA ratio.

FINACIAL PERFORMANCE OF THE COMPANY

The Company has achieved enhanced business performance during the year under review, in comparison with the year ended March 31, 2016, in spite of the challenging economic environment and slowdown in several sectors. The performance of the Company is summarised as follows:

COMPANY’S POLICY ON DIRECTORS’ APPOINTMENT AND REMUNERATION

A) Background

Section 178 of the Companies Act, 2013 (“the Act”) requires the Nomination and Remuneration Committee (“NRC”) of the Company to formulate a Policy relating to the remuneration for the Directors, Key Managerial Personnel (“KMP”) and other employees of the Company and recommend the same for approval of the Board. Further, Section 178(4) of the Act stipulates that the policy shall be disclosed in the Board's Report.

Further, Section 134 of the Act stipulates that the Board’s Report shall include a statement on Company’s Policy on directors’ appointment and remuneration including criteria for determining qualifications, positive attributes, independence of director and remuneration for KMP and other employees.

The Board of Directors has, based on the recommendation of the NRC of the Company, approved the policy on Directors’ appointment and remuneration for Directors, KMP and other employees.

B) Brief Framework of the Policy

The objective of this Policy is:

a) to determine inter-alia, qualifications, positive attributes and independence of a Director;

b) to guide on matters relating to appointment and removal of Directors, and Senior Management;

c) to lay down criteria/evaluate performance of the Directors; and

d) to guide on determination of remuneration of the Directors, KMPs and other employees.

C) Appointment of Director(s)

The NRC identifies and ascertain the integrity, professional qualification, expertise and experience of the person, who is proposed to be appointed as a director and appropriate recommendation is made to the Board with respect to his/her appointment.

Appointment of Independent Directors is subject to the provisions of Section 149 of the Act read with Schedule IV and rules thereunder, as the case may be. The NRC satisfies itself that the proposed person satisfies the criteria of independence as stipulated under Section 149(6) of the Act, before their appointment as an Independent Director.

No person is eligible to be appointed as a Director, if he/she is subject to any disqualifications as stipulated under the Act or any other law(s) for the time being in force.

Appointment of Managing Director and Whole-Time Director is subject to provisions of Sections 196, 197, 198 and 203 of the Act read with Schedule

V and rules there under. The NRC ensures that a person does not occupy position as a Managing Director/Whole-Time Director beyond the age of seventy years, unless the appointment is approved by a Special Resolution passed by the Company in general meeting. No re-appointment shall be made earlier than one year before the expiry of term.

The Company has framed a Code of Conduct for its Directors. The Directors have to abide by the Code of Conduct and ensure compliance of the same.

D) Evaluation Criteria of Directors and Senior Management/Key Managerial Personnel/ Employees

- Non-Executive Directors/Independent Directors

  The NRC carries out evaluation of performance of Independent Directors/Non-Executive Directors every year ending March 31st on the basis of the following criteria:

  - Membership & attendance – Board and Committee Meetings
  - Contribution during such meetings
  - Active participation in strategic decision making
  - Inputs to executive management on matters of strategic importance
  - Such other matters as the NRC/Board may determine from time to time

- Senior Management/ Key Managerial Personnel/ Employees

  The HR Department carries out the evaluation of the aforementioned persons every year ending March 31st, with the Department Head(s)/ Management concerned. KPIs are identified well in advance at the commencement of the financial year. Performance benchmarks are set and evaluation of employees is done by the respective reporting Manager(s)/ Management to determine whether the performance benchmarks are achieved. The payment of remuneration/annual increment to the aforementioned persons is determined after the satisfactory completion of evaluation process.

  The HR Department of the Company is authorized to design the framework for evaluating the KMP/Senior Management Personnel/ Employees. The objective of carrying out the evaluation by the Company is to identify and reward those with exceptional performances during any financial year. Training and Development Orientation programs on a need basis are provided to employees, whose performance during any financial year does not meet the benchmark criteria.

E) Criteria for Remuneration

The Committee, while determining the criteria for remuneration for Directors and Senior Management/ other employees ensures that:

- the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate directors of the quality required to run the Company successfully;
- relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- remuneration to directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

PERFORMANCE EVALUATION

Pursuant to the provisions of the Act, the Board has carried out an annual evaluation of its own performance, the directors individually, as well as the Committees of the Board.

Manner of Evaluation

The NRC and the Board have laid down the manner in which formal annual evaluation of the performance of the Board, its Committees and individual directors has to be made.

It includes circulation of evaluation forms separately for evaluation of the Board and its Committees and Independent Directors/Non-Executive Directors of the Company.

The process of the annual performance evaluation broadly comprises:

a. Board and Committee Evaluation:

- Evaluation of Board as a whole and the Committees is done by the individual directors, followed by submission of collation to NRC and feedback to the Board.

b. Independent / Non-Executive Directors Evaluation:

- Evaluation done by Board members excluding the Director being evaluated is submitted to the Chairperson of L&T Finance Holdings Limited, the holding company and individual feedback provided to each Director.

MANAGEMENT DISCUSSION AND ANALYSIS

MACRO-ECONOMIC REVIEW

India, a large and the fastest growing economy, continues to be a bright spot in the global landscape. It has been underpinned by strong private consumption and gradual introduction of significant domestic reforms. In FY17, the economy has grown by 7.1% and the foreign exchange reserves have grown to US$ 370 billion. India's Current Account Deficit (CAD) narrowed to 0.7% of it's GDP in FY17, compared with 1.1% in FY16, on the back of a contraction in trade deficit. Foreign Direct Investment inflows touched a new high of US$ 60.1 billion.

The move of demonetising in November 2016, made with the objective to curb black money in circulation, weighed on growth during the second half of FY17. This reflected in relatively weaker growth in manufacturing and rural consumption as well as services sector PMIs (Purchase Managers Indices) in H2, FY17. However, it is expected to have a positive long-term impact on the economy through better tax compliance, increase in Tax-to-GDP ratio and higher tax collections. Continued fiscal consolidation and an anti-inflationary monetary policy stance helped cement macro-economic stability.

OUTLOOK FOR FY18

Major leading indicators suggest that the economic activity is gradually improving. This is driven by improving global demand and a remonetisation-led pick-up in domestic activity. The International Monetary Fund (IMF) expects India to resume the 8% growth path in the medium term. This should happen as soon as the short-term dislocation to consumption from demonetisation passes. The nation is expected to remain the fastest growing economy on the back of high private consumption levels and gradually implemented domestic reforms.

Your Company sees growth picking up significantly, supported by a normal monsoon, modest costs of borrowing, pay hikes for state government employees and stronger export demand. Other growth supportive factors will be Government's continued thrust on physical infrastructure and the Real Estate (Regulation and Development) Act, 2016 (RERA), which will pave way for greater transparency and accountability in the real estate sector. The Goods & Services Tax, (GST) implemented in July 2017, will also have long term structural benefits, despite short-term execution and adjustment risks during the course of FY18.

POSSIBLE THREATS

As we get into an environment which is likely to be largely positive over medium to long term, there may be significant roadblocks in the shorter term. The implementation of GST is likely to cause certain short term disturbances. Despite recent push by the RBI, the resolution of stressed assets in the system is likely to take more time. Also the effect of various loan waivers on credit culture in the rural areas is still to be seen.

Your Company acknowledges these possible negative factors and has a plan to mitigate them through its deep domain knowledge, strong risk framework and an efficient collection mechanism.

RURAL FINANCE

The Company's strength in Rural Finance makes us one of the fastest growing NBFCs in this sector. Your Company is now a single brand under L&T Financial Services (LTFS) offering through multi channels, multiple financing products like Farm Equipment Finance, Two-Wheeler Finance and Microfinance.

Farm Equipment Finance

The tractor industry grew ~15% in FY17 after two continuous years of market contraction. The positive growth was on account of a normal monsoon cycle which has helped reinvigorate the demand in this sector. With monsoons expected to be normal, this industry is expected to grow at ~18-20% this year.

During the year, your Company gained market share, doubling its share of the pie of farm equipment financing to 9.4% in the second half of FY17, from 4.2% in the first half. However, the business witnessed a Y-o-Y contraction by 11% in disbursement, along with a book De-growth of 6%. This trend is expected to reverse in the current year which will help excellent growth in both disbursements and book.

Competitive Advantage

- Proven ability to last through the cycles
- Differentiated value proposition for top dealers
- Analytics driven business mix and channel management
- Technology led sourcing and credit decisioning for superior service proposition

Future Strategy

- Create a right portfolio mix across geographies, Original Equipment Manufacturers (OEMs) and distributors
- Digitise the entire process and provide a differentiated value proposition to the Company partners
- Capture higher counter share at chosen dealers through differentiated value proposition

Two-Wheeler Finance

The two-wheeler industry posted a healthy Y-o-Y growth of 8%. The market in FY18 is expected to remain stable with a demand influenced by structural factors like a growing middle class segment and urbanisation.

Technology - led sourcing along with analytics driven channel segmentation enabled the Company to gain market share. The Company's domain expertise and in-depth knowledge in chosen geographies have laid the foundation of its strong business growth. A well-established network and tie-ups with OEMs enabled your Company to retain a strong market position. In FY17, the two-wheeler finance business witnessed a Y-o-Y growth of 10% in disbursement, along with a book growth of 20%.

Competitive Advantage

- Technology led sourcing and decisioning
- Analytics driven channel selection and differentiated value proposition for top dealers
- Market depth in chosen geographies

Future Strategy

- Enhance TAT proposition through mobility solutions and automated credit decisioning
- Further increase market penetration in our chosen geographies and develop new locations
- Increase market depth by exploring entry into self-financed segment

Microfinance

The microfinance industry has recorded a 26% Y-o-Y growth in FY17. However, there has been a trend of decrease in growth since demonetisation. We believe that the decrease is not entirely attributable to demonetisation as other external factors and vested interests also impacted performance in certain geographies. Industry looks to be cautious and a pause in growth can be expected in the short term.

During FY17, your Company launched mobility solutions, aimed towards improving the operational efficiencies and making the disbursement process simpler. This move enabled your Company to achieve the highest single month disbursement of ₹ 470 Crores in September, 2016. The Company continued its key initiatives of enhancing customer reach, building scalability, and managing risks effectively, attaining process excellence and cost excellence. Microfinance business witnessed a Y-o-Y growth of 39% in disbursement, along with a book growth of 59%.

The post demonetisation period was marked with increased delays in repayments in certain geographies. While the situation has improved significantly from March 2017 onwards, your Company expects stress in some areas to continue for some more time. In line with its conservative polices, your Company has made adequate loan loss provisions in FY17 and will look to continue to do so based on how the situation develops.

Competitive Advantage

- Robust risk management framework
- Best in Industry productivity through differentiated business model
- Proven ability to scale rapidly
- An efficient and technology enabled delivery channel

Future Strategy

- Transform Microfinance into a steady state retail business by moving further towards a technology and analytics driven platform
- Expand into under penetrated new geographies to further enhance customer reach
- Further strengthen risk management framework, processes and systems

RISK MANAGEMENT

The transformation journey embarked by the Company involves rapid growth in our chosen businesses. Having embarked on this transformational journey, the Company recognises the criticality of risk management practices towards a longer term success. We have a robust management framework covering various families of risk like credit risk, portfolio risk, market risk and operational risk.

During FY17, your Company engaged a leading global risk management consultancy to further strengthen its risk management framework. Based on their recommendations, your Company is strengthening its capabilities in the four key areas to ensure that the businesses operate fearlessly within the defined risk appetite and risk tolerance levels.

1. **Risk Appetite Statement (RAS)**

   A robust RAS is set up that acts as a governing framework from board to front line to facilitate trade-offs between risk, value and growth. It helps in effective risk and return management while providing greater clarity and autonomy to businesses.

2. **Risk Dashboards & Early Warning Signals (EWS)**

   Dashboards should provide cross-risk view and are anchored to the Company's Risk Appetite Statement. It leverages risk measurement and analytics to further enhance early warning capabilities and to use those in driving decisions. EWS helps in timely identification of portfolios with increasing risk, enabling timely remedial measures (where applicable) and eventually driving lower NPAs.

3. **Treasury Risk Management**

   This gives the ability to effectively manage the Market Risk (liquidity and interest rate risks) emanating from the core businesses of the Company. A robust governance framework is set up to monitor and manage the Market Risk Operations.

4. **Risk-adjusted Pricing**

   This tool helps in tracking transaction level and portfolio level actual pricing vis-à-vis risk-adjusted pricing.Thus giving more clarity on value creation by products/portfolios. The pricing tool incorporates weighted average tenor, based on behavioural maturity in order to align with expected cash-flows.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

For details on internal control systems and their adequacy, refer Board Report.

HUMAN RESOURCES

As on March 31, 2017, your Company had a total workforce of 8,261 employees.

Your Company believes that this journey will become sustainable if we get three aspects right:

- Clarity and Communication of Management Intent
- A well-honed Execution Engine
- A performance oriented Culture

The Company's endeavour is to ensure that its HR processes are completely aligned with the above three aspects and they work towards creating leadership which makes the transformation smooth and sustainable.

1. **Clarity and Communications of Management Intent**

   The intent of the management is quite clear – to deliver top quartile RoE by profitable growth in the Company's focussed businesses. We take all efforts to make sure that this is communicated clearly across all levels of the organisation. This is done through a series of town halls which are a two-way communication platform between the organisation and employees to share a 360-degree update on the Company's mission of superior shareholder value creation. Also, very clear communication of expected performance and behaviours is ensured. These town halls are organised every quarter end, across cities, departments, functions and grades.

2. **A Well-honed Execution Engine**

   Your Company's chosen method of ensuring efficient execution is through a series of projects touching each aspect of strategy execution. These projects are towards creating Centres of Excellence in various aspects of the business. We have developed our own unique way of not only ensuring that these contribute to delivering results in line with the decided milestones, but also ensuring that these are used for effective Leadership Development. Each of these projects is headed by a hand-picked middle level executive. This develops the leadership qualities of the person as it requires working with multi-functional teams and also exposes the person to close senior management reviews.

CORPORATE SOCIAL RESPONSIBILITY

Corporate Social Responsibility (CSR) witnessed a transformation during FY17. The Company's over-arching theme of sustainable Livelihoods was revisited to align to the larger needs of the rural ecosystem - through Integrated Water Resource Management (IWRM). LTFS committed itself to come up with long-term innovative solutions benefitting the water-deprived communities. The IWRM programme engaged with communities to implement interventions in order to address their core needs in water and facilitate the rural economy through agriculture and allied activities.

In addition to this, your Company also focussed on Financial Literacy. It helped in spreading the message of financial literacy to rural India, resulting in enhanced absorption of facilities and schemes granted by the Government and other financial institutions.

Thrust areas were re-modelled to rake in the 3S approach which believes in:

- Social Impact through right projects aligned with Company's focussed businesses
- Sustainable development creating right structures
- Achieve scale by collaborating with right partners

Highlights

- Constructing water harvesting structures, known as Dohas
- Creating disaster relief shelters, towards the Tamil Nadu floods
- Nurturing 100 Integrated livelihood development centres in villages
- Initiating remedial education programmes
- Garnering volunteers from the organisation (Boondein) to contribute towards CSR initiatives

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF L&T FINANCE LIMITED (formerly FAMILY CREDIT LIMITED)

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of L&T FINANCE LIMITED(formerly FAMILY CREDIT LIMITED)(the "Company"), which comprise the Balance Sheet as at 31st March, 2017, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (the "Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the branch auditors and other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2017, and its profit and its cash flows for the year ended on that date.

Emphasis of Matter

We draw attention to note 29.15 of the financial statements which explains the basis for recording interim dividend paid by an amalgamating company in the financial statements of the Company.

Our opinion is not modified in respect of these matters.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, based on our audit,we report, to the extent applicable that:

   a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account.

d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards prescribed under section 133 of the Act.

e) On the basis of the written representations received from the directors as on 31st March, 2017taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.

f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

   i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements;

   ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

   iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

   iv. To the best of our information and according to the information and explanations given to us, we report that, except where, for reasons explained in note no. 29.14 to the financial statements, the disclosures with regard to the Specified Bank Notes ("SBNs") were restricted to readily available information and also considering that certain amounts directly deposited into the bank accounts by the customers for which information relating to SBNs was not available has been classified as "Permitted receipts/ Other Denomination Notes", the Company has provided requisite disclosures in the financial statements as regards its holding and dealings in SBNs, as defined in the Notification S.O. 3407(E) dated 8th November, 2016, of the Ministry of Finance, during the period from November 9, 2016 to December 30, 2016. Based on audit procedures performed by us and the representations provided to us by the management, we report that the disclosures are in accordance with the relevant books of accounts maintained for the purpose of preparation of the financial statements and as produced before us by the management.

2. As required by the Companies (Auditor's Report) Order, 2016 (the "CARO 2016 Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

We have audited the internal financial controls over financial reporting of L&T FINANCE LIMITED(formerly Family Credit Limited) (the "Company") as of March 31, 2017 in conjunction with our audit of the standalonefinancial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31, 2017

1. Basis of accounting and preparation of financial statements and summary of significant accounting policies

1.1 Basis of accounting and preparation of financial statements

The financial statements of the Company have been prepared in accordance with Generally Accepted Accounting Principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the Accounting Standards notified under section 133 of the Companies Act 2013, and the provisions of the Reserve Bank of India ('RBI') as applicable to a non banking financial company. The financial statements have been prepared under historical cost convention on an accrual basis.

The accounting policies adopted in preparation of financial statements are consistent with those used in the previous year.

1.2 Summary of significant accounting policies

1.2.1 Use of Estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expense during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

1.2.2 Cash flow Statements

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

1.2.3 Tangible and Intangible Fixed Assets

Fixed assets are carried at cost less accumulated depreciation/amortisation and impairment losses, if any. The cost of fixed assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use.

Fixed assets acquired in full or part exchange for another asset are recorded at the fair market value or the net book value of the asset given up, adjusted for any balancing cash consideration. Fair market value is determined either for the assets acquired or asset given up, whichever is more clearly evident. Fixed assets acquired in exchange for securities of the Company are recorded at the fair market value of the assets or the fair market value of the securities issued, whichever is more clearly evident.

Capital Work in Progress: Projects under which tangible Fixed assets are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

Intangible assets not ready for the intended use on the date of balance sheet are disclosed as "Intangible assets under development".

1.2.4 Depreciation on Tangible Fixed Assets

Depreciation on tangible fixed assets is provided on the straight line method using the rates arrived at based on useful life of the assets prescribed under Schedule II of the Companies Act, 2013 which is also as per the useful life of the assets estimated by the management.

Intangible assets are amortised over their estimated useful life on straight line method as follows:

Computer software- 3 years

NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31, 2017 (Contd.)

The estimated useful life of the intangible assets and the amortisation period are reviewed at the end of each financial year and the amortisation period is revised to reflect the changed pattern, if any.

Particulars	Nature	Useful Life adopted (in years)	Useful Life as per Schedule II (in years)
Plant & Equipments	Operating Lease	8.84	15
Motor car	Operating Lease	6.67	8

Fixed assets costing upto ₹ 5,000 individually are depreciated fully in the year of purchase.

1.2.5 Impairment of tangible and intangible assets

Tangible fixed assets and intangible assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount, which is the higher of the asset's net selling price or its value in use.

1.2.6 Investments

Investments which are readily realisable and intended to be held for not more than a year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments. Current investments are valued scrip-wise and depreciation/appreciation is aggregated for each category. Net appreciation in each category, if any, is ignored, while net depeciation is provided for.

Long-term investments are carried at acquisition/amortised cost. Investment in debentures which are, in substance, in the nature of credit substitutes are classified as a part of Loans towards financing activities and are measured in accordance with the criteria applied for the measurement of loans towards financing activities. Provision is made for diminution other than temporary on an individual investment basis.

1.2.7 Revenue Recognition

(a) Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured and there exists reasonable certainty of its recovery.

(b) Interest from interest-bearing assets is recognised on an accrual basis over the life of the asset based on the constant effective yield. The effective interest is determined on the basis of the terms of the cash flows under the contract including related fees, premiums, discounts or debt issuance costs, if any. Interest and other dues in the case of non-performing loans is recognised upon realisation, as per the income recognition and asset classification norms prescribed by the RBI.

(c) Revenues from the various services that the Company renders are recognised when the following criteria are met: persuasive evidence of an arrangement exists, the services have been rendered, the fee or commission is fixed or determinable, and collectability is reasonably assured.

1.2.8 Other Income

Dividend is accounted when the right to its receipt is established.

1.2.9 Classification and provisioning of loan portfolio

Loans towards financing activities are classified under four categories i.e. (i) Standard Assets (ii) Sub- Standard Assets (iii) Doubtful Assets and (iv) Loss Assets in accordance with RBI Guidelines.

In respect of Loans and Debentures / Bonds in the nature of advances where interest is not serviced, provision for diminution is made as per parameter applicable to Non-Performing Advances.

Provision on restrcutured advances/corporate debt restructure advances is made at in accordance with the guidelines issued by the RBI.

NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31, 2017 (Contd.)

Provision on standard assets is made as per provisioning policy of the Company subject to minimum as stipulated as in RBI Guidelines or where additional specific risks are identified by the Management, based on such identification.

1.2.10 Retirement and other employee benefits

i) Defined–Contribution Plans

The Company offers its employees defined contribution plans in the form of provident fund and family pension fund. Provident fund and family pension funds cover substantially all regular employees. Contributions are paid during the year into separate funds under certain statutory / fiduciary-type arrangements. Both the employees and the Company pay predetermined contributions into provident fund and family pension fund. The contributions are normally based on a certain proportion of the employee's salary.

ii) Defined–Benefits Plans

The Company makes annual contributions to the Fund administered by trustees and managed by an insurance company. The Company accounts for the net present value of its obligations for gratuity benefits based on an independent external actuarial valuation determined on the basis of the "Projected Unit Credit" method carried out at the Balance Sheet date. Actuarial gains and losses are immediately recognised in the Statement of Profit and Loss.

iii) Other Employee Benefits

Compensated absences which accrue to employees and which can be carried to future periods but are expected to be encashed or availed in the 12 months immediately following the period / year end are reported as expense during the year in which the employees perform services that the benefit covers and the liabilities are reported at the undiscounted amount of the benefit after deducting amounts already paid.

Where there are restrictions on availment / encashment of such benefits or where the availment is otherwise not expected to wholly occur in the next 12 months, the liability on account of the benefits is actuarially determined using the Projected Unit Credit method.

1.2.11 Foreign Currency Transactions

(i) All transactions in foreign currency are recognised at the exchange rate prevailing on the date of the transaction.

(ii) Foreign currency monetary items are reported using the exchange rate prevailing at the close of the financial year.

(iii) Exchange differences arising on the settlement of monetary items or on the restatement of Company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognised as income or as expenses in the year in which they arise.

1.2.12 Borrowing Costs

Borrowing costs include interest and amortisation of ancillary costs incurred. Interest cost in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan.

1.2.13 Income Taxes

Current tax is determined as the amount of tax payable in respect of taxable income for the year as determined in accordance with the provision of Income Tax Act, 1961.

Deferred tax is recognised on timing differences, between taxable income and accounting income that originated in one period and is capable of reversal in one or more subsequent periods. Deferred tax assets are recognised with regard to all deductible timing differences to the extent it is probable that taxable profit will be available against which deductible timing differences can be utilised. When the Company carries forward unused tax losses and unabsorbed depreciation, deferred tax assets are recognised only to the extent there is virtual certainty backed by convincing evidence that sufficient future taxable income will be available against which deferred tax assets can be realised. The carrying amounts of deferred tax assets are reviewed at each balance sheet date and reduced by the extent that it is no longer probable that sufficient taxable profit will be available to allow all or a part of the deferred tax asset to be utilised.

1.2.14 Provisions Contingent liabilities and Contingent Assets

(i) A provision is recognised when the company has a present obligation as a result of past event, that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These estimates are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

(ii) Contingent Liabilities are disclosed in the notes. Contingent assets are not recognised in the financial statements.

1.2.15 Leases

Where the company is lessee

Operating lease:

Operating leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term in accordance with Accounting Standard 19 on 'Leases' as notified under the Rule 7 of the Companies (Accounts) Rules, 2014. Initial direct costs incurred specifically for operating leases are recognised as expenses in the year in which they are incurred.

Where the company is lessor

Finance Lease:

Leases in which the company transfers substantially all the risks and benefits of ownership of the asset are classified as finance leases. Assets given under finance lease are recognized as a receivable at an amount equal to the net investment in the lease. After initial recognition, the company apportions lease rentals between the principal repayment and interest income so as to achieve a constant periodic rate of return on the net investment outstanding in respect of the finance lease. The interest income is recognized in the Statement of Profit and Loss. Initial direct costs such as legal costs, brokerage costs, etc. are recognized immediately in the Statement of Profit and Loss.

Operating Lease:

Leases in which the company does not transfer substantially all the risks and benefits of ownership of the asset are classified as operating leases. Assets subject to operating leases are included in fixed assets. Lease income on an operating lease is recognized in the Statement of Profit and Loss on a straight-line basis over the lease term. Costs, including depreciation, are recognized as an expense in the Statement of Profit and Loss. Initial direct costs such as legal costs, brokerage costs, etc. are recognized immediately in the Statement of Profit and Loss.

1.2.16 Cash and Cash Equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

1.2.17 Employee Stock Option Plan

The Employees Stock Options Scheme ("the Scheme") has been established by the holding company (i.e. L&T Finance Holdings Limited).

NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31, 2017 (Contd.)

The Scheme provides that employees are granted an option to subscribe to equity share of the company that vest in a graded manner. The options may be exercised with in specified period. Measurement and disclosure of Employee Share-based Payment Plan is done in accordance with SEBI (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 and the Guidance Note on Accounting for Employee Share-based Payments, issued by The Institute of Chartered Accountants of India. The company follows the intrinsic value method to account for its stock based employee compensation plans. Stock options were granted to the employees of the Company during the financial year 2010-11, 2011-12, 2012-13, 2013-14, 2014-15 and 2015-16. The cost incurred by the holding company, in respect of options granted to employees of the Company are being charged to the statement of profit and loss during the period and recovered by the holding Company.

1.2.18 Earnings Per Share (EPS)

Basic and diluted earnings per share are computed in accordance with Accounting Standard (“AS”) 20 – Earnings per share.

Basic earnings per share is calculated by dividing the net profit or loss after tax for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted earnings per equity share is computed using the weighted average number of equity shares and dilutive potential equity shares outstanding during the year, except where the results are anti-dilutive.

1.2.19 Debenture Issue Expenses

Expenses incurred on issue of debentures are charged-off against the securities premium account in accordance with the provisions of section 52 of the Companies Act, 2013.

1.2.20 Share Issue Expenses

Share issue expense is charged to the Statement of Profit and Loss in the year in which it is incurred.

1.2.21 Service tax input credit

COMPANY'S POLICY ON DIRECTORS' APPOINTMENT AND REMUNERATION

A. Background

Section 178 of the Companies Act, 2013 and rules thereof ("the Act"), require the Nomination and Remuneration Committee ("NRC") of a Company to formulate a Policy relating to the remuneration for the Directors, Key Managerial Personnel ("KMP") and other employees of the Company and recommend the same for approval of the Board. Further, Section 178(4) of the Act stipulates that the policy shall be disclosed in the Board's Report.

Further Section 134 of the Act stipulates that the Board Report shall include a statement on Company's Policy on directors' appointment and remuneration including criteria for determining qualifications, positive attributes, independence of director and remuneration for KMP and other employees.

The Board of Directors has, based on the recommendation of the NRC of the Company, approved the policy on Directors' appointment and remuneration for Directors, KMPs and other employees.

B. Brief framework of the Policy

The objective of this Policy is:

a) to determine inter-alia, qualifications, positive attributes and independence of a Director;

b) to guide on matters relating to appointment and removal of Directors, and Senior Management;

c) to lay down criteria/evaluate performance of the Directors; and

d) to guide on determination of remuneration of the Directors, KMP and other employees.

C. Appointment of Director(s)

The NRC identifies and ascertains the integrity, professional qualification, expertise and experience of the person, who is proposed to be appointed as a director and appropriate recommendation is made to the Board with respect to his/her appointment.

Appointment of Independent Directors is subject to the provisions of Section 149 of the Act read with Schedule IV and rules there under. The NRC satisfies itself that the proposed person satisfies the criteria of independence as stipulated under Section 149(6) of the Act, before the appointment as an Independent Director.

No person is eligible to be appointed as a Director, if he/she is subject to any disqualifications as stipulated under the Act or any other law(s) for the time being in force.

Appointment of Managing Director and Whole-time Director is subject to provisions of Sections 196, 197, 198 and 203 of the Act read with Schedule V and rules there under. The NRC ensures that a person does not occupy the position as a Managing Director/Whole-time Director beyond the age of seventy years, unless the appointment is approved by a Special Resolution passed by the Company in general meeting. No re-appointment is made earlier than one year before the expiry of term.

D. Evaluation Criteria of Directors and Senior Management/KMP/Employees

- **Non-Executive Directors/Independent Directors**

  The NRC carries out evaluation of performance of Independent Directors/Non-Executive Directors every year ending March 31st on the basis of the following criteria:

  - Membership & Attendance - Board and Committee Meetings.
  - Contribution during such meetings.
  - Active participation in strategic decision making.
  - Inputs to executive management on matters of strategic importance.
  - Such other matters, as the NRC/Board may determine from time to time.

- **Senior Management/KMP/Employees**

  The HR Department carries out the evaluation of the aforementioned persons every year ending March 31st, with the Department Head(s)/ Management concerned. KPIs are identified well in advance at the commencement of the financial year. Performance benchmarks are set and evaluation of employees is done by the respective reporting Manager(s)/ Management to determine whether the performance benchmarks are achieved. The payment of remuneration/annual increment to the aforementioned persons is determined after the satisfactory completion of evaluation process.

  The HR Department of the Company is authorized to design the framework for evaluating the EDs/KMP/Senior Management Personnel/ employees. The objective of carrying out the evaluation by the Company is to identify and reward those with exceptional performances during any financial year. Training and Development Orientation programs on a need basis are provided to employees, whose performance during any financial year does not meet the benchmark criteria.

E. Criteria for Remuneration

The Committee, while determining the criteria for remuneration for Directors and Senior Management/

other employees ensures that:

- the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate directors of the quality required to run the company successfully;
- relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- remuneration to directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

PERFORMANCE EVALUATION

Pursuant to the provisions of the Act, the Board has carried out an annual evaluation of its own performance, the directors individually, as well as the Committees of the Board.

Manner of Evaluation

The NRC and the Board have laid down the manner in which formal annual evaluation of the performance of the Board, Committees and Individual Directors has to be made.

It includes circulation of evaluation forms separately for evaluation of the Board and its Committees and Independent Directors/Non-Executive Directors of the Company.

The process of the annual performance evaluation broadly comprises:

a. **Board and Committee Evaluation:**

   Evaluation of Board as a whole and the Committees is done by the individual directors, followed by submission of collation to NRC and feedback to the Board.

b. **Independent / Non-Executive Directors Evaluation:**

   Evaluation done by Board members excluding the Director being evaluated is submitted to the Chairperson of L&T Finance Holdings Limited, the holding company and Individual feedback is provided to each Director.

INDEPENDENT AUDITORS' REPORT

To the members of L&T Financial Consultants Limited (formerly L&T Vrindavan Properties Limited)

Report on the standalone Indian Accounting Standards (Ind AS) financial statements

We have audited the accompanying standalone Ind AS financial statements of L&T Financial Consultants Limited (formerly L&T Vrindavan Properties Limited) ('the Company'), which comprise the balance sheet as at 31 March 2017, the statement of profit and loss (including other comprehensive income), the cash flow statement and the statement of changes in equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein after referred to as 'standalone Ind AS financial statements').

Management's responsibility for the standalone Ind AS financial statements

The Company's board of directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income,cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS prescribed under section 133 of the Act read with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the financial position of the Company as at 31 March 2017, and its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Report on other legal and regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the central

government of India in terms of section 143(11) of the Act, we give in Annexure A a statement on the matters specified in paragraphs 3 and 4 of the Order.

2. As required by section 143(3) of the Act, we report that:

   a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

   b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

   c) the balance sheet, the statement of profit and loss, the cash flow statement and statement of changes in equity dealt with by this report are in agreement with the books of account;

   d) in our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014 and Companies (Indian Accounting Standards) Rules, 2015 (as amended);

   e) on the basis of the written representations received from the directors as on 31 March 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2017 from being appointed as a director in terms of section 164 (2) of the Act;

   f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure B; and

   g) with respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

ANNEXURE 'B' TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2(f) under 'Report on other legal and regulatory requirements' of our report of even date)

Report on the internal financial controls under clause (i) of sub-section (3) of section 143 of the Companies Act, 2013 (the 'Act')

We have audited the internal financial controls over financial reporting of L&T Financial Consultants Limited (formerly L&T Vrindavan Properties Limited) ('the Company') as of 31 March 2017 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable, to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involved performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of internal financial controls over financial reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone Ind AS financial statements.

Inherent limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on internal financial controls over financial reporting issued by the ICAI.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

1. Significant accounting policies

A. Basis of preparation of financial statements

These financial statements have been prepared in accordance with Indian Accounting Standard (Ind AS) notified under the Companies (Indian Accounting Standard) Rules, 2015 read with Section 133 of the Companies Act, 2013 with effect from 1st April 2016. Previous period numbers in the financial statements have been restated to Ind AS.

These financial statements are the first financial statements of the Company under Ind AS. Refer Note 34.12 for an explanation of how the transition from previous GAAP to Ind AS has affected the financial position, financial performance and cash flows. The Company has presented a reconciliation from the presentation of financial statements under Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 ("Previous GAAP") to Ind AS of Shareholders' equity as at 31st March 2016 and 1st April 2015 and of the comprehensive net income for the year ended 31st March 2016.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013.

The financial statements are presented in 'Indian Rupees' (INR), which is Company's functional and presentation currency and the same has been rounded off to the nearest lakhs.

B. Financial Instruments

(a) Financial Assets:

All financial assets are recognised initially at fair value. Transaction costs that are attributable to the acquisition of the financial asset (other than financial assets recorded at fair value through profit or loss) are added to the fair value measured on initial recognition of financial assets.

Financials assets are subsequently measured either at amortised cost, fair value through other comprehensive income (FVTOCI) or fair value through profit or loss (FVTPL) based on assessment of it's business model test and contractual cash flows characteristics.

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

The gains/ losses on sale of investments are recognised in the statement of profit and loss on the trade day. Profit or loss on sale of investments is determined on weighted average cost basis.

(b) Financial Liabilities:

Trade and other payables represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are initially recognised at fair value, and subsequently carried at amortised cost.

C. Use of Estimates

The preparation of financial statements requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) as of the date of the financial statements and the reported income and expenses during the reporting year. Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates. Any change in such estimates is recognised prospectively.

D. Revenue Recognition

- Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.
- Income from services is recognized as per the terms of contracts on accrual basis.
- Interest income on deposits is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable..
- Dividend is accounted when the right to its receipt is established.
- Rental income is recognised on accrual basis.

E. Property, plant and equipment and intangible assets

Property, plant and equipment are stated at cost of acquisition including any cost attributable for bringing the asset to its working condition, less accumulated depreciation.

Intangible fixed assets comprising of software licenses are stated at cost of acquisition including any cost attributable for bringing the asset to its working condition, less accumulated amortisation. Any expenses on such software licenses for support and maintenance payable annually are charged to the statement of Profit and Loss.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017 (Contd.)

Property, plant and equipment not ready for the intended use on the date of the Balance Sheet are disclosed as “Capital Work in Progress”.

Transition to Ind AS

On Transition to Ind AS, the group has elected to continue with the carrying value of all its property, plant and equipment recognised at 1st April, 2015 measured as per previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

F. Investment Properties

Property that is held for long term rental yields or for capital appreciation or both, and that is not occupied by the company, is classified as investment property. Investment property is measured initially at cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalized to the asset’s carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the group and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of investment property is replaced, the carrying amount of the replaced part is derecognized.

Investment properties are depreciated using the straight line method over their estimated useful lives.

Transition to Ind AS

On transition to Ind AS, the group has elected to continue with carrying value of all its investment properties recognised at 1st April 2015 measured as per the previous GAAP and use that carrying value as the deemed cost of investment properties.

G. Income Taxes

Current tax is determined as the amount of tax payable in respect of taxable income for the year as determined in accordance with the provision of Income Tax Act, 1961.

Deferred tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in financial statements. Deferred tax assets are recognised with regard to all deductible timing differences to the extent it is probable that taxable profit will be available against which deductible timing differences can be utilised. When the Company carries forward unused tax losses and unabsorbed depreciation, deferred tax assets are recognised only to the extent it is probable certainty backed by convincing evidence that sufficient future taxable income will be available against which deferred tax assets can be realised. The carrying amounts of deferred tax assets are reviewed at each balance sheet date and reduced by the extent that it is no longer probable that sufficient taxable profit will be available to allow all or a part of the deferred tax asset to be utilised.

Minimum Alternate Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal Income Tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised as an asset in accordance with the Guidance Note issued by the ICAI, the said assets is created by way of a credit to the Statement of Profit and Loss.

H. Provisions and Contingent Liabilities and Contingent Assets

A provision is recognised when the Company has a present legal or constructive obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions are not discounted to their present value and are determined based on best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements. Contingent Assets are not recognised.

I. Cash and Cash Equivalents

Cash and Bank Balances that have insignificant risk of change in value including term deposits, which have original durations up to three months, are included in cash and cash equivalents in the Cash Flow Statement.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017 (Contd.)

J. Trade Receivables:

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

K. Leases

Where the company is lessee

Operating lease:

Operating leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term. Initial direct costs incurred specifically for operating leases are recognised as expenses in the year in which they are incurred.

Where the company is lessor

Finance Lease:

Leases in which the company transfers substantially all the risks and benefits of ownership of the asset are classified as finance leases. Assets given under finance lease are recognized as a receivable at an amount equal to the net investment in the lease. After initial recognition, the company apportions lease rentals between the principal repayment and interest income so as to achieve a constant periodic rate of return on the net investment outstanding in respect of the finance lease. The interest income is recognized in the Statement of Profit and Loss. Initial direct costs such as legal costs, brokerage costs, etc. are recognized immediately in the Statement of Profit and Loss.

Operating Lease:

Leases in which the company does not transfer substantially all the risks and benefits of ownership of the asset are classified as operating leases. Assets subject to operating leases are included in fixed assets. Lease income on an operating lease is recognized in the Statement of Profit and Loss on a straight-line basis over the lease term. Costs, including depreciation, are recognized as an expense in the Statement of Profit and Loss. Initial direct costs such as legal costs, brokerage costs, etc. are recognized immediately in the Statement of Profit and Loss.

L. Depreciation and Amortisation

Depreciation/Amortization on fixed assets is calculated on a straight-line which reflect the management's estimate of the useful lives of respective fixed assets and are greater than or equal to the corresponding rate prescribed in Schedule II of the Companies Act, 2013.

- Fixed assets costing ₹ 5,000/- or less are fully depreciated in the year of installation.
- Depreciation is charged for the full month in the month of purchase/sale even used for part of the month.

M. Earnings per share

Basic and diluted earnings per share are computed in accordance with Ind AS 33 – Earnings per share.

Basic earnings per share is calculated by dividing the net profit or loss after tax for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted earnings per equity share are computed using the weighted average number of equity shares and dilutive potential equity shares outstanding during the year, except where the results are anti-dilutive.

N. Retirement and other employee benefits

Short term employee benefits:

All employee benefits falling due wholly within twelve months of rendering the services are classified as short-term employee benefits. Benefits such as salaries, short term compensated absences etc. and estimated variable remuneration are recognized in the period in which the employee renders the related service.

Post employment benefits:

(a) Defined contribution plans:

The Company's provident fund and pension are defined contribution plans. The contribution paid/payable under the scheme is recognized during the period in which the employee renders the related services.

(b) Defined benefit plan

The Company's gratuity scheme is defined benefit plan. The employee gratuity obligation is determined based on actuarial valuation using Projected Unit Credit method which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The obligation is measured at the present value of the estimated future cash flows. The discount rate used for determining the present value of the obligation under defined benefit plans, is based on the market yield on government securities of a maturity period equivalent to the weighted average maturity profile of the related obligations at the balance sheet date.

Actuarial gains and losses are recognized in the period in which they incur directly in the other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Long Term Employee Benefits:

Accumulated leave, which is expected to be utilized within the next twelve months, is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

The Company treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the reporting date. Actuarial gains/losses are immediately taken to the statement of profit and loss and are not deferred.

The Company presents the entire leave as a current liability in the balance sheet, since it does not have an Unconditional right to defer its settlement for twelve months after the reporting date.

O. Impairment of Assets

Property, plant and equipment and intangible assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount, which is the higher of the asset's net selling price or its value in use.

P. Commitments

Commitments are future liabilities for contracted expenditure. Commitments are classified and disclosed as follows:-

a. Estimated amount of contracts remaining to be executed on capital account are not provided for.

b. Other non cancellable commitments, if any to the extent they are considered material and relevant in the opinion of the management.

Q. Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using effective interest rate method.

R. Borrowing Costs

Borrowing cost includes interest and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs that are attributable to the construction of a qualifying asset are capitalised as part of cost of such asset till such time the asset is ready for its intended use. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use. All other borrowing costs are recognised as an expense in the period in which they are incurred.

S. Cash flow Statements

Cash flows are reported using the indirect method whereby cash flows from operating, investing and financing activities of the Company are segregated and profit before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments.

T. Extraordinary and exceptional items

Income or expenses that arise from events or transactions that are clearly distinct from the ordinary activities of the Company are classified as extraordinary items. Specific disclosure of such events/transactions is made in the financial statements. Similarly, any external event beyond the control of the Company, significantly impacting income or expense, is also treated as extraordinary item and disclosed as such.

On certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Company, is such that its disclosure improves an understanding of the performance of the Company. Such income or expense is classified as an exceptional item and accordingly disclosed in the notes to the financial statements.

INFORMATION ON THE STATE OF AFFAIRS OF THE COMPANY

- **Performance of businesses**

  The year was marked by unprecedented events for the real estate market like passing of Real Estate Regulation Act (RERA), demonetization etc. All these resulted in a temporary slowdown in tertiary sale of properties. However, we believe that in mid to long term, these measures will be positive for the sector help in making markets more resilient and mature. The Company has managed to disburse close to ₹ 3,400 Crore of retail and construction finance loans.

  The yields for incremental business for retail loans (home loans & loan against property) have increased by 75 basis points on a year on year basis. This is attributed to focused sourcing of loan against property business to tide over the slump in housing sales.

  During the year under review, loans were disbursed amounting to over ₹ 3,400 Crore, constituting retail loans to individuals as well as construction finance to builders. Disbursals in loan against property business have grown by 25% in the financial year ending March 31, 2017. Loan book for retail business has grown by 20% while loan book for the construction funding business has grown by 22% in the financial year ending March 31, 2017 against preceding year. Profits grew from ₹ 58 Crore last fiscal to ₹ 137 Crore this fiscal.

  The cost to income ratio was bettered from 49.67% in FY16 to 26.24% in FY17 on account of augmented efficiency, revamped processes and better utilization of resources.

- **Initiatives undertaken during the year**

  During the financial year 2016-17, the Company has undertaken several initiatives with an objective to diversify products, distribution channels, improve customer experience and overall focus on process improvement. Some key initiative taken are as under:

  For home loans & LAP business

  - In our endeavor to improve margins and ROE, as a first step, sourcing of salaried home loan cases though DSA vertical was stopped.
  - Further, a framework for sourcing home loans through construction finance projects was also created in order to leverage our existing relationships.
  - Product proposition was tweaked to strengthen offering to self employed customer for HL and LAP product.

- End to end loan process was revamped this year to deliver faster sanction and disbursement TAT to the customer.
- Business coverage was consolidated from 42 to 24 locations by closing locations with low productivity, potential and/or higher delinquency.
- Drive for improvement in average fee income from 0.4% to 1% of loan amount through credit life insurance product was successfully undertaken.

For Construction finance business

- Strategy has been to focus on category A and B (large and mid size) developer to manage heightened market risk and build regular source of business.
- Developing end to end product offering to address funding requirements across project lifecycle.
- Actively coordinating with L&T Ecosystem for business growth and developer feedback.
- Reengineered entire process and now offering market competitive TAT.
- Focus has been on 5 key markets with local team presence.

- **Financial Performance of the Company**

  The Company has achieved significantly better performance during the year under review, in comparison to the year ended March 31, 2016, the highlights of which are as below:

  - Gross Portfolio Assets grew from ₹ 6,85,881.73 Lakh as at March 31, 2016 to ₹ 8,33,566.67 Lakh as at March 31, 2017.
  - Total Income grew from ₹ 65,875.70 Lakh in 2015-16 to ₹ 95,389.22 Lakh in 2016-17.
  - Profit before Tax (PBT) grew from ₹ 8,928.81 Lakh in 2015-16 to ₹ 21,020.76 Lakh in 2016-17.

d) To guide on determination of remuneration of the Directors, KMP and other employees.

C. Appointment of Director(s)

The NRC identifies and ascertains the integrity, professional qualification, expertise and experience of the person, who is proposed to be appointed as a director and appropriate recommendation is made to the Board with respect to his/her appointment.

Appointment of Independent Directors is subject to the provisions of Section 149 of the Act read with Schedule IV and rules thereunder, as the case may be. The NRC satisfies itself that the proposed person satisfies the criteria of independence as stipulated under Section 149(6) of the Act, before their appointment as an Independent Director.

No person is eligible to be appointed as a Director, if he/she is subject to any disqualifications as stipulated under the Act or any other law(s) for the time being in force.

Appointment of Managing Director and Whole-time Director is subject to provisions of Sections 196, 197, 198 and 203 of the Act read with Schedule V and rules thereunder. The NRC ensures that a person does not occupy position as a Managing Director/Whole-time Director beyond the age of seventy years, unless their appointment is approved by a Special Resolution passed by the Company in general meeting. No re-appointment is made earlier than one year before the expiry of term.

The Company has framed a Code of Conduct for its Directors. The Directors have to abide by the Code of Conduct and ensure compliance of the same.

D. Evaluation Criteria of Directors and Senior Management/Key Managerial Personnel/ Employees

- Non-executive Directors/Independent Directors

  The NRC carries out evaluation of performance of Independent Directors/Non-Executive Directors every year ending March 31st on the basis of the following criteria:

  - Membership & attendance - Committee and Board Meetings
  - Contribution during such meetings
  - Active participation in strategic decision making
  - Inputs to executive management on matters of strategic importance
  - Such other matters, as the NRC/Board may determine from time to time.

- Senior Management/Key Managerial Personnel/Employees

  The HR Department carries out the evaluation of the aforementioned persons every year ending March 31st, with the Department Head(s)/ Management concerned. KPIs are identified well in advance at the commencement of the financial year. Performance benchmarks are set and evaluation of employees is done by the respective reporting Manager(s)/ Management to determine whether the performance benchmarks are achieved. The payment of remuneration/annual increment to the aforementioned persons is determined after the satisfactory completion of evaluation process.

  The HR Department of the Company is authorized to design the framework for evaluating the KMP/Senior Management Personnel/ employees. The objective of carrying out the evaluation by the Company is to identify and reward those with exceptional performances during any financial year. Training and Development Orientation programs on a need basis are provided to employees, whose performance during any financial year does not meet the benchmark criteria.

E. Criteria for Remuneration

The Committee, while determining the criteria for remuneration for Directors and Senior Management/ other employees ensures that:

- the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate directors of the quality required to run the company successfully;
- relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- remuneration to directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

PERFORMANCE EVALUATION

Pursuant to the provisions of the Act, the Board has carried out an annual performance evaluation of its own performance, the directors individually, as well as the Committees of the Board.

Manner of Evaluation

The NRC and the Board have laid down the manner in which formal annual evaluation of the performance of the Board, committees and individual directors has to be made.

It includes circulation of evaluation forms separately for evaluation of the Board and its Committees, Independent Directors/ Non-Executive Directors and Chairperson.

The process of the annual performance evaluation broadly comprises:

a. Board and Committee Evaluation:

Evaluation of Board as a whole and the Committees is done by the individual directors, followed by submission of collation to NRC and feedback to the Board.

b. Independent / Non-Executive Directors Evaluation:

Evaluation done by Board members excluding the Director being evaluated is submitted to the Chairperson of L&T Finance Holdings Limited, the holding company and individual feedback provided to each Director.

c. **Chairperson Evaluation :**

Evaluation by the other members of the Board, is submitted to the Chairperson of the NRC of L&T Finance Holdings Limited, the holding company and individual feedback is provided to the Chairperson.

VII. PENALTIES/PUNISHMENT/COMPOUNDING OF OFFENCES (Under Companies Act, 2013) : NONE

MANAGEMENT DISCUSSION AND ANALYSIS

MACRO-ECONOMIC REVIEW

India, a large and the fastest growing economy, continues to be a bright spot in the global landscape. It has been underpinned by strong private consumption and gradual introduction of significant domestic reforms. In FY17, the economy has grown by 7.1% and the foreign exchange reserves have grown to US$ 370 billion. India's Current Account Deficit (CAD) narrowed to 0.7% of it's GDP in FY17, compared with 1.1% in FY16, on the back of a contraction in trade deficit. Foreign Direct Investment inflows touched a new high of US$ 60.1 billion.

The move of demonetising in November 2016, made with the objective to curb black money in circulation, weighed on growth during the second half of FY17. This reflected in relatively weaker growth in manufacturing and rural consumption as well as services sector PMIs (purchase managers indices) in H2, FY17. However, it is expected to have a positive long-term impact on the economy through better tax compliance, increase in Tax-to-GDP ratio and higher tax collections. Continued fiscal consolidation and an anti-inflationary monetary policy stance helped cement macro-economic stability.

OUTLOOK FOR FY18

Major leading indicators suggest that the economic activity is gradually improving. This is driven by improving global demand and a remonetisation-led pick-up in domestic activity. The International Monetary Fund (IMF) expects India to resume the 8% growth path in the medium term. This should happen as soon as the short-term dislocation to consumption from demonetisation passes. The nation is expected to remain the fastest growing economy on the back of high private consumption levels and gradually implemented domestic reforms.

Your Company sees growth picking up significantly, supported by a normal monsoon, modest costs of borrowing, pay hikes for state government employees and stronger export demand. Other growth supportive factors will be Government's continued thrust on physical infrastructure and the Real Estate (Regulation and Development) Act, 2016 (RERA), which will pave way for greater transparency and accountability in the real estate sector. The Goods & Services Tax, (GST) implemented in July 2017, will also have long term structural benefits, despite short-term execution and adjustment risks during the course of FY18.

POSSIBLE THREATS

As we get into an environment which is likely to be largely positive over medium to long term, there may be significant roadblocks in the shorter term. The implementation of GST is likely to cause certain short term disturbances. RERA too will cause some turbulence and consolidation in the real estate sector. Despite recent push by the RBI, the resolution of stressed assets in the system is likely to take more time.

Your Company acknowledges these possible negative factors and has a plan to mitigate them through its deep domain knowledge, strong risk framework and an efficient collection mechanism.

HOUSING FINANCE

Your Company has identified housing finance as one of its core business based on the long term growth prospects of this industry. The Company's products in this sector include Home loans, Loan Against Property and Real Estate Finance.

Home Loans & Loan Against Property (LAP)

The housing finance industry growth slowed to 16% in FY17 from 19% in FY16, with the overall housing credit at ₹ 14.4 lakh crs. in FY17 (₹ 12.4 lakh crs. in FY16). While this slowdown was across the industry, the decline was higher for banks because of operational constraints caused by demonetisation. The growth in the sector was also impacted by a slowdown in new project launches with buyers deferring their purchase decisions, with an expectation of a downward revision in prices.

At beginning of FY17, your Company realigned its focus towards disbursing loans to self-employed customers. Despite challenging market situations, your Company's Home Loan and LAP book grew by 21% during the year, touching a new milestone of ₹ 7,500 crs.

Competitive Advantage

- Sharpened proposition to strengthen the product offering to self-employed customers
- Streamlined processes to deliver faster sanctions and disbursement TAT to the customer

Future Strategy

- Achieve best in class TAT through digitisation and automation
- Use of analytics for direct sourcing and cross selling
- Drive operational efficiency through focus on key locations and manpower productivity

Real Estate Finance

Real Estate is transitioning towards a more regulated industry with the introduction of Real Estate (Regulation and Development) Act, 2016 (RERA). Demonetisation also had a temporary negative impact on the sector. Demand in residential, primarily on account of affordable housing segment, is expected to see a revival after a slowdown over the past 2-3 years. In the commercial office segment, major metros have seen strong demand for Grade A office space leading to a higher occupancy and robust rental growth. At the start of FY17, a Real Estate Finance vertical was created to cater to various funding requirements of developers in both residential and commercial spaces. Our objective behind creating this vertical was to establish the LTFS Real Estate business as a key player in the development finance market. Real Estate Finance business achieved loan disbursements of ₹ 3,841 crs. and a Loan Book of ₹ 4,865 crs.

Competitive Advantage

- Comprehensive product suite to address top developers' funding requirements
- Robust risk management and early warning signal mechanism
- Strong processes to deliver faster TAT

Future Strategy

- Focus on top real estate developers with the aim to build sustainable relationships
- Build a wider product portfolio and focus on Syndication/Sell down for risk distribution
- Leverage L&T ecosystem for business growth and market intelligence

RISK MANAGEMENT

The transformation journey embarked by the Company involves rapid growth in our chosen businesses. Having embarked on this transformational journey, the Company recognises the criticality of risk management practices towards a longer term success. We have a robust management framework covering various families of risk like credit risk, portfolio risk, market risk and operational risk.

During FY17, your Company engaged a leading global risk management consultancy to further strengthen its risk management framework. Based on their recommendations, your Company is strengthening its capabilities in the four key areas to ensure that the businesses operate fearlessly within the defined risk appetite and risk tolerance levels.

1. **Risk Appetite Statement (RAS)**

   A robust RAS is set up that acts as a governing framework from board to front line to facilitate trade-offs between risk, value and growth. It helps in effective risk and return management while providing greater clarity and autonomy to businesses.

2. **Risk Dashboards & Early Warning Signals (EWS)**

   Dashboards should provide cross-risk view and are anchored to the Company's Risk Appetite Statement. It leverages risk measurement and analytics to further enhance early warning capabilities and to use those in driving decisions. EWS helps in timely identification of portfolios with increasing risk, enabling timely remedial measures (where applicable) and eventually driving lower NPAs.

3. **Treasury Risk Management**

   This gives the ability to effectively manage the Market Risk (liquidity and interest rate risks) emanating from the core businesses of the Company. A robust governance framework is set up to monitor and manage the Market Risk Operations.

4. **Risk-adjusted Pricing**

   This tool helps in tracking transaction level and portfolio level actual pricing vis-à-vis risk-adjusted pricing. Thus giving more clarity on value creation by products/portfolios. The pricing tool incorporates weighted average tenor, based on behavioural maturity in order to align with expected cash-flows.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

For details on internal control systems and their adequacy, refer Board Report.

HUMAN RESOURCES

As on March 31, 2017, your Company had a total workforce of 404 employees.

Your Company believes that this journey will become sustainable if we get three aspects right:

- Clarity and Communication of Management Intent
- A well-honed Execution Engine
- A performance oriented Culture

The Company's endeavour is to ensure that its HR processes are completely aligned with the above three aspects and they work towards creating leadership which makes the transformation smooth and sustainable.

1. Clarity and Communications of Management Intent

The intent of the management is quite clear – to deliver top quartile RoE by profitable growth in the Company's focussed businesses. We take all efforts to make sure that this is communicated clearly across all levels of the organisation. This is done through a series of town halls which are a two-way communication platform between the organisation and employees to share a 360-degree update on the Company's mission of superior shareholder value creation. Also, very clear communication of expected performance and behaviours is ensured. These town halls are organised every quarter end, across cities, departments, functions and grades.

2. A Well-honed Execution Engine

Your Company's chosen method of ensuring efficient execution is through a series of projects touching each aspect of strategy execution. These projects are towards creating Centres of Excellence in various aspects of the business. We have developed our own unique way of not only ensuring that these contribute to delivering results in line with the decided milestones, but also ensuring that these are used for effective Leadership Development. Each of these projects is headed by a hand-picked middle level executive. This develops the leadership qualities of the person as it requires working with multi-functional teams and also exposes the person to close senior management reviews.

CORPORATE SOCIAL RESPONSIBILITY

Corporate Social Responsibility (CSR) witnessed a transformation during FY17. The Company's over-arching theme of sustainable Livelihoods was revisited to align to the larger needs of the rural ecosystem - through Integrated Water Resource Management (IWRM). LTFS committed itself to come up with long-term innovative solutions benefitting the water-deprived communities. The IWRM programme engaged with communities to implement interventions in order to address their core needs in water and facilitate the rural economy through agriculture and allied activities.

In addition to this, your Company also focussed on Financial Literacy. It helped in spreading the message of financial literacy to rural India, resulting in enhanced absorption of facilities and schemes granted by the Government and other financial institutions.

Thrust areas were re-modelled to rake in the 3S approach which believes in:

- Social Impact through right projects aligned with Company's focussed businesses
- Sustainable development creating right structures
- Achieve scale by collaborating with right partners

Highlights

- Constructing water harvesting structures, known as Dohas
- Creating disaster relief shelters, towards the Tamil Nadu floods
- Nurturing 100 Integrated livelihood development centres in villages
- Initiating remedial education programmes
- Garnering volunteers from the organisation (Boondein) to contribute towards CSR initiatives

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF L&T HOUSING FINANCE LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of **L&T HOUSING FINANCE LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2017, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on thesefinancial statements based on our audit.

In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the branch auditors and other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2017, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, based on our audit,we report, to the extent applicable that:

   a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

   b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

   c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account.

d) In our opinion, the aforesaid financial statements comply with the Accounting Standards prescribed under section 133 of the Act.

e) On the basis of the written representations received from the directors as on 31st March, 2017taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.

f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

   i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.

   ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

   iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

   iv. To the best of our information and according to the information and explanations given to us, we report that, except where, for reasons explained in note no. 25.9 to the financial statements, the disclosures with regard to the Specified Bank Notes ("SBNs") were restricted to readily available information and also considering that certain amounts directly deposited into the bank accounts by the customers for which information relating to SBNs was not available has been classified as "Permitted receipts/ Other Denomination Notes", the Company has provided requisite disclosures in the financial statements as regards its holding and dealings in SBNs, as defined in the Notification S.O. 3407(E) dated 8th November, 2016, of the Ministry of Finance, during the period from November 9, 2016 to December 30, 2016. Based on audit procedures performed by us and the representations provided to us by the management, we report that the disclosures are in accordance with the relevant books of accounts maintained for the purpose of preparation of the financial statements and as produced before us by the management.

2. As required by the Companies (Auditor's Report) Order, 2016 ("the CARO 2016 Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE 'A' TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **L&T HOUSING FINANCE LIMITED** ("the Company") as of March 31, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

1. Corporate Information

L&T Housing Finance Limited ('the Company') is a public company domiciled in India and incorporated under the provisions of the Companies Act, 2013. The Company is engaged in the business of disbursing loans against the security of house property to meet housing and other requirements of the borrowers. The Company is registered with the National Housing Bank.

2. **Basis of accounting and preparation of financial statements**

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards prescribed under Section 133 of the Companies Act, 2013, and in accordance with Housing Finance Companies, (NHB) Directions, 2010 as amended from time to time. The financial statements have been prepared on an accrual basis and under the historical cost convention. The accounting policies adopted in the preparation of financial statements are consistent with those followed in the previous year.

2.1 Summary of significant accounting policies

2.1.1 Use of Estimates

The preparation of financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expense during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

2.1.2 Cash flow Statements

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

2.1.3 Tangible and Intangible Fixed Assets

Fixed assets are carried at cost less accumulated depreciation/amortisation and impairment losses, if any. The cost of fixed assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use.

Fixed assets acquired in full or part exchange for another asset are recorded at the fair market value or the net book value of the asset given up, adjusted for any balancing cash consideration. Fair market value is determined either for the assets acquired or asset given up, whichever is more clearly evident. Fixed assets acquired in exchange for securities of the Company are recorded at the fair market value of the assets or the fair market value of the securities issued, whichever is more clearly evident.

Capital Work in Progress: Projects under which tangible Fixed assets are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

Intangible assets not ready for the intended use on the date of Balance Sheet are disclosed as "Intangible assets under development".

2.1.4 Depreciation on Fixed Assets

Depreciation on tangible fixed assets is provided on the straight line method as per the useful life prescribed under Schedule II of the Companies Act, 2013.

Intangible assets are amortised over their estimated useful life on straight line method as follows:

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017 (Contd.)

Computer software- 3 years

The estimated useful life of the intangible assets and the amortisation period are reviewed at the end of each financial year and the amortisation period is revised to reflect the changed pattern, if any.

2.1.5 Impairment of tangible and intangible assets

Tangible fixed assets and intangible assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount, which is the higher of the asset's net selling price or its value in use.

2.1.6 Investments

The Company being regulated as a Housing Finance Company (HFC) by the NHB, investments are classified under two categories i.e. Current and Long Term and are valued in accordance with the NHB guidelines and the Accounting Standard (AS) 13 on 'Accounting for Investments'. Investments in debentures which are, in substance, in the nature of credit substitutes are classified as a part of Loans towards Financing Activities and are measured in accordance with the criteria applied for the measurement of Loans towards Financing Activities.

Long Term Investments are carried at acquisition / amortised cost. A provision is made for diminution other than temporary on an individual investment basis.

Current Investments are carried at the lower of cost and fair value on an individual investment basis.

2.1.7 Revenue Recognition

(i) Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured and there exists reasonable certainty of its recovery.

(ii) Interest income / fees on housing and other loans given are recognised under the internal rate of return method on accrual basis, except in case of interest on non-performing assets and charges for delayed payments and cheque bouncing, if any, which are recognised only when realised.

(iii) Loan origination income i.e. processing fees and other charges collected upfront, are recognised at the inception of the loan.

(iv) Revenues from the various services that the Company renders are recognised when the following criteria are met: persuasive evidence of an arrangement exists, the services have been rendered, the fee or commission is fixed or determinable, and collectability is reasonably assured."

2.1.8 Other Income

Dividend is accounted when the right to its receipt is established.

2.1.9 Loans towards Financing Activities

Loans towards financing activities are classified under four categories i.e. (i) Standard Assets (ii) Sub- Standard Assets (iii) Doubtful Assets and (iv) Loss Assets in accordance with NHB guidelines.

In respect of Loans and Debentures / Bonds in the nature of advances where interest is not serviced, provision for diminution is made as per parameter applicable to Non-Performing Advances. Provision on standard assets is made as per provisioning policy of the Company subject to minimum as stipulated as per NHB Guidelines or where additional specific risks are identified by the Management, based on such identification.

2.1.10 Employee benefits

i) Defined–Contribution Plans

The Company offers its employees defined contribution plans in the form of provident fund and family pension fund. Provident fund and family pension funds cover substantially all regular employees. Contributions are paid during

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017 (Contd.)

the year into separate funds under certain statutory / fiduciary-type arrangements. Both the employees and the Company pay predetermined contributions into provident fund and family pension fund. The contributions are normally based on a certain proportion of the employee's salary.

ii) Defined–Benefits Plans

The Company makes annual contributions to the Fund administered by trustees and managed by an insurance company. The Company accounts for the net present value of its obligations for gratuity benefits based on an independent external actuarial valuation determined on the basis of the "Projected Unit Credit" method carried out at the Balance Sheet date. Actuarial gains and losses are immediately recognised in the Statement of Profit and Loss.

iii) Other Employee Benefits

Compensated absences which accrue to employees and which can be carried to future periods but are expected to be encashed or availed in the 12 months immediately following the period / year end are reported as expense during the year in which the employees perform services that the benefit covers and the liabilities are reported at the undiscounted amount of the benefit after deducting amounts already paid.

Where there are restrictions on availment / encashment of such benefits or where the availment is otherwise not expected to wholly occur in the next 12 months, the liability on account of the benefits is actuarially determined using the Projected Unit Credit method.

2.1.11 Foreign Currency Transactions

(i) All transactions in foreign currency are accounted at the exchange rate prevailing on the date of the transaction.

(ii) Foreign currency monetary items are reported using closing rate.

(iii) Gains and losses resulting from the settlement of such transactions and translation of monetary assets and liabilities denominated in foreign currencies are recognised in the statement of Profit and Loss.

2.1.12 Borrowing Costs

Borrowing costs include interest and amortisation of ancillary costs incurred. Interest cost in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan.

2.1.13 Taxes on Income

Current tax is determined as the amount of tax payable in respect of taxable income for the year as determined in accordance with the provision of Income Tax Act, 1961.

Deferred tax is recognised on timing differences, between taxable income and accounting income that originated in one period and is capable of reversal in one or more subsequent periods. Deferred tax assets are recognised with regard to all deductible timing differences to the extent it is probable that taxable profit will be available against which deductible timing differences can be utilised. When the Company carries forward unused tax losses and unabsorbed depreciation, deferred tax assets are recognised only to the extent there is virtual certainty backed by convincing evidence that sufficient future taxable income will be available against which deferred tax assets can be realised. The carrying amounts of deferred tax assets are reviewed at each balance sheet date and reduced by the extent that it is no longer probable that sufficient taxable profit will be available to allow all or a part of the deferred tax asset to be utilised.

2.1.14 Provisions, Contingent liabilities and Contingent Assets

(i) A provision is recognised when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017 (Contd.)

to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These estimates are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

(ii) Contingent Liabilities are disclosed in the notes. Contingent assets are not recognised in the financial statements.

2.1.15 Operating Lease

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating leases. Lease rentals under operating leases are recognised in the Statement of Profit and Loss on a straight-line basis over the lease term.

2.1.16 Special Reserve

The Company creates Special Reserve every year out of its profits in terms of Section 29C of the National Housing Bank Act, 1987.

2.1.17 Cash and Cash Equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

2.1.18 Employee Stock Option Plan

The Employees Stock Options Scheme (“the Scheme”) has been established by the holding company (i.e. L&T Finance Holdings Limited). The Scheme provides that employees are granted an option to subscribe to equity share of the company that vest in a graded manner. The options may be exercised with in specified period. Measurement and disclosure of Employee Share-based Payment Plan is done in accordance with SEBI (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 and the Guidance Note on Accounting for Employee Share-based Payments, issued by The Institute of Chartered Accountants of India. The company follows the intrinsic value method to account for its stock based employee compensation plans. Stock options were granted to the employees of the Company during the financial year 2010-11, 2011-12, 2012-13, 2013-14, 2014-15 and 2015-16. The cost incurred by the holding company, in respect of options granted to employees of the Company are being charged to the statement of profit and loss during the period and recovered by the holding Company.

2.1.19 Earnings Per Share (EPS)

Basic and diluted earnings per share are computed in accordance with Accounting Standard (“AS”) 20 – Earnings per share.

Basic earnings per share is calculated by dividing the net profit or loss after tax for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted earnings per equity share is computed using the weighted average number of equity shares and dilutive potential equity shares outstanding during the year, except where the results are anti-dilutive.

2.1.20 Debenture Issue Expenses

Expenses incurred on issue of debentures are charged-off against the securities premium account in accordance with the provisions of section 52 of the Companies Act, 2013.

2.1.21 Share Issue Expenses

Share issue expense is charged to the Statement of Profit and Loss in the year in which it is incurred.

2.1.22 Service tax input credit

Service tax input credit is accounted for in the books in the period in which the underlying service received is accounted and when there is no uncertainty in availing / utilizing the credits.

INFORMATION ON THE STATE OF AFFAIRS OF THE COMPANY

While posting consistent growth in income during the year, the Company has maintained the leading position in its focus sectors due to its solution oriented offerings that emanate from the specialised domain skills evolved over the years.

Nearly 80% of the disbursements during FY 2016-17 were towards these focussed sectors; renewable energy, road and transmission projects - the segments wherein the Company has developed an expertise over the years. The share of operational projects in the total assets book has stabilized at about 60% in line with last year's proportion. This trend augurs well from a risk return profile perspective. Further, the level of churn in the assets book over last year increased substantially, by over 50%, through enhanced down-selling of underwritten loans to banks, Financial Institutions ("FIs") and Non-Banking Financial Companies ("NBFC"). This is an outcome of Company's conscious strategy to lead transactions and subsequently down-sell a significant portion, resulting in a healthy boost to the underwriting fee income.

On the assets quality front, the Company is pro-active in dealing with the stressed assets portfolio and closely engages with both promoters, co-lenders and regulatory authorities concerned to evolve resolution strategies. This approach, coupled with conservative accelerated provisioning policies followed by the Company have helped in strengthening the balance sheet during the year.

On the assets quality front, the Company saw an increase in the Gross Non Performing Assets ("GNPA") due to deterioration of certain legacy accounts however the Company was proactive in making provisions on identified stressed assets well over the regulatory requirement. This helped keep the provision coverage ratio on NPAs at an acceptable level.

The Directors also take pleasure in informing Members that the Company has been awarded for excellent work in Renewable Financing by Central Board of Irrigation & Power (A Government of India body) in this year.

The year witnessed several policy measures from Government of India with a view to revive the infrastructure sector growth and boost the overall economy. The Company remains optimistic of the ongoing revival of the infrastructure sector in the Country.

The highlights of the performance of the Company during FY 2016-2017 are given below:-

- Gross loan assets against grant of financial assistance grew 2.06% from ₹ 21,51,376.28 Lakhs as at March 31, 2016 to ₹ 21,95,711.19 Lakhs as at March 31, 2017.
- Total income grew by 9.94% from ₹ 2,43,615.09 Lakhs in FY 2015-16 to ₹ 2,67,841.71 Lakhs in FY 2016-17.
- Profit before tax (PBT) was ₹ 35,351.36 Lakhs in FY 2015-16 while it is ₹ 1,891.65 Lakhs in FY 2016-17.
- Consequently, profit after tax (PAT) was ₹ 24,003.56 Lakhs in FY 2015-16 compared to ₹ 4,220.66 Lakhs in FY 2016-17.
- The net worth of the Company as at March 31, 2017 is ₹ 2,88,084.42 Lakhs as against ₹ 2,86,336 Lakhs as at March 31, 2016.
- The decrease in the profit is primarily due to accelerated provisions made during the year under review by your Company.

POLICY OF THE COMPANY ON DIRECTORS' APPOINTMENT AND REMUNERATION

A) Background and Objectives

Section 178 of the Act requires the Nomination and Remuneration Committee ("NRC") of the Company to formulate a policy relating to the remuneration for the Directors, KMPs and other employees of the Company and recommend the same for approval of the Board. Further, Section 178(4) of the Act stipulates that the policy shall be disclosed in the Board's Report.

Further, Section 134 of the Act stipulates that the Board's Report shall include a statement on Company's policy on directors' appointment and remuneration including criteria for determining qualifications, positive attributes, independence of director and remuneration for KMPs and other employees.

The Board of Directors has, based on the recommendation of the NRC of the Company, approved the policy on Directors' appointment and remuneration for Directors, KMPs and other employees.

B) Brief Framework of the Policy

The objective of the Policy is:

- To guide the Board in relation to appointment and removal of Directors.
- To evaluate the performance of the Members of the Board including Independent Directors.
- To formulate criteria for evaluation of Independent Directors and the Board.
- To determine criteria for payment of remuneration to Directors, KMPs, Senior Management and Employees.
- To recommend to the Board on remuneration payable to the Directors including KMPs, Senior Management and Employees, if required.

C) Appointment of Director(s)

The NRC identifies and ascertains the integrity, professional qualification, expertise and experience of the person, who is proposed to be appointed as a director and appropriate recommendation is made to the Board with respect to his/her appointment.

Appointment of Independent Directors is subject to the provisions of Section 149 of the Act read with Schedule IV and rules thereunder, as the case may be. The NRC satisfies itself that the proposed person satisfies the criteria of independence as stipulated under Section 149(6) of the Act, before appointment as an Independent Director.

No person is eligible to be appointed as a Director, if he is subject to any disqualifications as stipulated under the Act or any other law(s) for the time being in force.

Appointment of Managing Director and Whole-time Director is subject to provisions of Sections 196, 197, 198 and 203 of the Act read with Schedule V and rules there under. The NRC ensures that a person does not occupy the position as a Managing Director/Whole-time Director beyond the age of seventy years, unless the appointment is approved by a Special Resolution passed by the Company at its General Meeting. No re-appointment is made earlier than one year before the expiry of term.

D) Evaluation Criteria of Directors and Senior Management/Key Managerial Personnel/ Employees

- **Non-Executive Directors / Independent Directors**

  The NRC carries out evaluation of performance of Independent Directors/Non-Executive Directors every year ending March 31st on the basis of the following criteria:

  - Membership & attendance – Board and Committee Meetings
  - Contribution during such meetings
  - Active participation in strategic decision making
  - Inputs to executive management on matters of strategic importance.
  - Such other matters, as the NRC/Board may determine from time to time.

- **Executive Directors**

  The NRC carries out evaluation of performance of Executive Directors ("EDs") every year ending

March 31st. The evaluation is on the basis of Key Performance Indicators ("KPI"), which are identified well in advance for EDs and weights assigned for each measure of performance keeping in view the distinct roles of each ED. The identified KPI for EDs are approved by the Board, pursuant to recommendation of the NRC, if required.

- **Senior Management/ KMPs/ Employees**

  The HR Department carries out the evaluation of the aforementioned persons every year ending March 31st, with the Department Head(s)/ Management concerned. KPIs are identified well in advance at the commencement of the financial year. Performance benchmarks are set and evaluation of employees is done by the respective reporting Manager(s)/ Management to determine whether the performance benchmarks are achieved. The payment of remuneration/annual increment to the aforementioned persons is determined after the satisfactory completion of evaluation process.

  The HR Department of the Company is authorized to design the framework for evaluating the EDs/KMPs/Senior Management Personnel/ employees. The objective of carrying out the evaluation by the Company is to identify and reward those with exceptional performances during any financial year. Training and Development Orientation programs on a need basis are provided to employees, whose performance during any financial year does not meet the benchmark criteria.

E) Criteria for Remuneration

NRC while determining the criteria for remuneration for Directors, KMPs and Senior Management/other employees ensures that:

- the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate directors of the quality required to run the Company successfully;
- relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- remuneration to Directors, KMPs and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

PERFORMANCE EVALUATION

Pursuant to the provisions of the Act, the Board has carried out an annual evaluation of its own performance, the directors individually, as well as the Committees of the Board.

Manner of Evaluation

The NRC and the Board have laid down the manner in which formal annual evaluation of the performance of the Board, its Committees and individual directors has to be made.

It includes circulation of evaluation forms separately for evaluation of the Chairperson, Board and its Committees and Independent Directors/Non-Executive Directors of the Company.

The process of the annual performance evaluation broadly comprises:

a. Board and Committee Evaluation:

- Evaluation of Board as a whole and the Committees is done by the individual directors, followed by submission of collation to NRC and feedback to the Board.

b. Independent / Non-Executive Directors Evaluation:

- Evaluation done by Board members excluding the Director being evaluated is submitted to the Chairperson of L&T Finance Holdings Limited, the holding company and individual feedback provided to each Director.

c. Chairperson

- Evaluation as done by Board members is submitted to the Chairperson of NRC of L&T Finance Holdings Limited, the holding company and feedback provided to the Chairperson.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

MACRO-ECONOMIC REVIEW

India, a large and the fastest growing economy, continues to be a bright spot in the global landscape. It has been underpinned by strong private consumption and gradual introduction of significant domestic reforms. In FY17, the economy has grown by 7.1% and the foreign exchange reserves have grown to US$ 370 billion. India's Current Account Deficit (CAD) narrowed to 0.7% of it's GDP in FY17, compared with 1.1% in FY16, on the back of a contraction in trade deficit. Foreign Direct Investment inflows touched a new high of US$ 60.1 billion.

The move of demonetising in November 2016, made with the objective to curb black money in circulation, weighed on growth during the second half of FY17. This reflected in relatively weaker growth in manufacturing and rural consumption as well as services sector PMIs (purchase managers indices) in H2, FY17. However, it is expected to have a positive long-term impact on the economy through better tax compliance, increase in Tax-to-GDP ratio and higher tax collections. Continued fiscal consolidation and an anti-inflationary monetary policy stance helped cement macro-economic stability.

OUTLOOK FOR FY18

Major leading indicators suggest that the economic activity is gradually improving. This is driven by improving global demand and a remonetisation-led pick-up in domestic activity. The International Monetary Fund (IMF) expects India to resume the 8% growth path in the medium term. This should happen as soon as the short-term dislocation to consumption from demonetisation passes. The nation is expected to remain the fastest growing economy on the back of high private consumption levels and gradually implemented domestic reforms.

Your Company sees growth picking up significantly, supported by a normal monsoon, modest costs of borrowing, pay hikes for state government employees and stronger export demand. Other growth supportive factors will be Government's continued thrust on physical infrastructure and the Real Estate (Regulation and Development) Act, 2016 (RERA), which will pave way for greater transparency and accountability in the real estate sector. The Goods & Services Tax, (GST) implemented in July 2017, will also have long term structural benefits, despite short-term execution and adjustment risks during the course of FY18.

POSSIBLE THREATS

As we get into an environment which is likely to be largely positive over medium to long term, there may be significant roadblocks in the shorter term. The implementation of GST is likely to cause certain short term disturbances. Despite recent push by the RBI, the resolution of stressed assets in the system is likely to take more time.

Your Company acknowledges these possible negative factors and has a plan to mitigate them through its deep domain knowledge, strong risk framework and an efficient collection mechanism.

BUSINESS PERFORMANCE

Your Company is focussed on Infrastructure Project Financing, Structured Corporate Finance, Debt Capital Market and Supply Chain Financing. The Company's strength lies in its strong underwriting ability, structuring and syndication capabilities.

Infrastructure Financing

Over the last year, the Government of India introduced several policy changes targeted at speeding up the infrastructure development in the country. The Renewable Energy sector reported a record capacity addition of over 11 gigawatts (GW) in FY17, an increase of around 60% over 7.1 GW reported in FY16. The outlook for the road sector has improved through improvements in dispute resolution framework, focus on EPC contracts and generating financial resources for future road construction.

The infrastructure book in its focus sectors of renewables, roads and transmission showed a healthy growth. The infrastructure lending platform saw its fee income doubling in FY17 through larger underwriting and advisory mandates. This was ably supported by the down-selling desk which doubled its down-sell quantum in this year. Considering the stress in the overall infra sector, the Company proactively made accelerated provisions over and above the regulatory requirements in order to strengthen the balance sheet. Infrastructure Finance business witnessed a YoY growth of 21% in disbursement, along with a book growth of 19%. In FY17, your Company was awarded as the "Best Finance Company in Renewable Energy" at the annual "Central Board of Irrigation & Power Awards".

Competitive Advantage

- In depth sector knowledge, efficient transaction processing and management capabilities
- Superior advice to customers through all stages of the project life cycle
- Minimal turnaround time

Future Strategy

- Broaden the sectoral expertise and develop framework for new sectors

- Leverage successful PE interface in renewables for entry into new sectors
- Sharper focus on selection and structuring of project parameters

Structured Corporate Finance

In FY17, bank credit slowed down to a 60-year low of 5.1% on the back of lower credit demand and increased reliance on the bond market for debt requirement.

Despite the above trend, your Company's structured corporate finance expanded its asset base in FY17 with persistent focus on both growth and profitability. The growth trajectory has been backed by robust origination ability and detailed appraisal process. The structured corporate finance asset size showed a healthy 28% growth and doubling of disbursement numbers in FY17.

Competitive Advantage

- Robust origination ability and exhaustive appraisal process
- Expanded product suite with introduction of IPO funding in response to conducive market environment

Future Strategy

- Deliver steady state high spreads along with high fee income through superior structuring of financing solutions

Debt & Capital Market (DCM)

Your Company's DCM business invests in select infra project issuances and financial institutions. Additionally DCM entered structured finance segment in FY17.

The DCM desk doubled its disbursements, sell downs and profitability to demonstrate excellent investment and portfolio management philosophy.

Competitive Advantage

- Credit focussed approach to the business
- Large ticket size underwriting capability

Future Strategy

- Aim to take sole / anchor investor positions thereby positioning LTFS as a significant player

Supply Chain Finance

During FY17, your Company tied up with marquee names in the distribution business of information technology and mobility segment. The supply chain business showed consistent disbursements while increasing the profitability through increase in margins and opex control.

Supply Chain Finance business witnessed a YoY growth of 10% in disbursement, however, along with a book degrowth of 7%.

RISK MANAGEMENT

The transformation journey embarked by the Company involves rapid growth in our chosen businesses. Having embarked on this transformational journey, the Company recognises the criticality of risk management practices towards a longer term success. We have a robust management framework covering various families of risk like credit risk, portfolio risk, market risk and operational risk.

During FY17, your Company engaged a leading global risk management consultancy to further strengthen its risk management framework. Based on their recommendations, your Company is strengthening its capabilities in the four key areas to ensure that the businesses operate fearlessly within the defined risk appetite and risk tolerance levels.

1. **Risk Appetite Statement (RAS)**

   A robust RAS is set up that acts as a governing framework from board to front line to facilitate trade-offs between risk, value and growth. It helps in effective risk and return management while providing greater clarity and autonomy to businesses.

2. **Risk Dashboards & Early Warning Signals (EWS)**

   Dashboards should provide cross-risk view and are anchored to the Company's Risk Appetite Statement. It leverages risk measurement and analytics to further enhance early warning capabilities and to use those in driving decisions. EWS helps in timely identification of portfolios with increasing risk, enabling timely remedial measures (where applicable) and eventually driving lower NPAs.

3. **Treasury Risk Management**

   This gives the ability to effectively manage the Market Risk (liquidity and interest rate risks) emanating from the core businesses of the Company. A robust governance framework is set up to monitor and manage the Market Risk Operations.

4. **Risk-adjusted Pricing**

   This tool helps in tracking transaction level and portfolio level actual pricing vis-à-vis risk-adjusted pricing. Thus giving more clarity on value creation by products/portfolios. The pricing tool incorporates weighted average tenor, based on behavioural maturity in order to align with expected cash-flows.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

For details on internal control systems and their adequacy, refer Board Report.

HUMAN RESOURCES

As on March 31, 2017, your Company had a total workforce of 155 employees.

The role of Human Resources has significantly transformed since 2016, from being a function which used to manage the human resources of the Company to being the prime driver of the change in culture required for the successful transformation of the Company.

Your Company firmly believes that any transformation journey needs to be sustainable. While the strategy we have embarked upon for delivering a top quartile RoE is a 4-year strategy, superior value generation for the shareholders will come only if the new way of 'Results not Reasons' becomes a way of life.

Your Company believes that this journey will become sustainable if we get three aspects right:

- Clarity and Communication of Management Intent
- A well-honed Execution Engine
- A performance oriented Culture

The Company's endeavour is to ensure that its HR processes are completely aligned with the above three aspects and they work towards creating leadership which makes the transformation smooth and sustainable.

1. **Clarity and Communications of Management Intent**

   The intent of the management is quite clear – to deliver top quartile RoE by profitable growth in the Company's focussed businesses. We take all efforts to make sure that this is communicated clearly across all levels of the organisation. This is done through a series of town halls which are a two-way communication platform between the organisation and employees to share a 360-degree update on the Company's mission of superior shareholder value creation. Also, very clear communication of expected performance and behaviours is ensured. These town halls are organised every quarter end, across cities, departments, functions and grades.

2. **A Well-honed Execution Engine**

   Your Company's chosen method of ensuring efficient execution is through a series of projects touching each aspect of strategy execution. These projects are towards creating Centres of Excellence in various aspects of the business. We have developed our own unique way of not only ensuring that these contribute to delivering results in line with the decided milestones, but also ensuring that these are used for effective Leadership Development. Each of these projects is headed by a hand-picked middle level executive. This develops the leadership qualities of the person as it requires working with multi-functional teams and also exposes the person to close senior management reviews.

3. **Culture**

   A culture of 'ownership' and 'Results not Reasons' is the hallmark of LTFH 2.0. In fact, the endeavour of our HR interventions for creating this culture, is to use Culture as a Competitive Advantage. This is done through a right mix of 'Execution Design and Method' and 'Employee Value Proposition'.

CORPORATE SOCIAL RESPONSIBILITY

Corporate Social Responsibility (CSR) witnessed a transformation during FY17. The Company's over-arching theme of sustainable Livelihoods was revisited to align to the larger needs of the rural ecosystem - through Integrated Water Resource Management (IWRM). LTFS committed itself to come up with long-term innovative solutions benefitting the water-deprived communities. The IWRM programme engaged with communities to implement interventions in order to address their core needs in water and facilitate the rural economy through agriculture and allied activities.

In addition to this, your Company also focussed on Financial Literacy. It helped in spreading the message of financial literacy to rural India, resulting in enhanced absorption of facilities and schemes granted by the Government and other financial institutions.

Thrust areas were re-modelled to rake in the 3S approach which believes in:

- Social Impact through right projects aligned with Company's focussed businesses
- Sustainable development creating right structures
- Achieve scale by collaborating with right partners

Highlights

- Constructing water harvesting structures, known as Dohas
- Creating disaster relief shelters, towards the Tamil Nadu floods
- Nurturing 100 Integrated livelihood development centres in villages
- Initiating remedial education programmes
- Garnering volunteers from the organisation (Boondein) to contribute towards CSR initiatives

INDEPENDENT AUDITORS' REPORT

To the Members of L&T Infrastructure Finance Company Limited

Report on the Standalone Financial Statements

1. We have audited the accompanying standalone financial statements of L&T Infrastructure Finance Company Limited ("the Company"), which comprise the balance sheet as at March 31, 2017, and the related statements of profit and loss and cash flow for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these standalone financial statements based on our audit.

4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2017, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

9. As required by the Companies (Auditor's Report) Order, 2016, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure I a statement on the matters specified in paragraphs 3 and 4 of the Order.

10. As required by Section 143(3) of the Act, we report that:

    a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

    b. in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

    c. the Balance Sheet, the Statement of Profit and Loss and Cash Flow dealt with by this Report are in agreement with the books of account;

    d. In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);

    e. on the basis of written representations received from the directors as on March 31, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2017, from being appointed as a director in terms of Section 164(2) of the Act.

    f. With respect to the adequacy of internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure II.

    g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014(as amended), in our opinion and to the best of our information and according to the explanations given to us:

        i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 29 to the financial statements.

        ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any on long-term contracts including derivative contracts.

        iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

        iv. According to the information and explanations given to us and as indicated in Note 44 to the standalone financial statements, management has represented that the Company neither has any cash transactions nor does it hold any cash, and accordingly, the disclosure requirements specified in Rule 11(d) of the Companies (Audit and Auditors Rules), 2014, as amended, are not applicable. ANNEXURE II TO THE INDEPENDENT AUDITOR'S REPORT

of even date on the Financial Statements of L&T Infrastructure Finance Company Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of L&T Infrastructure Finance Company Limited ("the Company") as of March 31, 2017 in conjunction with our audit of the financial statements of the Company for year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that operate effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS - MARCH 31, 2017

NOTE – 1: Significant accounting policies

A. Basis of Accounting

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards prescribed under Section 133 of the Companies Act, 2013 read together with paragraph 7 of companies (Accounts) Rules 2014 and the Companies (Accounting Standards) Amendment Rules, 2016 to the extent applicable and along with the applicable guidelines issued by Reserve Bank of India ("RBI"). The financial statements have been prepared on accrual basis and under historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

All assets and liabilities have been classified as current and non – current as per the Company's normal operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of services and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current / non-current classification of assets and liabilities

B. Use of Estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

C. Tangible and Intangible Fixed Assets:

Fixed assets are carried at cost less accumulated depreciation/amortisation and impairment losses, if any. The cost of fixed assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use.

Fixed assets acquired in full or part exchange for another asset are recorded at the fair market value or the net book value of the asset given up, adjusted for any balancing cash consideration. Fair market value is determined either for the assets acquired or asset given up, whichever is more clearly evident. Fixed assets acquired in exchange for securities of the Company are recorded at the fair market value of the assets or the fair market value of the securities issued, whichever is more clearly evident.

Capital Work in Progress: Projects under which tangible Fixed assets are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

D. Investments

The Company being regulated as a Non-Banking Financial Company (NBFC) by the RBI, investments are classified under two categories i.e. Current and Long Term and are valued in accordance with the RBI guidelines and the Accounting Standard (AS) 13 on 'Accounting for Investments'.Investments in debentures which are, in substance, in the nature of credit substitutes are classified as a part of Loans towards Financing Activities and are measured in accordance with the criteria applied for the measurement of Loans towards Financing Activities.

'Long Term Investments' are carried at acquisition / amortised cost. A provision is made for diminution other than temporary.

'Quoted Current Investments' are grouped into following categories viz.

(a) Equity shares,

(b) Preference shares

(c) Debentures and Bonds,

(d) Government securities including treasury bills,

NOTES FORMING PART OF THE FINANCIAL STATEMENTS - MARCH 31, 2017 (Contd.)

(e) Units of mutual fund and

(f) Others.

Quoted current investments for each category shall be valued at cost or market value whichever is lower. For this purpose, the investments in each category shall be considered scrip-wise and the cost and market value aggregated for all investments in each category. If the aggregate market value for the category is less than the aggregate cost for that category, the net depreciation is provided for or charged to the statement of profit and loss. If the aggregate market value for the category exceeds the aggregate cost for the category, the net appreciation shall be ignored. Depreciation in one category of investments is not set off against appreciation in another category.

Unquoted current Investment:

Unquoted equity/preference shares to be valued at cost or Break-up/fair value whichever is lower. Investments in the units of mutual funds to be valued at the net asset value declared by the mutual fund in respect of each particular scheme.

E. Loans towards Financing Activities

Loans towards Financing Activities are classified under four categories i.e. (i) Standard Assets, (ii) Sub-standard Assets, (iii) Doubtful Assets and (iv) Loss Assets in accordance with the RBI Guidelines.

In respect of Loans and Debentures / Bonds in the nature of an advance, where interest is not serviced, provision for diminution is made as per the parameter applicable to Non-Performing Advances.

Provision on restructured advances /corporate debt restructure advances is made at in accordance with the guidelines issued by the RBI.

Provision on Standard Assets is made as per the provisioning policy of the Company subject to minimum as stipulated in RBI Guidelines or where additional specific risks are identified by the management, based on such identification.

F. Foreign Currency Transactions, Forward Contracts and Derivatives

Foreign currency transactions are accounted at the exchange rates prevailing on the date of each transaction. Foreign currency monetary items outstanding as at the Balance Sheet date are reported using the closing rate. Gains and losses resulting from the settlement of such transactions and translation of monetary assets and liabilities denominated in foreign currencies are recognised in the statement of Profit and Loss.

The Company has exercised the option granted under notification F.No.17/33/2008/CL-V dated March 31, 2009, issued by the Ministry of Corporate Affairs and subsequent Notification No G.S.R.913(E) (F.No. 17/133/2008-CL.V) dated December 29, 2011 and is accordingly, amortising the foreign currency translation differences on long term foreign currency monetary items over the shorter of their maturity period and the balance period upto March 31, 2020. The unamortised balance as at the period end is presented as "Foreign Currency Monetary Item Translation Difference Account" on the assets side of the Balance Sheet.

Premium in respect of forward contracts is charged to statement of Profit and Loss over the period of the contract. Forward contracts outstanding as at the Balance Sheet date are revalued at the closing rate.

G. Derivative contracts

Currency interest rate swaps

As per the risk management policy, the Company has taken foreign currency swap to cover the risk exposure on account of foreign currency loans. These transactions are structured in such a way that the Company's foreign currency liability is crystallized at a rate of exchange prevailing on the date of taking the swap. The foreign currency loans are valued at the exchange rate prevailing on the reporting date. Foreign currency swaps are marked to market on reporting date and resultant gain or loss is charged to Statement of profit and loss.

Cross currency Interest rate swaps in the nature of hedge, taken to manage currency risk as well as interest rate risk on foreign currency liabilities, whereby variable interest rate in foreign currency is swapped for fixed interest rate in Indian rupees or vice-versa. Such Interest rate swaps are marked to

market at each reporting date and resultant gain or loss is recognised in Statement of profit and loss

Currency interest rate swaps in the nature of hedge, booked with the objective of managing the currency and interest rate risk on foreign currency liabilities are recorded on accrual basis and these transactions are not marked to market. The foreign currency balances on account of principal of currency interest rate swaps outstanding as at the Balance Sheet date are revalued using the closing rate.

H. Revenue Recognition

(a) Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured and there exists reasonable certainty of its recovery.

(b) Interest from interest-bearing assets is recognised on an accrual basis over the life of the asset based on the constant effective yield. The effective interest is determined on the basis of the terms of the cash flows under the contract including related fees, premiums, discounts or debt issuance costs, if any. Interest and other dues in the case of non-performing loans is recognised upon realisation, as per the income recognition and asset classification norms prescribed by the RBI.

(c) Revenues from the various services that the Company renders are recognised when the following criteria are met: persuasive evidence of an arrangement exists, the services have been rendered, the fee or commission is fixed or determinable, and collectability is reasonably assured.

(d) Guarantee fees is recognized on pro-rata basis over the period of the guarantee.

I. Other income

Dividend is accounted when the right to receive dividend is established.

J. Employee Benefits

Defined–Contribution Plans

The Company offers its employees defined contribution plans in the form of provident fund and family pension fund. Provident fund and family pension funds cover substantially all regular employees. Contributions are paid during the year into separate funds under certain statutory / fiduciary-type arrangements. Both the employees and the Company pay predetermined contributions into provident fund and family pension fund. The contributions are normally based on a certain proportion of the employee's salary.

Defined–Benefits Plans

The Company makes annual contributions to the Fund administered by trustees and managed by an insurance company. The Company accounts for the net present value of its obligations for gratuity benefits based on an independent external actuarial valuation determined on the basis of the "Projected Unit Credit" method carried out at the Balance Sheet date. Actuarial gains and losses are immediately recognised in the Statement of Profit and Loss.

Other Employee Benefits

Compensated absences which accrue to employees and which can be carried to future periods but are expected to be encashed or availed in the 12 months immediately following the period / year end are reported as expense during the year in which the employees perform services that the benefit covers and the liabilities are reported at the undiscounted amount of the benefit after deducting amounts already paid.

Where there are restrictions on availment / encashment of such benefits or where the availment is otherwise not expected to wholly occur in the next 12 months, the liability on account of the benefits is actuarially determined using the Projected Unit Credit method.

K. Depreciation and Amortisation

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS - MARCH 31, 2017 (Contd.)

Intangible assets are amortised over their estimated useful life on straight line method as follows:

Computer software- 3 years

The estimated useful life of the intangible assets and the amortisation period are reviewed at the end of each financial year and the amortisation period is revised to reflect the changed pattern, if any.

L. Borrowing costs

Borrowing costs include interest,amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Interest cost in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan.

M. Impairment of assets

Tangible fixed assets and intangible assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount, which is the higher of the asset's net selling price or its value in use.

N. Operating Leases

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating leases. Lease rentals under operating leases are recognised in the Statement of Profit and Loss on a straight-line basis over the lease term.

O. Taxes on Income

Current tax is determined as the amount of tax payable in respect of taxable income for the year as determined in accordance with the provision of Income Tax Act, 1961.

Deferred tax is recognised on timing differences, between taxable income and accounting income that originated in one period and is capable of reversal in one or more subsequent periods. Deferred tax assets are recognised with regard to all deductible timing differences to the extent it is probable that taxable profit will be available against which deductible timing differences can be utilised. When the Company carries forward unused tax losses and unabsorbed depreciation, deferred tax assets are recognised only to the extent there is virtual certainty backed by convincing evidence that sufficient future taxable income will be available against which deferred tax assets can be realised. The carrying amounts of deferred tax assets are reviewed at each balance sheet date and reduced by the extent that it is no longer probable that sufficient taxable profit will be available to allow all or a part of the deferred tax asset to be utilised.

P. Provisions, Contingent liabilities and Contingent assets

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

A disclosure of contingent liability is made in the notes when there is:

A Possible obligation arising from a past event, the existence of which will be confirmed by occurance or non-occurance of one or moreuncertain future events not within the control of the NBFC; or

A present obligation arising from a past event which is not recognised as it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are not recognised in the financial statements.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS - MARCH 31, 2017 (Contd.)

Q. Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

R. Cash and Cash Equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

S. Employee Stock Option Plan

The Employees Stock Options Scheme ("the Scheme") has been established by the holding company (i.e. L&T Finance Holdings Limited). The Scheme provides that employees are granted an option to subscribe to equity share of the company that vest in a graded manner. The options may be exercised with in specified period. Measurement and disclosure of Employee Share-based Payment Plan is done in accordance with Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 and the Guidance Note on Accounting for Employee Share-based Payments, issued by The Institute of Chartered Accountants of India. The company follows the intrinsic value method to account for its stock based employee compensation plans. Stock options were granted to the employees of the Company during the financial year 2010-11, 2011-12, 2012-13, 2013-14, 2014-15 and 2015-16. The cost incurred by the holding company, in respect of options granted to employees of the Company are being charged to the statement of profit and loss during the period and recovered by the holding Company.

T. Service tax input credit

Service tax input credit is accounted for in the books in the period in which the underlying service received is accounted and when there is no uncertainty in availing / utilizing the credits.

U. Earnings per share

Basic and diluted earnings per share are computed in accordance with Accounting Standard ("AS") 20 – Earnings per share.

Basic earnings per share is calculated by dividing the net profit or loss after tax for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted earnings per equity share is computed using the weighted average number of equity shares and dilutive potential equity shares outstanding during the year, except where the results are anti-dilutive.

V. Share Issue Expenses

Share issue expenses are charged-off against the securities premium account in accordance with the provisions of section 52 of the Companies Act, 2013.

W. Debenture Issue Expenses

Expenses incurred on issue of debentures are charged-off against the securities premium account in accordance with the provisions of section 52 of the Companies Act, 2013.

X. Earnings Per Share :

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period after deducting preference dividends and any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, sub-division of shares etc. that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

INDEPENDENT AUDITORS' REPORT

To the members of L&T Infra Investment Partners Advisory Private Limited

Report on the standalone Indian Accounting Standards (Ind AS) financial statements

We have audited the accompanying standalone Ind AS financial statements of L&T Infra Investment Partners Advisory Private Limited ('the Company'), which comprise the balance sheet as at 31 March 2017, the statement of profit and loss (including other comprehensive income), the cash flow statement and the statement of changes in equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein after referred to as 'standalone Ind AS financial statements').

Management's responsibility for the standalone Ind AS financial statements

The Company's board of directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income,cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS prescribed under section 133 of the Act read with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the financial position of the Company as at 31 March 2017, and its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Other matters

The transition date opening balance sheet as at 1 April 2015 included in the standalone Ind AS financial statement, is based on the previously issued statutory financial statements prepared in accordance with the Companies (Accounting Standards) Rules, 2006 which were audited by other auditors on which they expressed a unmodified opinion dated 22 April 2015. The adjustments to these financial statements for the differences in the accounting principles adopted by the Company on transition to the Ind AS have been audited by us.

Our report is not qualified in respect of this matter.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2(f) under 'Report on other legal and regulatory requirements' of our report of even date)

Report on the internal financial controls under clause (i) of sub-section (3) of section 143 of the Companies Act, 2013 (the 'Act')

We have audited the internal financial controls over financial reporting of L&T Infra Investment Partners Advisory Private Limited ('the Company') as of 31 March 2017 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable, to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involved performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of internal financial controls over financial reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone Ind AS financial statements.

Inherent limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility

of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on internal financial controls over financial reporting issued by the ICAI.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

1 Background

L&T Infra Investment Partners Advisory Private Limited ('the Company') was incorporated on 30 May 2011 under the provisions the Companies Act, 1956 and obtained certificate of commencement of business on the same date. The Company is a 100% subsidiary of L&T Infrastructure Finance Company Limited. The Company is engaged in the business of providing investment advisory / management services.

2 Summary of Significant Accounting Policies

2.1 Basis of Preparation

These financial statements have been prepared in accordance with Indian Accounting Standard (Ind AS) notified under the Companies (Indian Accounting Standard) Rules, 2015 read with Section 133 of the Companies Act, 2013 with effect from April 1, 2016. Previous period numbers in the financial statements have been restated to Ind AS.

These financial statements are the first financial statements of the Company under Ind AS. Refer Note 34 for an explanation of how the transition from previous GAAP to Ind AS has been affected the financial position, financial performance and cash flows. The Company has presented a reconciliation from the presentation of financial statements under Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 ("Previous GAAP") to Ind AS of Shareholders' equity as at March 31, 2016 and April 1, 2015 and of the comprehensive net income for the year ended March 31, 2016 (Refer Note 37).

The financial statements have been prepared under the historical cost convention, as modified by the revaluation of certain financial assets at fair value through profit or loss.

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. The Company has ascertained its operating cycle as 12 months for the purpose of current – non current classification of assets and liabilities.

2.2 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(a) Financial Assets

All financial assets are recognised initially at fair value. Transaction costs that are attributable to the acquisition of the financial asset (other than financial assets recorded at fair value through profit or loss) are added to the fair value measured on initial recognition of financial assets.

Financials assets are subsequently measured either at amortised cost, fair value through other comprehensive income (FVTOCI) or fair value through profit or loss (FVTPL) based on assessment of it's business model test and contractual cash flows characteristics.

The gains/ losses on sale of investments are recognised in the statement of profit and loss on the trade day. Profit or loss on sale of investments is determined on weighted average cost basis.

(b) Financial Liabilities

Trade and other payables represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are initially recognised at fair value, and subsequently carried at amortised cost.

2.3 Share Capital

Ordinary equity shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares are deducted against the share capital account.

2.4 Intangible Assets- Computer software

Intangible assets- Computer software are amortised in the statement of profit and loss over their estimated useful lives, from the date that they are available for use based on the expected pattern of consumption of economic benefits of the asset. Accordingly, at present, these are being amortised on straight line basis.

2.5 Employee benefits

Short term

Short term employee benefits include salaries, allowances and performance incentives. A liability is recognised for the amount expected to be paid under short-term cash bonus or profit sharing

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017 (Contd.)

plans if the Company has a present legal or informal obligation to pay this amount as a result of past service provided by the employee, and the obligation can be estimated reliably. These costs are recognised as an expense in the Statement of Profit and Loss at the undiscounted amount expected to be paid over the period of service rendered by the employees to the Company.

Long term

The Company offers its employees long term benefits by way of defined-contribution and defined-benefit plans, of which some have assets in special funds or securities. The plans are financed by the Company and in the case of some defined contribution plans, by the Company along with its employees.

(a) Defined contribution plans- Provident fund and family pension fund

These are plans in which the Company pays pre-defined amounts to separate funds and does not have any legal or informal obligation to pay additional sums. These comprise of contributions to the employees' provident fund and family pension fund. The Company's payments to the defined-contribution plans are reported as expenses during the period in which the employees perform the services that the payment covers.

(b) Defined benefit plans- Gratuity

Expenses for defined-benefit gratuity plan are calculated as at the balance sheet date by an independent actuary in a manner that distributes expenses over the employee's working life using the projected unit credit method. These commitments are valued at the present value of the expected future payments, with consideration for calculated future salary increases, using a discount rate corresponding to the interest rate on government bonds with a remaining term that is almost equivalent to the average balance working period of employees. The fair values of the plan assets are deducted in determining the net liability. When the fair value of plan assets exceed the commitments computed as aforesaid, the recognised asset is limited to the net total of any cumulative past service costs and the present value of any economic benefits available in the form of any refunds from the plan or reductions in future contributions to the plan.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the statement of other comprehensive income in the year in which they arise.

(c) Compensated Absences

The employees can carry-forward a portion of the unutilised accrued compensated absences and utilise it in future service periods or receive cash compensation on termination of employment. Since the compensated absences do not fall due wholly within twelve months after the end of the year in which the employees render the related service and are also not expected to be utilised wholly within twelve months after the end of such year, the benefit is measured as present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period on the basis of independent actuarial valuation using the projected unit credit method. The Company records an obligation for such compensated absences in the period in which the employee renders the services. The obligations are classified as current and are presented as short term provisions since the company does not have an unconditional right to defer settlement for at least months after the reporting period, regardless of when the actual settlement is expected to occur.

(d) Employee Stock Options schemes

The Employee Stock Options Scheme ("the Scheme") has been established by the ultimate holding company (i.e. L&T Finance Holdings Limited). The Scheme provides that employees are granted an option to subscribe to equity share of the ultimate holding company that vest in a graded manner. The options may be exercised within a specified

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017 (Contd.)

period. Measurement and disclosure of Employee Share-based Payment Plan is done in accordance with SEBI (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999.

The cost incurred by the holding company, in respect of options granted to employees of the Company is being charged to the statement of profit and loss, with a corresponding adjustment to equity over the vesting period and recovered by the holding Company.

2.6 Revenue Recognition

Revenue is recognised when there is reasonable certainty of its ultimate realisation/collection. The company recognises revenue when the amount of revenue can be reliably measured; when it is probable that future economic benefits will flow to the entity; and when specific criteria have been met for each of the Company's activities, as described below.

(a) Advisory Fees

Advisory fees are recognised quarterly on an accrual basis, in accordance with the terms of contract.

(b) Dividend income

Dividend income is recognised when the right to receive payment is established.

(c) Interest income

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the interest rate applicable.

(d) Profit or loss on Sale of Investments

The gains/ losses on sale of investments are recognised in the Statement of Profit and Loss on the trade date. Gain or loss on sale of investments is determined after consideration of cost on a First in First out basis.

2.7 Professional Fees

Professional fees paid by the Company to underwriters / placement agencies to secure capital commitments, which are incremental and directly related to obtain investment commitments, are capitalized and amortized over the life of the fund, i.e. ten years.

2.8 Income Taxes

Income taxes are accounted for in accordance with Ind AS 12 "Income Taxes". Tax expense comprises both current tax and deferred tax.

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities.

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

2.9 Provisions, Contingent Liabilities & Contingent Assets

The Company recognizes a provision when there is a present obligation as a result of past event on which it is probable that there will be outflow of resources to settle the obligation in respect of which reliable estimates can be made.

Contingent Liabilities are disclosed by way of notes to Financial Statements after careful evaluation by the management of the facts and legal aspects of the matter involved.

Contingent Assets are disclosed in the financial statement when an inflow of economic benefits are probable.

2.7 Earning Per Shares

Basic earning per shares is calculated by dividing the profit for the year attributable to equity shareholders by the weighted average number of Equity shares outstanding during the year.

Number of equity shares used in computing diluted EPS comprises the weighted average number of shares considered for deriving basic earnings per share and also weighted average number of equity shares, which would have been issued on the conversion of all dilutive potential shares.

The amount of equity shares to be issued by the Company on conversion of the Cumulative Compulsory Convertible Debentures ('CCCD') is currently not determinable. Hence the effect on the same is not considered.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017 (Contd.)

3 Critical Estimates and judgements

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

The areas involving critical estimates or judgements are:

(i) Estimation of current tax expense and payable - There are transactions and calculations for which the ultimate tax determination is uncertain and would get finalized on completion of assessment by tax authorities. Where the final tax outcome is different from the amounts that were initially recorded, such differences will impact the income tax and deferred tax provisions in the period in which such determination is made.

(ii) Recognition of deferred tax assets for carried forward tax losses - The company has not recognised deferred tax assets on carried forward tax losses. The losses can be carried forward for a period of 8 years as per tax regulations and the Company does not expect to recover the losses in forseable future.

(i) Fair value hierarchy

This section explains the estimates and judgements made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in financial statements. To provide an indication about the reliability of the inputs used in determining the fair value, the Company has classified its financial instruments into three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

(Currency: ₹)

Financial assets and liabilities measured at fair value- recurring fair value measurements	Notes	Level 1	Level 2	Level 3	Total

At April 1, 2015		46,137,992	-	-	**46,137,992**

Level 1 hierarchy- It includes financial instruments measured using quoted prices in active markets for identical assets or liabilities.. This includes mutual funds which are valued using the closing NAV.

Level 2 hierarchy- It includes financial instruments measured using valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 hierarchy- It includes financial instruments measured using valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

There are no transfers between levels 1 and levels 2 and levels 3 during the year.

(ii) Fair value of financial assets and liabilities measured at amortised cost

The carrying amounts of trade receivables, trade payables, other current liabilities and cash and cash equivalents are considered to be the same as their fair values, due to short-term nature.

INDEPENDENT AUDITORS' REPORT

To the members of L&T Infra Investment Partners Trustee Private Limited

Report on the standalone Indian Accounting Standards (Ind AS) financial statements

We have audited the accompanying standalone Ind AS financial statements of L&T Infra Investment Partners Trustee Private Limited ('the Company'), which comprise the balance sheet as at 31 March 2017, the statement of profit and loss (including other comprehensive income), the cash flow statement and the statement of changes in equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein after referred to as 'standalone Ind AS financial statements').

Management's responsibility for the standalone Ind AS financial statements

The Company's board of directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income,cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS prescribed under section 133 of the Act read with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the financial position of the Company as at 31 March 2017, and its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Other matters

The transition date opening balance sheet as at 1

April 2015 included in the standalone Ind AS financial statement, is based on the previously issued statutory financial statements prepared in accordance with the Companies (Accounting Standards) Rules, 2006 which were audited by other auditors on which they expressed a unmodified opinion dated 20 April 2015. The adjustments to these financial statements for the differences in the accounting principles adopted by the Company on transition to the Ind AS have been audited by us.

Our opinion is not qualified in respect of this matter.

Report on other legal and regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the central government of India in terms of section 143(11) of the Act, we give in Annexure A a statement on the matters specified in paragraphs 3 and 4 of the Order.

2. As required by section 143(3) of the Act, we report that:

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2(f) under 'Report on other legal and regulatory requirements' of our report of even date)

Report on the internal financial controls under clause (i) of sub-section (3) of section 143 of the Companies Act, 2013 (the 'Act')

We have audited the internal financial controls over financial reporting of L&T Infra Investment Partners Trustee Private Limited ('the Company') as of 31 March 2017 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable, to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involved performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of internal financial controls over financial reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone Ind AS financial statements.

Inherent limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on internal financial controls over financial reporting issued by the ICAI.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

1 Background

L&T Infra Investment Partners Trustee Private Limited ('the Company') was incorporated on 12 August 2011 under the Companies Act, 1956 and obtained the certificate of commencement of business on the same date. The Company is a 100% subsidiary of L&T Infrastructure Finance Company Limited. The Company is engaged in the business of providing trusteeship services.

2 Significant accounting policies

2.1 Basis of preparation of financial statements

These financial statements have been prepared in accordance with Indian Accounting Standard (Ind AS) notified under the Companies (Indian Accounting Standard) Rules, 2015 read with Section 133 of the Companies Act, 2013 with effect from 1st April 2016. Previous period numbers in the financial statements have been restated to Ind AS.

These financial statements are the first financial statements of the Company under Ind AS. Refer Note 25 for an explanation of how the transition from previous GAAP to Ind AS has affected the financial position, financial performance and cash flows. The Company has presented a reconciliation from the presentation of financial statements under Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 ("Previous GAAP") to Ind AS of Shareholders' equity as at 31st March 2016 and 1st April 2015 and of the comprehensive net income for the year ended 31st March 2016 (Refer Note 26).

The financial statements have been prepared under the historical cost convention, as modified by the revaluation of certain financial assets at fair value through profit or loss.

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. The Company has ascertained its operating cycle as 12 months for the purpose of current – non current classification of assets and liabilities.

The financial statements are presented in 'Indian Rupees' (INR), which is Company's functional and presentation currency and the same has been rounded off to the nearest Rupee.

2.2 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(a) Financial Assets

All financial assets are recognised initially at fair value. Transaction costs that are attributable to the acquisition of the financial asset (other than financial assets recorded at fair value through profit or loss) are added to the fair value measured on initial recognition of financial assets.

Financials assets are subsequently measured either at amortised cost, fair value through other comprehensive income (FVTOCI) or fair value through profit or loss (FVTPL) based on assessment of it's business model test and contractual cash flows characteristics.

The gains/ losses on sale of investments are recognised in the statement of profit and loss on the trade day. Profit or loss on sale of investments is determined on weighted average cost basis.

(b) Financial Liabilities

Trade and other payables represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are initially recognised at fair value, and subsequently carried at amortised cost.

2.3 Share Capital

Ordinary equity shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares are deducted against the share capital account.

2.4 Revenue Recognition

Trustee fee is recognised in the statement of profit and loss on an accrual basis, in accordance with the terms of the contract.

2.5 Income Taxes

Income-tax expense comprises current tax (i.e. amount of tax for the period determined in accordance with the income-tax law) and deferred tax charge or credit (reflecting the tax effects of

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017 (Contd.)

timing differences between accounting income and taxable income for the period). Income-tax expense is recognised in the profit and loss statement.

2.6 Provisions and contingent liabilities

The Company recognizes a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of resources would be required to settle the obligation, the provision is reversed.

Contingent assets are not recognized in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognized in the period in which the change occurs.

2.7 Earnings per share ('EPS')

EPS is computed by dividing the net profit attributable to the equity shareholders by the weighted average number of equity shares outstanding during the reporting year. Number of equity shares used in computing diluted EPS comprises the weighted average number of shares considered for deriving basic earnings per share and also weighted average number of equity shares, which would have been issued on the conversion of all dilutive potential shares. Diluted EPS is computed using the weighted average number of equity and dilutive equity equivalent shares outstanding during the year except where the results would be anti-dilutive.

3 Critical Estimates and judgements

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

The areas involving critical estimates or judgements are:

(i) Estimation of current tax expense and payable - There are transactions and calculations for which the ultimate tax determination is uncertain and would get finalized on completion of assessment by tax authorities. Where the final tax outcome is different from the amounts that were initially recorded, such differences will impact the income tax and deferred tax provisions in the period in which such determination is made.

COMPANY'S POLICY ON DIRECTORS' APPOINTMENT AND REMUNERATION

A. Background:

Section 178 of the Companies Act, 2013 ("the Act") and rules thereof, require the Nomination and Remuneration Committee ("NRC") of a Company to formulate a Policy relating to the remuneration for the Directors, Key Managerial Personnel and other employees of the Company and recommend the same for approval of the Board.

Further Section 134 of the Act stipulates that the Board Report shall include a statement on Company's Policy on directors' appointment and remuneration including criteria for determining qualifications, positive attributes, independence of director and remuneration for key managerial personnel and other employees.

The Board of Directors has, based on the recommendation of the NRC of the Company, approved the policy on Directors' appointment and remuneration for Directors, KMP and other employees.

B. Brief framework of the Policy

The objective of this Policy is:

a) determining inter-alia, qualifications, positive attributes and independence of a Director;

b) determining matters relating to appointment and removal of Directors, and Senior Management;

c) evaluation of performance of the Directors; and

d) determining remuneration of the Directors, Key Managerial Personnel and other employees.

C. Appointment of Director(s)

The NRC identifies and ascertains the integrity, professional qualification, expertise and experience of the person, who is proposed to be appointed as a director and appropriate recommendation is made to the Board with respect to his/her appointment.

Appointment of Independent Directors is subject to the provisions of Section 149 of the Act read with Schedule IV and rules thereunder. The NRC satisfies itself that the proposed person satisfies the criteria of independence as stipulated under Section 149(6) of the Act, before the appointment as an Independent Director.

No person is eligible to be appointed as a Director, if he/she is subject to any disqualifications as stipulated under the Act or any other law(s) for the time being in force.

Appointment of Managing Director and Whole-time Director is subject to provisions of Sections 196, 197, 198 and 203 of the Act read with Schedule V and rules there under. The NRC ensures that a person does not occupy the position as a Managing Director/Whole-time Director beyond the age of seventy years, unless the appointment is approved by a Special Resolution passed by the Company in general meeting. No re-appointment is made earlier than one year before the expiry of term.

D. Evaluation Criteria of Directors and Senior Management/KMP/Employees

- **Non-Executive Directors/Independent Directors**

  The NRC carries out evaluation of performance of Independent Directors/Non-Executive Directors every year ending March 31st on the basis of the following criteria:

  - Membership & Attendance - Board and Committee Meetings.
  - Contribution during such meetings.
  - Active participation in strategic decision making.
  - Inputs to executive management on matters of strategic importance.
  - Such other matters, as the NRC/Board may determine from time to time.

- **Executive Directors**

  The NRC carries out evaluation of performance of Executive Directors ("EDs"), if any, every year ending March 31st. The evaluation is on the basis of Key Performance Indicators ("KPI"), which are identified well in advance for EDs and weights assigned for each measure of performance keeping in view the distinct roles of each ED. The identified KPI for EDs are approved by the Board, pursuant to recommendation of the NRC, if required.

- **Senior Management/KMP/Employees**

  The HR Department carries out the evaluation of the aforementioned persons every year ending March 31st, with the Department Head(s)/ Management concerned. KPIs are identified well in advance at the commencement of the financial year. Performance benchmarks are set and evaluation of employees is done by the respective reporting Manager(s)/ Management to determine whether the performance benchmarks are achieved. The payment of remuneration/annual increment to the aforementioned persons is determined after the satisfactory completion of evaluation process.

  The HR Department of the Company is authorized to design the framework for evaluating the EDs/KMP/Senior Management Personnel/ employees. The objective of carrying out the evaluation by the Company is to identify and reward those with exceptional performances during any financial year. Training and Development Orientation programs on a need basis are provided to employees, whose performance during any financial year does not meet the benchmark criteria.

E. Criteria for Remuneration

The Committee, while determining the criteria for remuneration for Directors and Senior Management/ other employees ensures that:

- the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate directors of the quality required to run the company successfully;
- relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- remuneration to directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

PERFORMANCE EVALUATION

Pursuant to the provisions of the Act, the Board has carried out an annual evaluation of its own performance, the directors individually, as well as the Committees of the Board.

Manner of Evaluation

The NRC and the Board have laid down the manner in which formal annual evaluation of the performance of the Board, Committees and individual directors has to be made.

It includes circulation of evaluation forms separately for evaluation of the Board and its Committees and Independent Directors/Non-Executive Directors of the Company.

The process of the annual performance evaluation broadly comprises:

a. Board and Committee Evaluation:

Evaluation of Board as a whole and the Committees is done by the individual directors, followed by submission of collation to NRC and feedback to the Board.

b. Independent / Non-Executive Directors Evaluation:

Evaluation done by Board members excluding the Director being evaluated is submitted to the Chairperson of L&T Finance Holdings Limited, the holding company and individual feedback is provided to each Director.

STATUTORY AUDITORS

Pursuant to the provisions of Section 139(2) of the Act and the rules made thereunder, the Members at their Twentieth Annual General Meeting ("AGM") held on May 21, 2016, had appointed M/s Sharp & Tannan, Chartered Accountants (ICAI Firm's Registration Number 109982W) as the Statutory Auditors of the Company for a term of five years, i.e. from the conclusion of Twentieth AGM held on May 21, 2016 till the conclusion of the Twenty Fifth AGM.

Further, in terms of section 139(1), the appointment of Statutory Auditors is required to be placed for ratification at every AGM. Accordingly, the appointment of M/s Sharp & Tannan, Chartered Accountants, as the Statutory Auditors of the Company, has been placed for ratification by the Member at the ensuing Twenty First AGM.

With respect to aforesaid appointment, the Company has received a certificate from the Auditors to the effect that ratification of their appointment, if made, would be in accordance with the provisions of Section 141 of the Act. They have also confirmed that they hold a valid Peer Review Certificate issued to them by the Institute of Chartered Accountants of India ("ICAI").

VIGIL MECHANISM / WHISTLE BLOWER POLICY

The Company has formulated and established a Vigil Mechanism framework to enable Directors and employees to report genuine concerns about unethical behaviour, actual or suspected fraud or violation of Code of Conduct. Under this framework, the Company has set up a “Whistle Blower Investigation Committee”. The Chairperson of this Whistle Blower Investigation Committee is the Chief Ethics Officer of the Company responsible for receiving, validating, investigating and reporting to the AC on this matter. The Chief Internal Auditor of L&T Financial Services Group acts as the ‘Chief Ethics Officer’.

The objective of this mechanism is to maintain a redressal system which can process all complaints concerning questionable accounting practices, internal controls or fraudulent reporting of financial information.

CORPORATE SOCIAL RESPONSIBILITY COMMITTEE

In accordance with the requirements of the provisions of Section 135 of the Act, the Company has constituted a Corporate Social Responsibility (“CSR”) Committee. The CSR Committee consists of Mr. M.V. Nair, Mr. P.H. Ravikumar and Mr. R. Shankar Raman. The Board, on recommendation of the CSR Committee, had approved the CSR Policy of the Company which is available on the website of the Company at https://www.ltfs.com/csr.html.

The Company does not have any “net profits” calculated as per the provisions of the Act and therefore the Company was not required to spend any amount towards the activities specified under the Act towards discharging its corporate social responsibility. However, during FY 2016-17, the Company has made a donation of ₹ 50,000 to Anglo Scottish Education Society for education purposes.

The Company has not given any loans or guarantees or made any investments pursuant to the provisions of Section 186 of the Act and the rules thereof during FY 2016-17.

PARTICULARS OF CONTRACTS OR ARRANGEMENTS WITH RELATED PARTIES:

The Board of Directors at its meeting held on October 21, 2014 had approved the Policy on transactions with related parties (“RPT Policy”), pursuant to recommendation of the same by the Audit Committee (“AC”). The Policy intends to ensure that proper reporting, approval and disclosure processes are in place for all transactions between the Company and the related parties.

Key features of the RPT Policy are as under:

- All transactions with related parties (“RPTs”) are referred to the AC of the Company for approval irrespective of its materiality. The AC, on the recommendation of the management, approves certain transactions with related parties which would occur on a regular basis or at regular intervals. The AC, at the end of each year, appraises the position of the approved transactions to ensure that all necessary requirements are being complied with.

All RPTs which are not at arm’s length and / or which are not in the ordinary course of business are presented to the Board for an appropriate decision.All RPTs that were entered into during FY 2016-17 were on an arm’s length basis and were in the ordinary course of business and disclosed in the Financial Statements. There were no materially significant RPTs made by the Company with Promoters, Directors, Key Managerial Personnel or body corporate(s), which had a potential conflict with the interest of the Company at large. Accordingly, the disclosure of RPT as required under the provisions of Section 134(3)(h) of the Act in Form AOC-2 is not applicable. The Directors draw attention of the Members to Notes to the Financial Statements which sets out related party disclosures.

RISK MANAGEMENT POLICY

The Company has framed and implemented a risk management framework which deals with identification of risk in the business of the Company and which may threaten the existence of the Company. Further, the said framework also lays down mitigants and periodical review to ensure that executive management controls risk by means of a properly designed framework.

AUDITORS' REPORT

The Auditors' Report is unqualified. The Notes to the Accounts referred to in the Auditors' Report are self-explanatory and therefore do not call for any further clarifications under Section 134(3)(f) of the Act.

INDEPENDENT AUDITORS' REPORT

To the members of L&T Investment Management Limited

Report on the standalone financial statements

We have audited the accompanying standalone financial statements of L&T Investment Management Limited ('the Company'), which comprise the balance sheet as at 31 March 2017, the statement of profit and loss, the cash flow statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's responsibility for the standalone financial statements

The Company's board of directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the standalone financial statement in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2017, and its loss and its cash flows for the year ended on that date.

Other matters

The financial statements of the Company for the year ended 31 March 2016 were audited by other auditor whose report dated 25 April 2016 expressed an unmodified opinion on the statement.

Our opinion is not qualified in respect of this matter.

Report on other legal and regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the central government of India in terms of sub-section (11) of section 143 of the Act, we give in Annexure A a statement on the matters specified in paragraphs 3 and 4 of the Order.

2. As required by section 143 (3) of the Act, we report that:

   a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

   b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

   c) the balance sheet, the statement of profit and loss, and the cash flow statement dealt with by this report are in agreement with the books of account;

   d) in our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014;

   e) on the basis of the written representations received from the directors as on 31 March 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2017 from being appointed as a director in terms of section 164 (2) of the Act;

   f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure B; and

   g) with respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Amendment Rules, 2017, in our opinion and to the best of our information and according to the explanations given to us:

   i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – refer note 25 to the standalone financial statement;

   ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;

   iii. There are no amounts required to be transferred to the Investor Education and Protection Fund by the Company; and

   iv. The Company has provided requisite disclosures in the financial statements as to holdings as well as dealings in Specified Bank Notes during the period from 8 November, 2016 to 30 December, 2016. Based on audit procedures and relying on the management representation we report that the disclosures are in accordance with books of account maintained by the Company and as produced to us by the Management – refer note 24 to the standalone financial statement;

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2(f) under 'Report on other legal and regulatory requirements' of our report of even date)

Report on the internal financial controls under clause (i) of sub-section (3) of section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of L&T Investment Management Limited ('the Company') as of 31 March 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('the ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable, to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involved performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of internal financial controls over financial reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that: (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility

of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

1 Background

L&T Investment Management Limited (the 'Company') is a public company domiciled in India. The principal shareholder of the Company as at 31st March, 2017 is L&T Finance Holdings Limited.

The Company's principal activity is to act as an investment manager to L&T Mutual Fund (the "Fund") and to provide Portfolio Management Services ("PMS") to clients under Securities and Exchange Board of India ("SEBI") (Portfolio Managers) Regulations, 1993. The Company is registered with Securities and Exchange Board of India ("SEBI") under the SEBI (Mutual Funds) Regulations, 1996 (the "SEBI" regulation). The Company manages the investment portfolios of the Fund and provides various administrative services to the Fund as laid down in the Investment Management Agreement dated 23rd October, 1996.

2 Summary of significant accounting policies

2.1 Basis of preparation

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India ("Indian GAAP") to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 (the "2013 Act") / Companies Act, 1956 (the "1956 Act"), as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. The Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

2.2 Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

2.3 Tangible assets & depreciation

Tangible fixed assets acquired by the Company are reported at acquisition cost, with deductions for accumulated depreciation and impairment losses, if any. The acquisition cost includes the purchase price (excluding refundable taxes) and expenses directly attributable to the asset to bring it to the site and in working condition for its intended use.

Depreciation is provided on a straight line basis as per the useful lives prescribed in Schedule II to the Companies Act, 2013, except:

(A) Fixed assets costing less than INR 5,000 are fully depreciated in the year of purchase and

(B) A lower useful life of 6.67 years has been considered for Vehicles after taking into account the nature of the asset, the estimated usage of the asset, past history of replacement, etc.

2.4 Intangible assets & amortisation

Intangible assets are valued at cost less amortisation. These generally comprise costs incurred to acquire computer software licenses, implementing the software for internal use (including software coding, installation, testing and certain data conversion), the asset management rights ("AMR") acquired and goodwill on amalgamation. Software licenses are being amortised over their useful lives which is estimated at 3 years. The AMR and goodwill on amalgamation are being amortised on a straight line basis over a period of 10 years and 5 years respectively.

2.5 Impairment of assets

The carrying value of assets at each balance sheet date is reviewed for impairment, if any indication of impairment exists. The intangible assets that is

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017 (Contd.)

not yet available for use are tested for impairment each financial year even if there is no indication that the asset is impaired. The recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss.

2.6 Investments

Investments that are readily realisable and are intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as non-current investments. Current investments are carried at cost or fair value, whichever is lower. Long-term investments are carried at cost. Cost of investments includes acquisition charges such as brokerage, fees and duties. However, provision for diminution is made to recognise a decline, other than temporary, in the value of the investments, such reduction being determined and made for each investment individually.

2.7 Revenue recognition

Revenue is recognised when there is reasonable certainty of its ultimate realisation / collection.

Investment management fees

Investment management fees are recognised on an accrual basis in accordance with the Investment Management Agreement and SEBI Regulations, based on average assets under management ("AUM") of L&T Mutual Fund schemes, over the period of the agreement in terms of which, services are performed.

Portfolio management fees

Portfolio management fees are recognised on an accrual basis in accordance with Portfolio Management Agreement entered into with respective clients over the period of the agreement in terms of which the services are rendered.

Investment management fees and portfolio management fees recognised as aforesaid are exclusive of service tax.

Gain or loss on sale of investments

The gains/ losses on sale of investments are recognised in the Statement of Profit and Loss on the trade date. Gain or loss on sale of investments is determined after consideration of cost on a weighted average basis.

Other income

Interest income is accounted on accrual basis by taking into account, the amount outstanding in the financial instrument and applicable interest rate. Dividend income is accounted for when the right to receive it is established.

2.8 Employee benefits

A. Short term

Short term employee benefits include salaries and performance incentives. A liability is recognised for the amount expected to be paid under short-term cash bonus or profit sharing plans if the Company has a present legal or informal obligation to pay this amount as a result of past service provided by the employee, and the obligation can be estimated reliably. These costs are recognised as an expense in the Statement of Profit and Loss at the undiscounted amount expected to be paid over the period of service rendered by the employees to the Company.

B. Long term

The Company offers its employees long term benefits by way of defined-contribution and defined-benefit plans, of which some have assets in special funds or securities. The plans are financed by the Company and in the case of some defined contribution plans, by the Company along with its employees.

Defined contribution plans

These are plans in which the Company pays pre-defined amounts to separate funds and does not have any legal or informal obligation to pay additional sums. These

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017 (Contd.)

comprise of contributions to the employees' provident fund, family pension fund and superannuation fund. The Company's payments to the defined-contribution plans are reported as expenses during the period in which the employees perform the services that the payment covers.

Defined benefit plans

Expenses for defined-benefit gratuity plan are calculated as at the balance sheet date by an independent actuary in a manner that distributes expenses over the employee's working life using the projected unit credit method. These commitments are valued at the present value of the expected future payments, with consideration for calculated future salary increases, using a discount rate corresponding to the interest rate on government bonds with a remaining term that is almost equivalent to the average balance working period of employees. The fair values of the plan assets are deducted in determining the net liability. When the fair value of plan assets exceed the commitments computed as aforesaid, the recognised asset is limited to the net total of any cumulative past service costs and the present value of any economic benefits available in the form of any refunds from the plan or reductions in future contributions to the plan. Actuarial losses or gains are recognised in the Statement of Profit and Loss in the year in which they arise.

C. Other employee benefits

Compensated absences which accrue to employees and which can be carried to future periods but are expected to be availed in twelve months immediately following the year in which the employee has rendered service are reported as expenses during the year in which the employees perform the services that the benefit covers and the liabilities are reported at the undiscounted amount of the benefits.

Where there are restrictions on availment of such accrued benefit or where the availment is otherwise not expected to wholly occur in the next twelve months, the liability on account of the benefit is actuarially determined using the projected unit credit method.

D. Employee share based payments

The Company has constituted an Employee Stock Option Plan during the financial year 2009-2010. The plan provides for grant of options to employees of the Company in a specific category to acquire equity shares of the Company that vest in a graded manner on meeting specified conditions and that are to be exercised within a specified period. Employee stock options granted are accounted under the 'Fair Value Method' stated in the Guidance Note on Employee Share Based Payments issued by the Institute of Chartered Accountants of India ("ICAI").

A separate Employees Stock Options Scheme (the "Scheme") has been established by the holding company (i.e. L&T Finance Holdings Limited). The Scheme provides that employees are granted an option to subscribe to equity shares of the holding company that vest in a graded manner. The options may be exercised within a specified period. Measurement and disclosure of Employee Share-based Payment Plan is done in accordance with SEBI (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 and the Guidance Note on Accounting for Employee Share-Based Payments, issued by ICAI. The holding company follows the intrinsic value method to account for its stock based employee compensation plans. The cost incurred by the holding company, in respect of options granted to employees of the Company, is being recovered by them and it is charged to the Statement of Profit and Loss of the Company over the period of vesting.

2.9 Foreign currency transactions

Transactions in foreign currencies are translated to the reporting currency based on the exchange rate on the date of the transaction. Exchange differences arising on settlement thereof during the year are recognised as income or expenses in the Statement of Profit

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017 (Contd.)

and Loss. Monetary assets and liabilities in foreign currencies as at the balance sheet date are valued at closing-date rates, and unrealised translation differences are included in the Statement of Profit and Loss.

2.10 Provisions, contingent liabilities and contingent assets

Provisions are recognised only when there is a present obligation as a result of past events and when a reliable estimate of the amount of the obligation can be made. Contingent liability is disclosed for (i) possible obligations which will be confirmed only by future events not wholly within the control of the Company or (ii) present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made. Contingent assets are not recognised in the financial statements since this may result in the recognition of income that may never be realised.

2.11 Taxes on income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the balance sheet when it is probable that future economic benefit associated with it will flow to the Company.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantially enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there are unabsorbed depreciation and carry forward of losses and items relating to capital losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realise the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their realisability.

2.12 Segment reporting

The Company identifies its primary segments based on the dominant source, nature of risks and returns and the internal organisation and management structure. The Company's operations predominantly relate to providing asset management services. It acts as an investment manager to schemes launched by the Fund. It also provides portfolio management services ('PMS') to certain corporate and high net worth individuals and advisory services.

The fund management services rendered to the Mutual Funds and its PMS have been identified as separate business segments for which whole separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the management in deciding how to allocate resources and assessing performance. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment. Revenue, expenses, assets and liabilities which relate to the Company as a whole and are not allocable to segments on reasonable basis have been included under "unallocated revenue / expenses / assets / liabilities".

Secondary segment reporting does not require separate disclosure as all activities of the Company are within India.

Segment accounting policies are in line with accounting policies of the Company.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017 (Contd.)

2.13 Leases

Leases in which a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Payments made under operating leases are charged to the Statement of Profit and Loss on a straight-line basis over the period of the lease.

2.14 Cash and cash equivalents (for purposes of cash flow statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition) and highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

2.15 Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

2.16 Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented.

2.17 Service tax input credit

Service tax input credit is recognised in the period in which the underlying service received is accounted and when there is no uncertainty in availing / utilising the credits.

2.18 Commission

All commission costs are accounted on accrual basis.

In respect of open ended schemes, the Company has paid / accrued commission to certain distributors and has the right of recovery of such commission under pre-defined circumstances (which includes investor exit upto the "exit period" of the respective mutual fund scheme). On this account, an asset is recognised at the time of actual payment or amount becoming due for payment and charged evenly to the Statement of Profit and Loss over the exit period of the respective scheme. At each balance sheet date, the asset value is reassessed against the net present value of expected future benefits and the shortfall, if any, is charged to the Statement of Profit and Loss.

Commission paid / accrued in respect of close ended schemes has been amortised over the tenure of such schemes.

DIRECTORS

The composition of the Board is in accordance with the provisions of Section 149 of the Companies Act, 2013 **("the Act")**.

During the year under review, Ms. Raji Vishwanathan and Mr. G. Krishnamurthy ceased to be Directors of the Company effective April 29, 2016 and May 26, 2016, respectively, due to their relinquishment of their employment with L&T Financial Services Group.

During the year under review, Mr. Raju Dodti and Mr. Sunil Prabhune were appointed as the Directors of the Company effective April 28, 2016. Further Mr. Sachinn Joshi was also appointed as Director of the Company effective July 20, 2016.

As on March 31, 2017, the Board comprises the following Directors:

- Mr. Sunil Prabhune Non-Executive Director
- Mr. Sachinn Joshi Non-Executive Director
- Mr. Raju Dodti Non-Executive Director

Section 152 of the Act provides that unless the articles provide for the retirement of all directors at every AGM, not less than two-thirds of the total number of directors of a public company shall be persons whose period of office is liable to determination by retirement of directors by rotation. Accordingly, Mr. Raju Dodti, Director, will retire by rotation at the ensuing Annual General Meeting ("AGM") and being eligible, has offered himself for re-appointment.

STATUTORY AUDITORS

At the AGM of the Company held on September 24, 2014, M/s. Sharp & Tannan, Chartered Accountants, had been appointed as Statutory Auditors of the Company for a period of five years i.e. from the conclusion of the Twenty Fourth AGM till the conclusion of Twenty Ninth AGM.

Further, in terms of Section 139(1) of the Act, the appointment of statutory auditor is required to be placed for ratification at every AGM. Accordingly, the appointment of M/s. Sharp & Tannan, Chartered Accountants, as the Statutory Auditors of the Company, is placed for ratification by the members at the ensuing Twenty Seventh AGM.

In this regard the Company has received a Certificate from the Auditors to the effect that ratification of their appointment, if made, would be in accordance with the provisions of Section 141 of the Act. They have also confirmed that they hold a valid Peer Review Certificate issued to them by the Institute of Chartered Accountants of India ("ICAI").

INDEPENDENT AUDITORS' REPORT

To the members of Mudit Cement Private Limited

Report on the standalone Indian Accounting Standards (Ind AS) financial statements

We have audited the accompanying standalone Ind AS financial statements of Mudit Cement Private Limited ('the Company'), which comprise the balance sheet as at 31 March 2017, the statement of profit and loss (including other comprehensive income), the cash flow statement and the statement of changes in equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein after referred to as 'standalone Ind AS financial statements').

Management's responsibility for the standalone Ind AS financial statements

The Company's board of directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income,cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS prescribed under section 133 of the Act read with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the financial position of the Company as at 31 March 2017, and its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Other matters

The comparative financial information of the Company for the year ended 31 March 2016 and the transaction date opening balance sheet as at 1 April 2015 included in the standalone Ind AS financial statement, is based on the previously issued statutory financial statements prepared in accordance with the Companies (Accounting Standards) Rules, 2006 which were audited by us and on which we expressed a unmodified opinion dated 28 April 2016 and 21 April 2015 respectively. The adjustments to these financial statements for the differences in the accounting principles adopted by the Company on transition to the Ind AS have been audited by us.

Report on other legal and regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the central government of India in terms of section 143(11) of the Act, we give in Annexure A a statement on the matters specified in paragraphs 3 and 4 of the Order.

2. As required by section 143(3) of the Act, we report that:

   a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

   b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

   c) the balance sheet, the statement of profit and loss, the cash flow statement and statement of changes in equity dealt with by this report are in agreement with the books of account;

   d) in our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014 and Companies (Indian Accounting Standards) Rules, 2015 (as amended);

   e) on the basis of the written representations received from the directors as on 31 March 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2017 from being appointed as a director in terms of section 164 (2) of the Act;

   f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure B; and

   g) with respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

      i. The Company does not have any pending litigations which would impact its financial position – refer note 25 to the standalone Ind AS financial statements;

      ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2(f) under 'Report on other legal and regulatory requirements' of our report of even date)

Report on the internal financial controls under clause (i) of sub-section (3) of section 143 of the Companies Act, 2013 (the 'Act')

We have audited the internal financial controls over financial reporting of Mudit Cement Private Limited ('the Company') as of 31 March 2017 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable, to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involved performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of internal financial controls over financial reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone Ind AS financial statements.

Inherent limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on internal financial controls over financial reporting issued by the ICAI.

NOTES FORMING PART OF FINANCIAL STATEMENTS - MARCH 31, 2017

1 Background

The company has currently completed construction of its property and hence was not in receipt of any income during the year under review. The property is a commercial office building, which could be offered on lease to group companies. The company sourced its fund requirements through debt financing from the parent company i.e. L&T Financial Consultants Limited.

2 Summary of Significant Accounting Policies

A. Basis of preparation of financial statements

These financial statements have been prepared in accordance with Indian Accounting Standard (Ind AS) notified under the Companies (Indian Accounting Standard) Rules, 2015 read with Section 133 of the Companies Act, 2013 with effect from 1st April 2016. Previous period numbers in the financial statements have been restated to Ind AS.

These financial statements are the first financial statements of the company under Ind AS. All assets and liabilities have been classified as current or non-current as per the company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013.

The financial statements are presented in 'Indian Rupees' (INR), which is company's functional and presentation currency and the same has been rounded off to the nearest lakhs.

B. Financial Instruments

(a) Financial Assets:

All financial assets are recognised initially at fair value. Transaction costs that are attributable to the acquisition of the financial asset (other than financial assets recorded at fair value through profit or loss) are added to the fair value measured on initial recognition of financial assets. Financial assets are subsequently measured either at amortised cost, fair value through other comprehensive income (FVTOCI) or fair value through profit or loss (FVTPL) based on assessment of its business model test and contractual cash flows characteristics.

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment. The gains/ losses on sale of investments are recognised in the statement of profit and loss on the trade day. Profit or loss on sale of investments is determined on weighted average cost basis.

(b) Financial Liabilities:

Trade and other payables represent liabilities for goods and services provided to the company prior to the end of financial year which are unpaid. Trade and other payables are initially recognised at fair value, and subsequently carried at amortised cost.

C. Use of Estimate

The preparation of financial statements in conformity with Ind AS requires the management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) as of the date of the financial statements and the reported income and expenses during the reporting year. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognized in the period in which the results are known/materialize.

D. Property, plant and equipment and intangible assets

Property, plant and equipment are stated at cost of acquisition including any cost attributable for bringing the asset to its working condition, less accumulated depreciation.

Property, plant and equipment not ready for the intended use on the date of the Balance Sheet are disclosed as "Capital Work in Progress".

Intangible fixed assets comprising of software licenses are stated at cost of acquisition including any cost attributable for bringing the asset to its working condition, less accumulated amortisation. Any expenses on such software licenses for support and maintenance payable annually are charged to the Statement of Profit and Loss."

Transition to Ind AS

On transition to Ind AS, the group has elected to continue with the carrying value of all its property, plant and equipment recognised at 1st April, 2015 measured as per previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

NOTES FORMING PART OF FINANCIAL STATEMENTS - MARCH 31, 2017 (Contd.)

E. Investment Properties

Property that is held for long term rental yields or for capital appreciation or both, and that is not occupied by the company, is classified as investment property. Investment property is measured initially at cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalized to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the group and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of investment property is replaced, the carrying amount of the replaced part is derecognized.

Investment properties are depreciated using the straight line method over their estimated useful lives.

Transition to Ind AS

On transition to Ind AS, the group has elected to continue with carrying value of all its investment properties recognised at 1st April, 2015 measured as per the previous GAAP and use that carrying value as the deemed cost of investment properties.

F. Investments

'Long Term Investments' are carried at acquisition / amortised cost. A provision is made for diminution other than temporary on an individual investment basis.

'Current Investments' are carried at the lower of cost or fair value on an individual investment basis.

G. Revenue Recognition

(a) Revenue is recognised to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured and there exists reasonable certainty of its recovery.

(b) Interest from interest-bearing assets is recognised on an accrual basis.

(c) Revenues from the various services that the company renders are recognised when the following criteria are met: persuasive evidence of an arrangement exists, the services have been rendered, the fee or commission is fixed or determinable, and collectability is reasonably assured.

(d) Dividend is accounted when the right to its receipt is established.

H. Depreciation and Amortisation

Depreciation / Amortisation on fixed assets is calculated on a straight-line which reflect the management's estimate of the useful lives of respective fixed assets and are greater than or equal to the corresponding rate prescribed in Schedule II of the Companies Act, 2013. Fixed assets costing ₹ 5,000/- or less are fully depreciated in the year of installation. Depreciation is charged for the full month in the month of purchase / sale even used for part of the month.

I. Impairment of assets

Tangible and intangible assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount, which is the higher of the asset's net selling price or its value in use.

J. Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using effective interest rate method.

K. Borrowing Costs

Borrowing cost includes interest and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs that are attributable to the construction of a qualifying asset are capitalised as part of cost of such asset till such time the asset is ready for its intended use. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use. All other borrowing costs are recognised as an expense in the period in which they are incurred.

L. Income Taxes

Current tax is determined as the amount of tax payable in respect of taxable income for the year as determined in accordance with the provision of Income Tax Act, 1961.

Deferred tax is recognised on timing differences, between taxable income and accounting income

NOTES FORMING PART OF FINANCIAL STATEMENTS - MARCH 31, 2017 (Contd.)

that originated in one period and is capable of reversal in one or more subsequent periods. Deferred tax assets are recognised with regard to all deductible timing differences to the extent it is probable that taxable profit will be available against which deductible timing differences can be utilised. When the company carries forward unused tax losses and unabsorbed depreciation, deferred tax assets are recognised only to the extent there is virtual certainty backed by convincing evidence that sufficient future taxable income will be available against which deferred tax assets can be realised. The carrying amounts of deferred tax assets are reviewed at each balance sheet date and reduced by the extent that it is no longer probable that sufficient taxable profit will be available to allow all or a part of the deferred tax asset to be utilised.

M. Provisions, Contingent liabilities and Contingent assets

A provision is recognised when the company has a present legal or constructive obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions are not discounted to their present value and are determined based on best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent assets are not recognised.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements. Contingent Assets are not recognised.

N. Cash and Cash Equivalents

Cash and Bank Balances that have insignificant risk of change in value including term deposits, which have original durations up to three months, are included in cash and cash equivalents in the Cash Flow Statement.

O. Earnings per share

Basic and diluted earnings per share are computed in accordance with Ind AS 33 – Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss after tax for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted earnings per equity share are computed using the weighted average number of equity shares and dilutive potential equity shares outstanding during the year, except where the results are anti-dilutive.

P. Commitments

Commitments are future liabilities for contracted expenditure. Commitments are classified and disclosed as follows:-

a) Estimated amount of contracts remaining to be executed on capital account are not provided for.

   Other non cancellable commitments, if any to the extent they are considered material and relevant in the opinion of the management.

3 Critical Estimates and judgements

The preparation of the financial statements in conformity with Ind AS requires the management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Accounting estimates could change from period to period. Actual results could differ from these estimates and the differences between the actual results. The estimates are recognised in the periods in which the results are known / materialise.

The areas involving critical estimates or judgements are:

Estimation of current tax expense and payable - There are transactions and calculations for which the ultimate tax determination is uncertain and would get

(i) finalized on completion of assessment by tax authorities. Where the final tax outcome is different from the amounts that were initially recorded, such differences will impact the income tax and deferred tax provisions in the period in which such determination is made.

d) Fair value hierarchy

This section explains the estimates and judgements made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in financial statements. To provide an indication about the reliability of the inputs used in determining the fair value, the Company has classified its financial instruments into three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

(₹ In lakhs)

Financial assets and liabilities measured at fair value- recurring fair value measurements	Notes	Level 1	Level 2	Level 3	Total

Level 1 hierarchy- It includes financial instruments measured using quoted prices in active markets for identical assets or liabilities. This includes mutual funds which are valued using the closing NAV.

Level 2 hierarchy- It includes financial instruments measured using valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 hierarchy- It includes financial instruments measured using valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

There are no transfers between level 1 and level 2 and level 3 during the year.

(ii) Fair value of financial assets and liabilities measured at amortised cost

The carrying amounts of trade receivables, trade payables, other current liabilities and cash and cash equivalents are considered to be the same as their fair values, due to short-term nature.

PARTICULARS OF LOANS GIVEN, INVESTMENTS MADE, GUARANTEES GIVEN BY THE COMPANY

The Company has not given any loans or guarantees or made any investments pursuant to the provisions of Section 186 of the Act and rules thereof during the financial year ended 2016-17.

PARTICULARS OF CONTRACTS OR ARRANGEMENTS WITH RELATED PARTIES

The Board of Directors at its meeting held on October 21, 2014 had approved the policy on transactions with related parties (“RPT”), pursuant to the recommendation of the Audit Committee (“AC”). The RPT Policy intends to ensure that proper reporting, approval and disclosure processes are in place for all transactions between the Company and the related parties.

Key features of the RPT Policy are as under:

- All transactions with related parties (“RPTs”) are referred to AC of the Company for approval irrespective of its materiality. The AC, on the recommendation of the management, approves certain transactions with related parties which would occur on a regular basis or at regular intervals. The AC, at the end of each year, appraises the position of the approved transactions to ensure that all necessary requirements are being complied with.

All RPTs which are not at arm’s length and / or which are not in the ordinary course of business are presented to the Board for an appropriate decision. All RPTs that were entered into during FY 2016-17 were on an arm’s length basis and were in the ordinary course of business and disclosed in the Financial Statements. There were no materially significant RPTs made by the Company with Promoters, Directors, Key Managerial Personnel or body corporate(s), which had a potential conflict with the interest of the Company at large. Accordingly, the disclosure of RPT as required under the provisions of Section 134(3)(h) of the Act in Form AOC-2 is not applicable. The Directors draw attention of the Members to Notes to the Financial Statements which sets out related party disclosures.

VII. PENALTIES/PUNISHMENT/COMPOUNDING OF OFFENCES (Under Companies Act, 2013) : NONE

INDEPENDENT AUDITORS' REPORT

Report on special purpose financial statements

1. This report is issued in accordance with the terms of our agreement dated April 24, 2017.

2. We have audited the accompanying special purpose financial statements of &T Mutual Fund Trustee Limited (the "Company") which comprise the balance sheet as at March 31, 2017,and the statement of profit and lossand cash flow statement for the year ended on that date and a summary of significant accounting policies and other explanatory information, which we have signed under reference to this report.

Management's Responsibility for the Financial Statements

3. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements to give a true and fair view of the financial position, financial performance (including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified in the Companies (Indian Accounting Standards) Rules, 2015 (as amended) under Section 133 of the Act, to the extent considered relevant by it for the purpose for which these special purpose financial statements have been prepared (the "accounting principles generally accepted in India"). The responsibility includes the design, implementation and maintenance of internal control relevant to the preparation of special purpose financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

4. Our responsibility is to express an opinion on these special purpose financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Companies Act, 2013 ("the Act") and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

5. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the special purpose financial statements.The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by Management, as well as evaluating the overall presentation of the financial statements.

6. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

7. Based on our audit, we report that:

   a. We have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit;

   b. The Balance Sheet and Statement of Profit and Loss dealt with by this report are in agreement with the books of account;

   c. In our opinion and to the best of our information and according to the explanations given to us, the special purpose financial statements, together with the notes thereon and attached thereto, fairly present, in all material respects, in conformity with the accounting principles generally accepted in India:

      (i) in the case of the Balance Sheet, the state of affairs of the Company as at March 31, 2017;

      (ii) in the case of the Statement of Profit and Loss, the profit for the year ended on that date; and

      (iii) in the case of the Cash flow statement, of the cash flows for the year ended on that date.

Emphasis of Matter – Basis of Preparation

8. We draw attention to Note 2.1to the special purpose financial statements, which describes the basis of its preparation. The special purpose financial statements are not the statutory financial statements of the Company, and are not intended to, and do not, comply with the disclosure provisions applicable to statutory financial statements prepared under the Companies Act, 1956/Companies Act, 2013 as those are considered irrelevant by the Management and the intended users of the special purpose financial statements for the purposes for which those have been prepared. Our opinion is not qualified in respect of this matter.

Other Matter

9. The special purpose financial statements dealt with by this report, have been prepared for the express purpose of furnishing the Ind AS Financial Statements to the Holding Company for consolidation purposes.

Restriction on Use

10. Our obligations in respect of this report are entirely separate from, and our responsibility and liability is in no way changed by, any other role we may have (or may have had) as auditors of the Company or otherwise. Nothing in this report, nor anything said or done in the course of or in connection with the services that are the subject of this report, will extend any duty of care we may have in our capacity as auditors of any financial statements of the Company.

11. This report is addressed to the Board of Directors of the Company and has been prepared for and only for the purposes set out in paragraph 9 above.This report should not be otherwise used or shown to or otherwise distributed to any other party or used for any other purpose except with our prior consent in writing. Price Waterhouse neither accepts nor assumes any duty, responsibility or liability to any other party or for any other purpose.

NOTES FORMING PART OF FINANCIAL STATEMENTS - MARCH 31, 2017

1 Background

L&T Mutual Fund Trustee Limited ('the Company') is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The Company's principal activity is to provide trusteeship service to ""L&T Mutual Fund"" having its registered office at L&T House, NM Marg, Ballard Estate, Mumbai 400001.The principal shareholder of the Company as at 31st March, 2017 is L&T Finance Holdings Limited.

The financial statements were authorised for issue in accordance with a resolution of the Board of Directors passed in their meeting held on April 28, 2017.

2 Summary of Significant Accounting Policies

2.1 Basis of Preparation

These Special Purpose financial statements have been prepared in accordance with Indian Accounting Standard (Ind AS) notified under the Companies (Indian Accounting Standard) Rules, 2015 read with Section 133 of the Companies Act, 2013 with effect from 1st April 2016. Previous period numbers in the financial statements have been restated to Ind AS.

These Special Purpose are the first financial statements of the Company under Ind AS. Refer Note 25 for an explanation of how the transition from previous GAAP to Ind AS has affected the financial position, financial performance and cash flows. The Company has presented a reconciliation from the presentation of financial statements under Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 ("Previous GAAP") to Ind AS of Shareholders' equity as at 31st March 2016 and 1st April 2015 and of the comprehensive net income for the year ended 31st March 2016 (Refer Note 27).

The financial statements have been prepared under the historical cost convention, as modified by the revaluation of certain financial assets at fair value through profit or loss.

These Special Purpose Financial Statements has been prepared by the Management of the Company, in connection the Company's obligation to furnish the aforesaid to Larsen and Toubro Limited, (the "Ultimate Holding Company) for the preparation of its Consolidated Financial Statements.

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. The Company has ascertained its operating cycle as 12 months for the purpose of current – non current classification of assets and liabilities.

The financial statements are presented in 'Indian Rupees' (INR), which is Company's functional and presentation currency and the same has been rounded off to the nearest lakhs.

2.2 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(a) Financial Assets

All financial assets are recognised initially at fair value. Transaction costs that are attributable to the acquisition of the financial asset (other than financial assets recorded at fair value through profit or loss) are added to the fair value measured on initial recognition of financial assets.

Financials assets are subsequently measured either at amortised cost, fair value through other comprehensive income (FVTOCI) or fair value through profit or loss (FVTPL) based on assessment of it's business model test and contractual cash flows characteristics.

The gains/ losses on sale of investments are recognised in the statement of profit and loss on the trade day. Profit or loss on sale of investments is determined on weighted average cost basis.

(b) Financial Liabilities

Trade and other payables represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are initially recognised at fair value, and subsequently carried at amortised cost.

2.3 Share Capital

Ordinary equity shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares are deducted against the share capital account.

NOTES FORMING PART OF FINANCIAL STATEMENTS - MARCH 31, 2017 (Contd.)

2.4 Revenue Recognition

Revenue is recognised when there is reasonable certainty of its ultimate realisation/collection. The company recognises revenue when the amount of revenue can be reliably measured; when it is probable that future economic benefits will flow to the entity; and when specific criteria have been met for each of the Company's activities, as described below.

Trusteeship Fees

Trusteeship Fees are accounted on an accrual basis in accordance with the Trust Deed and are dependent on the net asset value as recorded by the schemes of L&T Mutual Fund

2.5 Income Taxes

Income taxes are accounted for in accordance with Ind AS 12 "Income Taxes". Tax expense comprises both current tax and deferred tax.

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities.

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised. "

2.6 Provisions, Contingent Liabilities & Contingent Assets

The Company recognizes a provision when there is a present obligation as a result of past event on which it is probable that there will be outflow of resources to settle the obligation in respect of which reliable estimates can be made.

Contingent Liabilities are disclosed by way of notes to Financial Statements after careful evaluation by the management of the facts and legal aspects of the matter involved.

Contingent Assets are disclosed in the financial statement when an inflow of economic benefits are probable.

2.7 Earning Per Shares

Basic earning per shares are calculated by dividing the profit for the year attributable to equity shareholders by the weighted average number of Equity shares outstanding during the year.

3 Critical Estimates and judgements

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

The areas involving critical estimates or judgements are:

(i) Estimation of current tax expense and payable :- There are transactions and calculations for which the ultimate tax determination is uncertain and would get finalized on completion of assessment by tax authorities. Where the final tax outcome is different from the amounts that were initially recorded, such differences will impact the income tax and deferred tax provisions in the period in which such determination is made.

(ii) Recognition of deferred tax assets for carried forward tax losses:- The Company has not recognised deferred tax assets on carried forward tax losses. The losses can be carried forward for a period of 8 years as per tax regulations and the Company does not expects to recover the losses in forceable future.

(i) Fair value hierarchy

This section explains the estimates and judgements made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in financial statements. To provide an indication about the reliability of the inputs used in determining the fair value, the Company has classified its financial instruments into three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

(INR Lakhs)

Financial assets and liabilities measured at fair value- recurring fair value measurements	Notes	Level 1	Level 2	Level 3	Total
Financial assets					
Financial Investments at FVTPL					
Mutual funds- growth plan					
At 31st March 2017	9	133.06	-	-	133.06
At 31st March 2016	9	134.19	-	-	134.19
At 1st April 2015	9	130.23	-	-	130.23

Level 1 hierarchy- It includes financial instruments measured using quoted prices in active markets for identical assets or liabilities.. This includes mutual funds which are valued using the closing NAV.

Level 2 hierarchy- It includes financial instruments measured using valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 hierarchy- It includes financial instruments measured using valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

There are no transfers between levels 1 and levels 2 and levels 3 during the year.

(ii) Fair value of financial assets and liabilities measured at amortised cost

The carrying amounts of trade receivables, trade payables and cash and cash equivalents are considered to be the same as their fair values, due to short-term nature.

20 Financial risk management

The Company’s activites expose it to credit risk, liquidity risk and market risk.

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, Trade receivables, Other financial assets measured at amortised cost	Ageing Analysis	Diversification of both deposits and credit limits
Liquidity risk	Trade payables	Rolling cash flow forecasts	Working capital management

APPROPRIATIONS

The Company proposes to transfer ₹ 1,882.19 Lakhs (Previous year: ₹ 785.81 Lakhs) to Special Reserve created u/s 45 – IC of Reserve Bank of India Act, 1934 and retain ₹ 13,123.06 Lakhs (Previous year: ₹ 6,197.89 Lakhs) in the Statement of Profit and Loss of the Company.

INFORMATION ON THE STATE OF AFFAIRS OF THE COMPANY

The policy and regulatory framework for Infrastructure Debt Funds ("IDF") announced by the Government of India ("GoI") and the Reserve Bank of India ("RBI") respectively, are targeted at providing an innovative solution to the asset-liability mismatch and group exposure issues faced by the banking system in India. It was also intended that IDFs would help channelize pension/ insurance funds to infrastructure as well as play a role in deepening the bond market in India.

In FY 2016-17, the third full year of operations, the Company has been able to make significant progress towards achieving all the objectives indicated by GoI, as well as improve the viability of projects by providing long-tenor and low-cost structured refinance solutions.

During the year under review, the Company has earned a profit of ₹ 9,410.96 Lakhs on an asset base of ₹ 4,00,428.55 Lakhs as on March 31, 2017, diversified across multiple sectors including transportation (roads), renewable energy (solar & wind power) and power transmission.

The Company has sourced funds through the issue of long term bonds of tenors ranging from 5 to 20 years from over 150 high quality institutional investors, principally insurers & pension/ provident funds. The net worth of the Company as on March 31, 2017 was ₹ 80,669.14 Lakhs as compared to ₹ 71,366.55 Lakhs on March 31, 2016.

Going forward, the Company expects to further diversify into new sectors, geographies & promoter groups, tap new sources of funding and optimise its leverage & returns.

MATERIAL CHANGES AND COMMITMENTS

There were no material changes and commitments affecting the financial position of the Company which occurred between the end of the financial year to which these financial statements relate and the date of this Report.

DIVIDEND

The Board of Directors had declared and paid an interim dividend @ 5.00% per annum in respect of 1,003 Cumulative Redeemable Non-Convertible Preference Shares ("CRPS") of the face value of ₹ 10,00,000/- each of the Company for the FY 2016-17, entailing an outflow of ₹ 501 Lakhs (excluding dividend distribution tax). No final dividend is proposed to be paid on CRPS.

Further, with respect to declaration of dividend on the equity shares of the Company, the Directors have considered it financially prudent in the long-term interests of the Company to reinvest the profits into the business of the Company to build a strong reserve base and grow the business of the Company. No dividend has therefore been recommended for the year ended March 31, 2017.

CREDIT RATING

During the year under review, CRISIL Limited ("CRISIL"), Credit Analysis and Research Limited ("CARE") and ICRA Limited ("ICRA") had reviewed the ratings on various issues of Non-Convertible Debentures and reaffirmed these at AAA [Triple A]. CRISIL's rating of Preference shares were also reaffirmed at AAA [Triple A]. All these ratings carry a stable outlook. CARE has also reaffirmed the rating assigned to its short term bank facilities at A1+ and assigned a rating to the commercial paper programme of the Company at A1+.

Instruments with rating of AAA carry the highest degree of safety regarding timely servicing of financial obligations and carry the lowest credit risk. Instruments with rating of A1+ are considered to have very strong degree of safety regarding timely payment of financial obligations and carry lowest credit risk.

RESOURCES

In FY 2016-17, the Company raised an aggregate amount of ₹ 142,000 Lakhs from twenty two separate issues of AAA rated listed long-tenor Non-Convertible Debentures ("NCDs"). The issues found widespread acceptance from the investor community, more specifically insurance and pension/ provident funds.

The Company also expects to raise additional capital in the forthcoming year based on its requirements.

SHARE CAPITAL

During the year under review, the Company has allotted 50 CRPS of face value of ₹ 10,00,000/- each aggregating to Rupees Five Crore. Consequent upon the issue of CRPS, the paid up capital of your Company as at March 31, 2017 (including equity share capital) is ₹ 5,759,666,660.

COMPANY'S POLICY ON DIRECTOR APPOINTMENT AND REMUNERATION

A. Background and Objectives

Section 178 of the Companies Act, 2013 ('the Act') requires the Nomination and Remuneration Committee ("NRC") to formulate a Policy relating to the remuneration for the Directors, KMPs, Senior Management and other employees of the Company and recommend the same for approval of the Board. Further, Section 178(4) of the Act stipulates that the policy shall be disclosed in the Board's Report.

Further, Section 134 of the Act stipulates that the Board Report shall include a statement on Company's Policy on Directors' appointment and remuneration including criteria for determining qualifications, positive attributes, independence of director and remuneration for KMPs and other employees.

The Board of Directors has, based on the recommendation of the NRC of the Company, approved the policy on Directors' appointment and remuneration for Directors, KMPs and other employees.

B. Brief Framework of the Policy

The objective of this Policy is :

- To guide the Board in relation to appointment and removal of Directors.
- To evaluate the performance of the Members of the Board including Independent Directors.
- To formulate criteria for evaluation of Independent Director and the Board.
- To determine criteria for payment of remuneration to Directors, KMPs, Senior Management and Employees.
- To recommend to the Board on remuneration payable to the Directors including KMP, Senior Management and Employees, if required.

C. Appointment of Director(s) - Criteria Identification

The NRC identifies and ascertains the integrity, professional qualification, expertise and experience of the person, who is proposed to be appointed as a director and appropriate recommendation is made to the Board with respect to his/her appointment.

Appointment of Independent Directors is subject to the provisions of Section 149 of the Act read with Schedule IV and rules thereunder. The NRC satisfies itself that the proposed person satisfies the criteria of independence as stipulated under Section 149(6) of the Act, before the appointment as an Independent Director.

No person is eligible to be appointed as a Director, if he/she is subject to any disqualifications as stipulated under the Act or any other law(s) for the time being in force.

Appointment of Managing Director and Whole-time Director is subject to provisions of Sections 196, 197, 198 and 203 of the Act read with Schedule V and rules there under. The NRC ensures that a person does not occupy the position as a Managing Director/Whole-time Director beyond the age of seventy years, unless the appointment is approved by a Special Resolution passed by the Company in General Meeting. No re-appointment is made earlier than one year before the expiry of term.

D. Evaluation Criteria of Directors and Senior Management/KMPs/Employees

- **Non-Executive Directors/Independent Directors**

  The NRC carries out evaluation of performance of Independent Directors/Non-Executive Directors every year ending March 31st on the basis of the following criteria:

  - Membership & Attendance - Board and Committee Meetings.
  - Contribution during such meetings.
  - Active participation in strategic decision making.
  - Inputs to executive management on matters of strategic importance.
  - Such other matters, as the NRC/Board may determine from time to time.

- **Executive Directors**

  The NRC carries out evaluation of performance of Executive Directors ("EDs") every year ending March 31st. The evaluation is on the basis of Key Performance Indicators ("KPI"), which are identified well in advance for EDs and weights assigned for each measure of performance keeping in view the distinct roles of each ED. The identified KPI for EDs are approved by the Board, pursuant to recommendation of the NRC, if required.

- **Senior Management/KMPs/Employees**

  The HR Department carries out the evaluation of the aforementioned persons every year ending March 31st, with the concerned Department Head(s)/Management. KPI are identified well in advance at the commencement of the financial year. Performance benchmarks are set and evaluation of employees is done by the respective reporting Manager(s)/ Management to determine whether the performance benchmarks are achieved. The payment of remuneration/annual increment to the aforementioned persons is determined after the satisfactory completion of evaluation process.

The HR Department of the Company is authorized to design the framework for evaluating the EDs/KMPs/Senior Management Personnel/Employees. The objective of carrying out the evaluation by the Company is to identify and reward those with exceptional performances during any financial year. Training and Development Orientation programs on a need basis are provided to employees, whose performance during any financial year does not meet the benchmark criteria.

E. Criteria for Remuneration

NRC while determining the criteria for remuneration for Directors, KMPs/Senior Management and other Employees, the NRC ensures that:

- the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate directors of the quality required to run the company successfully;
- relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- remuneration to directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

PERFORMANCE EVALUATION

Pursuant to the provisions of the Act, the Board has carried out an annual performance evaluation of its own performance, the directors individually, as well as the Committees of the Board.

Manner of Evaluation

The NRC and the Board have laid down the manner in which formal annual evaluation of the performance of the Board, Committees and individual Directors has to be made.

It includes circulation of evaluation forms separately for evaluation of the Board and its Committees, Independent Directors/Non-Executive Directors and Chairperson of the Company.

The process of the annual performance evaluation broadly comprises:

a) Board and Committee Evaluation:

- Evaluation of Board as a whole and the Committees is done by the individual directors, followed by submission of collation to NRC and feedback to the Board.

b) Independent / Non-Executive Directors Evaluation:

- Evaluation done by Board members excluding the Director being evaluated is submitted to Chairperson of L&T Finance Holdings Limited, the holding company and individual feedback provided to each Director.

c) Chairperson:

- Evaluation as done by Board members is submitted to the Chairperson of NRC of L&T Finance Holdings Limited, the holding company and feedback provided to the Chairperson.

POLICY FOR PREVENTION, PROHIBITION AND REDRESSAL OF SEXUAL HARASSMENT AT WORKPLACE

The Company has in place a Policy for Prevention, Prohibition and Redressal of Sexual Harassment at Work Place. Appropriate reporting mechanisms are in place for ensuring protection against sexual harassment and right to work with dignity.

During the year under review, the Company has not received any complaints in this regard.

VIGIL MECHANISM

Pursuant to Rule 7 of the Companies (Meetings of Board and its Powers) Rules, 2014, read with Section 177(9) of the Act, the Company has framed and adopted Vigil Mechanism Framework to enable directors and employees to report genuine concerns about unethical behavior, actual or suspected fraud or violation of Code of Conduct.

Under the framework, the Company has set up "Whistle Blower Investigation Committee" ("the Committee"). The Chairman of the Committee is the Chief Ethics Officer of the Company responsible for receiving, validating, investigating and reporting to the Audit Committee of this matter. The Chief Internal Auditor of L&T Financial Services ("LTFS") is acting as 'Chief Ethics Officer'.

The objective of this mechanism is to maintain a redressal system which can process all complaints concerning questionable accounting practices, internal controls, or fraudulent reporting of financial information.

The mechanism framed by the Company is in compliance with requirement of Companies Act, 2013 and available on the website of the Company at http://www.ltidf.com/investor_governance.html#.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has internal control systems, commensurate with the size, scale and complexity of its operations. Testing of such systems forms a part of review by the Internal Audit function. The scope and authority of the Internal Audit function is defined in the Internal Audit Charter.

The Internal Audit department monitors and evaluates the efficacy and adequacy of the internal control system in the Company and its compliance with operating systems, accounting procedures and policies of the Company. Based on the report of the Internal Audit department, process owners undertake corrective action, if any, in their respective areas and thereby strengthen the controls. Significant audit observations and corrective actions, if any, are presented to the Audit Committee (AC) of the Board from time to time.

DIRECTORS' RESPONSIBILITY STATEMENT

Pursuant to the provisions of Section 134(5) of the Act, the Directors, to the best of their knowledge and belief, confirm that:

1) in the preparation of the annual accounts, the applicable accounting standards have been

followed along with proper explanation relating to material departures, if any;

2) the Directors have selected such accounting policies and applied them consistently and made judgements and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as at March 31, 2017 and of the profit of the Company for the year ended as on that date;

3) the Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

4) the Directors have prepared the annual accounts on a going concern basis;

5) the Directors have laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and operating effectively;

6) the Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

CORPORATE SOCIAL RESPONSIBILITY

In accordance with the requirements of the provisions of Section 135 of the Act, the Company has constituted a Corporate Social Responsibility ("CSR") Committee. The composition and terms of reference of the CSR Committee is provided in the Corporate Governance Report.

The Company has also formulated a CSR Policy which is available on the website of the Company at http://www.ltidf.com/pdf/LTFS_CSR_Policy.pdf. Annual Report on activities under as required under the Companies (Corporate Social Responsibility Policy) Rules, 2014 has been appended as **Annexure E** to this Report.

PARTICULARS OF CONTRACTS OR ARRANGEMENTS WITH RELATED PARTIES

The Board of Directors at its meeting held on July 18, 2014, had approved the Policy on transactions with related parties ("RPT Policy"), pursuant to recommendation of the same by the Audit Committee ("AC"). The Policy intends to ensure that proper reporting, approval and disclosure processes are in place for all transactions between the Company and the related parties.

Key features of the RPT Policy are as under:

- All transactions with related parties ("RPTs") are referred to the AC of the Company for approval irrespective of its materiality. The AC, on the recommendation of the management, approves certain transactions with related parties which would occur on a regular basis or at regular intervals. The AC, at the end of each year, appraises the position of the approved transactions to ensure that all necessary requirements are being complied with.

- All RPTs which are not at arm's length and / or which are not in the ordinary course of business are presented to the Board for an appropriate decision. All RPTs that were entered into during the FY 2016-17 were on an arm's length basis and were in the ordinary course of business and disclosed in the Financial Statement. There were no materially significant RPTs made by the Company with Promoters, Directors, Key Managerial Personnel or body corporate(s), which had a potential conflict with the interest of the Company at large. Accordingly, the disclosure of RPT as required under the provisions of Section 134(3)(h) of the Act in Form AOC-2 is not applicable. The Directors draw attention of the Members to Notes to the Financial Statements which sets out related party disclosures.

RISK MANAGEMENT POLICY

The Company has formulated a Risk Management Policy and has in place a framework to inform the Board Members about risk assessment, minimization procedures and periodical review to ensure that executive management controls risk by means of a properly designed framework. The Audit Committee is kept apprised of the proceedings of the Risk Management Committee.

The Risk Management framework is also covered more detailed in Management Discussion & Analysis.

SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS OR COURTS

There are no significant material orders passed by the Regulators / Courts which would impact the going concern status of the Company and its future operations.

Further, no penalties have been levied by RBI/any other Regulators during the year under review.

OTHER DISCLOSURES

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

MACRO-ECONOMIC REVIEW

India, a large and the fastest growing economy, continues to be a bright spot in the global landscape. It has been underpinned by strong private consumption and gradual introduction of significant domestic reforms. In FY17, the economy has grown by 7.1% and the foreign exchange reserves have grown to US$ 370 billion. India's Current Account Deficit (CAD) narrowed to 0.7% of it's GDP in FY17, compared with 1.1% in FY16, on the back of a contraction in trade deficit. Foreign Direct Investment inflows touched a new high of US$ 60.1 billion.

The move of demonetising in November 2016, made with the objective to curb black money in circulation, weighed on growth during the second half of FY17. This reflected in relatively weaker growth in manufacturing and rural consumption as well as services sector PMIs (purchase managers indices) in H2, FY17. However, it is expected to have a positive long-term impact on the economy through better tax compliance, increase in Tax-to-GDP ratio and higher tax collections. Continued fiscal consolidation and an anti-inflationary monetary policy stance helped cement macro-economic stability.

OUTLOOK FOR FY18

Major leading indicators suggest that the economic activity is gradually improving. This is driven by improving global demand and a remonetisation-led pick-up in domestic activity. The International Monetary Fund (IMF) expects India to resume the 8% growth path in the medium term. This should happen as soon as the short-term dislocation to consumption from demonetisation passes. The nation is expected to remain the fastest growing economy on the back of high private consumption levels and gradually implemented domestic reforms.

Your Company sees growth picking up significantly, supported by a normal monsoon, modest costs of borrowing, pay hikes for state government employees and stronger export demand. Other growth supportive factors will be Government's continued thrust on physical infrastructure and the Real Estate (Regulation and Development) Act, 2016 (RERA), which will pave way for greater transparency and accountability in the real estate sector. The Goods & Services Tax, (GST) implemented in July 2017, will also have long term structural benefits, despite short-term execution and adjustment risks during the course of FY18.

POSSIBLE THREATS

As we get into an environment which is likely to be largely positive over medium to long term, there may be significant roadblocks in the shorter term. The implementation of GST is likely to cause certain short term disturbances. Despite recent push by the RBI, the resolution of stressed assets in the system is likely to take more time.

Your Company acknowledges these possible negative factors and has a plan to mitigate them through its deep domain knowledge, strong risk framework and an efficient collection mechanism.

BUSINESS PERFORMANCE

The policy and regulatory framework for Infrastructure Debt Funds ("IDF") announced by the Government of India ("GoI") and the Reserve Bank of India ("RBI") respectively, are targeted at providing an innovative solution to the asset-liability mismatch and group exposure issues faced by the banking system in India. It was also intended that IDFs would help channelize pension/ insurance funds to infrastructure as well as play a role in deepening the bond market in India.

In FY 2016-17, the third full year of operations, the Company has been able to make significant progress towards achieving all the objectives indicated by GoI, as well as improve the viability of projects by providing long-tenor and low-cost structured refinance solutions.

During the year under review, the Company has earned a profit of ₹ 9,410.96 Lakhs on an asset base of ₹ 4,00,428.55 Lakhs as on March 31, 2017, diversified across multiple sectors including transportation (roads), renewable energy (solar & wind power) and power transmission.

The Company has sourced funds through the issue of long term bonds of tenors ranging from 5 to 20 years from over 150 high quality institutional investors, principally insurers & pension/ provident funds. The net worth of the Company as on March 31, 2017 was ₹ 80,669.14 Lakhs as compared to ₹ 71,366.55 Lakhs on March 31, 2016.

Going forward, the Company expects to further diversify into new sectors, geographies & promoter groups, tap new sources of funding and optimise its leverage & returns.

RISK MANAGEMENT

The transformation journey embarked by the Company involves rapid growth in our chosen businesses. Having embarked on this transformational journey, the Company recognises the criticality of risk management practices towards a longer term success. We have a robust management framework covering various families of risk like credit risk, portfolio risk, market risk and operational risk.

During FY17, your Company engaged a leading global risk management consultancy to further strengthen its risk management framework. Based on their recommendations, your Company is strengthening its capabilities in the four key areas to ensure that the businesses operate fearlessly within the defined risk appetite and risk tolerance levels.

1. **Risk Appetite Statement (RAS)**

   A robust RAS is set up that acts as a governing framework from board to front line to facilitate trade-offs between risk, value and growth. It helps in effective risk and return management while providing greater clarity and autonomy to businesses.

2. **Risk Dashboards & Early Warning Signals (EWS)**

   Dashboards should provide cross-risk view and are anchored to the Company's Risk Appetite Statement. It leverages risk measurement and analytics to further enhance early warning capabilities and to use those in driving decisions. EWS helps in timely identification of portfolios with increasing risk, enabling timely remedial measures (where applicable) and eventually driving lower NPAs.

3. **Treasury Risk Management**

   This gives the ability to effectively manage the Market Risk (liquidity and interest rate risks) emanating from the core businesses of the Company. A robust governance framework is set up to monitor and manage the Market Risk Operations.

4. **Risk-adjusted Pricing**

   This tool helps in tracking transaction level and portfolio level actual pricing vis-à-vis risk-adjusted pricing. Thus giving more clarity on value creation by products/portfolios. The pricing tool incorporates weighted average tenor, based on behavioural maturity in order to align with expected cash-flows.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

For details on internal control systems and their adequacy, refer Board Report.

HUMAN RESOURCES

As on March 31, 2017, your Company had a total workforce of 11 employees.

The role of Human Resources has significantly transformed since 2016, from being a function which used to manage the human resources of the Company to being the prime driver of the change in culture required for the successful transformation of the Company.

Your Company firmly believes that any transformation journey needs to be sustainable. While the strategy we have embarked upon for delivering a top quartile RoE is a 4-year strategy, superior value generation for the shareholders will come only if the new way of 'Results not Reasons' becomes a way of life.

Your Company believes that this journey will become sustainable if we get three aspects right:

- Clarity and Communication of Management Intent
- A well-honed Execution Engine
- A performance oriented Culture

The Company's endeavour is to ensure that its HR processes are completely aligned with the above three aspects and they work towards creating leadership which makes the transformation smooth and sustainable.

1. **Clarity and Communications of Management Intent**

   The intent of the management is quite clear – to deliver top quartile RoE by profitable growth in the Company's focussed businesses. We take all efforts to make sure that this is communicated clearly across all levels of the organisation. This is done through a series of town halls which are a two-way communication platform between the organisation and employees to share a 360-degree update on the Company's mission of superior shareholder value creation. Also, very clear communication of expected performance and behaviours is ensured. These town halls are organised every quarter end, across cities, departments, functions and grades.

2. **A Well-honed Execution Engine**

   Your Company's chosen method of ensuring efficient execution is through a series of projects touching each aspect of strategy execution. These projects are towards creating Centres of Excellence in various aspects of the business. We have developed our own unique way of not only ensuring that these contribute to delivering results in line with the decided milestones, but also ensuring that these are used for effective Leadership Development. Each of these projects is headed by a hand-picked middle level executive. This develops the leadership qualities of the person as it requires working with multi-functional teams and also exposes the person to close senior management reviews.

3 Culture

A culture of 'ownership' and 'Results not Reasons' is the hallmark of LTFH 2.0. In fact, the endeavour of our HR interventions for creating this culture, is to use Culture as a Competitive Advantage. This is done through a right mix of 'Execution Design and Method' and 'Employee Value Proposition'.

CORPORATE SOCIAL RESPONSIBILITY

Corporate Social Responsibility (CSR) witnessed a transformation during FY17. The Company's over-arching theme of sustainable Livelihoods was revisited to align to the larger needs of the rural ecosystem - through Integrated Water Resource Management (IWRM). LTFS committed itself to come up with long-term innovative solutions benefitting the water-deprived communities. The IWRM programme engaged with communities to implement interventions in order to address their core needs in water and facilitate the rural economy through agriculture and allied activities.

In addition to this, your Company also focussed on Financial Literacy. It helped in spreading the message of financial literacy to rural India, resulting in enhanced absorption of facilities and schemes granted by the Government and other financial institutions.

Thrust areas were re-modelled to rake in the 3S approach which believes in:

- Social Impact through right projects aligned with Company's focussed businesses
- Sustainable development creating right structures
- Achieve scale by collaborating with right partners

Highlights

- Constructing water harvesting structures, known as Dohas
- Creating disaster relief shelters, towards the Tamil Nadu floods
- Nurturing 100 Integrated livelihood development centres in villages
- Initiating remedial education programmes
- Garnering volunteers from the organisation (Boondein) to contribute towards CSR initiatives

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,
L&T INFRA DEBT FUND LIMITED

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **L&T INFRA DEBT FUND LIMITED** (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on March 31, 2017, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2017, according to the provisions of:

(i) The Companies Act, 2013 (the Act) and the rules made thereunder;

(ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;

(iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;

10. As required by Section 143(3) of the Act, we report that:

    a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

    b. in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

    c. the Balance Sheet, the Statement of Profit and Loss and Cash Flow dealt with by this Report are in agreement with the books of account;

    d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);

    e. on the basis of written representations received from the directors as on March 31, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2017, from being appointed as a director in terms of Section 164(2) of the Act.

    f. With respect to the adequacy of internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure II.

    g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014(as amended), in our opinion and to the best of our information and according to the explanations given to us:

        i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 25 to the financial statements.

        ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any on long-term contracts including derivative contracts.

ANNEXURE II TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF L&T INFRA DEBT FUND LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of L&T Infra Debt Fund Limited ("the Company") as of March 31, 2017 in conjunction with our audit of the financial statements of the Company for year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that operate effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

II. Use of Estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

III. Tangible and Intangible Fixed Assets:

Fixed assets are carried at cost less accumulated depreciation/amortisation and impairment losses, if any. The cost of fixed assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use.

Fixed assets acquired in full or part exchange for another asset are recorded at the fair market value or the net book value of the asset given up, adjusted for any balancing cash consideration. Fair market value is determined either for the assets acquired or asset given up, whichever is more clearly evident. Fixed assets acquired in exchange for securities of the Company are recorded at the fair market value of the assets or the fair market value of the securities issued, whichever is more clearly evident.

IV. Revenue Recognition

(a) Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured and there exists reasonable certainty of its recovery.

(b) Interest from interest-bearing assets is recognised on an accrual basis over the life of the asset based on the constant effective yield. The effective interest is determined on the basis of the terms of the cash flows under the contract including related fees, premiums, discounts or debt issuance costs, if any. Interest and other dues in the case of non-performing loans is recognised upon realisation,as per the income recognition and asset classification norms prescribed by the RBI.

(c) Revenues from the various services that the Company renders are recognised when the following criteria are met: persuasive evidence of an arrangement exists, the services have been rendered, the fee or commission is fixed or determinable, and collectability is reasonably assured.

V. Other Income

Dividend is accounted when the right to its receipt is established.

VI. Operating Leases

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating leases. Lease rentals under operating leases are

NOTES FORMING PART OF THE FINANCIAL STATEMENTS AS AT MARCH 31, 2017 (Contd.)

recognised in the Statement of Profit and Loss on a straight-line basis over the lease term.

VII. Taxes on Income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

As no income tax is payable on the company's income from the financial year 2014-15, no deferred tax asset / liabilities has been recognised.

VIII. Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are not recognised in the financial statements.

IX. Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

X. Cash and Cash Equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

XI. Earnings per share

Basic and diluted earnings per share are computed in accordance with Accounting Standard ("AS") -20 Earnings per Share. Basic earnings per share is calculated by dividing the net profit or loss after tax for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted earnings per equity share are computed using the weighted average number of equity shares and dilutive potential equity shares outstanding during the year, except where the results are anti-dilutive.

XII. Share Issue Expenses

Share issue expenses are charged to the Securities Premium Account in accordance with Section 52 of the Companies Act, 2013.

XIII. Investment

The Company, being regulated as a IDF Non-Banking Financial Company (NBFC) by the RBI, investments are classified under two categories i.e. Current and Long Term and are valued in accordance with the RBI guidelines and the Accounting Standard (AS) 13 on 'Accounting for Investments'. Investments in debentures which are,in substance, in the nature of credit substitutes are classified as a part of Loans towards Financing Activities and are measured in accordance with the criteria applied for the measurement of Loans towards Financing Activities.

XIV. Loans towards Financing Activities:

Loans towards Financing Activities are classified under four categories i.e. (i) Standard Assets, (ii) Sub-standard Assets, (iii) Doubtful Assets and (iv) Loss Assets in accordance with the RBI Guidelines.

In respect of Loans and Debentures / Bonds in the nature of an advance, where interest is not serviced or where repayments on account of principal are in arrears, provision for diminution is made as per the parameters applicable to Non-Performing Advances.

Provision on Standard Assets is made as per the provisioning policy of the Company subject to minimum stipulated in RBI Guidelines or where additional specific risks are identified by the management, based on such identification.

XV. Employee Benefit

I. Employee Benefits

Defined–Contribution Plans

The Company offers its employees defined contribution plans in the form of provident fund and family pension fund. Provident fund and family pension funds cover substantially all regular employees. Contributions are paid during the year into separate funds under certain statutory/ fiduciary-type arrangements. Both the employees and the

NOTES FORMING PART OF THE FINANCIAL STATEMENTS AS AT MARCH 31, 2017 (Contd.)

Company pay predetermined contributions into provident fund and family pension fund. The contributions are normally based on a certain proportion of the employee's salary.

Defined–Benefits Plans

The Company offers its employees defined-benefit plans in the form of a gratuity scheme (a lump sum amount). Benefits under the defined benefit plans are typically based on years of service and the employee's compensation (generally immediately before retirement). The gratuity scheme covers substantially all regular employees. The gratuity scheme is not funded. Commitments are actuarially determined at year-end. On adoption of the revised Accounting Standard (AS) 15 on "Employee Benefits", actuarial valuation is based on "Projected Unit Credit" method. Gains and losses of changed actuarial assumptions are charged to statement of Profit and Loss.

Other Employee Benefits

Compensated absences which accrue to employees and which can be carried to future periods but are expected to be encashed or availed in the 12 months immediately following the period / year end are reported as expense during the year in which the employees perform services that the benefit covers and the liabilities are reported at the undiscounted amount of the benefit after deducting amounts already paid.

Where there are restrictions on availment / encashment of such benefits or where the availment is otherwise not expected to wholly occur in the next 12 months (actuarially estimated), the liability on account of the benefits is actuarially determined using the Projected Unit Credit method.

XVI. Depreciation and Amortisation

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

Intangible assets are amortised over their estimated useful life on straight line method as follows:

Computer software- 3 years

The estimated useful life of the intangible assets and the amortisation period are reviewed at the end of each financial year and the amortisation period is revised to reflect the changed pattern, if any.

XVII. Borrowing Cost

Borrowing costs include interest expenses and other expenses incurred in connection with borrowings. Interest cost in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan.

XVIII. Employee Stock Option Plan (ESOP)

The Employees Stock Options Scheme ("the Scheme") has established by the holding company (i.e. L&T Finance Holdings Limited). The Scheme provides that employees are granted an option to subscribe to equity share of the holding company that vest in a graded manner. The options may be exercised within a specified period. Measurement and disclosure of Employee Share-based Payment Plan is done in accordance with SEBI (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 and the Guidance Note on Accounting for Employee Share-based Payments, issued by the Institute of Chartered Accountants of India. The company follows the intrinsic value method to account for its stock based employee compensation plans.

XIX. Service Tax input credit

Service tax input credit is accounted for in the books in the period in which the underlying service received is accounted and when there is no uncertainty in availing / utilizing the credits.

XX. Debenture Issue Expenses

Expenses incurred on issue of debentures have been charged off against the Securities Premium Account in accordance with the provisions of Section 52 of the Companies Act, 2013.

XXI. Premium payable on Redemption of Preference Shares

Premium payable on redemption of preference shares is calculated based on effective interest rate and charged off against the Securities Premium Account in accordance with the provisions of section 55 (2) (d) (ii) of Companies Act, 2013.

Note 30: Employee Benefits

I. Defined-Contribution Plans

The Company offers its employee defined contribution plans in the form of provident fund and family pension fund. Provident fund and family pension funds cover substantially all regular employees. Contributions are paid during the year into separate funds under certain fiduciary-type arrangements. Both the employees and the Company pay predetermined contributions into provident fund and family pension fund. The contributions are normally based on a certain proportion of the employee's salary. The Company recognised charges of ₹ 5.48 lakh (previous year ₹ 3.54 lakh) for provident fund contribution in the Statement of Profit and Loss.

II. Defined-Benefit Plans

The Company offers its employees defined-benefit plans in the form of a gratuity scheme (a lump sum amount). Benefits under the defined benefit plans are typically based on years of service and the employee's compensation (generally immediately before retirement). The gratuity scheme covers substantially all regular employees. The gratuity scheme is not funded. Commitments are actuarially determined at year-end. On adoption of the revised Accounting Standard (AS) 15 on "Employee Benefits", actuarial valuation is based on "Projected Unit Credit" method. Gains and losses of changed actuarial assumptions are charged to Statement of Profit and Loss. The following tables set out the amounts recognised in the Company's financial statements as at March 31, 2017 in respect of Gratuity benefits:

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF L&T ELECTRICALS & AUTOMATION LIMITED

Report on the Indian Accounting Standards (Ind AS) financial statements

We have audited the accompanying Ind AS financial statements of L&T Electricals & Automation Limited ('the Company'), which comprise the balance sheet as at 31 March 2017, the statement of income and expenditure during the pre-operational period (including other comprehensive income), the cash flow statement and the statement of changes in equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein after referred to as 'Ind AS financial statements').

Management's responsibility for the Ind AS financial statements

The Company's board of directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS prescribed under section 133 of the Act read with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the financial position of the Company as at 31 March 2017, and its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Report on other legal and regulatory requirements

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2(f) of our report of even date)

Report on the internal financial controls under clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of L&T Electricals & Automation Limited ('the Company') as of 31 March 2017 in conjunction with our audit of the Ind AS financial statements of the Company during the pre-operational period for the year ended on that date.

Management's responsibility for internal financial controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of internal financial controls over financial reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

M SIGNIFICANT ACCOUNTING POLICIES

Brief description of the Company.

L&T Electrical and Automation Limited is an unlisted public limited company incorporated under the provisions of the Company Act, 1956, having its registered office at L&T House, Ballard Estate, Mumbai – 400 001. The main objects of the Company inter alia are as follows:

a) manufacturing of low and medium voltage switchgear products, electrical systems, energy meters and automation solutions for various sectors such as industry, utility, building & home, infrastructure and agriculture segments;

b) manufacturing of different types of valves including industrial and pipe line valves.

c) The Company has not yet commenced commercial operations.

(i) Basis of accounting

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act , 2013 (‘Act’) (to the extent notified). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

The Company has adopted all the Ind AS standards and the adoption was carried out in accordance with Ind AS 101 First time adoption of Indian Accounting Standards. The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

(ii) Presentation of financial statements

The Balance Sheet and the Statement of income and expenditure during pre-operational period are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 (“the Act”) and Ind AS. The Cash flow statement has been prepared and presented as per the requirements of Indian Accounting Standard (Ind AS) 7 “Statement of cash flows”. The disclosure requirements with respect to items in the Balance Sheet and Statement of income and expenditure during pre-operational period, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of accounts along with the other notes required to be disclosed under Ind AS.

(iii) Use of estimates

The preparation of financial statements requires that the management of the Company makes estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to the contingent liabilities as of the date of the financial statements. Any revisions to accounting estimates are recognised prospectively in the current and future periods. Wherever changes in presentation are made, comparative figures of the previous year are regrouped accordingly.

(iv) Operating cycle for current and non-current classification :

Operating cycle for the business activities of the Company is taken as twelve months for classification of its assets and liabilities into current / non-current.

(v) Revenue recognition

Other income - Interest income is accrued at applicable interest rate.

(vi) Property, plant and equipment (Ind AS) 16

PPE is recognised when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can measured reliably. PPE is stated at original cost net of tax/duty credits availed, if any, less accumulated depreciation.

NOTES FORMING PART OF FINANCIAL STATEMENT (Contd.)

For transition to Ind AS, the carrying value of PPE under i-GAAP as on 1 April 2015 is regarded as its deemed cost. The carrying value was original cost less accumulated depreciation and cumulative impairment.

Depreciation is calculated on a straight-line method on the basis of the useful life as specified in Schedule II to the Companies Act, 2013.

(vii) Income taxes (Ind AS) 12

Income taxes for the current period is determined on the basis of taxable income and tax credits computed in accordance with the provisions of the Income Tax Act, 1961 and based on the expected outcome of assessments/appeals.

Deferred tax is recognised on timing differences between the accounting income and the taxable income for the year, and quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date.

Deferred tax assets are recognised and carried forward to the extent that there is a virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised.

(viii) Provisions, contingent liabilities and contingent assets (Ind AS) 37

Provisions are recognised for liabilities that can be measured only by using a substantial degree of estimation, if

a) the Company has a present obligation as a result of a past event;

b) a probable outflow of resources is expected to settle the obligation; and

c) the amount of the obligation can be reliably estimated.

Reimbursement expected in respect of expenditure required to settle a provision is recognised only when it is virtually certain that the reimbursement will be received.

Contingent liability is disclosed in case of:

a) a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation;

b) a present obligation arising from past events, when no reliable estimate is possible; and

c) a possible obligation arising from past events where the probability of outflow of resources is not remote.

Contingent assets are neither recognised, nor disclosed.

Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date.

(ix) Commitments are future liabilities for contractual expenditure. Commitments are classified and disclosed as follows:

a) Estimated amount of contracts remaining to be executed on capital account and not provided for and,

b) Uncalled liability on shares and other investments partly paid.

(x) Cash flow statement (Ind AS) 7

Cash flow statement is prepared segregating the cash flows from operating, investing and financing activities.

Cash flow from operating activities is reported using indirect method. Under the indirect method, the excess of expenditure over income is adjusted for the effects of:

I. transactions of a non-cash nature

II. any deferrals or accruals of past or future operating cash receipts or payments and

III. items of income or expense associated with investing or financing cash flows.

Cash and cash equivalents (including bank balances) are reflected as such in the Cash flow statement. Those cash and cash equivalents which are not available for general use as on the date of Balance Sheet are also included under this category with a specific disclosure.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF L&T HOWDEN PRIVATE LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of L&T Howden Private Limited (the 'Company'), which comprise the Balance Sheet as at 31st March, 2017, the Statement of Profit and Loss , the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS:

(a) in the case of the Balance Sheet, of the state of affairs of the company as at 31st March 2017,

(b) in the case of the Statement of Profit and Loss, of the profit for the year ended on that date,

(c) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date, and

(d) in the case of Statement of Changes in Equity, of the changes in equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 (the 'Order') issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the Annexure 'A', a Statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, we report that:

   (a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

   (b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

   (c) the Balance Sheet, Statement of Profit and Loss, Cash Flow Statement and Statement of Changes in Equity dealt with by this report are in agreement with the books of account.

   (d) in our opinion, the Balance Sheet, Statement of Profit and Loss Cash Flow Statement and Statement of Changes in Equity comply with the Indian accounting standards specified under section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014.

(e) on the basis of the written representations received from the directors as on 31st March, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act; and

(f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure 'B';

(g) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 of our report of even date)

(i) (a) The Company is maintaining proper records showing full particulars, including quantitative details and situation of fixed assets.

(b) As explained to us, these fixed assets have been physically verified by the management in accordance with a phased programme of verification, which in our opinion is reasonable, considering the size of the Company and nature of its assets. The frequency of physical verification is reasonable and no material discrepancies were noticed on such verification.

(c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title / lease deeds of the immovable properties are held in the name of the Company.

(ii) As explained to us, inventories (excluding materials in transit) have been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable. The discrepancies noticed on verification between the physical stocks and the book records, which were not material, have been properly dealt with in the books of account.

(iii) According to the information and explanations given to us, the Company has not granted loans, secured or unsecured to companies covered in the register maintained under Section 189 of the Act. Accordingly, the Paragraph 3 (iii) (a) to (c) of the Order is not applicable.

(iv) According to the information and explanations given to us, the Company has not given any loans, made any investments, given any guarantees and security. Accordingly, the Paragraph 3 (iv) of the Order are not applicable.

(v) According to the information and explanations given to us, the Company has not accepted any deposits within the meaning of Section 73 to section 76 or any other relevant provisions the Companies Act, 2013 and the rules framed there under.

(vi) We have broadly reviewed the books of account maintained by the Company pursuant to the rules prescribed by the Central Government for the maintenance of cost records under Section 148(1) of the Act in respect of Rotary Pre heater and Axial Fans and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the records.

(vii) (a) According to the information and explanations given to us, the Company is regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income tax, duty of customs, duty of excise , sales tax, service tax, cess and any other statutory dues, where applicable, to the appropriate authorities. According to the information and explanations given to us, there are no arrears of outstanding statutory dues as at the last day of the financial year for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us and the records examined by us, the particulars of income tax, sales tax, service tax, duty of customs, duty of excise, and value added tax as at 31st March, 2017 which have not been deposited on account of a dispute pending, are as under:

Name of the statute	Nature of the disputed dues	Amount * (₹ in Lacs)	Period to which the amount relates	Forum where disputes are pending
Service Tax under Finance Act, 1994	Disallowances of CENVAT Credit	6.61	October, 2013 to March, 2015	Commissioner (Appeal)

* Net of pre deposit.

(viii) According to the information and explanations given to us and as per the records of the Company examined by us, the Company has not defaulted in repayment of dues to banks. ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2(f) of our report of even date)

We have audited the internal financial controls over financial reporting of L&T Howden Private Limited (the 'Company') as of 31st March, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (the 'Act').

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable, to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that: (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

The Company's Management has appointed M/s DBS & Associates, Chartered Accountants to carryout review of Internal Finance Control as put in place by the management. They have carried out an audit of the internal financial controls established by the Company as per the guidelines issued by ICAI on Internal Finance Control Over Financial Reporting. The audit report containing the observations, recommendations and their opinion as shared by them has been relied upon by us.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

NOTE : 26

Company Overview

L&T Howden Private Limited (LTHPL), a joint venture between Larsen & Toubro Ltd and Howden Group U.K., design, engineer, manufacture, supply and provides aftermarket services for axial fans and rotary air pre-heaters for super critical thermal power plants.

26 : SIGNIFICANT ACCOUNTING POLICIES

A. Statement of compliance

The Company's financial statements have been prepared in accordance with the provisions of the Companies Act, 2013 and the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 issued by Ministry of Corporate Affairs in respect of sections 133 read with section 469 of the Companies Act, 2013 and sub-section (1) of Section 210A of the Companies Act, 1956 Upto the year ended March 31, 2016, the Company prepared its financial statements in accordance with the requirements of i-GAAP, which includes Standards notified under the Companies (Accounting Standards) Rules, 2006. These are the Company's first Ind AS financial Statements. The date of transition to Ind AS is April 1, 2015.

B. Basis of Accounting

The Company maintains its accounts on accrual basis following the historical cost convention, except for certain items of property, plant and equipment that were revalued in accordance with the previous GAAP principles and the carrying value of all the items of property, plant and equipment as on date of transition is considered as the deemed cost and certain financial instruments that are measured at fair values in accordance with Ind AS. Further, the guidance notes/ announcements issued by the Institute of Chartered Accountants of India (ICAI) are also considered, wherever applicable except to the extent where compliance with other statutory promulgations override the same requiring a different treatment. The preparation of financial statements in conformity with IND AS requires management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent assets and liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. Examples of such estimates include provisions for operating expenses, future obligations under Income Tax and useful lives of fixed assets. Difference, if any, between the actual results and estimates is recognized in the period in which the results are known.

C. Presentation of financial statements

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 ("the Act"). The Cash Flow Statement has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified Accounting Standards

D. Revenue Recognition

Revenue is recognized based on the nature of activity when consideration can be reasonably measured and there exists reasonable certainty of its recovery.

a) Revenue from sale of goods is recognized when the substantial risks and rewards of ownership are transferred to the buyer under the terms of the contract where there is no uncertainty as to measurement or collectability of consideration.

b) Revenue from engineering and service fees is recognized as per the terms of contract.

c) Interest income is accrued on a time basis at effective interest rate applicable.

E. Property, Plant and Equipment (PPE)

PPE is recognised when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can measured reliably. PPE is stated at original cost net of tax/duty credits availed, if any, less accumulated depreciation and cumulative impairment. Property, plant and equipment acquired on hire purchase basis are stated at their cash values. Cost includes professional fees and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy.

For transition to Ind AS, the carrying value of PPE under i-GAAP as on April 1, 2015 is regarded as its deemed cost. The carrying value was original cost less accumulated depreciation and cumulative impairment. The Company depreciates property, plant and equipment over their estimated useful lives using the straight-line method. The estimated useful lives of assets are as follows;

	Useful life (in years)					
Particulars	**As on 01.04.2015**		**As on 31.03.2016**		**As on 31.03.2017**

F. Intangible Assets

Intangible assets are at stated at cost, less accumulated depreciation and impairment, if any. Intangible assets are amortized over their estimated useful lives using the straight-line method.

G. Inventories

Inventories are valued after providing for obsolescence, as under:

a) Raw materials, components, construction materials, stores, spares and loose tools at lower of weighted average cost or net realizable value.

b) Manufacturing work-in-progress at lower of cost including related overheads or net realizable value.

c) Finished goods at lower of weighted average cost or net realizable value.

H. Foreign Currency Transactions

The reporting currency of company is Indian Rupee. Foreign currency transactions are recorded on initial recognition in the reporting currency using the exchange rates at the date of transaction. At each Balance Sheet date, foreign currency monetary items are reported using the closing rate. Any resulting loss /gain is charged / taken to the Profit & Loss Account. Exchange differences that arise on settlement of monetary items or on reporting of monetary items at each Balance Sheet date at the closing rate are recognized in profit or loss in the period in which they arise except for:

i) exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those assets when they are regarded as an adjustment to interest costs;

ii) exchange differences on transactions entered into in order to hedge certain foreign currency risks

I. Employee Benefits

(a) Short term employee benefits:

All employee benefits falling due within twelve months of rendering the service are classified as short term employee benefits, which include benefits like salaries, short term compensated absences, expected cost of performance incentives, ex-gratia etc. are recognised as expense in the period in which the employee renders the related service.

(b) Long term employee benefits:

Long term employee benefits including compensated absences that are not expected to occur within twelve months after the end of the period in which the employee renders related services are recognised as a liability at the present value of the defined benefit obligation based on actuarial valuation (under projected unit credit method) carried out at the Balance Sheet date.

(c) Post Employment Benefits:

i. Defined-contribution plans:
The Company has defined contribution plans (where Company pays pre-defined amounts and does not have any legal or informal obligation to pay additional sums) for post employment benefits (viz. Provident Fund), the Company's contributions thereto are charged to Profit and Loss Account every year.

ii. Defined-benefit plan:
The Company has a defined benefit plan (viz., Gratuity) for employees, the liability for which is determined on the basis of valuation carried out by an independent actuary (under projected unit credit method) at the Balance Sheet date.

Remeasurements, comprising actuarial gains and losses are recognized immediately in other comprehensive income and reflected in retained earnings and are not reclassified to profit & loss.

J. Taxes on Income:

- Tax on income for the current period is determined on the basis of taxable income and tax credits computed in accordance with the provisions of Income Tax Act, 1961, and based on the expected outcome of assessments / appeals.
- Deferred tax liability is recognized, subject to the consideration of prudence, on timing differences, being the difference between taxable incomes and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. The tax effect is calculated on the accumulated timing differences at the end of an accounting period based on prevailing, enacted or substantially enacted regulations.

NOTES FORMING PART OF ANNUAL ACCOUNTS (Contd..)

- Other Deferred tax assets are recognized and carried forward to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

K. Provisions, Contingent Liabilities and Contingent Assets

- Provisions are recognized for liabilities that can be measured only by using a substantial degree of estimation, if
  a) the Company has a present obligation as a result of a past event,
  b) a probable outflow of resources is expected to settle the obligation; and
  c) the amount of the obligation can be reliably estimated.
- Contingent liability is disclosed in case of
  a) a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation,
  b) a present obligation when no reliable estimate is possible; and
  c) a possible obligation arising from past events where the probability of outflow of resources is not remote.
- Contingent Assets are neither recognized, nor disclosed.

Provisions, Contingent Liabilities and Contingent Assets are reviewed at each Balance Sheet date.

L Impairment of Assets

At the Balance Sheet date, the carrying amount of assets is tested for impairment so as to determine

a) the provision for impairment loss required, if any, or
b) the reversal required of impairment loss recognized in previous periods, if any.

Impairment loss is recognized when the carrying amount of an asset exceeds its recoverable amount.

Recoverable amount is determined:

a) in the case of an individual asset, at higher of the net selling price and the value in use;
b) in the case of a cash generating unit (a group of assets that generates identified, independent cash flows), at higher of the cash generating unit's net selling price and the value in use.

Value in use is determined as the present value of estimated future cash flows from the continuing use of an asset and from its disposal at the end of its useful life.

M Borrowing Cost

Borrowing cost that are attributable to the acquisition, construction or production of qualifying assets are capitalized as part of such assets till such time as the asset is ready for intended use or sale. Qualifying asset is an asset that necessarily takes a substantial period of time to get ready for intended use or sale. All other borrowing costs are recognized as an expense in the year in which they are incurred.

N Financial Instruments:

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instruments. All financial assets are initially measured at fair value. Further, in case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial assets are also included in the initial measurement.

i) Financial Assets carried at amortized cost:

A Financial Asset is subsequently measured at amortised cost if the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and the contractual terms of instrument give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

ii) Financial Assets at fair value through other comprehensive income:

A Financial Asset is subsequently measured at fair value through other comprehensive income if the asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and the contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

iii) Other Financial Assets are recognized in Profit or Loss

iv) Financial liabilities including loans and borrowings are measured at amortized cost using Effective Interest Rate (EIR) method applied.

v) Cash Flow Hedges:

The Company designates certain hedging instruments, which include derivatives, in respect of foreign currency risk, as cash flow hedges. The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges is recognized in other comprehensive income and accumulated in equity under the heading of hedging reserve. The gain or loss relating to the ineffective portion is recognized immediately in profit or loss.

NOTES FORMING PART OF ANNUAL ACCOUNTS (Contd..)

vi) Impairment of Financial Assets

The Company applies the expected credit loss model for recognizing impairment loss on financial assets measured at amortized cost, trade receivables and other contractual rights to receive cash or other financial asset. For the purpose of measuring lifetime expected credit loss allowance for trade receivables, the Company has used a provision matrix which takes into account historical credit loss experience and forecast of future economic conditions based on reasonable and supportable information which is available at the reporting date.

O Cash and Cash Equivalent

Cash and bank balances also include fixed deposits, margin money deposits, earmarked balances with banks and other bank balances which have restrictions on repatriation.

P Operating cycle for current and non-current classification

Operating cycle for the business activities of the Company covers the duration of the specific project/contract/product line/service including the defect liability period, wherever applicable and extends up to the realization of receivables (including retention monies) within the agreed credit period normally applicable to the respective lines of business.

Sensitivity Analysis:

Gratuity is a lump sum plan and the cost of providing these benefits is typically less sensitive to small changes in demographic assumptions. The key actuarial assumptions to which the benefit obligation results are particularly sensitive to are discount rate and future salary escalation rate. The following table summarizes the impact in percentage terms on the reported defined benefit obligation at the end of the reporting period arising because an increase or decrease in the reported assumption by 50 basis points.

1.23 Income Taxes

Tax on income for the current period is determined on the basis of taxable income and tax credits computed in accordance with the provisions of the Income Tax Act, 1961 and based on the expected outcome of assessments/appeals.

Deferred Tax is recognized on timing differences between the accounting income and the taxable income for the year, and quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date.

Deferred tax assets are recognized and carried forward to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

ANNEXURE 'B' TO DIRECTORS' REPORT

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO

A. CONSERVATION OF ENERGY

(a) Energy Conservation measures taken:

1. Improving Energy Effectiveness/Efficiency of Equipment and Systems

- Optimize running of Air Compressors used for Blasting/Painting through optimum loading of Blasting operation & reduction in idle running
- Conversion and retrofitting of equipment e.g. Installation of on-off timers in high mast towers
- Maintaining the Power FACTOR about 0.95 to optimize the POWER DEMAND from state Electricity Supply
- Switching over to Thyristor based Weld machines at MFF K.
- Usage of invertor based Welding Machines at MFF H.
- Increase use of FCAW Gas shielded welding process.

(b) Additional investments & proposals, if any, being implemented for reduction of consumption of energy:

- Implementation of Energy Management System ISO 50001 at MFFH
- Replacement of LED lamps in place of Metal Halide Lamps in Shops
- Use of LED lights for temporary lighting in Yards in place of HPSV lights.
- Installation of Harmonic Filter in 11 KV side - to optimize the line currents and to reduce the power losses.
- Procurement of Energy Efficient Equipment - EOTs fitted with VVVF Drives.
- Conversion of DC Drive to Energy Efficient AC Drive in TOWER Crane
- Replacement of Existing window/split ACs by energy efficient invertor based AC
- Energy saver unit installation in Lightings and welding machines at yards.
- Installation of Occupancy sensors at offices and porta cabins at yards.
- Upgrade the Power Distribution network to reduce the diesel Consumption.
- Proposal given for the Replacement of Conventional Chiller Plant with Electrical Compressor Operated Chiller Plant at EPC Block

(c) Impact of measures at (a) and (b) above for reduction of energy consumption and consequent impact on the cost of production of goods:

The measures taken have resulted in savings in cost of production, cost of power consumption, energy savings and reduction in maintenance cost, reduction in processing cycle time.

(d) Total Energy Consumption and Energy Consumption per unit of production as per Form A in respect of industries specified in the Schedule:

The Company provides engineering, procurement & construction solutions on turnkey basis in oil & gas, petroleum refining, chemicals & petrochemicals and fertilizer sectors and pipelines. Hence, disclosures in Form A are not applicable to the Company.

B. RESEARCH AND DEVELOPMENT (R&D)

1. Specific areas in which R&D carried out by the Company:

The Company has well-established R&D facilities for carrying out applied research in the areas of Process Engineering, Material Science & Corrosion Engineering, Process Safety, Energy Systems & Environment, Mechanical Engineering and Offshore Engineering.

Research work is currently focused on the following:

- **Process Engineering**

  Design, analysis and simulation of Gas Processing plant and equipment (Gas/Liquid Separation, Condensate Fractionation, Gas Dehydration, Gas Sweetening Units and C2/C3/C4 component recovery systems); Process Design of slug catchers, Process simulation for Ammonia and Urea Plants; Process engineering for Gas Compressor Modules; Flow simulation studies for Oil & Gas Projects; Steady State and Dynamic Simulation of Oil & Gas Processing plants; Refractory engineering for Fertilizer and Refinery Plant equipment; Technology evaluation, Coal characterization, Modelling and simulation for Gasification technologies; Technology evaluation for Hydrocracker and ultra-low sulphur fuel; Two-phase flow modelling; Pipeline flow assurance studies; Value Engineering for project cost optimization; Modelling of Pressure Swing and Temperature Swing Adsorption beds for product purification; Failure analysis and troubleshooting of various process units such as Steam Generators, Thermo-siphon System, Pressure Swing Adsorption unit, HP/LP Flash Drum and Gas Compressors; Pilot Plant data analysis for consistency and accuracy, scale-up analysis from pilot to commercial; Transient analysis of pipelines for pigging and slugging operation; Adequacy of Control & Trip logic strategies for normal, emergency, start-up scenario of compressor operation; Surge Analysis of compressors.

- **Material Science & Corrosion Engineering**

  Material selection, verification and corrosion control methodologies for Gas Processing Plants, LNG Pipelines / Terminals and Offshore facilities; Risk assessment and generation of Corrosion Management Manual / Plan for Gas Processing and Oil & Gas facilities involving equipment, piping and flow-lines; Troubleshooting and Failure Analysis studies for equipment and components (such as Process Piping, Waste Heat Recovery System, Heat Exchangers, Reformer tubes, Valves, Fasteners, Fittings, Coatings etc.); Preservation and Restoration techniques for critical systems; Surface engineering of various metals and non-metallic materials; Characterization of various materials with in-house laboratory facility comprising state-of-the-art instruments.

- **Process Safety, Energy Systems and Environment**

  Development of Simulators for cogeneration power plants including thermal, process, electrical and control systems; Design procedure for Bulk Flow Coolers for Urea Applications; Design of electrically heated thermosiphon reboilers; Design verification of HVAC systems, Cold and Freezer rooms for offshore platforms; Dynamic simulation of supercritical boilers; Design verification of Cryogenic Fluid Heaters; Radiation and Dispersion Analysis for Flares; CFD analysis for design optimization of Hypersonic Wind Tunnel piping; Safety studies for safe helideck operation at Offshore Platforms; Enhancement of boiler capacity using Oxy-fuel combustion; Determination of buffer volumes for fuel gas system based on worst-case operating condition; Design of insulation for cryogenic storage tanks; Analysis of heat transfer in Non-Newtonian fluid systems; Check-rating and design optimization of Waste Heat Recovery Coils and Heat Exchangers.

- **Mechanical Engineering**

  Noise Mapping for Offshore Well Head Platforms; Noise level verification and recommendations for suitable abatement measures for valve noise control; Indigenization of critical equipment in Oil and Gas Sector as part of "Make in India" initiative; Expert support for Acceptance Test and Commissioning for critical machinery; Lateral and Torsional Vibration analysis for Turbines and Compressors; Troubleshooting of high- speed turbo-machinery in Fertilizer, Petrochemical and Refinery plants and offshore platforms; Failure analysis for various equipment in offshore projects (such as Vorecon Gear Unit, Deck Crane Slew Bearing, Winch Drum Luff Wire Rope, Sea Water Pump Seals etc.).

  Analysis of Shell & Tube Heat Exchanger assembly for combined shock and thermal loads; In-place and Fatigue analysis of plated hull structures using FEA, Vortex Induced Vibration analysis of long submerged conduits using FEA; Water-proof strain gauging of static equipment during hydro-test; Design and analysis of piping system subjected to combined thermal and shock loads; Out-of-roundness assessment of pipelines having distortion; Combined creep and fatigue assessment of process equipment subjected to elevated thermal cycles; Design optimization of expansion bellow using FEA; Fitness For Service (FFS) assessment of piping and equipment.

  Tank Analysis (API 650); Mounded Bullet Analysis; Subsea pipeline buckling susceptibility check; Subsea Pipeline upheaval and lateral buckling analysis; Lifting and transportation analysis of equipment and piping; Local PWHT heating input and structural integrity assessment for equipment; Fluid Structure interaction simulation,

- **Offshore Engineering**

  Offshore Fixed Structures

  Design, analysis and optimization of complex offshore structures; Advanced engineering analysis for offshore Jackets (such as Pile Drivability, Deterministic & Spectral Fatigue, Seismic Analysis, Push Over, Boat Impact, Rare Intensity Earthquake, Blast); Studies on design/analysis of Jack-up Rig, Subsea Systems, FPSO topsides, Critical structural joints; Brownfield Structural engineering.

  Offshore Floating Structures & Subsea Systems

  Naval Arch studies; Hydrostatic Stability; Hydrodynamics Studies; Mooring Analysis & Bollard Pull calculation for Offshore structure Transportation and Installation; Advanced engineering studies for Jacket Launch, Tow, Floatation & Upending; Studies on Design/analysis of Integrated Deck Float-over; Development of advanced design and analysis capabilities for Subsea Pipeline Engineering; Advanced Finite Element Analysis (FEA) of Critical components.

  R&D Laboratories in the areas of Vibration & Acoustics, Experimental Stress Analysis, Materials Technology and Corrosion Studies have been upgraded by addition of new, state-of-the-art instruments and software tools to carry out the R&D studies effectively.

  R&D facilities are augmented with the latest IT infrastructure. A fully E-enabled Technical Library, having a large collection of technical publications, research journals and product/technology databases further supplement the R&D resources. Emphasis is given on creating Intellectual Properties (IP) and managing the Intellectual Property Rights (IPR). The R&D Centre has been involved in active networking with Professional Societies, R&D Laboratories and Academic Institutes.

2. **Benefits derived as a result of above R&D:**

- Complete process simulation, design solutions and optimization for Hydrocarbon projects in Fertilizer sector, involving Reformers, Ammonia Plant and Urea Plant.
- Establishment of in-house capability in Process Simulation and FEED Verification for on-shore / off-shore Gas Processing Plants and design optimization of associated equipment.
- In-house expertise development for complete Refractory solutions (e.g., material selection, engineering, commissioning and troubleshooting) in high-temperature equipment for process plants.
- Capability development for dynamic simulation of equipment and processes; Enhancement of cogeneration power plant reliability and availability.
- Optimised equipment and pressure control valve design; Superior control strategy for minimum flaring, thus maximizing production and energy efficiency
- Optimal design of process and equipment, resulting into reduction in capital and operating cost as well as safer design
- Capability development for analyzing plant dynamics for UMPPs / other supercritical power plants.
- In-house software program developed for prediction of thermal radiation from flares for offshore and onshore projects.
- Capability development for performing boiler capacity de-bottlenecking studies.

- Capability development for design evaluation of bulk flow coolers in Urea Plants and other solids handling plants.
- Successful testing / commissioning of plants and equipment in various Hydrocarbon projects, through multi-disciplinary technology support.
- In-house capability building to support business units for all Materials related assignments (such as material verification / selection / evaluation / characterization; corrosion rate estimation, selection of alternative materials; recommendation for corrosion control methodologies; failure analysis; preservation and corrosion protection of critical equipment; development of new materials for strategic applications; identification of newer technologies and commercially available proven products and their implementation for preventing material degradation and extending useful life).
- Synthesis and Characterization of novel Nano-enabled bulk materials and coatings for high-temperature applications.
- Establishment of in-house capabilities in analysis of piping system for flow-induced and acoustic-induced vibrations; Conduct of Plant Noise studies utilizing in-house expertise; Development of in-house capabilities in special acoustic studies such as piping insulation design and valve noise / vent noise assessment.
- Development of in-house expertise in advanced FEA for offshore application such as In-place and Fatigue analysis of plated hull structures and Vortex Induced Vibration (VIV) analysis of long, submerged conduits.
- Development of in-house expertise in strain gauging for special applications like water- proof gauging required for measuring strains on the inner surface of pressure vessel during hydro test.
- Establishment of in-house capability in carrying out combined creep and fatigue damage assessment of process equipment subjected to elevated temperature cycles.
- Demonstration of in-house capability on design optimization of expansion bellows in thermal equipment, using advanced FEA techniques.
- National recognition of R&D Materials Laboratory through •Excellent Laboratory Award - 2015 • from NACE International Gateway India Section (NIGIS).
- Capability for complete detailed structural engineering for Process Modules and Topsides.
- Development of in-house capability for FEED verification and Pile Soil Interaction (PSI) Analysis of Offshore Platforms.
- Yard Engineering and Installation Engineering support for in-house EPC Projects.
- Structural Joint Design for Offshore Platforms.
- Establishment of In-house expertise in Specialized Analysis for Pile Drivability, critical to offshore Jacket stability.
- Complete in-house support to business units for Transportation & Installation Engineering of Offshore Projects.
- Establishment of in-house capability in Integrated Deck Float-over analysis.
- In-house FEA expertise for Critical components of Offshore Jacket & Topside structures.
- Capability for Code based design and FEED verification of subsea pipeline projects
- Development of in-house expertise in specialized applications such as Jacket Launch, Tow, Floatation, Upending & On-bottom analysis
- In-house expertise for Brownfield Structural Engineering

3. Future Plan of Action:

The R&D Centre is committed to providing appropriate technology support to all Hydrocarbon Projects, as required by various business units. Future development activities are identified based on the anticipated needs of upcoming Projects as well as requirements for in-house capability development. The following key areas have been identified under R&D Action Plan:

- Process technology for coal gasification, design optimization and system integration for EPC Projects
- Process simulation for various Refinery units such as Hydrocracker, DCU, Reforming, Alkylation units etc.
- Use of Petcoke for Gasification applications
- Modeling and Process Simulation of Fluidized Bed Gasification Reactors for high-ash Indian coals
- Process design capabilities in Petrochemical / Polymer Plants
- Modularization of Process Plants
- Carbon Capture and Sequestration (CCS) techniques for Oil & Gas Projects
- Application of Enhanced Oil Recovery (EOR) processes through chemical flooding techniques
- CO2 Capture from Reformer stack in Fertilizer plant and recycling as feed stock for Urea plant
- Cryogenic Air Separation Processes (technology evaluation, process simulation, heat integration and system engineering)
- Use of CFD techniques for design optimization of coal gasifiers
- Emerging (Non-traditional) energy solutions such as CBM, Shale Gas and Tar Sands
- Development of Nano-based materials for high temperature applications
- Thermal design and optimization of Cold Box for Air Separation plants
- Application of Low Temperature Thermal Desalination process for commercial use
- Design / engineering of molten salt based thermal energy storage system for electric arc furnace with intermittent operation
- Design of Combustion Air Pre-heaters for Reformers in Ammonia Plants

- Power generation solutions for offshore process platforms using wind power
- Solar energy based desalination plants for "Clean Energy" initiative
- Advanced Finite Element Analysis (FEA) techniques for analyzing coupled Fluid Structure Interaction (FSI) problems
- Capability development in Fracture Mechanics and Advanced Fatigue Analysis
- Study of advanced non-destructive techniques for residual stress measurement
- Stress analysis of non-ferrous materials like ceramic refractory and concrete structures
- Study of design philosophy of offshore wind turbines
- Techniques for Reliability, Availability & Maintainability (RAM) studies as part of specialized engineering support for Process Plants
- Fitness for Service (Level-3) assessment using FEA
- Theoretical and experimental study on degradation mechanisms in material of construction for Ammonia Convertor
- Study on degradation / failure mechanisms for High-Strength Steel; Characterization of different heat treated low-alloy steel (Normalized + Tempered and Normalized + Accelerated cooling + Tempered) for temper embrittlement; Evaluation of hydrogen charged DSS.
- Development of environmentally-friendly (non-toxic and bio-degradable) chemical formulations for chemical cleaning and pickling of steels; Characterization and optimization of selected chemicals based on surface cleaning efficiency and material weight loss.
- Capability development for structural analysis and design of Subsea Modules.
- Capability development for structural analysis and design of offshore structure compatible with Float-over Installation method.
- Capability development for structural analysis and design of FPSO Topsides
- Capability development for structural design of Jack-up Rigs
- Capability development to carry out Coupled Motion Analysis
- Design and analysis capability for Deepwater Floating Solutions
- Capability development in optimization of offshore structures
- Feasibility study on Jack-up Rig conversion to early production units

TECHNOLOGY ABSORPTION, ADAPTATION AND INNOVATION:

1. Efforts made in brief towards technology absorption, adaptation and innovation:

- Interaction with external agencies / technology partners for exposure to the latest products / designs, manufacturing technologies, processes, analytical techniques and engineering protocols
- Active involvement with International / National Professional Societies (such as IChemE, AIChE / CCPS, IIChE, ICC, ASME, NACE, ASM, ASTM, AISC, ACS, HTRI, STLE, TSI, NAFEMS, etc.)
- Active participation in National / International Innovation forums and CII Technology Task Force
- Institutionalization of in-house schemes (such as ICONs and KnowNet) for identifying, nurturing and implementing innovative ideas and technology solutions
- Networking and knowledge sharing through national / international conferences, seminars and exhibitions
- Valuation, adaptation and/or modification of imported designs / technologies to suit indigenous requirements, alternative materials / components
- Parametric studies involving theoretical models duly validated by experimental studies at in-house laboratories and pilot plants, as well as feedback and operating data during commissioning of various plants and machinery
- Review of Patents in relevant technology areas
- Nomination of R&D engineers to external training programs, expert groups and technical committees
- Collaborative efforts with educational / research institutions for research projects
- Use of state-of-the-art equipment, instrument and software as well as the latest Codes and Standards
- Analyzing feedback from Customers / internal users to continually improve processes and services
- Active involvement with International / National Professional Societies (such as SPE, AISC, RINA etc.)

2. **Benefits derived as a result of above efforts:**
   - Capability development and professional enrichment of R&D Engineers through networking with domain experts and researchers in India and abroad
   - Enhancement of professional skills of R&D Engineers through additional academic qualifications, certification and acquisition of Chartered Engineer status
   - Successful performance simulation / optimization of process design and engineering for various Hydrocarbon projects (Refinery, Oil & Gas, Fertilizer and Chemical plants)
   - Complete in-house support to business units in providing Refractory solutions (selection, design, engineering, commissioning) for high-temperature applications
   - Energy conservation through optimal design, analysis and engineering of heat exchange equipment and waste heat recovery systems for Process Plants
   - Optimum material selection, verification and characterization of materials for critical applications; Implementation of suitable preservation / corrosion protection techniques to achieve successful longer life and adequate performance
   - Establishment of in-house capability for specialized engineering analyses, such as Modeling & Process Simulation, Computational Fluid Dynamics, Transient Thermal Analysis, Radiation and Dispersion analysis, Risk Based Inspection (RBI) Studies, Fitness for Service (FFS) Studies, advanced Stress Analysis, Vibration & Acoustics, Rotor Dynamics, Tribology etc., in order to achieve self-sufficiency and minimize dependence on external agencies
   - Multi-disciplinary technology support to Projects towards troubleshooting, failure analysis and plant commissioning, in order to achieve successful Project completion with respect to cost, time, quality and HSE targets
   - Acquisition of in-house expertise in areas such as material characterization, advanced corrosion control methods, coating and wear protection techniques to assess and mitigate material-related failures and associated risks in Projects
   - Contribution towards new materials development (composites / nano-materials) and indigenous solutions to control corrosion for effective support to Projects of strategic importance
   - Establishment / upgradation of state-of-the art laboratory facilities for materials characterization, accelerated corrosion tests, chemical analysis, corrosion control, coating evaluation, vibration and acoustics studies, experimental stress analysis etc., in order to provide comprehensive technology support to business units. This has reduced the dependence on external agencies and enabled effective execution of projects.
   - Competitive methodology developed for long vertically unsupported Pile drivability.
   - Technical support for Greenfield and Brownfield structural engineering.
   - Parametric studies leading to optimization of offshore structural connections
   - Establishment of in-house capability for advanced engineering analysis, such as Integrated Deck Float-over analysis, Jacket Launch, Tow, Floatation, Upending, On-bottom etc.

3. **Information regarding technology imported during the last 5 years:**

   No technology was imported during the last 5 years.

C. FOREIGN EXCHANGE EARNINGS AND OUTGO

Activities relating to exports, initiatives taken to increase exports; development of new export markets for products and services; and export plans:

The Company has been prequalified for major international EPC projects from reputed customers in Middle East, South East Asia and CIS countries. During the year, the Company has appointed Mr. Subramanian Sarma, as the Chief Executive Officer and Managing Director, who has over 30 years of experience in the international oil & gas contracting industry. He is based out of the Company's Middle East office to enable close monitoring of key on-going projects and drive new growth. During the year, Company along-with a consortium partner has entered into six year Long Term Agreement with Saudi Aramco which will enable the consortium to execute Engineering, Procurement, Construction & Installation of offshore facilities such as platforms, pipelines, submarine cables and other offshore services over the tenure of the Agreement. The Company is also in talks with reputed international EPC companies for tie-ups relating to exports of pre-fabricated structures from yards and for provision of engineering services.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF L&T HYDROCARBON ENGINEERING LIMITED

Report on the standalone Ind AS financial statements

We have audited the accompanying standalone Ind AS financial statements of L&T Hydrocarbon Engineering Limited ('the Company'), which comprise the balance sheet as at 31 March 2017, the statement of profit and loss (including other comprehensive income), the cash flow statement and the statement of changes in equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein after referred to as 'standalone Ind AS financial statements').

Management's responsibility for the standalone Ind AS financial statements

The Company's board of directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the state of affairs of the Company as at 31 March 2017, its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Report on other legal and regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the central government in terms of section 143(11) of the Act, we give in 'Annexure A' a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143(3) of the Act, we report that:
    a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
    b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
    c) the balance sheet, the statement of profit and loss, the cash flow statement and statement of changes in equity dealt with by this report are in agreement with the books of account;
    d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the accounting standards prescribed under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014 and Companies (Indian Accounting Standards) Rules, 2015 (as amended);
    e) On the basis of the written representations received from the directors as on 31 March 2017 taken on record by the board of directors, none of the directors is disqualified as on 31 March 2017 from being appointed as a director in terms of section 164(2) of the Act;

f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure B; and

g) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

   i. The Company has disclosed the impact of pending litigations on its financial position in its standalone Ind AS financial statements; - refer note 28 and 36(xiii) to the Ind AS financial statements.

   ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative contracts; - refer notes 20, 24, 36(v) (a) to the Ind AS financial statements.

   iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company; - refer note 36(xix) to the Ind AS financial statements and

   iv. To the best of our information and according to the information and explanations given to us and having regard to the nature of business and size of its operations and cash payments made by the Company in the ordinary course of business and based on the Company's practices for recording such transactions, the Company has provided the requisite disclosures in its financial statements as to holding as well as dealings in Specified Bank Notes as defined in the Notification S.O. 3407(E) dated the 8th November, 2016 of the Ministry of Finance, during the period from November 8, 2016 to December 30, 2016. Report on the internal financial controls under clause (i) of sub-section (3) of section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of L&T Hydrocarbon Engineering Limited ('the Company') as of 31 March 2017 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('the ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable, to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involved performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of internal financial controls over financial reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that: (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

Inherent limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

NOTES FORMING PART OF THE ACCOUNTS

NOTE 1 : GENERAL INFORMATION:

L&T Hydrocarbon Engineering Limited ("the Company") is a public limited company incorporated in India. It is a wholly owned subsidiary of Larsen & Toubro Limited ("L&T").

The Company was formed by transfer of Hydrocarbon division of Larsen & Toubro Limited as a going concern to 100% owned subsidiary of L&T, L&T Technologies Limited re-named as L&T Hydrocarbon Engineering Limited. This transfer was in pursuance to scheme of arrangement under the provisions of section 391 read with section 394 of the Companies Act, 1956. The scheme was approved by the Hon'ble High Court of Mumbai vide its order dated December 20, 2013 and filed with Registrar of Companies on January 16, 2014, with the appointed date as April 01, 2013.

The registered office of the Company is at L&T House, N. M. Marg, Ballard Estate, Mumbai - 400 001.

The Company is principally engaged in engineering, procurement, fabrication, construction and project management activity providing integrated 'design to build' solutions to large and complex offshore and onshore hydrocarbon projects worldwide.

NOTE 2 : SIGNIFICANT ACCOUNTING POLICIES

2.1. Statement of compliance:

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015. Further, the guidance notes/announcements issued by the Institute of Chartered Accountants of India (ICAI) are also considered, wherever applicable.

Up to the year ended March 31, 2016, the Company prepared its financial statements in accordance with the requirements of previous GAAP, which includes Standards notified under the Companies (Accounting Standards) Rules, 2006. These are the Company's first Ind AS financial statements. The date of transition to Ind AS is April 1, 2015. (Refer note 36(i) for the details of first-time adoption exemptions availed by the Company).

2.2. Basis of preparation:

The Company maintains its accounts on accrual basis following the historical cost convention, except for certain financial instruments that are measured at fair value at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/ or disclosure purpose in these financial statements is determined on such basis, except for leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities to fair value but are not fair value, such as net realizable value under Ind AS 2 or value in use under Ind AS 36.

2.3. Use of estimates and judgements:

The preparation of financial statements in conformity with Ind AS requires that management of the Company makes estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as on the date of the financial statements. Examples of such estimates include the useful lives of tangible and intangible fixed assets, deferred tax assets, allowance for doubtful debts/advances, future obligations in respect of retirement benefit plans, etc. Differences, if any, between the actual results and estimates are recognised in the period in which the results are known.

2.4. Presentation of financial statements

The balance sheet and the statement of profit and loss are prepared and presented in the format prescribed in the schedule III to the Companies Act, 2013 ("the Act"). The cash flow statement has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash Flows". The disclosure requirements with respect to items in the balance sheet and statement of profit and loss, as prescribed in the schedule III to the Act, are presented by way of notes forming part of accounts along with the other notes required to be disclosed under Ind AS.

Amounts in the financial statements are presented in Indian Rupees in crore [1 crore = 10 million] rounded off to two decimal places in line with the requirements of schedule III. Per share data are presented in Indian Rupees to two decimals places.

2.5. Business combinations

Acquisitions of businesses are accounted for using the acquisition method. The consideration transferred in a business combination is measured at fair value. However, business combinations involving entities or businesses under common control are accounted using the pooling of interest method.

The difference between, the amount of Investment in transferor company, as appearing in books of transferee company, and share capital of the transferor company is transferred to capital reserve and presented separately from other capital reserves.

2.6. Interests in joint operations

Type of joint venture	Accounting treatment
Jointly controlled operations	Company's share of revenues, common expenses, assets and liabilities are included in revenues, expenses, assets and liabilities respectively.

NOTES FORMING PART OF THE ACCOUNTS (CONTD.)

A joint operation is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the assets, and obligations for the liabilities, relating to the arrangement. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

When the Company undertakes its activities under joint operations, the Company as a joint operator recognises in relation to its interest in a joint operation:

a. its assets, including its share of any assets held jointly;
b. its liabilities, including its share of any liabilities incurred jointly;
c. its revenue from the sale of its share of the output arising from the joint operation;
d. its share of the revenue from the sale of the output by the joint operation; and
e. its expenses, including its share of any expenses incurred jointly.

The Company accounts for the assets, liabilities, revenues, and expenses relating to its interest in a joint operation in accordance with the Ind AS applicable to the particular assets, liabilities, revenues, and expenses.

When the Company transacts with a joint operation in which the Company is a joint operator (such as a sale or contribution of assets), the Company is considered to be conducting the transaction with the other parties to the joint operation, and gains and losses resulting from the transactions are recognized in the Company's financial statements only to the extent of other parties' interests in the joint operation.

When the Company transacts with a joint operation in which the Company is a joint operator (such as a purchase of assets), the Company does not recognise its share of the gains and losses until it resells those assets to a third party.

2.7. Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. Revenue is reduced for estimated customer returns, rebates and other similar allowances. Revenue is recognised based on nature of activity when consideration can be reasonably measured and there exists reasonable certainty of its recovery.

A. Revenue from operations

a. Sales and service

i. Sales and service include excise duty and adjustments made towards liquidated damages and price variation, wherever applicable. Escalation and other claims, which are not ascertainable / acknowledged by customers, are not taken into account.

ii. Revenue from sale of manufactured goods is recognised when the substantial risks and rewards of ownership are transferred to the buyer under the terms of the contract.

iii. Revenue from construction/project related activity and contracts for supply/commissioning of complex plant and equipment is recognised as follows:

a. Cost plus contracts: Contract revenue is determined by adding the aggregate cost plus proportionate margin as agreed with the customer.

b. Fixed price contracts: Contract revenue is recognized only to the extent of cost incurred till such time the outcome of the job cannot be ascertained reliably. When the outcome of the contract is ascertained reliably, contract revenue is recognized at cost of work performed on the contract plus proportionate margin, using the percentage of completion method. Percentage of completion is the proportion of cost of work performed to-date, to the total estimated contract costs.

Expected loss, if any, on the construction/project related activity is recognized as an expense in the period in which it is foreseen, irrespective of the stage of completion of the contract. While determining the amount of foreseeable loss, all elements of costs and related incidental income not included in contract revenue is taken into consideration.

When contract costs incurred to date plus recognised profits less recognised losses exceed progress billings, the surplus is shown as amounts due from customers for contract work. For contracts where progress billings exceed contract costs incurred to date plus recognised profits less recognised losses, the surplus is shown as the amounts due to customers for contract work. Amounts received before the related work is performed are included in the balance sheet, as a liability, as advances received. Amounts billed for work performed but not yet paid by the customer are included in the balance sheet under trade receivables.

iv. Revenue from contracts for the rendering of services which are directly related to the construction of an asset is recognised on similar basis as stated in (iii) above.

v. Revenue from construction/project related activity and contracts executed in joint ventures under work-sharing arrangement [being jointly controlled operations, in terms of Ind AS 28 "Investments in associates and joint ventures"], are recognised on the same basis as similar contracts independently executed by the Company.

vi. Revenue from service related activities is recognised using the proportionate completion method.

vii. Revenue from engineering and service fees is recognised as per the terms of the contract.

b. Other operational revenue

Other operational revenue represents income earned from the activities incidental to the business and is recognised when the right to receive the income is established as per the terms of the contract.

NOTES FORMING PART OF THE ACCOUNTS (CONTD.)

B. Other income

i. Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

ii. Dividend income is accounted in the period in which the right to receive the same is established.

iii. Other items of income are accounted as and when the right to receive arises.

2.8. Leases

The determination of whether an agreement is, or contains, a lease is based on the substance of the agreement at the date of inception.

a. Finance leases:

i. Assets acquired under lease where the Company has substantially all the risks and rewards of ownership are classified as finance lease. Such assets are capitalised at the inception of the lease at the lower of the fair value or the present value of minimum lease payments and a liability is created for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost, so as to obtain a constant periodic rate of interest on the outstanding liability for each period.

ii. Assets given under lease where the Company has transferred substantially all the risks and rewards of ownership to lessee, are classified as finance leases. Assets given under a finance lease are recognised as a receivable at an amount equal to the net investment in the lease. Lease income is recognised over the period of the lease so as to yield a constant rate of return on the net investment in the lease.

iii. Initial direct costs relating to assets given on finance leases are charged to statement of profit and loss.

Operating leases:

i) Assets acquired on lease where a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Lease rentals are charged to the statement of profit and loss on accrual basis.

ii) Assets leased out under operating lease are capitalised. Rental income is recognised on accrual basis over the lease term. (Also refer to policy on depreciation infra).

2.9. Borrowing costs:

Borrowing costs include interest, commitment charges, amortisation of ancillary costs, amortisation of discounts/premium related to borrowings, finance charges in respect of assets acquired on finance lease and exchange differences arising from foreign currency borrowings, to the extent they are regarded as an adjustment to interest costs.

Borrowing costs that are attributable to the acquisition, construction or production of a qualifying asset are capitalised/ inventorised as part of cost of such asset till such time the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale. All other borrowing costs are recognised as an expense in the period in which they are incurred.

2.10 Employee benefits

a. Short term employee benefits:

All employee benefits falling due wholly within twelve months of rendering the service are classified as short term employee benefits. The benefits like salaries, wages, short term compensated absences etc. and the expected cost of bonus, ex-gratia are recognised in the period in which the employee renders the related service.

b. Post-employment benefits:

i. Defined contribution plans: The Company's superannuation scheme, state governed provident fund scheme, employee state insurance scheme and employee pension scheme are defined contribution plans. The contribution paid/payable under the schemes is recognised during the period in which the employee renders the related service.

ii. Defined benefit plans: The employees' gratuity fund schemes, post-retirement medical care scheme, pension scheme and provident fund scheme managed by trust are the Company's defined benefit plans. The present value of the obligation under such defined benefit plans is determined based on actuarial valuation using the Projected Unit Credit Method.

The obligation is measured at the present value of the estimated future cash flows. The discount rate used for determining the present value of the obligation under defined benefit plans, is based on the market yield on government securities of a maturity period equivalent to the weighted average maturity profile of the related obligations at the balance sheet date.

Actuarial gains and losses are recognised immediately in the statement of profit and loss.

Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset.

In case of funded plans, the fair value of the plan assets is reduced from the gross obligation under the defined benefit plans to recognise the obligation on a net basis.

NOTES FORMING PART OF THE ACCOUNTS (CONTD.)

Gains or losses on the curtailment or settlement of any defined benefit plan are recognised when the curtailment or settlement occurs. Past service cost is recognised as expense at the earlier of the plan amendment or curtailment and when the Company recognises related restructuring costs or termination benefits.

c. Long term employee benefits: The obligation for long term employee benefits such as long term compensated absences, long service award etc. is recognised in the similar manner as in the case of defined benefit plans as mentioned in (b)(ii) above.

d. Termination benefits: Termination benefits such as compensation under voluntary retirement cum pension scheme are recognised as expense in the period in which they are incurred.

2.11 Employee stock ownership schemes

The Employees Stock Option Scheme (the Scheme) provides for grant of equity shares of Larsen & Toubro Limited (the holding company) to employees of the Company. The Scheme provides that employees are granted an option to subscribe to equity share of the holding company that vest in a graded manner. The options may be exercised within specified period. The holding company follows the fair value method to account for its stock based employee compensation plans. The expense or credit recognized in the statement of profit and loss for a period represents the movement in cumulative expense recognized as at the beginning and end of that period.

2.12 Taxes on income

Current tax

Tax on income for the current period is determined on the basis of taxable income and tax credits computed in accordance with the provisions of the Income-tax Act, 1961 and based on the expected outcome of assessments/appeals.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

2.13 Property, plant and equipment

Land and buildings held for use in the production or supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses. Freehold land is not depreciated.

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Cost includes professional fees and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

All other fixed assets are stated at cost less accumulated depreciation and accumulated impairment losses.

Depreciation is recognised so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight-line method as follows:

Sr. No	Category of assets	Minimum useful life (in years)	Maximum useful life (in years)
1.	Buildings	5	60
2.	Plant and equipment	8	30
3.	Computers	3	6
4.	Office equipment	4	30
5.	Furniture and fixtures	2	10
6.	Vehicles	5	10
7.	Leasehold land	97	97
8.	Specialised softwares	3	6

NOTES FORMING PART OF THE ACCOUNTS (CONTD.)

The Company, based on technical assessment made by technical expert and management estimate, depreciates certain items of building, plant and equipment over estimated useful lives which are different from the useful life prescribed in schedule II to the Companies Act, 2013. Management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets. However, when there is no reasonable certainty that ownership will be obtained by the end of the lease term, assets are depreciated over the shorter of the lease term and their useful lives.

2.14 Intangible assets and amortization

Intangible assets are stated at original cost net of tax/duty credits availed, if any, less accumulated amortisation and cumulative impairment. Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. Intangible assets are amortised as follows:

a. Specialised software: over a period of six years.

b. Technical know-how: over a period of six years in case of foreign technology and three years in the case of indigenous technology.

Administrative and other general overhead expenses that are specifically attributable to acquisition of intangible assets are allocated and capitalised as a part of the cost of the intangible assets.

Intangible assets not ready for the intended use on the date of the balance sheet are disclosed as “Intangible assets under development”.

Amortisation on impaired assets is provided by adjusting the amortisation charges in the remaining periods so as to allocate the asset’s revised carrying amount over its remaining useful life.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in profit or loss when the asset is derecognised.

2.15 Impairment of assets

As at each balance sheet date, the carrying amount of assets is tested for impairment so as to determine:

a. the provision for impairment loss, if any; and

b. the reversal of impairment loss recognised in previous periods, if any.

Impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount. Recoverable amount is determined:

a. in the case of an individual asset, at the higher of the net selling price and the value in use;

b. in the case of a cash generating unit (a group of assets that generates identified, independent cash flows), at the higher of the cash generating unit’s net selling price and the value in use.

(Value in use is determined as the present value of estimated future cash flows from the continuing use of an asset and from its disposal at the end of its useful life).

2.16 Inventories

Inventories are valued after providing for obsolescence, as under:

a. Raw materials, components, construction materials, stores, spares and loose tools at lower of weighted average cost or net realisable value.

b. Manufacturing work-in-progress at lower of cost including related overheads or net realisable value. In the case of qualifying assets, cost also includes applicable borrowing costs vide policy relating to borrowing costs.

c. Finished goods and stock in trade (in respect of goods acquired for trading) at lower of weighted average cost or net realisable value. Cost includes related overheads and excise duty paid/payable on such goods.

2.17 Provisions, contingent liabilities and contingent assets

Provisions are recognised for liabilities that can be measured only by using a substantial degree of estimation, if

a. the Company has a present obligation as a result of a past event;

b. a probable outflow of resources is expected to settle the obligation; and

c. the amount of the obligation can be reliably estimated.

Reimbursement expected in respect of expenditure required to settle a provision is recognised only when it is virtually certain that the reimbursement will be received.

Contingent liability is disclosed in case of

a. a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation

b. a present obligation arising from past events, when no reliable estimate is possible

c. a possible obligation arising from past events where the probability of outflow of resources is not remote.

NOTES FORMING PART OF THE ACCOUNTS (CONTD.)

Contingent assets are neither recognised, nor disclosed.

Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.

2.18 Financial instruments

Financial assets and financial liabilities are recognised when the entity becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss

2.19 Financial assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets

i. Classification of financial assets

Debt instruments that meet the following conditions are subsequently measured at amortised cost (except for debt instruments that are designated as at fair value through profit or loss on initial recognition):

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

For the impairment policy on financial assets measured at amortised cost, refer point v.

Debt instruments that meet the following conditions are subsequently measured at fair value through other comprehensive income (except for debt instruments that are designated as at fair value through profit or loss on initial recognition):

- the asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Interest income is recognised in profit or loss for FVTOCI debt instruments. For the purposes of recognising foreign exchange gains and losses, FVTOCI debt instruments are treated as financial assets measured at amortised cost. Thus, the exchange differences on the amortised cost are recognised in profit or loss and other changes in the fair value of FVTOCI financial assets are recognised in other comprehensive income and accumulated under the heading of 'Reserve for debt instruments through other comprehensive income'. When the investment is disposed of, the cumulative gain or loss previously accumulated in this reserve is reclassified to profit or loss.

For the impairment policy on debt instruments at FVTOCI, refer point v.

All other financial assets are subsequently measured at fair value.

ii. Effective interest method

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Income is recognised on an effective interest basis for debt instruments other than those financial assets classified as at FVTPL. Interest income is recognised in profit or loss and is included in the "other income" line item.

iii. Investments in equity instruments at FVTOCI

On initial recognition, the Company can make an irrevocable election (on an instrument-by-instrument basis) to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instruments. This election is not permitted if the equity investment is held for trading. These elected investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the 'reserve for equity instruments through other comprehensive income'. The cumulative gain or loss is not reclassified to profit or loss on disposal of the investments.

A financial asset is held for trading if:

- it has been acquired principally for the purpose of selling it in the near term; or
- on initial recognition it is part of a portfolio of identified financial instruments that the company manages together and has a recent actual pattern of short-term profit-taking; or
- it is a derivative that is not designated and effective as a hedging instrument or a financial guarantee.

NOTES FORMING PART OF THE ACCOUNTS (CONTD.)

The Company has equity investments in S&A Companies which are not held for trading.

Dividends on these investments in equity instruments are recognised in profit or loss when the Company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably. Dividends recognised in profit or loss are included in the 'other income' line item.

iv. Financial assets at fair value through profit or loss (FVTPL)

Investments in equity instruments are classified as at FVTPL, unless the Company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for investments in equity instruments which are not held for trading (see point iii above).

Debt instruments that do not meet the amortised cost criteria or FVTOCI criteria (see above) are measured at FVTPL. In addition, debt instruments that meet the amortised cost criteria or the FVTOCI criteria but are designated as at FVTPL are measured at FVTPL.

A financial asset that meets the amortised cost criteria or debt instruments that meet the FVTOCI criteria may be designated as at FVTPL upon initial recognition if such designation eliminates or significantly reduces a measurement or recognition inconsistency that would arise from measuring assets or liabilities or recognising the gains and losses on them on different bases. The Company has not designated any debt instrument as at FVTPL.

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any dividend or interest earned on the financial asset and is included in the 'other income' line item. Dividend on financial assets at FVTPL is recognised when the company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably.

v. Impairment of financial assets

The Company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, debt instruments at FVTOCI, lease receivables, trade receivables, other contractual rights to receive cash or other financial asset, and financial guarantees not designated as at FVTPL.

Expected credit losses are the weighted average of credit losses with the respective risks of default occurring as the weights. Credit loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate (or credit-adjusted effective interest rate for purchased or originated credit-impaired financial assets). The Company estimates cash flows by considering all contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) through the expected life of that financial instrument.

The Company measures the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses. 12-month expected credit losses are portion of the life-time expected credit losses and represent the lifetime cash shortfalls that will result if default occurs within the 12 months after the reporting date and thus, are not cash shortfalls that are predicted over the next 12 months.

If the Company measured loss allowance for a financial instrument at lifetime expected credit loss model in the previous period, but determines at the end of a reporting period that the credit risk has not increased significantly since initial recognition due to improvement in credit quality as compared to the previous period, the Company again measures the loss allowance based on 12-month expected credit losses.

When making the assessment of whether there has been a significant increase in credit risk since initial recognition, the Company uses the change in the risk of a default occurring over the expected life of the financial instrument instead of the change in the amount of expected credit losses. To make that assessment, the Company compares the risk of a default occurring on the financial instrument as at the reporting date with the risk of a default occurring on the financial instrument as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition.

For trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 11 and Ind AS 18, the company always measures the loss allowance at an amount equal to lifetime expected credit losses.

Further, for the purpose of measuring lifetime expected credit loss allowance for trade receivables, the Company has used a practical expedient as permitted under Ind AS 109. This expected credit loss allowance is computed based on a provision matrix which takes into account historical credit loss experience and adjusted for forward-looking information.

The impairment requirements for the recognition and measurement of a loss allowance are equally applied to debt instruments at FVTOCI except that the loss allowance is recognised in other comprehensive income and is not reduced from the carrying amount in the balance sheet.

NOTES FORMING PART OF THE ACCOUNTS (CONTD.)

vi. Derecognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset.

On derecognition of a financial asset other than in its entirety (e.g. when the Company retains an option to repurchase part of a transferred asset), the Company allocates the previous carrying amount of the financial asset between the part it continues to recognise under continuing involvement, and the part it no longer recognises on the basis of the relative fair values of those parts on the date of the transfer. The difference between the carrying amount allocated to the part that is no longer recognised and the sum of the consideration received for the part no longer recognised and any cumulative gain or loss allocated to it that had been recognised in other comprehensive income is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset. A cumulative gain or loss that had been recognised in other comprehensive income is allocated between the part that continues to be recognised and the part that is no longer recognised on the basis of the relative fair values of those parts.

vii. Foreign exchange gains and losses

The fair value of financial assets denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of each reporting period.

- For foreign currency denominated financial assets measured at amortised cost and FVTPL, the exchange differences are recognised in profit or loss except for those which are designated as hedging instruments in a hedging relationship.
- Changes in the carrying amount of investments in equity instruments at FVTOCI relating to changes in foreign currency rates are recognised in other comprehensive income.
- For the purposes of recognising foreign exchange gains and losses, FVTOCI debt instruments are treated as financial assets measured at amortised cost. Thus, the exchange differences on the amortised cost are recognised in profit or loss and other changes in the fair value of FVTOCI financial assets are recognised in other comprehensive income.

2.20 Financial liabilities and equity instruments

i. Classification as debt or equity

Debt and equity instruments issued by a group entity are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

ii. Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the entity are recognised at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in profit or loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

iii. Compound financial instruments

The component parts of compound financial instruments (convertible notes) issued by the Company are classified separately as financial liabilities and equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument. A conversion option that will be settled by the exchange of a fixed amount of cash or another financial asset for a fixed number of the Company's own equity instruments is an equity instrument.

At the date of issue, the fair value of the liability component is estimated using the prevailing market interest rate for similar non-convertible instruments. This amount is recognised as a liability on an amortised cost basis using the effective interest method until extinguished upon conversion or at the instrument's maturity date.

The conversion option classified as equity is determined by deducting the amount of the liability component from the fair value of the compound financial instrument as a whole. This is recognised and included in equity, net of income tax effects, and is not subsequently remeasured. In addition, the conversion option classified as equity will remain in equity until the conversion option is exercised, in which case, the balance recognised in equity will be transferred to other component of equity. When the conversion option remains unexercised at the maturity date of the convertible note, the balance recognised in equity will be transferred to retained earnings. No gain or loss is recognised in profit or loss upon conversion or expiration of the conversion option.

Transaction costs that relate to the issue of the convertible notes are allocated to the liability and equity components in proportion to the allocation of the gross proceeds. Transaction costs relating to the equity component are recognised directly in equity. Transaction costs relating to the liability component are included in the carrying amount of the liability component and are amortised over the lives of the convertible notes using the effective interest method.

NOTES FORMING PART OF THE ACCOUNTS (CONTD.)

iv. Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at FVTPL.

However, financial liabilities that arise when a transfer of a financial asset does not qualify for derecognition or when the continuing involvement approach applies, financial guarantee contracts issued by the company, and commitments issued by the company to provide a loan at below-market interest rate are measured in accordance with the specific accounting policies set out below.

a. Financial liabilities at FVTPL

Financial liabilities are classified as at FVTPL when the financial liability is either contingent consideration recognised by the Group as an acquirer in a business combination to which Ind AS 103 applies or is held for trading or it is designated as at FVTPL.

A financial liability is classified as held for trading if:

- o it has been incurred principally for the purpose of repurchasing it in the near term; or
- o on initial recognition it is part of a portfolio of identified financial instruments that the Group manages together and has a recent actual pattern of short-term profit-taking; or
- o it is a derivative that is not designated and effective as a hedging instrument.

A financial liability other than a financial liability held for trading or contingent consideration recognised by the Group as an acquirer in a business combination to which Ind AS 103 applies, may be designated as at FVTPL upon initial recognition if:

- o such designation eliminates or significantly reduces a measurement or recognition inconsistency that would otherwise arise;
- o the financial liability forms part of a group of financial assets or financial liabilities or both, which is managed and its performance is evaluated on a fair value basis, in accordance with the company's documented risk management or investment strategy, and information about the grouping is provided internally on that basis; or
- o it forms part of a contract containing one or more embedded derivatives, and Ind AS 109 permits the entire combined contract to be designated as at FVTPL in accordance with Ind AS 109.

Financial liabilities at FVTPL are stated at fair value, with any gains or losses arising on remeasurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any interest paid on the financial liability and is included in the 'Other income' line item.

However, for non-held-for-trading financial liabilities that are designated as at FVTPL, the amount of change in the fair value of the financial liability that is attributable to changes in the credit risk of that liability is recognised in other comprehensive income, unless the recognition of the effects of changes in the liability's credit risk in other comprehensive income would create or enlarge an accounting mismatch in profit or loss, in which case these effects of changes in credit risk are recognised in profit or loss. The remaining amount of change in the fair value of liability is always recognised in profit or loss. Changes in fair value attributable to a financial liability's credit risk that are recognised in other comprehensive income are reflected immediately in retained earnings and are not subsequently reclassified to profit or loss.

Gains or losses on financial guarantee contracts and loan commitments issued by the company that are designated by the company as at fair value through profit or loss are recognised in profit or loss.

Fair value is determined in the manner described in note 36(xvii).

b. Financial liabilities subsequently measured at amortised cost

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalised as part of costs of an asset is included in the 'Finance costs' line item.

c. Foreign exchange gains and losses

For financial liabilities that are denominated in a foreign currency and are measured at amortised cost at the end of each reporting period, the foreign exchange gains and losses are determined based on the amortised cost of the instruments and are recognised in 'Other income'.

The fair value of financial liabilities denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of the reporting period. For financial liabilities that are measured as at FVTPL, the foreign exchange component forms part of the fair value gains or losses and is recognised in profit or loss.

d. Derecognition of financial liabilities

The company derecognises financial liabilities when, and only when, the company's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

NOTES FORMING PART OF THE ACCOUNTS (CONTD.)

2.21 Derivative financial instruments

The Company enters into a variety of derivative financial instruments to manage its exposure to interest rate and foreign exchange rate risks, including foreign exchange forward contracts, interest rate swaps and cross currency swaps. Further details of derivative financial instruments are disclosed in note 36(xvii).

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in profit or loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in profit or loss depends on the nature of the hedging relationship and the nature of the hedged item.

Embedded derivatives

Derivatives embedded in non-derivative host contracts that are not financial assets within the scope of Ind AS 109 are treated as separate derivatives when their risks and characteristics are not closely related to those of the host contracts and the host contracts are not measured at FVTPL.

2.22 Hedge accounting

The Company designates certain hedging instruments, which include derivatives, embedded derivatives and non-derivatives in respect of foreign currency risk, as either fair value hedges, cash flow hedges, or hedges of net investments in foreign operations. Hedges of foreign exchange risk on firm commitments are accounted for as cash flow hedges.

At the inception of the hedge relationship, the entity documents the relationship between the hedging instrument and the hedged item, along with its risk management objectives and its strategy for undertaking various hedge transactions. Furthermore, at the inception of the hedge and on an ongoing basis, the Company documents whether the hedging instrument is highly effective in offsetting changes in fair values or cash flows of the hedged item attributable to the hedged risk.

i. Fair value hedges

Changes in fair value of the designated portion of derivatives that qualify as fair value hedges are recognised in profit or loss immediately, together with any changes in the fair value of the hedged asset or liability that are attributable to the hedged risk. The change in the fair value of the designated portion of hedging instrument and the change in the hedged item attributable to the hedged risk are recognised in profit or loss in the line item relating to the hedged item.

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or when it no longer qualifies for hedge accounting. The fair value adjustment to the carrying amount of the hedged item arising from the hedged risk is amortised to profit or loss from that date.

ii. Cash flow hedges

The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges is recognised in other comprehensive income and accumulated under the heading of cash flow hedging reserve. The gain or loss relating to the ineffective portion is recognised immediately in profit or loss, and is included in the ‘other income’ line item.

Amounts previously recognised in other comprehensive income and accumulated in equity relating to effective portion (as described above) are reclassified to profit or loss in the periods when the hedged item affects profit or loss, in the same line as the recognised hedged item. However, when the hedged forecast transaction results in the recognition of a non-financial asset or a non-financial liability, such gains and losses are transferred from equity (but not as a reclassification adjustment) and included in the initial measurement of the cost of the non-financial asset or non-financial liability.

In cases where the designated hedging instruments are options and forward contracts, the Company has an option, for each designation, to designate on an instrument only the changes in intrinsic value of the options and spot element of forward contracts respectively as hedges. In such cases, the time value of the options is accounted based on the type of hedged item which those options hedge.

In case of transaction related hedged item in the above cases, the change in time value of the options is recognised in other comprehensive income to the extent it relates to the hedged item and accumulated in a separate component of equity i.e. Reserve for time value of options and forward elements of forward contracts in hedging relationship. This separate component is removed and directly included in the initial cost or other carrying amount of the asset or the liability (i.e. not as a reclassification adjustment thus not affecting other comprehensive income) if the hedged item subsequently results in recognition of a non-financial asset or a non-financial liability. In other cases, the amount accumulated is reclassified to profit or loss as a reclassification adjustment in the same period in which the hedged expected future cash flows affect profit or loss.

In case of time-period related hedged item in the above cases, the change in time value of the options is recognised in other comprehensive income to the extent it relates to the hedged item and accumulated in a separate component of equity i.e. Reserve for time value of options and forward elements of forward contracts in hedging relationship. The time value of options at the date of designation of the options in the hedging relationships is amortised on a systematic and rational basis over the period during which the options’ intrinsic value could affect profit or loss. This is done as a reclassification adjustment and hence affects other comprehensive income.

In cases where only the spot element of the forward contracts is designated in a hedging relationship and the forward element of the forward contract is not designated, the Company makes the choice for each designation whether to recognise the changes in forward element of fair value of the forward contracts in profit or loss or to account for this element similar to the time value of an option (as described above).

NOTES FORMING PART OF THE ACCOUNTS (CONTD.)

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or when it no longer qualifies for hedge accounting. Any gain or loss recognised in other comprehensive income and accumulated in equity at that time remains in equity and is recognised when the forecast transaction is ultimately recognised in profit or loss. When a forecast transaction is no longer expected to occur, the gain or loss accumulated in equity is recognised immediately in profit or loss.

iii. Hedges of net investments in foreign operations

Hedges of net investments in foreign operations are accounted for similarly to cash flow hedges. Any gain or loss on the hedging instrument relating to the effective portion of the hedge is recognised in other comprehensive income and accumulated under the heading of foreign currency translation reserve. The gain or loss relating to the ineffective portion is recognised immediately in profit or loss, and is included in the ‘other income’ line item.

Gains and losses on the hedging instrument relating to the effective portion of the hedge accumulated in the foreign currency translation reserve are reclassified to profit or loss on the disposal of the foreign operation.

2.23 Exceptional Items

On certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Company, is such that its disclosure improves an understanding of the performance of the Company. Such income or expense is classified as an exceptional item and accordingly disclosed in the notes to accounts.

2.24 Research and development

Revenue expenditure on research and development is expensed under respective heads of account in the period in which it is incurred.

2.25 Cash and bank balances

Cash and bank balances include fixed deposits, margin money deposits, earmarked balances with banks and other bank balances which have restrictions on repatriation. Short term and liquid investments being not free from more than insignificant risk of change in value, are not included as part of cash and cash equivalents.

2.26 Commitments

Commitments are future liabilities for contractual expenditure.

Commitments are classified and disclosed as follows:

a. Estimated amount of contracts remaining to be executed on capital account and not provided for

b. Uncalled liability on shares and other investments partly paid

c. Funding related commitment to subsidiary, associate and joint venture companies and

d. Other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.

Other commitments related to sales/procurements made in the normal course of business are not disclosed to avoid excessive details.

2.27 Operating cycle for current and non-current classification

Operating cycle for the business activities of the Company covers the duration of the specific project/contract/product line/service including the defect liability period, wherever applicable and extends up to the realisation of receivables (including retention monies) within the agreed credit period normally applicable to the respective lines of business.

2.28 Cash flow statement

Cash flow statement is prepared segregating the cash flows from operating, investing and financing activities. Cash flow from operating activities is reported using indirect method. Under the indirect method, the net profit is adjusted for the effects of:

I. transactions of a non-cash nature

II. any deferrals or accruals of past or future operating cash receipts or payments and

III. items of income or expense associated with investing or financing cash flows

Cash and cash equivalents (including bank balances) are reflected as such in the cash flow statement. Those cash and cash equivalents which are not available for general use as on the date of balance sheet are also included under this category with a specific disclosure.

NOTE 36

I) DISCLOSURES PURSUANT TO INDIAN ACCOUNTING STANDARD (IND AS) 101 "FIRST-TIME ADOPTION OF INDIAN ACCOUNTING STANDARDS"

a. First-time adoption - mandatory exceptions and optional exemptions

Overall principle

The Company has prepared the opening balance sheet as per Ind AS as at April 1, 2015 (the transition date) by recognising all assets and liabilities whose recognition is required by Ind AS, not recognising items of assets or liabilities which are not permitted by Ind AS, by reclassifying items from previous GAAP to Ind AS as required under Ind AS, and applying Ind AS in measurement of recognised assets and liabilities. However, this principle is subject to certain mandatory and optional exemptions availed by the Company as detailed below.

Derecognition of financial assets and financial liabilities

The Company has applied the derecognition requirements of financial assets and financial liabilities prospectively for transactions occurring on or after April 1, 2015 (the transition date).

Deemed cost for property, plant and equipment and intangible assets

The Company has elected to continue with the carrying value of all of its property, plant and equipment and intangible assets recognised as at April 1, 2015 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

Determining whether an arrangement contains a lease

The Company has applied Appendix C of Ind AS 17 Determining whether an Arrangement contains a Lease to determine whether an arrangement existing at the transition date contains a lease on the basis of facts and circumstances existing at that date.

b. Opening balance sheet as at April 01, 2015

III) DISCLOSURES PURSUANT TO INDIAN ACCOUNTING STANDARD (IND AS) 8 "ACCOUNTING POLICIES, CHANGES IN ACCOUNTING ESTIMATES AND ERRORS "

Standards issued but not yet effective:

a) Ind AS 115 "Revenue from Contract with Customers":

The Ministry of Corporate Affairs (MCA) had notified Ind AS 115 "Revenue from Contract with Customers" in February, 2015. The standard establishes a five-step model to account for revenue arising from contract with customers. Under Ind AS 115 revenue is recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to the customers. The new revenue standard will supersede all current revenue recognition requirements under Ind AS. This standard will come into force from accounting period commencing on or after April 1, 2018.

The Company is in the process of making an assessment of the impact of Ind AS 115 upon initial application. As at the date of this report, the Company does not expect any material impact on the operational results and financial position upon adoption of Ind AS 115.

b) In March 2017, the MCA issued the Companies (Indian Accounting Standards) (Amendments) Rules, 2017, notifying amendments to Ind AS 7, 'Statement of cash flows' and Ind AS 102, 'Share-based payment.' These amendments are in accordance with the recent amendments made by International Accounting Standards Board (IASB) to IAS 7, 'Statement of cash flows' and IFRS 2, 'Share-based payment,' respectively. The amendments are applicable to the Company from April 1, 2017.

i. Amendment to Ind AS 7:

The amendment to Ind AS 7 requires the entities to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the balance sheet for liabilities arising from financing activities, to meet the disclosure requirement.

The Company is evaluating the requirements of the amendment and the effect on the financial statements is being evaluated.

ii. Amendment to Ind AS 102:

The amendment to Ind AS 102 provides specific guidance to measurement of cash-settled awards, modification of cash-settled awards and awards that include a net settlement feature in respect of withholding taxes.

Since the Company does not have employee stock option scheme, Ind AS 102 is not applicable.

iv) The expenditure on research and development activities recognised as expense in the statement of profit and loss is ₹ 14.72 crore (previous year: ₹ 12.56 crore).

a) on property, plant and equipment ₹ 0.06 crore (previous year: ₹ 0.19 crore)

b) on intangible assets being expenditure on new product development Nil (previous year: Nil)

c) on other intangible assets Nil (previous year: Nil)

* Basis used to determine interest income on plan assets:

The trust formed by the holding company manages the investments of provident funds and gratuity fund. Interest income on plan assets is determined by multiplying the fair value of the plan assets by the discount rate stated in (g) (i) below both determined at the start of the annual reporting period.

e) Changes in the fair value of plan assets representing reconciliation of the opening and closing balances thereof are as follows:

f) Principal actuarial assumptions at the balance sheet date (expressed as weighted averages):

Particulars	31.3.2017	*31.3.2016*	*1.4.2015*
1. Discount rate:			
a) Gratuity plan	**7.19%**	*7.79%*	*7.83%*
b) Company pension plan	**7.19%**	*7.79%*	*7.83%*
c) Post-retirement medical benefit plan	**7.19%**	*7.79%*	*7.83%*
2. Annual increase in healthcare costs (see note below)			
3. Salary Growth rate:			
a) Gratuity plan	**5%**	*5%*	*5%*
b) Company pension plan	**5%**	*5%*	*5%*

4. Attrition rate:
   a) For post-retirement medical benefit plan and the Company pension plan, the attrition rate varies from 2% to 8% (previous year: 2% to 8%) for various age groups.
   b) For gratuity plan the attrition rate varies from 1% to 6% (previous year: 1% to 6%) for various age groups.
5. The estimates of future salary increases, considered in actuarial valuation, take into account inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.
6. The interest payment obligation of trust-managed provident fund is assumed to be adequately covered by the interest income on long term investments of the fund. Any shortfall in the interest income over the interest obligation is recognised immediately in the statement of profit and loss.
7. The obligation of the Company under the post-retirement medical benefit plan is limited to the overall ceiling limits. At present, healthcare cost, as indicated in the principal actuarial assumption given above, has been assumed to increase at 5% p.a.
8. (a) A one percentage point change in actuarial assumptions would have the following effects on the defined benefit obligation of gratuity plan:

Particulars	Effect of 1% increase	Effect of 1% decrease
Impact of change in salary growth rate	**9.51%**	**-8.22%**
Impact of change in discount rate	**-8.00%**	**9.39%**
